

Thank you 2641

Chapter 2641: zhou chongguang, you bastard (3)

qin mu was stiff the whole time. she was simply at a loss because the most bitter thing in her heart had been drawn out by him.

How could he be like this?

How could this happen?

her fists pounded on his shoulders desperately. her face was covered in tears, and she couldn't control her tears.

“zhou chongguang, how can you treat me like this?” She had never been so fragile before, not even during the divorce, not even when she found out about his choice.

She was crying like a child, but she was afraid of waking little Shui mu up, so her voice was very suppressed.

...

he could only pat her back and comfort her. ”mumu mumu mumu.”

She leaned on his shoulder and bit him hard. She bit so hard that Xuxu was bleeding, but he still endured it and didn't move. His voice was still very gentle as he coaxed her.

he knew that he had gone too far. he should not have told her, but this was just a dream.

the dream hidden in his heart. in this life, she was the only wife in his heart. she was also the only mother of shui mu.

he hugged her and slowly tightened his grip on her arm. he even wanted to kiss her, but qin mu dodged him.

he didn't force her any further. he placed his lips on the side of her neck and stood there without moving.

She was still crying and cursing him in a low voice.

little shui mu was sound asleep, his face showing a natural and healthy red, and his breath was sweet, as if he was not aware of the injuries between them.

the quiet and depressing scene looked like a pair of quarreling parents and a sleeping child.

it was a tearing pain, but it was suppressed because of the child, repairing the heartache.

In the end, Qin Mu forgot whether he had eaten or not. When he regained his senses, he was already in the car.

it was zhou chongguang who was driving. she looked at him sideways, and after a moment of silence, she said softly, "Send me home."

With one hand on the steering wheel, he stroked her long hair with the other. "Qin Mu, do you want me to apologize?"

"Will an apology work?" her voice was still a little hoarse.

"It's useless, but it might make you feel better," he said with a smile.

Qin Mu paused for a moment, then said in a low voice, "How are you going to explain this to Shui mu? I can't be his mother."

zhou chongguang laughed lightly. "i will tell him that i've divorced his mother. she can only come over to visit him occasionally. "

"You'll go see him, right?" he looked at her.

“I won’t!” qin mu said firmly.

zhou chongguang was also silent. after a long while, he said in a low voice, ” ” qin mu, you’re only in new York for a short while. can you come and visit him? ”

Qin Mu looked at him.

” i know you’ll return to B city, so mumu, i’m begging you, i can’t stay in new York forever. ” he requested in a low voice.

for a moment, qin mu didn’t know what to say. she even felt a little sad for him.

This was because Gu Mei was indeed not suitable to be the mother of this child.

However, it would be ridiculous to say that she gave birth to Shuimu. She said awkwardly, ” ” you can just pick one of your girlfriends to be his mother. i think those women will be very happy to do so. ”

“But I don’t want to.” He said seriously in a low voice.

Qin Mu was a little furious. I’m not willing either. Did you hear that, Zhou chongguang? when you go back, keep the photos. I don’t want to see those.

“you’re still going?” His eyes were clear and bright.

Chapter 2642: zhou chongguang, you bastard (4)

Qin Mu was stunned and did not say anything else.

He continued to drive and sent her to Qin Chen’s place.

The car stopped. Qin Mu wanted to get out of the car, but he realized that the door was locked.

“Zhou chongguang, open the car door for you.” She patted the car door.

“mumu.” He frowned. remember to have dinner when you get back.

“I’ve already eaten,” she said, glaring at him.

...

“you only cared about crying and didn’t eat much. aunt zhang and the others were all frightened by you.” zhou chongguang said quietly, and there was a hint of pampering in his tone.

Qin MU’s gaze became fiercer. He knocked on the car door again, but he still didn’t move.

She didn’t know where she got the power to unbuckle her seat belt and walk toward him.

the car he drove was very spacious, and she sat in it easily.

This was the first time Qin Mu had taken the initiative to vent his anger after their divorce.

She sat on his lap and in his arms, her small hand holding his collar. Her voice was very soft.”Zhou chongguang, you want to have sex with me, don’t you?”

This series of changes stunned even Zhou chongguang. He looked straight at her, and then said in a low and hoarse voice, ” “Qin Mu.”

Qin MU’s small hand gently undid a button on his shirt, and then another Kasaya.

his adam’s apple moved up and down in a somewhat sexy manner.

“mumu, we’re in the car,” he reminded her in a hoarse voice.

Qin MU's small hand lifted his collar and leaned over. His small mouth pressed against the corner of his mouth as he muttered, " " zhou chongguang, you always can't control your lower body. so what if we go to bed again? it only means that you betrayed gu mei. there's nothing else. "

she was sitting on top of him, and both of them knew clearly how disheveled he was at this moment.

His forehead was already covered in fine sweat. It was the sweat he had endured.

His eyes seemed to be lit up with a small flame, which was particularly bright in the dark car.

When Qin Mu wanted to leave, he could no longer do so.

his palm held the back of her waist and slowly pressed her forward, letting her understand more about his eagerness.

His other hand pressed down on her small head and slowly brought her to his lips. His voice was hoarse and raspy. Qin Mu, you'd better not easily provoke a man who has been abstinent for nearly half a year.

Qin Mu was stunned. He had brought this up again.

"what does your abstinence have to do with me? no one asked you to keep your chastity. besides, shouldn't you claim credit to the current mrs. zhou?" She tried to kick him, but with their current position, the more she kicked, the closer she got to him.

Originally, to be honest, Zhou chongguang could still bear with it, but how could he bear with it now?

the person sitting in his arms was someone he liked so much but couldn't get, and he felt like a string had snapped in his head.

he didn't dare to go too far and only dared to press her down and tease her like this.

Qin Mu was stunned.

She was forced to lie in his arms, feeling his burning breath and his rough way. He was no longer the high and mighty man, but a man who could be as rough as he wanted.

She widened her eyes and looked at him in disbelief. She could not believe that he would treat her like this.

She was wearing jeans. Wasn't he afraid of the pain?

Did she think it would be worn out?

however, his breathing was so rough and hoarse that she was about to scream from the heat, and his breath sprayed on her neck.

Qin MU's eyes widened and he stared at the man in front of him in a daze.

Chapter 2643: Zhou chongguang, you bastard (5)

Qin MU's eyes widened. He looked at the man in front of him and finally came back to his senses. He reached out and punched him."Zhou chongguang, you bastard!"

His eyes were originally closed, but now they were completely open. He looked at her like that, his eyes bright and clear. He kissed her little mouth and said in a low and hoarse voice, "you're the one who provoked me. be good and bear with it for a while."

His courage was only limited to doing it through his clothes. He wouldn't dare to do it with real guns.

however, this would make him seem even more shameless and even more indescribable.

Qin Mu couldn't push him away, and the more he pushed, the more shamelessly he got closer to her. She could only lie on his shoulder, endure it, and wait for him to get better soon.

But just as he said, he hadn't touched a woman for months, and they were separated by clothes. How could there be any joy to speak of? more importantly, this kind of behavior could ease the distance between him and her.

...

he hugged her like he was drunk and was unwilling to let go. after half an hour, qin mu couldn't take it anymore. she felt that she was in pain and bit his shoulder."Is Zhou chongguang done?"

Then, his breath became hot, and he pressed her down tightly, sobbing silently.

there was a sweet scent floating in the air. qin mu's face heated up, and he started to feel a little self-loathing.

she was the one who started to flirt with him. she had bad intentions, but she didn't know how to clean up the mess.

qin mu pursed his lips and rested his forehead on his shoulder. he was unwilling to move because he would feel even more uncomfortable if he did.

Zhou chongguang was the same. He let out a low sigh, " "Qin Mu."

"Don't call me!" She sounded like she was about to cry, and she was really embarrassed.

zhou chongguang sighed again and closed his eyes to enjoy it. he also reminisced for a while ...

(I pity general manager Zhou who hasn't had sex for months.)

After a while, he carried her with one hand and placed her on one leg. He used the other hand to take a tissue from the cabinet to clean himself up. He did not avoid her and cleaned himself up directly. Qin Mu saw everything.

she turned her face to the side uncomfortably while he cleaned himself up and pulled up his clothes.

he looked at her with an unfathomable gaze. ” “Qin Mu, do you want ran ran?”

if there was nothing going on between her and gu ze, he was already certain that there was nothing going on between them. because if there was, she wouldn't have stayed in new York for a few months.

if not, then she had also been empty for a long time. would she feel bad when he was like that just now?

at this moment, zhou chongguang was really caring for her from a man's point of view. he had enjoyed it and couldn't ignore her. he really didn't have the slightest intention of being a hooligan, nor did he have any intention of being shameless.

he was afraid that she would feel uncomfortable and uncomfortable. to put it bluntly, he wanted to solve her problem.

Qin Mu misunderstood and glared at him. “zhou chongguang!”

Zhou chongguang smiled slightly. Mumu, tell me. Hmm? ”

The answer she gave him was a slap.

Qin Mu was really angry. He was shameless!

After being slapped, he did not get angry. He just looked at her deeply for a while before he said in a low voice, ””qin mu, do you think that i'm very shameless?”

she didn't answer and moved to the other side, but he held her back.

He buried his face in her neck and said in a deep voice, ””Don't worry, I won't really touch you.”

Chapter 2644: you still love me, don't you?

qin mu bit her lip, biting it hard. after a long time, she said in a low voice, ” “Zhou chongguang, let me go!”

he didn’t want to let go, so he still held her shoulder and lowered his voice. ” mumu, i’m serious. ”

Qin Mu was furious. He was both embarrassed and annoyed. I don’t need it!

At this moment, he had completely calmed down and was in the mood to tease her.

it was probably because he was satisfied after a long time, and everything was fine now. his temper was especially good, and he was especially tolerant of her.

he pressed his thin lips to her ear and said in a low voice, ” “Mumu, I’m serious. Do you want to ...”

...

qin mu was so angry that he gave him a slap.

zhou chongguang’s handsome face turned to the side. he wasn’t angry, but just looked at her and laughed lightly.

qin mu was getting angrier and angrier. he glared at him. ” zhou chongguang, if you don’t open the door, i’ll call for help. ”

He pulled her into his arms and said in a low and hoarse voice, ” “Mumu, your body doesn’t express it this way.”

With a loud bang, Qin MU’s face turned red. She still wanted to raise her hand to hit him, but Zhou chongguang stopped her.

his eyes landed on her face and he smiled.”mumu, if you need anything, just look for me.”

“shameless, low-grade!” qin mu was extremely angry. then, he sat down heavily in his arms.

How could Zhou chongguang bear to sit down like this? his handsome face instantly turned pale.

qin mu pressed the button and opened the car door. he quickly got out of the car.

Zhou chongguang was still sitting in the car, his hand covering the part that he could not look at directly. Large beads of sweat rolled down his forehead, and he looked like he was in pain.

Qin Mu ran for a long time and realized that the car didn't move. He was still worried, so he ran back.

she looked at him carefully, afraid that he would get out of the car and catch her in it.

Looking out from the car window, Zhou chongguang was lying there, covering that part of Yingying. She could see the pain on his side profile.

Qin Mu pursed his lips, knocked on the car window, and called his name. "Zhou chongguang?"

He still did not move.

It couldn't have been broken from sitting on it, right?

No matter what, Qin Mu couldn't leave him behind. He went around to his side and opened the car door to see how he was doing. However, he had just opened the door when he grabbed her arm and pressed her into his arms.

A small hand was suddenly caught by him and moved towards his injured area. His voice was burning."Help me rub it."

qin mu was dumbfounded-

her little hand was forced to do all sorts of shameful things, and it was useless no matter how much she struggled.

he was still rational and didn't go overboard. he let go of her after about a minute.

in the end, his breathing was erratic as he stared into her eyes. " qin mu, i've always wanted to let you go, but you've always come to provoke me! "

Wasn't it good that she had left just now? why did she come back to show concern for him?

Zhou chongguang sighed helplessly and kissed her hair.

Qin Mu didn't move, because it was useless for her to struggle.

If he did not want to let her go, she would not be able to escape.

She just stayed in his arms and said softly, "zhou chongguang, what do i have to do for you to let me go?"

He held his breath and looked at her quietly.

"you know clearly in your heart whether i've teased you or not! in our relationship, you know my choice best. ever since we got divorced, i've never had any thoughts about you again. perhaps yingluo reacted to your teasing, but that's a physiological matter and has nothing to do with feelings." qin mu's voice was very soft, but every word seemed to be knocking on his heart.

Chapter 2645: You still love me, don't you?

Zhou chongguang looked down and laughed softly.

After a long time, he suddenly let go of her. Qin Mu, you're right. I'm the shameless one. I shouldn't have touched you, but I couldn't help it.

"i'll let you go!" he said in a low voice.

when he said these words, his voice was extremely hoarse, and his eyes were a little red.

qin mu's body slowly moved to the side. he didn't leave immediately.

she turned her face to the side and looked at him, saying very softly, " "You kissed and hugged me, did you want to talk to me?"

...

his body trembled, and then he slowly turned his head to look into her eyes.

a tear rolled down from the corner of qin mu's eye.

Her lips trembled. look at chongguang. You always make me cry. You always make me sad.

he didn't say anything, but his breathing was very, very light.

"We can't be together anymore, chongguang." "You're fine, alright?" her voice became even softer.

because she would feel bad when he was like this. it was fine if she didn't see him, but when she saw him, she would feel bad.

she could still remember that zhou chongguang, who she had seen when she was 14 years old, was like the white moonlight.

almost ten years had passed. she would rather he be happy and gu mei be beautiful.

that way, the dream in her heart would still be there.

She did not want him to live such a miserable life now. In the past, she had thought that if he was miserable and that he and Gu Mei were not on good terms, she would be happy. However, that was not the case. She could not be happy. He was in pain and suffering. She even felt that he was pitiful when he went to eat with those small celebrities.

she believed him when he said that he had never touched them.

After the divorce, he no longer had the need to lie to her.

After she finished speaking, her lips trembled slightly. Her long brown hair fell over her shoulders and her brows furrowed.

She was the most beautiful she had ever seen.

she didn't know when he started to kiss her, but his solid body was close to hers, and he kissed her fiercely, again and again.

qin mu's body was originally stiff, but it softened later on. after that, she stretched out a hand and pressed it on his shoulder. she kissed him crazily and took the initiative to expose herself.

this kiss was like the last one. it was very, very crazy.

She gave him a reaction, and the passion she gave him for the last time was more intense than any kiss they had ever had.

This kiss burned for a long time, so long that she felt her neck ache. She struggled for a while before he slowly let go of her. Their eyes met, and the air was filled with a sense of despair.

the corners of qin mu's lips curled up into a faint smile. it was a bitter smile. " chongguang, let's just leave it at that. it's impossible between us! "

"you still love me, don't you?" He asked in a trembling voice.

Qin Mu didn't answer him. Instead, he gave him a smile.

so what if i love you? you loved me back then, but you still divorced me because of shui mu.

Could it be changed now?

She no longer had the mood and courage to continue their relationship.

she was tired, but she liked it like this!

&Nbsp; so Zhou chongguang, I'm doing well, so I hope that you'll be well too. But now that we've come this far, we really can't go on anymore.

That smile of Qin MU's had firmly pierced into Zhou chongguang's heart.

He finally understood.

she did love him, but her love was reserved. she loved the zhou chongguang in her heart, and not the zhou chongguang who was unclear and messy like now.

he suddenly laughed softly. I was being silly, Mumu. I apologize.

Chapter 2646: You still love me, don't you?(3)

He reached out to brush the hair on her forehead away. I'll be fine in the future, okay? ”

with that, he opened the car door and let her out.

even though he was unwilling, he still managed to let go.

When Qin Mu got out of the car, his legs were soft.

she stood by the car and looked down at him.

Zhou chongguang slowly lowered the car window and looked at her, smiling slightly. “mumu, be happy.”

...

As he said this, he reached out and ruffled her long hair. Qin Mu took a step back. Then, she felt that this wasn't a good idea and stood still again. However, her expression was always a little uncomfortable.

Zhou chongguang laughed, and it was a faint smile.

he drove the sports car away very slowly and looked at her in the rearview mirror in a daze. she stood in the bright spring light and looked at her endless beauty.

A faint smile appeared at the corner of his mouth,"it's pretty good like this."

At least she didn't hate him, and at least he still loved her.

In his world, they were together ...

As for Qin Mu, he stood at his original spot and watched quietly.

she wasn't unmoved, but just like she said, they couldn't go back.

She turned around and walked into the villa.

As soon as he entered, he saw Qin Chen sitting in the living room. Qin Mu paused."didn't you say that you had an important experiment to do?"

qin chen smiled. " i'm done. i'll come back to accompany you! "

"don't you dare!" Qin Mu glanced at him and sat opposite him.

then, he looked a little dazed.

Qin Chen smiled,"what's wrong?" just now, i saw zhou chongguang's car parked outside for a long time. did you have a fight with his car?"

“i’ll be back in B city next week.” qin mu couldn’t help but glare at him.

“don’t!” “i’m not joking anymore.” qin chen finally got serious.

His voice became gentler. Qin Mu, no one can force you if you’re not willing.

Qin Mu lowered his eyes. I know what you mean, but Qin Chen, it’s really impossible between us. Don’t do such things again in the future.

qin chen smiled. ” alright. ”

After he finished speaking, he no longer mentioned Zhou chongguang. Instead, he made a cup of coffee for Qin Mu and the two of them enjoyed a leisurely afternoon together.

later on, qin mu would occasionally visit little shui mu, and zhou chongguang would also appear occasionally.

he only nodded and had almost no intention of asking her to stay for dinner. this way, qin mu was quite relaxed.

she liked shui mu, but she was mostly helping qin chen deliver things. qin chen was really busy after that.

Just like that, half a month passed by without much emotion. Zhou chongguang didn’t have any intention of leaving new York, but Qin Mu was leaving.

That afternoon, little Shui mu fell asleep upstairs. Zhou chongguang was waiting on the sofa in the living room as usual.

it was qin chen’s assistant, eisen, who had sent little shui mu the medicine.

Eisen handed the medicine to Zhou chongguang, smiled, and said a few words before leaving.

” wait! ” zhou chongguang stopped him. ” wait a moment. ”

“mr. zhou?” eisen turned his head and looked at him.

zhou chongguang pursed his lips and said softly, ” “where’s miss qin?”

“i’m doing an experiment,” eisen replied in fluent chinese.

“i mean, qin mu.” zhou chongguang coughed lightly.

Eisen understood, and then laughed softly,”she’s back in the country.”

return to china?

B city?

zhou chongguang did not ask any further. ” thank you. ”

Eisen’s gaze fell on his face for a while before he left.

zhou chongguang stood in the living room and was in a daze for a long time. it was only when he heard shui mu’s cries coming from upstairs that he came back to his senses and went upstairs, but he was still a little dazed ...

she left just like that, without even saying goodbye?

Chapter 2647: We’ve all lost (1)

zhou chongguang didn’t leave new York immediately because of qin mu’s departure. he stayed in new york for another half a month.

By the time he returned to B city, little Shui mu had already learned how to sing.

Every time this happened, he would look at little Shui mu in a daze.

in his heart, there was a very beautiful picture. his and qin mu's child would slowly grow up and learn to call his mother and father, yingluo.

every time this happened, zhou chongguang's heart would be filled with heartache.

he still left new York. when he set foot on B city's land, he took a deep breath. he did not return to the hotel but went straight to the company.

...

Zhou chongguang was sitting in the car with his eyes closed to rest when his phone suddenly rang.

he frowned and picked up the call. "Qiqi?"

on the other end, qiqi's voice was very soft and careful. "general manager zhou, i've completed the first stage of my surgery."

Zhou chongguang held his phone and hummed, his voice slow and deep, "What did the doctor say?"

"the doctor said that i'm recovering well." qiqi's voice was a little cheerful. he'll be able to remove the gauze in a few days."

zhou chongguang smiled lightly. "that's good."

Qiqi paused for a moment and said slowly, "Director Zhou, can you come and see me?"

qiqi was now in Korea. she longed to see zhou chongguang, even if it was just a word of encouragement from him.

zhou chongguang's smile grew even more faint. " i still have some work to deal with. if there's anything, i'll get my secretary to go over, okay? "

His tone was gentle and calm, but there was a sense of rejection.

qiqi probably didn't expect him to reject her. she was stunned for a moment, then said softly, " "Good day, Yueyue. Goodbye, director Zhou."

zhou chongguang acknowledged and slowly hung up the phone.

Then, he looked at his phone with a cold gaze.

ziyi said that he was a little too good to qiqi. even if he felt guilty, he couldn't do that. otherwise, it would easily cause women to have a sense of dependence and illusion. although his marriage was a mess now, he didn't want to get involved in unnecessary trouble.

he definitely had to treat qiqi's face, but it was better to keep a distance.

zhou chongguang put down his phone and did not say anything else.

When he arrived at the company, his Secretary came to report on work. She hesitated for a moment before saying in a low voice, " " ceo zhou, miss xue lin has called twice to invite you to dinner. also, that qi qi has called dozens of times. she calls twice a day to ask if ceo zhou is in the office. "

Zhou chongguang had been in new York for about a month, and his phone number in B city was useless. No one could find him, so all the calls were made to the company.

After the little Secretary finished speaking, Zhou chongguang's gaze paused for a moment, then he smiled faintly. "i know."

When he walked into the office, the little Secretary was stunned. Then, she started chatting with the second Secretary beside her. " look, ceo zhou is just like that to qiqi. he called her dozens of times, but he didn't react much. "

the second secretary played with her delicate fingernails and pursed her red lips.”It’s true, CEO Zhou’s favorite is still miss Qin! Whether it’s Gu Mei or these small celebrities, which one of them is more beautiful than miss Qin? Qin Mu seemed to be the ideal wife in men’s hearts. These people can’t be compared to miss Qin in terms of appearance or temperament. It’s only natural that you can’t forget them, isn’t it?”

the secretary sighed and looked at the second secretary. ” “What’s the use of not being able to forget? we’re already divorced.”

Chapter 2648: We’ve both lost (2)

do you think CEO Zhou was willing to get a divorce? it’s all because of Gu Mei who forced him to get married. They were a good couple, but she had to come in between them. Now, things are great, Yingluo. the Secretary lowered her voice. “i overheard vice president zhao’s phone call the other day. he said that gu mei has gone crazy and is now in the mental hospital.”

The second Secretary swallowed hard. “really?”

“It’s true.” The little Secretary nodded seriously.

the second secretary sighed. “i really didn’t expect this!”

the secretary also sighed. ” i know, right? he used to be so powerful, but now he’s crazy. that’s why i said that director zhou is poisonous. you can’t touch him. ”

The second Secretary looked at her and said,”do you think that Qiqi is stupid?” her face had already become like that, yet she was still thinking about general manager zhou? Among all these women, Xue Lin is the smartest and knows when to advance and when to retreat.”

...

the secretary gave her an approving look.

just as they were gossiping, zhao ziyi came over and coughed lightly.

The two secretaries were shocked and their expressions changed.

“you know what will happen if word of what happened to general manager zhou gets out.” zhao ziyi coldly snorted.

After he finished speaking, he walked towards Zhou chongguang’s office.

he knocked on the door and opened it. he was immediately choked by the thick smoke inside.

“you really don’t want to live anymore!” zhao ziyi grumbled as he opened the window for some fresh air, while zhou chongguang leaned against the desk and smoked, not doing anything.

“if you’re not working, then go back and rest. what are you smoking here for!” zhao ziyi said unhappily.

“there’s no point in going back to the hotel.” zhou chongguang’s tone became even more indifferent.

zhao ziyi looked at him, unable to speak for a moment.

” chongguang, ” he said after a long time, ” gu mei has gone crazy. why don’t you use some tricks to divorce her? maybe there’s still hope for qin mu. ” hmm?”

zhou chongguang took a long drag on his cigarette. when he blew out the smoke, he said softly, ” “Ziyi, I’m no longer worthy of her.”

after going through so much, how could he have the face to win her back?

Even Qin Mu himself said that they couldn’t go back to how they were before.

She might not be able to forget him, but she decided to give up on him.

he understood qin mu's character to a certain extent. no one could stop her from doing what she wanted to do.

zhao ziyi looked at his appearance and couldn't help but get angry. he reached out and snuffed out the cigarette in his hand, saying in a faint voice, "you have to give it a try, don't you?"

zhou chongguang looked at zhao ziyi and laughed, then lit another cigarette and smoked it slowly. "i met her in new York. she rejected me."

zhao ziyi was stunned for a moment.

"ziyi, don't make things difficult for her." "she's innocent," zhou chongguang said quietly.

Zhao Ziyi found it difficult to explain in a few words. In the end, he didn't say anything more and instead opened his mouth, "Stop smoking. Let's go for a drink tonight."

zhou chongguang laughed lightly, which was considered an agreement.

At this time, Zhao Ziyi seemed to have thought of something. He frowned and said, "What's your plan for that Qiqi Wanwan?"

previously, zhao ziyi thought that she was quite nice and was quite tactful. he knew that chongguang didn't like her, so he didn't ask for too much. however, in the one month that chongguang was gone, she was a little embarrassed and overstepped her boundaries.

there must be a reason for him to ask this.

zhou chongguang laughed. "she should be responsible for what she needs to be responsible for. as for the rest, just let her back off after knowing the difficulties!"

"That's true," Zhao Ziyi nodded.

from the looks of it, chongguang really didn't care about that small star.

Chapter 2649: we've both lost (3)

Night bar.

zhou chongguang and zhao ziyi were sitting face to face. zhou chongguang was smoking and talking about what happened in new York in a very calm voice.

Zhao Ziyi had been listening very patiently, and when he finally finished, he smiled, "this is good."

He really hoped that Zhou chongguang could start over. Even if there was no love, he could still live a normal life for little Shui mu.

it was obvious that there was no more hope on qin mu's side.

It would be best if chongguang could let it go.

...

Zhou chongguang looked at Zhao Ziyi, smiled, and drank the wine in the glass in one gulp.

after drinking, he poured himself another cup. zhao ziyi couldn't help but say, "Take it easy, brother."

zhou chongguang smiled and didn't say anything. he just smoked quietly.

"are you still thinking about qin mu?" zhao ziyi's face came closer.

it was rare for zhou chongguang to make a joke, " "ziyi, do you want to?"

zhao ziyi shook his head and laughed. " i missed it a little in the past, but i don't anymore. i don't dare to think about it! "

He probably didn't want to talk about this topic anymore, so he picked up his mug and said, "come, let's drink."

zhou chongguang clinked his glass with his and was about to drink when his phone rang.

he lowered his head to look at the caller id, and his eyes darkened.

"who's calling? you look so pale." zhao ziyi blew out a ring of smoke and asked in a soft voice.

Zhou chongguang set his phone to silent mode and placed it aside, not bothering about it. He took a small sip of wine, and his mood was much worse.

zhao ziyi went over to take a look and understood that it was qi qi calling.

hence, he sighed softly. "this woman is really not to be touched. in the past, when i paid her for a meal or something, i didn't see her having any improper thoughts. now that i'm more concerned about her, she's stuck to me and can't be shaken off."

Zhou chongguang held his mug and smiled quietly. "I'll be fine after a while."

zhao ziyi coughed lightly. "that ... if her face wasn't destroyed, would you have had such thoughts?"

zhou chongguang's gaze paused for a moment. "no."

After a while, he said softly, "i don't have such thoughts now."

Zhao Ziyi smiled and did not say anything more.

the light on the phone next to her was on the whole time. after a while, it went dark, and after a while, it lit up again. it took about three or four calls before it was finally over.

zhou chongguang and zhao ziyi had a little too much to drink. when he returned to the hotel, he did not even know how he got back.

She took the key card and was about to swipe it to open the door when she saw a thin figure standing at the door.

he was wearing a hat and his face couldn't be seen clearly, but zhou chongguang could recognize him immediately.

he didn't open the door immediately. instead, he leaned against the door and looked at qiqi."What are you doing here?"

Qiqi was still wearing a mask, but one could tell that her exposed skin was much better. Just as she said, the operation was very successful.

but to zhou chongguang, it was just that he felt less guilty. there was really nothing else.

at this time, in the face of his coldness, qiqi seemed a little helpless. after a while, she said in a low voice, " "i'm a little worried since you didn't answer my calls."

She looked at him and finally mustered up the courage to step forward to help him.

Zhou chongguang took a step back and looked at her with a cold gaze. His voice was slightly hoarse. I think I've made it very clear. There's no possibility between us.

Qiqi's hand hung in the air for a while before she said with difficulty, " "do you despise my face?"

"The doctor said that my face can be fixed and I can look the same as before," she said anxiously.

Chapter 2650: We've all lost (4)

“i can only say congratulations.” zhou chongguang’s voice became even fainter. ” qiqi, don’t call you in the future, and don’t come looking for me either, understand? ”

she shook her head. ” i’m just concerned about you. ”

“i don’t need to!” zhou chongguang laughed very lightly. ” stay away from me. otherwise, there’s no benefit. do you understand? ”

qiqi’s eyes were still in the same spot. after a long time, she said softly, ” “you went to new York and saw her, didn’t you?”

Zhou chongguang’s gaze was slightly cold. if you’re smart, then don’t provoke me again.

he opened the door but didn’t go in immediately. instead, he stood at the door and said in a lighter tone, ” ” if you dare to hurt qin mu, i guarantee that i’ll make you wish you were dead. ”

...

“i didn’t.” Qiqi hurriedly explained.

but zhou chongguang’s gaze on her turned even colder. he didn’t speak to her anymore and closed the door directly.

qiqi stood in her original spot and lowered her eyes. after a while, she smiled gently.

general manager zhou only had his ex-wife in his heart.

she was very envious.

But there were some things that one couldn’t be envious of.

He could only fight for it himself.

The days passed just like that. Qiqi didn't disturb Zhou chongguang anymore. However, four months later, she made a comeback, and once she did, she was shocked.

Lin Xue asked Zhou chongguang out for a meal. Zhou chongguang rejected her, but Lin Xue went straight to Rongguang's CEO's office to block him. The little Secretary couldn't stop her, so she followed behind and said, "miss lin, you're making things difficult for us."

The little Secretary did stop her, but she didn't really stop her. The last time when Gu Mei was in a difficult position, Xue Lin even spoke up for her. However, Wanwan still had to do something. Otherwise, she wouldn't be able to take it if director Zhou blamed her.

but no matter how he tried to stop her, lin xue had already rushed into zhou chongguang's office.

zhou chongguang hung up the phone and looked up at xue lin. then, he looked sharply at the little secretary.

"Chief Zhou, I can't stop you." The little Secretary said, feeling wronged.

how could zhou chongguang not know? hence, he said calmly, "there's nothing for you to do, get down!"

So the Secretary went down happily.

"Speak, what's the matter? if it's just a meal, then there's no need for that." Zhou chongguang walked back to his desk and sat down while holding his tie.

xue lin leaned against the door and sneered at him, "that's right. Gu Mei is locked inside. President Zhou doesn't need me anymore. I don't even need to be perfunctory with him.

zhou chongguang was still looking at her, and there was no expression on his handsome face. he said very indifferently, "if you have something to say, say it!"

As he spoke, he took out a cigarette from the cigarette box on the table and lit it.

Xue Lin walked over and placed her hands on both sides of the desk. She bent down slightly and staggered.

Zhou chongguang only needed to take a glance and he would be able to see the spring. However, he did not have such intentions. His gaze only fell on Xue Lin's face.

lin xue's hand gently took out a photo from her bag and threw it in front of zhou chongguang, "Zhou chongguang, take a look at this."

Zhou chongguang's gaze stayed on her face for a long time before it landed on the photo.

then, he narrowed his eyes dangerously ...

That was Qin Mu?

No, to be precise, she should be a woman like Qin Mu.

xue lin moved her chin and sneered, "can you tell who this is?"

zhou chongguang's gaze was still very cold as he looked at the photo, then he slowly picked it up.

xue lin's voice had a hint of mockery, "Director Zhou, there are many kinds of women in this world, especially those who are timid."
