

Thank you 2511

Chapter 2511: Zhou chongguang, let's get a divorce!(4)

Mother Zhou's voice was very weak, but Qin Mu could still hear it.

She looked at the old man quietly, a little hurt in her eyes.

She thought,"so a person who's about to die is this fearless, and can raise any condition."

just like when she wanted to be together with zhou chongguang, everyone was apprehensive of her feelings and did not dare to provoke her.

it turned out that people who had no fear were so hateful and pitiful.

Qin MU's lips moved. She didn't know what she said, but mother Zhou's eyes closed.

...

he didn't leave, but he didn't have the strength to speak or open his eyes.

She seemed to be on the verge of a long sleep, with only a little time left.

the old man held on to his last breath so that she wouldn't get a divorce. qin mu took a step back and looked at that peaceful face quietly. he lowered his eyes and whispered, "zhou chongguang, is this what you want too?"

The man beside her held her hand and said in a very low voice, "I'm sorry, Mumu. Please let her leave without any regrets.

qin mu's expression was dazed. then, he turned his face to look at him. "she's gone, and i don't feel anything anymore. everything is perceived by the living. "

he looked into her eyes with a pained expression, and he knew it even in his daze.

Qin Mu didn't say anything else. She just sat on the small sofa at the side and silently accompanied him.

On this darkest night of Zhou chongguang's, Qin Mu accompanied him.

He sat by his mother's bed, his eyes quietly falling on mother Zhou's face.

At that time, Zhou chongguang's mind was filled with memories of his childhood.

At dawn, mother Zhou was already on the verge of death, and the drip could not be put in. The doctor came over and quietly removed the drip stand, whispering, "Mrs. Zhou will be here in about half an hour."

At that time, Zhou chongguang raised his eyes, and Qin Mu saw that his face was ashen.

a person's death was like a light going out. at such a time, it was impossible for her to get into a fight with him. all the conflicts were hidden in zhou chongguang's sorrow.

the funeral was very solemn and grand. gu mei did not come, and qin mu, as zhou chongguang's wife, attended the entire funeral.

In the early winter morning, in front of mother Zhou's tomb, the sun shone on the White tombstone, and the White flowers in front of the tombstone still had morning dew.

zhou chongguang had been standing the whole time. qin mu stood beside him, while his friends and family had already left.

zhao ziyi walked over and patted his shoulder. he then looked at qin mu, but in the end, he didn't say anything.

Zhao Ziyi also left, leaving only Zhou chongguang and Qin Mu at the scene.

“Will you leave me?” he asked softly, still standing.

qin mu shook his head. ” i don’t know. i can understand zhou chongguang’s hesitation, but please understand me too. ”

He smiled bitterly and turned around. His handsome face looked Haggard. He had not had a good night’s sleep in the past month.

“Has our relationship reached the point of mutual respect?” he muttered.

“Maybe this is better.” Qin Mu closed his eyes.

after gu mei’s child was born, it was hard for her to be like in the past, hugging him and acting coquettishly, giving herself to him completely.

She couldn’t do this. She only promised mother Zhou because she didn’t want an old man to die with hatred.

if she owed the zhou family, she had already paid them back. she would not owe them anymore in the future.

Zhou chongguang also seemed to be very tired. He held his forehead with his hand, turned around, and stood for a while before saying, ” “let’s go!”

Chapter 2512: Caught in the act of adultery by a mistress at the hotel (1)

Qin Mu walked to his car with him. She stood there and looked at him.”are you still staying in the hotel?”

he nodded and looked at her.

“Then, take care of your health, ran ran.” Qin Mu smiled.

as she said this, she lifted her chin slightly. " my chauffeur has driven the car over. "

just as she was about to leave, he reached out and hugged her. he hugged her whole body, very, very tightly.

Qin MU's face was on his shoulder, and his voice was still gentle. Zhou chongguang, you have to be well, okay? "

...

She was no longer a 14-year-old girl, nor was she the woman who hated her husband in her marriage. Because he had been good to her, she did not want to end up in a terrible separation.

She was willing to give him her last bit of warmth if he needed it, but there was nothing else.

Zhou chongguang's face rubbed against her neck, and his voice was extremely hoarse. "Qin Mu, I can't recover without you."

She did not push him away and let him hold her. Under the morning sun, her figure was pulled long.

Finally, she said very softly, "I'm sorry!" i told a white lie to your mother."

His body stiffened, and he understood that Qin Mu had never thought of getting back on good terms with him.

His eyes were slightly moist. Qin Mu, Qianqian.

This time, she pushed him away gently, her eyes clear. chongguang, I think that even if we break up, it'll still be wonderful if we stay.

His eyes were burning, 'but I've never thought of leaving you! i can raise the child overseas. i will persuade gu mei to give up on the child."

“Will she agree?” Qin Mu lowered his gaze and smiled very softly.

Zhou chongguang pleaded in a low voice. I’ll try my best, Qin Mu. I know what you’re concerned about. Ran ran, you don’t have confidence in me. I’ll try my best to minimize the damage.

Qin Mu turned his face to the side, then smiled with tears in his eyes. Zhou chongguang, don’t be like this. If you do this, I’ll feel that I don’t love you enough. I’ll even feel a little guilty.

“You see, after so many things have happened, I’ve left you alone! Really, don’t tire yourself out. Yingluo, you’ll be very tired if you’re with me. I don’t know if we’ll be able to walk to the end, even if I agree to it now.” Qin MU’s voice was almost trembling.

Zhou chongguang took a step forward and pulled her into his arms again. He did not say anything and just hugged her.

In the end, Qin Mu still got into his car. In a daze, she was brought to the hotel suite he was staying in.

When she regained consciousness, she was pressed between the beds and kissed.

and his actions showed what he wanted to do.

” zhou chongguang mumbled. ” qin mu’s voice had a hint of crying. ” let me go. i don’t want to. ”

he didn’t say a word and just lowered his body, burying his face in her neck.

His every move was filled with despair, and every move seemed to be his last.

Everything was silent, and even his sweat was cold.

After that, Qin Mu stopped struggling, and he slowly let go of her wrist, changing to interlocking their fingers.

She bore his desire, bore his sorrow, and they were deeply entangled again and again.

Qin Mu didn't know if he was soft-hearted or if it was because they had sex again. In short, she stayed in his hotel suite for a day and a night. He only wanted her once. Most of the time, he just hugged her and didn't do anything. He just hugged her with his long arms and legs, afraid that she would run away.

Chapter 2513: Caught in the act of adultery by a mistress at the hotel (2)

qin mu moved a little in his arms, and he hugged him even harder.

"I want to go to the washroom." qin mu's voice was soft.

Zhou chongguang felt a little uncomfortable and scratched his head. "i'll carry you there!"

he was willing to, but qin mu was not. he pushed him."i'll go by myself."

His expression was a little dazed, but he let her go in the end. then I'll order food. You must be hungry! at this moment, it was already night time outside. they had not eaten for a day.

Qin Mu nodded. alright. Do as you see fit!

...

She got off the bed carefully, but when she stepped on the carpet, she could not help but frown.

"It still hurts?" his voice was hoarse as he thought of his unwillingness at the end. he seemed a little rough.

Qin Mu glanced at him and endured the pain as he went to the washroom.

Zhou chongguang took the internal line at the head of the bed and ordered food. He waited for another ten minutes before Qin Mu came out. When he came out, he was already wearing a bathrobe, as if he had just taken a shower.

“Why didn’t you wait for me?” he asked.

Qin Mu sat in front of the dressing table and started to dry his hair.

Zhou chongguang looked at her. He probably knew that she was a little regretful. He was silent for a while before walking into the bathroom. When he came out, he was wearing the same bathrobe as her.

She was still sitting there, her hair half-dry.

he took over the hairdryer from behind her and silently dried her hair.

after he was done blowing, he cupped a strand of her hair and slowly bent down, hugging her tightly. ” qin mu, give me another chance. ”

She was still sitting and looking at him quietly in the mirror.

his arms slowly tightened as he enjoyed this rare warmth.

it had been too long since he had hugged her. it had nothing to do with the love jade, but the warmth that belonged to her.

qin mu closed his eyes slightly. ” zhou chongguang, don’t force me. ”

“you still love me.” He spoke in a low voice and kissed her on the neck. “You didn’t reject me when I wanted you just now.”

As he said this, his large palm began to act unruly again.

Qin Mu immediately grabbed his hand. "Zhou chongguang, your mother's funeral just started this morning."

he pulled her hand away firmly and continued to say, "her biggest wish is for us not to get a divorce, yingluo."

As he spoke, he kissed the back of her delicate ear, deliberately wanting to possess her.

Qin Mu felt that he had underestimated him. Now that she thought about it, the one who really kidnapped her morals wasn't mother Zhou, but him.

he clearly knew, but he still brought her there.

it was very sinister!

Qin Mu raised his head slightly and slowly said, "Let me think about it."

But she had no choice, because he had already carried her to the mirror. He hugged her from behind and nibbled on her little by little. His voice was warm as he said, "Mumu, you can think about it carefully, slowly."

just as he was about to possess her, there was a knock on the door. zhou chongguang cursed softly and comforted her, "Waiter, send the food over. I'll open the door."

Qin Mu bit his lip and hummed in acknowledgment. His eyes were brimming with tears.

he kissed her for a while reluctantly, then put on his bathrobe and went to open the door.

however, the person outside the door was not a waiter. it was gu mei, who was seven months pregnant.

Her hand was on her protruding stomach as she looked at Zhou chongguang, who was by the door. Although his bathrobe was neat, his handsome face was stained with deep affection. That was the special expression of a man doing that kind of thing.

gu mei's lips trembled slightly. " why did you suddenly have another woman? "

Her face was pale. I thought you were very loyal to Qin Mu. It turns out that's all there is to it.

Chapter 2514: Caught in the act of adultery by a mistress at the hotel (3)

Before Zhou chongguang could say anything, Qin Mu had already walked over. The bathrobe he was wearing was of the same style as Zhou chongguang's, and it made Gu Mei's eyes sting.

Gu Mei's hand clutched her stomach as she took a step back. Her face had also turned paler. it's actually you!

Qin Mu smiled lightly. Zhou chongguang and I are not divorced. Is it strange for us to sleep together? "

gu mei seemed to have been dealt a heavy blow. she had originally thought that the child in her stomach would ensure that she and zhou chongguang got married. as long as mother zhou was around, she could take the child away and threaten that old woman who had gone crazy from missing a grandson. however, she had not expected mother zhou to die so quickly.

this kind of illness could usually drag on for three to five months, unless she didn't want to live.

gu mei's heart was completely twisted at this moment. the little bit of kindness she had in the past had long since disappeared.

...

What she wanted was the status of Mrs. Zhou, the thing she had longed for for so many years.

Qin Mu didn't love Zhou chongguang that much. If she loved him, she would be able to tolerate everything about Zhou chongguang. Hence, only she and Zhou chongguang were suitable.

Gu Mei laughed lightly. Qin Mu, his mother just passed away. Do you think this is appropriate? ”

qin mu sneered. ” miss gu, my husband is pressing me down and wants to make love with me once. is he guilty? Or was it related to miss Gu? if miss gu has such a strong sense of morality, she wouldn’t appear in front of a married man’s hotel with a pregnant belly.”

gu mei’s face turned red and white. ” qin mu, i’m pregnant with zhou chongguang’s child! i’m definitely going to give birth to this child!”

Qin Mu laughed in a low voice, ’please go ahead, ran ran. Also, I’m not getting a divorce for sure! Miss Gu, if you like to be a single mother, then you can have as much as you want!”

Gu Mei’s face was as white as a sheet of paper. She desperately suppressed her anger.”But Chong Guang is the Father.”

“i didn’t stop you!” “You can try your best to make him a good father,” Qin Mu sneered.

zhou chongguang reached out to hold her shoulders and said softly, ” “Mumu, go in!”

qin mu didn’t want to be entangled with gu mei and nodded. just as he was about to close the door, footsteps sounded from the corridor.

then, gu ze appeared.

his gaze first landed on qin mu and zhou chongguang, and only after a long while did it move to gu mei’s face. he reprimanded her sternly, ” “come back with me!”

Gu Mei’s hand stroked her stomach as she raised her head slightly and smiled. brother, you rushed over because you were worried about me or the goddess in your heart, huh? ”

Gu ze’s face was so dark that water could drip out. He raised his hand and gave his sister a slap.”gu mei, do you know what you are saying and doing?”

A few finger marks immediately appeared on Gu Mei’s fair and slender face. She covered her face and laughed softly.”Brother, you hit me?”

Then, she coldly said, "Gu ze, what right do you have to hit me?" Eight years ago, when you let me go to jail for your own sake, you were no longer my brother!"

gu ze's face was ashen, and he said coldly, " " there's a limit to gu mei's willfulness. how much of a mess have you made for a man? "

"I'm willing!" gu mei laughed miserably. " i love him. i love him even more than qin mu. when qin mu was still a little girl and only knew how to appreciate his music, i already knew his pain. i understand him. i'm willing to do anything for him. he didn't love qin mu in the past. why did he fall in love with qin mu after i sacrificed everything? This is not fair!"

Chapter 2515: Do you really not have her in your heart?

Gu Mei shook her head and retreated continuously. brother, this isn't fair, you know that? "

gu ze caught her shoulder with one hand and said in a cold tone, " "there is no fairness in a relationship."

Gu Mei looked at him and laughed softly. "I won't be a fool like you. What protection? it's all done by fools. brother, love is possession, do you understand?"

" and then? destroy them together? " "do you think you can make the person you love happy?" gu ze calmly asked.

Gu Mei laughed softly. he'll be happy. That's because we have a child.

gu ze stopped looking at her and turned to look at zhou chongguang and qin mu. " sorry for the disturbance. i will take her away. "

...

Gu Mei's current situation was her own doing. It had nothing to do with anyone else.

Gu ze left with Gu Mei. Even after closing the door, one could still hear Gu Mei's shrieking. It was very ear-piercing.

qin mu looked at zhou chongguang and asked very softly, " "You really don't need to care?"

Gu Mei's stomach was already seven months pregnant. Was he really not worried?

Zhou chongguang's thin lips were pursed.

She did not say anything else, but she lost her appetite while eating.

Of course, Zhou chongguang was not in the mood to do it with her. At night, he just hugged her from behind, quietly.

at that time, qin mu suddenly felt that perhaps gu mei did have a place in zhou chongguang's heart.

otherwise, with his ruthlessness in the business world, it would be impossible for gu mei's stomach to be safe until today.

this thought flickered in her mind, and she didn't sleep well that night.

she also knew that he did not sleep well.

at around five in the morning, qin mu turned around in his arms. his small hands wrapped around his neck, and he directly pressed his lips against his thin lips.

zhou chongguang seemed to be stunned for a moment, and his voice was hoarse. " "Qin Mu."

"you're still worried, are you?" qin mu asked softly. at this moment, she was hugging his neck, her entire body hanging on him.

zhou chongguang was stunned again, then shook his head. ” “Qin Mu, not Yingluo.”

“Then make love with me and prove yourself!” as she spoke, she deliberately deepened the kiss and teased him.

Zhou chongguang was in a daze for a while before he reacted. This also showed that he had something on his mind.

Qin Mu lowered his eyes and hid his thoughts.

He was a little absent-minded the whole time and didn’t play any tricks. He just kept doing it like that.

such a matter was also a little depressing.

it wasn’t until his phone rang that he seemed to have woken up and immediately picked it up.

qin mu laid in his arms and heard gu mei’s weak voice coming from the other side. ” zhou chongguang, i was waiting for you at home. i took a lot of sleeping pills. ”

Almost immediately, Qin Mu saw Zhou chongguang’s jaw clench. He was still with her at first, but in the next second, he pulled her away, his voice a little hoarse. “i’m going out for a bit.”

Qin Mu was still lying down. His brown curly hair was spread out on the pillow, and it was very beautiful.

however, he was in no mood to appreciate it. at this moment, he had to rush to another woman’s side.

she laughed lightly. ” zhou chongguang, if you were halfway there and you received my call, i would say that i wanted to take sleeping pills. would you come back? ”

zhou chongguang’s brows furrowed slightly. ” don’t cause trouble for mumu. she’s pregnant. she needs to go to the hospital to get her stomach pumped! ”

qin mu's voice suddenly exploded. " "that's great. everything will be fine without the child! Zhou chongguang, why are you so anxious?"

Chapter 2516: do you really not have her in your heart?(2)

As she spoke, she also felt that she was vicious, but she chose to forgive herself because no woman could tolerate such a thing.

a second ago, they were still making love, but the next second, he had to rush to another woman's side.

This was so ironic!

Qin MU's words didn't make Zhou chongguang stop putting on his clothes. He only put on his clothes, bent down, and whispered into her ear, " " it's because she's been in prison for me. i owe her. mumu, i'm sorry! "

Qin Mu laughed,'sorry? Zhou chongguang, what do you think I am? a wife who has been waiting for you at the same place? no matter what you've done, you're a little fool who can be coaxed back by some means?"

that's right, she was stupid, so before his mother passed away, he had schemed against her and successfully tricked her back into his bed.

...

it was so easy!

She laughed coldly. she went to jail for you, so you feel sorry for her. She wanted to sleep with you, so you did it. She wanted to have your child, so you gave birth to it. Zhou chongguang, you wanted to have this child from the beginning. Your mother was just your cover, right? "

"You bastard!" She laughed with tears in her eyes.

She picked up the phone on the bedside table and threw it at him.

In the past few months, even though she had been through Gu Mei's pregnancy, she had always thought that she was the most important person in his heart and that he loved her.

However, only now did Qin Mu understand that there was a certain relationship between Gu Mei and Zhou chongguang that she could not destroy. This kind of relationship would allow Zhou chongguang to tolerate anything that Gu Mei did.

In fact, she could not even intervene.

there were tears in qin mu's eyes. the feeling of disillusionment made her heart ache.

&Nbsp; ” Zhou chongguang, ” she said in a low voice, ” I don't know how to take sleeping pills, but if you go, we'll get a divorce.

He clearly knew that Gu Mei had willfully used a little trick. Gu Mei must have calculated that he would go, so she dared to do this!

What kind of certainty would make Gu Mei dare to gamble and make such a guess? it made Qin MU's back turn cold.

Zhou chongguang frowned and said in a deep voice, ” “qin mu, don't mess around! The one I love is you, and I only have responsibility for Gu Mei!”

qin mu looked into his eyes and only felt that he was a stranger. he felt that the man in front of him seemed to have returned to a few months ago, before she brought up the divorce.

Was his kindness to her all fake?

“You're leaving, right?” she asked softly.

zhou chongguang gritted his teeth. ” be good. i'll be back soon. don't let your thoughts run wild! ”

He kissed her on the forehead and immediately turned around to leave.

At that moment, she could tell that he was nervous and hesitant.

So, it was like this.

The debt that he owed Gu Mei and the low point that he and Gu Mei had gone through together was something that she, a young lady from a rich family who had never touched the sun and spring water, could not understand.

qin mu cried. she turned her face away in embarrassment, not willing to admit that she had lost.

just a few hours ago, she had even told gu mei that as long as she did not get a divorce, gu mei's child would forever be an illegitimate child.

was that really the case?

qin mu laughed. even he himself felt that it was ironic.

this mrs. zhou was probably who she thought she was!

no matter how much zhou chongguang loved her, it was impossible for him to abandon gu mei wanwan.

qin mu's fingers wiped away the tears from the corners of her eyes bit by bit. she forced a smile, then got up. as if she was torturing herself, she took out her phone and dialed zhou chongguang's number.

after a few rings, he picked it up and said in a low voice, "Mumu, don't mess around! I'll explain when we get back, okay?"

Chapter 2517: gu mei is fake, but qin mu has committed suicide (1)

Qin Mu smiled slightly. Although tears were flowing from the corners of her eyes again, she didn't care about them.

she just smiled and said, "zhou chongguang, if i say i'm going to jump off the building now, will you come back?"

he was silent for a long time, and his tone was a little cold. "qin mu, don't be unreasonable!"

her answer was to throw the phone in her hand against the wall, and it shattered into pieces.

on the other end, zhou chongguang frowned. he had heard the cracking sound and knew that she had lost her temper.

at this moment, a trace of conflict slipped through his heart. if he went back to coax her now, his anger would probably dissipate.

...

However, he also knew that Gu Mei had really taken sleeping pills. She was really capable of doing anything.

After weighing the pros and cons, Zhou chongguang made a call to the front desk of the hotel and asked them to check on Qin MU's condition in the room.

After he hung up, he stepped on the gas and continued to drive in the same direction.

when he arrived at gu mei's apartment, he kicked the door open and walked towards the bedroom. gu mei had taken sleeping pills and was lying on the bed.

Zhou chongguang went forward and reached out to carry her. Just then, Gu Mei opened her eyes.

she hugged zhou chongguang and buried her face in his neck. her voice was very, very soft, "chongguang, I'm sorry, Yingluo. I'm sorry. I just missed you too much!

zhou chongguang's body froze for a moment, then he squinted his eyes."You didn't take your medicine?"

"I thought about the child, so Yingying didn't eat it!" As Gu Mei spoke, she wrapped her arms around his neck and kissed him hard.

zhou chongguang could only feel a sweet taste in his mouth, like candy spreading in his mouth.

he furrowed his brows and quickly put gu mei down. his face darkened."you drugged me again!"

Gu Mei's hands were behind her back. She tilted her head and laughed softly. yes, but you might not be able to leave, Yingluo.

"This medicine is very strong, there's no woman who can't vent their anger!" Her voice was very soft.

zhou chongguang's face was ashen.

beads of sweat had already seeped out of his forehead, and his body was heating up.

He could clearly feel the effects of this medicine. Had Gu Mei gone crazy? Even if he did it with her, she might lose the child now that she was pregnant, Yueyue.

Gu Mei inched closer to him and raised her head. you're here. That means you care about me, right?
,"

even though she knew that he only cared about the child, she was still happy.

she had a child, but qin mu didn't.

this child was destined to help her!

zhou chongguang pushed her away and walked straight towards the door.

However, a pair of weak arms wrapped around his waist. Gu Mei's face was pressed against his back as she sighed softly. it's too late, chongguang. Qin Mu can't forgive you since you're here. You probably don't know much about women.

zhou chongguang's expression was a little aghast. he struggled to break free from her and walked towards the door without looking back.

Then, he experienced the darkest time of his life.

When he got into the car, he received a call from the front desk of the hotel.

qin mu committed suicide.

Wrist-slit!

when the receptionist went in, qin mu was lying in the bathtub in a bathrobe. his hands were hanging down, and the blood was dripping in a straight line. it kept dripping down, dripping down.

When Zhou chongguang received the call, his entire body froze.

His Adam's apple kept rolling, and his mind was blank.

he remembered that when he left, she had repeatedly asked him if he would stay if she took sleeping pills. when he was driving halfway, qin mu called. he didn't take it seriously and hung up the call.

he remembered her illness. how could he forget that she had been depressed?

Richard recommended Yao's new book, marital passion: hubby, good morning “, a pampered novel, to change my mood ~~ blushing and begging for a ticket ~~~”

Chapter 2518: gu mei is fake, but qin mu has committed suicide (2)

zhou chongguang didn't know how he drove to the hospital. his head was groggy, and his body felt like it was on fire. it was hot for a moment, and cold for another.

However, he couldn't care about all these. His mind was filled with: qin mu committed suicide.

As soon as the car stopped, Zhou chongguang jumped out of the car and quickly ran towards the elevator.

The elevator opened in front of him. When he entered, his heart was beating so fast that it felt like it was going to jump out.

he turned his head to the side and watched as the number continued to rise. when he reached the third floor, the elevator door opened and he quickly ran out.

when zhou chongguang walked into the emergency room, the white bed sheets were stained with blood. it was qin mu's blood.

...

She was lying quietly on the bed, her face pale and bloodless.

her arm was thin and wrapped in bandages, and the outermost gauze was still bleeding.

The other arm was transfusing blood, and the blood was Qin Mo's. The dark red blood flowed into Qin MU's body bit by bit, but her face was still as pale as ever.

zhou chongguang slowly walked over and half-knelt beside qin mu. he said in a low voice, "mumu."

Qin MU's eyes moved slowly, but they didn't open. She turned her face to the side and said very softly, "zhou chongguang, i don't want to hear you say sorry!"

His heart trembled and he closed his eyes.

at this moment, the hotel's front desk lady said in a trembling voice, " " general manager zhou, when i opened the door and went in, i saw mrs. zhou lying in the bathtub, not moving at all. yingluo, i thought, i thought she couldn't be saved! "

The lady at the front desk began to cry. She was only a young girl, and such a terrifying scene was too terrifying for her. Even now, her body was still trembling.

zhou chongguang's thin lips were tightly pursed, and he reached out to hold qin mu's hand. his voice was unbelievably hoarse."Mumu, I will never leave you again!"

However, Qin Mu didn't say anything. She just lay there quietly and didn't look at him.

zhou chongguang, if apologizing was of any use, there wouldn't be so many breakups.

he held her hand for a long time before she smiled."Zhou chongguang, my hand hurts, Yingluo, let go!"

his heart was hit hard, and his handsome face was as pale as paper. his eyes fell on his hand, and he slowly let go.

as soon as he let go, his collar was grabbed by a strong hand, followed by a violent punch.

zhou chongguang's body slammed into the wall of the emergency room, and blood immediately splattered, staining the white wall.

then, his body was grabbed again, and in front of him was a young and angry face.

Qin mo.

Qin MU's older brother.

“Zhou chongguang, are you still human?” Qin mo gritted his teeth.

eight years ago, you used Qin MU’s illness to separate my big brother and Xue ‘er. Eight years later, you forced Qin Mu into such a state. Is this the love you told big brother about for Qin Mu? ” qin mo dragged him out and mercilessly gave him a few more blows.

blood was flowing from the corner of zhou chongguang’s mouth, and his body was leaning against the wall. his gaze was somewhat desolate. Qin mo, let me see her. Yueyue needs me now.

“You weren’t by her side when she needed you the most!” qin mo was almost growling.

zhou chongguang raised his head. ” it’s my fault. let me look after her now. i promise i won’t hurt her again. ”

Qin mo laughed coldly,”Zhou chongguang, the one who needs you the most now is not Qin Mu, but Gu Mei and the child in her stomach, Hanhan.”

He lowered his voice, but it was colder.”let qin mu go! Divorce her, it’s the last bit of mercy you have for her. ”

Chapter 2519: Gu Mei is fake, but Qin Mu has committed suicide (3)

Zhou chongguang’s face turned even paler.

Qin Mo’s gaze was filled with deep disdain. “you’re too greedy! You might have feelings for Qin Mu, but your love is full of schemes. Even ten Qin mus wouldn’t be your match!”

gu mei had a child. if zhou chongguang had the intention to abort the child, he would have a thousand ways. only his silly sister believed him. she believed that mother zhou wanted this child.

Zhou chongguang’s guilt towards Gu Mei was that child’s protective amulet.

zhou chongguang's face was pale, and he felt embarrassed that his thoughts had been exposed.

After a long time, he said in a low voice, "no matter what Qin Mu decides, at least let me accompany him today, okay?" he thought that qin mu would be hard to talk to, but unexpectedly, qin mu agreed. "Don't think that you can still be trusted by Qin Mu."

...

zhou chongguang just smiled bitterly. how could he not know?

qin mu passed the critical period and was transferred to the VIP ward, where he continued to be put on a drip.

She lay down, and Zhou chongguang sat by her side, accompanying her quietly, only occasionally feeding her some water.

there was no one else here, and qin mu didn't reject his photo either. this made zhou chongguang's heart rise with a touch of anticipation again. perhaps qin mu had only quarreled with him because she wanted him to come back, and it was only because she was willful.

however, this hope was still shattered.

in the morning, the servants at home brought food over to qin mu. qin mu was already able to sit up. she refused zhou chongguang to feed her and finished her lunch silently. after she finished eating, she didn't lie down but leaned against the head of the bed and looked at him quietly.

Zhou chongguang's heart was beating wildly, and he said with great difficulty, "mumu, i know that it's useless to apologize, but believe me, yingluo, i won't go there again."

"are you not going to care about her and the child? the next time she says she's going to commit suicide, will you really be able to do nothing?" qin mu gave a very shallow smile, then lowered his eyes. "zhou chongguang, you and i both know that's impossible!"

"i don't have that kind of feelings for her," zhou chongguang said softly.

“Then why do you have a child?” Qin Mu looked at him, his eyes welling up with tears. Zhou chongguang, do you know what principles are? It’s fine if you let her have a child, but you have to choose between her and me. Yingluo, you know that she won’t commit suicide, but you’re still afraid that something might happen to her. What about me, Yingluo? do you think I’ll be satisfied just by saying that you love me?”

as she spoke, her tears fell. qin mu quickly wiped them away and continued, ” “Zhou chongguang, I’m not asking for anything. I’m giving up!”

just as his face turned extremely ugly, she softly said, ” “zhou chongguang, i don’t want you anymore!”

zhou chongguang’s face was ashen. his lips moved, and he spat out a sentence, ” “but i won’t let go.”

“i’ll cut my wrist again until you agree!” qin mu said softly.

he, on the other hand, squinted his eyes and grabbed her hand suddenly. ” qin mu, do you hate me so much that you don’t mind torturing me like this? ”

If she really wanted to commit suicide, she wouldn’t have left her hand outside the bathtub, but put it in the water.

She had cut her wrist not to die, but to leave him.

qin mu looked straight into his eyes. their eyes met, and there was a hint of mockery in her eyes. ” you saw through me! ”

His expression turned even uglier.

Qin Mu laughed lightly. Zhou chongguang, if you really force me, I will really die in front of you.

As she spoke, she reached out for the fruit knife at the side.

Chapter 2520: Zhou chongguang, I don't want you anymore (1)

qin mu's movements were very fast, and zhou chongguang only had time to hold onto the blade.

The sharp blade cut his palm, and blood dripped down his wrist, staining the white bed sheet. It was a ghastly sight.

he didn't let go. he just held it and looked up at her.

There was pain in his eyes. don't hurt yourself again.

Qin Mu looked at the blood on his palm, and his expression was a little dazed. "the only one who can hurt me has always been you."

"Zhou chongguang, what's the point of this?" She suddenly let go of the fruit knife and threw it into the trash can. He did not bandage it and let the blood flow.

...

Qin MU's emotions had already faded, and he said softly, "Zhou chongguang, let's get a divorce!"

"You know I won't get a divorce," he said, frowning.

"But I'm tired of it." "You and I, it's impossible." Qin Mu even smiled.

Zhou chongguang lowered his eyes and looked at the blood that was dripping from his palm. His voice was very soft. "i admit that i have schemed against you. that child is too strong for me to hurt gu mei. however, after that child is born, i will not care about them anymore. our lives will be the same as before. "

qin mu was still smiling slightly. " it sounds wonderful, but zhou chongguang, i don't want to hear such words anymore. i want to live a quiet life. do you understand? "

How could he not know?

Zhou chongguang got up and ignored the injury on his palm. He walked to the floor-to-ceiling window and wanted to smoke, but because she was there, he did not dare to smoke.

He looked at the scenery in the distance for a long time before saying softly, ” “qin mu, have we walked to the end?”

Without waiting for her answer, he continued in a low voice, ” “Not long ago, you said you loved me.”

Qin MU’s heart was a little sour, but she still smiled with tears in her eyes. Zhou chongguang, you probably don’t know this. A woman’s love has conditions. A man has to give an equal amount of love in return. I was able to leave you in the past, and I can still leave you now, ran ran.

He suddenly turned around and stared at her in shock. “you’ve always had this mentality when you were with me? You never thought of spending the rest of your life with me?”

“I have.” Qin MU’s voice was soft. He was silent for a long time before he spoke, ” ” but chongguang, you’ve disappointed me. ”

If she didn’t love him, if she didn’t want to spend the rest of her life with him, she wouldn’t have drunk Chinese medicine for a few months just to have a child with him. Even after his mother left, she softened her heart and slept with him, and even made love.

It was because she loved him. There was no other reason.

perhaps, ever since the incident, she had been waiting for him in the same place. as long as he came, she would be there.

but in the end, she found that everything was a lie.

if he was as determined as she was, he would not have kept gu mei’s pregnancy a secret from her.

Qin Mu felt that he was so silly. If he had not discovered by accident that time, would Gu Mei have given birth to the child and raised him outside? would he have maintained that kind of relationship with Gu Mei when he went to visit the child?

Just thinking about it made Qin Mu feel extremely disgusted.

she wouldn't want, didn't want, and didn't dare to have yingluo with such a scheming man.

Zhou chongguang looked at her quietly, and his breathing was light. After a long time, he said in a hoarse voice, "Qin Mu, I love you."

qin mu lowered his eyes. "zhou chongguang, what i want is a husband who can love me purely! you remind me of what happened eight years ago."
