

Thank you 2551

Chapter 2551: jealous at the sight of the photo (1)

although the qin family and the zhao family were not close, they were still close because of xue 'er and mu yun.

He walked to Gu ze's car window in his turtleneck sweater. Gu ze glanced at him and silently handed him a cigarette.

zhao yan laughed. " one zhou chongguang has already destroyed your body. you want to be like him? "

Gu ze didn't say anything. He gathered his hands and lit a cigarette. Then, he looked in Qin MU's direction. her car is at the cafe. Do you want to send her back? "

Zhao Yan smiled and did not deny it.

Gu ze's gaze became a little unpredictable. He looked at Zhao Yan and said softly, " you don't seem to be going the same way.

...

"Gu ze, you don't seem to be going the same way!" Zhao Yan smiled.

Gu ze glanced at him. then be careful on the road!

With that, he started the car and drove away slowly.

Zhao Yan looked at the back of the car, then turned around and looked at Qin Mu.

Qin MU's gaze also landed on the shadow of Gu ze's car. He could not help but smile."Actually, Gu ze is not bad!"

qin mu smiled. ” you’re not really trying to persuade him, are you?! ”

“I want to kill him!” zhao yan opened the door of his white ferrari and got in. he looked at her and said, ” my thoughts are the same as gu ze’s. it’s not like you don’t know. ”

qin mu seemed a little indifferent and ignored him. he only tilted his head slightly to look at the night sky outside.

zhao yan’s heart softened.

How could he not know why Qin Mu came to the restaurant? she just missed it.

She was searching for her past without her own consciousness. However, no one had the heart to expose her for such an action, because it was enough as long as she was happy.

zhao yan knew that gu ze had a better chance of winning when it came to him and gu ze.

in qin mu’s heart, he was a very good friend, but gu ze was different.

Gu ze’s body had Zhou chongguang’s aura. At least, it was the aura of the time when he was especially intimate with Qin Mu.

Qin Mu, on the other hand, had yet to realize it.

he had seen it from upstairs. he had seen gu ze kiss her, and she had not rejected him.

Zhao Yan knew then that he had no chance. It was either Zhou chongguang or Gu ze. It had nothing to do with him.

he could only smile bitterly at her silence.

when he knew that she was divorced, he rushed back from far away. in fact, he was just overthinking it, but he would rather overthink it and be with her through these difficult days.

there was a kind of love called ‘no return’.

the corners of zhao yan’s mouth lifted slightly. qin mu looked at him from the side.”What are you laughing at?”

“i’m laughing, i’m actually a good person!” He pinched her face when he stopped the car.

Qin Mu was used to quarreling with him, so he didn’t think much of it.

Zhao Yan’s gaze deepened as he saw her slightly swollen red lips.

He was thinking, how much strength did Gu ze put in? how long had Gu ze been hungry for him to be unable to control himself?

However, he could only think about it. If he said it out loud, Qin Mu would be embarrassed.

zhao yan laughed and let her go. he sent her home and watched her go upstairs.

that night, gu ze was not the only one smoking in the car.

The White Ferrari stopped at Qin MU’s apartment building for the whole of midnight.

.....

In the dead of the night, in the top-floor office of Rongguang, Zhou chongguang sat quietly behind his desk.

the light in the office was very bright, but it made his face look even paler.

He was holding a stack of photos in his hand. He looked at them quietly, one after another, as if he was torturing himself.

Chapter 2552: Jealous at the sight of the photo (2)

In Zhou chongguang's hands was a thick stack of photos. He looked at them quietly. One by one, he looked at those photos as if he was torturing himself. Every one of them was a close-up shot in high definition. He could clearly see his Mumu being pressed against the chair by Gu ze and them kissing.

Their kiss was especially lingering. Their lips were tightly pressed together, and even their tongues could clearly see Xuxu's cheeks sink in. It was obvious how much strength they had used in their kiss.

Their bodies were intertwined and had already broken through all limits. He could even see clearly that Qin Mu was being held in Gu ze's hand and was being played with.

It wasn't an ordinary kiss. It was a kiss with Haruka in it.

as long as both parties were willing, they could have sex in the car at any time.

But in the end, he didn't. He knew that Qin Mu went to see Zhao Yan.

...

zhou chongguang's body was leaning back in the chair. his eyes were closed, and the back of his hand was covering his eyes.

he laid there quietly, but the shocking scene of qin mu trapped under gu ze's body kept appearing in his mind. every touch, every detailed expression, all became zhou chongguang's nightmare.

he knew that he shouldn't have been monitoring her. he just wanted to know if she was doing well, but he didn't expect gu ze to appear by her side so quickly.

Gu ze kissed her, and she actually did not push him away or reject him.

Would she be with Gu ze?

Zhou chongguang realized that he couldn't think about such a problem at all. Every time he thought about it, he would go crazy.

he just sat quietly in the office, not wanting to do or think about anything. he just sat there quietly, thinking, thinking about his mumu.

this was a quiet place, a place where he could think of her in peace.

he remembered qin mu coming over once. he had to work, and he carried her as he sat here.

She was obedient at first, but she became mischievous later on. He still carried her into the lounge.

She despised the fact that he had slept on someone else's bed and refused to come no matter what. In the end, he had no choice. He stopped going to work and took her to the nearest hotel to book a room.

That day, he had sex with her three times in the bathroom without changing their positions. That day, he had made her so obedient that he could do whatever he wanted. He only let her go after she said a lot of shameless things.

That was the craziest he had ever been.

But now, she was in someone else's arms, being kissed and touched like that. Would she also have sex with Gu ze in the future?

zhou chongguang put down his palm. he lay there quietly and looked at the dark night outside.

He chuckled and didn't make a sound. He just looked at her.

There was no sound in his eyes. He just sat there, from day to night, and from night to day.

The next morning, Zhao Ziyi pushed open the office door and saw Zhou chongguang sitting there.

He walked in slowly, his hands on both sides of the desk, his gaze fixed on Zhou chongguang. last night, Gu Mei almost blew up my phone. Did you turn it off? ”

Zhou chongguang looked at Zhao Ziyi and did not say anything.

Zhao Ziyi's eyes flickered, and he also saw the photos scattered on the table. He reached out to pick them up and looked at them one by one, then cursed in a low voice: “Gu ze squinted really quickly!”

he looked at zhou chongguang, ” these photos are? ”

“I got someone to take it.” zhou chongguang laughed lightly,”isn't it very perverted?”

“Chongguang, if you can't let it go, you'll only harm Qin Mu!” Zhao Ziyi's expression was a little serious.

Chapter 2553: Chongguang, why aren't you touching me?(1)

Zhou chongguang's gaze became a little distant. He lowered his eyes and burned the photos bit by bit. In the midst of the fire, he said softly, ” “i won't disturb her.”

“you're already disturbing us by doing this. how long do you think you can stay like this? Won't she find out?” zhao ziyi's voice was tense. ” chongguang, ” he said. ” if she finds out, she'll only be unable to get over it. ”

“i will be very careful!” zhou chongguang said almost stubbornly.

zhao ziyi was speechless for a moment, then he suddenly sighed. actually, chong guang was in a bad state.

He and Gu Mei had been together for a month, but he rarely went back. When he did, he would only go back to see that child.

zhao ziyi lowered his voice. ” chongguang, i know that you don't like gu mei. however, whether it's for the sake of the child or for qin mu's peace, you should at least go back and take a look! ”

...

zhou chongguang did not say anything, but zhao ziyi knew that he had taken his words to heart. he did not say anything more. looking at those photos, he felt a little bitter in his heart.

He used to like Qin Mu too, or rather, he still liked him now. However, chongguang had divorced her. No matter how muddleheaded he was, he would never touch Qin Mu. That would be too unbrotherly.

He watched as Zhou chongguang stood up slowly and looked at him in surprise. “Chong Guang?”

Zhou chongguang took his coat and smiled bitterly at him. didn’t you tell me to go back and take a look? ”

Zhao Ziyi was a little stunned as he watched him slowly walk out of the office.

zhou chongguang sat in the car and closed his eyes slightly. however, the moment he closed his eyes, all he could see was the scene of qin mu and gu ze kissing.

His heart felt like it was being cut by a knife.

a moment later, he started the car and drove towards the apartment where gu mei and the child were staying.

half an hour later, the car stopped in front of a building. zhou chongguang got out of the car and closed the door.

when the elevator reached the 20th floor, it stopped with a ding.

He stepped out of the elevator and opened the apartment door.

Under the morning light, Gu Mei was standing on the balcony with the child in her arms. She gently coaxed, ” “daddy will be back soon. baby, be good, yingying.”

Her face was pressed against the child's small face, and she looked very happy.

At that moment, Zhou chongguang was jealous of Gu Mei. How could she still be happy?

after everyone was unhappy, she was actually so peaceful.

He closed the door gently and walked toward her.

His appearance caused Gu Mei to blink her eyes. She seemed to be a little surprised by his appearance. Then, she softly called out his name, "Chong Guang!"

Zhou chongguang acknowledged her nonchalantly and took the child from her arms.

After treatment and nutrition, the child had grown chubby. Zhou chongguang kissed her little face and asked in a hoarse voice, "Where's the confinement nanny?"

"oh, she said she'll be late today." gu mei stood beside him and looked at her son with him."Chongguang, the child hasn't been named yet! Come up with one so that you can register your account."

Zhou chongguang looked at her and then said slowly, "Let's call him Zhou Shuimu!"

gu mei was slightly stunned. her eyes welled up with tears. how could she not know the meaning of 'shui mu'? when they were put together, it was just the word 'mu'. however, she pretended not to know and forced a smile. "there's a group called 'shui mu nian hua'. they used to be quite popular. chongguang, you must have given the baby a name because of this, right? "

Zhou chongguang only looked at the child and did not say anything.

gu mei continued, "after he became a solo player, he became quite popular. "

"How about chongguang, Zhou Jian?" Right now, Gu Mei didn't care if it was nice or not. As long as he wasn't called Zhou Shuimu, it would be fine.

Chapter 2554: Chongguang, why aren't you touching me?(2)

Zhou chongguang finally looked at her. let's just call him Zhou Shuimu. I like Shuimu Nianhua!

after he finished speaking, he handed the child over to gu mei and walked towards the guest room. ”
“I'm going to take a shower.”

Gu Mei carried the child and stood where she was. There were tears in the corners of her eyes.

She knew that Zhou chongguang still missed Qin Mu, so he rarely came back. After he came back, he rarely spoke to her.

gu mei lowered her head and looked at her son. she gently coaxed her son to sleep and placed him on his small bed. she then walked towards the guest room that zhou chongguang was staying in.

he had been here three or four times and stayed in the guest room every time. he didn't think much about it because she was in confinement, but now she felt that she could.

...

She pushed the door open. The room was filled with the thick smell of cigarettes, and Zhou chongguang was standing by the window smoking. There were already a few cigarette butts in the ashtray beside him. He was only wearing a bathrobe, and when she looked at him from behind, she could easily see that he had lost a lot of weight.

Gu Mei gently furrowed her brows and walked behind him. She removed the cigarette from his hand.”Smoking so early in the morning is not good for your health.”

zhou chongguang turned his head to look at her. after a long time, he said hoarsely, ” “i'm going to sleep.”

gu mei looked at him for a long time before softly saying, " chongguang, I went to the hospital for a post-natal checkup yesterday.

He did not make a sound.

Gu Mei continued to speak. it has already been 42 days. Everything is normal now. We can sleep together.

As she said that, she looked up at him, her eyes filled with anticipation.

She was very direct, and Zhou chongguang pushed her away gently. "i'm a little tired."

then, he walked to the side of the bed, lifted the blanket, and lay down, ignoring her.

Gu Mei bit her lip and walked over. She knelt behind him and bent down to hug him from behind.

She kissed the back of his neck and said in a warm voice, " "Chongguang, you don't want to touch me, right?"

zhou chongguang had been lying down the entire time and did not move, while her actions were getting more and more overboard.

"i'm tired!" he finally spoke after a long time.

Gu Mei's hand moved down gently. Following that, she pressed her face against his and said in a low voice, " "you're lying."

he clearly had a reaction.

Zhou chongguang let her be. He closed his eyes slightly. Gu Mei, is there any meaning in revealing things that you already know? "

gu mei was stunned.

As if a bucket of cold water had been poured on her from head to toe, she looked at the man in front of her and her husband.

He really didn't want to touch her!

Even if he had a reaction.

The muscles on Gu Mei's face trembled unnaturally. The hand she was holding also trembled slightly. She looked at his back and asked softly, "Are you going to look for a woman outside?"

"If you force me, I don't mind looking for a woman!" He said softly, not moving.

gu mei almost went crazy. her lips trembled. " why don't you want me? " just because you still miss her?"

zhou chongguang's face was a little ashen. he slowly turned his head and looked at his wife in name, saying word by word, " don't mention her in front of me! You're not worthy! gu mei, perhaps i owed you in the past, but qin mu never owed you anything. it was you who owed him!"

"zhou chongguang, if you don't want to touch me, why did you marry me?" gu mei sat on her knees, her face covered in tears.

because you wanted me to marry you. I never had such an intention! he said coldly, and after a moment of silence, he continued, " Gu Mei, the only thing I can do is to give you a marriage. As for those illusory things in marriage that you have requested, I'm sorry that I can't give them to you. If you really want to find a man, I don't mind you having a man outside for a long time, but don't go too far and make me look bad."

Chapter 2555: Chongguang, why didn't you touch me?(3)

Gu Mei was on the verge of breaking down. She cried, " Zhou chongguang, do you hate me so much that you don't even want to touch me? "

how uncaring and disdainful would a man be for his wife to be willing to let her find another man!

this kind of marriage was too ironic!

How could Gu Mei be willing to accept this?

This was not what she wanted. She wanted him to treat her and their son with all his heart.

However, the reality was cruel.

...

zhou chongguang's gaze was indifferent. "i thought that you already knew."

he looked around. "i don't want to quarrel with you. i think it's our wish to give our child a quiet space to grow up. so, gu mei, put away your tricks, wanwan."

His fingers pinched her chin gently. "it's too low to play the same trick twice. i don't mind letting you know my choice."

Gu Mei's eyes were red as she cried and mumbled, "chongguang, you weren't like this in the past. You used to treat me very well. As long as I wanted you, you would be willing!

"that was in the past." He pursed his thin lips tightly.

At that time, he didn't fall in love with Mumu, but it was different now. Even if Qin Mu had left, he didn't have much interest in women.

Gu Mei's lips trembled. is it because of that slut, Qin Mu? "

she had just finished speaking when zhou chongguang slapped her across the face. immediately, a handprint appeared on gu mei's face. it was clear and terrifying.

“i said, don’t mention her, you’re not worthy!” zhou chongguang narrowed his eyes.

gu mei covered her face and looked at him in disbelief. ” you hit me? ”

“i never said i don’t hit women!” zhou chongguang said coldly, then got out of bed.

he could not sleep well here, so he decided to go back to the villa to sleep.

He got up and changed his clothes. He did not avoid Gu Mei and just changed his clothes.

just as he was about to leave, gu mei knelt by the bed and asked in a soft voice, ” “have you ever hit her?”

Zhou chongguang stopped in his tracks, and unexpectedly replied, ” “No, I didn’t!”

because mumu was so good, how could he bear to let her go?

she had always been the one hitting him. she had slapped him countless times, but he had never been angry at her.

this was probably the difference between love and not love!

Gu Mei continued to kneel with tears streaming down her face.

Her expectations of him were shattered into pieces at this moment.

when the confinement nanny came over, gu mei was still kneeling there.

the confinement lady was a little uneasy. she stood at the door and called out to her, ” “mrs. zhou?”

gu mei raised her eyes and her expression was a little dazed.”what did you just call me?”

“Mrs. Zhou!” the confinement lady saw her strange expression and was a little worried.

gu mei laughed and muttered to herself. ” mrs. zhou. yes. i am mrs. zhou. ”

she raised her head slightly. ” aunt zhang, take a look at my son’s name. it’s my husband’s name. i’m going out for a while! ”

“Don’t worry, Madam,” Auntie Zhang nodded.

she had been working here for a long time and had long realized that the couple did not get along. mr. zhou rarely came back, and when he did, he did not say much to mrs. zhou. their feelings were very indifferent.

Everyone in B city knew how this marriage came about. Perhaps Mr. Zhou liked his ex-wife more!

But if he liked his wife, why did he let a mistress get pregnant?

she really didn’t understand the world of the rich!

As for Gu Mei, she returned to her room to change her clothes. She went downstairs to get a car and drove towards the villa where Zhou chongguang and Qin Mu used to live. As she drove, she cried. She knew that he was there!

Chapter 2556: this is your son (part one)

gu mei’s car stopped at the entrance of the villa. the guards stopped her and did not allow her to enter. the door did not open.

“i’m looking for zhou chongguang!” Gu Mei gritted her teeth.

the security guard looked apologetic. ” director zhou is not here! ”

However, how could Gu Mei believe that?

She saw that Zhou chongguang's car wasn't there, and then she started to believe him.

After hesitating for a moment, he still drove away.

...

On the second floor of the villa, Zhou chongguang stood by the window of the study room and quietly watched Gu Mei leave.

He held a cigarette between his fingers and smoked it lightly. He waited for Gu Mei to leave before he slowly walked back to the master bedroom.

it was the same as before. a wedding photo of him and qin mu hung on the bed. in the photo, she was smiling quite happily.

at that time, qin mu loved her the most. she was only 18 years old and had just become an adult.

She was so pure and beautiful, giving him everything she had.

zhou chongguang lay on the bed, but he did not fall asleep immediately. he recalled what zhao ziyi had said.

ziyi said, " chongguang, your approach will hurt qin mu because gu mei has gone crazy. "

Zhou chongguang suddenly opened his eyes and looked at his surroundings.

this was his place of peace, but couldn't he come here often?

zhou chongguang suddenly laughed, and it was an extremely bitter laugh.

He reached out to cover his eyes and called out Qin MU's name-

however, his heart and surroundings were empty. they had long since disappeared.

He lay there for about two hours before he fell asleep. Then, he received a call from the confinement lady at home. She said that Madam was locked in the room and would not come out. The baby was also locked up together with her. She was a little worried.

Zhou chongguang knew that she was worried because she had seen the news of Gu Mei jumping off a building. It was such a mother that even the confinement lady could not be assured.

when zhou chongguang put on his shoes, he still made up his mind.

when he returned to the apartment, he was exhausted. however, he still knocked on the door patiently. " gu mei, open the door. "

There was no movement from inside for a long time, but Zhou chongguang still knocked on the door again. "gu mei?"

gu mei only came out after five minutes. her hair was a little messy and her eyes were swollen. the moment she came out, she pounced over and hugged zhou chongguang. " chongguang, i'm so scared. i'm afraid that you won't come back again and won't want me anymore! "

she was in a daze.

zhou chongguang did not push her away, but gave auntie zhang a look. auntie zhang immediately went in to carry the child.

The child was in a deep sleep and did not wake up. However, Auntie Zhang was used to taking care of children and always felt that the baby was a little strange.

"Mr. Zhou, let's go to the hospital for a check-up," she said softly.

zhou chongguang nodded slightly.

gu mei immediately pushed zhou chongguang away and wanted to snatch the child away. ” don’t touch my child! ”

zhou chongguang pulled gu mei over and trapped her in his arms. he said to auntie zhang, ” “Wait for me in the car downstairs!”

as he spoke, he threw the car keys to auntie zhang and dragged gu mei into the master bedroom.

seeing this scene, aunt zhang knew that it was not appropriate to look any longer, so she immediately went downstairs first.

Zhou chongguang dragged Gu Mei and pressed her against the head of the bed. He reached for the bedside table with one hand and took out two ties.

gu mei was about to go crazy. ” zhou chongguang, you’re crazy. what do you want to do? ”

he quickly tied her hands and feet, especially her hands behind her back, and threw her there.

he straightened his body and said in a cold voice, ” “gu mei, don’t let me down again. That’s your son!”

as he spoke, his eyes were slightly cold and somewhat unfathomable.

Chapter 2557: this is your son (2)

Gu Mei shook her head gently. he’s my son. Now that you’ve snatched him away, do you not want me anymore? do you want to leave me here alone and let me starve to death so that you can be with Qin Mu again? am I right? ”

Zhou chongguang’s body slowly moved away from the bed. He stood there and looked down at her. His gaze was filled with pain. Gu Mei, how did you become like this? ”

gu mei gritted her teeth. ” i know what you’re thinking. zhou chongguang, you’re not human. you used me! ”

“Everything was your own choice! I’m married to you, but you’re asking for too much. Also, this child is what you wanted by all means. It’s your own flesh and blood. Shouldn’t it be more important than a man who doesn’t love you?”

How could she bear to hurt such a young child?

Gu Mei bit her lip and stared at him.

...

zhou chong left without looking back and locked her in the room, not giving her the chance to seek her own death.

When he went downstairs, Auntie Zhang was already sitting in the car with the child in her arms. He quickly got into the car and said as he started the car, ” “how’s the child?”

auntie zhang wanted to say something but stopped.

Zhou chongguang drove the car out, his face tense. “Just say it.”

Auntie Zhang’s voice was a little soft. we’re in this line of work. We know that some aunties will feed their children a small amount of sleeping pills so that they won’t disturb themselves. However, I think I might have seen wrong. The baby is Madam’s biological child, so it’s unlikely that Madam would do that.

Zhou chongguang didn’t say anything. He drove the car directly to the nearest Sheng Yuan hospital and went to the emergency department.

coincidentally, he met lan yu.

Lan Yu was here for a follow-up examination. After half a year, Lan Yu's legs could almost walk normally, and the meat had also grown back. He looked not bad and was not much different from before.

Lan Yu looked at Zhou chongguang, and then at the child he was carrying. "Your child?"

zhou chongguang nodded his head slightly and did not say anything.

the matter between him and gu mei was known throughout the city. those with ears and those who were not blind would know about it.

lan yu's heart was still quite complicated. he looked at it for a long time before saying softly, "what's wrong with the child?"

zhou chongguang was naturally not in a position to talk about such a family scandal. he only said indifferently, "i have a slight fever."

After he finished speaking, he hurriedly walked into the consultation room.

Lan Yu stood there and did not leave immediately.

the doctor took a look at the baby and confirmed that he had taken sleeping pills. fortunately, gu mei had not given him a heavy dose, so it had not reached the point of having his intestines washed.

"But Mr. Zhou, Mrs. Zhou's behavior is no longer the behavior of a normal person. She may have a mental illness. why don't we bring her for a checkup some other day?" the doctor said bluntly.

It was true. Which normal mother would jump off a building with her child and drug her child with sleeping pills?

zhou chongguang nodded,"i will." Let's show the child first!"

"Stay in the hospital for a day. Put him on a drip and observe him," the doctor said after some thought.

zhou chongguang nodded and let auntie zhang carry the child, while he went to handle the hospitalization procedures.

when he walked out, he saw that lan yu was still there and said indifferently, ” “the child is fine.”

lan yu patted his shoulder. ” don’t worry. i’ve made it through this! ”

zhou chongguang looked at him with a meaningful gaze. lan yu had made it through, but he had taken a fancy to his ex-sister-in-law. yingying, out of some special mentality, zhou chongguang did not intend to tell lan yu qin chen’s gender.

Just let Lan Yu think that the person he liked was a man!

Chapter 2558: his purpose was to kiss (part one)

zhou chongguang was just about to leave when he saw qin chen and the director walking side by side. he looked at lan yu again, and only then did he know why this guy had appeared in the hospital.

however, at this time, zhou chongguang was in a terrible fix. naturally, he didn’t have the mood to care about other people’s business and left very quickly.

Qin Chen had returned to China for an Academic Exchange these few days. On the one hand, he was worried about Qin Mu. He had to come back and stay with him for a few days every month before he could feel at ease.

he saw lan yu from afar.

lan yu had already recovered more than half of his strength, and he was very different from the vegetable he was in back then. qin chen put his hand in his pocket, and his gaze was a little deep. he had to admit that lan yu still looked decent.

in the past, he had the aura of an artist. now that he had taken over his family's hotel business, he had a bit more of an elite aura. perhaps this was how lan yu should be.

...

Doctor Qin Chen was wearing a white doctor's robe, and the scenery was all around him.

Countless young nurses stood still and cupped their Small Faces. Their faces were red, and they kept looking at him with adoring eyes.

lan yu was a little sore. he looked at qin chen and walked over slowly. there was still a little problem with his leg. it was a little stiffer than a normal person's walking posture. it would probably take a year and a half of fine tuning to recover.

he walked in front of qin chen and deliberately said in a low voice, " you're back. what a coincidence! "

Qin Chen's gaze fell on his face, and he smiled faintly. "you're here for a follow-up?"

lan yu coughed lightly. " yes, but unfortunately, the doctor who helped me with my follow-up is on leave. "

a faint smile flashed across qin chen's eyes. " then, if mr. lan doesn't mind, i'll help you with a re-examination! "

Lan Yu couldn't ask for more.

The director looked at them and silently thought of the rumors about the male lead, but he didn't Dare to Care about Qin Chen's scandal. He said uneasily, " "then, little qin, i'll go back to the office first. after you're done, we'll have an academic exchange on the problem just now!"

qin chen smiled and sent the director off.

After a while, he retracted his gaze and looked at Lan Yu. "let's go!"

“Let’s go to your office!” lan yu took the initiative to request.

qin chen didn’t comment and led the way.

in the elevator, there were only the two of them. qin chen was very calm, while lan yu was absent-minded because of his ulterior motives.

“was that zhou chongguang just now?” qin chen suddenly asked.

Yingluo. Lan Yu was stunned for a moment before he came back to his senses. it seems like the child is not feeling well, so I came over to take a look.

qin chen’s eyes were cold. he turned his face to the side and said softly, ” “gu mei will kill him sooner or later!”

lan yu was also silent.

after a long time, she finally said,”actually, it’s quite a pity for him and qin mu.”

“Qin Mu is living quite well now.” Qin Chen turned his head and looked at him.

being looked at by him like that, lan yu’s heart felt numb and he couldn’t describe the feeling.

He was touched by the man again, and his Adam’s apple unconsciously moved.

qin chen didn’t say anything more. at this time, they arrived at his office and the elevator opened.

“We’re here!” He said calmly.

with that, he swiped the door open.

this was the first time lan yu had entered qin chen’s office. the decorations were the same as qin chen’s person, very elegant, and had a cold and noble feeling.

it really did not look like a doctor's office at all because it was too luxurious.

it wasn't the kind of a rich person's, but the exquisiteness that could be seen everywhere. a paperweight that could be casually picked up could be worth hundreds of thousands!

And the sofa that Lan Yu was sitting on, imported from Germany, was probably more than a million Yuan!

the hospital actually allowed such a thing to exist!

Chapter 2559: His purpose was to kiss (part two)

lan yu sat down and straightened his legs.

Qin Chen didn't check him immediately. Instead, he took off his white robe, revealing a light gray shirt and dark-brown pants.

first, he brewed a cup of coffee. lan yu recognized that the set of coffee tableware was also a famous brand, and it cost hundreds of thousands a set.

Speaking of money, Lan Yu had really seen it before. He was rich himself, including the Qin family and the Tang family.

however, there weren't many people who could live their lives as exquisitely as qin chen.

when the aroma of coffee wafted out, qin chen turned to look at lan yu. "do you want a cup?"

...

in fact, lan yu was in recovery, so it was better to avoid coffee and alcohol. however, qin chen was a willful doctor and had also encountered willful patients.

“I’ll have a cup!” Lan Yu said without thinking.

“are you sure?” qin chen’s gaze was deep.

lan yu smiled slightly, his heart filled with lust.

qin chen smiled and didn’t say anything more. he elegantly poured a cup for himself and lan yu. he added milk essence and sugar cubes, while lan yu only added a little milk essence.

after doing all this, he slowly walked over and placed the cup in front of lan yu. he then sat on the sofa opposite him.

lan yu looked at qin chen’s exquisite appearance and felt that his life was particularly rough.

he had a good background and could afford all this with his talent, but in front of qin chen, he was just crude.

He picked up the expensive handmade antique porcelain cup and took a sip. The coffee was fragrant, smooth, and soft. Even the staff in the coffee shop might not be able to make it so well.

qin chen also took a small sip and looked at lan yu, saying softly, ” the coffee beans i chose cost 100000 dollars per kilogram, so this cup is very expensive. ”

however, lan yu felt that it wasn’t the coffee utensils or the price of the coffee beans that were expensive. it was the fact that a person like qin chen could brew a cup for himself. it was already priceless.

lan yu smiled and continued to sip his coffee, cherishing every mouthful.

qin chen took a few sips and looked at lan yu quietly.

Lan Yu only discovered his own abnormality a few minutes later. At this time, his forehead was covered in fine sweat and his body was extremely hot.

He pursed his lips and looked at the coffee cup in his hand. He then looked at Qin Chen with a calm expression. "what's in this?"

qin chen was still sitting and smiled. " " something that can make you excited and help you find your original self. "

with that, he stood up and patted his clothes. " something that can make you like women. "

Lan Yu's expression was extremely ugly.

"Even so, I won't look for a woman!" He glared at Lan Yu.

Qin Chen slowly walked over, his hands on the back of the sofa on both sides of Lan Yu's body, his eyes indifferent. is that so? I want to see how Mr. Lan Yu is going to cook it!

As he spoke, he moved closer to Lan Yu, so close that he could feel his breathing.

lan yu's adam's apple bobbed slightly, and he suddenly pulled qin chen's body down and kissed qin chen's lips ruthlessly.

at that moment, they all froze.

qin chen,"f * ck, he actually dared to kiss me!"

Lan Yu,"Qin Chen's lips are soft, softer than a woman's."

After a short period of stiffness, Lan Yu seemed to have gone crazy, and he fiercely wrapped his lips around Qin Chen's.

this kiss made yu nian completely dazed, almost igniting all her desire without a care.

Qin Chen came back to his senses and pushed Lan Yu away. let me go!

In the end, he pushed Lan Yu away a little, and their glued lips separated from Yingying.

Chapter 2560: His purpose was to kiss (part three)

But Qin Chen didn't want to see that scene.

lan yu licked his lower lip, leaned over, and locked his eyes on qin chen's cold face. "you drugged me, didn't you want to have sex with me?"

as he said that, he clenched his hand. of course, it was empty.

Then, Lan Yu was stunned for a moment. He immediately remembered that Qin Chen was a man, so how could he not be an airport runway?

but now, he wanted both a man and a woman, especially now that qin chen had fed him medicine.

However, he knew that he couldn't force Qin Chen if he didn't want to.

...

Even if it was Qin Chen who had drugged him.

Even though he was playing such a prank, he still couldn't get angry at him. He was actually pampering a man like this. lan yu held his forehead and smiled helplessly. "doctor qin, if you're not interested in me, then don't tease me like this!"

as he spoke, he reached out and carried qin chen to the side.

Lan Yu himself was 182 cm, and although Qin Chen was thin and tall, he was ten centimeters shorter than him, so when Lan Yu hugged him, it didn't look out of place.

qin chen's body sank into the leather sofa, and lan yu pressed his hands on both sides of the sofa, looking at him with a burning gaze, just like how qin chen had treated him before. " "you clearly know why i'm here today. you clearly know that i have a desire for you, but you still gave it to me. what do you mean? Hmm, do you find it interesting to play with me?"

Qin Chen wanted to move, but Lan Yu put a hand on his shoulder.

hot sweat dripped down from lan yu's forehead. he squinted his eyes. "Now, you'd better not move. Otherwise, I can't guarantee that I won't rape you!"

As he spoke, he lowered his body and whispered in Qin Chen's ear, " "even if that's the case, you asked for it!"

Qin Chen raised his head, his black eyes silently looking into Lan Yu's eyes.

In Lan Yu's eyes, other than desire and fervour, there was also a deeper meaning.

qin chen was a little regretful. perhaps it was just as lan yu had said, he shouldn't have provoked a man who wasn't satisfied with his jade request.

Moreover, this man had always been very interested in her.

"What do you want?" Qin Chen asked in a low voice.

Lan Yu chuckled, then reached out and touched his handsome face lightly. you're really stupid!

with that, he pressed qin chen's shoulder very tightly. qin chen subconsciously wanted to struggle, but only now did he know how strong a person in a coma was.

&Nbsp; Lan Yu pressed him down, his eyes burning. are you going to do it, or should I do it myself? "

Qin Chen's breathing was a little chaotic.

it had been many years, but this was the first time he felt flustered because of a man's shamelessness.

However, he couldn't blame anyone else, because he was the one who caused him to be shameless.

he closed his eyes and sighed softly."you do it yourself!"

Lan Yu's Adam's apple moved. Then, in front of Qin Chen, he did a shameless thing to himself.

Qin Chen could feel every breath, every heartbeat, and every beat with his eyes closed.

even if lan yu came by himself, the office would still be filled with the same color of spring!

just as lan yu was mesmerized, qin chen's office door opened. the person who came in was none other than zhou chongguang. he only wanted to talk to qin chen, but he didn't expect lan yu to be inside, and he didn't expect yingluo to see such a scene.

zhou chongguang was stunned.

he stood at the door for a long time before he coughed lightly. " "Sorry for the disturbance!"
