

Thank you 261

Chapter 261-kiss me, will you?

at this moment, no one had more complicated feelings than tang yu.

on one side was his qi qi, on the other side was jinrong and his cousin. he didn't want one of them to get hurt.

however, his cousin had become like this because of qi qi.

Lin jinrong was pushed into the operating room, and all the experts from the nursing home hospital went in. The long surgery was the most torturous.

PEI Qiqi stood there with an empty look in her eyes. She was covered in blood. Tang Yu's jacket was on her shoulder and he was holding her with one arm. Otherwise, she would have fallen down a long time ago.

Everyone from the Lin family was here, including Lin Yun. When she saw PEI Qiqi covered in blood, she was a little surprised. But because she was worried about Lin jinrong and Tang Yu, she didn't ask.

PEI Huan was also staying in this hospital. Her child was saved, but the moment she woke up, she heard the news of Lin jinrong's car accident.

she got up from the bed and rushed over, only wearing the hospital gown. she did not care about her pregnant body and cried hoarsely.

lin jinrong's mother couldn't take it and scolded, " nothing happened to jinrong. why are you crying? "

PEI Huan could not stop herself. She covered her mouth and continued to cry.

her vision was blurry. she could vaguely see pei qiqi standing in front of her with tang yan half-hugging her.

Suddenly, PEI Huan ran over like she had gone crazy. She pulled PEI Qiqi to the side and raised her hand, wanting to slap her.

Tang Yu quickly grabbed her and threw her to the side. She fell on top of Zhou Meilin.

Zhou Meilin was feeling guilty-

what a sin! The person she wanted to hit was PEI Qiqi, so why did jinrong end up like this?

It was said that the man in the black RV died on the spot. Fortunately, she was dead. Otherwise, she wouldn't have been able to wash herself clean even if she jumped into the Yellow River.

with pei qiqi's temper, even if she didn't die, she would be skinned alive.

Zhou Meilin steadied PEI Huan and carefully held her. Then, she said to PEI Qiqi in a stern voice, " it's fine if you liked jinrong in the past. Now, jinrong is married to Huanhuan and you have Tang Yu. What else do you want? "

Zhou Meilin put on an act with all her might. With snot and tears, she said, "Auntie knows that I've let you down, but how can you be so evil? jinrong is so young and is about to be a father, but he became like this because of you.

pei qiqi's gaze landed on her face. she was still empty and there was no life in her.

If she had to choose, she'd rather her Yueyue be the one who got hit.

she didn't owe qianqian lin jinrong, but she didn't.

What was Zhou Meilin saying?

was she the one who caused this?

PEI Qiqi stared straight at Zhou Meilin, making Zhou Meilin's heart numb.

this girl, did she know something?

PEI Qiqi slowly took out her phone from her pocket. It was covered in blood.

she just looked at zhou meilin, "lin jinrong called me more than ten times, but i was in the bank meeting with the bank manager and i muted my phone."

zhou meilin shrank back guiltily, but she immediately straightened up. "isn't that normal? All of you have been making eyes at each other, but my PEI Huan is pitiful."

pei qiqi ignored her cries and said coldly, "he called me so many times and still found me. this means that he knows the truth. and the only person he knows the truth is pei huan."

PEI Huan and Zhou Meilin were stunned and looked at each other. After a long time, Zhou Meilin let out a shrill voice, "PEI Qiqi, you bitch!| Seed, you're slandering me, I'll fight you to the death."

Chapter 262 tang yu is the one i love (1)

however, before zhou meilin could pounce on him, she was dragged away and thrown to the ground like a rag.

PEI Qiqi unlocked her phone and saw a voice message from Lin jinrong. She had never heard of Qianqian before.

The moment she opened it, she heard Lin jinrong's anxious voice, "PEI Qiqi, don't go out. Don't cross the road!

the last part was a little blurry, but he could clearly hear the words 'zhou meilin'.

Zhou Meilin's face was pale.

She was finished!

PEI Huan was also stunned. Her face was ashen. She slowly slid to the corner of the wall and sat on the cold ground. She felt like she had been abandoned by the whole world.

no, she had nothing left, yingluo.

Zhou Meilin's face revealed a fierce look. She pounced over and wanted to snatch PEI Qiqi's phone away. However, before she could touch PEI Qiqi, she was thrown out.

Lin jinrong's mother was stunned at first, then she realized that Zhou Meilin was the mastermind behind this whole incident, and it was only because jinrong found out that he was in this state.

Mrs. Lin stepped forward and slapped Zhou Meilin across the face. She gritted her teeth and said, "if anything happens to jinrong, I won't let you off."

PEI Huan fell to the ground and looked up with tears in her eyes. She looked at her mother and smiled, "Mom, are you satisfied now? PEI Qiqi isn't dead. Jinrong is still inside and we don't know if he's Dead or Alive."

half of zhou meilin's face was swollen. she looked at pei huan and said in a daze, "i did it all for you, yingluo."

"for me?" pei huan laughed hysterically. "you're doing this for yourself. if it wasn't for you, if you didn't raise a pretty boy, i wouldn't have died. if it wasn't for you, jinrong would still be fine. i still have hope of being happy. what about now, yingluo?"

PEI Huan wiped her tears. I hope I never had a mother like you.

Zhou Meilin cried out in pain. She had never thought that PEI Huan would treat her like this.

She shook her head and said, "Huanhuan, mommy loves you, Yingluo."

I don't have a mother like you, Yingluo. PEI Huan shook her head and kept repeating.

zhou meilin was taken away, suspected of murder.

pei qiqi watched as she was taken away. her legs went soft and her body collapsed.

"pei qiqi, you won't have a good time, qianqian!" zhou meilin shouted unwillingly. her eyes were red, "you wild girl!| There will be no happiness."

Zhou Meilin suddenly laughed. Her eyes bulged and her mouth was wide open. She looked a little scary ...

"pei qiqi, i won't tell you it was zhao ke who ordered this. i'll just wait, wait for you and your mother to kill each other."

PEI Qiqi closed her eyes. When she opened them again, she stared at the operating room door that would never open.

She stood there tirelessly for more than ten hours. Tang Yu and the Lin family did the same. PEI Huan did the same.

However, no matter how much he prayed, it did not help Lin jinrong. When the doctor walked out, his expression was heavy. the patient may not wake up.

mother lin was stunned. she couldn't take this blow. her fingers grabbed the doctor's arm tightly. "what do you mean by 'she might not wake up'?"

the doctor didn't say anything, but everyone understood that if he didn't wake up, it meant that lin jinrong had become a vegetable.

PEI Huan was stunned. She pounced over with her hair disheveled and she looked really pitiful.

the doctor shook his head. "mrs. lin, we tried our best."

pei huan let out a sharp voice.

Chapter 263 tang yu is the one i love (2)

when pei qiqi came back to her senses, she was already in xia city.

At this time, she was sitting on the edge of the bathtub in the bathroom. Tang Zheng turned on the bathwater, then squatted down and undid her clothes.

he didn't have much expression on his face, but he was very serious and careful, as if he had a lifetime to do this.

PEI Qiqi grabbed his hand and lowered her eyes to look at him. Her voice was hoarse, "Tang Yu, I want to go to the hospital.

tang yu's fingers stopped. then, he looked up at her little face-

"What's the point of you going there?" he asked after a long time.

he did it to save me, Hanhan. PEI Qiqi closed her eyes, "Tang Yu, you have no idea how much blood he bled when I saw his car crash into the other side and roll around in front of me.

at that time, she knew what jinrong wanted to say, so she lied to him. she told him that as long as he was alive, she would be with him. however, jinrong still couldn't wake up.

He didn't say anything, his deep eyes locked onto her small face.

"i want to go and guard him. even if it's just looking at him, even if it's just feeling a trace of his breathing, i will feel more at ease." tears rolled down from the corner of pei qiqi's eyes. they didn't fall into her long hair by her ears and stained her little face. they also stained his heart.

tang yu's fingers caressed her face. her face was cold. he touched it for a while, then said in a hoarse voice, "qiqi, i know how you feel. i'm sad too,"

he pressed his forehead against hers. "after a while, when my aunt has calmed down a little."

PEI Qiqi was stunned. She pushed him away and looked at him straight.

Her eyes were sharp, like the expression of a small animal after it was injured.

His heart ached when he saw her. He rubbed her little face with his fingers and said in a low and hoarse voice, "Qiqi, it's not your fault, Zhenzhen.

"it's my fault." Her voice was soft and a little dazed, "Tang Yu, if it wasn't for me, jinrong wouldn't be in trouble, Hanhan.

all of a sudden, she pushed him away and ran to the door like a mad woman. her clothes were in a mess and she was barefooted, but she didn't care. she ran to the door like a mad woman.

tang yu took a few steps and pulled her back. her slender body was firmly held in his hand. she was so fragile that she looked like she would break at any moment.

PEI Qiqi, if you go now, you will only make my aunt feel worse. Do you understand? ” he locked his eyes with hers, his gaze heavy.

pei qiqi didn't move. she didn't move at all. her eyes were fixed on him in a daze.

after a long time, she finally understood what he meant.

because of her, jinrong had become like this. she was not welcome.

she stood there in a daze, not saying a word, not moving, and just sobbing.

Tang Zheng closed his eyes and reached out to hold her carefully in his arms. His big palm pressed her small head. Qiqi, be good, Qianqian.

pei qiqi's little hands clutched his clothes tightly and she cried in his arms, ” tang yu, i don't want to be like this. i don't want him to be like this. i'd rather it be me. ”

Her fingers dug deep into his flesh. Tang Yu was in pain, but he endured it. He just hugged her. His body and heart felt heavy.

The next time she saw Lin jinrong was a week later. Under Tang Yu's arrangement, she met Lin jinrong.

lin jinrong had become a vegetable with breathing and a heartbeat. his head was wrapped in gauze and he lay quietly.

Tang Yu stood there silently for a while before he walked out. When he walked out, he heard PEI Qiqi's suppressed cries.

He raised his head, lit a cigarette at the door, and took a puff in frustration.

Chapter 264 Tang Yu is the one I love (3)

pei qiqi stood in front of lin jinrong and said softly, ” “Jinrong, I'm here to see you.”

But he couldn't hear her. He was still lying there quietly.

“i haven't said thank you to you yet.” Her hand gently grabbed his hand. Because she had been lying down for a long time, her hand was a little hard and pale because of her lack of strength.

PEI Qiqi lowered her head and looked at his hand. Her tears fell drop by drop.

she quickly reached out to wipe her tears. she couldn't cry. jinrong was still fine.

She really hoped that he would open his eyes and look at her, ” PEI Qiqi, you said before that if I didn't die, you would be with me.

But jinrong, I lied to you!

i fell in love with someone else. is it because i'm punishing you for lying to you? is that why i took you away? is that why you can't wake up? yingluo.

After you wake up, I won't lie to you anymore, okay?

She held his hand tightly and said in a choked voice, ” you're going to be a father. How can you not wake up? ”

but no matter how much she said, lin jinrong continued to lie there quietly and lifelessly.

He couldn't get up anymore. He looked at her, " PEI Qiqi, are you with Tang Yu? "

"pei qiqi, i can give you what he can."

"leave him and be with me."

PEI Qiqi, how does it feel to be a pet? look at yourself. Can you still smile? "

" pei qiqi, i didn't forget. i slept with pei huan. we're the same now, yueyue. "

His smile turned pale, but he would never say those words to her again, Hanhan.

She burst into tears, crying softly and quietly, but he did not frown like before. "pei qiqi, you're not happy?"

When she walked out, her legs were soft and her eyes were a little red.

Tang Yu heard the door close. He put out the cigarette and turned to look at her.

Then, he walked over and reached out to pull her into his arms. He didn't say anything and just rubbed her fluffy head. Her small hands hugged his waist tightly and she closed her eyes.

.....

PEI Qiqi received a call from PEI Huan. In the end, they decided to meet at a coffee shop.

because of what happened last time, tang yu sent two bodyguards to follow pei qiqi. wherever she went, they would follow.

PEI Huan was the first to arrive. She took off her sunglasses and laughed coldly, " "With such a big crowd, are you afraid that I'll harm you?"

PEI Qiqi turned her head and gestured to the two people. They retreated outside the cafe.

she turned around and saw pei huan take out a cigarette box from her bag and open it. she took out a long and thin cigarette, lit it, and squinted her eyes as she took a puff.

PEI Qiqi paused for a moment. Before she could say anything, PEI Huan spoke first, " don't say things like smoking is bad for the child. I'm going to abort the child!

she said it so casually that pei qiqi was stunned.

The child was aborted?

"yes, they did! However, I took 50 million from the Lin family and told them that I would give birth to the child." PEI Huan took another puff of her cigarette and smiled. but how can I give birth to this child in this state? I can't even take care of myself.

PEI Qiqi looked at how cold-blooded she was and her entire body turned cold, " that's Lin jinrong's child. Don't you feel any guilt? "

"Can guilt be eaten?" pei huan raised her beautiful face, " pei qiqi, we're different. i have nothing now. i'll divorce lin jinrong sooner or later. this child shouldn't exist in qianqian's life. "

Chapter 265 Let's get engaged (part one)

pei qiqi looked at her and was speechless.

pei huan flicked the cigarette in her hand skillfully. " i didn't ask you to come today to talk about this. i wanted to ask if you would be willing to let my mother off? "

"I didn't know that you could still think of Auntie at a time like this!" PEI Qiqi lowered her eyes, " it's not that I don't want to let her off. She's the one who doesn't want to let herself off.

Didn't PEI Huan and Zhou Meilin feel any guilt towards jinrong in the hospital?

when she asked this, pei huan laughed softly. she laughed so hard that tears came out. she rested her face on her arm and didn't move for a long time. when she looked at pei qiqi again, her expression was mocking, " guilty? PEI Qiqi, are you joking?"

her voice became a little cold,"he became like this because of you. you want me to feel guilty?" pei qiqi, are you kidding me!"

pei qiqi picked up the cup of cold coffee and tasted it. it was very bitter.

He looked up at PEI Huan. I can't help you, and you can't help me either. PEI Huan, take care of yourself!

After saying that, she stood up. As she stood up, she accidentally took a step back, and the chair behind her made an ear-piercing sound.

pei qiqi paused for a moment and then walked towards the door.

"PEI Qiqi, you ruined my life!" I will never forgive you, " PEI Huan said sternly. I will never admit that I have a sister like you.

pei qiqi paused but didn't turn around. she only said lightly, " "pei huan, me too."

She raised her head, and her tears fell silently.

if she had a choice, she would choose not to appear in the pei family. then, father, then jinrong would not have been in trouble. they would have lived well and peacefully.

When she reached the door, the bodyguards immediately followed. PEI Huan just sat there and watched quietly.

.....

zhou meilin was sentenced to ten years in prison for attempted murder.

In the court, she looked Haggard and her expression was a little dull.

As for PEI Huan, she didn't attend. The Lin family knew about her abortion. The Lin family didn't pursue the 50 million but found a lawyer to file for a divorce.

she believed that jinrong would make the same decision when he was awake.

it was already autumn when the verdict was established.

Walking out of the court, the sun outside was not as hot as it was in the summer. It was hot. PEI Qiqi looked up and her heart was in turmoil. It was as if she had returned to the day when jinrong got into trouble.

Tang Yu accompanied her and placed his hand on her back, " get in the car!

PEI Qiqi sat in the car with him. The car was dark, making her face appear even more thin.

after lin jinrong's accident, she couldn't sleep for a long time. sometimes, when tang yu slept beside her, she would just look at his side profile until dawn.

she was silent for a while before she looked up at tang yu, " i want to go to the hospital. "

Tang Zheng was holding a laptop and browsing the company's documents. When he heard her words, he put down the things in his hand and looked at her in the dark.

After a long time, he asked softly, " Qiqi, Are you sure? "

tang yu, i didn't mean it that way. " she lowered her eyes. " i just want to see him today. "

because the murderer had been arrested, she thought she should tell jinrong.

tang yu's body leaned against the back of the seat. his clothes and the leather seat made a slight rustling sound. after a long time, he said softly, " but you should know that it's not suitable for you to meet him. "

Jinrong got into a car accident and became a vegetable because of her. She was going to marry him in the future and even get engaged soon. It was obviously not the right time to see jinrong like that.

Chapter 266 let's get engaged (part two)

Although she was young, Tang Yu wouldn't always indulge her.

it wasn't that he was cruel, nor was he jealous. it was the reality that he had to be wary of.

pei qiqi turned around and looked at his expression. she knew that he wasn't in a good mood.

she knew what was good for her. in the past month, tang yu had tolerated her too much.

Her fingers gently touched his hand. Tang Yu didn't move. He turned his head and looked out the window.

PEI Qiqi called out to him like a kitten again, " "tang yu."

he couldn't bear to be cold to her for too long. he turned his head and looked at her. " qiqi, i hope we can get engaged during mid-autumn festival. "

engagement?

pei qiqi was stunned.

he grabbed her and said in a seductive voice, " didn't we agree on this earlier? "

The atmosphere was a little suffocating. In the dim light, he looked at her with a burning gaze, not letting go of any of her expressions.

PEI Qiqi looked back into his eyes and felt like her throat was blocked. She couldn't say a word.

she couldn't say yes, and she couldn't refuse.

tang yu had always given in to her, but this time, he was unusually determined and strong, ” after mid-autumn, on the 16th, we will get engaged. ”

These days, she had been afraid and immersed in the emotions of jinrong getting into the car for her. He could understand it, but Qiqi did not know that he was afraid too.

he did not know what would have happened to her if jinrong had not appeared.

A vegetable? He’s still not here, Yingluo.

He held her hand and pulled her into his arms, holding her a little tight.

Qiqi, I know this is not a good time, but I don’t want to change. he trapped her in his arms, lifted the hair on her forehead, and looked down at her small face.

pei qiqi’s heart was beating very fast. he smiled, ” it won’t be grand, but it will be very heartwarming. ”

She looked up at him and said in a hoarse voice, ” you said it’s not a good time.

She couldn’t face the Lin family and couldn’t be happy with Tang Yu in front of them.

His fingers gently stroked her long hair and he smiled. although it’s not a good time, I want to book you, Hanhan.

he had to admit that he had been provoked ...

that day, when he rushed to the scene of the accident, he saw her kneeling there and kissing jinrong.

He couldn’t be jealous of jinrong, nor could he get angry at her, but the only thing he could do was to have her.

PEI Qiqi’s lips moved slightly. She reached out her trembling hands and hugged his waist.

her face was pressed against his chest, and at that moment, she felt that she was being very selfish.

Jinrong had become like this because of her, but she still wanted to be with Tang Yu.

Tang Yu, will I receive retribution? ” she asked in a soft voice, her heart heavy.

He caressed her face with his fingers and a bitter expression appeared on his face. why would I? even if I have to be punished, I would be the one to be punished. why would he punish my qi qi?”

She nestled in his arms like a small animal.

Tang Yu’s heart felt like it had sunk into a pool of water. For the past month, they had been depressed, so he didn’t touch her.

that night, he didn’t want to suppress hanhan.

PEI Qiqi came out of the bathroom and saw Tang Yu leaning against the head of the bed. He was only wearing a bathrobe and one of his long legs was bent. He was smoking. When he saw her coming out, he immediately put out the cigarette and reached out his hand to her.

Chapter 267 Let’s get engaged (part three)

she walked over and knelt beside him. she placed one hand on his shoulder and naturally leaned over to kiss his lips.

Although they had done this many times, Tang Yu never got tired of it.

he pressed his palm on the back of her small head and gently pulled her into his arms. under the dim yellow light, the bathrobe slid down and he threw it to the end of the bed.

That night, she gave her heart and body to Tang Yu.

.....

Before the engagement, PEI Qiqi went to visit Lin jinrong. She didn't tell Tang Yu.

Lin jinrong was moved to the sanatorium and was taken care of by the nurses. The Lin family would come over every day, especially Lin jinrong's mother.

pei qiqi found a free time to come over. there was no one there, only two nurses.

The nurse knew PEI Qiqi and she was smart enough not to tell Mrs. Lin that PEI Qiqi would occasionally come over. It was obvious that this girl was a sentimental person.

when pei qiqi came over, they went out and stood guard outside.

PEI Qiqi closed the door and walked to the bed.

It had been more than a month and Lin jinrong's external injuries were almost completely healed. However, he was still in a deep sleep. Other than his face being a little pale, he really looked like he was sleeping.

pei qiqi gently sat beside him and placed his hand under the blanket.

She looked at him quietly and said in a hoarse voice, " jinrong, I'm getting engaged to Tang Yu. We'll probably get married in the future, right, Yingluo? "

Her lips turned bitter, " jinrong, I thought I would never like anyone else again. But after meeting Tang Yu, I finally realized how it feels to be loved by someone.

" you'll definitely be angry. you'll definitely say,'pei qiqi, you're not sincere.'" She touched his palm. but jinrong, I might really make you angry this time.

She closed her eyes and placed his hand on her face. I'm in love with him. I'm in love with him. as she spoke, her tears fell and stained his palm.

" jinrong, i'm sorry, yueyue. i didn't want to, but i can't resist. " She gave a shallow smile and looked at Lin jinrong with tears in her eyes.

at this moment, she understood all too well that jinrong was lying here for her and might be in a vegetative state for the rest of his life. but that didn't stop her from wanting to marry tang yu.

she really fell in love with the man who bought her. she really, really loved yingluo.

His body temperature warmed her cold heart that had no place to rest.

so, jinrong, i'm sorry, i'm sorry, wanwan.

Lin jinrong's mother stood outside and watched. Of course, she heard about Tang Yu's engagement. Of course, elder Lin was against it and called Lin Yun over to scold her.

Although Tang Yu's position in the Lin family was important, jinrong was the Lin family's life. So, Lin Zhennan strongly opposed this marriage.

Lin Yun was in a difficult position, but she didn't say anything.

in her heart, she had some resentment towards pei qiqi. if she liked jinrong, why did she provoke tang yu?

Moreover, jinrong had become like this for her. In Mama Lin's heart, she didn't want to see PEI Qiqi often in the future.

PEI Qiqi would come over sometimes. Tang Yu arranged for it so she wasn't completely unaware.

she didn't stop him because she always had hope in her heart that pei qiqi was in jinrong's heart and that pei qiqi could wake jinrong up ...

however, she had looked forward to it time and time again, only to be disappointed again and again.

Chapter 268 qiqi, are you proposing?(1)

when pei qiqi left, her eyes were a little red. she opened the door and bumped into mother lin!

"if you don't mind, then let's chat!" mother lin forced a smile and brought pei qiqi to a tea room that was attached to the nursing home.

pei qiqi sat on both sides of her. she lowered her head and didn't say anything.

Mother Lin looked up at her. Her face was indeed as pretty as a painting. No wonder jinrong and Tang Yu liked her.

The waiter in the tea room knelt down and left after pouring the tea. Mother Lin was always from a good family and had a good upbringing. She said lightly, "have some tea first!"

pei qiqi nodded, "yes!"

She took a small sip and then looked at mother Lin. Mother Lin had been looking at her.

"You're indeed very good-looking, but sometimes, it's not a good thing to be too good-looking," Mama Lin smiled slightly, but because of Lin jinrong, she had lost a lot of weight and always looked depressed.

she looked at pei qiqi and slowly said, "i know what happened between you and tang yu. tang yu also told old master that he wanted to marry you, but old master didn't agree. as for the reason, i think miss pei understands."

mother lin paused for a moment, "i've never seen the old man so angry. tang yu's mother was the old man's favorite. but that day, she broke her teacup and almost got hurt."

PEI Qiqi looked up, her eyes filled with shock.

of course, I'm not saying this to make you back off. I'm just telling you that this marriage isn't that easy. Tang Yu respects the old man very much. If the old man insists on not agreeing, then Tang Yu will be caught in the middle. You probably don't know this, but Sheng Yuan is the Union between the Tang and Lin families. Otherwise, you would think that Tang Zhiyuan and Tang Yu's mother are

divorced but still kept in touch. This is something that's broken but still connected. Now ... he's not optimistic about either side. miss pei, you should be more understanding of tang yu."

After Mrs. Lin finished speaking, she lowered her head and took a small sip of tea before continuing slowly and heavily, "I know you're a good girl. If so many things didn't happen, maybe we would be mother-in-law and daughter-in-law. However, things in this world are just like this. We can't explain it clearly and can't understand it. We'll never know what will happen tomorrow.

pei qiqi looked at her and raised her head, "i know all of this. "

How could she not know? but Tang Yu had never told her.

he said,"it won't be grand, but it'll be heartwarming."

Behind his back, everything that he had suffered might not have been so heartwarming.

what he had to face was probably old master lin's teacup.

mama lin smiled faintly. "it's good that you know. "

PEI Qiqi's eyes were firm, "but I will not back down.

Tang Yu was willing to stand against everyone for her. Those people were his closest family. Then, why couldn't she be selfish for him?

only for love.

"auntie lin, i'm sorry. i owe jinrong and i owe you even more. but i truly love tang yu. "

PEI Qiqi lowered her head and felt a little ashamed. However, she still said it bravely, "

"maybe everyone will forgive me for leaving tang yu to repay jinrong, but i can't forgive myself for hurting jinrong and tang yu. "

after pei qiqi finished speaking, her tears fell. she didn't wipe them away and stood up.

as she walked out, she felt more courageous than she had ever been.

she, pei qiqi, had never been so brave before. she had never dared to say so loudly-

she loved tang yu!

Chapter 269 qiqi, are you proposing?(2)

She didn't go back to the PEI Corporation. Instead, she went straight to Tang Yu's company.

no one stopped her, and she ran straight into his office.

tang yu was sitting on the sofa with a cigarette between his fingers. he was wearing a simple white shirt and black pants that outlined his noble figure. in front of him were two exquisite teacups.

PEI Qiqi opened the door. Her breathing was still a little messy. She looked straight at him and didn't move Xuxu.

tang an raised her eyes and looked into her eyes. she then put out the cigarette slowly as if she was waiting for something.

PEI Qiqi gently closed the door and ran over. She knelt down in front of him and looked up at him.

from this direction, she could see his good-looking chin and high nose. he was extremely noble.

” tang yu, let’s get engaged, okay? ” there was a touch of emotion on her small face as she looked at him eagerly.

Tang Yu didn’t help her up. He smiled, ” Qiqi, are you proposing to me? ”

“yes!” pei qiqi pursed her lips. her voice was so soft that it was almost inaudible, ” mr. tang, are you willing? ”

In Tang Yu’s eyes, there was a hidden gentleness. After a long time, he smiled, ” I’m willing. this scoundrel!

her small hands hugged his waist and she kissed his chin in a flurry.

“Qiqi, this is the office.” He smiled. Although he said that, he did not stop her.

PEI Qiqi didn’t care and kissed him randomly. Then, she climbed into his arms, ” you used to kiss me like this too.

Alright! he hugged her and couldn’t bear to tell her that her performance had been left behind in yingluo’s place.

A light cough came from behind him, followed by an old voice, ” ” it’s broad daylight, and they’re hugging in the office. what a scandal! ”

PEI Qiqi jumped in shock and looked over. She saw an imposing old man!

he had an old-fashioned face, white hair, and was wearing a long green robe.

in fact, no one wore this these days, but this old man didn’t look out of place when he wore it. he just felt that he looked very majestic.

pei qiqi was still hugging tang yu. she struggled and wanted to get off but she was too flustered. she accidentally tied her long hair onto his shirt button.

His scalp hurt like hell when he pulled it.

PEI Qiqi was scared out of her wits and didn’t dare to move. She whispered to Tang Yu, ” “my hair is entangled.”

tang mo lowered his head and looked at the black hand hair that was entangled in his chest.

He smiled and pressed her fluffy little head, saying softly, ” “Don’t move!”

As he spoke, he patiently began to untie his tangled hair. PEI Qiqi lay in his arms while Lin Zhennan and old master Lin were left to the side.

he reached out to touch his nose and coughed unhappily. ” i’m still here. ”

pei qiqi wanted to get up but once she felt the pain, she fell back down obediently.

Tang Yu patted her. His expression was calm as if he had done it countless times, ” behave yourself. If you don’t want to hurt, don’t move.

She really didn’t dare to move anymore. Firstly, it was because of the pain. Secondly, she really didn’t know how to deal with the Furious old master Lin.

the furious old man glared at tang yu!

He wasn't old and his eyes weren't blurry. He also hadn't forgotten his character. Before this girl came, he clearly told Tang Yu that he didn't agree to this marriage. What was Tang Yu doing now?

Chapter 270 Qiqi, are you proposing?(3)

not only was she hugging this girl in front of him, but she was also hugging her like a little pet!

What, are you giving me wool?

He didn't like it no matter how he looked at it. When they were young, how could they act like this when they weren't married? they were so amazing just by holding hands, Yingluo.

Grandpa Lin glared at Tang Yu. However, his precious grandson acted like he didn't see him. He slowly pulled PEI Qiqi's hair out and patted her back, " get up and call me Grandpa.

pei qiqi raised her head and looked at him.

Tang Yu smiled, " didn't you just say you wanted to marry me? "

PEI Qiqi got up and carefully stood up. She looked at the old man who was obviously not to be trifled with and softly called out, " "Grandpa."

"I don't have such a granddaughter." the old man was finally being looked at. he snorted, sat down, and took a sip of tea from the exquisite teacup.

PEI Qiqi's body turned as he did. She half-knelt and naturally picked up the teapot to refill his cup. Then, she said softly, " "She's my granddaughter-in-law."

grandpa lin raised his beard and stared at pei qiqi's face. his voice became even sterner, " you little girl, how dare you talk back! "

He didn't like this kind of unreasonable behavior.

" tang yu, split it with this girl now. calculate how much you should give her. not a single cent less. " old master lin had the air of a dissolute young master who had cut off all contact with a famous courtesan.

tang yu smiled. he had always been calm and collected. in fact, before pei qiqi came, he had already comforted his grandfather a lot. otherwise, he wouldn't be like this.

" grandpa, qiqi is still young. she's different from those women out there. " Tang Yu also drank some tea. Then, he looked at PEI Qiqi and snorted, " you only know how to please Grandpa. You don't even know how to refill my cup of water.

PEI Qiqi had never acted like a little wife before. She quickly went over to pour him tea.

After she finished, Tang Yu didn't let her go. He grabbed her hand and pulled her onto his lap.

he had long arms and legs, and she looked like a child sitting in his arms.

Elder Lin couldn't take it anymore. He looked at his grandson, who always looked serious, " Tang Yu, what's so good about this girl? although her face is okay, she doesn't have any breasts or legs P She's so skinny!

“I’m not going to eat it in the pot!” Tang Yu looked at the struggling kid in his arms and said slowly, “Actually, I’ve always liked to eat ribs.”

PEI Qiqi was so angry. He actually said dirty things in front of Grandpa Lin!

before he could say anything, lin zhennan’s eyes widened again. ” tang yu, you’re wasting your time by doing this. ”

pei qiqi was a little annoyed, ” i’m not a thing! ”

The moment she finished speaking, she bit off her tongue in hatred!

What was she saying!

Obviously, Tang Yu and Grandpa Lin were shocked as well. They didn’t think that PEI Qiqi would demean herself like this.

After a pause, old master Lin stroked his beard and said mockingly, ” “they say that a woman without talent is virtuous! your stupidity is a good thing.”

PEI Qiqi bit her lip and her face blushed.

tang zheng chuckled. ” quickly thank grandpa for his praise. ”

“it’s not a compliment!” PEI Qiqi pursed her lips. Her previous intention to please him was gone and she felt a little embarrassed.

Lin Zhennan looked at her and found it interesting. However, he didn’t show it on his face. Instead, he put on a straight face. you don’t mind her being so stupid, Tang Yu? ”
