

Thank you 2541

Chapter 2541: Qin Mu, let's get a divorce (2)

gu mei knew that he would come every day at six in the afternoon. every time he stood outside the thermal box to look at the child, she would stand quietly by his side, not daring to disturb him.

He didn't talk much to her. In other words, he only asked about the child's condition. However, this already made Gu Mei happy.

it was just that for a month, he didn't say anything about his divorce with qin mu. hence, this time, when zhou chongguang was about to leave, she couldn't help but ask, " "Has Qianqian talked to her?"

Zhou chongguang's body stiffened slightly, and he did not make a sound.

gu mei bit her lip and reached out to grab his arm. she carefully continued, " "Aren't we going to get married?"

Zhou chongguang gently pushed her away, and his gaze landed on the child in the thermal box again. After a long time, he said calmly, " "alright," he said.

...

Gu Mei laughed. She looked at him. At this moment, her heart was especially happy and especially blissful.

she called him chongguang and he responded, but he still looked at his son.

he still did not look at her.

Gu Mei laughed and laughed until she could no longer laugh. Her smile froze on her face and she felt like crying.

“you can’t forget her, can you? you still like her, don’t you?” she bit her lip and said softly.

Zhou chongguang turned his face this time and looked down at her.

Gu Mei’s face returned to its usual delicate and tender state. The happiness she felt during this period of time was more useful than fighting any meat-poisoning bacteria. However, when he looked at her, he did not feel anything at all. In fact, he even felt disgusted. Yes, he was disgusted.

“You’re overthinking,” he said softly.

gu mei wanted to flare up, but she did not dare to.

after the suicide incident, he rarely spoke to her. however, he had agreed to divorce and marry her. she cherished this opportunity and did not dare to provoke him easily.

Gu Mei broke out into a smile. That smile was very similar to Qin MU’s. It was Qin MU’s smile.

zhou chongguang looked at her with a deep gaze, and then threw out a sentence, ” “don’t learn from her!”

with that, he clenched his fist and left.

the smile on qin mu’s face slowly disappeared.

zhou chongguang left the hospital and sat in his sports car, smoking quietly.

he was very tired and his heart was in pain.

But this kind of fatigue, this kind of pain, he asked for it.

she took out her phone, swiped it open, and opened the photos inside. all of them were qin mu’s photos, and they were all of her.

There were photos of her laughing, of her being angry, and even some of the photos he took when he was in bed. At that time, she was tortured by him until she wanted to cry, and he took the photos.

Every Qin Mu made him heartbroken, fascinated, and missed them.

his adam's apple moved slightly as he closed his eyes and missed her.

it had been a month, but he had not seen her even once. it was not that he did not want to, but he had no way to see her.

she should know about the matter between him and gu mei. a while ago, he was on all the financial news and social news. he became the most famous person in B city, and qin mu was probably being chased by reporters to take pictures. at that time, would she be in a bad mood?

He had asked Ziyi to protect her, but he didn't dare to ask Ziyi about his condition after that.

Zhou chongguang sat in the car and smoked for a long time. The red between his fingers lit up and extinguished, then extinguished and lit up again. Finally, he took out his phone and dialed Qin MU's number.

After five Rings, Qin Mu finally picked up the phone. His voice was very calm. Zhou chongguang?
„

Hearing her voice, Zhou chongguang's throat was filled with a metallic taste again. He did not say anything and just quietly held his phone.

He heard her light breathing and felt that she was so beautiful.

“zhou chongguang, if there's nothing else, i'm hanging up.” Qin Mu said.

then, after a long silence, he slowly said, ” “qin mu, let's get a divorce!”

Chapter 2542: Qin Mu, let's get a divorce (3)

On the other side, Qin MU's breathing was still light and shallow. After a long time, she asked in a low voice, "When is it convenient to sign?"

zhou chongguang replied very quickly. "tomorrow is saturday. at the place where we used to live, okay?"

qin mu was silent.

he seemed to know what she was worried about, and his voice became even softer."you can get someone to accompany you. i promise i won't do anything to you."

"Qin Mu, it's impossible for me to do anything to you now!" His voice was almost humble.

qin mu listened to his voice, and his heart was filled with a lot of tears.

...

"I'll be there at 11 O'clock tomorrow," she said.

then, she hung up the phone. on the other side, zhou chongguang looked at the bright screen. he stared at it for a long, long time before covering his eyes with his hands.

on the other side, qin mu put down his phone and walked to the floor-to-ceiling window. she looked at the twilight outside.

the dark night came and swallowed the last ray of light bit by bit. she didn't know how long she had been standing there, but she knew that her body was getting heavier and heavier.

at 11 am the next day, qin mu came over with his assistant. she didn't alert the qin family.

Before she got out of the car, she asked her assistant to wait in the car while she walked towards the villa.

when she stood at the entrance of the villa, she paused for a moment and looked up at the familiar yet strange building. her heart ached slightly, but she still walked in in the end.

When she entered, she didn't see Zhou chongguang. She thought that he was upstairs, so she took out her phone and called him.

However, the phone's ringtone came from the kitchen. Qin Mu was slightly stunned.

zhou chongguang had already walked out with his phone. he was dressed very casually, with black trousers and a gray v-neck sweater.

He looked at her deeply and said in a calm voice, " "you're here?"

"yes," qin mu replied,"can i sign now?"

After a while, she said softly,"I didn't prepare any documents. Have you?"

zhou chongguang slowly placed his phone back into his pocket and still did not make a sound.

"If you're not prepared, I'll get the lawyer to print it and send it over." Qin Mu lowered his eyes.

"No need, I'm ready!" zhou chongguang finally opened his mouth. " we'll sign after dinner. "

qin mu's lips moved, but he didn't say anything.

"It's just the time for a meal!" With that, Zhou chongguang walked into the kitchen, " "The meal will be ready in a while. Have a seat first."

when he said the last word, his voice was a little bitter.

Time would pass by quickly if she sat for a while. She would sit for a while and have a meal, then they would have nothing to do with each other!

Zhou chongguang laughed lightly, but it was a bitter laugh.

qin mu stood in the living room and watched as zhou chongguang prepared in the kitchen. she hesitated for a moment, but still sat on the sofa.

she cupped her chin and looked at the warm sunlight outside the window. in the past, she liked to put a recliner in the courtyard and lie down to bask in the sun.

“Have a cup of hot juice.” zhou chongguang suddenly stood beside her and placed a cup on the table in front of her.

qin mu raised his eyes and smiled.

he looked at her without saying a word, but he closed his eyes as he turned around.

Mumu, have we become so distant and polite to this extent?

Don't you even know how to get angry at me?

completely give up!

qin mu waited for half an hour, and zhou chongguang prepared a table full of dishes. it was very sumptuous and attentive.

She sat together with him. Zhou chongguang looked at her. these are all your favorite food.

“Thank you!” qin mu smiled.

Chapter 2543: you have to be well!(1)

He narrowed his eyes and said very lightly, ” “don’t worry, i didn’t put anything in the dish. i meant it when i said to let go. mumu, do i really look like such a despicable person in your heart? do you think i don’t love you at all?”

She did not touch the glass of fruit juice at all just now.

After Zhou chongguang finished speaking, Qin Mu smiled. Finally, he picked up his chopsticks and started to eat.

The food he made was very delicious, more delicious than any other time.

as she ate, she couldn’t help but recall the best time they had together. qin mu raised his head and looked at her. “zhou chongguang, are you alright?”

“It’s not good!” he answered quickly and then spread the dishes for her. “Eat more,”

...

His gaze had been on her face all this time. Because of Mumu, this was the last time.

Qin Mu ate slowly. Even after he finished his meal, she could feel his gaze on her face.

moreover, he didn’t eat anything and just kept looking at her.

Finally, Qin Mu raised his eyes. Zhou chongguang, I’m done.

He seemed to be in a daze, but he nodded after a while. okay.

“let’s talk in the study!” he looked at her.

qin mu thought for a while and agreed.

although he had a past record, she also believed that he really loved her.

he wouldn't lie to her when he said he would let go.

A minute later, Qin Mu was sitting on the sofa in the study room, holding a glass of hot fruit juice in his hands. Zhou chongguang took out a document file from the drawer and sat opposite her.

He opened it gently and placed the document in front of Qin Mu. take a look. If you have any requests, you can tell me.

Qin Mu took a look at him but still picked it up to take a closer look.

she was surprised after reading a few lines.

In this divorce agreement, other than keeping Rongguang's shares, all the real estate and cash under his name, as well as some of his other investments, were all transferred to her name.

however, he kept the villa they were in now.

What he had given her was worth about 20 billion.

This divorce agreement was so generous that she couldn't accept it. Her feelings for him were beyond the words of love and affection.

it was a deep disappointment.

Also, he couldn't accept it.

"zhou chongguang, i can't accept this." she looked up and said softly.

Zhou chongguang smiled bitterly,"Qin Mu, there's nothing that you can't accept!" Your eight years are priceless, it's just that I didn't cherish it. "

qin mu also felt a little sad. her lips trembled slightly, and tears welled up in her eyes.

She was very clear that he was in a hurry to divorce her because he wanted to give that child a title and to give Gu Mei a marriage.

It wasn't that she didn't feel anything.

this was the man she had loved so, so, so deeply. she had fallen in love with him since she was 14.

however, she lost. she was utterly defeated.

she wanted to squeeze out a smile, she wanted to say goodbye, but she couldn't help but cry.

"zhou chongguang, i don't want anything." she covered her eyes with her hands and let the tears fall.

Zhou chongguang's entire body was tense. He restrained himself from hugging her, but he could not help it.

he still walked over and half-knelt in front of her. he handed her a tissue and said in a very soft voice, "Mumu, don't cry. Yingluo will be fine after leaving me."

You're so good, so kind. In the future, there will be better men who will love you.

as for me, i'm riddled with wounds and i'm no longer worthy.

His hands trembled as he wiped her tears away and coaxed her. "don't cry, okay?"

Chapter 2544: You have to be well!(2)

Qin Mu continued to cry. Only when this day arrived did she know that she couldn't do that.

She thought she was independent now, she was confident now, she had the career and good life that many women dreamed of, but she had lost him.

Her hand was taken away, and Zhou chongguang used his warm fingers to wipe her tears. After that, he grabbed her hand and said softly, " "You forgot about me, huh?"

She looked at him in a daze.

he buried his face in her knees and just stood there quietly. after a long time, he finally said sorry.

He didn't want her to sign, but he had to make her sign.

...

he did not want his relationship with gu mei to hurt qin mu again.

they broke up, broke up, and got a divorce. it would be fine in the future. when her injuries recovered, it would not hurt anymore.

he grabbed her little hand and raised it up high, his gaze gently falling on her face. " mumu, sign this. be good and listen to me. "

she looked at him, and tears fell, but she did not cry out loud.

she went to sign the papers with her eyes covered in tears.

He had signed every one of them, and only her name had not been signed.

Qin Mu signed with a lot of strength, and the paper was torn.

Now that she was signing these, her heart actually ached.

zhou chongguang had always been strong. the more he let go, the more she knew about his heartache.

the moment they were about to divorce, qin mu finally believed that he loved her.

yes, he did love her!

After Qin Mu finished signing, he looked up. Her eyes were still filled with tears, but she gave him a very sweet smile. Zhou chongguang, you have to be well too!

He reached out and gently stroked her long hair. After that, he kissed her on the forehead with great seriousness.

he said, " qin mu, you have to be more careful when you look for a man next time. find a good man and marry him. he must love you very, very much. "

Because only then would he be at ease!

when qin mu left, he helped her put on her coat for the last time and said calmly, " "Goodbye, Mumu."

Qin Mu lowered his eyes and walked out slowly.

when she walked out, she heard the sound of a piano coming from the hall.

she stopped in her tracks and recognized that it was for alice.

she could hear the sadness in that sweet song.

Her assistant waved at her from afar, but Qin Mu still stood there and listened to the entire song.

he didn't stop and continued to play, but she couldn't stay any longer.

Qin Mu left, taking away the last bit of life in this villa.

Zhou chongguang sat in the huge Hall and played the song over and over again, as if he did not know fatigue.

A week later, Qin Mu officially received the divorce certificate as well as some documents on the transfer of assets sent by the lawyer. She suddenly had more than 20 billion under her name, and she wouldn't be able to spend it all even if she lived for a few lifetimes.

however, she might not be able to find a man she loved in a few lifetimes.

qin mu stood in the corridor of the gallery and looked up at a painting above. it was xue 'er's work.

It was called rainy night.

it was drawn by lan yu during the eight years when xue 'er was away.

now, as she looked at the painting, she felt a sense of loneliness and loss.

it was darkness without a trace of light!

She knew that Zhou chongguang and Gu Mei were married. They did not hold a wedding ceremony, so they had only collected their marriage certificates. Gu Mei and the child moved into the apartment that Zhou chongguang had prepared.

She didn't know why he kept the villa. He didn't move in with ran ran even if he did.

However, Qin Mu chose not to think about it. The past was the past.

She was different from Gu Mei. She would not be reluctant to part with someone else's.

Chapter 2545: Her pursuers, line up all over the street (1)

Qin Mu stood there for a long time until a voice rang out. "Miss Qin, you have a call."

Qin Mu turned his head and looked at his assistant. "Who is it?"

As he spoke, he had already walked to the front desk.

"It's Mr. Zhao," her assistant, Xiaoyun, said as she walked.

She winked at her boss and said a little ambiguously.

"Zhao Yan?" Qin Mu paused.

...

Xiaoyun smiled, then went to do other things.

She sighed in her heart. Now that her beautiful and rich boss was single again, she had so many suitors that they could form a Street at the entrance.

However, she felt that Mr. Zhao was the best. After all, they knew each other, and their temperaments were very compatible. Mr. Zhao often called her, but Xiaoyun didn't understand why Mr. Zhao didn't call the boss's private phone, but instead called the gallery's main phone.

This was probably a declaration of sovereignty, right? Xiaoyun thought to herself with a smile.

"Zhao Yan, which country are you performing in now?" Qin Mu answered the call with a smile.

"In B city!" "In my restaurant. Let's have dinner together, okay?" Zhao Yan replied quickly.

Qin Mu raised his hand and looked at his watch. I have an appointment with a guest in the afternoon. It's about eight o'clock. If you can wait for me, we can eat together.

zhao yan chuckled, " of course, no problem. "

"i'll be waiting for you in the restaurant!"

Qin Mu nodded and then hung up the phone. He took his coat and handbag and left first after informing his assistant.

It was almost time for her to meet Mr. Lin.

Now, Qin Mu was almost driving by himself. His car was a newly bought white BMW, which was considered low-key.

He had arranged to meet Mr. Lin at a very stylish café. The other party was a well-known third generation family business. He studied in France and was rich. Qin Mu quite liked this kind of customer. He was usually generous and would not be too calculative about the price.

when she walked into the cafe, mr. lin was already there. he waved at her when he saw her.

Qin Mu walked over and sat down. His voice was a little low."i'm sorry, i'm late."

"the time is just right!" Mr. Lin smiled gently and ordered a glass of mantin for her.

qin mu smiled and took a sip. then, he started to introduce what mr. lin was interested in.

this time, mr. lin specifically asked for xue 'er's paintings to decorate the villa. the amount was a little large. qin mu did a rough calculation and estimated that it would cost a few million yuan.

She had always been good at serving such a big customer.

She was wearing a beige coat with a loose white sweater and a long skirt. After taking off the coat, her long brown hair fell on her shoulders, fresh and feminine.

mr. lin was obviously distracted, but he politely diverted half of his attention to her explanation.

qin mu raised his eyes. " that's it. what do you mean, mr. lin? "

as soon as she finished speaking, she felt that mr. lin's gaze was a little too intense. qin mu's face heated up, and then he blushed. " mr. lin? "

mister lin smiled,"i'm quite satisfied with these paintings!" next time, let's sign the contract this saturday! miss qin, you can come to my villa to see where these paintings should be hung. i'll meet the designer and have a discussion. what do you think, miss qin?"

Qin Mu had no reason to reject such a request, so he smiled faintly."alright!"

Chapter 2546: Her pursuers, line up across the entire Street (2)

then, she looked at her watch and said apologetically, " "mr. lin, i have a dinner date later, so i'll be leaving first. i'll treat you to a meal next time."

she wanted to get up, but was gently pressed down.

Qin Mu was a little surprised and looked at him.

he probably also felt that it was a little abrupt, so he immediately let go. " "I'm sorry!"

mr. lin muttered to himself for a moment before he said seriously, " "I like miss Qin very much. I wonder if I can go on a date with miss Qin in my personal capacity."

Qin Mu was surprised. She slowly put away the bag in her hands and said in a soft voice, " "I don't want to talk about relationships right now. Thank you for your love, Mr. Lin."

...

Mr. Lin looked a little disappointed, but he quickly calmed down and comforted her. it's okay, Yingluo. When you want to test your relationship, can you consider me first? I'll line up here first!

Qin Mu smiled lightly and went forward to hug him. "I will!"

mr. lin knew that she was just being polite and would not take it to heart.

however, such a good girl was worth it for him to treat her well once.

"Next week, don't forget," he said with a smile.

when qin mu walked out, he felt that his footsteps were light. it was as if after divorcing zhou chongguang, all her bad luck had left, and all that was left was good luck.

She liked her current life. Although she would occasionally dream of Zhou chongguang in the middle of the night, she would still think of him.

eight years was not something that could be easily forgotten.

However, she chose to make herself happy.

As she walked out of the cafe, she looked down for her car keys and accidentally bumped into the person in front of her.

her head bumped into a warm embrace. she looked up and was surprised to find that it was someone she knew.

It was Gu ze!

She hadn't seen Gu ze for a long time. Ever since that reality show, she didn't seem to have much interaction with him. Of course, it was also because of Gu Mei that she was against Gu ze.

she looked up at him, and her body was a little unstable. gu ze reached out and held her shoulders, stabilizing her body.

he frowned slightly. ” qin mu. ”

He seemed to be a little confused to see her here.

Qin Mu wasn't in the mood to talk to him. He said in a low voice, ” “I'm sorry.” He was about to leave.

Gu ze held her hand and did not let her through. He looked at the girl in front of him.

it's been a long time since we've seen each other, but she looks much better than before, yingluo. is it because they're completely divorced?

He had been holding her hand and did not let go. Qin Mu looked up into his eyes.

Her gaze was as unfriendly as a small animal's, even hostile.

gu ze looked around the café and recognized the person with the surname lin. he smiled. ”
“someone's pursuing you, huh?”

Qin Mu couldn't afford to lose face in such a place. Furthermore, her client was still inside. Not long ago, she had rejected Mr. Lin, saying that she didn't want to talk about relationships.

“Gu ze, let me go.” She gritted her teeth.

“where are you going? i'll send you!” Gu ze was very domineering. if you're not willing, I can drag you in right now and let that Lin see. Perhaps, I might even kiss you, hmm? ”

qin mu was furious. he stretched out his foot and stepped on him.

He and his sister were the same, equally despicable and shameless.

after qin mu was done, he walked straight to the parking lot. gu ze gave his secretary a look.

The Secretary was very observant and walked in-

in fact, president gu was also meeting mr. lin!

gu ze followed behind qin mu. when she opened her car door, he pulled her back. " sit in my car! "

Chapter 2547: Her pursuers, line up all over the street (3)

gu ze followed behind qin mu. when she opened her car door, he pulled her back. " sit in my car! "

Qin Mu angrily hit him with his bag. Gu ze, you're so annoying! i don't want to see you. don't appear in front of me!"

Her bag was quite heavy and hard, and it hurt when it hit his body, but he seemed to feel nothing. When she was done hitting him, he took her bag and dragged her into his car.

His actions were done in one go.

At this time, the night had already fallen. His treatment of her did not attract too much attention.

He stuffed Qin Mu into the car, and he got in before she got out.

...

"fasten your seat belt!" Zhou chongguang looked at her from the side.

Qin Mu didn't move. Then, he knocked on the window. Gu ze, drive!

he didn't move and just quietly watched her make a fuss. he thought to himself, she hasn't made a fuss in a long time.

She didn't dare to make a fuss with her family because Zhou chongguang was her own choice. She didn't dare to make a fuss with Zhou chongguang either because she was afraid that he would be put in a difficult position and that his heart would ache. Gu ze had always known that Zhou chongguang was still in Qin MU's heart.

Their feelings for each other were still there. They had just missed each other again and again.

He saw that she was done with her tantrum and leaned back on the seat, glaring at him.

Gu ze laughed. His eyes looked like he wanted to eat her up. He thought to himself that if she was willing to eat him up, he would be very happy.

"Gu ze, are you going to let go or not?" qin mu gritted his teeth.

"If you don't want to put on your seatbelt, I'm going to make a move." his voice was low.

Qin Mu didn't say anything and just glared at him.

and he really did it. he pressed on her shoulder with one hand to prevent her from struggling, and the other hand reached over to pull the seat belt over.

When he was doing all this, he kept staring into her eyes. His gaze was very aggressive.

qin mu's heart was slightly fluctuating. because they were very close, gu ze's pure masculine breath was blowing on her small face. it was a little seductive.

but she hated it.

Just because he was Gu Mei's brother.

She hated him!

“i said, if you don’t listen, i’ll do it myself!” “Have you made an appointment with Zhao Yan?” he asked in a low voice.

qin mu didn’t say anything, which could be considered as a silent agreement.

gu ze sat up straight, buckled his seat belt, and started the car.

The car slowly drove into the lane. After five minutes, Qin Mu realized that they were not heading towards Zhao Yan’s restaurant. She gritted her teeth. “Gu ze, what do you want to do?”

gu ze turned his face and smiled. ” “let’s go to the bar!”

Qin Mu reached out and punched him. I don’t want to go to the bar. I don’t want to be with you. Gu ze, you bastard. Let me out of the car, or I’m going to jump out of the car!

” the door is locked. if you like to jump, you can go to the back seat. it’s more spacious there. ” he said kindly.

Qin Mu had no choice. She stared at him.”Gu ze, it’s impossible between us!”

as she said this, his heart ached, and his breathing became light.”i know,”

“It’s not just because you’re Gu Mei’s brother!” qin mu closed his eyes. ” i can’t love anyone anymore. don’t waste your time on me. ”

she knew in her heart that zhao yan liked her. she could have a meal with zhao yan because she knew that he was a very open-minded person and did not have such a deep obsession with her. he even had a young girlfriend a few days ago, but she did not have a good ending.

but gu ze was different.

For so many years, Gu ze had not had a single scandal. Qin Mu could more or less feel his feelings for him.

A man's eyes could not hide anything!

Chapter 2548: Kiss her, she called out Zhou chongguang's name (1)

Gu ze's slender fingers gripped the steering wheel tightly as he listened to her words. His thin lips were tightly pursed.

Even his breathing was very light, for fear of missing every word she said.

After a long time, he said in a low voice, "Qin Mu, this isn't your fault." &Nbsp;

"i know," She quieted down and looked at the dark night outside the window. Then she smiled bitterly. "Gu ze, have you ever loved someone?"

Gu ze's thin lips pursed even more tightly.

Qin Mu laughed lightly. there's a principle in physics called 'inertia'. There's also an inertia when I love Zhou chongguang. I've loved him for eight years. Maybe I'll be used to it for eight years.

...

gu ze's eyes were focused on the road ahead as if he did not hear her.

He stopped the car at the traffic light in front and looked at Qin Mu with a burning gaze. He said very slowly, " " i once loved a girl for many years, about eight years. if there's a habit in love, will i also be used to it for eight years? "

in the dark car, qin mu pursed his little mouth and looked at him.

Occasionally, car lights would sweep in from the outside and flash across their faces, allowing them to see each other's expressions.

gu ze's voice became even softer. " qin mu, i know that you can't accept me the most, but i still want to give it a try. perhaps you'll need a shoulder right now. you'll need someone to accompany you. "

he turned his head, and his eyes were clear in the dark. he then smiled bitterly."it's obvious that i wasn't the one."

qin mu's breathing was a little messy, and he only spoke after a long time."Mm, so Gu ze, don't come looking for me in the future!"

"have you decided?" he looked at her seriously.

"Right!" qin mu said, almost in a bad mood.

Gu ze laughed softly and did not say anything. Instead, he started the car.

the car made a turn in front. qin mu recognized that it was in the direction of zhao yan's restaurant. she could not help but look at the man beside her.

"What's wrong? are you grateful?" Gu ze said very lightly.

Qin Mu pursed his lips and didn't say anything.

He didn't ask any more questions and drove quietly. Half an hour later, he dropped her off at the restaurant.

Just as Qin Mu wanted to get out of the car, Gu ze's voice rang out quietly. "Chat with me for a while!"

Qin MU's fingers paused. He raised his hand and looked at his watch. Mr. Gu, I'll give you five minutes. You can say everything you want to say in one go.

"in the future, we'll just go our separate ways, right?" gu ze smiled slightly and took the cigarette box from the central control. he lit it in front of her. when he smoked, he at least remembered to roll down the window so that qin mu did not feel too uncomfortable.

She looked at him with some patience.

gu ze's body leaned against the back of the chair and he exhaled a long puff of smoke. he looked extremely manly.

qin mu couldn't help but think of gu ze.

She pursed her lips tightly and her gaze became a little dazed.

Gu ze tilted his head and looked at her quietly. " qin mu, i've liked you for eight years. if you think that there's no possibility between us, don't provoke me in the future, okay? "

Qin Mu was instantly furious. I've never provoked you!

but in just a second, she was held down by gu ze. a male body breath filled with the smell of tobacco enveloped her.

She was almost covered under his body, with one arm firmly pressing her down, making her unable to escape, and the two bodies were tightly pressed against each other.

Gu ze squinted his eyes and pushed aside the hair on Qin MU's face. He smiled almost desolately."Your existence is a form of provocation, huh?"

Chapter 2549: kiss her, she called out zhou chongguang's name (2)

He didn't know what was wrong with him today. After knowing that Mr. Lin was going to meet her and hearing Mr. Lin praise her, he couldn't hold it in anymore. He couldn't help but take her away and do all kinds of shameless things to her.

it was fine if he didn't touch her, but to hold her like this, his heart was boiling hot.

He looked at her eyes and her lips. He couldn't help but lower his head and gently kiss her lips, murmuring, " "Mumu, give me a chance to take care of you, okay?"

as he said this, his heart was boiling, and he couldn't help but kiss her completely on the lips.

qin mu's eyes widened. she was stunned and forgot to resist for a moment.

His lips and teeth had a faint tobacco smell that was very familiar.

...

That was the smell of Zhou chongguang.

qin mu should have resisted, but she gently hugged gu ze's head like a ghost or god. at first, she was passively kissed, but then she stretched out her thin arms and gently wrapped them around gu ze's neck.

She lifted her body and received Gu ze's kiss again and again in the car.

She took the initiative to stretch out her body and get entangled with him.

Tears rolled down from the corner of her eyes and seeped into Gu ze's neck.

He sighed and hugged her even tighter. His thin lips were no longer satisfied with her lips, but moved towards her fragrant Little Neck. At this moment, Qin Mu was a little dazed and unconsciously called out Zhou chongguang's name.

chongguang Qianqian, Zhou chongguang Qianqian. the voice was soft and delicate. It was the special tone of an intimate lover when they were making out.

Gu ze had a woman in the past, but no woman had ever called Zhou chongguang as Qin Mu did.

his entire body was slightly cold. he even thought that if he and qin mu made love, would she also call out zhou chongguang's name? would her mind also be thinking of zhou chongguang?

He let out a long breath and let go of her.

what they didn't realize was that the figures they had been fighting with had all been taken away.

The scene of a man and a woman entangled in a car, full of intimacy and affection, even the feeling of Jade, all turned into a stack of photos, appearing on the desk of a high-class office, for a certain man to see.

after the kiss, there was a subtle aura in the air.

qin mu's body was still lying on her back. she slowly woke up and realized that the person who hugged her just now was not zhou chongguang, but gu ze.

she bit her lower lip and closed her eyes. her voice was very, very soft. "let me go!"

"You still miss him?" gu ze did not let go of her immediately. he still trapped her slender body and looked into her eyes with a burning gaze.

qin mu bit his lip and turned his little face to the side. "so what if it's ran ran?"

Gu ze stared at her little face. After a long silence, he suddenly said, "i haven't seen gu mei again. in the future, i might not see her again."

qin mu immediately turned his face and looked at him. "What are you trying to say? To express that I can be with you?"

she stretched out her hand and slapped gu ze. "Get lost! i don't need you."

Gu ze took the slap but did not move. He only looked at her and slowly said, "Qin Mu, I've waited for eight years for the chance to confess my love openly, Wanwan."

Qin Mu looked at him and smiled lightly. "gu ze, someone else should like it. i can't even save myself. Not to mention you."

His eyes were burning, and he was still unwilling to let her go.”Qin Mu, let’s try, okay?”

“Gu ze, I can only say sorry!” Qin Mu still smiled.

he looked at her, and his face finally turned ashen.

after a long time, his body slowly straightened up and he kept looking at her.

“Gu ze, let me out of the car. Zhao Yan is waiting for me,” Qin Mu said in a low voice.

...

he stopped and asked her in an extremely soft voice, ” “will you choose zhao yan?”

Qin Mu only shook his head gently.

she didn’t explain, but he already roughly understood the reason.

In fact, Qin Mu was a very proud girl.

he didn’t want to force her. he was too impulsive today.

He watched as she slowly backed away and sat upright in the dark for about five minutes before he said in a low voice, ” “You can get out of the car!”

when qin mu got out of the car, his legs were weak. he had only taken two steps when gu ze got out of the car and called out to him.

He held her handbag in his hand and slowly walked towards her.

qin mu took it silently and smiled lightly. ” “Thank you,” he said.

he looked at her and put his hands in his pockets. he resisted the urge to hug her and said lightly, ”
“Quickly go in! It’s a little cold outside.”

Qin Mu hummed in agreement.

However, the man who said it was cold outside took another step forward and grabbed her little hand.

qin mu turned his head, a little surprised.

“I forced a kiss on you, and you still want to thank me?” Gu ze’s voice was very, very soft.

Qin Mu shook his head. this is nothing.

Gu ze immediately understood. It was because she did not care about him, so a kiss was nothing.

besides, she was single now, so it would not be a burden for her to kiss a man.

furthermore, he had given her the wrong impression that he was zhou chongguang, which was why she had said thank you.

gu ze lowered his eyes and smiled bitterly. ” i know! ”

He stood at his original spot and watched her walk into the restaurant. He smoked a few cigarettes on the spot before he got into the car.

he was still lighting his cigarette, his eyes indifferently looking ahead in a daze.

he sat there for a long time, thinking about what he had said to her tonight and the kiss.

his slender fingers gently caressed his thin lips. it was still warm there, with qin mu’s taste.

He remembered that when he kissed her, there was a very faint sense of happiness. That was because of Qin MU's beauty.

for the first time, he wanted to have a girl so much. in the past, because she was zhou chongguang's wife, he had been suppressing it. now, he could finally tell her that he liked her. he had liked her for many years.

Even if she didn't want to, even if she didn't accept, he could still like her.

liking her was his business, but accepting her or not was her business.

If every love came so easily, then it would not be so precious.

gu ze had been sitting in the car the whole time, smoking his cigarette indifferently. qin mu only came out of the restaurant when there was a small pile of cigarette butts on the ground beside the window. of course, zhao yan was also with him.

When she walked out and saw Gu ze's car, she subconsciously froze. Zhao Yan also recognized Gu ze's car.

they were familiar with each other, so they naturally wouldn't pretend that they didn't see it. he knew it clearly in his heart, but he couldn't expose it. he said to qin mu in a low voice, "Wait for me."

after he finished speaking, he took off his coat and draped it over qin mu's shoulders.

His actions were very warm and intimate in the eyes of others. However, only Zhao Yan himself knew that Qin Mu did not reject him because they had a good relationship.
