

Thank you 2531

Chapter 2531: He still couldn't bear to see her unhappy (1)

"Mumu!" why are you crying? " he asked in a flustered voice.

Qin Mu was still crying and didn't talk to him.

zhou chongguang reached out and gently wiped the tears from the corners of her eyes, but new tears fell again. in the end, he had no choice but to lean forward and kiss them away.

he savored the saltiness of the taste one by one. in the end, he couldn't help but come to her lips and gently put her little mouth in his mouth, doting on her gently.

" mumu, " he murmured, " i feel as much heartache as you feel. "

He reached out to hold her, pressing her messy little head in his arms. He gently, gently stroked her hair. Holding her, he felt like he was holding the whole world.

...

Qin MU's face rested on his shoulder. After a long time, she said softly, " "zhou chongguang, it's useless! Even though I can't forget it completely, I won't be with you anymore. You said you love me, and if you really love me, let me go Yingluo and I'll be much happier."

She looked up at him and said in a softer voice, " " otherwise, i will not be happy. zhou chongguang, i will not be happy like this. "

zhou chongguang closed his eyes slightly. " don't ask me to let you off. don't talk about divorce. i won't let you off! "

if he let go today, he might not be able to capture her again. she was like sand in his palm. the more he wanted to hold her tightly, the faster she would slip away.

qin mu smiled very indifferently. " you can trap me for a while. but zhou chongguang, how long do you think you can trap me for? "

if I could have children, you might force me to get pregnant, but I can't. Zhou chongguang, stop struggling. At this point, we have no way back. she gritted her teeth."you can't give me happiness anymore."

Zhou chongguang's gaze became pained. He kept looking at Qin Mu, and his Adam's apple moved. After a long time, he asked very softly, " I won't force you. Can you not file for a divorce and choose to live separately? "

" two years, " he said humbly. " if you don't change your mind in these two years, i'm willing to divorce you. "

Qin Mu took a step back.

zhou chongguang's voice was extremely suppressed. " qin mu, this is the biggest concession i can make. you know that i'm afraid. "

yes, she knew that if he didn't give up and she didn't agree, he would use all kinds of despicable means, even not appearing in court.

"But I don't want my life to be disturbed in the next two years," she nodded after some hesitation.

zhou chongguang laughed lightly and nodded.

He took a step forward. Qin MU's expression was a little guarded, but in the end, he only helped her adjust her collar.

his fingertips were slightly cold as he slowly adjusted her neckline. then, he smiled faintly."Go to the bathroom and clean yourself up. Your lipstick is all over."

Qin Mu looked at him.

he was the same.

there was a flame in his eyes as he looked at her, but after a while, the flame in his eyes was extinguished.

the corners of her mouth curved into a forced smile. ” mumu, take care of yourself. ”

He knew that she had moved into a high-class apartment. It was Qin Chen’s house. Qin Chen was in new York, so he gave the house to Qin Mu.

Every day, the Auntie would go over to clean and cook regularly. Qin MU’s life was still well taken care of.

However, he was still worried. He still felt that she was not doing well.

because he wasn’t by her side, only when he personally took care of her did she feel that she was living well.

Chapter 2532: He still couldn’t bear to see her unhappy (2)

qin mu just smiled. it was a very distant and polite smile. zhou chongguang thought that it was good that she could treat him with such an attitude. she did not fall out with him. however, the more polite she was, the more empty his heart felt.

The Qin Mu who would flare up at him, act coquettishly with him, and throw tantrums with him was gone.

he had lost her.

It wasn’t until he walked out of the Starbucks and got into the car that he realized his back was covered in cold sweat.

zhou chongguang held his forehead and laughed softly.

it turned out that zhou chongguang could not be ruthless to qin mu. he could have brought her away, but not to the villa. instead, he would lock her up overseas for a year and a half, or even two years, until she got pregnant. or, if gu mei gave birth and he carried the child over, she might have liked it. or maybe if she didn't want a child, he would keep her locked up. her heart would eventually soften.

...

however, his heart softened for her because she said that she was not happy. she said that zhou chongguang, you can't give me happiness.

The driver in front could tell that he was in a bad mood and asked softly, "where are you going now, chief zhou?"

Zhou chongguang slowly took off his tie, his hands still covering his eyes, and said very softly, "Let's go back to the villa."

these few days, he still stayed there. he always thought that maybe one day, qin mu would realize that he had left something there. she would go back and suddenly appear in their bedroom to tease him.

He had always thought that perhaps she would be reluctant to leave and would go back to take a look.

However, it had been a long time and not even once. The only message he had received was her divorce letter.

he thought that he could grasp this opportunity, but he still let hanhan go.

If he let her go, he could only torture himself.

The car drove slowly into the villa. When it passed the main entrance, he saw Gu Mei standing at the entrance.

the driver, who was his old driver, said softly, "It's Secretary Gu,"

“Don’t mind her.” zhou chongguang’s voice was very calm,”drive the car in directly.”

The driver nodded, and the car drove through the black Gate with carved flowers and stopped at the parking lot.

Zhou chongguang got out of the car and walked straight into the villa. He had already hired someone to look after the place again. For the items inside, some of them had been burned by Qin Mu, and he had gone to the original place to buy them. As for their photos, he had gone to the wedding photography company and retrieved the photoshopped from the computer. Now, the photos inside were exactly the same as when Qin Mu had left.

Zhou chongguang stood in the bright and clean Hall and looked around. A faint smile appeared at the corner of his mouth. He thought, if Qin Mu were to return, would he be a little touched?

he looked at it for a while, then quietly walked to the study upstairs.

he stood in front of the floor-to-ceiling window and looked at gu mei, who was at the main entrance. she had been standing there for a few hours with her nearly eight-month pregnant stomach. he understood what gu mei was thinking.

however, he had said that he would never have anything to do with her again, so he would not.

This time, he had to fulfill what he said to Qin Mu, regardless of whether she came back or not.

Zhou chongguang lowered his eyes and thought bitterly.

He looked in Gu Mei’s direction and then made a call to the Butler downstairs. He softly instructed, ” “I’ll send some food over to miss Gu later.”

this was his last act of kindness. as for meeting her, he would not.

gu mei had been waiting at the entrance of the villa for a few days. she did not give up even if he did not see her.

sometimes, zhou chongguang would think that gu mei was probably sick. her stubborn emotions were close to being sick.

He also seemed to be disdainful of Qin Mu.

They were just as pitiful.

he and gu mei were not in love, but they had a child together.

Zhou chongguang laughed at himself and laughed at how Yingluo was not actually Gu Mei. He was too confident, which was why he lost Qin Mu.

Chapter 2533: i've long found you an eyesore (1)

When the Butler brought food to Gu Mei, Gu Mei subconsciously looked in the direction of the study.

zhou chongguang did not avoid her gaze. he took out his phone and dialed gu mei's number.

Gu Mei picked it up almost anxiously. Her voice was very anxious, "Zhou chongguang!"

Zhou chongguang's voice was very calm. Gu Mei, don't come again. I Can't Give You Anything more!

he could not even be happy for himself. what else could he give gu mei?

Gu Mei was stunned for a moment and subconsciously muttered,"Aren't you two going to get a divorce?"

...

zhou chongguang's reply was to hang up the phone and slowly hang his hand down.

He walked to the first floor and the Butler immediately came over. "Miss Gu didn't eat."

"Then you don't have to send me off in the future." zhou chongguang's tone was calm. "also, don't let miss gu in again. do you understand?"

gu mei's obsession had exhausted him.

After Zhou chongguang finished speaking, he headed upstairs. The Butler said softly from behind, "mr. zhou, you haven't had your lunch."

"i'm not eating, i have no appetite!" Zhou chongguang's tone was indifferent. As he walked, he clutched his stomach that was faintly hurting.

ever since qin mu left, he had almost never had a good meal. he also had a poor sleep. he couldn't sleep at night and only took a short nap in the afternoon every day. however, even in this short while, he would still dream of qin mu.

He dreamed that she had returned, but when he woke up, he realized that it was just a dream.

Zhou chongguang walked to the bathroom and slowly took off his shirt. There were traces of coffee that Qin Mu had spilled on it. He looked at it quietly and didn't wash it off in the end. Instead, he kept it.

after taking a shower, he lay on their wedding bed and closed his eyes. the scene of his and qin mu's wedding night appeared in his mind.

At that time, Qin Mu was only 18 years old. He was very inexperienced, and he had been drinking.

However, his consciousness was very clear. He had always been very clear. In that marriage, he felt that he was very clear-headed, the kind of clarity that stood outside of Qin MU's feelings for him.

in his tipsy state, he wanted her without a trace of gentleness.

he remembered that qin mu was in so much pain that he bit his lip. he was clearly not drunk, but he pretended to be drunk to torture and hurt her. seeing her cry, he felt happy instead.

He had made her cry for the entire night, and only after listening to her cries did he fall asleep.

In the first year after they got married, he would make her cry every time. His almost perverted idea was to make her cry out in pain. Only then would he seem to calm down and fall asleep.

by the second year after they got married, things were much better. he no longer tortured her like that, probably because the pressure at the company was not as great.

That night, he had also drunk some wine and was very gentle to her. That was the first time Qin Mu had tasted the joy of being a woman.

It was like a gift. That night, he saw joy in her eyes.

however, she was such an innocent girl. after that night, he was reluctant to leave for a few days. the scandal with a b-list star spread like crazy. later, when he returned home that night, he had also made love with his young wife. he was a little absent-minded as he carefully compared her to other women.

However, in the end, he realized that she was not paying attention and did not give him any reaction.

Later on, their married life became like a duty. He didn't play any tricks, and she didn't mind. Except for the times when he was drunk, she rarely had any feelings for him.

he could feel it, but he didn't care because he didn't care about her.

Chapter 2534: i've long found you an eyesore (2)

he had given her the cold shoulder for so many years, but she had never made a sound. it was as if she didn't know what he had been doing outside.

It wasn't until Xue Lin was arrested in his office that he realized that his little wife had reached the point where she couldn't tolerate him anymore. She just didn't say it because she didn't care.

she said that she left because she didn't love him.

and now, she was leaving him because of love.

Zhou chongguang closed his eyes. A tear rolled down from the corner of his eye, but he didn't care about it. He just lay there quietly and thought about her.

Gu Mei was still standing at the entrance of his villa. She stood there until the day of her premature birth.

...

A large amount of blood stained the ground.

Zhou chongguang received a call from Gu Mei. Her voice was broken, " " chongguang, i'm about to give birth. my child, yingluo, save my child. "

when zhou chongguang went out, gu mei was already on the ground.

The chauffeur was driving the car, and Zhou chongguang carried her as he sat in the back seat in a daze.

Gu Mei was bleeding non-stop and did not look too good. The child was born a month early and naturally. She was born less than two hours after arriving at the hospital. However, she was too small and needed a thermal box.

Zhou chongguang also gave 500 units of blood to that boy. His face was a little pale, and Gu Mei was not much better. She was bleeding profusely, and Gu ze rushed over to give her blood.

When Gu ze walked out with a pale face, he leaned against the wall and looked at Zhou chongguang. aren't you going to see her? "

“It’s good that you’re fine!” Zhou chongguang lowered his eyes.

gu ze’s face was ashen, ‘you think you can be with qin mu like this? Zhou chongguang, you’re thinking too simply.”

zhou chongguang’s face was also ashen. he squinted his eyes at the gentle man in front of him. he had long found gu ze an eyesore! not because of gu mei, but because of qin mu.

Zhou chongguang laughed coldly. Gu ze, do you think that you can be with Qin Mu now that I’ve broken up with him? ”

“Stay away from my wife!” He said as he threw a punch.

Gu ze took a punch, but he was not to be trifled with. He immediately retaliated with a heavy and fast punch. Zhou chongguang’s body also slammed into the opposite wall with a bang, and blood splattered everywhere.

The two men soon wrestled with each other. They didn’t care about their image or whether they were going to die. They just wanted to fight for the woman in their hearts.

Especially Zhou chongguang, who fought with all his might.

The two of them didn’t take advantage of each other. Half an hour later, they collapsed together. There were nurses and doctors all around them. Then, both of them performed emergency treatment. The news of two famous people picking on each other, in addition to the news of a well-known mistress giving birth, caused a storm of blood in B city. It was hard for Qin Mu not to know about it even if he wanted to.

In a high-class apartment in B city, Qin Chen happened to return to visit his relatives because the new year was coming.

he stood at the bar counter and brewed coffee elegantly. after he was done, he poured a cup for himself and qin mu.

His movements were too beautiful. Qin Mu looked at him and laughed.”Qin Chen, if you were a man, we could get married.”

have you forgotten that we have the same parents?! Qin Chen shrugged his shoulders. He was wearing a pair of washed jeans and a black shirt, looking young and handsome.

qin mu looked at him helplessly. he really didn’t know how qin chen could be like a man without a trace of femininity.

she sipped her coffee and smiled.”i know you’re back to accompany me. don’t worry. i’ve prepared for this!”

Chapter 2535: Zhou chongguang, do you want your son’s life? 1

Qin Mu laughed lightly, then he felt a little awkward.

she had already decided to get a divorce, so why would she still think so much?

Qin Mu then took another sip of coffee and said lightly, ” “i heard that it was a boy who went into premature labor.”

qin chen was a doctor, so he would know more than qin mu if he wanted to know. he pursed his lips.”Since you don’t want to, when are you going to file for divorce?”

divorce?

qin mu held his coffee cup and sat beside qin chen. he leaned his head on his shoulder and slowly told him what happened that day.

...

After Qin Chen found out, he raised his eyebrows and smiled. ” that’s fine too. anyway, if there’s anything going on between him and gu mei, he’ll take the initiative to look for you. however, yingluo ... ”

he reached out to hug qin mu. ” if you find a new man and you don’t get a divorce, it’ll be a little troublesome. ”

Qin Mu looked at Qin Chen with his small mouth slightly open, then said very slowly, ” “i’m not planning to look for a man in the near future.”

qin chen shrugged his shoulders.

Then, he suddenly started gossiping. do you know that Qin mo and uncle Kime’s he Huan are together? ”

He Huan?

qin mu’s eyes widened. ” didn’t they not get along when they were young? ”

besides, uncle kie had sent he huan overseas a long time ago. he huan was a pretty westernized girl. like aunt su cheng, she was a rebellious princess.

Qin Chen looked at Qin MU’s expression and reached out to knock her head. He smiled. “not bad, you still have the mood to gossip! However, it seems like it’s Qin Mo’s one-sided wish. He Huan doesn’t really want to dump him.”

Qin Mu was even more surprised. If it was Qin mo, he really wouldn’t be able to find anything wrong with him. He was good-looking, had a good temperament, and didn’t mess around. He was a little like uncle Tang Yu when he was young. He didn’t look like their father’s flirtatious self at all.

he huan didn’t want to dump him?

“Maybe there’s no electricity!” qin mu smiled, then thought of zhou chongguang.

sometimes, it was like this. there were so many people that she didn’t like, but she liked zhou chongguang back then.

So many years had passed, but she had not fallen for anyone else. In her heart, there was still only Zhou chongguang.

But now, that place was empty.

qin mu lowered his head to drink his coffee again, while qin chen watched quietly. he knew in his heart that it wasn't easy for qin mu to let go.

Eight years of relationship and four years of marriage. Qin Mu thought that he had obtained love, but in the end, it turned out to be like this. No one would be able to let it go.

qin chen smiled and didn't say anything.

he took a half-month leave and came back to accompany qin mu. he even accompanied qin mu to the art gallery. there was nothing else, but the group of young girls in the gallery kept talking about qin chen-qin mu was both angry and amused at this. a week later, he caught qin chen on the plane back to new york.

Once again, she returned home alone from the gallery. She stood in front of the floor-to-ceiling window in her apartment and looked at the night view outside.

She was a little lonely, but she was fine.

it was good to be alone.

In the hospital, Gu Mei had smashed the bowl in her hand countless times before turning her head to look out the window.

ever since the child was born, zhou chongguang had not appeared again. he had given the child a blood transfusion and fought with her brother. she thought that he had more or less changed his mind, but he did not.

he had disappeared.

she made a call, and zhao ziyi said that he was on a business trip, but she knew that he was not.

he was hiding in a dark corner, not wanting to see her.

Gu Mei looked at the sky outside as her tears flowed down silently.

Why? why did he still refuse to want her when he and Qin Mu were about to divorce?

Chapter 2536: zhou chongguang, do you want your son's life? 2

she hammered her legs with all her might, bit her lip hard, and trembled all over.

A slender figure leaned against the door, watching her quietly, and then said, "gu mei, have you caused enough trouble?"

gu mei raised her eyes and saw gu ze. his expression was a little cold.

gu mei was used to his coldness. ever since she was pregnant, he had not given her a good look.

Now, he was putting on a face for her, all for Qin Mu.

gu mei laughed mockingly and stared at gu ze's handsome face."Are you here to make me give up again? so that your goddess and zhou chongguang can get back together again, huh?"

...

gu ze leaned against the door and didn't move. his voice was a little cold."do you think they can still be together if you give up now?"

gu mei pursed her lips and stopped talking.

Gu ze looked at her face and actually felt that she was a little unfamiliar.

he remembered that the 20-year-old gu mei's face was still fresh. she was clearly a very good-looking young lady. however, she was only 28 years old now and had actually aged to this extent.

he almost could not recognize that this was his, gu ze's, younger sister.

seeing that she didn't say anything, gu ze's voice continued, " " i'm not here to persuade you to give up. i'm here to advise you to treat yourself well and treat the child you give birth to well. "

The muscles on Gu Mei's face trembled rapidly, and her voice had a hint of sternness. brother, Zhou chongguang doesn't love him anymore. Why should I care about him? "

gu ze slowly approached her and stood by her bed. he asked in a low voice, " " gu mei, you said that you love zhou chongguang, but the one you love is yourself. "

gu mei was sick, but she did not know it.

gu ze paused for a moment before he continued, " i'll call zhou chongguang and ask him if he wants the child. i'll ask him if he wants you. " gu mei, if he doesn't want you, i'll send you overseas. don't waste yourself anymore."

this was the last bit of guilt he felt for her as an older brother. she had been messing around for too long.

gu mei's gaze was somewhat guarded. she slowly hugged herself and her voice also became softer."brother, you will help me, right?"

Gu ze was expressionless. no one can help you. Gu Mei. There's more than one Zhou chongguang in this world! but there's only one zhou chongguang and qin mu. they've split up. don't you think that's enough?"

Gu Mei's eyes were a little empty. but I have a child!

the child

gu ze sighed in his heart, 'but in zhou chongguang's heart, qin mu is more important than this child.

after a day, he told gu mei that zhou chongguang wanted the child.

"zhou chongguang has a condition," he said calmly as he stood at the head of the bed.

Gu Mei carefully looked at Gu ze. As long as there was news of Zhou chongguang, she would become like this.

Gu ze thought in his heart that this younger sister of his was like a patient who was beyond cure. Perhaps it was a good thing that Qin Mu and Zhou chongguang had broken up. He would no longer need to be hurt by Gu Mei.

He said in a deep voice, "you can't see this child in the future." Of course, when the child is an adult, he will let you meet him if you are willing to see him."

Gu Mei felt as if her heart had been pricked by a needle. It was extremely painful.

She looked at her brother and said in a very, very low voice, " "he doesn't want me, right?"

gu ze's expression softened a little as he took two steps forward. " gu mei, let go yingluo. "

He paused for a moment. or, you can take care of the child yourself. Mom and dad will help you. Don't tie your life to a man who doesn't love you.

Chapter 2537: Zhou chongguang, do you want your son's life?

Gu Mei's gaze was fixed on Gu ze's face. After a long time, she finally said softly, " "Brother, I'll listen to you."

Gu ze's heart softened. He reached out and touched her long hair. brother will help you. Paris or new York, you can go to any city you want. I will give this child the best care. He will not be worse

than any other child. In the future, you can still find a man who loves you. Gu Mei, you're only in your twenties, huh? ”

gu mei laughed in a daze and leaned her body on gu ze's shoulder.

After a while, she looked up and said seriously, ” “Brother, I'll listen to you.”

gu ze smiled and accompanied her for a while. then, he went to the nursery to see the child.

The child was born prematurely. It was less than 2.5 kilograms, and its small skin was wrinkly. However, Gu ze liked it very much. After all, it was a little person who was related to him by blood.

...

he looked at it through the transparent thermal container for a long time before he went out to call his parents.

For Gu Mei, father and mother Gu's bodies had both collapsed. The hospital had come twice, but they were angered to the point of falling sick by Gu Mei.

after gu ze finished the call, the two elders 'hearts eased a little, and hope rose.

as long as gu mei turned back, everything could still be saved. it was no big deal for the gu family to raise another child.

gu ze hung up the phone and walked to the smoking area of the hospital. then, he took out a cigarette, leaned against the wall, and lit it.

At that time, he thought of Qin Mu and that beautiful girl.

He, Hanhan, actually missed her, but his current position made it even more impossible for him to appear in front of her.

gu ze's lips curled into a bitter smile as he leaned against the wall and smoked quietly.

In the past, when he was still the Vice President of Boyi, he could still see Qin Mu often. However, after he set up his own company, he rarely had such an opportunity. It was not because he was busy, but because they really had too little interaction, and he deliberately avoided him.

He blew out a ring of smoke and smiled faintly, suppressing the longing in his heart.

Just as Gu ze was about to leave the hospital, the young nurses in the corridor started to go berserk and noisily mixed in some words ...

” quickly inform miss gu’s family. ”

how could the nurse in the nursery be so careless? how could she have taken the child away? ”

” the most important thing now is to call the fire department. they’re all on the top floor. if they want to jump, it’s fine if the adults don’t jump, but the children are exposed to the wind on the top floor. they’ll probably die after two hours! ”

.....

Gu ze’s heart skipped a beat. He immediately went forward and grabbed a nurse’s hand. He asked anxiously,”who’s going to jump off the building?”

Seeing that it was him, the nurse’s panicked expression calmed down a little. She grabbed his arm and said, ” Mr. Gu, it’s miss Gu. She climbed to the top floor with the newborn baby and now she’s making a fuss about jumping off the building!

gu ze’s heart sank.

he had always been an extremely intelligent man. he immediately guessed what gu mei was trying to do.

for a moment, he almost didn’t care about her life or death, but that child was innocent. he thought of her wrinkly little face and couldn’t bear to see her like this.

In the end, he quickly climbed to the top floor from the safety stairs.

it was early winter, and the wind was howling on the roof. it was very cold.

as for gu mei, she was wearing thin clothes and sitting on the edge of the top floor. she was carrying a child in her arms.

The child was wrinkly, and his small body was wrapped in a thin layer of clothes. At this time, his small face had already turned dark purple, and his small hands and feet were paddling as he cried and made a fuss.

gu ze slowly walked closer, but he did not dare to get too close. when he was five meters away from gu mei, he said softly, ” ” gu mei, come back. that is your child with zhou chongguang. if you do this, he will die. ”

Chapter 2538: Zhou chongguang, do you want your son's life?

gu mei lowered her head and laughed softly. ” since zhou chongguang doesn't want us anymore, then i'll just die with the child. ”

gu ze's handsome face tensed up. if she was in front of him right now, he would choose to give her a few slaps to see if he could wake her up.

however, he could only suppress his anger and look straight at her. ” what do you want? ”

He knew her too well. The current Gu Mei was like a willful child. If she did not meet her expectations, she would use all means possible, even if it meant giving up her own and her child's lives.

as expected, gu mei turned around and smiled at him. ” “Brother, you know best what I want, don't you?”

gu ze closed his eyes. ” he doesn't love you! Gu Mei, are you really going to do this?”

...

Without waiting for Gu Mei to speak, Gu ze's voice exploded. don't tell me that in your heart, Zhou chongguang is more important than your brother, your parents, and even the flesh that fell out of your body? "

gu mei looked at him with a dazed expression.

she was only wearing a maternity dress, and her long hair was blown into a mess on the rooftop. she was also scarily thin, so she didn't look very good.

the child in her arms kept on crying and crying. his little face was already turning a little green, but gu mei did not care at all. she lowered her head and looked at the child. her voice was very soft, but there was a strange tinge of hair on his body. " baby, let's wait for daddy here, okay? if he doesn't come, we'll go and find him. "

Gu ze's face had already turned ashen. He stared at Gu Mei's face for a moment before he laughed. Gu Mei, you've won. However, don't regret what you've done today!

"I don't have a sister like you in the future, and I'll never forgive you!"

after saying that, he took out his phone and dialed zhou chongguang's number, but it did not go through.

he then dialed rongguang's front desk and then transferred the call to wanwan. during this process, gu mei had been waiting quietly.

she looked at the baby in her hands with a motherly gentleness on her face. she ignored the child's bruised face and her expression was dreamy. " baby, daddy will be here to bring us home in a while. Baby, be good!

At this moment, Gu ze and Zhou chongguang were talking. His voice was filled with the wind from the top floor and was not very real. He roared in a low and hoarse voice, " " zhou chongguang, if you want your son's life, then get the hell to the hospital. if you don't want it, then i'll just pretend that i don't have this sister anymore! "

As Gu ze spoke, there was a glimmer of light in the corner of his eyes.

he couldn't hear what the other side was saying, and he was heartbroken.

He looked at his younger sister. He wanted to pull her back, but she was too exhausted to do so.

In her world, there was only Zhou chongguang.

and he, gu ze, was an accomplice.

He looked at Gu Mei and then gently raised his hand to stop the rescue personnel behind him. He said softly, " "Don't go over. If Zhou chongguang doesn't come, she will definitely jump down."

the people behind did not dare to move forward anymore. they looked at gu ze, at this newly promoted noble of B city, at his dejected face, and all stepped back in low spirits.

for as long as gu mei sat, gu ze stood. that child cried for as long.

Time slowly passed by. After an unknown amount of time, Gu Mei lowered her head and looked at the baby in her arms. She gave a sad smile. baby, daddy doesn't want us anymore. Mommy will take you to find him, okay? "

perhaps it sensed something, the baby cried even more loudly.

Chapter 2539: Zhou chongguang, do you want your son's life?

The baby cried even louder, and his entire body was struggling. However, he was born early, and after being in the cold wind for so long, he was already on the verge of death.

The muscles on Gu ze's face tightened. He suppressed himself. "gu mei, zhou chongguang will be coming over."

Gu Mei gently shook her head. She flashed a bright and beautiful smile at him. “brother, he won’t, he won’t come again! if the child and i die, he can go and find qin mu.”

as she said this, she moved her legs and stood up. she was standing on the edge. she was so thin, and gu ze believed that a strong wind would be able to blow her and the child off.

the baby’s voice was weak and he stopped struggling. it seemed like yingying had accepted her fate.

in the distance, the doctors and nurses were all crying. he was such a young child. even if he was an illegitimate child, even if the world didn’t look forward to him, they had still saved him.

...

He was wrinkly and not pretty, but he was very cute. Every child was like a little angel sent by God. Did the little angel’s mother really not want him anymore?

Gu ze’s voice was filled with anger,”Gu Mei, are you crazy?” If you jump down like this, do you think Zhou chongguang will miss you? he will only hate you. You destroyed his life and killed his son.”

gu mei’s expression was a little dazed. ” is that so? ”

however, she quickly chuckled. ” “Then let him hate me, Yingluo. At least he still remembers me.”

Gu ze squinted his eyes and saw that Gu Mei’s foot was already half out.

It was as if she and the child were going to fall in a second.

Gu ze wanted to pounce over, but Gu Mei turned around and gave him a final smile. “Brother, say sorry to mom and dad.”

“gu mei!” gu ze called out in a low and hoarse voice.

The corners of Gu Mei's lips quivered. "brother, i didn't want to, yingluo!"

With that, he turned around and prepared to jump down.

At this moment, an extremely low and hoarse voice came from behind him, " "gu mei."

Gu Mei's body stiffened. She turned her head and looked at the person who had suddenly appeared.

zhou chongguang!

he's here!

gu mei was so happy that she cried. her hands trembled in the wind as she raised the child toward her and said very softly, " "Chongguang, you're here to see us? this is our son, we haven't given him a name yet."

Zhou chongguang slowly walked over. There was not much expression on his face. For a moment, he thought that if he and Gu Mei jumped down together, would his Mumu be sad for him? would she be sad for him?

if he jumped down, qin mu's name would forever be written in his spouse column. that would be great.

however, zhou chongguang was not gu mei. he would not do such a foolish thing.

he walked toward her, feeling as if he was walking into hell.

Gu Mei had gone to jail for four years for him, while he had spent his entire Life in Hell for her.

Zhou chongguang laughed softly, but it was a bitter, bitter laugh. He stretched out his hand and said gently," Gu Mei, give me the child. Let the doctor save him.

gu mei laughed lightly. she obediently handed the child over to him. zhou chongguang lowered his head and looked at the dying little fellow. he hugged the child in his arms and lowered his head to

touch the child's face. then, he handed the child over to the doctor who ran over and smiled."I'm sorry to trouble you,"

The doctor's Heart ached. He forced a smile and immediately left with the child. All the nurses didn't stay and immediately went to save the child.

Chapter 2540: Qin Mu, let's get a divorce (1)

As Gu Mei watched, her eyes were a little hot. She slowly walked towards Zhou chongguang and reached out to hug his neck. chongguang, I know you can't bear to part with me.

Zhou chongguang did not move. He stood straight the entire time.

but gu ze saw a deep pain in his eyes.

he didn't know why zhou chongguang wanted to come. why did he still care about gu mei and wan wan at this time? perhaps it was because his heart had died, or perhaps he knew that gu mei was using the child like a net to capture him firmly.

hence, zhou chongguang's heart had given up. he did not want to escape anymore and gave up.

Everyone's heart was heavy. Only Gu Mei, who was in Zhou chongguang's arms, smiled happily. "Chongguang, let's go home after the baby is discharged, okay?"

...

"alright," he said.

Gu Mei's smile became even more blissful. She leaned against Zhou chongguang's chest and smiled lightly. "Chongguang, let's get married, okay?"

"alright!" as zhou chongguang said this, his heart felt a sharp pain, and there was a sweet taste in his throat.

Then, he spat out a mouthful of blood. The blood stained Gu Mei's clothes red. However, it did not soften her heart.

she had always been immersed in her own happiness, never knowing that she had forced the man she loved into a dead end.

Zhou chongguang bent over and looked at the pool of bright red on the ground. He was quiet and a little lost in thought. After a long time, he looked up.

The sun in the sky was bright, but he felt it was piercing.

slowly, he straightened his body and looked at gu mei as he said softly, " "You've been in prison for four years for me. I'll compensate you with myself."

after saying that, he gently pushed gu mei away and walked toward the exit of the rooftop.

gu ze stood at the side and saw with his own eyes two lines of tears slowly flowing down from the corners of zhou chongguang's eyes. mixed with the blood at the corner of his mouth, he looked unspeakably pathetic.

but zhou chongguang didn't care anymore. a mistress, an illegitimate child, jumping off a building, and divorce and remarriage were still waiting for him in the future.

also, a lifetime of unhappiness was waiting for him.

what did this little bit of embarrassment count for?

Gu ze looked on quietly. He closed his eyes slightly and sighed. Gu Mei, are you satisfied now? "

"Brother, is chongguang unhappy?" gu mei's voice carried a tinge of a young girl's innocence. coupled with her current appearance that had been completely eroded, it was a little strange.

gu ze looked at his little sister and felt that she was a stranger. he looked at her for a long time as if he was certain that this person was gu mei. then, he shook his head."from now on, you're not my sister."

gu ze also left, leaving gu mei standing there alone. she looked at gu ze's back and softly muttered, " "brother, aren't you afraid that i'll jump off the building?"

gu ze's body paused for a moment, but he did not turn around. he said almost mockingly, " "are you willing to?"

after he finished speaking, he left quickly and left gu mei on the rooftop.

it was very cold on the rooftop. gu mei reached out and hugged herself. her face was filled with confusion as she kept muttering to herself, " "Am I wrong? I didn't do anything wrong, Yingluo. If I didn't do this, why would chongguang leave that woman?"

Yes, she was not wrong!

gu mei's face bloomed with joy. chong guang said that he was going to divorce qin mu. he had agreed to marry her.

From that day on, Gu Mei seemed to have completely recovered from all her illnesses. She began to pay attention to her appearance and began to pay attention to her health. As she drank those tonics, she gained weight day by day. It was as if her complexion had improved a lot in just a month, and she had returned to the original Gu Mei.

what made her the happiest was that zhou chongguang would come to the hospital every day, not to accompany her, but to visit his son.

But that was enough. If he had his son in his heart, he had her.
