

Thank you 2611

Chapter 2611: If you dare to touch me, I'll sleep with Gu ze 2

gu ze was stunned.

Did she cry just now?

Was she thinking of someone else when she was by his side?

His heart was as heavy as water, but he still gave her the greatest gentleness. He reached out and gently wiped the tears from the corner of her eyes, smiling. "I'll send you up!"

qin mu lowered his eyes and controlled his emotions. he then said in a low voice, "No need, Gu ze. Thank you."

she placed her fingers on the car door. "also, i, yingluo, am not thinking about the future now. gu ze, do you understand what i mean?"

...

"i understand. i respect you, but i won't give up!" He looked at her and reached out his hand at the same time.

His finger was hanging in the air, and he seemed to be considering where to put it.

After a long time, he finally landed and touched her cheek. It only took a few seconds.

qin mu's gaze was a little straight, but he didn't avoid it.

"don't look at me like that anymore, or i'll kiss you again!" His voice was slightly hoarse.

qin mu's body fell heavily on the back of the chair behind him. then, he said in a low voice, "Gu ze, I'm sorry!"

she opened the car door and got out of the car.

but her arm was caught, and she fell even harder into the back seat. then, his hot lips came over and rubbed against her warm and numb legs, almost crushing her.

Qin Mu wanted to struggle, but he suppressed it!

gu ze was gentle, but when necessary, he could be more boorish than anyone else.

especially for her, he had not had a woman for too many years, and at this time, she was lying so weakly in his car.

Her resistance was so weak that it aroused his unprecedented desire to conquer her.

he almost couldn't control his emotions as he kissed her, caressing her spine, ignoring her struggles and resistance.

slowly, qin mu lost his strength. his body fell limply into the back seat, allowing him to do whatever he wanted.

She even returned Gu ze's kiss.

Two slender arms hung around his neck, and she kissed him seductively. It was the kind of kiss that ignited her passion.

She was a mature woman and had countless experiences with Zhou chongguang. She knew how to ignite a man's passion.

Gu ze originally only wanted to kiss her and would probably stop there, but right now, there was a ball of fire in his arms.

he was almost going crazy.

however, just as he gave up everything and was about to carry her onto his body, qin mu let go of him. she leaned her head on the back of the chair, and a faint smile appeared on the corner of her mouth. ” gu ze, i don’t feel like i don’t want you after we kissed for so long! ”

gu ze’s hands were on both sides of her body. his short black hair was covered in sweat, and his eyes were clear as he looked at her. “we can still try.”

“even if i try again, it’s still a physiological test!” qin mu turned his face away, ’gu ze, let’s stop here! i won’t make things difficult for you, and you won’t make things difficult for me, okay?”

He didn’t make a sound for a long time and just looked at her.

qin mu turned his head and looked at him. he smiled slightly. I tried Gu ze just now. I really didn’t feel anything.

he finally moved back a little, and there was a touch of pain in his deep eyes. ” “Does your Qianqian only have feelings for him?”

qin mu cleverly chose not to answer.

Gu ze also cleverly chose not to ask anymore.

He slowly fell back to his seat and covered his eyes with his hands. After a while, he said, ” Qin Mu, you’re the only one I’ve experienced so many setbacks. But sadly, I still don’t want to give up.

Chapter 2612: if you dare to touch me, i’ll sleep with gu ze 3

It wasn’t that he and Qin Mu were impossible, but there were too many people and things between them.

“i’m sorry!” qin mu lowered his voice.

“No need to apologize, you have no obligation to like me!” “i’m sorry, it’s me. i forced a kiss on you!” he said in a hoarse voice.

“so far, there are no moral constraints.” Qin Mu smiled and said,”so, don’t blame yourself!” But if there’s a next time, we won’t even be friends, Gu ze.”

gu ze’s eyes lit up again.

she said she was willing to be friends.

...

He looked at her for a long time before he said in a low voice, ” “i’ll take you to the elevator.”

she hummed in agreement and did not refuse.

She also realized that the key to dealing with this man was not to refuse, but to obey.

if she had let him send her up from the start, she would not have suffered from this forced kiss.

Qin Mu realized that he had also learned how to speak insincerely. She told him not to blame himself and that they could be friends, but damn it, she didn’t think like that at all. She would stay far away from him the next time and never appear in front of him again.

Five minutes later, Qin Mu said goodbye to Gu ze at the elevator. Gu ze stood outside for a long time before leaving.

meanwhile, qin mu was in the elevator, thinking of brushing his teeth in the bathroom when he got home later. it was fine if she was forced to kiss someone, but she would be stupid if she was forced to kiss a man twice.

The elevator door opened with a ding.

she lowered her head to get the door card, but she did not notice the figure standing at the door. in the blink of an eye, she was pressed against the door.

a huge pain came from the back of his head, and qin mu yelped-

today must be the day of the water's reverse.

when he opened his eyes, what he saw was zhou chongguang's indignant face.

just by looking at his face, she could guess that he had seen yingluo see her kissing gu ze.

If Gu ze came up with her now, was he going to break Gu ze's legs?

qin mu looked at zhou chongguang and said very indifferently, "mr. zhou, can you explain your actions? If you can't explain, I'm going to call the police!"

"Call the police?" he sneered, still holding her down. "tell the police that your ex-husband is going to rape you?"

Qin Mu was furious. He stretched out his foot to step on him.

and zhou chongguang restrained her in a few moves, his voice low and hoarse, "Did you call the police when Gu ze kissed you? hmm?"

"does it have anything to do with you, mr. zhou?" "i don't think i need your permission to kiss someone!" qin mu laughed coldly.

She could smell the alcohol in his mouth and knew that he had been drinking, so she didn't want to be entangled with him.

the man in front of her was a married man, her ex-husband.

they had just agreed not to see each other for the rest of their lives, so what was he doing now?

Qin Mu was a little angry and aggrieved, but she was not willing to show weakness in front of him.

She pursed her lips and glared at him.

“Do you treat Gu ze the same way?” not only did he not move away, but he also touched her slightly swollen lips, his eyes filled with pain.

He had thought that kissing her was his exclusive right, but that was not the case anymore. She was someone else’s now.

she could kiss whoever she wanted.

it just can’t be him, right?

in zhou chongguang’s eyes, there was a hint of viciousness. then, he pressed down on her small head and wanted to kiss her. he wanted to wash away the smell of other men.

However, the moment he touched her lips, she said in a cold voice, ” Zhou chongguang, if you dare to touch me, I’ll immediately go to bed with Gu ze tomorrow.

zhou chongguang’s body stiffened almost immediately, and he looked at her in disbelief.

Chapter 2613: If you dare to touch me, I’ll sleep with Gu ze 4

he looked at her in disbelief, not daring to believe what he had just heard.

What did she just say?

“i’m not joking, zhou chongguang, don’t force me!” Qin MU’s head leaned against the wall. I hate to be entangled with you. Zhou chongguang, why don’t you stay away from me? you let me see such a scene and now you’re accusing me of kissing someone else? ”

“this is so funny! You should go back and kneel to Gu Mei to repent!” she said coldly.

His body was still stiff, and he finally spoke after a long time, ” “is that what you think?”

“Yes!” Qin MU’s tone was firm.

...

he squinted his eyes at her and took a step back. only then did qin mu realize that he was drenched.

it was from the water on zhou chongguang’s body.

She pursed her lips. Had he been running in the rain for an hour?

the marble at the door was also filled with water. the water that had been squeezed out from his clothes was enough to raise fish.

She then realized that his body seemed to be very hot just now.

qin mu’s body leaned against the door and looked at him stubbornly.

zhou chongguang retreated step by step, his voice carrying a hint of coldness. ” ” i know. qin mu, i won’t disturb you again. ”

he had drunk a little too much, so he had come to find her.

he laughed at himself. actually, every word she said just now was right. what right did he, zhou chongguang, have to come and argue with her?

Other than, other than the fact that he still loved her, he had nothing else.

Or, she only needed money, money that she didn’t need.

he had nothing left. he staggered back with zhou chongguang and finally entered the elevator.

when the elevator door closed, he and qin mu's eyes met. that second when the door closed seemed to have become eternal.

qin mu's legs were a little weak, but she still stood there. she suddenly felt very tired.

two men in one night, she was exhausted.

She walked into her house and turned on the bath water while calling Qin Chen. "Qin Chen, I should be leaving soon."

"So urgent?" the person on the other end laughed lightly.

"no." "i just want to take a break," she said in a choked voice as she looked up.

"I'm guessing that you were kissed by a man tonight!" Qin Chen's voice was calm.

qin mu was silent for a long time, but he still told the truth. " "it's gu ze. it was just a forced kiss!"

qin chen was quite surprised. he had heard from his brother that gu ze liked qin mu, but yingying was also quite courageous. his own sister had become the wife of qin mu's ex-husband, and now he was chasing after mumu. after this was done, their relationship would be too subtle.

qin chen's head hurt just thinking about it, so he asked his little mumu, " "you're moved?"

"no, i didn't!" qin mu reached out to push the water away and said, "i rejected him!" in the future, i'll just hide a little."

she thought that if it wasn't for gu mei, in this current situation, a man like gu ze might be the right man for her. however, in terms of status, she really couldn't accept it.

"Mumu, you've already been moved!" Qin Chen smiled.

“no, i’m not coming!” Qin Mu was a little coquettish.

qin chen didn’t joke with her and only gave her a few instructions.

qin mu hung up the phone. he was alone in the huge house again. she soaked in the bathtub and took a stroll.

she lived a rich life and had nothing to complain about, so she made herself look miserable.

She was just a little lonely after having a taste of such a wonderful married life.

At that time, she really thought that she and Zhou chongguang would spend the rest of their lives together.

Chapter 2614: If you dare to touch me, I’ll sleep with Gu ze 5

Qin Mu didn’t want to think too much. He got up and took a bath towel to wipe himself clean. Then, he put on a bathrobe, combed his long, curly brown hair behind him, and walked to the dressing table in the master bedroom.

this was newly added. in the past, qin chen didn’t use this thing, and he lived like a man.

in the changing room, there were all kinds of high-end luxury watches, wallets, belts, and so on.

qin mu was a girl, but he definitely didn’t have half of qin chen’s luxury.

Qin Chen was the kind of person who looked indifferent but had very high requirements, so if Lan Yu wanted to get Qin Chen, it would be easier to land on the moon.

Qin Mu sat in front of the dressing table and squeezed out some skincare products, carefully taking care of his skin.

...

she was only 23 years old, and she would not give up on him because of a divorce.

perhaps one day, she would meet her mr. right. it would not be good if it was an old woman there.

qin mu patted his skin in front of the mirror. at this moment, the phone beside him rang. she picked it up and took a look.

It was Zhao Ziyi.

it's so late, why is he looking for me?

qin mu hung up immediately. it was just zhou chongguang's matter. she did not have a good impression of zhao ziyi.

however, just as she hung up, her phone rang again.

There was no end to it!

Qin Mu was a little angry and threw his phone away. When it was still ringing, she turned it off.

she felt that it was necessary for her to stay abroad for a year and a half before coming back. by then, she should be able to live in peace.

he would leave the gallery to xue 'er. if she couldn't do it, her brother would help her.

qin mu calculated rather insidiously. thinking about it, he turned two rounds on the soft bed. after taking a shower, his body felt comfortable, and his mood became better.

however, there were some people who obviously didn't want her to be in a good mood.

half an hour later, while she was watching tv in the living room, there was an urgent knock on the door.

Qin Mu let out a long breath and ignored him.

however, that voice was really hard to ignore. she thought for a long time and finally walked over.

Through the peephole, he saw Zhao Ziyi's face, which looked somewhat unfriendly.

Qin Mu opened the door and was just about to speak when he saw Zhou chongguang lying on the ground at the side.

Zhao Ziyi stretched out his leg and gave Zhou chongguang a kick. "I've sent the person over, you can do as you see fit!"

Qin Mu was almost going crazy. He could tell at a glance that Zhou chongguang was drunk. What was the point of bringing him to her place like this?

" get him a doctor. he's almost 40 degrees and has been drinking all night. " zhao ziyi's gaze was fixed on her, his voice cold, " it's fine if you want to be with gu ze, but don't let chongguang see you. otherwise, he won't be able to take it and won't be able to live! "

Qin Mu laughed coldly. no one can't live without someone. Why don't you ask him how he felt when he was kissing a small star in the car? why is he pretending to be a Casanova now? "

qin mu slammed the door in front of him.

this time, she would rather die than drive it!

Zhao Ziyi looked at the closed door and let out a long sigh. He gave Zhou chongguang another kick. He really didn't want to care and even more so didn't want to drag him over to Qin MU's place. However, Zhou chongguang was not willing to let him not come here.

a dejected drunk man was as scary as it could get!

also, what was the small star that qin mu mentioned just now?

Did he really get intimate with someone in front of Qin Mu?

zhao ziyi knew that chongguang and the women outside, none of them were real. most of them were just to provoke gu mei. how did she end up meeting qin mu?

Chapter 2615: Is he as good as I am?(1)

Zhao Ziyi squatted down and patted Zhou chongguang's face. alright, I'll take you to the hospital. Don't embarrass yourself in front of your ex-wife. I'm embarrassed for you!

if it wasn't for the fact that the lower half of her body was dishonest, how would she be where she was today?

at first, he did not want to bother qin mu, but he had no choice. if this dragged on, even if zhou chongguang did not die, he would probably turn stupid from the fever. a high fever and alcohol, did he not want to live?

zhao ziyi smiled at qin mu, with a kind of rascal-like meaning."then i'll be leaving!"

"i won't care about him." qin mu stared at him.

zhao ziyi looked at her. "then he deserves it."

...

As she said that, she really cared about Zhou chongguang's life and left.

qin mu banged on the elevator door, extremely furious. even if he tried to drag zhou chongguang away, he would not be able to.

however, the elevator had already gone down and reached the first floor.

qin mu looked at the red words, bit his lips, and mumbled.

Then, she ran back home, wanting to call Sheng Yuan hospital to drag the drunkard and the patient away.

However, as soon as she entered the room, she was hugged from behind.

Zhou chongguang's body was burning hot, and the wet clothes on his body were almost dried up. He said in a hoarse voice, "mumu, don't go!"

Qin MU's body didn't move. She said quietly, "Zhou chongguang, don't use the alcohol to be a hooligan. Zhao Ziyi may believe you, but I won't.

He had already lost his trust in her.

She reached out and wanted to break free from him. She had thought that sick people were weak. After all, he was lying on the ground like a dead pig just now, but now he was full of energy.

"I'll call the ambulance." Qin Mu was a little annoyed that he couldn't break free.

His head was on her shoulder, and his voice was deep."mumu, the doctor can't cure me."

The alcohol that he spat out was very strong, making her wonder how much he had drunk, and he was indeed very hot.

qin mu didn't want to be entangled with him, but he wasn't so vicious as to hope that he would hang up. thus, he softened his voice."Let go of me. You'll be burned silly if you continue like this."

"you're silly," she said mockingly. "it just so happens that all of the family's assets will be left to gu mei. she'll make you wear countless green hats!"

after she finished speaking, the man on her shoulder chuckled.”I don’t care about that. Even if she slept with a hundred men, I’d be fine!”

He was still drunk and started nibbling on her small shoulder. His voice was extremely hoarse.”but mumu, why did you make a cuckold out of yourself?”

qin mu was speechless.

She had divorced him. Even if there was something going on between her and Gu ze, how could it be called cheating on him?

She didn’t say a word and wrapped her waist even tighter. He said in a hoarse voice, ” “Mumu, why did you let him kiss you?”

His tone was a little questioning, and then he bit her ruthlessly. have you slept with him? ”

“Zhou chongguang, you’re drunk!” Qin Mu was extremely angry.

“i’m not drunk. i’ve been sober the whole time.” “Mumu, which one of us is better?” he asked in a low voice.

“zhou chongguang!” she was furious.

“Can he satisfy you like I can?” he asked.

qin mu turned around and gave him a slap.

The slap hurt her hand, but it also woke him up.

zhou chongguang pursed his lips and laughed softly. he took a step back and looked at her quietly.

that posture made qin mu think that he would leave, but that wasn’t the case. he suddenly went forward and pulled her into his arms.

Chapter 2616: is he as good as i am? 2

that strength almost broke her. he kissed her almost madly, trying to wash away the taste gu ze left on her lips.

She was pressed against the door by him, his dark eyes staring straight into hers.

perhaps he was drunk, but he said something he would not normally say. when he said it, his eyes were full of pain. Mumu, I really want to let you go just like this, let you be happy, and let you find a man to marry, but seeing you together with him, I still feel jealous!

his strength was so powerful, but his voice was fragile. he had lowered his posture to the dust.

his face was buried in her neck. after a while, qin mu felt that his neck was wet and hot. was that xuxu and zhou chongguang crying?

He didn't look up, probably because he didn't want to lose face. He only said in a low voice, "mumu, how can i go back to the past? tell me yingluo."

...

he clenched his fingers and spat out a few words, "I regret it."

It was only when he was drunk that he could say these words. It was also only at this time that he put down all his pride and self-esteem and begged her in a low voice.

he knew that he had no face, but now he didn't want his face, he didn't want anything, he only wanted his mumu.

Qin Mu, let's go overseas and never come back. I don't want anything else. "I love you. Do you feel it?" he said in a low and hoarse voice.

qin mu laughed lightly. " are those women your love? "

she lowered her head and looked at his black hair. " zhou chongguang, i'm no longer a little girl. the qin mu that makes me soft-hearted when you play the zither is no longer here. she's dead. you're the one who disappointed her time and time again. you're the one who made her despair. you were the one who asked for a divorce, remember?"

After she finished speaking, she couldn't take it anymore and turned her face to the side.

the love was too deep. even after he had done so much, she still could not bear to hurt him.

because he looked so bad here, her heart still ached for him.

Zhou chongguang leaned against her neck and did not move for a long time. Just as she thought that he was asleep, he said in a low voice, " "Mumu, there's no one else."

he kissed her small neck. " ever since we got together, there has been no one else. yingluo, there's no gu mei. there's no such messy women. "

Her body trembled.

however, she immediately felt at ease. whether he had anyone else or not, it had nothing to do with her.

she lowered her eyes. " can you get a divorce now? "

zhou chongguang raised his eyes and looked into her eyes.

Qin Mu laughed lightly. you can't, can you? even if Gu Mei is standing on the rooftop, you still have to go, right? "

"Zhou chongguang, can we really be together just with love?" Her voice became even softer. I believe that you love me. I also believe that you will give up everything for me. However, I know Gu Mei better. She will not let you go. As for me, you can just treat it as me being selfish and unable to get through this difficult time with you.

His body trembled. His Mumu was actually very smart.

She had already guessed the relationship between him and Gu Mei. She also knew that he was only acting with those women. She did not expose him because she did not care, or perhaps she did not intend to care.

he was the person she had given up on.

zhou chongguang let go of her slightly, and a hint of sadness appeared at the corner of his mouth. ”
“Will Yingluo be with Gu ze?”

He immediately added, ” Mumu, don’t be with anyone just to make me angry. I hope you’ll be happy.

Chapter 2617: Is he as good as I am?(3)

yes, ” she said. Zhou chongguang, if you don’t pester me, I probably won’t do anything stupid. But if you continue to be like this, I’ll really think that Gu ze is the best choice because you won’t be able to pester me anymore, right?”

zhou chongguang laughed, then took a step forward.

and then, he fell down in front of her.

Qin Mu was shocked. There was still a difference between being drunk and unconscious.

for a moment, she really wanted to call gu mei and ask her to bring her man home. that way, she would definitely be very happy.

but when zhou chongguang wakes up, he’ll probably be in a lot of pain!

...

she thought about it and decided not to. she called the hospital and got a doctor on duty to come over.

the doctor came very quickly, and he was well prepared. he even brought a nurse.

When they came over and saw that it was Zhou chongguang, the doctor and nurses were all quite surprised, but they all kept their mouths shut and didn't dare to say anything.

the nurse checked zhou chongguang's body temperature. it had already risen to 41 degrees.

"it's going to be fatal," the nurse said seriously.

Qin Mu looked at Zhou chongguang with a pale face. At this time, the wet clothes on his body had already been removed by her. He was now wearing only a Kasaya and nothing else.

As she looked at him now, she felt that he didn't want to live anymore.

if he didn't cherish himself now, why did he do that in the past?

I'm fine. Qin Mu sighed and looked at the doctor. give him an IV.

The doctor smiled. that's only natural. Also, someone has to be on guard tonight. He has to rub his body from time to time to lower his temperature. It's a two-pronged approach.

"I will," Qin Mu nodded.

the nurse and the doctor looked at each other. they knew that this ex-couple still had feelings for each other. one was drunk and drenched in the rain, and the other seemed to be a little distressed.

The doctor prescribed two bottles of medicine and gave her a fever-reducing injection, but the nurse stayed.

qin mu asked her to rest and would call her after the iv drip was done.

she wasn't used to having other people around in such a private place like her house.

when the nurse went to the living room to rest, qin mu wrung a warm towel and walked to the bed.

she carefully lifted the blanket, not daring to look at him in detail, and gently wiped his body.

She told herself that when his fever went down the next day, she would fly directly to new York. In the future, she would avoid him as much as possible.

He would probably forget everything if he stayed in new York for a year before coming back.

And tonight was their last night.

Qin Mu smiled slightly.

it seemed that she had never taken care of him.

Zhou chongguang had always been strong. Even when his mother had left, he was still busy plotting against her. He had never been like this before.

Qin Mu gently wiped his body and took his temperature. The temperature dropped a little, and she was slightly relieved.

She was sweating all over after being busy for a while and was not feeling very comfortable. She took a shower and changed into a bathrobe before coming out.

She didn't dare to sleep, so she curled up on the sofa at the side and read a magazine, glancing at Zhou chongguang from time to time.

Half an hour later, she would take his temperature and wipe his body.

He got better little by little. By two O 'clock in the morning, his temperature had already reached 39 degrees. Even after the drip was pulled out, she still did not dare to sleep. Alone under the dim yellow light, she wiped his body over and over again.

At four in the morning, he woke up for a short time, but he was still in a daze.

He opened his eyes and saw Qin Mu wiping his body submissively. His senses told him that there was no Kasaya on his body.

Chapter 2618: is he as good as i am?(4)

Her actions were very, very gentle.

Zhou chongguang suddenly closed his eyes, and two drops of hot liquid slowly slid down the corner of his eyes.

He could feel that Qin Mu still had him in his heart. Otherwise, she wouldn't be so gentle.

if qin mu didn't want to do it, he wouldn't do it. if she didn't love him anymore, she would throw him into the hospital. just like what she said, his life and death had nothing to do with her.

He closed his eyes, feeling very, very sad.

Not for himself, but for his Mumu.

...

his fingers gently caught hers.

Qin Mu raised his eyes, but he still had his eyes closed and didn't say anything.

He gently held her hand and pulled her into his arms.

He hugged her, one hand on her waist and the other on the back of her head.

He hugged her like this for a long time, as if he was going to hug her until the end of time.

“I’m sorry,” she said. he said softly. at this moment, he finally let go.

it was because he could feel her love and her pain.

He made her suffer, Yingluo.

This was not what he wanted.

after getting drunk, one would be the most clear-headed.

Her heart was burning, and she was reluctant to part ...

mumu, i really let go this time. i’m sorry, sorry, sorry!

He just held her like this without doing anything. Just like in the past, he held her and quietly spent their last night together.

it was a peaceful night.

at this moment, he even thought that it didn’t matter if they were together or not. she still loved him.

And he loved her too.

They were in love.

A blissful smile appeared on Zhou chongguang's lips, and he said in a hoarse voice, "will it be forever? no one can replace me in your heart. That year, I was sitting there playing the piano. You were only 14 years old.

qin mu's nose turned sour.

She buried her face in his arms and said in a low voice after a while, "zhou chongguang, you only know how to make me cry!"

he smiled, a warm smile.

his girl was 14 years old, and now she was 23 years old. she had given him nine years of youth, but in the end, all he had done was hurt her, and an insignificant apology.

However, he still had to say sorry because he could not give her anything else other than this.

Tonight would be the last night of absurdity.

he only wished that there would never be a day when the sun would rise. he only wished that he could hold her in a daze like this forever.

He hugged her and said a lot of things, making her laugh and cry.

in that night's embrace, they let go of each other and themselves.

He said,"Mumu, from tomorrow onwards, I will not appear in front of you again."

she agreed.

He said that she must be happy. If she liked Gu ze, she should accept it. He would love her well.

She agreed, but she cried.

in this world, there was only one zhou chongguang, but he could not give her his complete self. she did not want an incomplete one either.

he could only say sorry and give her his blessing with a smile.

to them, this night was both long and short. this night was gentle and cruel.

It had never been so calm before.

However, the morning sun was so cruel.

Zhou chongguang slowly opened his eyes. What entered his eyes was a white pillow, and his nose still had the remnants of Qin MU's body fragrance.

He shook his head, shaking away the dizziness in his head.

Beside the bed was a young nurse who said in a very soft voice, "Director Zhou, you're finally awake."

zhou chongguang immediately looked around. he was in the ward, not qin mu's apartment.

He sat up and held his forehead, 'where's Qin Mu? What am I doing here?'

Chapter 2619: do you want a non-x marriage (1)

the nurse bit her lip and said carefully, " " director zhou, one day has passed since that night, which means it will be the day after tomorrow. "

Zhou chongguang looked at her straight in the eye.

"miss qin seems to have gone abroad," the nurse said, pursing her lips.

Zhou chongguang closed his eyes slightly. He had wanted to ask more, but he gave up in the end.

He lifted the blanket and walked to the window, looking at the sky outside.

Qin Mu had gone overseas, and ran ran probably wouldn't be back for a long time!

...

She was hiding from him, and he knew Yingluo.

zhou chongguang reached into his pocket and searched for a cigarette, but he was wearing a hospital gown and had no cigarette.

he just stood there for a long time. the nurse stood behind him, feeling a little sad.

"When miss Qin left, ran ran was actually quite reluctant to leave," she whispered.

Zhou chongguang turned his head, and his eyes were slightly red-

the nurse's voice became even softer. " general manager zhou, please get over it. with miss qin's background, it's impossible for her to have an ambiguous relationship with you. "

she also said too much and felt a little regretful. she was afraid that general manager zhou would be angry.

but zhou chongguang looked at her and only said in a low voice after a while, " "It's like this. she's not in the wrong."

"It's my fault. I let her down," he lowered his voice again.

he had been standing there for a long time.

It was only when Gu Mei was standing at the door that the nurse reminded her softly, ” “president zhou, your wife is here.”

zhou chongguang didn't turn around, only asking calmly, ” “You were the ones who informed her?”

“No!” “do you want to see him?” the nurse shook her head.

Zhou chongguang looked down. you can leave first.

the nurse nodded and left the room, giving the couple some space.

gu mei closed the door and suppressed her voice. ” “Chongguang, why didn't you tell me that you were sick?”

he looked at her and slowly walked back to the bed. his voice was very calm.”you came here because you saw my scandal?”

gu mei did not argue with him as she had in the past. she seemed to have calmed down and walked to his bed. she sat down and pursed her lips.”let's not hurt each other like that, okay?”

“alright!” it's fine if you don't want to get a divorce, ” he said softly. we can continue to be husband and wife. But Gu Mei, I will not sleep with you.

She trembled with anger, but still said calmly, ” “I can wait.”

“Even if I have a woman outside?” He looked at her and asked cruelly.

he was cruel to her, but he was also cruel to himself.

he had already decided to bury himself in this marriage. that way, gu mei would only be able to hurt him and not qin mu.

He wanted Qin Mu to be well. This time, he would not pester him anymore.

“Just hurry home,” Gu Mei’s lips trembled.

Zhou chongguang didn’t say anything else. He was tired of it. After being tormented for a while, he didn’t want to torment himself anymore.

letting him go would also give gu mei a way out.

Just like this, let Mumu fly high, let her be happy.

after he was discharged from the hospital, he went to work at the company. he would return home every night, but he would not sleep in the same bedroom as gu mei.

Gu Mei did not spend any more effort to seduce him because he was not eating at home now. The water was also pure water that she had prepared herself. They were in the same house, but they did not look like husband and wife at all. They were like two strangers who had rented a room.

good morning kiss, good morning kiss, nothing else. to him, this place was like a hotel.

Gu Mei even knew that sometimes, he would solve the problem by himself. He would take out his phone and stammer.

she didn’t know which female celebrity’s photo was it, but she later found out that it was qin mu’s photo.

Chapter 2620: do you want a non-x marriage 2

he still couldn’t forget qin mu, but he didn’t go to that villa anymore. he knew his place and would occasionally go on a date with a small star. it wasn’t too frequent, but it was always there. the small star that he saw the most was called something like wanwan qiqi!

gu mei could not do anything to him. she also knew that she could not force him. otherwise, he might really divorce her.

Without Shui mu, she had no chance of winning. She could only endure.

in such a long period of endurance, gu mei became haggard day by day and lost a lot of weight.

She was still waiting, waiting for Zhou chongguang to change his mind.

However, that person's heart could no longer hold anything.

...

in a certain restaurant, zhou chongguang sat quietly in front of the piano, and the girl called qiqi sat beside him.

she was wearing a black dress, and her hair was black and straight.

zhou chongguang's slender fingers landed on the piano keys, and a string of melodious music rang out.

He closed his eyes and immersed himself in his own world.

qiqi looked at his handsome side profile with some fascination. the man was probably in his 30s and had a cold and noble temperament, which made young girls fascinated.

although qiqi was tempted, she didn't dare to act rashly.

She could only keep Zhou chongguang company, listen to him play the zither, and watch him reminisce about the past.

at this moment, she did not dare to make a sound, because he was very focused.

this man was obsessed with work, and it seemed that this was the only fun left in his life.

As for her, because she looked a little like Qin Mu, she had become a substitute.

however, she knew her status. from that night on, he never touched her again. she did not dare to do so.

To Qiqi, Zhou chongguang was her benefactor. Yingluo not only gave her money, but he also gave her resources.

in a short month, she had become a b-list or c-list celebrity. this was something she didn't even dare to think about.

although she was still far from being an a-list celebrity, she would work hard.

her idol was ceo zhou's 'ex', the one called xue lin.

From the young Qiqi's point of view, Lin Xue was a success. However, she didn't know that Lin Xue was also caught in an affair by Qin Mu. After that, she was torn apart by Gu Mei.

Lin Xue and Zhou chongguang had almost no contact Now, but Lin Xue's acting skills seemed to have suddenly exploded. Some Film Critics said that Lin Xue had found her own specialty and acted in a suitable role.

All in all, Xue Lin had soared to the sky and felt elated.

Qiqi was secretly a little envious and wondered when she could become a little popular with general manager Zhou's resources.

However, she only dared to secretly think about it. Her main task now was to coax general manager Zhou.

it was not difficult to serve general manager zhou. the main thing was that he had to be quiet and not be disturbed.

Especially when he was playing the piano, if she dared to make a single sound, she would probably have to get lost.

Qiqi pursed her lips and looked straight at Zhou chongguang's handsome features, as well as his sexy Adam's apple.

she was a little fascinated.

and just as she was mesmerized, zhou chongguang's zither music stopped.

he looked at her quietly, his eyes blurred and his tone indifferent. "Mumu, play with me."

qiqi was stunned. "president zhou, i'm not wanwan. also, i don't know how to play the piano."

zhou chongguang was stunned for a moment, then he laughed in a tolerant manner. "i won't!"

There was a hint of disappointment on his handsome face. After a moment, he smiled and said, "I've got the wrong person."
