

Thank you 2651

Chapter 2651: long time no see, mumu (1)

Xue Lin's voice had a hint of mockery, "director Zhou, there are many kinds of women in this world, especially the timid ones, who will become particularly bold when they encounter love. These kinds of women usually look harmless, but in fact, they are extremely dangerous.

zhou chongguang finally looked at her. "this is qiqi?"

Xue Lin's smile became even more mocking. it's really rare that you can still recognize her.

zhou chongguang's gaze landed on the photo again.

a little sheep has turned into a lioness. Director Zhou, it's too late to regret. "don't wait until it's too late to regret," xue lin reminded him coldly. " "

Zhou chongguang looked at her.

...

Xue Lin stood up and flicked her long hair. also, not every woman will cling onto you, CEO Zhou.

zhou chongguang smiled. "let me treat you to a meal. "

"I have an appointment with the producer tonight." "i'll be the female lead in the next movie," xue lin said with a smile.

Zhou chongguang looked at her.

"it's just that the producer is a little ugly," xue lin shrugged.

There was a tinge of regret in her tone.

zhou chongguang immediately understood what she meant and smiled faintly. ” ” give me his name card. i'll help if i can. ”

he was being vague, and so was xue lin. some things were better left unsaid.

Xue Lin didn't come here today for nothing. Her main purpose was to trade.

She just didn't want to sleep with that ugly man, and Zhou chongguang was the one she could talk to.

Now, he could kill two birds with one stone.

Lin Xue left, satisfied. Zhou chongguang looked at the photo of the similar face, picked it up, and lit it up with a lighter, burning it to ashes.

that night, he and xue lin didn't have dinner, but he called the producer and hinted that he had a good relationship with xue lin. the man understood and after thinking for a long time, he decided to give the role and forget about the unspoken rules.

Zhou chongguang went to the restaurant that Zhao Yan opened. He had not been there for a long time, and it seemed like he had not seen Qin Mu for a long time.

As she thought about this, she actually saw Qin Mu there.

she was with zhao yan, and his wife was sitting with him.

zhao yan's wife was already six months pregnant and her belly was a little big. when she talked to qin mu, she looked very happy. it was obvious that her relationship with zhao yan was very good.

Zhou chongguang did not go over. He picked a seat and sat down, looking over there.

Qin Mu had been talking to Zhao Yan and the others. Unexpectedly, he looked over.

Then, her vision became a little blurred, and she smiled.

Their relationship had become like this. When they met, they could smile and say hello.

zhou chongguang thought of the words "peaceful breakup." actually, he didn't want to break up peacefully either. he would rather keep the pain in his heart for the rest of his life, but he couldn't bear to see qin mu do the same.

It was good that he was in pain. She had to be well. This was the only thing he could do for her.

So, he smiled as well.

after that, zhao yan went on stage to play the piano, and it was still the same song for alice.

his little wife had a happy smile on her face, and she played along with the music.

however, to zhou chongguang, it was rather ironic that zhao yan's song was played for qin mu.

his gaze had always been on qin mu's face indifferently, so scorching that qin mu could not ignore it.

she looked at zhao yan's wife and said gently, "i'll go over for a while."

"Alright," he said.

Qin Mu walked over to Zhou chongguang's table and sat opposite him. Before he could speak, Zhou chongguang had already called the waiter over.

Chapter 2652: Long time no see, Mumu (2)

Qin Mu wanted to say something, but he had already told the waiter a few things.

“zhou chongguang, i’m not here to eat with you.” Qin Mu couldn’t help but ask.

The waiter was at a loss for what to do. Zhou chongguang closed the menu and said lightly, ” that’s all.

After Qin Mu and the rest left, he glared at him. “Are you still going to act on your own?”

he pointed a finger at her and smiled. ” they’re a married couple. why are you butting in? ”

Qin Mu rolled his eyes at him. I’m the one who said I’ll treat you today. You’re making it difficult for me by doing this.

...

“You’re the one who’s not human inside or outside.” Zhou chongguang sneered. I don’t believe that you can’t tell. Zhao Yan, that kid, only has you in his heart.

“zhou chongguang, don’t go too far.” qin mu glared at him.

“asking you to have a meal together is too much?” Zhou chongguang laughed. then, isn’t it even more overboard for you to disturb the relationship between a married couple and seduce a married man? ”

Qin Mu was furious. I’m not.

“It also counts as a spiritual one.” zhou chongguang smiled.

Qin Mu was no longer in the mood to eat with Zhao Yan and the rest. It was as if she would be accused of destroying other people’s families if she went to eat.

But it was not good to leave, so she could only sit at Zhou chongguang’s place and Exchange a few glances with Zhao Yan’s wife.

zhao yan's wife also knew about zhou chongguang. she looked at them and revealed a smile of understanding. that smile was very kind.

Zhou chongguang whispered into Qin MU's ear. look at how innocent this little girl is. Qin Mu, can you bear to destroy her love? ”

Qin Mu couldn't be bothered to be angry anymore. He glanced at him, then called the waiter over and ordered the most expensive dish here.

Zhou chongguang smiled and did not say anything.

during this meal, qin mu didn't say much to him and just ate in silence.

zhou chongguang didn't force her. as long as he could be with her like an old friend, he was already very satisfied.

His feelings for her were extremely low.

He thought that she was better than anything else.

As for her and Zhao Yan, on one hand, it was a joke, and on the other hand, it was an excuse. Otherwise, why would she obediently sit down and eat with him?

after zhao yan played a few songs, he turned around and qin mu disappeared.

his wife blushed and said, ” Mumu met her ex-husband, so she might not be able to have dinner with us.

Zhao Yan acknowledged him indifferently, then his gaze fell on Zhou chongguang's face and he smiled.

Men understood men, and they could tell at a glance.

he sat down and took a sip of the wine before the meal. his little wife said gently, " will Mumu remarry her ex-husband? he seems to like Mumu.

Zhao Yan smiled at his wife. maybe!

However, his thoughts had already drifted away. Just as Zhou chongguang had said, love was only on the surface. In Zhao Yan's heart, there was only one girl, and that was Qin Mu.

however, this feeling was destined to be buried forever.

his gaze was deep, and his little wife whispered, " "Why don't we help them?"

before zhao yan could say anything, she had already called the waiter over and whispered a few words to him.

zhao yan wanted to stop him, but it was too late.

After his little wife finished speaking, she turned her head and looked at him with a face that was begging for praise."zhao yan, what do you think of this idea?"

Her expression was filled with joy.

There were also some that were dazzling.

As Zhao Yan looked at her, his heart softened. No matter what, he still liked her.

"It's good," he smiled.

Chapter 2653: long time no see, mumu (3)

After Zhao Yan finished speaking, a smile appeared on his wife's face, which was a little dazzling.

zhao yan looked at her and gently stroked her cheek.

at this moment, the lights in the dining room dimmed, and yaksha's music started playing. it was the very seductive kind.

After that, Zhou chongguang's table was invited onto the stage by the restaurant's service staff, and they performed a two-person dance to the soothing music.

zhou chongguang smiled and gestured to the waiter to go up in a while, but qin mu was not willing. she looked at zhou chongguang and said, "I didn't say I was willing." His voice was a little annoyed.

"Look at the situation now, can you not go up?" Zhou chongguang's tone was still very light and calm, "Qin Mu, it's just a dance. There's nothing else."

...

Qin Mu looked around. Many people were already looking at them. She thought about it and agreed.

Just like he said, it was just a dance. It was nothing.

She pursed her lips and stood up.

zhou chongguang extended his hand towards her.

Qin Mu paused for a moment, then finally handed her hand over to him. When he held her hand, their eyes met. In the dim light, there was an indescribable meaning.

zhou chongguang held her hand and walked to the middle of the restaurant. there was a stage that was about ten square meters. a ray of light poured down from above and shone on them. they had the feeling of a male and female lead.

zhou chongguang pulled qin mu slightly towards him and clasped her small waist with one hand. thus, their bodies were tightly pressed together.

With the music, he gently shook her body. This kind of music was most suitable for face-to-face dance. They didn't need to dance big and wide. They just needed to stick together and they could dance.

qin mu's face was forced to stick to his shoulder, sticking to his high-quality clothes. he sniffed the man's scent on his body, and his nose felt sour.

in the dim light, the two of them seemed to have forgotten their past and were only immersed in those few short minutes.

the scene of them embracing was quiet and beautiful.

zhao yan's wife bit her lips and looked at zhao yan with a smile, "you see, they are still in love."

zhao yan was stunned for a moment, but he quickly regained his senses and smiled."yes, they are still in love."

Everyone knew, including Zhou chongguang and Qin Mu. It was just that they had decided not to be together.

Now that Gu Mei was already in the mental hospital, he did not understand what Zhou chongguang was waiting for.

He knew Qin MU's personality. If Zhou chongguang insisted on it, he might be able to take her down.

Gu Mei had given birth to the child, but Qin MU's love for Zhou chongguang was also true. This was how things were between men and women. Some things, time could take everything away.

the main problem with them was actually zhou chongguang, not qin mu.

as a woman, it was a normal reaction for qin mu not to turn back. however, zhou chongguang was not too normal ...

zhao yan thought to himself, perhaps it's because they love each other too much, that's why.

he suddenly turned his head to look at his little wife and found that her eyes were looking at him with a trace of moisture.

She seemed to have realized something. Her expression looked like she was about to cry.

zhao yan sighed and pulled her over. he half-sat her on his lap and pressed his forehead against hers. " don't let your thoughts run wild. "

she could clearly tell that he had feelings for qin mu, but his little wife still nodded obediently and didn't say anything.

Chapter 2654: It's not her even if you wear her skin (1)

Zhao Yan thought to himself,"such a well-behaved girl, being so obedient, it's quite heartbreaking."

besides, she was the mother of his child.

He placed his palm on her lower abdomen and smiled. "i'll take you to see the fireworks later, okay?"

She curled her lips into a smile at him, and it was a very peaceful smile.

it was a kind of faint happiness.

Zhao Yan thought, " let's just do it this way. We'll start with kinship, and slowly, I'll like her bit by bit.

...

Too strong of a feeling was not suitable for him.

No, it was Yingluo who couldn't get what she wanted, so why force it?

He thought.

in the middle of the stage, zhou chongguang and qin mu stopped.

When he let go of her, his hands were empty, as if he had lost the most important thing in his life.

Qin Mu was the same.

she looked at him and chuckled.

Zhou chongguang returned a smile, his voice slightly hoarse. “let’s go eat!”

There was a round of applause from all around. At this time, the lights were bright and the atmosphere was quite subtle.

Qin MU’s face was a little red. He didn’t say anything more during the meal, and Zhou chongguang didn’t force her either.

after the meal, she bid farewell to zhao yan and saw a cautious look in zhao yan’s wife’s eyes.

She turned her head to look at Zhou chongguang and sighed in her heart. Even if Zhao Yan’s family invited her in the future, it was indeed not appropriate for her to get too close.

when zhou chongguang proposed to send her back, qin mu agreed.

she seemed to have seen zhao yan’s wife heave a sigh of relief.

with a light smile, he walked out with zhou chongguang.

when they were outside the restaurant, she said, ” “i can take a taxi.”

zhou chongguang looked at the endless traffic on the road, then turned his head to look at her, and smiled. ” “where do you plan to go?”

Qin Mu snorted softly.

“you’ve already danced, nothing will happen even if you send me off.” “Trust me, Mumu,” he said in a low voice.

she looked into his eyes with an unknown meaning.

However, she still agreed.

zhou chongguang was also well-behaved the entire time. he opened the car door for her and didn’t say much on the way. he only played hua chenyu’s ” glimmer “. the lyrics in it made people’s hearts sour. qin mu suspected that he did it on purpose, so he turned his head to look at him.

zhou chongguang had been keeping a low profile and driving quietly, his eyes focused on the road ahead.

qin mu pursed his lips and turned his face away, looking out of the car window.

It was quiet between them until they reached Qin MU’s apartment.

Zhou chongguang stopped the car slowly and turned his head. we’re here.

Qin Mu acknowledged and opened the door to get out of the car.

he called her name.

qin mu turned his face to look at him.

Zhou chongguang smiled. be careful when you go upstairs.

“mm,” qin mu replied,”zhou chongguang, thank you for sending me back.”

He didn’t detain her when she got out of the car. He just looked at her back and had a feeling in his heart.

It was as if he was in love and sending her home, but this feeling was just something he had imagined.

With a bitter smile, he turned the car around and drove back to the hotel he was staying in.

They arrived at the hotel.

A surprise was waiting for him.

fortunately, he had just met qin mu. fortunately, lin xue had given him a heads up today, so zhou chongguang was not particularly surprised when he saw it.

in the hotel lobby, he looked at that familiar face and felt his heart palpitate for a moment. after all, they were very similar.

yes, qiqi had done plastic surgery to look like qin mu. although there were some slight differences, it was indeed qin mu’s appearance. from the previous 50% resemblance, it had become 80%.

Chapter 2655: It’s not her even if you wear her skin (2)

However, no matter how similar he looked, he was not that person.

after a brief moment of fear, zhou chongguang’s gaze turned slightly cold.

He looked at the woman in front of him and slowly stopped in his tracks.

Qiqi was obviously different now. She didn’t know where she found this sugar daddy, but he seemed to have the power to support her. This time, she even brought an assistant with her.

Zhou chongguang looked at that face and felt that it was an eyesore no matter how he looked at it.

In the past, he had used that face to reminisce about a certain someone and also used it to deal a blow to Gu Mei. He felt quite guilty about Qiqi's disfigurement. After all, he was the one who had brought her all this.

...

He was willing to do everything he could to make it up to her, and he had never given her any false impression.

Now that she had done plastic surgery to look like Qin Mu, it made Zhou chongguang very uncomfortable, very uncomfortable.

He looked at her quietly for a long time before saying softly, " "No matter how much it costs, change this face. I'll pay for it."

If it wasn't for his previous guilt, he would have sent someone to take her to the operation right now.

his current attitude was enough to explain his inner thoughts.

Qiqi was a little hurt. She pursed her lips and looked at Zhou chongguang in front of her, her lips trembling slightly."Director Zhou, I thought you would like it."

She covered her face.

in the past, it was because of this face that she could be by his side. it was normal for him to dislike her when she was disfigured, but now that she looked even more similar than before, why did he still not like her?

zhou chongguang's voice was very cold. " i've said it before. even if you put on her skin, you're not her. "

also, he hated it when people used qin mu to get close to him.

“You and I have only been making money deals, nothing else.” If you insist on staying in the entertainment industry with this face, my team of lawyers will Sue you until you start doubting your life.”

qiqi’s lips were tightly pursed, and her facial muscles were trembling abnormally.

“Is it because you’re with her again that you don’t want to accept me?” she asked softly after a long time.

zhou chongguang didn’t want to be entangled with her, and he wouldn’t explain his relationship with qin mu to irrelevant people.

“Think about it, I’ll give you three days,” he said in a low voice.

He couldn’t possibly let Qiqi use this face. What if she played dirty or acted out of character? wouldn’t that be equivalent to Qin Mu showing off in front of others?

he, zhou chongguang, could not accept it no matter what, so he said that.

qiqi’s assistant tugged at her, hinting at her not to go head to head with him.

qiqi still wanted to say something, but zhou chongguang had already walked into the elevator.

he stood in the elevator and dialed zhao ziyi’s number.

“From now on, send someone to protect Qin Mu 24 hours a day.” his voice was low and hoarse.

he couldn’t let his mistake implicate qin mu again. he couldn’t. no matter the price, no matter how many sins he had committed, from now on, he would only live to protect her and shuimu.

After he left, Qiqi was still standing in the same place, muttering to herself, ” “Why doesn’t he like me?”

The assistant said softly, " why don't we just forget about it? we can do plastic surgery to look like Jin Xishan. He'll be popular and no one will care.

"but she's out of date!" "And Zhou chongguang doesn't like Jin Xishan," Qiqi said in a low voice.

The assistant was speechless.

Qiqi's expression froze for a moment before she said, " "you can go back first."

the junior assistant was a little worried, afraid that her silly actions would provoke zhou chongguang.

"Don't worry, I'll be going back too." Qiqi laughed softly, but a strange look flashed across her eyes.

Chapter 2656: They're together again (1)

Early morning in B city.

The sunlight chased away the last bit of darkness, and the entire land was covered in sunlight.

even in the darkest place, there was still a trace of light.

gu mei sat in the single ward and listened to the sound of the door opening and closing outside. she knew that the doctor had started his ward rounds again in the morning. it was like this every day, over and over again.

she had been counting the days and knew that she had been locked up in this dark place for nearly six months.

in the past six months, zhou chongguang had not come to visit her even once, not even her family.

...

she, gu mei, was the person that the entire world had given up on.

The door opened with a squeak.

the sunlight outside shone on gu mei's pale face and it was so piercing that she immediately raised her hand to block it. her voice was hoarse as she said, "close the door."

She didn't want to see the sun. If she was destined to be here for the rest of her life, she didn't need the sun.

This place was not a hospital, but a prison. It was the prison that Zhou chongguang had locked her in as punishment.

Just for that b * tch.

she knew that it wasn't for qiqi, but for qin mu.

he said she was crazy and locked her up here for treatment because he was afraid she would hurt his precious baby.

Gu Mei laughed coldly.

The last time, she had been imprisoned for four years for him. This time, it was a lifetime.

under the dim light, her face was frighteningly thin, and there were two shadows on the sunken part, which made it look even more sinister and terrifying.

The female doctor walked over and looked at Gu Mei. She spoke mechanically, "I'm taking your temperature,"

gu mei also received the gun mechanically. she did not say a word during the time she was waiting.

the two young nurses by the side were even more expressionless.

there was no need to have too much emotion in a place like hell.

Two minutes later, Gu Mei returned the temperature Gun to the doctor. The doctor recorded it down and asked her a few more questions. He then gave her two pills.

gu mei refused to eat it. however, after struggling for a long time, the young nurse still forced it in.

gu mei was forced to swallow the medicine. she felt a burning sensation in her stomach. her body was thrown there and it looked extremely broken.

She said in a hoarse voice, "it was Zhou chongguang who asked you to harm me, wasn't it?" did i become crazy after taking this medicine?"

The doctor looked at her as if she was a lunatic. He felt that she was pitiful, but at the same time, she was hateful.

After all, Gu Mei was a famous person in B city. Who did not know about her past? now that she had become like this, Mr. Zhou was already being kind by not divorcing her. Now, he was simply suffering from persecutory delusions. Even if she was being treated here, he felt that someone was trying to harm her.

The doctor ignored her. It was the same every day when she was fed medicine. It was forced and everyone was used to it.

Gu Mei did not become any worse, but she had not recovered from her illness either.

Her illness was in her heart, and no one could cure it.

When the doctors and nurses left, Gu Mei's fingers clutched onto it and she was unable to get up for a long time.

She wanted to drink some water, she was very uncomfortable.

She ran to the small table by the bed, poured herself a glass of water, and gulped it down.

after she finished, she leaned on the table and laughed softly.

Day by day, every day passed like this.

a tear rolled down from the corner of her eye. was this the price she had to pay for killing shui mu?

Suddenly, Gu Mei's eyes widened. She saw a photo where the cup was originally placed.

That's Yingluo.

She gently picked it up and was stunned when she saw it.

that was qin mu.

Chapter 2657: They're together again (2)

No, to be precise, it was Qin Mu and Zhou chongguang, as well as Shuimu Qianqian.

No matter what, she still knew her son.

The background was an unfamiliar place, and the scene was very heartwarming. Qin Mu was hugging her Shui mu, while Zhou chongguang was standing at the side, looking at Qin Mu with a gentle gaze.

gu mei's throat let out a sharp cry.

her body slammed into the corner of the table, and she could no longer feel the pain.

she had been tricked.

...

She looked around and smiled coldly.

She was living a life that was neither human nor ghost in this dark place. She thought that she was atoning for Shui MU's sins, but the truth was so ironic.

Qin Mu had snatched Shui mu and her son away.

how could he? this couldn't be.

Gu Mei raised her head and her entire body was trembling. She tried her best to suppress herself so that she would not scream out loud.

A moment later, she flipped through the photo and saw a few lines of words on the back.

gu mei looked on and suddenly laughed coldly.

in zhou chongguang's heart, qin mu's existence had always been like the white moonlight. if she destroyed qin mu, would zhou chongguang still love her?

In the past, she had been too soft-hearted and had never laid her hands on Qin Mu.

A trace of fierceness and rationality flashed across Gu Mei's eyes.

two days later, zhou chongguang received a call. gu mei had disappeared from the mental hospital.

He stood in the office in a daze for a long time before he immediately dialed Qin MU's number.

Qin Mu only picked up after a few minutes. She asked him softly what was the matter, ran ran.

Zhou chongguang's throat was a little dry. In the end, he could not say it out loud, and only smiled faintly. " the weather has been hot recently. don't go out too much, okay? "

although qin mu was a little surprised, he still nodded his head lightly.

Zhou chongguang didn't say anything else, but he didn't hang up the phone immediately. With her light breathing, it seemed like he could also get rid of his longing.

After a long time, Qin MU's voice was faint as he said, "If there's nothing else, I'm hanging up."

Zhou chongguang made a sound of acknowledgment and waited for her to hang up before he hung up.

Then, he immediately called for Zhao Ziyi and said in a light tone, "send more people to protect Qin Mu 24 hours a day. No matter where she goes, have people follow her. Add two female bodyguards and follow her in plain clothes.

Zhao Ziyi looked at him.

"Gu Mei has escaped." Zhou chongguang squinted his eyes slightly. "go and find that qiqi. i have something to ask her. "

However, when Zhao Ziyi went to look for Qi Qi, Qi Qi had disappeared, as if she had evaporated from this world.

this was even more proof that qiqi was the one behind it.

zhou chongguang did not know what qiqi had done to provoke gu mei to escape. furthermore, it was impossible for gu mei to escape alone. she must have worked together from the inside.

however, now was not the time to pursue this. the most important thing now was to protect qin mu and also to find gu mei and qiqi.

It was obvious that Zhou chongguang was a step too slow. What he did not expect was that Gu Mei knew about Shui MU's existence.

And she had taken Shui mu away. When Auntie Zhang called, he was stunned.

after that, there was no need to hide anymore. he called qin mu to tell her that gu mei had come out.

If the Gu Mei of the past was only crazy for love, the Gu Mei of the present was in a life and death struggle.

the phone rang again and again, but no one picked up.

Zhou chongguang's heart sank to the bottom.

with shui mu in gu mei's hands, there might be a glimmer of hope. however, he really did not dare to think about qin mu.

fortunately, he called the police in time. after qin mu's phone was connected, he located wanwan.

Chapter 2658: they're together again (3)

It was a city-run farm.

After knowing the address, Zhou chongguang still went over despite knowing that Gu Mei's intelligence was deliberately luring him over.

This was because Gu Mei was the last one to laugh sinisterly."If you dare to bring the police here, don't try to take Qin MU's life."

Zhou chongguang pursed his lips and suppressed his voice, " "i'll go alone! Gu Mei, Shui mu is your son now, so don't hurt him."

Gu Mei's voice was a little mournful. isn't he the son of you and Qin Mu? didn't you already give him to Qin Mu to be his son? "

zhou chongguang bit his lip, 'are you crazy? i'm not with qin mu."

...

“Zhou chongguang, I won’t believe a single word you say anymore!” gu mei laughed coldly. ” trust me. when you come over later, there will be an exciting show waiting for you. ”

Zhou chongguang’s heart sank, and he hung up the phone.

“I’ll go with you,” Zhao Ziyi said in a low voice.

Zhou chongguang shook his head very quickly. no, I’ll go by myself. She’s really capable of doing anything now.

Zhao Ziyi pursed his lips. He had no choice but to say, ” then we’ll wait for you nearby.

“Don’t get too close.” Zhou chongguang nodded.

After he finished speaking, he quickly walked out. Zhao Ziyi looked at his back and felt that he had a sense of decisiveness.

Chong Guang seemed to have disregarded himself. He wanted Qin Mu and Shui mu to live. Did he not care about himself anymore?

It was clearly that dangerous, but he still went.

Half an hour later, Zhou chongguang’s car stopped at the entrance of the old and dilapidated farm. He quickly jumped out of the car and walked towards the abandoned warehouse. With every step he took, he could smell a rotten smell.

And his son, his Mumu, was locked in here.

how scared would they be right now!

However, what Zhou chongguang did not expect was that other than Shui mu and Qin Mu, there was another unexpected person present.

that person was gu ze.

Gu ze was lying on the ground and was obviously unconscious. He was probably ambushed by Gu Mei.

At this moment, Gu Mei was sitting on a worn-out chair with Shui mu in her arms. She was holding a gun in her hand and the gun was pointed at Shui mu.

Zhou chongguang's heart skipped a beat. Gu Mei! Are you crazy?!

gu mei was still looking at zhou chongguang and laughed softly. "Yes, I've gone crazy. You've driven me crazy."

She paused and kicked Gu ze, but Gu ze didn't react.

today, let's play an interesting game. It's a test to see who is the most important person in your heart, hmm? " gu mei's eyes flashed with excitement.

Zhou chongguang suppressed himself. Shui mu is your son, Gu ze is your brother. Gu Mei, you're crazy. What's wrong with hurting them? just come at me, point your gun at me, and everything will be over after I'm dead, okay? "

as he spoke, he walked towards gu mei step by step.

"Don't come near me, or I'll kill your son with one shot." gu mei's voice was extremely cold. "also, don't you want to see qin mu? your true love? "

Zhou chongguang stopped in his tracks. He looked at Gu Mei and said in a soft voice, " "gu mei, our grudges have nothing to do with qin mu. let her go!"

"no relationship?" gu mei laughed coldly. she took out a photo from her pocket and threw it at zhou chongguang's feet."Look at this, and then you're going to tell me if it's related!"

zhou chongguang looked into her eyes, then slowly squatted down and picked up the photo.

when he saw it clearly, all his emotions came flooding in like a tide.

Chapter 2659: qin mu needs a man, or he'll die

that photo was taken when he and qin mu were in new York.

he could guess who the person was. however, that wasn't important anymore. what was important was that he had to save qin mu and shui mu.

Zhou chongguang straightened his body and smiled slightly, "do you know why there are such photos and why I'm in new York?"

gu mei's face was momentarily at a loss. then, her voice turned cold."I can listen to your lies."

"because you fed shui mu medicine. shui mu was almost killed by you, and he's in new York for treatment. Are you satisfied with this answer? the doctor is Qin Chen. that's why qin mu was there!" zhou chongguang clenched his fists quietly, his face as pale as a sheet.

Gu Mei was unmoved. She laughed coldly, "so, you didn't let me see my son. You gave my son to Qin Mu, right?"

...

Zhou chongguang felt a sense of disharmony. He knew that no matter how much he said to Gu Mei, she would not listen. However, he had no choice but to tell her. He wanted to stall for time.

However, even if Gu Mei's mental state was problematic, her intelligence was not.

She laughed lightly. Zhou chongguang, do you think that by dragging things on like this, you can save Qin Mu? save your precious son?"

"gu mei, shui mu is your son." Zhou chongguang's voice was low and hoarse. you gave birth to him. Have you forgotten?"

Gu Meigu laughed in a strange manner. However, her expression changed in an instant and she was almost shouting, ” “I don’t like the name Shui mu! shui mu, it’s obvious that you can’t forget that b * tch qin mu. my son has become a tool for you to keep thinking about b * tches. zhou chongguang, when have you ever treated me as your wife?”

zhou chongguang laughed lightly, and his laughter was filled with a sense of loneliness and despair. ” “Whatever you want, I can sleep with you, make love, anything! we’ll raise the child together, is that okay?”

He then closed his eyes!

In this world, if there was a medicine for regret, he would rather have never met Qin Mu.

if she didn’t meet him, qin mu would have met a man who loved her very much and lived a peaceful life.

If there was a medicine for regret, he would not see or miss her after the divorce and completely forget her, Hanhan.

This way, his Mumu would not be hurt ...

in that instant, zhou chongguang had placed himself in the dust. as long as they were fine, he was willing to do anything.

hearing this, gu mei tilted her head and looked at zhou chongguang. she sneered, ” “Why would I want a man who doesn’t love me? Thinking about other women when you’re in bed with me, I don’t want a man like this anymore, Yingluo.”

Then, her smile became even stranger. Zhou chongguang, compared to this, I have a better way to torture you!

She lowered her gaze and looked at the unconscious Gu ze. She laughed softly. ” speaking of which, my brother has liked qin mu for many years, and qin mu is actually quite innocent. wanwan, what do you think will happen if they get together? ”

Zhou chongguang’s Adam’s apple bobbed. it’s pretty good.

“Are you speaking the truth?” an evil look appeared on gu mei’s face. ” you would be willing to do that? ”

Zhou chongguang said firmly,”if it can make you feel at ease and dispel your doubts, I can even help you convince her.”

“i don’t need your help!” “i have a better idea!” gu mei laughed softly.

she tilted her ear and the smile on her face was strange. ” listen, it’s qin mu painfully moaning. ”

Zhou chongguang’s heart sank.

Chapter 2660: qin mu needs a man, or he’ll die

Gu Mei’s gaze landed on his face again. she really loves you. When she heard that Shui mu was in my hands, she came over obediently. When my brother heard that Qin Mu was in my hands, he also came over. And with you, Yingluo, wouldn’t we be able to catch them all in one fell swoop?”

zhou chongguang clenched his fists tightly. ” gu mei, what exactly do you want? ”

“Don’t be in such a hurry!” “you’ll like it!” gu mei chuckled.

She looked at Zhou chongguang and said very, very slowly, ” “I gave her aphrodisiac, the very strong kind. She will die if there is no man now! zhou chongguang, she needs you now!”

He naturally did not believe that she would be so kind, and his dark eyes were cold.

“You don’t believe me?” gu mei hugged little shui mu and moved her chin to the side. ” your goddess is right there. you haven’t touched her in a long time, right? I’m going to have some fun because this is the last time!”

...

zhou chongguang did not move, but he heard qin mu's voice and saw her face.

She was lying in the corner with an abnormal red face and her hands were tied behind her back. She lay there and rubbed her lips carefully, looking like she was in great pain.

"if you don't go, not only will your goddess die, but your son will also die now!" gu mei sneered.

Zhou chongguang stared at her and said very, very softly, " Gu Mei, I've never seen anyone more cruel than you.

"Is it cruel? i don't think so, because the crueler things are yet to come!" Gu Mei laughed lightly. later on, you have to bring Shui mu and leave first. When Qin Mu wakes up, it will be my brother, Gu ze, together with her. They will be naked.

&Nbsp; Zhou chongguang closed his eyes. Gu Mei, why are you doing this? "

"Interesting!" Gu Mei laughed. if Gu ze doesn't have a wife, he will probably be single. I just pity him.

zhou chongguang's thin lips were pursed tightly.

The gun in Gu Mei's hand was pressed tightly against little Shui mu. At this moment, little Shui mu started to cry.

This moment was Zhou chongguang's most difficult moment.

Gu ze had woken up, but the medicine made him unable to move. He could only lie there and look at Zhou chongguang.

"Go! Otherwise, I'll take your son's life right now." Gu Mei laughed sinisterly. not a single person here will be able to live! "Zhou chongguang, think about it. Have fun once. In the end, you'll be the only one who'll feel bad. Yingluo, I promise that I won't hurt Qin Mu. After all, she'll be Gu ze's wife in the future."

gu ze's eyes were filled with sorrow.

zhou chongguang clenched his fists. he looked at gu ze and smiled very lightly.

“take good care of her!” he said softly to gu ze.

He slowly, slowly walked towards Qin Mu. With every step he took, his heart would beat violently, and every step was extremely painful.

Finally, he knelt beside Qin Mu and lowered his head to kiss the corner of her lips.

A delicate arm immediately hooked his neck and pulled him down.

In the dim light, that arm was smooth and moving. She wrapped her arms around Zhou chongguang’s neck, and her hot red lips quickly covered his.

The medicine made Qin Mu forget his shame and everything around him.

She felt terrible and in pain. She wanted to kiss him.

She didn’t know who was in front of her, but she knew that he had something she wanted.

in front of gu mei and gu mei, in the midst of shui mu’s cries, in the midst of zhou chongguang’s pain, her fingers penetrated his shirt and she desperately lifted her body to kiss her.

zhou chongguang closed his eyes slightly, and after a few seconds, he kissed her back fiercely.

This was the last time he told himself.

This was the last time. After that, he would lose her completely.
