

Thank you 2601

Chapter 2601: zhou chongguang, what are you doing?(5)

She suddenly couldn't take it anymore and pushed him away, running straight down the stairs.

This time, Zhou chongguang did not chase after her. Instead, he quietly looked at her back until she could no longer be seen. Then, he lowered his gaze and looked at the wedding ring on his hand.

This pair of wedding rings had been on him for a long time, every day, every moment.

He felt that he loved her, but just now, he still cared about his own comfort and made her cry.

Zhou chongguang lowered his eyes and laughed silently. His laugh was bitter.

this time, he should really let go.

...

let her go and let her be happy!

He turned around and went upstairs, lying quietly on the bed. There was still the light scent of her body on the bed. It had been a long time since he had smelled this scent. He sniffed it longingly and later ordered the servants not to change the sheets.

if you want to change, then change it next summer!

qin mu ran all the way downstairs and felt that he was almost out of breath. she stood there for a while before suddenly turning her head around and looking at the villa.

This was the house that he had promised to give her. In the end, he had given her everything except this house.

why did he keep it? did he feel uncomfortable looking at it?

Qin Mu laughed, but his face was covered in tears.

at that moment, her phone rang. it was qin chen.

“Qin Mu, aren’t you coming to new York for a vacation?” Qin Chen’s voice was very leisurely.

qin mu looked in the direction of the villa and smiled. ” “Didn’t you say that you were very busy a while ago? didn’t you say that you did a great experiment and saved a puppy?”

“no, it’s a monkey!” Qin Chen said in all seriousness.

Qin Mu was helpless, ‘alright, it’s a monkey! is the monkey alright?”

alright, she can eat and sleep. She’s quite cute. Don’t you want to see her? ” it was a rare warm invitation from qin chen.

qin mu wanted to reject her at first, but after thinking about it, he agreed. perhaps it was better to relax.

“then i’ll go next week!” she bit her lip and thought about it.

“Yeah, I’ll take you to new York for Christmas! it’s going to be very exciting.” Qin Chen laughed happily.

qin mu hadn’t seen qin chen this happy in a long time and was happy for her.

qin chen seemed to have changed a few years ago. he looked normal, but she could feel that he was not happy. behind his elegant and exquisite back was a mystery, but no one dared to ask.

Everyone had an injury that couldn’t be touched, and that mystery was Qin Chen’s.

Qin Mu hung up the phone and slowly walked to his car. When he started the car, his mood was much better. It was probably because of Qin Chen's call. He had come for a vacation.

She told herself that she would give herself a long holiday and leave B city. When she came back, it might be much better!

he smiled, started the car, and drove away.

What she didn't notice was that not long after she left, a red sports car slowly drove over from the other side.

Gu Mei's face flashed past the car window. Her palm-sized face was wearing a pair of sunglasses. As she flashed past, she saw Zhou chongguang's sports car parked there in the villa.

as expected, he still missed this place.

Lin Xue and those women were just consoling objects. The one he hadn't forgotten was still Qin Mu.

But why was Qin Mu here?

from the looks of it, he did not have an appointment with zhou chongguang. that was because gu mei was very clear about qin mu's character. with such a proud personality, it was unlikely that he would be entangled with zhou chongguang after the divorce.

So, it was just a coincidence?

gu mei pursed her lips and drove the car away without saying anything.

Chapter 2602: Qin Mu, be with me (1)

from that day on, qin mu didn't go to that villa again. in fact, after the divorce, she had only been there once.

But it was this time that he met Zhou chongguang.

from that day on, she did not see him for a few days. she deliberately did not hear any news about him, but his scandals still spread everywhere.

At this moment, she was in the gallery with her sister-in-law Xue 'er beside her.

Xue 'er stood side by side with her, discussing what paintings should be hung here. Xue' er suddenly turned her head and looked at Qin Mu."Have you seen Zhou chongguang's news for the past two days?"

qin mu was stunned for a moment. he turned his face to the side."I didn't."

...

Xue 'er patted her shoulder. if you've let it go, this kind of news will be very satisfying for you.

qin mu looked at her, not understanding what she meant.

" just two days ago, zhou chongguang's harem had a civil war. " Xue 'er coughed lightly. I think a young model was injured by Xue Lin's bodyguard.

It had to be said that Xue Lin was a smart woman. She knew how to protect herself on the road to power.

he had even hired bodyguards. it was probably meant to guard against gu mei, but it was used on other mistresses instead.

Xue 'er sighed. that scene was really intense. The main thing was that Zhou chongguang and Gu Mei's relationship wasn't good and could divorce at any time. That's why the women outside had thoughts about it.

she looked at qin mu, then coughed lightly. " " why do i feel that xue lin is the most likely candidate? "

Qin Mu smiled. Xue 'er, stop provoking me. It's impossible between me and him!

she paused. " besides, he's in such a mess now. it's disgusting just thinking about it! "

she stuck out her tongue at xue 'er. only in front of xue' er would she be able to joke like this.

In Qin MU's life, the things that happened with Zhou chongguang were indeed like scars and holes. Similarly, only Xue 'er dared to talk to her about Zhou chongguang.

Actually, there was nothing that he couldn't say to her. Although it hurt, it was all in the past.

She wasn't the weak Qin Mu.

xue 'er looked at her and laughed too. then, she hooked her arm and rested her little face on qin mu's shoulder."Mumu, I heard you're going to new York."

Qin Mu looked at the little head on his shoulder and didn't know whether to laugh or cry.

It was true. Xue 'er was four years older than him, and she was not young anymore. She would be 28 years old during the new year, right?

however, xue 'er had always been thin and small. she was over 160 centimeters tall and had a girlish look. she always looked like she was in her 20s. she could also act coquettishly with him, and he couldn't do anything about it.

"will brother be jealous if he sees you like this?" Qin Mu laughed, then mischievously rubbed Xue 'er's hair.

Xue 'er laughed. if I were to lean on Qin Chen's shoulder like this, your brother would probably want to kill me.

Although Qin Chen was a girl, his appearance was the same as a man's. Ye Muyun never allowed her to get close to him, but Qin Chen wanted to hug her every time he saw her. He liked to see his brother's angry and crazy look.

because it was rare!

xue 'er smiled. thinking of ye muyun's brothers and sisters, she stretched lazily and said in a delicate voice, "mumu, as your sister-in-law, i will take good care of you."

qin mu didn't know whether to laugh or cry, we're the ones who took care of you!"

Xue 'er looked at her. if you say that, I'll lose face!

"you're so thick-skinned, yet you still want to save face!" Qin Mu scratched her little face. When he looked up, he saw his big brother coming over.

Chapter 2603: qin mu, be with me (2)

qin mu patted little xue 'er who was beside him. " alright, go and ask my brother if you have any face. you're fighting for love with your own daughter and son. do you have any shame? "

Xue 'er stuck out her tongue. I'm older. They should give in to me!

qin mu had never seen such a self-righteous mother again. however, it was also because of his big brother's spoiling.

When it came to Xue 'er and the two children, big brother really doted on Xue' er more. Qin Mu thought darkly in his heart. That was because Xue 'er could play adult games with him. Big brother Yingying was also quite ...

ye mu yun walked in and beckoned his little fellow to run over.

He brought her into his arms and smiled at Qin Mu. "I'm going to eat with Xue 'er later, do you want to come?"

...

Qin MU's arm was placed in front of his body and he smiled. "Forget it, it's rare for you two to have some alone time!"

Just the thought of the two little fellows at home gave him a headache.

Ye Muyun's expression was solemn. Qin Mu had read his mind.

In the past, he really liked children, especially those that Xue 'er gave birth to. Each and every one of them looked like her.

But now, he missed the days when he didn't have children.

Ye Muyun took Xue 'er away and decided that after dinner, they would quickly go to the GM hotel's Presidential Suite to spend three hours. Then, they would go home to nurse their child. Just thinking about it made Qianqian cry bitterly.

Qin Mu watched them leave and smiled. He also packed his things and prepared to leave work.

The weather was cold, and she wanted to eat hotpot. After thinking for a while, she called He Huan and asked her to eat together. At the same time, she asked He Huan about her brother Qin Mo's thoughts.

After the call, she got off work in a good mood and drove to that pretty good vegetarian hot pot restaurant. Qin Mu went there almost once a week.

After driving for about half an hour, her car stopped at a red light and couldn't be started again.

Qin Mu tried a few times but was unsuccessful. In the end, he could only get out of the car and open the front cover to check. She didn't understand much in the first place and couldn't see anything after looking at it for a long time. Hence, she got into the car to try again, but it still didn't work.

Just as she got out of the car again, a deep male voice rang out beside her, "The car broke down?"

she was lying on the front cover and looking at them. when she heard the sound, she immediately looked up, but as soon as she looked up, she bumped into the person's chin. they groaned at the same time.

Qin Mu covered his head, looking at the man in front of him with tears in his eyes.

it was gu ze!

she looked at him with an unfriendly gaze. gu ze was angry and amused. he thought that her hostility was too ridiculous.

“Did the car break down?” he asked again.

“you don't need to care!”

her voice was unfriendly, and then she lay down again, pretending to check.

gu ze did not ignore her cold treatment. he stood at the side and watched. suddenly, he opened her car door and sat in.

Qin Mu immediately straightened his body and ran over. “what are you doing?”

Gu ze was sitting in the car with the door open. When she leaned over, he grabbed her slender arm with one hand and dragged her in.

Qin Mu shrieked and then sat on his lap!

Just as she was about to struggle, she felt a hidden force. She was married, so she naturally didn't dare to move. She only said, “gu ze, let me go, or i'll call for help!”

“Scream! People will only think that we quarreled!” “I'll kiss you immediately if you call me that!” He said nonchalantly.

Qin Mu didn't dare to make another sound. She believed that he would do anything.

Chapter 2604: qin mu, be with me (3)

gu ze chuckled. ” how could there be such a stupid person? the car ran out of gas. didn’t you know?
”

Qin MU’s eyes widened. Then, he looked over. There seemed to be no more oil!

She was a little embarrassed and only said after a while, ” “then put me down, i need to make a call.”

gu ze did not let go of her. instead, he held her waist with one hand and took out his phone with the other to make a call.

when he spoke, his voice was very elegant and pleasant. the car door was not closed, and she was sitting on him. everyone in the car saw it, but he didn’t care. she still wanted her face, and she didn’t want to be on the news for her ex-husband!

She had no choice but to climb to the front passenger seat. This time, he didn’t stop her, but put away his phone after the call. “where are you going? i’ll send you!”

...

Qin Mu ignored him. He sat in the car and didn’t move. I don’t need you to care about me. Gu ze, do you hear me? ”

“it seems that you are very wary of me?” “do you think i want to pursue you?” he asked.

Qin Mu didn’t say anything, because she knew that these men who were doing well in the business world were all bad.

her brother was one, and so was zhou chongguang. gu ze was naturally not bad either.

she didn’t say anything, but he chuckled. ” you’re right, but i might not be chasing you. i might be forcing you! ”

As he spoke, he reached out and grabbed her arm. “if you don’t want people to watch, get your bag and get out of the car with me.”

qin mu was furious to the extreme. at that moment, she really wanted to scream out loud on the road. so be it if she was embarrassed. she didn’t want to have anything to do with gu mei’s brother, but he seemed to be passionate about it.

In the end, for the sake of the gallery’s fame, she swallowed her anger, got into the car with him, and told him the location of the vegetarian restaurant.

When Gu ze started the car, he stroked his chin and smiled. ” just in time. i haven’t had dinner yet either. you don’t mind eating together, right? ”

“My treat!” He added.

“i don’t need to!” Qin MU’s voice was a little faint. Then, she looked at him and said, a little unable to take it, ” Gu ze, you were pretty good in the past. Really, keep it up!

Gu ze’s eyes darkened and his voice turned cold.”because i didn’t bother you in the past?”

She didn’t say anything, which was a tacit agreement.

Gu ze lit a cigarette and took a puff before saying, ” “You used to be Mrs. Zhou, how could I pester you?”

her heart skipped a beat, and she turned her head to look at him. ” ” gu ze, i’m not mrs. zhou. it’s impossible for us to be together. you clearly know that. ”

“Yes, I’m gu Mei’s older brother!” he said in a self-deprecating manner, then stopped in front of a red light. he said seriously, ”

“qin mu, i can guarantee that i will not let you see gu mei, not even once! I won’t make things difficult for you.”

he held the cigarette between his fingers and looked a little bitter. "as long as you're willing, i can give you everything. what zhou chongguang has given you, and what he can't give you, i can give it all to you! "

She didn't know how torturous it was to secretly observe a person in the dark, like a person, go from shamelessness to acceptance, to hopelessness to seeing a glimmer of light.

He had also once thought that he was Gu Mei's older brother and that it was impossible between them. However, life was a lifetime. If he gave up because of this, he would feel that he had let down his eight years of love.

Qin MU's heart started to beat faster. After a long time, he finally closed his eyes. Gu ze, don't force me!

In fact, she still remembered the beautiful day at the beach. He gave her warmth, and she was not such a cold-hearted person.

Chapter 2605: You've had it before, it's very sweet (part one)

Gu ze pursed his lips and continued to look at her. After a long time, he laughed."Alright, I won't force you!"

He continued to drive, but the speed of the car was a little slow, so slow that Qin Mu couldn't ignore it. He turned his head to look at him."Can you drive faster?"

Gu ze's gaze was still on the spot in front of him. He smiled faintly."as long as there's time, it's fine, isn't it?"

Qin Mu was so angry that he didn't want to talk to him. He turned his head and didn't speak.

Gu ze smiled and did not say much. He even turned on the car's stereo. It was a new song by the rain god.

as he drove, he seemed to be so entranced by her words that he almost forgot how she felt.

...

however, qin mu knew in his heart that it was impossible for him to forget!

she stubbornly kept quiet and drove silently until she encountered a traffic jam during the rush hour.

Qin Mu was furious. He turned his head and glared at him.”gu ze, did you do this on purpose?”

the corners of his mouth revealed an extremely charming smile. ” “i can’t control the traffic jam!”

“but you should have driven faster just now.” she accused him of his mistake.

Gu ze paused for a moment, turned his head to look at her, and smiled. “it’s hard for me to concentrate with you sitting beside me. it’ll be dangerous if i drive too fast.”

qin mu really wanted to curse his entire family, but since he was in his car, he held back.

at this moment, he huan called and asked her softly if she had arrived.

Qin Mu raised his hand to look at his watch and realized that it was almost 6:30. She had an appointment with he Huan.

“Mumu, I’ve arrived!” “then i’ll order first, i’ll wait for you!” he huan said happily.

qin mu acknowledged her and said in a gentle voice, ” “If I’m late, you can eat first.”

she had always treated he huan like a child. he huan was the same size as xue ‘er and her mother, su cheng. she was a petite beauty, so qin mu loved her very much.

He Huan grunted in agreement and then told her pitifully, ” ” i didn’t bring my wallet. i wanted to eat you anyway. mumu, if you didn’t come, i might have been left behind to wash the dishes. ”

“alright.” qin mu smiled.

she put away her phone and looked at the long traffic jam-like road ahead. she was a little worried.”When will it be done? gu ze, do you have any other shortcuts to take?”

gu ze bent one of his arms and placed it on the side of the window. ” even if i do, i can’t move it. ”

Qin Mu looked through the rearview mirror and saw that the back was also packed. Her small face was a little wrinkled.”Can we still walk?”

She even had the urge to get out of the car.

however, just as this impulse rose, gu ze said very indifferently, ” “you didn’t take off your coat.”

“why didn’t you say so earlier?” qin mu stared at him.

Gu ze revealed a charming smile and lazily said, ” “why should i have said so earlier? Qin Mu, if you’re so honest when pursuing a girl, will you still succeed?”

“you won’t succeed even if you do this,” qin mu snorted.

“at least, i’ve tried!” he smiled, then reached into the cabinet to take out some chocolate for her. ” have some. it’ll be fine soon. ”

Qin Mu looked at the chocolate in his hand and raised his eyes. “Is it for coaxing girls?”

“i remember to put it on occasionally, but i’ve never met a girl i want to coax.” he smiled, peeled it for her, and placed it in her palm.

however, qin mu felt that there was a deeper meaning in his words. he explained it plainly and even confessed his love in passing.

Chapter 2606: you’ve had it before, it’s very sweet (2)

However, Qin Mu felt that there was a deeper meaning in his words. He explained it plainly and even confessed his love in passing.

She was a little taken aback, and then she was a little overwhelmed by the favor.

qin mu didn't have a princess syndrome. she didn't think that it was natural for a man to like her unconditionally for eight years. she would be troubled too.

Furthermore, it was an outstanding man like Gu ze. She knew that as long as a man like him was willing, he could find a dozen girls who were as beautiful as her and had a good family background. Especially Yingluo's unmarried girls. There was no need for him to get entangled with a divorced woman.

she took a small bite of the chocolate and stopped talking, because whatever she said would be wrong and dangerous.

gu ze naturally felt the change in her mood. he did not say anything and just silently rolled up the window.

...

there was a faint and sweet smell of chocolate in the car. the girl who had eaten chocolate was still sitting beside him, perfectly fine after everything.

The corners of Gu ze's mouth couldn't help but curve up again. It was good enough to be so calm.

He looked at a milk tea shop by the road and made a call. After Qin Mu finished a small bar of chocolate, the car window rolled down. A little sister in work clothes smiled sweetly and handed the milk tea in. Gu ze paid for it.

when the car window was closed again, he handed the milk tea to qin mu. "drink something warm."

"I don't drink it. I'll get fat!" Qin Mu refused.

He looked at her and smiled faintly. there'll be a traffic jam here for about two hours. Are you sure you don't want to drink? ”

qin mu's eyes were slightly big, and he stretched his head forward. his brown hair bounced naturally and gently on his shoulders, looking very beautiful.

She was a little conflicted. She wanted to get out of the car, but when she thought of the cold wind outside, she flinched. It should be much better to drink a cup of milk tea in the car.

In the end, she succumbed to the warmth of reality and held a cup of Kabu sinuo, drinking it in small and happy sips.

Gu ze had been watching her indifferently.

Qin Mu drank half of it. Gu ze, ” he said softly, ” can you move your gaze away? the scenery outside is pretty good.

He smiled and placed his hand in front of him. He looked at the car outside and then at her. “Then why did he Huan ask her to wash the dishes?”

it's already past seven, ” he said, looking at his watch. she's probably almost done!

Qin Mu was shocked. He immediately took out his phone and looked at it. Only then did he realize that his phone was out of battery.

“My Secretary lives nearby. I'll get her to handle it.” gu ze could see her embarrassment and smiled.

Qin Mu tidied his hair and smiled uncomfortably. thank you, then. I'll give her a gift in a day.

“The person you should thank the most is her boss, huh?” gu ze ended the call and chuckled.

Qin Mu secretly rolled his eyes and then turned his head to the other side. “If you didn't drive so slowly, I wouldn't have encountered a traffic jam.”

if you weren't by my side, I wouldn't have driven so slowly. Mumu, in the end, it's all your fault! he called her by her name naturally. although it was close, it didn't feel out of place.

Qin Mu turned his head to look at him.

His eyes were warm and determined, the kind that was determined and appropriate.

qin mu did notice that he was different from before, but she couldn't tell what was different.

she felt a little uncomfortable and coughed lightly. "oh!"

"just like this?" he chuckled. " shouldn't you apologize? "

Chapter 2607: a chance encounter with zhou chongguang (1)

since he had said so, qin mu said very frankly, " "then you can count it as money and i'll transfer it to you."

"then you treat me to a meal, isn't that even better? i'm hungry!"

"it's already very late." qin mu looked ahead.

"that vegetarian restaurant only closes at 10 am." He said very naturally.

Qin Mu was a little surprised. do you go there often? "

he didn't say a word, not planning to tell her. there were a few times when he drove and followed her there. he would know after going there more times.

...

After Qin Mu finished asking, he didn't answer. He was a little bored himself and put down the milk tea embarrassedly."I don't want to drink anymore."

“is this for me?” gu ze raised his eyebrows.

it's not ran ran. before she could finish, he had already picked up the glass and finished the remaining half.

the man was drinking milk tea, and he was drinking the rest of her rosiness. however, gu ze was drinking it very openly and did not look like a woman at all.

After he finished drinking, he threw it into the small trash can and smiled. “it's quite sweet.”

other than blushing, qin mu couldn't have any other reaction.

gu ze looked at her blushing face and smiled. his gaze fell on the straw again.

If she wasn't here, he would definitely pick it up and take the last bite.

however, just the thought of it made him feel like a pervert. why was he so hungry and thirsty?

the car was still playing the music of the rain deity. perhaps it was the appeal of the rain deity, but it actually started to rain in B city at night. it was dark outside, and only the rain seemed to be bright in the dark.

meanwhile, gu ze's car was moving very slowly. when the traffic was past the peak hour, it was already almost nine o'clock.

Gu ze's car was parked in the parking lot. He threw his coat to Qin Mu. put it on. i'll get out of the car to get an umbrella, you wait in the car.”

“Put on your coat!” Qin Mu rejected.

He looked at her and smiled. “Be obedient.”

when he said these two words, qin mu was a little dazed.

it seemed like a long time ago, someone used to coax her like this when she was disobedient.

Gu ze seemed to have realized it. He smiled and ruffled her hair.

qin mu forced a smile and looked into his eyes. in that gaze, they both knew what the other was thinking.

he finally got out of the car and quickly went to the back to get an umbrella. then he ran over to open the door for her.

When Qin Mu got under the umbrella, he held her arm. The umbrella wasn't big, so it was a little cramped. They seemed to be hugging each other.

The scene of a handsome man and a beautiful woman on a rainy winter night was indeed very pleasing to the eye.

however, no matter how eye-catching it was, it couldn't be compared to the fiery scene of them kissing in the other party's car.

in the opposite car, the lights were on, and the man and woman in the car were hugging and kissing each other without restraint. the kiss was deep and full of desire. man and woman, black and white, exuding endless tension.

And what made Qin Mu unable to shift his gaze away was that the man in the car was Zhou chongguang.

The person in his arms was a little girl who had just made a name for herself. Qin Mu remembered that she had shot an advertisement that was quite refreshing. The most important thing was that the little girl was only 18.

at the age of 18, she was already entangled with a married successful man who was close to 30 years old. a cold smile appeared on the corner of qin mu's mouth.

he did not know if he was laughing at that woman, or at himself, or at zhou chongguang.

it was probably because the gazes on her side were too intense that zhou chongguang suddenly raised his eyes and stared unwaveringly at qin mu's side.

Chapter 2608: A chance encounter with Zhou chongguang (2)

he naturally saw the man's clothes on her and gu ze standing beside her.

They ... Were together?

qin mu also saw that his lips were covered with a woman's lipstick marks, which made him look very flirtatious.

their eyes met, separated by a layer of car glass and the dark night rain ...

it was quiet, quiet, very quiet.

the world seemed to have stopped, and the people coming and going seemed to have stopped existing.

...

A tear from the corner of Qin MU's eye corroded Zhou chongguang's heart-

it was numb and painful.

The 18-year-old girl hugged him again and kissed him passionately with her red and tender lips.

He didn't refuse, nor did he react. His gaze was still fixed on Qin Mu.

Qin Mu suddenly realized that the girl looked a little like him ...

Perhaps Xue Lin and the other women were just a smokescreen for him to anger Gu Mei. But this girl, he really might get into bed with her.

qin mu laughed, then clasped gu ze's arm with his fingers and said softly, "let's go in!"

His answer was to put his arm around her shoulder and pull her into his arms. Then, he kissed the center of her hair."Alright," he said.

the rain was still falling.

The drizzle was like silk, but also like a knife, stabbing into Zhou chongguang's heart.

he suddenly pushed the woman beside him away and quickly opened the door to get out of the car.

He was only wearing a black shirt as he stood in the rainy winter night, staring at the entrance of the restaurant. It was as if he felt that she could come out at any time, walk to his car door, open it, and slap him.

the 18-year-old girl in the car also got out of the car. her body, which was only wearing a dress, was shivering from the cold. she hugged zhou chongguang and murmured, "Chief Zhou?"

she went to kiss his chin again, but was pushed away by zhou chongguang.

"i hate it when women try to use underhanded means on me," he said coldly.

In the dining room, the wine he drank was probably mixed with something. It was not strong, but it was to liven things up. In addition, this woman looked a little like Mumu, so he was dazed for a moment.

if qin mu hadn't appeared, he would probably have done this woman in the car because he had recognized the wrong person.

the cold raindrops hit his face and body, making him more awake.

The little girl called Qiqi was about to cry. She bit her lip.”Director Zhou, I didn’t do it on purpose.”

She knew that President Zhou couldn’t forget his ex-wife. President Zhou ate his meals in a lukewarm manner. She wanted to be famous. She wanted to be famous like a madman. Her younger brother had to go to school, and her mother had to treat her illness. She had no other way.

moreover, president zhou was very good looking and charming. rather than letting those old men defile her body, she might as well give it to president zhou.

One of her sisters gave her an idea, and it took Qiqi a long time to make up her mind to do so.

of course, she was no stranger to men. she was not a virgin, but she had not been with many men, so she could be considered clean.

She thought to herself that even if she couldn’t be a good person, it was enough to have general manager Zhou supporting her.

Zhou chongguang stood in the rainy night, while Qiqi was crying and acting pitiful at the side.

As she spoke, she really started to cry because she was really miserable.

Her first time had been taken away by the boss of her management company. He was a fat man who weighed 180 pounds. He was old and ugly. Even now, she felt like puking when she thought about it.

After that, she had been with two or three other men, but she didn’t have any impression of them.

She wanted to hook up with President Zhou. Anyway, he did not look happy. There were so many women outside and they were very well-behaved to her. He had never held her hand before, let alone anything else. She had eaten with him a few times and then decided to win him over.

Chapter 2609: A chance encounter with Zhou chongguang (3)

She had almost succeeded, if she had not met his ex-wife.

qiqi was only 18 years old, but she wasn't stupid. zhou chongguang picked her because he wanted to see her face.

But now that she had angered him, she was afraid that he would ban her and kill her, so she could only confess.

after a long time, zhou chongguang finally lowered his head and looked at the girl beside him who was crying very miserably. he said very lightly, "forget it, don't do this again in the future!"

"If there's a next time, I'll destroy your face," he said.

"i won't dare to do it again, director zhou. please forgive me!" qiqi cried.

...

get a million from my Secretary tomorrow. It doesn't matter if it's for your father's treatment or your sister's school.

"It's my mother's treatment. My brother is in school." Qiqi corrected him in a low voice.

but zhou chongguang did not care about this. he was upset. get out of here now. If I want to have a meal with you, I'll get my Secretary to contact you.

Qiqi bit her lip and hummed in agreement. She knew very well that she was really just a substitute for him, and he would only occasionally smile when he looked at her face.

however, she knew very well that she only had an appearance because his ex-wife was really beautiful. she was completely different from her family background. she had a very elegant temperament. even if she was wearing a man's coat, it would still make people's hearts ache.

Qiqi suddenly realized why he was in such a bad mood. It was probably because his ex-wife ran away with someone else.

qiqi suddenly felt that she wasn't that miserable. ceo zhou, who had grass planted on his head, was the one who was miserable!

“don’t worry, director zhou. i won’t do such a thing again. i’m still a coward.”

I can also get plastic surgery, ” she said hurriedly. I can make it look more like it. CEO Zhou will be more comfortable and satisfied with it!

Zhou chongguang glanced at her. even if you are wearing her skin, you are not her!

qiqi shrank back a little, then ran to the car and took out her small bag and a cheap fake fur.

After running a few steps, she turned back. goodbye, director Zhou. You’re such a good person!

Zhou chongguang stood in the rain and laughed coldly.

A good person?

in qin mu’s heart, he must be a scumbag!

however, he wasn’t going to explain. so be it if it was a misunderstanding.

Actually, it was quite good for her to be with Gu ze.

At least, Gu ze really liked her. He had liked her for many years, and he knew that.

Furthermore, Gu ze would protect her and do better than him.

zhou chongguang laughed. the raindrops hit his face and shone, but it was hard to tell if it was the rain or his tears.

He sat back in the car, ignoring the fact that his clothes would get wet, and drove quickly.

meanwhile, in the vegetarian restaurant, qin mu had been in a daze. she ate whatever gu ze put in her bowl.

After a long time, Gu ze finally laughed.”You can still eat?”

Qin Mu raised his eyes and looked at him. Then, he looked at his own plate. She seemed to have eaten a lot?

She looked a little uncomfortable and forced a smile. I’m full.

“then wait for me for a while.” He was still smiling, and then he began to eat. He ate very quickly, as if he was really hungry.

“You didn’t eat just now?” Qin Mu couldn’t help but ask.

“You just realized?” gu ze’s eyes were clear.

Chapter 2610: if you dare to touch me, i’ll sleep with gu ze (1)

qin mu didn’t say anything more and just watched him eat indifferently.

Gu ze ate at a moderate pace, the kind that was just right.

When he was almost done eating, Qin Mu wanted to go over and pay the bill, but a large hand pressed down on the back of her hand.

she looked up.

“i’m just joking with you. why would i let you treat me?” He smiled, then got up and walked to the cashier.

Qin Mu didn’t fight with him for it. He didn’t care about the cost of a meal.

...

gu ze came back very quickly. he took his coat and put it on her shoulders. "I'll send you back!"

qin mu lowered his head and looked at the clothes on his body. he wanted to reject her instinctively, but he had already put an arm around her shoulder and walked towards the door. as they walked, he whispered, " "qin mu, this is a restaurant. give me some face!"

Qin Mu couldn't help but laugh out loud.

"Why would I not want it?" He laughed along with her and helped her into the car.

The drizzle was like silk, and in such a winter rainy night, it was cold.

However, it was very warm inside the car.

Qin Mu took off the jacket and returned it to him. She also saw that his shoulders were drenched in the rain and felt a little guilty. Gu ze, thank you for today.

"if you really want to thank me, you can treat me to a meal next time." He took a towel and wiped his body, then looked at her with a burning gaze.

Qin Mu laughed. today, I wanted to pay the bill but you refused. Gu ze, you're not a scoundrel.

he threw the towel aside and looked at qin mu very seriously. " "Someone told me that you have to be thick-skinned when you're chasing girls. If you're too prideful, you'll probably be chased away by someone else."

qin mu laughed.

he looked at her smile and smiled as well. his voice had a charming gentleness."what do you say, huh?"

"What?" qin mu tilted his head to look at him.

"about the meal!" he mouthed the words and started the car.

qin mu looked at his side profile. his features were well-defined, and the man who was close to 30 years old had a very attractive kasaya.

She looked at Gu ze and thought of Zhou chongguang.

Then, she smiled bitterly.”if you rush to pay the bill every time, do i have to treat you to a meal for the rest of my life?”

gu ze’s heart skipped a beat. he was pleased by her words.

He looked at the road ahead and said in a soft voice, ” ” if i’m not treating you for a lifetime and instead cook for you in the kitchen, qin mu, would you be willing? ”

Qin MU’s chest heaved up and down. She turned her head and glanced at Gu ze, then turned her head again.

At that moment, her heart was moved.

It was not because she was moved by Gu ze, but because of his suggestion.

She thought that if he was not Gu Mei’s brother, she might really agree to it.

Qin Mu smiled slightly and didn’t say anything else.

Gu ze knew that this was her rejection and felt a little disappointed. He also knew the reason why she rejected him so quickly.

However, he did not give up. If he could give up, he would have done so long ago.

he was driving in the dark with the girl he had liked for many years beside him. it was raining outside.

Gu ze drove very, very slowly until he stopped at her apartment. He turned his face to the side and saw that she was looking out the window.

“what are you thinking about?” gu ze’s voice was very light and gentle. his fingertips touched her shoulder lightly, but he did not overstep his boundaries.

Qin Mu turned her head abruptly. Her eyes were glistening with tears.

Gu ze was stunned.

did she cry just now?
