Chapter 2591: tearing at each other, exciting, and dog abuse (4)

Zhao Ziyi seemed to understand what she was thinking and smiled faintly, "You're different from Qin Mu back then."

At that time, Chong Guang really didn't want to get a divorce. Therefore, between Lin Xue and Qin Mu, Chong Guang gave up on a woman like Lin Xue. Now, Lin Xue was just Chong Guang's chess piece. How could he do anything for Gu Mei?

gu mei's lips were still trembling. after a long time, she finally managed to squeeze out a sentence, "I don't believe it!"

as she walked towards the elevator, zhao ziyi looked at her and gave a faint smile. "He really won't give up until he has reached the south wall!"

He sighed and didn't say anything else. He got into another elevator.

In a while, there would probably be a good show to watch. It would all depend on Xue Lin's combat power!

...

gu mei took zhou chongguang's private elevator and reached the top floor very quickly.

Just as they got out of the elevator, Zhou chongguang's Secretary stopped them. Mrs. Zhou, President Zhou said he's not free to see you. Please go back!

He was polite and courteous.

gu mei pursed her lips tightly and pushed the secretary away forcefully. "get lost. it's none of your business between chief zhou and me."

The Secretary took a few steps back but quickly stepped forward and stopped Gu Mei. “Mrs. Zhou, really, please don’t make things difficult for us. President Zhou will be angry if you go in like this!”

Gu Mei gritted her teeth and gave the little Secretary a tight slap. The slap left a few red marks on the little Secretary’s fair face.

At that moment, Zhao Ziyi came over and supported the little Secretary. He then angrily rebuked Gu Mei, ” “why did you hit me?”

“Even if I hit her, I can still get Chongguang to fire her!” Gu Mei said coldly.

Just as Zhao Ziyi was about to explode, the door to the president’s office opened.

Coming out from inside was Zhou Chongguang and his new love and old love, Lin Xue.

Zhou Chongguang pursed his lips and leaned against the wall without saying a word. He only had a shirt and trousers on him. The top three buttons of the shirt were unbuttoned, and there were obvious traces of ambiguity on it.

His face was handsome, but his face was filled with a kind of laziness after a close affair.

On the other hand, Xue Lin was even more intimate. On such a cold day, her fiery red spaghetti strap top was covered in bruises. Especially on her neck, there was a huge hickey. Gu Mei’s eyes were burning with anger.

As a woman, her self-esteem had been trampled on the ground, and she had no dignity to speak of.

Lin Xue’s slender white arm hung on Zhou Chongguang’s body, and she said in a soft voice, ” Chongguang, I really like your little Secretary. Every time I come, she would prepare delicious desserts. Most importantly, she prepared a t-shirt. I feel very comfortable with it. Also, sometimes when you are too rough, she would buy me some medicine. It’s really effective, I can apply it once and I’ll be fine!

Xue Lin’s coquettish look made Gu Mei want to tear her apart. Also, the words that Xue Lin said made Gu Mei feel so humiliated that she could die.

” xue lin, do you have any shame? i recorded what you said just now. do you still want your future as a star? ” gu mei’s voice was cold as she held her phone.

lin xue glanced at her, then blew a breath of fragrance at zhou chongguang like a little vixen, ”
“chongguang, i’m so scared!”

zhou chongguang laughed. he didn’t say anything.

lin xue laughed softly again. ” i have a backer like ceo zhou. what future do i still need, mrs. zhou? i dare to say that after you release this recording, ceo zhou will be angry. every day, every night, he will be by my side and on me, comforting me. actually, mrs. zhou, i beg you, release it quickly. if you release it, chongguang will accompany me more, hanhan. ”

Chapter 2592: tearing at each other, exciting, and dog abuse (5)

although xue lin was smiling, it was a cold smile.

In the past, she had suffered too much from Gu Mei. Today, she had finally gotten back at her.

in the past, gu mei had always thought that she was an elite and looked down on actors like her who sold their bodies. however, today, she was going to tear that calm and elite look of hers apart. let’s see if she could still be arrogant in the future.

As for Gu Mei, she was so angry at Xue Lin that she was about to vomit blood. Could there be such a shameless woman in this world?

if there was, it would be gu mei herself. it was just that she did not know about it.

gu mei slowly walked in front of xue lin.

...

lin xue was still hanging onto zhou chongguang's body as she smiled at gu mei. her expression was very provocative.

"Mrs. Zhou, you look like you're going to hit me!" xue lin chuckled.

"That's right, I want to hit you!" Gu Mei said coldly.

She didn't remember if Qin Mu had hit Xue Lin back then, but she was going to hit this shameless mistress now.

gu mei raised her hand and slapped xue lin.

lin xue did not even try to dodge, but gu mei's hand was intercepted by zhou chongguang.

Zhou chongguang's voice was very gloomy,"get lost"

gu mei was stunned. he said to get lost?

was he asking her to get lost or was he asking xue lin to get lost?

Just as she was in a daze, Xue Lin gave her a slap. It was a crisp slap.

after she was done, xue lin waved her hand and looked at the secretary, " " i've called back for you. next time, remember to buy a large one for chongguang. he's a little uncomfortable with a medium one! "

The Secretary secretly waved her hand and did not dare to respond loudly.

However, he felt quite good in his heart! The slap on her face did not hurt as much anymore.

zhao ziyi, who was supporting her, didn't know whether to laugh or cry ...

Xue Lin's acting skills in this life would be in this fight!

Chongguang should really support her. From the looks of it, Xue Lin not only knew how to sleep with people, but she also had the potential to be a movie queen.

at this moment, gu mei was a little dizzy from the beating. she held her face and looked at zhou chongguang in disbelief.

her eyes were filled with tears,”chongguang, is this how you treat me?” for the sake of a woman outside, i let her attack me!”

“i didn’t do it on purpose, it was self-defense!” xue lin played with her delicate fingernails and smiled, ” “Chongguang, you won’t blame me, right?”

Zhou chongguang’s eyes were looking at Gu Mei, but his words were directed at Xue Lin. He spoke very slowly and said word by word, ” “of course i won’t!”

Lin Xue laughed and showed a victorious expression to Gu Mei. Mrs. Zhou, I’m really sorry. I really didn’t mean to snatch your husband away. It’s chongguang who can’t leave me. He said that I’m very good at serving him, making him very comfortable and making him very happy.

she looked at gu mei with a face full of regret. ” mrs. zhou, do you want to eat more? if a man were to hug you like this, he would hurt your bones. ”

Gu Mei was so angry that her entire body was shaking. She wanted to slap Xue Lin with all her might. At the very least, she wanted to tear off that hateful mouth of hers.

But Zhou chongguang grabbed her hand and pushed her to the side, saying in a deep voice, ” “go back, don’t embarrass yourself here!”

Gu Mei broke down. Zhou chongguang, you’re the one playing with women. How am I the one who’s embarrassed? ” aren’t you afraid of the scandal?”

” i’ve said it before. what scandal can i have? isn’t it normal for me to have an affair with a wife like you? ” He sneered and then looked at Xue Lin, ” “Are you scared?”

his voice could not be considered gentle, but it was still gentle. it was completely different from how he spoke to gu mei.

Chapter 2593: Tearing at each other, exciting, and dog abuse (6)

Xue Lin immediately laid in his arms and said in a lovely voice, ” “chongguang, i’m so scared of yingluo. i’m really scared to be with you. someone might hurt me at any time! chongguang, what should we do?”

zhou chongguang hugged her and said very softly, ” “be good, i’ll accompany you tonight!”

a beautiful smile appeared on xue lin’s face, ” “so you’re not going home?”

yes, I’m accompanying you. Are you unhappy? ” he reached out and pinched her small face.

xue lin kissed him on the cheek and then looked at gu mei, ” “actually, i’m sincerely convinced that i lost to qin mu. but even you, ran ran, are you worthy? is there any difference between you and us actors?”

“Chongguang, will you blame me for offending your wife?”

...

“How could this be? you’re my baby now!” zhou chongguang pressed lin xue against the door and leaned over to kiss her.

Xue Lin wrapped her arms around his neck and snorted in satisfaction, ” “Chongguang, go inside and take a walk.”

He lifted his head slightly to look at her, then reached out to carry her and kicked the office door open.

gu mei continued to stare blankly. she could not believe that he had entered just like that.

she wanted to rush in, but the door was shaking rhythmically.

Even a fool would know what the people inside were doing!

Gu Mei's heart had ached earlier, but now she knew what the deepest humiliation was.

He had made love with Xue Lin in front of her!

Gu Mei was on the verge of going crazy. She wanted to step forward, but Zhao Ziyi stopped her. Gu Mei, you still don't understand, do you? Chong Guang doesn't feel any guilt towards you anymore!

Not even a little bit of guilt?

Gu Mei was still in a daze as she muttered to herself, " "Why? why did he do this to me?"

zhao ziyi's voice was pained,"you're the one who forced him into this state!" He doesn't love you. Yes, he wants you to give birth to the child, but you can choose not to give birth to the child."

gu mei looked at him. " but shui mu is my child. how can he be raised by qin mu? "

Zhao Ziyi was speechless. He sneered,"the one who killed your child wasn't qin mu, was it?"

gu mei's face was incomparably pale. she looked at zhao ziyi and took a step back."You also think it's my fault, don't you?"

"what do you think?" zhao ziyi laughed lightly. " gu mei, do you think chong guang will still love you? you can't go back to how you were before, even if you're friends, you can't be friends anymore. chongguang has always cared about you, and you're the one who got to where you are today. don't blame anyone else!"

"I don't believe it!" Gu Mei raised her chin.

" if you don't believe me, the door is the best proof. for a man to ignore a woman to this extent, there's no need to say anything more, right? "

Gu Mei pursed her lips. She was unwilling to look at the door again. That was the greatest humiliation in her life.

Zhao Ziyi did not say anything else. He had already said what he wanted to say. The rest would be up to Gu Mei to decide.

He supported the little Secretary and said in a gentle voice, "I'll help you apply the medicine on your face."

The Secretary was a little flattered. how could I trouble President Zhao!

"it's okay, you still have to cherish a girl! they're all made of flesh and blood." as he spoke, he intentionally or unintentionally glanced at gu mei.

gu mei was no longer the same as before. in the past, gu mei still had a bit of kindness. however, her personality was completely twisted now!

only gu mei was left at the scene.

and inside the door, lin xue was holding the door by herself. after a while, she asked zhou chongguang, who was smoking at the side, "Director Zhou, are you done? I'm out of strength!"

Even if she was acting, it wouldn't be this tiring. This door was so heavy. If she pushed it, it would shake and take her life!

Chapter 2594: You're the one who's taken a fancy to her (part one)

lin xue supported herself and shook her head until she was covered in sweat. she could not help but stop and said to zhou chongguang, ""general manager zhou, even if we really do it, we still need to take a break in between, right?"

Rest?

zhou chongguang leaned against the wall and looked at xue lin indifferently, his expression a little unpredictable.

He was smoking calmly, his handsome face indescribably charming.

xue lin shook her head and stopped shaking. her voice was soft, ”Chong Guang ~”

“When there’s no one around, call me general manager Zhou.” zhou chongguang said very indifferently. after that, he did not bother with gu mei anymore. he continued to smoke his own cigarette and thought about his past with qin mu.

...

just now, xue lin said that even if he really did it, he needed to rest. actually, that was not right ...

Back when he was the most infatuated with Qin MU’s body, there was one time where he almost didn’t rest for half an hour. At that time, Qin Mu would always cry and scream in pain, saying that it was too long.

Actually, it wasn’t too long. He knew that he had asked for too much.

zhou chongguang was in the midst of the smoke, calmly thinking about the past.

Right now, he no longer had any sex life. It was impossible for him to be with Gu Mei. He was even less interested in a woman like Lin Xue. If he didn’t rely on Qin MU’s photo to settle things himself, he would almost suspect that he was impotent.

when zhou chongguang thought of this, he smiled slightly. his smile was a little warm, because he thought of a certain someone.

at this time, xue lin saw that his expression had improved a little and wanted to slack off again, ” I really can’t move anymore. Besides, Gu Mei should have left long ago!

“She’s gone, so you shouldn’t hang around anymore?” zhou chongguang looked at her. ” is my money that easy to take? ”

xue lin pouted and continued to shake her head.

now that she thought about it, she was quite regretful. if she had properly polished her acting skills back then and did not think about the unspoken rules, she would also be a good actress. she would not have to work so hard to make him sleep with her, and no one would want her. she would be shaking him here and there until her mouth was dry!

Zhou chongguang looked at Lin Xue's expression and could not help but laugh, " "alright, that's enough!"

Xue Lin finally heaved a sigh of relief, but then she felt a little indignant, " CEO Zhou, really, you spent so much money. Are you sure you don't need me to accompany you? "

She gathered her courage and approached him, exhaling, " "What?"

zhou chongguang looked at her and laughed lightly, " "yes, i don't need to accompany you."

Lin Xue was a little bored, " director Zhou is so generous!

Then, she reached out and tidied her hair. I'll take my leave first, but I'll come whenever you want me, director Zhou.

After she finished speaking, she even threw a flirtatious look at Zhou chongguang.

zhou chongguang almost choked on his cigarette, and the corners of his eyes twitched slightly.

He looked at Xue Lin and slowly took another puff of his cigarette. "I don't need it. It should be that I never need it!"

Oh, you've recovered, " Xue Lin said with a fake smile. but why do I see that you're not satisfied with what you've asked for? "

zhou chongguang's face darkened.

xue lin was still smiling. ” i believe that director zhou won’t do anything to me now. director zhou still wants to use me to act! ”

“yes! I won’t do anything to you, but I don’t know if Mrs. Zhou will do anything to you!” Zhou chongguang lit another cigarette, lowered his head to take a puff, and said lightly.

xue lin’s expression changed.

&Nbsp; Zhou chongguang laughed again. but if you’re obedient, I’ll still get someone to protect you.

“Thank you, director Zhou!” Xue Lin didn’t dare to be rash. She tidied her clothes and left.

After she left, Zhou chongguang stood alone in the office and looked around.

Chapter 2595: you’re the one who has taken a fancy to her (part two)

At this moment, he really wanted time to return to the day when Qin Mu caught them in the act of adultery.

In that case, he would cherish Qin Mu and love her well. He would not let her be sad and cry again.

No matter how much he blamed himself, even if he lost everything, he would still keep her.

he thought that if gu mei had said that she had taken sleeping pills that day and he had not left, would qin mu have not left him?

Did he have the courage and determination to choose to be with Qin Mu after that?

zhou chongguang laughed softly, but it was a bitter laugh.

...

it was useless to think too much. he had finally lost her completely.

it had been a long time since he had returned to that villa, and he really wanted to go and take a look.

he had just taken his coat and was about to go out when zhao ziyi knocked on the door and came in. seeing zhou chongguang's appearance, he smiled. " "You want to go out?"

"Yes," Zhou chongguang replied.

zhao ziyi leaned against the door and smiled, " "gu mei has lost a lot of weight, but her grip is quite strong. your little secretary's face is still swollen!"

zhou chongguang looked at him. " you've taken a fancy to her? "

Zhao Ziyi laughed,"how can it be so easy to like a girl!" &Nbsp;

When he said that, Zhou chongguang could not help but recall the things that Zhao Ziyi had confessed to him. Ziyi had said that he liked Qin Mu and his wife!

however, she was now his ex-wife!

Zhou chongguang paused for a moment, then said indifferently, " " ziyi, if you really like her, hanhan, then go after her! "

as he spoke, he slowly walked over and patted zhao ziyi's shoulder. " if she's with you, i'll be at ease. "

at least, ziyi really liked qin mu and knew about her past. he even knew that qin mu couldn't have children. a zhao ziyi like this should be able to give qin mu happiness!

zhao ziyi was truly shocked. he shook his head and looked at zhou chongguang. I said no. Chongguang, are you serious? "

“when did you become so generous?” he forced a smile.

Zhou chongguang’s thin lips were tightly pursed. He looked down at the cigarette in his hand and laughed bitterly.”She’ll have to remarry eventually!”

And that person could be anyone else, and not Zhou chongguang.

it wasn’t that qin mu had given up, but that zhou chongguang had already realized that his messy past couldn’t give qin mu happiness. it was better to let go!

Hearing him say this, Zhao Ziyi also felt a little sad in her heart. She sighed slightly, ” “i don’t know how to chongguang!”

zhou chongguang looked at him.

” qin mu won’t be with me. she hates me from the bottom of her heart! ” zhao ziyi smiled bitterly. ” also, i went on a blind date! ”

he paused. ” we’ve already had a few meals. if there aren’t any major changes, they should be getting married! ”

as zhao ziyi spoke, he also took out a cigarette and lit it. as he smoked, he squinted his eyes. ” chongguang, i’ve seen your qin mu. i suddenly realized that it’s better not to have love in marriage. as long as you don’t hate each other, as long as you look okay, you can gnaw on each other in bed, be loyal to each other, and have children together. the days will pass day by day, and the rest of your life will be like this! ”

zhou chongguang’s heart was as cold as water when he heard that.

Didn’t he treat Qin Mu like this in the past?

however, what he failed to do was to be loyal to the other party!

so, today was her retribution!

However, he would rather suffer twice as much than let Qin Mu suffer even a little.

He did not dare to disturb her anymore, afraid that Gu Mei would harass her.

Zhao Ziyi looked at Zhou chongguang's expression and laughed again, "Chongguang, if Gu Mei is willing to get a divorce, then find a woman to marry!"

Chapter 2596: You're the one who has taken a fancy to her (part three)

He looked outside and chuckled. "that little secretary is not bad!"

zhou chongguang smoked his cigarette and laughed. "it's obvious. you're the one who has taken a fancy to her! " although she was zhou chongguang's secretary, he only knew her name and her face. he really didn't notice anything else!

zhao ziyi's smile was somewhat profound, but he actually didn't explain.

after the two men finished smoking two cigarettes, zhou chongguang left first, and zhao ziyi followed.

zhou chongguang drove straight back to the villa. it had been a long time since he came back. when the car reached the entrance, the guard was a little surprised."Chief Zhou?"

"Open the door!" after zhou chongguang finished speaking, he rolled up the car window slowly.

...

The black carved gate slowly rose in front of him, and the guard didn't have time to tell him that the former Mrs. Zhou was inside.

Zhou chongguang had not slept well for the past few days. He rubbed his neck the moment he got out of the car and was prepared to go upstairs to sleep.

the place had been cleaned up. everything was in place and it was clean.

However, when he walked up the stairs, there was a familiar light perfume smell in the air.

it was the perfume qin mu was used to.

zhou chongguang's heart started to beat intensely. his hand held onto the stairs, and he stopped where he was for a minute.

in his mind, there were too many imaginations, wild ones, warm ones, all kinds of them!

He suppressed all of his wild imagination and walked up the stairs very slowly.

with every step he took, he could feel the faint scent of the perfume entering his nose, awakening the deep desire he had buried for a long time.

He felt that this was very shameful, but he could not control it.

Qin MU's existence was like a strong dose of village medicine.

finally, he stood at the door of the master bedroom. the door was open, and the person he wanted to see was lying on the carpet in a daze.

she was wearing a thin sweater and a skirt, as well as a pair of flesh-colored silk pants. she was barefooted and had taken off her high heels.

she lay on her stomach, as if she was looking for something under the bed. as she looked, she muttered to herself, "How can there not be any?"

Zhou chongguang walked over slowly, his voice soft and light. "What are you looking for?"

Qin Mu jumped in shock, and his body froze. Zhou chongguang? "

she wanted to turn around, but he had already hugged her from behind. he hugged her quite tightly.
” why are you here? ”

qin mu bit his lip and only spoke in a low voice after a long time. ” “I’m here to find something, let me go!”

“You’re using perfume?” he buried his face in her neck and said,”mumu, why are you willing to come here?” Did you come here because you knew I wasn’t here?”

he kissed the back of her neck as if he was in a dream.

as for qin mu, he bit his lip and said in a soft voice, ” “Zhou chongguang, don’t you go too far.”

“Too much?” “What I want to do is actually much worse than this!” He laughed bitterly.

His voice was extremely suppressed, hoarse, and filled with Jade-like desire.

Qin Mu bit his lip. He simply didn’t know what to do. She struggled a little, but in return, he hugged her even more.

“Don’t move Mumu, or I won’t be able to hold back!” He spoke in a low and hoarse voice and then bit her.

it wasn’t very light. it was more like he was venting, but more like he was enduring.

qin mu didn’t move and waited for him to calm down.

She had not seen Zhou chongguang for a long time. The only news she knew was his gossip. About half a month ago, he started to rekindle his love for Xue Lin. If it was in the past, she would definitely be angry, but now, it didn’t matter anymore.

Chapter 2597: zhou chongguang, what are you doing?(1)

But why was Zhou chongguang hugging her now?

Did he not hug Xue Lin enough? And his countless harem.

When he thought of this, Qin Mu stepped on his foot angrily and bit his lip. Zhou chongguang, you bastard!

He was in pain and couldn't help but let go of her. Qin Mu immediately ran outside, not caring that he was still barefooted.

zhou chongguang laughed behind her. "Mumu, you don't want your shoes anymore?"

She stopped and stood at the door of the bedroom. "Zhou chongguang, throw it over!"

...

he picked up her shoes and stood there, looking at her with a smile. "You come and get it, or I'll go over. Choose one, or I'll throw it out."

Qin Mu glared at him.

he smiled and slowly walked over.

qin mu didn't move.

zhou chongguang lowered his head and looked into her eyes. his voice was very, very soft. "i'll help you put it on."

She bit her lip. I'll do it myself!

however, he had already squatted down, held one of her feet, and helped her put on her shoes.

As she held the other one, her body trembled and she couldn't help but call out, "zhou chongguang?"

he hummed in acknowledgment and held her foot for a long time without moving.

it was as if she would not leave until he put on her shoes properly.

“how have you been recently?” qin mu’s voice was soft.

After asking, she was probably a little annoyed and mumbled to herself, ” “how can you not be well!”

Zhou chongguang laughed lightly.

qin mu kicked him on the shoulder with his foot that was not wearing shoes. ” “Why should I be angry? the one who should be angry is the current Mrs. Zhou!”

zhou chongguang grabbed her feet and stabilized her body. then, he helped her put on her shoes.

qin mu wanted to land on the ground, but he had already hugged her. then, she fell onto the soft bed.

then, his lean body covered her.

qin mu was stunned. he looked at zhou chongguang above and pursed his lips.”Zhou chongguang, What is this?”

“Didn’t you want to find something?” he buried his face in her neck. ” you’re leaving without finding her, huh? ”

Qin Mu lay on his back on the soft bed. His brown curly hair was like soft clouds wrapped around the pillow. It was extremely beautiful.

she turned her face away. ” i don’t want to look for it anymore! ”

he propped up his body slightly and interlocked his fingers with hers. qin mu turned his head and glared at him.”zhou chongguang!”

“You were the one who sent it over!” his gaze was filled with the aggression of a man towards a woman.

qin mu was extremely embarrassed. ” don’t forget that you’re married to gu mei now. even if you didn’t get together with her, we’d have divorced. zhou chongguang, are you going to do such a tasteless thing like forcing a woman? ”

“I just want to force you!” His dark eyes were deep.

After he finished speaking, he kissed her lips heavily.

qin mu didn’t expect him to be so shameless. his eyes were wide open, and his body was also struggling non-stop. his voice was soft and broken.”Bastard, let me go!”

No matter how much she struggled, he still kissed her for a long time with determination. When he finally withdrew from her lips, Qin Mu felt that his lips had gone numb. She could not tell whether he was kissing or biting her.

“Can we do it now?” she could only glare at him.

“What do you think?” He hinted at her and acted on it.

qin mu could naturally feel the changes in his body. he turned his small face to the side uncomfortably.”you can find someone else!”

zhou chongguang looked at her side profile, and his gaze was a little greedy.

Perhaps this was the only way he could look at her in the open.

Chapter 2598: Zhou chongguang, what are you doing?(2)

he looked at her like that. he thought, if he was despicable enough to tell her that he had never had sex with any woman, that gu mei had never done it, that xue lin was just a smokescreen, that he had

resolved himself by looking at her photos, would she be soft-hearted and half-reject him just this once?

However, even if his Mumu was willing, he was not willing to let her suffer.

zhou chongguang laughed lightly, but his laugh was a little bitter.”what are you thinking? i was just joking with you!”

he put his hands on the sides of the pillow to support his body, but he didn’t leave.

Because he wanted to look at her for a while longer, Yingluo.

Qin Mu couldn’t stand this. A man and a woman were divorced. It was fine for them to lie on the same bed, but what was with this posture? furthermore, he would have his eyes on her again at any time.

...

I don’t want to look for anything. Let me go. I want to go to the gallery. she tried to sound as calm as possible.

zhou chongguang didn’t move and continued to lock her little face, his voice low and slow. ”
“Mumu, accompany me to sleep!”

What he meant was to sleep with him for a while. She just had to lie down and didn’t need to do anything.

However, she obviously misunderstood him and kicked him.

It hit Zhou chongguang’s vital spot.

almost immediately, zhou chongguang’s face turned pale, and beads of sweat the size of beans rolled down his forehead. however, he still did not let her go and maintained his original appearance.

Qin Mu was also scared out of his wits. She looked at Zhou chongguang and swallowed her saliva.”zhou chongguang, are you alright?”

“what do you think?” He gritted his teeth.

Qin MU’s lips trembled slightly. Finally, he reached out his hand to help him check.

Zhou chongguang was both happy and in pain.

He turned over and lay flat, allowing her to examine him.

but after a while, qin mu shrieked, ” shameless! ”

however, it was too late. she fell into his arms and her body was pressed against his.

his thin lips were hot and pressed against her neck, and the breath he exhaled made her tremble.

“What do you want to do?” She closed her eyes, looking a little fragile.

She also wanted to kick him again, and it would be best if he was crippled.

Zhou chongguang was still leaning on her neck, his voice low and hoarse. “Help me settle it, huh?”

qin mu could hardly believe his ears. ” zhou chongguang? ”

“Do you want to do it yourself, or do you want me to force you? you decide!” His voice was a little suppressed.

he didn’t plan to do anything at first, but he felt sorry for himself if he didn’t do anything when she wanted to check on yingluo.

after all, she didn’t have a boyfriend now, and he actually didn’t have any other woman.

From a certain perspective, they were both single. Of course, general manager Zhou automatically excluded Gu ze from her world. He felt that the kiss was probably just an accident. After that, she and Gu Mei did not seem to have any contact.

After he finished talking for a long time, Qin Mu was still in a daze ...

Then, her small hand was held by him, forcing her to do shameless things.

In the past, when they were husband and wife, she rarely served him like this. Not to mention now that they were divorced, he still had a large harem!

Qin Mu was naturally unwilling, but he had to force it, so it was simply a disaster.

There was no enjoyment, only pain.

he gritted his teeth. 'qin mu, do you know how to?'

Qin Mu was about to go crazy, Yingluo.

Of course, in the end, it ended hastily.

There was a subtle feeling in the air ...

when did he become so fast?

Chapter 2599: Zhou chongguang, what are you doing?(3)

Qin Mu was also stunned as he looked at him.

The atmosphere was rather subtle, and it was also very embarrassing for Zhou chongguang.

After a long time, Qin Mu smiled. maybe general manager Zhou is too embarrassed. I can understand!

His face darkened. He really wanted to drag her under his body and have her over and over again to let her know if he was feeling weak or not.

but in the end, he still lay down and said very softly, ” “i’m sorry, i’m probably a little excited today.”

Qin Mu glared at him. He also wished that he could use his high heels to step on his face.

...

just like that, they looked at each other. zhou chongguang suddenly stretched out his hand to block his face. ” mumu, how i wish that what happened before was just a dream. when i wake up, we’re still in this house, still husband and wife! ”

“I didn’t make you cry again, I didn’t make you sad again,” he murmured.

Qin Mu looked at him and didn’t say anything.

he removed his arm and looked at her quietly.”Qin Mu, you don’t hate me anymore, do you?”

she hummed in agreement.

his face instantly turned pale.

did not hate him mean that she did not love him anymore?

in the past, qin mu wasn’t like this. she was so proud. after the divorce, she was afraid that she would feel disgusted even if she touched his hand. today, he even forced her to do this, but she didn’t see how angry he was.

he probably acted like this because he didn’t care.

His heart was as cold as water, and he did not say anything for a long time.

qin mu sat by the bed and put on his shoes. he wanted to get up, but he was hugged from behind again.

“mumu, accompany me for a while!” “just take it that i’m lonely, alright?” he muttered.

her body froze for a moment, but he quickly said, ” “I know what you’re looking for. A wedding ring, right?”

“Lie with me for a while, and I’ll return it to you!” He buried his head in her neck.

“I’m not looking for that!” Qin MU’s voice stiffened.

“you’re lying!” He bit her behind her ear. I hid it, afraid that you would throw it away! i’ll give it to you. you can throw it away if you want. i won’t care about it anymore, okay?”

“do you think i’ll agree?” qin mu closed his eyes.

“yes, because you have a little obsessive-compulsive disorder!” There was a hint of a smile in his voice.

qin mu was so angry that he hit him with his small hand, but he caught it. he fell onto the bed with him.

He hugged her from behind. He wrapped his arms around her and hugged her whole. Then, Qin Mu felt something cold on his fingertips. It was slid into her ring finger.

“Aren’t you a pervert!” She couldn’t help but say,”Zhou chongguang, we said we would part on good terms!” &Nbsp;

yes, but I remember that I was the one who bought this wedding ring. Why did you look for it? ” he asked her in return.

Qin Mu was furious. I bought yours, so give it back to me!

as soon as she finished speaking, he turned her around and pulled out the chain on her neck. on it was a pure white gold wedding ring.

“Mumu, do you want to take it away?” “i can only sleep at night with this on,” he said softly.

Qin Mu cursed in his heart. Who was the one who told her that Zhou chongguang was not coming here anymore? she only wanted to find the thing and bury it to fulfill her wish.

Now, he looked like he was going to let her go, but that wasn't the case at all. He kept pushing it.

She had hugged him, kissed him, and even served him. What else did he want?

when qin mu asked, he laughed. ” what else do i want? what else can i do, mumu? ”

Chapter 2600: Zhou chongguang, what are you doing?(4)

she did not say anything. zhou chongguang laughed and continued to hug her. “you also can't bear to part with me, right?”

He thought that Qin Mu wouldn't answer him, but she did. She was very determined.”Zhou chongguang, yes, I can't bear to, but sometimes, it's better to miss than to see each other.”

she gently pushed him away. ” i've overstepped my boundaries today. i won't come back again. ”

perhaps it was because it was too sudden, or perhaps her heart was too soft, so she actually retreated step by step to such a state. however, she didn't plan to retreat anymore, because she wouldn't be qin mu if she did.

qin mu wasn't a mistress, and he didn't want to be one of the women in his harem.

She moved back a little and took the ring off her finger under his slightly pained gaze. I was wrong!

...

their last obsession would only make them unable to let go of each other, and this was shameful and immoral.

she lowered her eyes. ” as for yours, if you’re willing to wear it, i have no right to say anything. zhou chongguang, we’ve said it before. we’ll part on good terms. there’s really no point in this! ”

“i know!” he let out a deep breath and let go of her.

Then there was silence, an embarrassing silence.

after a long time, he said softly,”qin mu, just treat it as a dream!” don’t take it too seriously.”

however, he took it for real. at that time, he was very intoxicated. he felt that they had returned to the past, so he kissed her and forced her to do that kind of thing for him.

qin mu looked at him and smiled slightly. then, he got out of bed.

She tidied herself up and turned her back to him. “Zhou chongguang, I’m leaving!”

There was no sound behind her. She walked towards the door, and with every step, her heart ached.

after all, she had once loved him, and she had given her true heart to him. when the husband that she had promised her a lifetime left, she would still be in pain.

When she reached the door, he hugged her from behind.

Just as she was about to speak, Zhou chongguang’s voice rang in her ears, ” “I beg you, Mumu, don’t say anything. Just let me hug Yingluo for a while. Just let Yingluo hug for a while.”

Perhaps, this was the last time. The last time he would hold her like this.

she was right, they had to part on good terms, and he had no right to ask her for anything.

The things he did to her today were really unforgivable. He was only relying on the fact that she might still be attached to him.

however, he had detestable used her feelings for him to do shameless things.

Qin Mu didn't move.

he hugged her so tightly that he almost broke her bones. every inch of his strength was filled with his reluctance.

But no matter how reluctant he was, he still let her go.

he kissed her on the forehead and helped her adjust her coat. then, he said in a hoarse voice, "qin mu, you have to be well! Find a good man and get married!"

Qin MU's eyes widened slightly. He almost couldn't believe his ears.

because zhou chongguang had never been so generous before, but this could also be considered letting go!

the highest realm of letting go was probably a blessing!

Zhou chongguang smiled at her. Mumu! Be happy!

if you're happy, i'm happy too, yingluo, you know?

He looked at her with a burning gaze, but it turned into the most powerful weapon.

qin mu's eyes were glistening with tears. she wanted to smile at him and tell him that she was very good, but she couldn't say a single word. it was because she thought that she was good, but it turned out that she wasn't. it turned out that she still felt heartache when she looked at him.

Even though he was in a mess right now!
