

## Thank you 2631

Chapter 2631: he's just feeling guilty and afraid that mumu will get hurt (1)

Probably frightened by his imposing manner, the people from Qiqi's hometown were silent. In the end, it was Qiqi's younger brother who said angrily, "then take 20 million. he's too lucky."

Zhou chongguang took another look at him and only felt that his brow bone was protruding. One look and he could tell that he was filled with hostility. He sighed in his heart. Qiqi was really pitiful.

He didn't say anything and walked straight into Qiqi's ward. The people in that family only had money in their eyes. Seeing that the matter was resolved and they had the money, there was no need to stay. They just had to get the money out of Qiqi's hands in future.

However, Zhou chongguang gave Zhao Ziyi a look at the end, and Zhao Ziyi understood.

what he gave qiqi was not cash, but 20 million worth of rongguang shares, so that qiqi could get a bonus every year. in addition, he also prepared a million for her living expenses and the money for the surgery. zhou chongguang covered all of it.

He knew that all his efforts were just compensation.

...

just like when he divorced qin mu, he could only compensate with money.

however, he could still look at qiqi and apologize to her, but he couldn't even see qin mu's teasing.

The more she yearned for him, the more she couldn't see him.

zhou chongguang's heart was filled with bitterness.

when he walked in, qiqi was leaning on the bed in a daze. when she heard the sound, she suddenly looked up at him.

Her eyes were filled with shock and tears, but they were no longer beautiful.

Zhou chongguang's heart clenched, then he smiled gently and sat down on the chair by the bed. are you alright? ”

qiqi was a little helpless. she touched the gauze on her face and said in a trembling voice, ” “chief zhou, am i very ugly now?”

I can't really see it, but it's wrapped up like a mummy. It's a little funny. He was still gentle and gave this girl the greatest patience.

qiqi pursed her lips and lowered her head. she wanted to cry because he had never spoken so much to her in the past. he was probably pitying her now!

Zhou chongguang kept looking at her.

qiqi looked up. ” general manager zhou, i don't blame you. ”

“so you know.” “If you want to Sue her, I have no objection,” he said calmly.

a hint of confusion appeared in qiqi's eyes.

Zhou chongguang continued. she's now in the mental hospital. If she's diagnosed with an illness, the law probably won't be able to punish her. His tone was calm, but he was just stating that he didn't want to give this unfortunate girl too much hope.

Gu Mei had indeed gone crazy. He was certain of that.

There was a hint of disappointment in Qiqi's eyes. Then, she raised her little face and smiled at him. I understand, director Zhou.

it was useless for her to hate anyone now. she was the one who had an unrealistic dream.

She was the one who was too ostentatious with her face that resembled Qin MU's.

“will she always be in the kasaya?” she asked softly.

“maybe!” Zhou chongguang's tone was a little dark, and Qiqi understood.

She didn't speak again, as she felt inferior.

just as zhou chongguang was about to leave, she hurriedly called out his name, ” “General manager Zhou.”

Zhou chongguang turned around, and there was a hint of uneasiness on Qiqi's face. “In the future, will you still ask me to eat with you?”

his gaze fell on her face quietly, and after a long time, he smiled. ” “qiqi, when your face has recovered, i'll send you to study abroad. go to new york, a place where no one knows you.”

Qiqi was stunned.

before, she really wanted to go to new york, but she didn't want to go to new york without him.

Chapter 2632: he only felt guilty and was afraid that mumu would get hurt 2

Qiqi was stunned.

Before, she really wanted to go to New York, but she didn't want to go to New York without him.

even though she didn't want to go, she still forced a smile and said yes.

She knew that this was his answer.

In the future, they would have no future. He only had a trace of guilt towards her. If she was smart, she would not use that trace of guilt to ask him for feelings that she should not have.

All of his feelings were given to that girl called Qin Mu. After experiencing that kind of girl, how could he like her?

...

qiqi cried silently, her tears soaking the gauze and her wound.

It was very, very painful, but at this time, she needed this kind of pain, so that she could wake up.

After Zhou chongguang walked out, he happened to meet Zhao Ziyi.

Zhao Ziyi was so busy that he was sweating. When he saw him, he spat out a few words, "a bunch of vampires."

then, he looked at the door and said in a low voice, "qiqi's life isn't easy."

Zhou chongguang let out a long breath. I'm the one who harmed her.

zhao ziyi looked at his expression and felt rather sad too. his voice was very low. "chongguang, she's not qin mu. qin mu is now in new York well."

he knew in his heart that a large part of the reason why chong guang reacted so strongly to qiqi's matter was because he had overlapped qiqi with qin mu. he was subconsciously afraid that qin mu would be hurt.

zhou chongguang was silent for a long time before he said, "I know,"

zhao ziyi patted him on the shoulder. "the last time you were hospitalized, you refused to do a proper physical examination. since you're in the hospital now, you can do a physical examination while you're there."

Recently, Zhou chongguang had lost a lot of weight, and his complexion did not look too good. He should be checked.

But Zhou chongguang shook his head nonchalantly, ” “No need. i’m fine.”

Zhao Ziyi wanted to say something, but he couldn’t, so he helplessly sighed,”Then smoke less. Don’t ruin your body at such a young age.”

zhou chongguang just smiled and did not say anything.

He raised his head and looked to the West.

his mumu was there. what was she doing?

new York.

early in the morning.

Qin Mu was already in a state of natural awakening. She laid on the snow-white pillow. Her brown hair was unkempt, and her small face looked even whiter.

apart from her identity as the owner of the gallery, she was dressed more casually and was not bound by her title as mrs. zhou.

she was wearing a nightgown with a cartoon on it. the nightgown was rolled up due to her unsightly sleeping posture, revealing a pair of tender legs.

She was only 23 years old, and she was completely in the state of a young girl.

qin chen walked in and saw this scene. he bent down and patted her. ” “time to get up.”

qin mu turned over, and his long brown wavy hair was even more spread out. he looked extremely beautiful.

She blinked and buried her face in the pillow again. "I still want to sleep a little longer."

Qin Chen found it funny. it's almost nine. Qin Mu, if you continue sleeping like this, you'll become fat.

qin mu's voice was muffled. " then i'll be fat. i'm single now anyway. "

qin chen sat by her bed and smiled helplessly. " "There are many male dogs waiting for you to save outside, why do you have to wallow in degeneration?"

qin mu laughed softly as he laid on the pillow. then, he reached out and hugged qin chen's neck. his voice was very, very soft."brother, do you want me to save you?"

qin chen's gaze was fixed on her, and qin mu blinked at him.

in an instant, qin chen was stunned.

He simply couldn't believe that he had been seduced by Qin Mu.

Chapter 2633: he only felt guilty and was afraid that mumu would get hurt 3

he simply couldn't believe that he had been seduced by qin mu. not to mention that qin mu was his sister, and they were of the same sex as yingluo.

qin chen unhappily removed her body. " "If you're willing to use half of your charm on men, you wouldn't be single until now!"

qin mu laughed as he lay down. then, he crawled over and rested his head on qin chen's knee. that scene was really beautiful.

They looked very similar, but one was gentle beauty, and the other was feminine beauty. They had the same slender body and the same beautiful facial features. At this moment, they looked like a painting when they leaned together.

qin chen lowered his head to look at qin mu, his heart softening. he reached out and ruffled her long hair. " get up. there's a little monkey in the laboratory today. it's quite cute. "

Qin MU's fingers drew circles on his legs, deliberately teasing him. "how can a monkey be more fun than big brother?"

...

"are you addicted to playing?" qin chen pulled her long hair.

he raised his hand to unbutton his shirt,"then come on, yingluo."

however, he couldn't continue acting after only one pill was removed and laughed.

qin mu was the same.

"You're the only one who would dare to mess with me like this." Qin Chen knocked her head.

qin mu leaned into his arms. "qin chen, do you think our mother's stomach was as good as this when we were young?"

"Of course," Qin Chen replied.

it was rare for them to enjoy such a quiet moment. sometimes, emotional trauma could be healed by the person closest to them. and to qin mu, qin chen was the closest person to him.

She had been in new York for two months and everything was fine.

Even though Xue 'er was wailing in B city, saying that she was too busy and had lost her sex life, she still stayed in new York.

Nothing was more important than relaxing. She believed that most of the time, her brother was busy and Xue 'er was just missing her.

just thinking about it made qin mu feel extremely happy.

She smiled and finally got up. As she brushed her teeth, she asked Qin Chen, "What kind of monkey is that?"

"it's quite cute, you'll know when you see it." "i'll be waiting for you downstairs, darling." qin chen blinked with a smile.

qin mu looked at him and continued to brush his teeth and wash his face. after tidying himself up, he went downstairs and sat at the dining table.

next to his hand was a chinese newspaper as usual. qin mu had only flipped through two pages when his gaze stopped.

"what's wrong?" qin chen leaned over.

Qin Mu pursed his lips and said softly,"it was Gu Mei. She disfigured the face of a small star beside Zhou chongguang." &Nbsp;

qin chen pursed his lips and frowned. "what's going on?"

Qin Mu put down the newspaper and said very indifferently, " " gu mei was sent to the mental hospital. that girl was disfigured. she probably had a few skin transplants. "

qin chen was silent for a long time before smiling. "gu mei has gone crazy."

"That girl looked a little like you," he said, shaking his head.

Qin Mu took another look at him and pursed his little mouth. His little face was also tense, but he did not say anything.

during the entire meal, they didn't say anything else. qin mu folded the newspaper and pressed it under the plate.

Zhou chongguang was just like a passer-by in her life. He would occasionally appear in her line of sight, but he was already far away.

qin mu smiled slightly. his smile was a little bitter.

qin chen placed his hand on the back of her hand. he didn't say anything and just smiled.

Qin Mu also returned him a faint smile, and his eyes welled up."i understand. don't worry."

"That's good." qin chen patted her.

Chapter 2634: you can be shuimu's mother (1)

After breakfast, Qin Chen drove Qin Mu to the laboratory in an off-road car. It was his assistant eisen's first time seeing Qin Mu, and he was shocked.

it wasn't because of qin mu's beauty, but because she was the female version of qin chen.

if qin chen had long hair and wore a dress, would he be the same?

No, Qin Chen's beauty was androgynous. Although they looked alike, he was still him. It seemed that men's clothes were more suitable for him and more attractive.

eisen's eyes widened. qin chen smiled. " qin mu, you can consider eisen, a double ph.d. in biology. "

Qin Mu stuck out his tongue. I would think of him dissecting small animals with his hands covered in blood.

...

“You’re just interested in business people, aren’t you?” Qin Chen ruffled her hair.

Qin Mu glanced at her and did not say anything.

Qin Chen stopped teasing her and asked Eisen, “has the little monkey come yet?”

Eisen held back his laughter. “they’re already here!”

Qin Chen pulled Qin Mu’s hand and went in, while Eisen watched from behind, shaking his head.

When the real Qin Chen and Qin Mu stood together, there was a sense of beauty, and they were very compatible with each other.

He shook his head and followed her in.

When Qin Mu appeared in front of Auntie Zhang, Auntie Zhang looked at Qin Chen, then at Qin Mu, and said with a smile, “she’s Dr. Qin’s girlfriend!”

Qin Mu shook his head. “I’m not.”

However, Aunt Zhang probably recognized him very quickly. Her expression was a little ugly. “You’re Wanwan, Mr. Zhou’s ex-wife.”

Qin Mu’s heart sank.

Then, she looked at Auntie Zhang and the baby in her arms.

It was a very cute child, his big and bright eyes were very much like Zhou Chongguang’s.

She took a step back, then looked at Qin Chen in a daze, her eyes full of doubt.

Perhaps she had guessed the answer, but she was not willing to admit it.

Qin Chen, how could you be so cruel? this was Zhou chongguang's child, and she would never be willing to face him in her life.

Qin Chen took a step forward and pressed on her shoulder, saying softly, "He's called Shui mu, Zhou Shui mu!"

"he has lost his mother," he said firmly. "his mother gave him some medicine and thought he was dead."

qin mu was stunned.

water wood essence cleansing!

was this what he meant?

also, gu mei had drugged this child?

didn't she treasure this child a lot?

why did she still do this?

Qin Mu didn't understand. She shook her head and closed her eyes."Qin Chen, what do you mean by asking me to come?"

"if you're willing, i can make you his mother." qin chen's voice was firm.

qin mu's eyes widened.

"Change his DNA." qin chen said these few words softly, and auntie zhang was so scared that she almost peed her pants.

She really couldn't figure out whether Dr. Qin was a doctor or a God sent by heaven.

Holy heavens, holy earth, holy earth, holy earth, Buddha bless her little Shui mu to have met a good person, holy earth, holy earth, holy earth, holy earth, all the dirty things are about to reveal themselves.

however, no matter how much she thought about it, qin chen was still qin chen. he wasn't a god or a demon, but a very powerful doctor.

qin mu's face was pale. she took a step back. "no, i don't want to."

how could she be the child's mother? she couldn't do it. she wasn't so magnanimous.

Furthermore, she was not willing to reconcile with Zhou chongguang. She had had enough.

Qin Chen didn't force her. it's fine if you don't want to, but Zhou chongguang is really quite pitiful.

Chapter 2635: you can be shuimu's mother 2

Although Qin Chen said this, there was an unspeakable gloating tone in his voice.

qin mu just looked at him, and after a while, his gaze fell on auntie zhang. the person in her arms was called shui mu, the child of zhou chongguang and gu mei.

"I'm not that generous." Qin Mu shook his head.

as she spoke, she looked at qin chen and pursed her lips."What is he doing here?"

qin chen explained everything, but before he could express his feelings, auntie zhang wiped her tears. " Dr. Qin is right. This child is too pitiful. Mr. Zhou also pitied ran ran. If it wasn't for Dr. Qin's medical skills, little Shuimu probably wouldn't have survived.

auntie zhang's tears were like running water. ” which mother is like mrs. zhou? which man would marry her? it's a nightmare! ”

...

“That's what he wanted,” Qin Mu said indifferently.

It was not Zhou chongguang's choice this time, but the way he would repay Gu Mei's kindness after she returned from prison.

he had given himself to gu mei, and gu mei had also given herself to him. they were destined to be entangled, and she, qin mu, was just a sacrifice in the middle.

Qin Mu was so cold that Auntie Zhang didn't know how to continue acting. She couldn't even squeeze her tears out and just looked at Qin Chen.

qin chen thought, why are you looking at me? Is there any use in looking at me?

Aunt Zhang was stunned. She treated Qin Chen like a living Buddha. Qin Chen only gave her one look and she didn't say anything.

qin mu had also calmed down now. she looked at the child and carefully carried him over.

when she hugged him, she still felt a little evasive in her heart. she pursed her lips and did not say a word for a long time.

little shui mu looked at her eagerly, his big eyes blinking. now he was chubby and white, extremely cute, and he did look a little like qin mu.

the child was ultimately innocent. although she tried to escape, she could not bring herself to hate the child.

this was the blood of zhou chongguang.

Qin Mu had never thought that one day, he would also be carrying Zhou chongguang's child.

Little Shui mu smiled at her. He looked like a mixed-blood with big eyes and red lips. He looked especially cute when he smiled.

qin mu looked on and couldn't help but smile. she reached out and pinched little shui mu's small face. it was soft and especially tender.

She recalled that this child seemed to be four or five months old. He was growing so fast.

He also vaguely remembered that the Lunar New Year had passed and it was already the beginning of spring.

"zhou chongguang is planning to keep the child with you?" Qin Mu returned the child to Auntie Zhang and asked Qin Chen.

now, her heart was much calmer, and it seemed that it was not so difficult to face. she did not know if it was because of the time, or because she had let go of zhou chongguang, but when she occasionally thought about it, her heart would still ache.

qin chen smiled. " he might be in new York. he'll only be here for the checkup. zhou chongguang arranged for reliable people to take care of the child. qin mu, you should understand what he means. "

Qin Mu looked at Qin Chen and said very slowly, "Gu Mei thought that the child was no longer around?"

"En!" Qin Chen's tone became calmer. you've seen it for yourself. Gu Mei has gone crazy. Do you think Zhou chongguang will still let her see the child? "

qin mu's feelings were quite complicated when he heard that. he didn't say anything more and hugged the child again.

she didn't ask qin chen about zhou chongguang's plans because based on her understanding of him, he would probably accompany gu mei in hell. this was his own choice, so why would she feel heartache?

### Chapter 2636: you can be shuimu's mother (3)

Qin Chen looked at her expression and smiled. He didn't say much and just carried the little guy in to check.

In that one hour, Auntie Zhang was outside pouring out her grievances and talking about how miserable Mr. Zhou was. Qin Mu simply couldn't bear to listen to it, but because the other party was an old man, she couldn't be too rude.

when qin chen finally came out, auntie zhang's speed of getting up was completely unlike an old auntie's. it was way faster than qin mu's.

how is it, Dr. Qin? is little Shui mu okay? " Auntie Zhang asked with concern. It was obvious that she really loved this child.

Qin Chen took off his mask and smiled. "It's good. Everything is normal now."

he paused for a moment. " shui mu has been regularly checked for the past two years. after two years, there should not be any problems. "

...

Auntie Zhang was still a little worried. what if Dr. Qin goes on a business trip? "

"Bring Shuimu along." Qin Chen said naturally, but then he smiled. " i'll be in new York for the past two years. i won't go anywhere else. "

Auntie Zhang was so excited that she didn't know what to say.

Qin Chen looked at Qin Mu. what about you? do you want to live in new York for a long time or return to B city? "

qin mu looked at the child in auntie zhang's arms and smiled. "i'm going back in april."

"I will not give up my life for Zhou chongguang," she said softly.

"It seems like you've adjusted your mood," Qin Chen smiled.

"en," qin mu replied, "we have to go back."

there were some things and some people that had to be forgotten, but one had to face their own past and future.

Although aunt Zhang didn't quite understand, she vaguely understood that Mr. Zhou's ex-wife didn't seem to have any intention of turning back.

Come to think of it, who could tolerate her husband having a child with another woman? besides, miss Qin was so beautiful that even aunt Zhang's heart would be moved when she saw her.

how did mr. zhou get so obsessed back then? he had such a beautiful wife, but he still fooled around with other women.

Aunt Zhang quietly said yes in her heart again.

When Qin Mu returned little Shui mu, the little fellow actually cried ...

did that mean that she wanted qin mu to carry her?

qin chen smiled, and aunt zhang's heart ached.

Meanwhile, Qin Mu glared at Qin Chen and left ruthlessly. Qin Chen walked behind him and slowly took out his phone to send a photo to Zhou chongguang.

every time shui mu checked on her, she would take a photo. however, this time, she took a photo of qin mu carrying little shui mu.

When that photo was sent to Zhou chongguang's phone, Zhou chongguang was on his way to new York.

he wanted to go to new York to see shuimu, not because of qin mu.

However, the photo still stirred up his heart. He would never forget the feeling of being washed away by a huge wave.

His eyes were fixed on the photo on the phone.

in the photo, qin mu was looking at shui mu, his son with gu mei, with such a gentle gaze.

His heart felt like it was being corroded, sour and in pain.

But in her heart, there was a trace of comfort-

His Mumu was still the same Mumu. When he and Gu Mei were filled with hatred, Mumu was still kind.

her kindness had hit the softest part of his heart.

During the ten-hour long flight, Zhou chongguang kept looking at Qin MU's photo and did not put it down.

He couldn't bear to let go!

Chapter 2637: why have you come?(1)

When he arrived in new York, he took a car to the villa he had bought and was ready to stay for three days.

He had not seen little Shui mu for a long time. He did not know if the little guy still recognized him and Zhou chongguang, who were sitting in the back seat of the car, and smiling slightly.

new York's spring scenery was infinitely beautiful.

he rolled down the window and looked at the man opposite him. his eyes were fixed on him.

he saw qin mu.

qin mu walked on the streets alone. he was wearing a simple white sweater and jeans, looking especially refreshing.

...

her brown curly hair had grown longer and was scattered over her shoulders, adding a bit of charm.

She seemed to be walking aimlessly alone, her expression light.

Zhou chongguang's gaze was fixed on her. He thought in his heart that divorce was good for her. She looked like she was living well now.

The driver also noticed that he was distracted and said softly, "chief zhou?"

&Nbsp; Zhou chongguang said calmly, "I'm fine. Continue driving!"

After that, he rolled up the window and stopped looking. In fact, he couldn't see anything now.

However, she could not calm down for a long time. The moment she closed her eyes, she saw Qin MU's face.

he sighed slightly. he might have to live his life in his obsession. what a miserable life it would be if he could not imagine it?

the car continued to drive, but he was already in a daze. he only came back to his senses when the car stopped in front of the villa.

aunt zhang knew that he would come, so she had been waiting for him with little shui mu in her arms. when she saw him, she immediately came up to him.”mr. zhou, you’re finally here.”

then, she said to the little guy in her arms, ” “Shuimu, it’s dad.”

the little guy opened his round eyes, indicating that he didn’t know this guy. even when zhou chongguang carried little shui mu, little shui mu cried out loud.

zhou chongguang was a little stunned. he had jet lag to begin with, and now that he was crying, his head really hurt.

aunt zhang’s smile was a little forced. ” children are a little shy with strangers. it’s normal for them to not recognize people at such a young age. ”

“i’m not angry!” zhou chongguang laughed. ” bring it in. it’ll be cooked in a while. ”

auntie zhang quickly nodded her head and happily carried the little fella into the living room. she happily carried the little fella in front of zhou chongguang, ” “look at mr. zhou, the baby has gained a lot of weight!”

“this stomach is really good,” he said happily.

zhou chongguang nodded his head and smiled. ” you’ve indeed gained quite a bit of weight. ”

In the photo, he saw that little Shui mu had gained some weight. However, his attention was all on Qin Mu and he had neglected little Shui mu.

at this time, he carefully hugged him and kissed him. little shui mu was no longer shy with strangers. after all, blood was thicker than water. very quickly, he was soft and allowed zhou chongguang to hug and kiss him.

But Zhou chongguang had not expected that Qin Mu would come.

in fact, she didn't come here on purpose. she just wanted to send something to qin chen. qin chen was carrying out a very important experiment.

Qin Mu was also surprised to see Zhou chongguang.

Didn't he not come?

However, she was already here, and so was he. It seemed ridiculous to turn around and leave.

she walked in slowly and looked at him holding the child in his arms. she was a little dazed.

When aunt Zhang saw this, she smiled uncomfortably. "i'm going to make a bottle of milk for shui mu."

and then they all dispersed.

Only Zhou chongguang and Qin Mu were left in the huge Hall.

Although Zhou chongguang had fantasized many times about seeing her, this was really not included.

this was a little embarrassing for him.

Chapter 2638: Why have you come?(2)

in his hands was the evidence of his betrayal. their divorce was also because of shui mu's existence.

He looked at her walking over and smiled weakly. "You're here?"

qin mu hummed and looked up at him. he looked at his face that was similar to shui mu's and said calmly, "Qin Chen asked me to send this over. He said that little Shui mu has been eating this."

As she spoke, she took out a medicine bottle from her small backpack and handed it to Zhou chongguang.

This medicine couldn't be bought outside. Qin MU's laboratory exclusively supplied medicine, so it was precious.

Zhou chongguang reached out and took it. He had been looking into her eyes the whole time, so he didn't realize that his fingers had touched her fingertips.

...

when they touched each other, both of them were stunned.

Qin MU's gaze landed on his face. After a long time, he said in a low voice, "Zhou chongguang?"

mm. he said in a small voice, "thank you."

He still took the medicine. Qin MU's hand was empty and he felt embarrassed.

"I'll be leaving after I deliver the medicine!" She said as she stood on her tiptoes.

As for him, he had always been looking at her young and beautiful appearance. He always felt that the current Qin Mu was living in the sun, while he, Zhou chongguang, was old beyond belief.

He almost felt inferior, which he had never felt before.

He looked at her, then raised his hand to look at his watch. "it's almost noon, let's have lunch before leaving!"

qin mu wanted to refuse, but little shui mu in his arms actually yelped and wanted to pounce on him.

although qin mu didn't hate little shui mu and would occasionally hug him when he saw him, it didn't mean that she was willing to hug her son in front of zhou chongguang. that was why she didn't have any reaction.

zhou chongguang looked at her expression and probably guessed that yingluo's son's fart was now bigger than his face.

Hence, he smiled and directly placed little Shui mu in Qin MU's arms. "I'll go upstairs and change."

Qin Mu carried the little fellow and wanted to speak, but Zhou chongguang had already walked up the stairs quickly.

when they were halfway up the stairs, he looked over. " wait for me. i'll be done in a minute. "

With that, he gave Auntie Zhang, who was at the door making milk, a look, and Auntie Zhang immediately ran away.

Qin Mu didn't realize it. He only looked at the little fellow in his arms and felt that it was very difficult.

should she leave the child or continue to stay here?

in the end, she was still worried about leaving such a small child here, so she could only hold him and wait.

Little Shui mu was also really hungry. He waited for a long time, but there was nothing to eat. His little face snuggled in Qin MU's arms. He had never eaten his mother's food before, so he was just looking for it instinctively.

Qin Mu felt a little uncomfortable, and his heart ached a little.

she used to want to be a mother too, but her wish never came true.

she lowered her head and looked at the little guy. her eyes became gentle as she patted him and coaxed him gently, ” “be good, you’ll have milk to drink in a while. baby, be good, yingluo.”

When Zhou chongguang changed his clothes and went downstairs, he saw Qin Mu coaxing the child like this. He stood on the stairs and watched, his gaze gentle. He could not tell if it was because of little Shui mu or Qin Mu.

he watched quietly, feeling that this was the most beautiful scene in his life.

however, he smiled bitterly and shook his head-

However, the child was not his and Mumu’s, but someone else’s.

if mumu could also do this, she must have let go of him!

Zhou chongguang’s heart was a little upset, but he still walked down the stairs with a slight smile. He stood beside her and looked at her slightly disheveled appearance.”you can’t do anything to him?”

Chapter 2639: zhou chongguang, you bastard (1)

Qin Mu smiled uncomfortably. he’s quite cute.

But when she said this, she was a little melancholic. Zhou chongguang looked at her with a deep gaze.

after a long time, he walked to her side and said in a very low voice, ” ” mumu, one day, you’ll have a child as well, and he’ll be just as adorable. ”

“is that so?” she raised her eyes and looked at him.

After a long time, she smiled gently, looked at little Shui mu, and carried the child to him.

zhou chongguang did not take it.

...

Qin Mu, "Wanwan."

"zhou chongguang." she looked at him and urged.

He still didn't stretch out his hand. His gaze was fixed on little Shui mu. Little Shui mu was still there pouncing and pouncing. He was obviously doing something bad. Hence, Zhou chongguang laughed. stay for a meal before leaving.

Qin Mu didn't say anything.

he looked at her and said in a deep and slow voice, "mumu, look. little shui mu is here. what can i do?"

He still took a step forward and said with a slightly oppressive tone, "Or, what are you afraid of?"

"I'm not afraid." Qin Mu bit his lip and spoke softly.

He smiled and finally reached out to take little Shui mu. His tone was even more indifferent. "If you're not afraid, then it's fine to stay for a meal, right?"

Qin Mu stayed, probably out of spite.

at this moment, auntie zhang's milk also rushed over. zhou chongguang carried his son and sat on the sofa, patiently feeding the child. qin mu sat opposite him and looked at him.

He had lost a lot of weight, but he was still handsome, but he looked a little Haggard.

At this time, his eyes and expression were gentle. He lowered his head to feed little Shui mu, and his expression was loving.

qin mu didn't know why. she was supposed to be unhappy, but now, she was much calmer.

It wasn't that she had let it go, but that she felt that she would be too petty if she were to hold a grudge against such an adorable child.

Zhou chongguang was focused on feeding the child. Little Shui mu was eating very happily, looking cute and healthy.

his eyes were a little hot, but he knew in his heart that the success of the operation and the good recovery did not mean that the child did not suffer.

From the moment he was born, this child had experienced too much suffering. He was somewhat reluctant to part with him, but he was helpless.

The only thing he could do was to give him a good future.

qin mu kept looking at him. then, he raised his eyes and said in a very soft voice, "zhou chongguang, gu mei, qianqian."

zhou chongguang's brows seemed to congeal. he paused for a moment, then rubbed shui mu's fluffy little head. "she's where she should be."

Of course, Qin Mu would not speak up for Gu Mei. She thought for a while and still asked, "Yingluo, how's your little girlfriend?"

she thought that she was just showing her concern out of concern for an old friend, but as soon as she asked, he looked up and stared at her with a burning gaze.

qin mu cursed in his heart. he felt that he had accidentally triggered his trap again.

Yes, the current Zhou chongguang was no better than Gu Mei. She did not dare to touch him easily.

Indeed, Zhou chongguang's voice was slow. "She's not my girlfriend."

“I saw you two kissing.” “it’s that girl, right?” qin mu couldn’t help but ask.

Zhou chongguang had no intention of explaining to her about being drugged that night. After all, nothing had happened. Furthermore, Qin Mu probably did not need him to explain. He laughed lightly and said calmly, ” ” i also saw you wearing gu ze’s clothes. is he your boyfriend? ”

Chapter 2640: Zhou chongguang, you bastard (2)

qin mu was stunned for a moment, but she cleverly chose to remain silent. she did not accept it, nor did she deny it.

Zhou chongguang’s gaze was burning. He felt a little uncomfortable, but he still endured it.

He really didn’t have any right now. Other than wishing her well, he couldn’t do anything.

He paused for a moment before slowly saying, ” Qiqi’s face needs a few operations. I’ll take full responsibility. I owe her.

He paused for a moment and smiled bitterly. see, Mumu. I’m always hurting your heart. I’m sorry.

Qin MU’s throat felt as if it was stuck. She thought of Zhou chongguang and Gu Mei’s chaotic married life. There was nothing to blame him for. The best punishment had all been given to him. What else could she say?

...

“Zhou chongguang, as long as you think it’s right, just do it,” he said softly.

“Don’t let any girl cry for you anymore,” she sighed.

His eyes were still on her. He had so many things to say to her, but he swallowed every word that reached the tip of his tongue. In the end, he was in no position to say anything.

He didn't need to explain Qiqi's matter, but she understood.

That similar face, that same trick, just like the previous Lin Xue, was only Xue 'er's substitute. And Qiqi was also her, Qin MU's.

unexpectedly, zhou chongguang still explained in the end, "I didn't have sex with her, with anyone."

Aunt Zhang happened to come over and heard this. Her old face became impatient and she said softly, "Mr. Zhou, Shui mu seems to have fallen asleep."

zhou chongguang lowered his head and saw that the little fellow had eaten his fill. he was rolling on his little belly and was already sleeping soundly. their conversation did not affect the child's sleep at all.

his gaze couldn't help but soften. he declined auntie zhang's kind offer to carry little shui mu upstairs and carried the child himself. then, he raised his eyebrows and looked at qin mu."Let's go take a look at Shui MU's room."

Qin Mu forced a smile and still went over with him.

He couldn't do anything in front of little Shui mu.

But a minute later, she received a huge shock-

little shui mu's baby room was mainly light blue and had a mediterranean style. the decorations were very heartwarming, and one could tell that they had put in a lot of effort. what shocked qin mu was the photo placed on a small five-grid cabinet.

that was her wedding photo with zhou chongguang.

Also, the photo frame on the small bedside table was also a photo of her and Zhou chongguang daily.

qin mu's fingers suddenly held onto one side as he looked at him.

was he trying to express something? was he trying to tell her something?

was zhou chongguang trying to tell shui mu that his mother was qin mu?

this was too absurd.

although qin chen had said that the other day, it was just a joke. zhou chongguang's actions were too unbelievable and a little sickly.

qin mu's face was a little pale. her voice was low and hoarse. what's the big deal, Zhou chongguang? this is meaningless.

zhou chongguang smiled slightly and looked at her. "mumu, are you angry?"

"Yes, I'm angry!" Qin MU's tears flowed down. Zhou chongguang, I hate you to death!

He looked at her quietly, then carefully placed little Shui mu on the small round bed. He walked over and reached out to gently wipe her tears away. His voice was even gentler, Mumu, this was a dream of mine. I couldn't help but do it.

he grabbed her shoulders and pulled her stiff body into his arms.
