

Thank you 2521

Chapter 2521: zhou chongguang, i no longer want you (2)

Qin Mu lowered his eyes. Zhou chongguang, what I want is a husband who can love me purely! you remind me of what happened eight years ago.”

His face turned pale and he wanted to say something, but he swallowed it in the end.

In the end, he only said that he was not willing to get a divorce.

qin mu laid down slowly and said tiredly, ” “Up to you, I will apply to live separately! if there’s a need, i’ll sue you for having an affair with gu mei!”

his eyes widened. it was not because he was afraid of losing his reputation, but because qin mu really did not want to live with him anymore.

“Qin Mu.” “If that’s the case, then I’ll be waiting!” He said in a deep voice.

...

at this moment, his phone rang. qin mu could recognize the ringtone even in his dreams.

It was a call from Gu Mei.

zhou chongguang took a look at his phone, then looked at qin mu again, before hanging up.

however, his phone rang again and he hung up. after a few times, qin mu said coldly, ” “go outside if you’re going to take the call. i’m going to rest.”

His expression was extremely ugly. She didn’t care about him anymore. This morning, she was still hugging him and not allowing him to leave.

Now, he was dispensable to her. No, she hated him to the core!

Zhou chongguang switched off his phone and threw it on the table at the side. Then, he sat by the bed and said softly, ” ” i won’t answer her calls in the future. i won’t go to her place to tease qin mu. i went there before because of that child. ”

“Congratulations.” qin mu looked at the ceiling. his voice was so rigid that it did not have a trace of emotion.”zhou chongguang, i feel that it’s very silly. why did i believe that you adopted a child in the past? what were you thinking back then? are you going to bring gu mei’s child back for me to raise and tell me that he’s an orphan?”

After she finished speaking, she tilted her head and looked at him.

zhou chongguang’s expression was calm. he neither admitted nor denied it.

This kind of attitude was called silent consent.

qin mu turned his face away uncomfortably. his voice was very soft.”Get lost, don’t let me see you again!”

he didn’t move!

She suddenly sat up, pulled out the IV drip from her hand, and threw it at him together with the bottle. “zhou chongguang, get lost!”

As she spoke, her chest heaved up and down violently, her lips were bloodless, and she was extremely weak.

Zhou chongguang closed his eyes slightly.

“Don’t call me! I’m not your Mumu, Zhou chongguang. You disgust me!” qin mu couldn’t bear it anymore. ” leave me. leave my sight and my world! ”

Zhou chongguang stood up slowly. He lowered his gaze to look at her, to look at her expression after he had hurt her.

he had always felt that he was very powerful and that he could control everything. in the end, he could live well with qin mu.

However, he had still schemed against her.

“i still won’t give up on you.” His voice was very low. whether you believe it or not, I really love you. He said humbly, and then retreated.

He had backed out because he was afraid that she would hurt him.

after zhou chongguang left, he heard a sharp cry from inside. it was his mumu.

he had loved mumu with all his heart, but he had personally destroyed their love.

zhou chongguang stood outside for a long time, while qin mu cried for a long time inside.

he vaguely thought that even though she said she didn’t love him anymore, he was still in her xuanji’s heart.

However, the more she cried, the more disappointed she was in him.

qin mu, do you no longer believe in me? do you no longer plan to love me?

Even if I throw everything away now, will you still not love me anymore?

Chapter 2522: Zhou chongguang, I don’t want you anymore (3)

zhao ziyi had also rushed over. seeing zhou chongguang’s state, he sighed, ” “Chongguang, why don’t you dress your wound first?”

Zhou chongguang shook his head. do you have a cigarette? ”

zhao ziyi hesitated for a moment, but still handed over a cigarette, and the two men smoked together.

In the smoke, Zhao Ziyi’s voice was somewhat reproachful, ” i’ve said it before. gu mei will not give up. she’s completely gone crazy. chongguang, you’ve already paid back what you owe her. ”

gu mei had been in prison for four years because of zhou chongguang, but zhou chongguang had given her fame and fortune. he had given her everything. was that not enough? She even had to use such a method to tie up a man who didn’t love her?

zhou chongguang raised his head and took a puff of his cigarette before he slowly said, ” “do you know why i couldn’t bear to abort her child?”

...

Zhao Ziyi’s eyes narrowed. Could it be that there was something he didn’t know?

zhou chongguang’s gaze was a little deep, and he said with difficulty, ” ” not long after qin mu and i got married, ran ran and gu mei went to accompany a client during a business collaboration and accidentally got pregnant. when ran ran aborted the child due to ectopic pregnancy, the doctor said that she might not have the chance to be a mother again. ”

so, you think that this is Gu Mei’s only chance to be a mother? ” Zhao Ziyi sneered. you owe her, so you want her to give birth to the child. You can’t bear to let her suffer the pain of an abortion again. But have you thought about it? what you’re doing to Qin Mu is even crueler than losing a child. You made her lose the person she loves.

zhao ziyi threw a punch at her. ” if you’re full of guilt towards gu mei, why don’t you divorce her when qin mu asked for a divorce back then? after you marry gu mei, you can have as many children as you want with her. is there any meaning in harming young girls like this? ”

Zhao Ziyi couldn’t hold it in any longer. how old was Qin Mu when he got together with you? he was 14 years old, Zhou chongguang. She never aborted a child for you, but she was married for four years. Do you think she would live well? why don’t you feel guilty towards her? ”

Zhou chongguang did not fight back. He only laughed bitterly.”i just didn’t expect that i would fall in love with qin mu.”

“Then I can only say that your love is very shallow.” “You asked for it!” Zhao Ziyi sneered.

although he said that, he still found a doctor to bandage zhou chongguang’s wound, as well as the medicine in zhou chongguang’s body.

After all these things, Zhou chongguang had almost forgotten about the remnants of the medicine in his body.

After he was done, he did not go to Qin MU’s ward again.

her injury was not a big deal, and she was discharged after two days.

on the day qin mu was discharged, zhou chongguang sat in the car, which was parked at the entrance of the hospital.

He saw Qin mo accompanying Qin Mu out and getting into Qin Mo’s car.

He looked at her little face greedily. It seemed that she had lost a lot of weight in just two days, and her face was pale.

did it still not taste good?

Zhou chongguang’s expression was a little dazed. He suddenly recalled the time when he took care of Qin Mu personally. She was very hard to please, and he had spent a lot of effort to win her back. He cooked for her, brought her to reality shows, and even played the zither for her.

He had done so much for her, but it was as if it had just happened yesterday.

Thinking back on those sweet moments, there was a bitter sweetness on the tip of her tongue.

He closed his eyes slightly. How could he give up? how could he give up?

she was so angry that she would never forgive yingluo no matter what he did.

zhou chongguang leaned back and took out a cigarette box from the control center. he lowered his head and lit it, then followed qin mo's car.

Chapter 2523: Zhou chongguang, I don't want you anymore (4)

in the speeding white sports car, qin mo looked at the direction behind him through the rearview mirror as he drove. he said calmly, " " zhou chongguang's car is right behind us. should we lose him? "

Qin MU's head leaned against the back seat. There was no change in his expression. He only said indifferently, " "I don't need to!"

Qin mo pursed his lips and did not say anything else.

His car was heading towards the villa that Qin Mu used to live in. After half an hour, he slowly drove into the private lane, and the black carved gate slowly opened.

Zhou chongguang's car stopped at the entrance, but he did not drive in.

this was his and qin mu's home, but at this moment, he didn't have the courage to enter.

...

he sat in the car and looked at her with his black eyes. he watched her get out of the car, so weak that she still needed qin mo's help.

He watched as she returned home and felt a sense of peace in his heart. At least, Qin Mu was still willing to stay in their house.

If he wanted to see her, he could see her anytime.

But she came out after only half an hour.

they didn't carry any luggage. instead, it was the servants who carried out a lot of things and piled them on the lawn in the courtyard.

Zhou chongguang's facial muscles twitched non-stop. He recognized that those were their wedding photos. They were the gifts that he had bought for her. There were also many memories related to them. Now that she had piled them up here, was she going to abandon them or burn them?

He got out of the car and took a few steps, his expression a little panicked.

Qin Mu was wearing a white coat as he stood in front of the pile of things. His face was paler than the coat.

she stood silently for a while, took the lighter from qin mo, and slowly bent over.

The flame immediately reflected her small face, dyeing the paleness with a touch of color.

She slowly stood up again and quietly looked at the fire.

What she had burned was not only their memories, but also their dead hearts.

She didn't want to see these anymore. She felt that it was ironic.

His palm was suddenly grabbed. He looked up and saw Zhou chongguang's angry face."Qin Mu!"

there was no surprise on her face. she seemed to have guessed that he would come. she looked at him and said softly, " "if you don't need it in the future, burn it!"

she looked at the villa again. ” you bought this villa, so i won’t be living here anymore. everything that should be burned has been burned. there are still some things that you can throw away if you don’t want to see them. ”

zhou chongguang’s gaze was fixed on her eyes. ” “You’re leaving?”

“What else?” qin mu laughed lightly. ” you’ll continue living together like before and not divorce? ”

He was speechless and could only look at her.

Qin mo, who was at the side, didn’t say anything. He wanted Qin Mu to settle it himself.

He thought that their family’s little princess had already grown up. After so much, Zhou chongguang might still be able to hurt her. However, if Zhou chongguang hurt her, Qin Mu would be able to return the favor tenfold.

The person she cared about was the one who was most seriously injured.

just like zhou chongguang’s current expression, it was as if he had been abandoned by the entire world.

“qin mu, you stay here. i’ll move out!” He gritted his teeth.

qin mu smiled and said, ’no need! However, if you’re willing to sign it now and give this to me as compensation, I think I’ll accept it. ”

He stared at her and said, ” “don’t even think about it!”

“Then let’s wait for the court’s decision!” Qin Mu said indifferently.

She let go of his hand. I’m leaving now, and the servants here will also leave. Zhou chongguang, if you want to continue living here, you probably have to hire new people.

After she finished speaking, she reached out and grabbed Qin Mo’s arm. brother, let’s go!

qin mo acknowledged her and walked towards the car with her, while zhou chongguang stood there-

He suddenly looked at her back and asked softly, ” “Qin Mu, did you come back just to burn these?”

Chapter 2524: Zhou chongguang, I no longer want you (5)

Qin Mu paused, but he did not turn around. He said very softly, ” “right!”

“Because these are my memories. I won’t let another woman touch them. I’d rather destroy them myself.”

zhou chongguang suddenly laughed. ” you still care about me. ”

“perhaps, but i, yingluo, don’t want you anymore.” Qin Mu turned his head and gave him a very faint smile. That smile was engraved in Zhou chongguang’s mind for the rest of his life.

he remembered that qin mu had said, ” zhou chongguang, i don’t want an incomplete love! ”

Zhou chongguang watched as Qin Mu got into the car, and then the car slowly drove away from his sight.

...

He stood in front of the villa, at the door of the house that he and Qin Mu used to live in, and watched her leave.

nothing was more heart-wrenching than this.

His Mumu had always been kind, but this time, she would not.

zhou chongguang kept standing and standing. after standing for almost an hour, the servants in the house started to move out one after another. those were people that qin mu had brought over from the qin family. when qin mu left, they would naturally leave as well.

the servants in the house looked at him with admonishing gazes. once, everyone thought that zhou chongguang was really good to their miss and truly loved her. but in the end, the one who hurt her the most was still zhou chongguang.

however, no one said a word to him, because there was no need to.

People kept leaving Zhou chongguang's side, just like the silhouettes of time, coming and going.

in the end, he was the only one left in the empty villa.

This place could no longer be called home, because Qin Mu was no longer here.

zhou chongguang stood there, his dry lips moving slightly as he muttered, " "She won't forgive you."

"zhou chongguang, she will never forgive you." his voice became clearer.

An illusory smile appeared at the corner of his mouth as he slowly walked toward the villa.

he returned to their bedroom. the head of the bed was empty. the wedding photo was gone, and so was the group photo on the bedside table. nothing was there, hanhan.

He walked into the changing room and opened the closet. The clothes were still there, not a single piece taken away.

However, just like him, she didn't want these clothes.

Zhou chongguang slowly sat down in the cabinet, his arms folded in front of him. His black eyes looked forward without any temperature, without any focus.

just like that, she kept looking at him. when she got tired, she fell asleep.

Sleep, sleep, wake up. It was already dark. It was dark everywhere. His surroundings were quiet, so quiet that it was terrifying. It was so quiet that he could hear his own heartbeat.

thud, thud, thud. with every beat, he would feel pain.

In the darkness, he couldn't see himself, and he didn't want to see himself. He even despised himself, not to mention Qin Mu.

he just quietly looked at the night sky, forgetting how long he had been sitting there, how long he had not eaten, and how his head was dizzy and his body was exhausted.

He sat there almost masochistically, until the lights in the master bedroom suddenly came on.

the light stung his eyes, but his cold heart felt like it had been stabbed. that cold and hard place suddenly softened.

His black eyes were no longer lifeless, and he opened them immediately.

Footsteps could be heard from the door.

when the woman appeared at the door of the changing room, zhou chongguang anxiously called out, "Mumu."

however, the person standing at the door was not qin mu.

His black eyes were fixed on the person by the door, and his voice was cold."What are you doing here?"

Gu Mei stood at the door, her face against the light, making her look a little dark. She was a little uneasy. chongguang!

Chapter 2525: i wouldn't want you even without qin mu (1)

"Don't call me!" Zhou chongguang slowly walked out of the locker, his steps wavering a little before he steadied himself.

He looked at her coldly and softly said, "get lost," he said.

Gu Mei bit her lips, "chongguang, I'm sorry!" I didn't do it on purpose."

zhou chongguang stood up straight and laughed lightly, "not on purpose? you didn't fake your suicide on purpose, and you didn't separate me and qin mu? Do you think I'd believe you if you said you didn't want to?"

gu mei lowered her eyes and her voice was a little choked. "chongguang, i didn't want you to divorce her. "

Zhou chongguang continued to look at her quietly and said coldly, "Get lost! Get out immediately."

...

Gu Mei raised her eyes and looked at him uneasily. Her legs moved a little, but she still did not leave.

she pursed her lips and said softly, "zhou chongguang, have you really never considered me?"

"No, I didn't!" he answered very quickly, "the one i love is qin mu! "

gu mei's eyes were a little hurt. "then why did you allow me to give birth to the child?"

zhou chongguang looked at her indifferently. after a long time, he then said cruelly, "You didn't think of the reason? gu mei, i thought you were very smart."

at that moment, gu mei's face turned pale. her voice trembled as she said, " you want to let her raise my child, yingluo, right? "

Zhou chongguang did not avoid her gaze and said very lightly, " "if she didn't find out that you were pregnant, she would've been fine. i'll always be with her. "

"do you really love her?" gu mei closed her eyes as tears fell.

Zhou chongguang smiled bitterly and did not say anything.

gu mei could no longer hold it in. she was on the verge of breaking down. she came over and threw herself onto his shoulder as she cried pitifully, " " zhou chongguang, how could you treat me like this? you said that once the child was born, you would be good. he would be very good. you would treat me very well. you said that we were living abroad and you would visit us often. were they all fake? zhou chongguang, how could you treat me like this! "

Gu Mei's hands clenched into fists and pounded on his shoulders. Zhou chongguang let her do as she pleased.

"Now, I've already paid the price, haven't I, Gu Mei?" his voice was soft.

"qin mu left me!" he smiled. it was a very light smile, but it looked uglier than crying.

Gu Mei raised her head with tears on her face. She said very softly, "Zhou chongguang, you still have me."

zhou chongguang looked at her quietly. he did not push her away, nor did he hug her.

gu mei cried even harder. " zhou chongguang, i love you. i've loved you for so many years, wanwan. why can't we be together?! "

zhou chongguang mumbled,"because we don't love each other, how can we be together?"

He didn't love Qin Mu in the past, so Qin Mu wanted to divorce him. When he fell in love with Qin Mu, he was too greedy.

He wanted her, but he also wanted the child, Yingluo.

Until she lost Qin Mu completely.

As he said that, Gu Mei hugged him tightly and shook her head desperately. Zhou chongguang, I love you. I love you very very much. I have a lot of love. We must be very happy together, Yingluo.

his face was as calm as water. before he could push her away, a person slowly walked in through the door.

It was Qin Mu.

She came back to get her identification.

However, when he saw Gu Mei and Zhou chongguang hugging each other, his heart was in pain. However, it did not matter anymore.

Not wanting this man meant that it didn't matter to her who he was with.

"Sorry for disturbing you. You can continue after I get my things." qin mu's voice was very calm. he slowly walked to the small drawer where she kept her identification documents. he opened it and kept the things properly. then, he walked out straight.

Chapter 2526: I wouldn't want you without Qin Mu (2)

Zhou chongguang had already let go of Gu Mei and grabbed onto Qin MU's thin wrist. His voice was a little weak."mumu, it's not what you see."

Qin Mu smiled and turned back to look at him. " it doesn't matter what it is. zhou chongguang, you're free now. i don't care who you're with, and i won't find trouble with you like i did in the past. "

“you don’t care?” he frowned.

qin mu acknowledged and then lowered his head to look at his hand.”Zhou chongguang, let go of me.”

he was still holding her hand, unwilling to let go.

He had finally waited for her, how could he be willing to let her go?

...

qin mu’s hand pulled back, but he couldn’t. she looked up into his eyes.”My brother is waiting for me downstairs. Zhou chongguang, you know you can’t make me stay.”

With his current body, even three Zhou chongguangs would not be able to beat the young and strong Qin mo.

Zhou chongguang’s lips moved. Finally, he let go of her hand gently.

The moment his hand slipped away, he subconsciously wanted to hold it tightly. However, to him, Qin Mu was like quicksand in his palm, quickly disappearing.

His hands only grabbed the air, and his heart felt like it had been hollowed out.

Once Qin Mu obtained his freedom, he walked out quickly without a trace of reluctance.

Regarding Gu Mei’s appearance, she did not criticize her, did not show any dissatisfaction, and did not argue with her.

There’s nothing left, Yingluo.

she did not want him anymore.

all of a sudden, a sweet taste stuck in his throat and broke through.

a mouthful of blood spurted out of zhou chongguang's mouth, and he was forced to take a few steps back.

she put her hand on her heart, it hurts, it hurts.

a girl named qin mu was originally in that place, but qin mu pulled her out forcefully.

it was very painful, as if his heart and bones were being dug out.

zhou chongguang only realized now that to him, nothing was more important than qin mu.

if ... if he had not schemed against her so much, she would not have lost him!

if he could let go of the past, he and mumu would continue to walk down this path.

Qin Mu-

Zhou chongguang spat out another mouthful of blood. His face was as pale as a sheet of paper as he called out her name, Yingluo.

"Chongguang, what's wrong?" Gu Mei stepped forward and asked anxiously.

zhou chongguang suddenly reached out and pushed her away. gu mei took a few steps back, and her body hit the door. her lower abdomen was in pain, but she endured the pain and walked towards him step by step. she hugged him with tears in her eyes. chongguang, she doesn't want you anymore. You still have me, you still have me. Please don't do this.

zhou chongguang bit his lip.

The corner of his mouth was covered in blood. He lowered his gaze and smiled gently. Gu Mei, we have nothing to do with each other in the future! If you don't want the child after it's born, you can

leave it to me, but we won't have anything to do with each other. If you take care of it yourself, I won't go to see him, not even once."

He couldn't love this child. This child was his flesh and blood, but it was also the reason why he and Qin Mu were separated.

zhou chongguang could no longer love. he had lost all his strength.

Without Qin Mu, he had nothing.

Yes, there was nothing else.

blood slowly flowed out from the corner of his mouth. he was so weak that he was about to faint. however, he still pushed gu mei away bit by bit."get out, get out! this is my and mumu's home, qianqian!"

"she won't be happy," he said with his eyes closed.

He clearly knew that he was lying to himself, but when he said that, he actually smiled, as if his Mumu really cared!

Chapter 2527: i wouldn't want you without qin mu (3)

gu mei held onto her stomach. her stomach was still hurting faintly, but her heart was in even more pain.

zhou chongguang would rather be alone than have her.

She had schemed for so long, but she still couldn't get him.

she had originally thought that without qin mu, he would be with her.

So it wasn't.

Gu Mei's body retreated as her eyes filled with sorrow.

...

He really didn't want her.

she held her phone in her hand and dialed zhao ziyi's number. when the call connected, she said softly, "Zhao Ziyi, can you come over for a moment?"

.....

zhou chongguang was urgently sent to the hospital for an iv drip. his high fever did not go down, and he had been sick for a week.

After a week, she had become more Haggard than ever.

Gu Mei accompanied her in the hospital the entire time. Zhou chongguang did not let her leave, but he also ignored her and did not speak to her.

Gu Mei felt that if he did not chase her away, she would warm up his heart one day.

She had a child!

She lowered her head and stroked her bulging stomach, occasionally looking at Zhou chongguang.

He leaned on the bed and looked out of the window.

after a long, long time, he spoke,"gu mei, you should leave!" I'm not going to be with you."

gu mei's face was a little pale. " chongguang, isn't our yingluo doing well? "

"i thought that you would understand after a few days." his voice was faint. " but you don't seem to have given up! "

He lifted the blanket and walked to the window. He looked out the window and said to her, ” ” it’s been so many years. if i were to fall in love with you, i would have fallen in love with you long ago. i kept this child because i couldn’t bear to hurt you, and also because yingluo, i want mumu to have a child. ”

it was just a coincidence that caused him to lose.

Gu Mei’s face turned even paler as she hurriedly said, ” “chongguang is different from before, yingluo.”

before she could finish, he interrupted her, ” “It’s different. Qin Mu doesn’t want me anymore, right?”

“But I still want her, I still love her!” His voice became even softer. I’ll wait for her at home alone. Will I be able to wait for her to soften her heart and come back one day?”

Only then did Gu Mei know what he had been thinking about for the past few days.

gu mei shook her head and laughed. she laughed at herself for being silly, but zhou chongguang was even more silly.

“you’re actually waiting for a person who will never turn back.” her tears fell, but she didn’t wipe them away. she just smiled, not knowing whether she was laughing at herself or at him.

Zhou chongguang looked outside. It was snowing outside, and a thin layer of snow had accumulated on the ground.

it was just like his heart.

he chuckled softly and said in a low voice, not sure if it was to her or to himself, ” i can wait, i can wait. ”

she had not mentioned divorce yet, had she?

However, on the first day that Zhou chongguang was discharged and returned to Rongguang, his Secretary brought over a lawyer's letter and carefully placed it on his desk, saying cautiously, "It was sent by miss Qin's lawyer."

Zhou chongguang threw his coat aside. After he sat down, his gaze was fixed on the letter. After a long time, he said coldly, "she's still mrs. zhou."

the little secretary was submissive on the surface, but she was secretly thinking, "what's the difference? i won't be one soon! The divorce agreement had been sent over, and she was still Mrs. Zhou?

There were many people fighting to be Mrs. Zhou, and they didn't even care how much of a Playboy President Zhou was. However, Qin Mu was not one of these women.

qin mu came from a good family background, so he wouldn't tolerate such messy things.

Zhou chongguang looked at it for a long time before he reached out to take it. He looked at his Secretary and said softly, "You can leave first!"

Chapter 2528: You can't leave, Qin Mu (1)

The Secretary looked at him sympathetically and left. A man who was about to get a divorce was not in a good mood, not to mention the one who was about to be abandoned.

general manager zhou's heart must be very f * cked right now!

after the little secretary went out, zhou chongguang opened the lawyer's letter and read it word by word. he read it over and over again many times until he engraved the words into his mind.

The letter was thrown on the table. He leaned back in his chair, lit a cigarette, and smoked quietly, but his eyes were still on the letter.

after the cigarette was finished, he took the landline and dialed qin mu's cell phone.

After four or five Rings, she picked up the call, but she didn't say anything.

...

But he knew that it was her.

He could tell from her breathing.

Zhou chongguang's voice was very soft. Qin Mu, don't ask for any compensation. Leave the marriage with nothing. Is that so?"

after a moment of silence, she said, " if you don't have any questions, let's make an appointment to sign the agreement. "

"alright!" He agreed readily.

qin mu, on the other hand, was a little surprised and didn't speak immediately.

Zhou chongguang laughed lightly. why? you can't bear to part with me? "

"No, I didn't!" " if it's convenient for you, " she sighed, " tomorrow at 10 o 'clock, there's a starbucks next to my gallery. we'll meet there. "

"aren't you afraid of being seen?" zhou chongguang said impolitely.

"There's nothing to be afraid of! Everyone already knows about President Zhou and miss Gu. What's there to be afraid of, Yingluo?" qin mu's tone carried a hint of mockery.

When Zhou chongguang was hospitalized, Gu Mei had accompanied him for a week. They ate and slept together without any reservations. He was not afraid, so what else did she have to be afraid of?

Zhou chongguang's voice was slightly hoarse,'there's nothing going on between me and her! qin mu, ran ran."

He wanted to say something, but she interrupted him, ” “general manager zhou, if you want to confide in someone, i can give you half an hour to listen to your inner voice after you sign it, okay? I’m a little busy right now.”

with that, she hung up the phone.

Zhou chongguang looked at the phone that had been hung up and laughed softly, but his laugh was a little bitter.

She would only be willing to see him if he signed it, right?

He put down the phone and his body was completely relaxed. But after a while, he looked down at the lawyer’s letter on the table. He picked it up and tore it into pieces.

He would not divorce!

She should give up on this idea as soon as possible!

the next day, 10 am.

Zhou chongguang’s car stopped slowly, and his black eyes, which were wearing sunglasses, stared at Qin MU’s gallery.

The gallery had already started its trial business. Qin Mu was wearing a woolen dress and explaining something to a decent customer. The customer was very tall, and she raised her head slightly, her long hair casually tied behind her head. From his direction, he could see that her side profile was very beautiful.

She had always been very beautiful. She was the type that was quiet and easy to look at. She wasn’t very stunning, but as time passed, she became more and more comfortable to look at.

And at this moment, she had an even more mesmerizing aura. Zhou chongguang even thought that every man who had come into contact with her would probably like her. They would even fantasize about their wife being Qin Mu at night and make love to her.

He found that such a thought almost drove him crazy. Just thinking about it made him want to hide her at home again, not go anywhere, and only let him admire her.

however, he could only think about it and could not put it into action.

about five minutes later, qin mu raised his hand and looked at his watch.

Chapter 2529: you can't leave, qin mu (2)

She smiled apologetically at the man and called for the staff to continue introducing her. She took her coat and walked out of the gallery.

her every move was elegant, and her complexion was extremely good. it seemed that she had been doing well these few days.

he didn't look like he wanted to commit suicide that day!

ever since zhou chongguang's poor wife filed for a divorce with him, he had never dared to look down on her. it was just that he had never thought that she would, she could go to such an extent.

She clearly knew that he cared about her, so she picked on his weakness and used suicide to exchange for her freedom.

However, such a little trick would not work after being played once.

...

Zhou chongguang quickly got out of the car and took off his sunglasses.

When Qin Mu walked into the Starbucks, Zhou chongguang was already sitting there waiting. He had chosen a very quiet corner. There were not many people around, and there was a relative sense of privacy.

she smirked. she knew that his subordinates would handle this matter well. she didn't care, but president zhou wanted to keep his dignity. he wouldn't want his divorce to be exposed to the public.

Qin Mu came over, took off his coat, and placed it aside. He sat opposite Zhou chongguang.

Zhou chongguang handed over a cup of hot drink and said calmly, "Drink something first!"

qin mu's gaze landed on the cup of hot drink and he shook his head. "I'm not thirsty. Let's sign the documents first!"

as she spoke, she took out a few pages from the document bag she had brought and placed them in front of zhou chongguang. she even considerately pointed in a direction for him with her fair and slender hand."I'll sign it, you can just sign here."

Zhou chongguang's gaze landed on her fingers, where her signature was.

his eyes flickered for a moment. she was quite neat. when she came over today, she was so calm as if she was having a gathering with an old friend. she didn't even look at him.

He didn't pick up a pen, but said mockingly, "it seems that you've signed quite a few orders these days."

Qin Mu raised his eyes to look at him. Then, he seemed to have realized something and retracted his hand. Zhou chongguang, we can not be so hostile.

However, he grabbed her hand suddenly and pulled her closer, face to face. why? do you want to part on good terms? do you want to keep our good memories? hmm?"

Qin Mu glared at him in anger.

Zhou chongguang laughed coldly and continued,"do you think that I'm good at scheming?" then i'll just continue my calculations."

she turned her face away, "zhou chongguang, don't force me! "

He looked at the side of her face. It was this beautiful little face that was smiling so happily to a stranger just now. When it came to him, she was either talking about divorce or showing a cold face.

His fingers gently caressed her delicate little face and his voice was low. "I know you don't like to hear it, but I still have to tell you."

"i don't want to listen!" qin mu covered his ears with his fingers.

But he pulled her little hand down and firmly said, "you must listen!"

Qin Mu bit his lip and glared at him.

"Gu Mei's child will either be raised by her or by me! but i won't keep in contact with her anymore. mumu urged me to wait for you to come back, but i won't divorce you!" He looked into her eyes and said softly, "I don't want anyone but you.

qin mu laughed softly. then, he took the cup of hot drink on the table and splashed it on his face.

"Zhou chongguang, you're shameless!" "why should i help you raise your child?" she sneered.

While he was still in shock, she suddenly stood up and walked towards the door. However, she had only taken two steps when someone hugged her slender waist from behind. Then, he said in a slightly cold voice, "you can't get away, mumu!"

Chapter 2530: You can't leave, Qin Mu (3)

qin mu was hugged by him. she didn't turn around and only said very indifferently, "zhou chongguang, is there any meaning to this?"

He was still hugging her. He took the divorce agreement that she had carefully prepared with one hand and tore it up in a few moments.

The broken pieces scattered around her body. Among the snowflakes, Qin Mu felt that he had underestimated Zhou chongguang.

she laughed softly. ” what do you want? ”

He buried his face in her neck and said in a low and hoarse voice, ” “i don’t want anything. i just want you to come home with me.”

qin mu didn’t say anything and didn’t resist. she just let him hug her.

...

Zhou chongguang deeply inhaled the fragrance from her body and was deeply fascinated.

In the past, Qin Mu didn’t use perfume much, but now she had a faint perfume smell on her body. Based on Zhou chongguang’s understanding of women in the past, it was Chanelle No. 5, which suited her very well.

however, he was also a little angry. was she going to dress up like this every day for all kinds of men to see?

Were those men like him? they had some kind of idea about her after smelling the smell and wanted to make love to her. Moreover, it was the kind of forbidden method that was used in the office.

He had never thought that one day, Qin Mu would be so beautiful. However, he knew even more that once she returned home and lost everything, she would become the little girl from before. She would act coquettishly and hug him.

however, she did not want to go home.

“mumu, come home with me, okay?” “you won’t be able to leave,” he said as he pressed his lips against her ear.

Qin Mu raised his eyes and looked around. The surroundings were already empty. Other than her and Zhou chongguang, there was no one else.

“You’re despicable!” She said in a low voice, then turned around and slapped his handsome face.

He was not here to talk about divorce, but to bring her back.

Zhou chongguang accepted Qin MU's slap. Anyway, no one saw it, so it was nothing to be slapped by his little wife.

Not only did he not Dodge, he even took a step forward and said in a low and hoarse voice, "If you're still angry, we'll fight here!"

qin mu didn't stand on ceremony and threw it again with a pa sound.

However, after she hit him, her small hand was caught by him. His palm was very strong, and then her body was pressed against the wall behind her. Before she could come back to her senses, he had already kissed her small mouth.

He was so strong that he seemed to want to burn her up, entangle her, be intense, and linger.

He pinched her cheeks and forced her to accept him.

The current Zhou chongguang was on the verge of going crazy. He suppressed her without a care, his body trapping her between himself and the wall.

every time qin mu struggled a minute, he would press forward an inch until he was tightly stuck to him.

She didn't want to be kissed by him. She turned her small face to the side, and he kissed the side of her ear and her small neck. It was as if he hadn't seen a woman in decades. He crazily plundered her, and the places he kissed were all warm red marks.

her hand was raised high by him and firmly nailed to the wall. he stared into her eyes with a burning gaze."Do you still want a divorce? Hmm?"

qin mu's body had long gone soft. it was not because of the movement of her eyes, but because she had lost her strength from too much struggle. she gave up resisting and turned her small face away, not looking at him or talking to him.

of course, zhou chongguang could use brute force to conquer her, or even take her body right here. but when she turned her small face away, and her tears fell drop by drop, his heart seemed to have corroded. it was numb and very uncomfortable.
