

## Thank you 2561

Chapter 2561: His whole family is sick (1)

Qin Chen turned around first. wait a minute!

Then, she pushed Lan Yu away and said resentfully, ” “Go to the bathroom and solve it yourself!”

Lan Yu looked as if he was about to float like a Jade immortal, but was interrupted at this moment. He even had the thought of killing Zhou chongguang.

But thinking about it, Zhou chongguang was in a worse state than himself. He just liked a man, and he could still meet him occasionally. Sometimes, he could still hold his sweetheart. Even if he was called a pervert, he would accept it.

However, Zhou chongguang was different. He felt heartache for Zhou chongguang’s situation.

Lan Yu’s medicine wasn’t strong to begin with, and Qin Chen was a doctor, so he wouldn’t use that kind of strong medicine.

...

To Lan Yu, Qin Chen was the best village medicine.

Now that he had left Qin Chen, his mind was much more clear. In addition, with Zhou chongguang around, he couldn’t do anything else.

He rubbed his nose and obediently went to the bathroom to settle it.

Zhou chongguang looked at Qin Chen, his hands in his pocket. “Can we have a chat?”

Qin Chen tidied his clothes and walked out slowly, looking noble and elegant.

If Zhou chongguang didn't know that he was a woman and was also intimidated, Qin Chen's aura would be more powerful than many men.

qin chen took his doctor's robe and closed the door for lan yu to preserve his dignity. he walked to zhou chongguang's side and said softly, "let's go!"

"how did you know?" zhou chongguang was slightly stunned.

Qin Chen smiled. in a Doctor's Heart, patients don't care about their status. Besides, it's just a baby. He's innocent.

"He's called Zhou Shuimu!" Zhou chongguang suddenly said.

Then, he looked straight at Qin Chen.

qin chen laughed, naturally understanding what he meant. he put his hands in his pockets and said as he walked, "if this was the child you and qin mu had, this name would be perfect. unfortunately, it's not. it's gu mei's child."

Zhou chongguang laughed bitterly.

At this moment, they had already entered the elevator together. Qin Chen looked at him. how could you not know whether it's good or not? "

Zhou chongguang could only continue to smile bitterly.

qin chen turned his head to look at him. "zhou chongguang, there's no turning back in life. you chose the child, and qin mu chose to honor his words! " but think about it, even if she's willing to raise the child with you, do you think gu mei would let you two off so easily?"

Zhou chongguang let out a long breath, "i know!"

That was why he resentfully gave up on Qin Mu.

If one of the three of them were to be happy, he would rather that person be Qin Mu.

he had let her go, but he still loved her.

“zhou chongguang, you should let yourself go too!” qin chen said in a low voice.

these words made zhou chongguang almost tear up at the thought of him and qin mu separating. qin mu did not say anything, but in mumu’s heart, she wondered if she would also say the same thing and ask him to let her go.

How could he let her go? he couldn’t let her go, and he couldn’t let her go.

in any case, he was already not happy, so he might as well be even more unhappy.

He would rather be immersed in this unhappy feeling. He wanted to keep the feelings he had with Qin Mu back then.

qin chen said so much, knowing that it was all in vain.

In her heart, not only was Gu Mei sick, the child was sick, and Zhou chongguang was sick too!

this whole family is sick!

Qin Chen and Zhou chongguang arrived at the baby’s ward. When Qin Chen saw the child, his gaze was a little cold.

auntie zhang looked at him and said in a daze,”what a young doctor!” And he’s so good-looking.”

was this good-looking doctor reliable?

when qin chen heard this, he said expressionlessly, ” ” i’m the younger brother of zhou chongguang’s ex-wife. ”

Aunt Zhang's mouth was wide open and she was slurping. Was this reliable?

## Chapter 2562: His whole family is sick (2)

Qin Chen was a surgeon, and he was Sheng Yuan. He was even the youngest and most promising surgeon in the entire B city. Others might not know, but Zhou chongguang was very clear that Qin Chen could even treat-person in-vegetative state and be alive and kicking. In just half-year, he was still staring at the attending doctor so intently ...

he was really convinced!

At this moment, the child was still sleeping. Qin Mu sat down and stretched out his hand to feel the child's forehead. He then asked Auntie Zhang, " how many times has Zhou gumei fed sleeping pills? "

Aunt Zhang shook her head. this is the first time I've seen it. But in the past, Madam and the child spent quite a long time together in the room. Madam didn't really let me in!

Qin Mu cursed in a low voice, then looked at Zhou chongguang. it's best to do a full-body checkup. It might affect the child's body a little, but I suggest you do it.

he paused for a moment. " the child is still young. this medicine may also damage the nerves. it's best to isolate her from gu mei in the future. "

...

zhou chongguang nodded his head.

It was not to say that he valued this child. The key was that after giving birth to it, it was his own flesh and blood, a life. He really did not dare to criticize Gu Mei's way of doing things.

Qin Chen bent over and reached out to touch the child's cold face, muttering, " "I heard that he almost lost his life not long after he was born."

zhou chongguang was dejected.

Auntie Zhang saw gentleness on Qin Chen's face.

A good-looking male doctor with such gentleness in his eyes. For some reason, Auntie Zhang suddenly felt that Dr. Qin's personal identity was no longer important. What was important was that he was a doctor, and a good one at that.

"I'll stay for a few more days until the child's condition is confirmed," qin chen quickly made a decision.

for this, zhou chongguang was very grateful. he knew that with the relationship between qin chen and qin mu, it was already very rare for them to be able to do this.

qin chen looked at his expression and knew what he was thinking. he laughed lightly. "I'm a doctor!"

Zhou chongguang did not say anything. He only smiled, and it was a bitter smile.

qin chen said in a low voice, "such a cute child, how could gu mei bear to part with him?" If it's Qin MU's, she should love this child very, very much!"

One sentence destroyed Zhou chongguang's heart!

Qin Chen's mood was better, so he smiled and left first.

Auntie Zhang looked at Zhou chongguang's expression and knew that Mr. Zhou's ex-brother-in-law had poked at his heart, but she also thought in her heart-he deserved it!

qin chen put his hands in his pocket and slowly returned to his office.

he pushed the door open, but lan yu was not there.

his silent laugh lasted quite a long time!

then, she walked to the bathroom. the bathroom door was open and it was filled with steam. lan yu was still in the bathroom.

Hearing the movement at the door, Lan Yu turned to look at Qin Chen and glanced at him. "If you don't want to shower together, then get out!"

Qin Chen leaned back and smiled. Lan Yu, your leg doesn't need to be checked. It's very good!

in fact, lan yu's current attending doctor would tell him about lan yu's condition regularly, and lan yu's re-examination was just an excuse. he was also very clear about it, which was why he had played a prank on him today.

Unexpectedly, Lan Yu was able to hold it in. As far as he knew, Lan Yu had not tasted the love Jade for about a year. He thought that adding some medicine would change Lan Yu's mind, but it didn't.

Qin Chen sighed. There were so many beautiful women outside, why would Lan Yu stare at him?

Chapter 2563: his whole family is sick (3)

Qin Chen sighed. There were so many beautiful women outside, why would Lan Yu stare at him?

even big brother's little xue 'er had been lan yu's little wife for so long, but lan yu did not miss her at all.

hence, lan yu had a strong taste and was simply a pervert.

Qin Chen smiled, took off his outer robe, put on his coat, and left the hospital.

he didn't want to wait for lan yu to come out and be forced to kiss him again.

this man's current level of dissatisfaction was not something that could be cured in half an hour in the bathroom.

...

qin chen left, and when lan yu came out, he looked at the empty office and felt a little carefree.

although he had kissed qin chen and even done something overboard, he knew very well that he had been rejected.

he stood there quietly for a long time before slowly walking out of qin chen's world.

with every step he took, he knew that he should be far away.

Qin Chen had already left the country, so he really shouldn't be entangled with him anymore.

at this moment, in the VIP ward on the top floor, zhou chongguang looked at the child and accompanied him for a long time.

the baby woke up at four o'clock in the afternoon. he didn't cry when he woke up. he just opened his eyes and looked around. his big eyes and chubby little face were very cute.

Zhou chongguang saw this, and there were tears in his eyes. He reached out and held the child's little finger.

he pulled out a smile and muttered, "Auntie Zhang, make him some milk powder!"

only then did auntie zhang remember that she didn't bring milk powder. she was about to go buy it when the nurse at the door pushed the door open and came in with more than ten types of milk powder and milk bottles. she smiled and said, "Dr. Qin ordered this. He didn't know what the baby wanted, so he bought them all!"

Zhou chongguang was a little dazed.

Aunt Zhang was a little happy. She took it over and said, ” “dr. qin is so attentive!”

It was rare for a good-looking male doctor to be so attentive.

“Dr. Qin is the best doctor in our hospital!” The young nurse was still smiling.

In Zhou chongguang’s mind, he couldn’t help but think of the luxury goods in Qin Chen’s office, as well as the ” male lead male lead male ” relationship with Lan Yu in the office. For a moment, he felt like f \* cking.

and auntie zhang was still complimenting that there were very few men as attentive as dr. qin nowadays. zhou chongguang couldn’t help but say, ” “He’s not!”

“What?” Aunt Zhang didn’t hear it clearly and turned her head to ask.

Zhou chongguang shook his head. it’s nothing!

If Qin Chen didn’t want others to know, then he wouldn’t say it!

In fact, he had never asked Qin Mu how Qin Chen became a man like this before, and Qin Mu didn’t tell him either. However, he had a feeling in his heart that there must be a reason for it. There must be a story behind it.

aunt zhang had already fed the baby, and little shui mu was eating happily.

Auntie Zhang had taken care of the child for a long time and had developed feelings for him. Looking at his soft and tender face, she couldn’t bear to see it.

She hoped that nothing would happen to such a cute child, or she would feel terrible.

As Auntie Zhang fed him, she thought of something and looked up at Zhou chongguang, ” Mr. Zhou, Mrs. Zhou, is ran ran still at home? ”

Zhou chongguang thought of Gu Mei and his face turned dark. Then, he said softly, ” “You take care of the child first. I’ll go back for a while.”

aunt zhang nodded and then worriedly tried to persuade him again. ” “We’re husband and wife, so you should be more patient.”

what she was thinking was that if mrs. zhou was sick, she had to be treated!

Zhou chongguang didn’t say much. He went downstairs and drove back to the apartment.

Chapter 2564: His whole family is sick (4)

Zhou chongguang didn’t say much. He went downstairs and drove back to the apartment.

pushing the door open, his heart felt extremely heavy. to him, this house was just like his marriage with gu mei. it was a cage. if it was not a child, he would not be willing to enter.

The apartment was quiet. He opened the bedroom door and saw Gu Mei curled up at the head of the bed.

She heard his voice and turned her head. She pursed her lips and said softly, ” “Is Shui mu alright?”

zhou chongguang wasn’t in a hurry to let her go. he only walked over very slowly and sat by the side of the bed. his gaze was deep as he looked at her, and his voice was even deeper.”Why did you feed the child sleeping pills?”

gu mei’s eyes widened. her face was very thin, so when she widened her eyes, her face looked even smaller. she also looked very innocent.

...

however, zhou chongguang did not think that she was innocent. he continued to speak in a low voice. "How many times have you fed him?"

He extended his fingers and pinched Gu Mei's throat. "Do you know that too much medicine will harm the child and make him an unhealthy person? shui mu is your child, not qin mu's. he's not your enemy, so how could you treat your own son like this?"

Gu Mei's eyes widened even more.

"an unhealthy person?" she mumbled.

"You don't know?" zhou chongguang laughed coldly. "that's right. you don't know. you only think about your own happiness!"

he looked at gu mei and smiled desolately, "you wanted to give birth to the child!" i did have selfish motives, but you were the one who insisted on it. if you had wanted to abort it, i wouldn't have stopped you! Gu Mei, you should know this very well in your heart."

"But you want to give birth to the child. Have you thought about what this child means to you? was it just a tool? You're using him to marry me, and you're using him to get me home?" he said softly, "gu mei, don't you love him?" If you can't even love your own child, how can I believe that you love me?"

gu mei's face was filled with anxiety. "chongguang, i do love you."

"You only love yourself!" zhou chongguang stretched out his hand and gave gu mei a slap, causing her to fall onto the bed.

"you don't deserve to be a mother," he said with a depressed expression.

Gu Mei shook her head desperately. no, chongguang, no, I just thought that he was noisy and wanted him to calm down. Chongguang teased me, it wasn't on purpose. I won't do it again!

She looked at him with tears in her eyes. I can't sleep every night. Every time I fall asleep, I dream of the scene of me jumping off the building that day. So I don't dare to sleep, and you're not coming back. i was afraid that you wouldn't want me anymore. i was afraid that you wouldn't come back

because the baby was too noisy. i was even more afraid that he would disturb us after you came back, so i fed him medicine. he was very obedient and didn't disturb us. this way, we could be like before, right?"

she said this anxiously, but zhou chongguang's expression turned even uglier.

He looked at Gu Mei and closed his eyes slightly. Gu Mei, I'll bring you to get treated! you're sick!"

gu mei's face turned pale. she swallowed and her body shrank back. " no, i'm not sick. chongguang, i'm not sick! I don't want to see the doctor, I don't want to see the doctor, they will say that I have depression, they will give me injections, they will say that I'm not normal!"

she hugged her head and said,"i'm not sick. i'm not depressed!" I'm different from Qin Mu."

She suddenly laughed,"chongguang, Qin Mu is depressed. Is that why you don't like her?" You like healthy girls, don't you?"

Chapter 2565: She looks like 14-year-old Qin Mu (1)

zhou chongguang probably knew about gu mei's illness.

he closed his eyes slightly, his whole body trembling. after he finally calmed down, he looked at her and said in a very, very soft voice, " "Gu Mei, go and treat your illness!"

He didn't like her, but he didn't want her to go that far.

Gu Mei's eyes were trembling as she looked at Zhou chongguang like an injured animal. Then, she carefully moved over and reached out to hug him. " chongguang, i'm sorry, i'm sorry. i didn't do it on purpose. i just couldn't control myself. "

Zhou chongguang did not push her away because he knew that pushing Gu Mei away now would be pushing her to a dead end.

his heart was deathly still, almost resigned to his fate.

...

let's just leave it at that. Zhou chongguang laughed bitterly and released Gu Mei.

"Chongguang, where's the baby?" Gu Mei asked softly.

"he's still in the hospital." He paused for a moment before he spoke. Then, he looked at Gu Mei very seriously. "gu mei, can you treat your illness now?"

gu mei's expression was a little dazed. she looked at zhou chongguang as if she did not recognize him.

"Chongguang, you haven't talked to me like this for a long time," she said softly after a long time.

She wrapped her arms around his waist and smiled at him, "you haven't coaxed me in a long time."

Zhou chongguang's expression was a little dark, and he said in a deep voice, "It'll be better in the future."

Gu Mei looked at him anxiously. chongguang, is that true? we'll be fine, right?"

"Of course!" zhou chongguang smiled slightly, but in his eyes, there was no hint of a smile.

He told himself that he was doing all this for Shui mu and Qin Mu.

He really didn't want a sick Gu Mei to disturb Qin Mu.

At this moment, he thought of the villa again. He thought that he would not go there easily.

zhao ziyi was right. too much attention would only harm qin mu.

he pursed his lips and his gaze became even more solemn.

however, gu mei did not know that. she revealed a smile that she had not seen for a long time. her face was in zhou chongguang's arms. " chongguang, i will treat you well. our family of three will be fine, right? "

he didn't say anything, but he felt a sharp pain in his heart.

a family of three was once his deepest desire for qin mu. now, it had become gu mei. it was really ironic.

he did not arrange for gu mei to go to sheng yuan. instead, he went straight to the first people's hospital of the city and arranged for an examination.

After the doctor asked for half an hour, he sent Gu Mei away and sat behind his office desk with a serious expression. "Mr. Zhou, Mrs. Zhou might be suffering from postpartum depression."

Zhou chongguang's face twitched, and he said in a deep voice, " "Is it because of the delivery?"

The doctor pondered for a moment before saying, " "most of them are emotionally unstable because they don't get the love and care of their husbands after giving birth, and they become depressed over time."

he paused for a moment before saying,"it's best to separate them from the children." "otherwise, it's very easy for tragedies to happen. mr. zhou, i'm being direct. i hope you don't mind, because there are too many such examples in reality. mrs. zhou's symptoms are quite serious. it's best if she can be hospitalized for treatment, but if not, try to stay at home with her. there's an old saying that a mental illness needs to be treated, don't you think so?"

Zhou chongguang forced a smile. I understand. I will ask for her opinion.

the doctor hummed in acknowledgment and watched him leave.

After Zhou chongguang left, the doctor let out a long sigh. another unhappy man.

Chapter 2566: she looks like 14-year-old qin mu 2

after zhou chongguang left, the doctor let out a long sigh. ” another unhappy man.

Zhou chongguang’s matter was quite sensational back then, and it was hard not to know!

zhou chongguang found gu mei. gu mei was sitting on the long bench outside the doctor’s office, looking especially obedient.

he slowly sat down beside her, tilted his head to look at her, and said very softly, ” ” gu mei, do you want to be hospitalized or stay at home? ”

She shook her head. I don’t want to be in the hospital. Chongguang, I want to be at home.

he looked at her and said seriously,”i will let aunt zhang take care of the child for a while.”

...

gu mei obediently nodded her head and replied,”alright, i know!” I’ll be good.”

her expression was as if she was afraid that he would abandon her because he found out that she was sick and that he would not want her.

Zhou chongguang forced a smile,”that’s good!” i’ll go get the medicine!”

Gu Mei suddenly pulled on his sleeve and hurriedly called out his name. “Chong Guang!”

Zhou chongguang turned around. When he saw Gu Mei’s expression, his heart ached slightly.

He was quite familiar with that expression. It was like the 14-year-old Qin MU's expression when he looked at him, very helpless.

He thought that the reason he did not abandon Gu Mei was largely because Gu Mei's illness was similar to Qin MU's back then.

Subconsciously, he had turned Gu Mei into Qin MU's incarnation. It was as if curing Gu Mei was to accompany the young Qin Mu for a journey.

His dark eyes narrowed slightly, and he finally smiled bitterly. what's wrong? ”

gu mei's voice was soft. ” can you not hit me in the future? ”

Zhou chongguang smiled gently. alright! I won't hit you!

However, his heart was wet. Was his Mumu just as helpless?

Zhou chongguang did not know that the one who was sick right now was not only Gu Mei, but also him, Zhou chongguang.

in the end, gu mei went with him to get the medicine. she became very careful and was afraid of angering him.

Whatever he said was true. She had turned into the 14-year-old Qin Mu.

Zhou chongguang didn't know what to say. He hated Gu Mei, but his heart was dead silent. On the other hand, he missed the 14-year-old Qin Mu. He was incurable.

the sick gu mei seemed to have become his medicine.

After getting into the car, Zhou chongguang looked at Gu Mei. “i'm going to the hospital to see shui mu later. i'll take you home first.”

Gu Mei nodded and then whispered, ” “chongguang, i'm a little hungry.”

He was stunned for a moment. He looked at the sky and realized that it was indeed late.

Not to mention Gu Mei, even he himself was hungry. Hence, he decided to eat before going to the hospital.

he gave auntie zhang a call, and auntie zhang said that everything was fine over there. little shui mu's condition was also quite good. only then did zhou chongguang feel at ease and drove to a vegetarian restaurant.

it was already late winter, and he was only wearing a thin coat, which made him look even slimmer.

gu mei followed by his side. at first, she followed by his side. after that, she held his arm especially carefully.

Zhou chongguang's body stiffened slightly, and he lowered his head to look at the person beside him.

gu mei gave him a very shallow smile, with a kind of fawning tone.

he didn't say anything and just let her hold his arm.

gu mei's smile was a little sweet. she placed her face on his arm and laughed very, very softly.

The business of this vegetarian restaurant was very good. When they came in, it was almost full. The waiter quickly found seats for them.

however, just as he was about to sit down, zhou chongguang's gaze froze.

The people sitting at the table opposite them were none other than Qin Mu and Zhao Yan.

when qin mu saw zhou chongguang, he was also in a daze.

Chapter 2567: She looks like 14-year-old Qin Mu (3)

Of course, Qin Mu also saw Gu Mei.

it was a different gu mei! his face was filled with happiness!

gu mei's hand was holding onto zhou chongguang's, and her expression was extremely soft. it was the gu mei that qin mu had never seen before.

She lowered her eyes and smiled slightly. It was indeed good to get a divorce. After the divorce, Zhou chongguang led a good life. He had a beautiful wife by his side and looked very loving. He was not as painful as when he divorced her.

qin mu felt that he might have been thinking too much.

Zhou chongguang's dark eyes were bottomless. When he looked at Qin Mu, his entire being was suppressed. He had to desperately stop himself from walking over. He looked at her and Zhao Yan together. He was guessing whether she would choose Zhao Yan in the end between Gu ze and Zhao Yan.

...

That's right. Gu ze was Gu Mei's older brother. She probably wouldn't choose him either.

choosing zhao yan was the best choice.

under such a gaze, his heart felt as if it had been pricked by a needle, and it was very painful.

Therefore, he had forgotten to push Gu Mei away. He also did not know that in Qin MU's eyes, he and Gu Mei were a loving couple.

he just looked at her greedily, trying to compare if she had lost weight.

qin mu didn't know how to cook. how was she doing all by herself?

Did she often forget to eat? did she have a stomachache when it was cold? did anyone take care of her?

zhou chongguang had too many, too many worries, but in the end, he could not say anything and could only look at her helplessly.

Gu Mei leaned on him and smiled sweetly at Qin Mu. "qin mu, what a coincidence!"

Qin Mu didn't give her any expression because it was a waste.

She and Zhou chongguang were divorced, and Gu Mei was promoted, but that didn't mean that she, Qin Mu, had to be nice to her. She also had a temper, okay?

qin mu pursed his lips and did not give gu mei a good look.

it was as if gu mei did not feel it. she raised her head to look at zhou chongguang again, and there were actually tears in her eyes."Is Qin Mu still blaming me?"

zhou chongguang's black eyes locked onto her face and looked at her for a long time before he said softly, "do you think she should blame you?"

gu mei didn't say anything. she pursed her lips and sat down. after zhou chongguang sat down, he passed the menu directly to gu mei. he drank his tea, and his gaze landed on qin mu.

Zhao Yan smiled mockingly at Zhou chongguang, but he did not say anything and only smiled.

Zhou chongguang was a little embarrassed. Him appearing together with Gu Mei was a form of hurt to Qin Mu.

However, there was no need to turn around and leave.

since the truth was already like this, he might as well take a few more glances at her.

at that table, zhao yan's voice was a little low. " qin mu, zhou chongguang seems to have not given up. "

qin mu ate indifferently and looked at zhao yan without saying anything.

After a while, she put down her chopsticks and said, " "I'm going to the washroom, I don't have an appetite!"

"do you want me to go with you?" zhao yan looked at her and said softly.

"Okay!" Qin Mu nodded after a moment of hesitation.

This was because she really did not want to be blocked by Gu Mei or Zhou chongguang. That would be quite meaningless.

All she wanted now was to live a good life. Maybe one day, she would meet someone she liked.

but this person would definitely not be zhou chongguang.

zhao yan stood up and accompanied her to the washroom.

gu mei passed the menu to the waiter and looked in their direction. after a while, she retracted her gaze and said softly, " " chongguang, i saw that qin mu and zhao yan got together. if they can get together, then we don't have to feel so guilty anymore, right? "

Chapter 2568: Qin Mu, I wish you find happiness (1)

Zhou chongguang did not make a sound. Gu Mei carefully said, " "Qin Mu is quite happy to see this."

This time, Zhou chongguang said softly, "don't talk about other people anymore.

because every word she said was like a needle piercing his heart.

gu mei made an “oh” sound and then asked him even more carefully, ” “chongguang, are you angry?”

zhou chongguang looked at her and sighed after a long time, ” “No, I didn’t!”

“I know you’re angry!” Gu Mei’s voice was very soft. Because she’s with someone else!”

...

“Gu Mei!” “since you know i’ll be angry, why do you keep bringing it up, huh?” he said in a deep voice.

Gu Mei’s face was a little embarrassed. She lowered her eyes and only spoke after a long time, ” I’m sorry, chongguang. It’s my fault!

Zhou chongguang looked at her and felt that it was really a little unbelievable.

In just half a day’s time, Gu Mei seemed to have changed into another person.

But if she didn’t go crazy, it would be good for his world to be quiet.

At this moment, the waiter served the four dishes that Gu Mei had ordered.

Gu Mei appeased him by serving him some food with her chopsticks and squeezed out a smile. chongguang, this is their signature dish. It’s best to eat during winter. Look at you, you’ve lost weight recently.

Zhou chongguang was unable to refuse. Just then, Qin Mu and Zhao Yan happened to return and saw Gu Mei serving food to Zhou chongguang.

a trace of pain flashed across qin mu’s eyes. he would be lying if he said he didn’t care-

How could she forget him after loving him for so long?

back in his seat, zhao yan said, ” mumu, we’re almost done eating. let’s go! ”

qin mu nodded.

zhao yan immediately beckoned for the bill. when he was about to pay, zhou chongguang’s gaze drifted over again.

He could tell that they wanted to leave.

was it because of gu mei that mumu no longer wanted to eat?

he didn’t have much of an appetite for a while, so he didn’t eat anything after eating two mouthfuls.

Gu Mei’s voice was very soft. chongguang, why aren’t you eating? you’ve lost a lot of weight during this period of time.

“you can eat, i’m not hungry!” he said indifferently. he was so frustrated that he only wanted to smoke.

“I’m going outside for a smoke,” he said as he got up.

Gu Mei was stunned.

however, seeing that qin mu and zhao yan were still there, she didn’t say anything. she knew that she couldn’t go too far now. otherwise, she might have to take back all the good things that xuanji chongguang had done for her.

Gu Mei pursed her lips tightly and looked at his back view. Her hands were mechanically picking up food to eat.

When Qin Mu and Zhao Yan were leaving, she called out to Qin Mu, ” “Qin Mu.”

At this moment, Zhao Yan's hand was on Qin MU's shoulder as he looked at Gu Mei quietly. He had always been a very gentle person, but at this moment, he could not be gentle at all. Gu Mei, just be a good Mrs. Zhou. As a person, don't be too overbearing! you can't be that lucky every time."

Zhao Yan was only helping Qin Mu to vent his anger, but he didn't expect his words to come true.

gu mei was still smiling. she walked past him and looked at qin mu. I just want to say that chongguang and I are very happy. We have a son, so Qin Mu, you have to be well too. I wish you find your happiness soon!

zhao yan was just about to speak when qin mu stopped him. " gu mei, it's fine as long as you feel happy! "

gu mei still wanted to say something. however, in front of qin mu, all her words seemed to be a little pale.

she didn't want to provoke qin mu at first, but she was just unhappy that chong guang looked at qin mu with such infatuation!

Chapter 2569: qin mu, i wish you happiness 2

In the end, Gu Mei pursed her lips and smiled coldly. of course I'm very happy now.

Qin Mu wanted to ignore her.

The current Gu Mei was no longer the Gu Mei of the past. In the past, when Gu Mei was still Zhou chongguang's Secretary, she was quite capable. She exuded a mature woman's aura from head to toe. At that time, the young and inexperienced Qin Mu could not compare to her.

however, the current gu mei was a lunatic who had gone crazy over love.

Qin Mu would not be calculative with a lunatic. The one in pain was not her, but Zhou chongguang.

Qin Mu didn't say anything more and just walked out with Zhao Yan.

...

Gu Mei's heart was not at ease because Zhou chongguang was currently smoking outside. If he bumped into Qin Mu, she would be embarrassed.

however, she thought that with zhao yan around, it was unlikely that anything out of the ordinary would happen.

At this moment, Gu Mei did not want to force Zhou chongguang into a corner. As a woman, especially one who had been scheming for so long, she knew her limits.

just like how she knew how zhou chongguang would give in, how he would soften his heart and incite gu mei's understanding of him to be even deeper than qin mu's understanding of zhou chongguang. otherwise, how could she, gu mei, have married zhou chongguang?

from the beginning to the end, she was the one who loved chongguang the most.

She looked at the vegetarian dishes on the table and ate slowly.

Zhou chongguang was still thinking about Qin Mu. It didn't matter, she had a lot of time to waste.

she still had a son.

as long as shui mu was around, zhou chongguang would never divorce her, and qin mu would never accept him.

Gu Mei laughed. She laughed so hard that she was on the verge of tears.

she had gambled everything, including her son, in exchange for what she had today. how could she give up?

the parking lot outside was very cold due to the early winter weather. once qin mu walked out, zhao yan put his coat on her shoulders and said in a warm voice, " wait here for a while. i'll go get the car. "

When he arrived, there were no more parking spaces, so he parked a little far away.

zhao yan did not deny that he left her here to give zhou chongguang a chance to say a few words.

After all, they were husband and wife. There was no need to make things so ugly.

in zhao yan's heart, he more or less sympathized with zhou chongguang. a man in his current situation was really quite miserable.

Zhao Yan left. Qin Mu stood there, feeling a little cold. He tugged at Zhao Yan's coat unconsciously.

suddenly, an arm caught her and dragged her over.

Qin Mu called out in a low voice, and her lips were immediately covered.

a very faint and familiar tobacco smell, and she opened her eyes wide in the dark.

It was Zhou chongguang!

qin mu's back was against the cold wall, and his hands were on her back, afraid that she would catch a cold.

he pressed against her and trapped her. he did not do anything but look at her indifferently.

qin mu was the same. he opened his eyes wide and looked into his eyes. in their entangled gazes, there was a pain that only they knew.

Before they broke up, she might have hated him, but after they broke up, everything had faded.

She even thought about how she had not given him warmth back then. It was as if from the moment she decided to divorce him to their reconciliation, she had been the one accepting and not giving.

she wasn't an understanding wife, but she didn't regret it.

She was born like this and did not want to change her personality for anything. It was the same for people who loved deeply like Zhou chongguang.

their eyes met, and after a moment of silence, she finally said, "What is this?"

Zhou chongguang's gaze was filled with pain. He said in a low voice, "mumu, it's not easy to meet you. i just want to say a few words to you."

Chapter 2570: qin mu, i wish you happiness (3)

qin mu sighed. "zhou chongguang, why do you have to do this! "

His face was depressed, and he still looked at her.

"let me go first," qin mu said in a low voice.

"you know how to escape!" his voice was deep.

"zhou chongguang, isn't it normal for me to run away?" qin mu was instantly enraged.

she seemed to realize that she had overreacted and calmed down."don't forget that you're a married man now."

...

“We used to be husband and wife.” He said this sentence so miserably that Qin Mu couldn’t even get angry. He could only stare at him.

however, to her surprise, he really did let go of her and took two steps back. ” “you’re right, i’m not qualified. everyone in the world is qualified, but i’m not!”

Qin MU’s throat seemed to be blocked, and he felt unspeakably uncomfortable.

In the past, she had also thought that after she and Zhou chongguang divorced, she would be happy if he was unhappy. If he led a miserable life, she would be very happy. She would even open a bottle of 1982 Lafite to celebrate. But when she saw him like this, she really couldn’t be happy.

She even thought that it would be good if he and Gu Mei could live well.

In the afternoon, she had heard from Qin Chen that Gu Mei had gone crazy and had fed the child sleeping pills.

For Zhou chongguang, such a marriage was like walking on thin ice!

However, she couldn’t save all of this. She, Qin Mu, was only a victim and not a Savior.

she didn’t mention his sore spot and only smiled faintly.”I don’t have any plans for now.”

these words were a statement, not an explanation.

But to Zhou chongguang, it was a form of comfort.

he clearly wanted her to live well and hoped that she could find someone she loved, and that person loved her too.

but when he heard that she was not looking for one for the time being, he was still pleased.

This was a rare moment of happiness for him.

although she was small, she was really happy.

zhou chongguang lowered his eyes and laughed very lightly, ” “mumu, take good care of yourself.”

he couldn't say too much or go too deep into it. just as he had said before, he was no longer qualified.

qin mu hummed in agreement.

at this time, zhao yan had also driven his car over. he reached over and opened the door of the passenger seat. ” mumu, get in. ”

qin mu tilted his head and looked at zhou chongguang. after a long time, he said softly, ” “Take care!”

Zhou chongguang's eyes welled up with tears, and he said in a choked voice, ” “you too,”

His gaze fell on the men's coat on her shoulder. Now that she was wearing someone else's coat, she no longer needed to care about him, and he could no longer criticize her.

This was probably the difference between marriage and extramarital affairs!

zhou chongguang watched the car drive away silently. in the dark, there was a glimmer of light in the corner of his eyes.

He thought it was good enough to see her like this.

he placed his hand on his heart, where qin mu's scent was still there.

he stood there for a long time, so long that gu mei could not wait any longer and walked out. she asked softly, ” “Chong Guang?”

zhou chongguang looked at her from the side, pursing his lips and smiling lightly. ” let's go! i'll send you back.”

However, Gu Mei did not move. Her voice became even softer, ” “are you thinking about her?”

Zhou chongguang looked in the direction that Zhao Yan had left in. After a while, he lowered his eyes.”Maybe!”

There was a look of disappointment on Gu Mei’s face. However, she suppressed her feelings and reached out to hug his arm. “Chongguang, I’m sorry!”

he didn’t speak, because he didn’t know where to start.

There were some things that you couldn’t just say sorry for, just like how he treated Qin Mu.
