Chapter 2581: kissing my former sister-in-law (2)

During the surgery, he would be separated, and there would only be one living body under the scalpel.

He went all out.

however, there were still some problems in the operation on little shui mu.

” the blood pressure is dropping, ” eisen suddenly said. ” qin, the patient is in critical condition. ”

Her blood pressure dropped, and she looked at Qin Chen in a daze.

the same scene and the same thing happened again.

...

Qin Chen’s eyes were a little dazed, and the scene at that time appeared in his mind.

that person left yingluo just like that.

eisen saw that he did not respond and called out his name in english, Qin! qin!”

if this continued for another minute, the living body would not survive.

qin chen woke up from his daze and let out a long breath. he immediately said calmly, ” ” give me the blood. if it doesn’t work, use the starter. remember, give me half the current and half the number of times. the living body is too small! ”

Eisen’s eyes were filled with trust. No matter why Qin was distracted, in eisen’s heart, Qin was God!

Under Qin Chen's guidance, Eisen completed a series of resuscitation beautifully. His blood pressure slowly rose, and little Shui MU's heart started beating again.

Qin Chen's forehead was covered in sweat, and the female assistant wiped it off for him, but it would come back soon. Just like that, without any sleep or rest, the operation took longer than expected, a full 22 hours to finish.

The assistants changed a few times, but Eisen and Qin Chen were always there.

Even the abdominal closure was completed by Qin Chen himself, and he knew that he did it with some personal interest.

When Shuimu finished sewing and moved to the intensive care unit, Qin Chen took off his mask and walked out.

Outside, Zhou Chongguang was still waiting, his eyes burning as he looked over.

Qin Chen stood at the entrance of the laboratory and smiled at him. "The operation was very successful! The rest is up to the little fellow."

Zhou Chongguang wanted to smile back, but no matter what, he couldn't smile. His expression also changed suddenly, and he fell down. His voice was so loud that it shook the sky. Even Auntie Zhang, who was sleeping at the side, was woken up. "Mr. Zhou, what's wrong, Mr. Zhou!"

Qin Chen cursed in a low voice.

Then, he quickly fell down and reached out to help Zhou Chongguang press on his heart dozens of times. Then, he held his mouth and prepared for mouth-to-mouth resuscitation.

Facing her ex-brother-in-law, who was also her scumbag brother-in-law, she really couldn't bear to do it!

Qin Chen was looking at Auntie Zhang's teasing.

aunt zhang actually understood it and quickly waved her hands. ” “i won’t, doctor qin!”

Qin Chen’s gaze was a little unfathomable, but he still lowered his head and gave Zhou chongguang mouth-to-mouth resuscitation, NMP at the same time!

When Zhou chongguang woke up, Qin Chen was still on his lips.

At this moment, Zhou chongguang’s eyes were a little blurry, and his mind was not clear. He only knew that the person who kissed him was Mumu.

his eyes were filled with emotion. looking at that face full of longing, he couldn’t help but kiss her back!

This time, it was a big deal.

qin chen stood there, stunned, and pursed his lips. he didn’t take much advantage of her.

however, auntie zhang swallowed her saliva. it couldn’t be, right? was mr. zhou too shocked that he liked men now? and a man was a man, and he was also the brother of his ex-wife, right?

Isn’t this taste a little too heavy?

qin chen was stunned for a few seconds before he returned to his senses. he quickly gave zhou chongguang a slap.”beast!”

Zhou chongguang was a little dazed from the beating, and he was still in a daze for a long time.

Chapter 2582: kissing my former sister-in-law (3)

zhou chongguang was a little dazed from the beating, and he was still in a daze for a long time.

He only realized what he had done when he was fully awake.

he shook his head. ” who am i? what was i doing just now? ” How come I don’t remember?”

“Act again!” qin chen sneered, then gave him another slap. ” “Do you remember now?”

zhou chongguang covered his face, then looked at auntie zhang and coughed lightly. ” “that ... i seem to have forgotten all about it!”

Aunt Zhang was also afraid that he would get beaten up again, so she quickly said, ” that’s right, Dr. Qin. Mr. Zhou has completely forgotten that he kissed a man. Dr. Qin, you should also forget!

...

How embarrassing, she actually thought so in her heart!

Qin Chen snorted in satisfaction and let go of Zhou chongguang, then kicked him. your body is so broken, I’ll help you check when I have time!

zhou chongguang stood up and smiled. ” there’s no need. it’s not a big problem. i haven’t had a good rest recently. ”

qin chen turned around and looked at him.””according to the agreement, within this year, this little monkey will belong to the laboratory. zhou chongguang, you’d better survive this year, or your son will really become a little monkey in the laboratory, the kind that is specially used for experiments.”

zhou chongguang would not be frightened. he smiled faintly.”Qin Chen, you won’t.”

In fact, he was a very soft-hearted girl.(There’s nothing wrong with this. Qin Chen is a woman. He’s usually used to represent her.)

qin chen snorted and stretched.””I’m going to sleep for a while. Zhou chongguang, you guys too. I won’t be seeing Shui mu for the time being. Let’s rest first. None of you are made of steel.”

Then, he looked at Auntie Zhang with ill intentions. do you know how to perform mouth-to-mouth resuscitation now? if your Mr. Zhou falls down again, save him like you did just now.

auntie zhang was an honest person. her face was red.”What if Mr. Zhou mistook me for someone else and kissed me randomly? what if nothing happened to him? what if he saw my old face and accidentally slipped away?”

the last few words became smaller and smaller, and zhou chongguang’s face was already completely black.

Qin Chen laughed happily.

There were actually good people around Zhou chongguang!

He shook his head, took off his Surgical Gown as he walked, and went to take a shower before going to bed.

He was about to die from exhaustion.

however, she had something on her mind. even if she slept, she only slept for two hours before waking up to check on little shui mu.

eisen was also awake after a short nap. the two of them went to see little shui mu together. eisen was an assistant and also qin chen’s student. he was two years older than qin chen, but qin chen was a genius in the medical world. no one could compare to him.

eisen asked in detail so that it would be easier for him to take care of this little experimental subject in the future. the little guy was very cute. through the thermal container, eisen’s gaze was very gentle. then he looked at qin chen and realized that this child looked somewhat similar to qin chen.

Eisen took a few more glances.

Qin Chen had been observing the data of various instruments in the past two hours.

“not bad, you’re a tenacious little fellow!” he smiled.

eisen nodded.

At this time, Qin Chen had returned to his usual appearance. He was wearing a light gray sweater, Black Casual pants, and a white robe. He was handsome and had a rare clean and Noble temperament.

When he straightened his body, he realized that Eisen had been staring at him. He chuckled, "What are you looking at?"

Eisen's blue eyes were gentle. "I just wanted to remind you that you should take a good rest!"

Chapter 2583: Qin Chen's past (1)

"Aren't you the same?" Qin Chen didn't mind.

In Eisen's heart, he wanted to say, "we're different. I'm a man and you're a woman."

No matter how much you look like a man, you're still a woman. Yingluo, he didn't say anything and just stayed with him.

He had been with Qin Chen for many years.

Without Qin Chen's knowledge, he knew when Qin Chen would be happy and unhappy, when he would be in a daze because of certain things, what he disliked the most, and what he liked to eat.

He knew him so well that he even knew the brands he liked to wear.

...

He went to check, they were all Italy brands, each starting from tens of thousands to hundreds of thousands, but Qin Chen had a dressing room of almost 60 square meters, and the cabinets were full of men's clothes from this brand.

Eisen had only seen him once when Qin Chen sent him home after getting drunk.

After he saw it, he felt that Qin Chen's preference for this brand was biased.

Perhaps, it wasn't the brand that made him paranoid, but a certain person.

How did he go from a woman to a man that everyone thought he was?

His expression was often lazy and good-looking, and his posture was impeccable and almost perfect, making women appreciate and love him.

In the past, Eisen couldn't understand, but when he flipped through an expired magazine and saw the cover of the heir of Italy's leading Chinese family, he understood how Qin Chen became like this.

He was imitating a person. He was doing this to hypnotize himself that the person had not left.

He had turned himself into that.

Qin Chen was the best doctor and was recognized as a genius in the medical world. However, no one knew that Qin Chen had an illness in his heart that could not be cured.

Because that person had already reached heaven.

Eisen's Blue eyes seemed to understand him, but he didn't let Qin Chen know.

Because he didn't want to disturb him.

When a sleeping soul was awoken, it could be painful or dangerous.

After Qin Chen walked around with him, he saw Zhou chongguang guarding the door when he left.

Qin Chen stopped in his tracks. "Zhou chongguang, Shuimu is very good. Do you want to see him?"

Zhou chongguang was both surprised and surprised. Can I?"

Qin Chen laughed. of course you can!

zhou chongguang's thin lips were pursed tightly, and he was actually a little nervous.

qin chen still said something to him. " shui mu can't eat for a week. he has to go through the initial rejection period before he can try some food. he'll have to rely on nutrition shots these days. "

"You might be slimmer and not look good, but this is a necessary process," he said in a lower voice.

Furthermore, this was when things were going well. He almost could not bear to tell Zhou chongguang about bad or bad things.

"I know," Zhou chongguang nodded.

qin chen brought him in, and when zhou chongguang saw little shui mu, he almost cried.

it was just that little shui mu had really lost a lot of weight in one day of surgery. now, he really looked like a little monkey.

as a father, he choked on his sobs and couldn't say a word. his heart ached for her.

Qin Chen patted him on the shoulder. just get through this. As long as you get through this, you'll still grow chubby and white.

zhou chongguang nodded. " thank you. "

Qin Chen put his hands in his pockets and returned to his usual languidness. I won't lose anything if your son stays with me for a year. Besides, he's my first human surgery.

Chapter 2584: Qin Chen's past (2)

Although he said it so heartlessly, Zhou chongguang knew the pressure Qin Chen was under.

Shui MU's identity, Qin Chen's explanation to Qin Mu, and the success of the operation were all things Qin Chen had to bear, but he had never considered them.

Zhou chongguang looked at him and felt a little puzzled. Why would a person like Qin Chen, who was usually free and easy and had made himself look like a man, have such a soft heart?

"I'm a doctor!" Qin Chen smiled.

zhou chongguang also laughed.

"zhou chongguang, after you divorced qin mu, your iq was no longer online. it's easy to understand." Qin Chen didn't mind stabbing him.

...

zhou chongguang,"yingluo."

"go and rest. there will be professionals looking after the child. they are all professionals, and each of them is at the level of a surgical director in a big hospital. they will come to see you in twelve hours." Qin Chen's tone was indifferent.

zhou chongguang nodded and watched him leave.

as for him, how could he fall asleep? his heart ached at the thought of the thin and small shui mu, his entire body covered in bandages, and his stomach that had been hollowed out.

he didn't go to rest. he laid on the bench in front of the laboratory and took a nap with his coat over his body. he slept for more than ten hours. there were many people walking around, but none of them woke zhou chongguang up. qin chen had instructed him to do so because he was too tired!

After Zhou chongguang woke up, he looked at little Shui mu. The little guy could already open his eyes. The black and white were clear, but there was a trace of mist in his eyes, as if he was in pain. However, the little guy did not cry. He just looked at Zhou chongguang above him.

Zhou chongguang couldn't help but reach out and place his hand on the glass cover. Although he couldn't touch the water wood, it seemed that this would bring him closer.

shui mu's eyes were wide open, and he looked very much like the pixiu of the bibi people.

it was cute and funny, but his heart was full of heartache.

a week later, little shui mu was able to drink a little milk. the first time, qin chen personally fed him. he was very nervous and held little shui mu, letting him suck it in small mouthfuls.

Although Shui mu had undergone surgery and had not held a milk bottle for a long time, children had this natural instinct. Once they touched it, they instinctively sucked greedily.

Qin Chen moved away a little, not letting him be so tight.

The little guy only drank a little and choked a little. Qin Chen waited for another minute until the water was ready before letting him drink another mouthful. Just like that, the 20 milliliters of milk took him half an hour to drink, and he even heated it up twice in the middle.

The little guy finally had something to eat, so he lay down and closed his eyes in satisfaction.

Her long eyelashes drooped, and at that moment, she looked like a little angel.

Zhou chongguang watched from the side and felt that no matter how hard it was, it was all worth it.

Qin Chen also squatted by the side and said softly, "we'll have to wait for these four hours."

Zhou chongguang made a sound of agreement.

"are you nervous?" qin chen suddenly asked.

he hummed again, and qin chen laughed."Look at how happy and satisfied he is. He will be fine."

Zhou chongguang was silent for a long time before he turned his face. "Qin Chen, I realize that you're being a little too concerned about me."

qin chen didn't avoid his gaze and returned it. after a while, he said, " because you're the person Mumu once loved. She should want you to be happy.

as for shui mu, he was probably the only person zhou chongguang could console yingluo that qin chen wasn't a kind person. however, he was truly good to qin mu.

Moreover, he knew what Qin Mu wanted. What Qin Mu wanted was not hatred and Kasaya.

Chapter 2585: zhou chongguang's scandal flying all over the place (1)

zhou chongguang was momentarily speechless.

She was touched, but she also missed him.

Her longing for Qin Mu was like a needle in the dark night. It was thin, but it was clear.

because of shui mu's matter, he could not think of her often, but he did think of her. he really did think about her.

During those helpless nights, he thought of the sweet and beautiful times he had with Qin Mu. When he thought of that, his dried-up soul would be injected with a little warmth. He would feel that there was still meaning in his life.

qin chen looked at him and smiled. " "Since we've separated, take care of yourself!"

...

zhou chongguang just smiled and did not say anything.

after a while, he suddenly remembered that qin chen had never asked about gu mei, little shui mu's biological mother.

but even if he didn't ask, zhou chongguang wouldn't be so stupid as to walk right into the muzzle himself.

they chatted for a long time, and qin chen also observed little shui mu attentively.

Little Shui mu had been lying down the whole time, looking at them with his big, clear eyes.

"Look, what an adorable child!" Qin Chen smiled and reached out to touch the child's soft little face.

Little Shui mu smiled at him, showing his toothless mouth.

"He really likes you." zhou chongguang also looked at the little guy with a gentle gaze, then looked up at qin chen. " "He's probably treating you as his mother!"

These words were meant to provoke Qin Chen or to make fun of him.

How could Qin Chen not understand? he snorted softly."aren't you uncle?"

Then, she looked at Zhou chongguang and resumed her venomous tongue. "Isn't his mother Gu Mei?"

Zhou chongguang,"Yingluo."

he was wrong. he shouldn't have provoked a zoologist, a quack doctor who could save a vegetable!

although qin chen said this, he didn't take it to heart and continued to play with little shui mu's little hand.

little shui mu kept smiling, which made qin chen's mood better.

Zhou chongguang looked at him, and his gaze turned deep.

actually, qin chen and qin mu looked very similar. from the side, if qin chen had long hair, he would look 80% similar.

He was entranced by it, and Qin Chen's cold voice rang out, "Don't look at me like you're looking at a woman. I'm not Qin Mu."

as he said that, he turned his face to the side. his gaze was indifferent, but it was also sharp.

Zhou chongguang was embarrassed, and his handsome face was blushing.

qin chen chuckled,"you're embarrassed too!" It's like she's discovered a new world."

"qin chen, don't you go too far!" zhou chongguang was extremely furious.

"Now you've realized the difference between me and Qin Mu, right?" Qin Chen snorted and bent down to play with the child.

Zhou chongguang glared at him.

how could he not have noticed?

Qin Chen really was the most vicious man in the world!

after four hours of viewing, little shui mu was in good condition. qin chen carried him to do a detailed examination, then pointed to the picture on the instrument and said to zhou chongguang, " "look here, and here, yingying's stomach function has been activated. "

"Activate?" Zhou chongguang said in surprise.

qin chen nodded. " yes, the magical thing about this regeneration system is that it will start when it needs to work. when it doesn't need to work, it will rest. it's like an artificial intelligence has been installed in the human body. "

zhou chongguang felt a little nauseated just thinking about it. when little shui mu grew up, it was better not to tell him.

However, he was worried about one thing. when he grows up, will the system be able to keep up with his growth? ”

Chapter 2586: Zhou chongguang’s scandal flying all over the place (2)

“Of course you can!” “after this month, he’ll have a super stomach,” qin chen said with a smile.

zhou chongguang looked at her. ” what is the principle behind this? ”

he didn’t see the process of the operation!

qin chen looked at him for a long time before slowly saying, ” “i’m combining keyilong technology and microelectronics.”

she paused for a moment before continuing. ” the higher-ups don’t allow the experiment to be done on humans. once the experiment is discovered to be a success, the consequences will be unimaginable. you know it. ”

Zhou chongguang was a little stunned.

...

he didn’t expect that qin chen would take such a big risk.

Actually, based on their relationship, he really didn’t need to do this, but he still did it.

Zhou chongguang did not know what to say at that moment.

“I was probably in a good mood then!” Qin Chen smiled.

He said it casually, but Zhou chongguang knew that it was not the case.

after a long time, he softly said, "did mumu ask you to do this?"

qin chen didn't admit it, nor did he deny it. he let him guess.

He was so uncomfortable!

Of course, Zhou chongguang couldn't guess it, but he was definitely upset.

in the following month in new York, he had received countless calls from gu mei. he would occasionally answer them and say that he was on a business trip. he would not tell her where he was, what he was doing, or shui mu's situation.

Because she had long lost the right.

a month later, little shui mu had officially passed the rejection period. his little face was also moist and his little body had gained a lot of weight.

qin chen announced that he could leave the laboratory.

Zhou chongguang found a villa in the suburbs for auntie Zhang and picked two trustworthy people from the Zhou family to help auntie Zhang take care of the child. He then went to see Xue Lin.

A month later in B city, rumors about President Zhou from glory enterprises were everywhere.

The most shocking thing was that the person he found was none other than Xue Lin. Back then, when he was trapped in the office by his ex-wife as a third-tier star, everyone guessed that Xue Lin was CEO Zhou's true love. Otherwise, there was no need to go back to him with so many other women.

just as the rumors were flying around, gu mei was the first one to go crazy.

It was because it was starting to be difficult to get through to Zhou chongguang's phone. Occasionally, when the call got through, he could still hear the soft and charming voice of a woman.

As for who it was, she was very clear.

That was Xue Lin, a Vixen-like woman who specialized in seducing men.

gu mei started to go crazy. she kept asking where zhou chongguang was, but she could not find him.

She started to smash things in the house and replaced them with new ones. Later, when she was unhappy, she would smash another batch.

just like that, she waited until zhou chongguang returned to the country.

The news that he had returned to the country had spread throughout the entire B city. Because he had brought his mistress, Xue Lin, off the plane with him, Xue Lin snuggled up to his side, her face full of happiness.

B city's media labeled Zhou chongguang as the "cleansing of everything in the mainland"!

Gu Mei also saw it on the news. She saw a group of people with great momentum, and Xue Lin was enjoying the treatment of Mrs. Zhou.

gu mei looked on and felt that xue lin was provoking her even through the screen.

this b * tch!

Gu Mei threw the remote control in her hand onto the wall. Then, she sprawled on the sofa and started crying.

How could Zhou chongguang treat her like this?

They already had a child. He had disappeared for so long because he had gone to play with women?

What about Shuimu?

Chapter 2587: zhou chongguang's scandal flying all over the place (3)

Gu Mei's face began to show panic.

where did zhou chongguang take her son? did he cause shui mu's death? would he be able to get rid of her if he caused her son's death?

Gu Mei's body slowly slid down. She sat on the carpet in a daze.

After a long time, she laughed softly, but her laughter was a little desolate ...

Shui mu, I'm sorry!

She cried alone in the luxurious apartment from afternoon to night.

...

It wasn't until the light in the room dimmed and she was about to fall asleep on the sofa that she heard the door open.

gu mei's thin and weak body shrank. she raised her haggard face and looked at the person standing at the door.

It was Zhou chongguang. He stood at the door with his phone in his hand. She couldn't see him clearly because his back was against the light, but she could hear his voice clearly."alright, be good and sleep early. i'm going home, yingluo."

gu mei's voice immediately sounded mournful. it's that Little Vixen, Xue Lin!

She didn't know how she rushed over and snatched the phone from Zhou chongguang's hands. She shouted at the other side of the phone, " "Bitch!"

Zhou chongguang's gaze was fixed on her coldly, and he did not make a sound.

After Gu Mei was done scolding, she took a look and saw that the call had long been hung up.

her face was trembling a little abnormally. she kept looking at zhou chongguang, wanting him to give an explanation.

But there was nothing.

Without even looking at her, he snatched the phone from her hand and threw his coat on the sofa. Then, he unbuttoned his shirt and seemed to be preparing to take a shower.

Was it to wash away the traces of him being intimate with another woman?

gu mei was so angry that her entire body was trembling. she continued to stand at the door and slowly closed it. she said very softly, "aren't you going to explain your relationship with xue lin?"

"relationship?" Zhou chongguang stopped taking off his clothes and slowly turned his head to look at Gu Mei.

under the dim yellow light, gu mei's face was deathly pale, while zhou chongguang appeared to be in high spirits.

He smiled slightly. Xue Lin is an artiste that I signed on. I've been promoting her since then. It's good for her to be in a scandal with her.

"whether it's a rumor or a scandal, doesn't general manager zhou know?" gu mei sneered.

zhou chongguang laughed very lightly. "gu mei, if you put it this way, then i have to correct you. the biggest scandal in my life was probably the day you jumped off the building."

He pulled off his tie and slowly rolled it up. "do you think i still have a reputation to speak of? what happened now can only be described as a scandal."

as he spoke, he slowly walked toward her. while she was still in a daze, he pinched her sharp chin and leaned down to whisper to her lips, ” “You’re overestimating me, Mrs. Zhou.”

his posture was very flirtatious, but the words that came out of his mouth were cruel.

gu mei was so angry that her entire body was trembling. ” zhou chongguang, you weren’t like this before. ”

“oh?” He was still holding her chin and looking at her with a burning gaze.”What’s it like? tell me about it, mrs. zhou.”

“don’t call me mrs. zhou!” gu mei suddenly cried out in a shrill voice.

Because those three words came out of his mouth, and every word was sarcastic.

zhou chongguang was still pinching her chin, his good-looking thin lips pressed against hers, and he continued to mutter in a low voice, ” “it was like this in the past? hmm?”

he even kissed her lightly for a while. gu mei’s entire body was stiff.

his kiss could no longer bring her joy, but a deep humiliation.

Chapter 2588: Tearing at each other, exciting, and dog abuse (1)

she raised her head and looked at him. ” zhou chongguang, you bastard! you said you’d be good to me, you said you’d live a good life with me and the shuimu family, have you forgotten?”

“it’s meaningless!” he smiled softly. ” when i married qin mu, i also lied to the priest at the wedding. i said i would love her forever. but a few days later, i was in your bed. do you remember?
” mrs. zhou.”

gu mei’s face was pale,”you never loved her, yingluo.”

“I don’t love you now either!” zhou chongguang laughed lightly and looked at gu mei. ” “listen up. you’ll be mrs. zhou like how qin mu was in the past, okay?”

gu mei was stunned. she only regained her senses after a while. she looked at zhou chongguang in disbelief.

“The child is gone.” Zhou chongguang’s gaze suddenly turned cold. “gu mei, you should be very clear about what you’ve done!”

...

Gu Mei’s eyes were wide open. In her eyes, there was Zhou chongguang and a dead silence.

she wanted to say something, but she couldn’t say a word.

She couldn’t believe his words.

” it was gone a month ago, the night i came back! ” “gu mei, you’re the one who harmed him,” he continued coldly.

“it was your medicine that killed your son,” he spat out cruelly.

Gu Mei shook her head as her body stumbled backward. In the end, she knocked into a few things and her leg was bruised. However, she did not feel any pain.

She just looked at Zhou chongguang with her eyes wide open, her heart beating rapidly.

Zhou chongguang didn’t do anything. He just lowered his hands and looked at her.

he was quiet, and his eyes were cold.

gu mei suddenly crawled over and half-knelt in front of him. her hands hugged his leg. ”
chongguang, we can have another child. i can. let’s have another child. can we just pretend that nothing happened? ”

She was in a daze as she cried. "Give birth to another child and call him Shuimu, okay? You can call me whatever you want, but chongguang, don't divorce me!"

zhou chongguang looked down at her, his gaze so cold that it could freeze the air. he said very, very softly, "i won't divorce you, but i won't have children with you either, hanhan!"

gu mei shook her head and cried.

"because there are tons of young women out there who want to have children with me," he continued.

he reached out and pushed her away. "i'm not interested in you at all right now. you're disgusting."

gu mei fell to the ground and did not move at all. she mumbled, "but i love you, chongguang. i'm doing all this because i love you."

"You only love yourself!" zhou chongguang suddenly turned his head from the bathroom door and looked at gu mei. "i hope that you didn't go to jail for me. i hope that the only person i owe is qin mu qianqian."

If not for Gu Mei's existence, would he and Mumu be together? perhaps they would not be so in love, but they might have given birth to a child like little Shui mu.

mumu would not divorce for the sake of this child and would love this child very much.

But that ordinary life was gone.

zhou chongguang's gaze turned even colder. he only looked at gu mei before pulling open the bathroom door and entering.

gu mei half knelt there and continued to cry bitterly.

When Zhou chongguang came out, he was wearing a bathrobe and entered the master bedroom.

gu mei thought in a daze. he did not want to sleep separately from her. was this another form of punishment?

Chapter 2589: tearing each other apart, exciting, and dog abuse (2)

Gu Mei thought in a daze. He did not want to sleep separately from her. Was this another form of punishment?

sure enough, after she fell asleep, his back was facing her and he did not say a word to her.

Gu Mei lay on the pillow and cried.

“Did you treat Qin Mu like this in the past?” she asked softly after a long time.

zhou chongguang’s body froze for a moment, then he laughed coldly, ” “no, because even though i didn’t like qin mu back then, i didn’t hate her! I didn’t lay a finger on her, and I didn’t treat her badly when we were in the same room.”

Now that he thought about it, other than not loving Qin Mu, he had still treated Qin Mu like a little ancestor. It was not because of her background, but because Qin Mu was naturally pampered and spoiled. He had unconsciously done that.

...

even if he didn’t pay much attention to her, he was usually in charge of the family affairs.

he seemed to have always felt that she was suitable to be pampered and pampered, like a flower in a greenhouse.

As Zhou chongguang spoke, the corners of his lips turned slightly gentler.

gu mei, on the other hand, laughed softly.”you hate me now, right?”

“Right!” Zhou chongguang laughed coldly. if you don’t want to live such a life, you can get a divorce!

He wouldn’t stop her, but if she wanted to die, he wouldn’t stop her either.

He was already in hell, so he didn’t mind pulling her along.

“I won’t get a divorce!” Gu Mei said very softly.

after a while, she added, ” if qin mu can endure it, i can too! ”

zhou chongguang ignored her and went to sleep.

At dawn, he got up and went out for a run. When he came back, he made breakfast for himself. He ignored the nutritious and loving breakfast she made and even specially made a Western breakfast.

“i want to eat chinese food today!” after zhou chongguang finished eating, he wiped his lower lip. ” xue lin’s chinese breakfast is not bad. i ate at her house the last time. i didn’t expect her to know how to cook! ”

After he finished speaking, he smiled at Gu Mei and pinched her chin. Then, he took his coat and left.

when he opened the door, he heard gu mei’s hoarse voice from behind, ” “Zhou chongguang, are you only satisfied after I’ve gone crazy?”

Zhou chongguang laughed again, ’go crazy? Gu Mei, didn’t you already have postpartum depression a long time ago?”

she was stunned for a moment and then ran out immediately. ” chongguang, i will definitely get treated if i’m sick. please don’t leave me and don’t look for other women! ”

she hugged him and buried her face in his shoulder. he endured it for a while and finally pushed her away. his voice was filled with patience. ” gu mei, up until now, other than not getting a divorce, not

leaving me, and not letting me find another woman, have you ever cared about where your son is now and how i'm going to deal with him? Hmm?"

She was in a daze, and after a while, she said softly, "I'll give birth to another Shuimu. Let's forget about this memory together, okay?"

he stared at her with a horrified look, then in a cold voice, he said word by word, "you're really crazy!"

then, he left without any mercy.

The moment he left, Gu Mei collapsed onto the ground.

She was crying. She could not tell if it was for herself, Zhou chongguang, or perhaps for her son.

chong guang did not believe in her love, but she knew that she had been madly in love with him since she was 20 years old.

He was her sunshine, her everything. She had been in prison for four years for him, and he had no idea how she had survived those four years.

in his heart, there would always be only one qin mu. it would always be how he had let qin mu down!

gu mei sat on the ground and looked at her surroundings. her expression was one of sorrow.

Was it going to end like this?

was she going to admit defeat just like that?

No, she wouldn't. She was Mrs. Zhou. If Qin Mu could do it, she could do it too.

gu mei reached out to wipe the tears from her eyes. she stood up, washed herself clean, and ate her breakfast.

then, she sat in front of the dressing table and carefully described herself.

...

She cried as she put on her makeup. After she was done, her makeup was washed away by her tears. She looked terrible, especially her eyes, which were swollen like a Panda.

She pursed her lips and looked at herself in the mirror. She said softly, "even chongguang wouldn't like this!"

she began to remove her makeup mechanically, very, very slowly, cleaning her face bit by bit.

she was still pale and unlikable by men, but she would make people pity her.

Gu Mei muttered,"a woman who has lost her child should be like this." she shouldn't have put on heavy makeup."

She laughed and then started crying again. She leaned her frail shoulders on the dressing table and trembled violently. After a long time, Gu Mei let out a shrill cry.

"shui mu, qianqian, shui mu, mother has let you down! where are you?" Gu Mei's eyes were immersed in the glistening water. Her entire body was trembling and crying as if she was about to die at any moment.

however, no matter how much she cried, shui mu would not come back.

was she the one who killed her son?

No, no, she didn't do it. She didn't do it on purpose. She just wanted him to stop crying. She only wanted him to cry sometimes. She wanted chongguang to miss the child.

shui mu, i didn't do it on purpose. i didn't want you to die.

Gu Mei's thin and weak fingers stroked her lower abdomen. Her voice trembled."Shuimu, if I get pregnant again, you'll come again, won't you? this time, mommy will treat you well and will not feed you medicine anymore. shuimu, be good and remember to come back. mommy will wait for you, okay?"

gu mei's voice was a little dazed, and her entire person was.

she kept talking and calling the child's name, yingluo.

Just like that, he spent the entire morning in a daze.

In the afternoon, she took a bath, changed her clothes, and drove to Rongguang.

She did not tell anyone, nor did she call Zhou chongguang.

At the front desk on the first floor of glory, Gu Mei was stopped by the receptionist.

"General manager Zhou is in a meeting," the receptionist said awkwardly.

"You should know who I am, right?" Gu Mei sneered.

"Hello, Secretary Gu," the receptionist said with a smile.

"i'm mrs. zhou now!" Gu Mei said arrogantly. Then, she pushed the front desk Secretary aside and walked toward the elevator.

However, she was stopped by Zhao Ziyi,"Gu Mei, if you're smart, don't go up."

gu mei turned around and looked at zhao ziyi. he seemed to have just returned from outside.

Gu Mei, " Zhao Ziyi said softly, " Lin Xue is up there. You should know what this means.

gu mei's face turned pale. her lips trembled as she glared at him."xue lin is up there, and you're telling me not to go? Zhao Ziyi, Zhou chongguang is my husband!"

"but he doesn't treat you as his wife anymore!" "If you go up there, you'll only be asking for humiliation," Zhao Ziyi said cruelly.

"i am the legitimate mrs. zhou. i have the right to chase away these wild women!" gu mei said coldly.

back then, didn't qin mu also chase lin xue away like this? today, she, gu mei, had the same right.
