

Thank you 2661

Chapter 2661: Qin Mu needs a man, or he'll die

in the dim light, the man and woman's entanglement reached its peak.

Gu Mei looked on coldly.

Gu ze lay there, powerless to change the situation.

"will this make you feel happy, gu mei?" he asked softly.

gu mei's gaze was still there, but her words were directed at gu ze. "only when it hurts more will you feel that i'm still alive. "

Gu ze closed his eyes and said, I won't cooperate.

...

"can you reject such warmth?" "No, you won't," Gu Mei laughed.

"you want me to see such a scene, is it warm?" gu ze laughed coldly.

gu mei carried little shui mu and walked to his side. she smiled gently. "in the future, she'll be yours. yingluo has slept with zhou chongguang countless times in the past. it's not much of a difference this time! "

Her gun slowly moved to Gu ze's heart. be good. Otherwise, don't blame me for not caring about our relationship as siblings.

with that, she stood up and looked in that direction with a deep gaze.

She smiled. look at how well their bodies fit. What a pity. This body will be yours in the future. Gu ze, you have to use it well, okay? ”

Gu Mei laughed softly. How interesting. They would probably never forget such a scene in their entire lives.

In the future, when he saw Gu ze and Qin Mu together, would Zhou chongguang be especially in pain?

Gu Mei laughed lightly. Suddenly, she raised the gun in her hand and fired a shot at little Shui MU’s hand.

blood splattered everywhere.

that blood filled gu ze’s eyes. that gunshot made zhou chongguang’s blood freeze.

he lowered his head and looked at the unconscious qin mu. he gritted his teeth and got up.

before he left her, he kissed the corner of her lips.

Qin Mu, I’m sorry!

This was the last time she was sorry.

He ran over in a sorry state. Gu Mei returned Shui mu to him, but the gun was still pointed at him.

if you don’t seek medical treatment in time, even if you don’t die, your hand will be crippled. Zhou chongguang urged you to choose to stay or go save your son. If you stay, Qin Mu is yours. But if you leave, she will be Gu ze’S. Gu Mei laughed softly and said the cruelest words.

And Zhou chongguang’s gaze on her was so cold that it was almost frozen.

he hugged shui mu and kissed him. then, he said to gu ze, ” “treat her well.”

After saying that, he quickly walked out.

With every step he took, he felt the sunlight behind him move an inch further away from him.

Gu Mei had won. She had used the cruelest method to end things between him and Qin Mu.

Zhou chongguang laughed, but his face was covered in tears.

In the dilapidated warehouse, she slowly walked to Qin MU's side and looked at her unconscious appearance.

There was a touch of red on her little face, which was the look of someone who had been loved.

Gu Mei squatted down and her fingers gently caressed Qin MU's face. Her voice was gentle."that's good, he loves you."

gu ze tilted his face and watched her caress qin mu. his heart was in his mouth, and his voice was a little stern. " don't touch her. "

gu mei was still squatting as her gaze turned over. she laughed softly."are you afraid that i'll hurt her?"

gu ze didn't say anything and just looked at her.

gu mei did not say anything. she only forcefully dragged qin mu's body over and teased him.

she dragged him all the way to gu ze's side and then threw gu ze's clothes to the side one by one ...

qin mu was placed in his arms. gu ze closed his eyes, feeling guilty inside.

even if you didn't do anything, Zhou chongguang would believe that you guys did it. Qin Mu even urged her to never know that the person she did it with was Zhou chongguang. Gu Mei said cruelly, " this is the last present I'm giving you.

Chapter 2662: Qin Mu needs a man, or he'll die

As Gu Mei spoke, she slowly backed away. As she backed away, she said, " "I loved him, so I couldn't kill him. I didn't even kill the woman he loved. Brother, don't blame me Yingluo."

As Gu Mei spoke, a strange smile appeared on her face.

she raised her hand and pointed the gun at her own forehead.

What she left for Gu ze was her last smile.

and an unspeakable sense of apology.

When the gunshot was heard, she fell into a pool of blood and closed her eyes peacefully.

...

brother, i'm sorry. i made a choice for you. please forgive me for being that selfish and willful person. i didn't want to see them together, so i gave qin mu to you, ran ran.

i will remember the scene between zhou chongguang and qin mu, so i will not love him again in my next life.

Brother, don't worry.

Also, I'm sorry for ruining your peaceful life.

you'll be happy in the future!

Gu Mei's eyes finally closed slowly, ending her life of chasing a man.

Perhaps, she was already tired and didn't want to live a long time ago.

And the child, Shui mu, if there is a next life, mother will not treat you like this again.

The gun that hit Shui MU's hand actually missed. Nothing will happen to him.

This time, I'll leave on my own. Can you stay by dad's side?

By the time Zhao Ziyi and his men had rushed over, Gu Mei had already stopped breathing.

when he looked to the side, he was stunned.

Gu ze and Qin Mu were naked as they hugged.

It was obvious that they had slept together.

He held his breath and said in a low and hoarse voice, "turn around!" he ordered.

at this moment, qin mu slowly opened his eyes in a daze.

everything that happened before she took the medicine appeared in her mind. she remembered that gu mei had forced her to take the medicine and then she was in a daze.

She looked at Gu ze in shock.

gu ze's body relaxed. he could actually move.

He closed his eyes, and a teardrop slid down from the corner of his eye. He then reached out to hug Qin Mu and wrapped her in the clothes beside him. His voice was very low."I'm sorry!"

Qin Mu was being hugged by him. He turned his face to the side and looked at Gu Mei's dead appearance.

she fell into gu ze's arms, her body trembling.

Gu Mei was dead!

“Where’s Shui mu?” she asked anxiously.

“in the hospital,” gu ze replied.

whether zhou chongguang told the truth or not was up to him to decide.

gu ze’s current thought was that if zhou chongguang gave up on qin mu, then he would protect qin mu.

even if his heart would never be at ease for the rest of his life, he would still protect her.

he helped qin mu wear his clothes piece by piece, as well as his own.

in the end, he let go of her and slowly walked to gu mei’s side. he knelt down and slowly bent down to hug gu mei. ” everything is over. big brother will bring you back. ”

Gu Mei deserved to die, but she was still his sister.

She’s no longer here. All her sins have vanished into thin air.

qin mu stayed by his side in silence. she was still very weak, but she insisted on not leaving immediately.

She didn’t ask Gu ze anything. She couldn’t ask him about what happened between them.

Qin Mu didn’t think that doing it meant anything. However, what Qin Mu didn’t expect was that something unexpected happened.

Gu Mei’s funeral matters were taken care of by the head of the Gu family. Everything was suppressed by Zhou chongguang and Gu ze.

as for little shui mu, although he was bleeding a lot, it was not fatal, and his hand was fine.

Chapter 2663: Mr. Zhou, there's a problem with your liver

Zhou chongguang stood alone in the corridor of the hospital, thinking about what the doctor had said to him.

“mr. zhou, your blood test last week was completed. there's something wrong with your liver, so you can't donate blood. in addition, we suggest you arrange a time for a specific examination. if necessary, you have to perform a liver transplant surgery.”

What was left unsaid was that there might not be a liver source, or the surgeon might reject the liver. Anything could happen!

zhou chongguang leaned on the aisle and laughed softly.

Liver transplant?

did it mean that he would not live for long?

...

It wasn't strange for a person like him to have such a day!

But what about his Mumu and his Shui mu?

He vaguely remembered the last time they had made love in the old warehouse.

Initially, he couldn't bear to not interrogate her, but now that Wanwan wasn't together, it didn't matter if Qin Mu misunderstood.

It was best to forget him.

Zhou chongguang laughed softly, and his laughter was extremely desolate.

zhao ziyi came over and looked at him. ” gu mei is dead! ”

Zhou chongguang suddenly raised his eyes and looked at Zhao Ziyi, unable to say anything for a long time.

“and ran ran, qin mu, and gu ze are together.” Zhao Ziyi said softly, ” she’s at the hospital now. Gu Mei was sent to the mortuary.

Zhou chongguang’s expression was dazed for a while, before he said in a low voice, ” “I’ll go and take a look!”

Since he was dead, it would be good to send him off in the last round.

Her tragedy had started with him, and it was good for him to end it.

Zhao Ziyi did not say anything.

However, after taking two steps, Zhou chongguang stopped and shook his head. forget it! It’s better for her to forget me. She doesn’t want to have my memories in her next life.”

Zhao Ziyi looked at the dozens of cigarette butts at his feet and frowned, ” “You’re smoking so much again. Who’s going to take care of Shui mu if you’re sick?”

zhou chongguang was in a daze again. after that, he thought of qin mu.

Qin Mu didn’t have a child and might not be able to have one.

shui mu was gu mei’s child and was also the flesh and blood of the gu family. if qin mu and gu ze raised shui mu together, that would be great. the gu family would treat her well too.

he smiled and felt that this arrangement was very good.

When he said that he would give Shuimu to the Gu family to raise, Zhao Ziyi stared at him for a long time, then spat out a few words, ” “Chongguang, you’re crazy!”

“i can’t be more clear-headed!” zhou chongguang laughed bitterly,”let’s do this!” I can’t take care of a child well as a man. ”

Zhao Ziyi kept looking at him, and after a long time, he asked,”You’re not hiding anything from me, are you?”

“No, I didn’t!” zhou chongguang smiled. “i can’t be more clear-headed now.”

he turned his head and looked at qin mu, who was walking over slowly from the distance. he took out a cigarette from his pocket and lit it with his mouth.

Not long ago, he had felt the warmth from Qin MU’s body. However, in the future, her warmth would belong to someone else.

her smile, her good, her everything, would be protected by another man.

gu ze was pretty good.

He smiled. It was good, clean and loyal, without any messy things.

Zhou chongguang felt that in that instant, he seemed to have aged several decades.

When Qin Mu walked over, he looked at her with a deep gaze.

zhou chongguang only knew now what unspeakable pain was.

“shui mu is fine!” he pursed his lips and smiled.

Qin Mu nodded and didn’t say anything.

zhou chongguang laughed again, but that smile was uglier than crying. ” “congratulations, qin mu.”

Her eyes narrowed slightly.

did he know about it? did he know about her and gu ze?

this was something she didn't want to mention. that ridiculous sex incident was deeply engraved in her body, and she wanted to forget it, but she couldn't forget hanhan.

Chapter 2664: Mr. Zhou, there's a problem with your liver

Qin MU's gaze was on Zhou chongguang. He was quiet and could not move away.

and zhou chongguang had been smiling the entire time.

He didn't say anything, but she could tell from his words that he seemed to know something.

This made her a little embarrassed.

after a long time, she smiled. ” it's good that shui mu is fine. can i see him? ”

zhou chongguang nodded his head slightly. ” of course, qin mu also wants to thank you. ”

...

he knew that she was only sent to that warehouse by gu mei because of shui mu. his words of gratitude were actually against his heart. she and shui mu were equally important in his heart.

however, he always brought her harm, yingluo.

Now that he had such an illness, it would probably be difficult for him to recover. After he recovered, his body would not be as good as before.

How was he going to give her happiness?

zhou chongguang smiled lightly, while qin mu's heart was filled with an indescribable feeling.

They had finally reached the end.

He must have found out about her and Gu ze, Yingluo.

It was just that this blessing seemed a little pale.

until now, there was no one else in her heart. there had always been only zhou chongguang.

It might be the last time. Qin Mu felt that if he didn't say it now, he might not have another chance to say it.

he was shui mu's father, and she had slept with someone else.

Qin Mu slowly walked in front of him, only a meter away.

she looked at him deeply, at the man she had loved for many years. perhaps after the divorce, she still loved him, but she chose to forget him.

"chongguang, take good care of yourself in the future," she said softly.

"yes, i will." Zhou chongguang heard his own slightly hoarse voice and felt sad in his heart, but his gaze was fixed on her little face. He also thought in his heart that this was probably the last time!

qin mu raised his head. the corners of his mouth raised slightly, and he gave him a smile. it was extremely beautiful.

she hugged him gently and rested her face on his shoulder. she said softly,"Chongguang, you have to be well."

his throat seemed to be blocked, and he couldn't say a word. the sadness in his heart had also reached its limit.

He lowered his head and looked at the girl he loved.

how he wanted to tell her that he was the one who made love to her, and that she had always only had him.

But what could he give her happiness with the way he was now?

zhou chongguang, you have been hurting her.

Let go. Only by letting go would she be happy. No matter who she was with, she would be fine.

He patted her back and said in an incredibly gentle voice, "Mumu, I will.

However, she hugged him very tightly. This hug had a sense of despair.

He knew that what she thought she did with Gu ze would never be let go.

Idiot!

Even if they really did it, she had not let anyone down. It had always been him who had let her down.

Mumu, if there's a second chance, I won't scheme against you again. We will be the most ordinary couple in the world. Whether we have children or not, we will quarrel when we encounter problems. If quarreling is useless, we will do it until we make up.

zhou chongguang hugged her even more tightly than she did. there was something hot in his eyes, but he tried his best to hold it in and did not cry out loud.

He hoped that for the last time, he would not be weak in front of her.

He closed his eyes slightly and felt her warmth in his arms for the last time.

this embrace was seen by gu ze from afar.

He stood there with a solemn expression.

He had lost his younger sister, and now, he was watching Qin Mu and Zhou chongguang get together.

His feelings were complicated. Perhaps he should tell her the truth.

Chapter 2665: Mr. Zhou, there's a problem with your liver

But the gaze that Zhou chongguang cast over made him hesitate.

Gu ze was in a difficult position for the first time.

He quietly watched, and then Zhao Ziyi walked over with a faint smile, Gu ze, they've come to an end. If you truly love her, please treat her well.

As he spoke, he reached out and patted Gu ze's shoulder."take care," he said.

Zhao Ziyi left.

This time, he was able to get along well with his blind date partner. Whether it was Chong Guang or not, it would not be him, Zhao Ziyi. Gu ze was still in the queue.

...

Gu ze was still standing. He did not know how long he had been standing.

perhaps, it was only a matter of a moment.

after all, this half an hour was nothing compared to the eight years he had waited.

on the other side, zhou chongguang gently pushed qin mu away. he looked at her and smiled. then, he pulled out the chain from his neck. the end of the silver chain was shining with a silver light.

qin mu's heart tightened. he recognized that it was his wedding ring. he had always worn it before.

At this time, he took her small hand and gently placed the chain in her palm. His voice was also low and hoarse. Mumu, I'll return this to you. We're officially over."

"Don't miss me in the future, okay?" he looked at her and smiled.

qin mu lowered his head and looked at the ring in his hand. he nodded lightly and then shook his head.

He couldn't help but reach out and stroke her long hair. "In the future, don't be so stupid! The next man must love you first, do you understand?"

When he said that, he felt a lump in his throat, as if he was instructing a child who was about to go on a long journey.

however, he knew very well that the person who was going on a long journey might be him.

He had done so many wrong things. From the very beginning, he had been wrong to get close to her.

qin mu raised his eyes, and his throat felt a little dry.

Zhou chongguang suddenly pressed her body over and pressed his forehead against hers. His dark eyes locked onto hers.”mumu, goodbye.”

As he spoke, he walked towards Gu ze with big steps while Qin Mu held the ring tightly.

This time, she didn’t disappear from his life. Instead, he completely walked out of her life.

She said she didn’t love him, but she was still sad.

when zhou chongguang passed by gu ze, he said softly, ” “treat her and shuimu well.”

Gu ze narrowed his eyes and was shocked. He looked at Zhou chongguang, but he had already left.

he gave up on qin mu and even gave up on shui mu. he gave shui mu to gu ze.

This was something that no one had expected.

the corridor of the hospital was dark.

gu ze raised his eyes and looked in qin mu’s direction. she kept holding the ring in her hand. her face was expressionless, and she didn’t make a sound.

he walked over slowly and said indifferently, ” do you want to go see shui mu? ”

Qin Mu slowly raised his eyes and looked at him in a daze.

gu ze’s hand gently held hers.

qin mu was still in a daze and had not recovered yet.

she followed gu ze into the ward, but she did not see that at the end of the corridor, zhou chongguang had returned.

he looked at her being held by gu ze, and the corners of his mouth pulled up into a bitter smile.

He looked at the empty corridor and saw a person standing there alone, very lonely and cold.

when they reached the ward, qin mu returned to his senses. she gently but firmly broke free from gu ze's hand. " gu ze egged me on to say something to you. "

he knew that she was going to reject him, so he smiled faintly. " "Let's talk about this in a few days, alright?"

Chapter 2666: Qin Mu rejected Gu ze 1

He had been really busy these few days. It wasn't that he wasn't in the mood to listen to her, but he was afraid that he wouldn't be able to express himself well.

He also wanted to think about it carefully.

Qin Mu swallowed the words he wanted to say.

There was nothing more tragic than losing a loved one. She was not so unreasonable.

she stood with him in front of little shui mu's bed, watching him lie there quietly.

"zhou chongguang gave me the water wood," gu ze suddenly said.

...

"What?" Qin Mu turned his face to the side, his face full of disbelief.

Gu ze paused for a moment and continued, " I don't know the reason. Maybe you can ask.

qin mu's face was blank. then, she shook her head. "I don't want to."

shui mu and gu ze were blood-related, but she had no relationship at all.

What right did she have to ask?

moreover, they had just said their goodbyes.

Qin MU's eyes had a hint of ridicule.

then, she sat beside little shui mu and looked at him.

The doctor said he was fine, but she was still worried.

She should hate this child, but she could not bring herself to hate him. It was not because the child looked like her, but because the child had suffered so much after he was born.

Qin Mu reached out and gently touched little Shui MU's forehead. He looked up at Gu ze. you have to treat him well. Also, he still needs to go to Qin Chen's place in new York.

gu ze nodded. " sure. when he's better, i'll send him to new York immediately. "

qin mu hummed and didn't say anything else. he lowered his face and looked at the child.

she didn't have any regrets. she just had sex with a man.

she didn't even need to think about using birth control because she couldn't get pregnant.

qin mu pursed his lower lip, feeling a little bitter.

gu ze stood beside her. his eyes fell on shui mu's little face, and his mood was also heavy.

In the future, Shui mu would no longer have a mother.

His gaze shifted to Qin Mu again, and his expression became gentle.

She was really good.

that was why zhou chongguang felt so terrible after losing her.

three days later, after gu ze was done with gu mei's funeral, he personally made a trip to new York. qin mu went with him. after all, she was the one who knew shui mu's situation the best.

She personally handed the child to Qin Chen. Qin Chen gave Shui mu a full body check and confirmed that he was fine. Everyone was relieved.

In the laboratory, Qin Chen's hands were in his pocket as he looked at Qin Mu quietly.

there were some things that he wanted to say, but he couldn't.

He knew that Gu ze liked Qin Mu, and now Zhou chongguang had backed out.

qin chen sighed a little. he had originally thought that qin mu and zhou chongguang still had a chance, so they had made up. however, he had not expected such a thing to happen.

He went to take care of Shui mu, leaving the space for Qin Mu and Gu ze.

Qin Mu and Gu ze sat on the long bench. All around them was plain white.

It had been four days since that day.

she sat there quietly, and so did gu ze.

he was waiting for her to speak.

after a long time, qin mu finally spoke softly. ” gu ze, that time doesn’t mean anything. i don’t have any thoughts now. i just want to live a good life alone. ”

This was the first time she had mentioned this matter after it had happened.

Gu ze acknowledged. I know.

“But I’m willing to wait,” he paused.

Without Qin MU’s preparation, he reached out and held her slender fingers. I can keep waiting.

Chapter 2667: Qin Mu rejected Gu ze 2

His voice was more determined than ever, ” ” qin mu, i’ve wasted my entire life. do you hear me? ”

She seemed to be a little surprised. She looked at him and forgot to close her mouth.

And he finally leaned forward and kissed her on the lips. Before she could react, he deepened and entangled her.

This kiss was lingering and very gentle. She did not give him a reaction, and he did not force her.

he was very gentle, just like how he had always treated her.

When he ended this kiss, Qin Mu looked at him. She didn’t close her eyes.

...

“qin mu, i can wait.” gu ze smiled.

She was sad. She didn't know if she remembered it wrong, but she also remembered someone telling her that he could wait. No matter how long it took, he would wait.

she cried, but she laughed as she cried and said, Gu ze, it's too hard to wait for someone. Don't wait anymore.

He didn't make a sound and only reached out to stroke her long hair.

Qin Mu, you don't know that when there's someone in your heart waiting for someone, sometimes, it's not just pain, but also joy and happiness.

They just sat there, no one talking.

And from that day on, Gu ze appeared in Qin MU's life.

She went back to B city, and he stayed in new York for a week before going back. Occasionally, he would call her and talk about Shuimu.

she did not reject shui mu's existence because shui mu was shui mu. he was no longer gu mei's child.

When Shui mu grew up, perhaps one day, someone would tell him who his mother was and how much his mother loved him.

Qin Mu hung up Gu ze's call and smiled.

Life seemed to be getting better.

She had people she cared about, and people who cared about her.

she sat in the gallery and stood up. " i'll get off work first. "

"See you tomorrow, miss Qin." The assistant smiled.

qin mu gave her a smile, took his bag, and walked out.

It was summer, and she was wearing a bohemian dress, which made her figure look especially good.

he opened the door of a white bmw, got in, and drove to his apartment.

Recently, Qin Mu had signed up for a chef's tuition class and learned some culinary skills. He did not eat outside after work and would prepare some ingredients at home.

She also learned how to arrange flowers and made Qin Chen's sample room fragrant. She liked this kind of life.

it was simple and beautiful.

it was just that occasionally, she would also think of zhou chongguang ...

The person who seemed to have disappeared from the world.

but she did not call him.

He had even given her a wedding ring. She placed it on the bed. Sometimes, she would look at it at night, but after looking at it, she would only feel sad.

Qin Mu smiled slightly. He turned the steering wheel and turned the car into the gate of the community.

just as she was about to get out of the car, gu ze's call came again.

She picked up the call.

gu ze smiled lightly. "qin mu, are you free?"

qin mu was silent for a while. "i'm going home."

he was also silent.

Her interactions with him these days were only limited to her working hours. Did she see their interactions as work?

Probably because of this, he had really gone to her gallery to pick out a few paintings just to get close to her.

at this moment, her words were full of rejection. however, she said it in a very gentle way, and he could not do anything to her.

Qin Mu really knew how to strike a man's confidence. He really didn't know why she was so fanatical about Zhou chongguang back then.

Chapter 2668: qin mu is pregnant (1)

He was sure that there was nothing wrong with Qin MU's aesthetic sense, and he, Yingluo, was not bad looking in all aspects, but she just ignored him!

In the end, she just didn't feel attracted to him!

He couldn't do anything about her, but he was unwilling to give up.

He was a man. He had seen it with his own eyes that day, and it wasn't that he didn't care.

It was because he couldn't afford to.

They were husband and wife to begin with. Under the circumstances that day, they had to do it even if they didn't want to. However, Qin Mu thought that the person was him.

...

gu ze made the wrong move. slowly, he felt that the person that day was himself, but he didn't get a taste of the feeling of being corroded by the soul.

qin mu did not let down his guard because of this matter. she was still very polite to him. in her life, he was probably still brother gu mei. this made him a little anxious, but there was nothing he could do to her.

At this moment, Qin Mu was holding his phone. His voice was calm. Gu ze, if there are no other questions, I'll hang up first.

"Qin Mu, I'm the one who wants to see you." He sighed softly.

qin mu pursed his lips and only spoke after a while. "If there's anything, we can talk at my gallery tomorrow."

This was the biggest concession she could make.

gu ze laughed lightly and also took a step back.

qin mu heaved a sigh of relief, and his tone softened. "i'll hang up now."

After hanging up, she opened the car door and slowly walked into the elevator of the apartment. She went up floor by floor until she reached the top floor.

just like before, she took out the ingredients from the refrigerator and started to cook. the phone on the countertop rang. she was stunned for a moment and then looked over. the phone displayed the words " xuxu, zhou chongguang. "

she paused for a moment, but still picked up.

but she didn't say anything, and neither did the other side.

after a long time, a very faint voice came from the other side, "Are you alright?"

just these four words were enough to make her cry.

Qin Mu held his phone with one hand and covered his mouth with the other. After a long time, he said, "it's alright. And you?"

zhou chongguang laughed.

"Is Shuimu alright?" he asked after a pause.

"That's good." "You can go and see him." Qin Mu pursed his lips.

Zhou chongguang was silent for a while, then smiled faintly. "No need,"

Qin Mu was about to say something, but he had already hung up.

she stood there in a daze, and there was a hurt and dazed look on her little face.

then, she stared at her phone in a daze for a long time.

it took her a long time to calm down ...

Zhou chongguang had left a shadow in her heart. For a moment, she still could not forget him.

As for Gu ze, even though they had sex that day, she would not change anything just because they had sex once.

They were all adults and would not be a burden to her.

Qin Mu was relieved and continued to deal with his own cooking. She had made curry rice today, but when the fragrance of the curry wafted out, she felt nauseated.

She quickly covered her mouth with her hand, frowned, and rushed to the sink, retching a few times.

she didn't vomit anything out, but her heart felt heavy.

She recalled that she hadn't eaten anything bad these few days, Yingluo.

It was probably because the weather was too hot!

She looked at the curry rice she had made and felt that it was a pity, but she still threw it away.

They only had a fruit for dinner.

After the shower, she put on a bathrobe and lay on the bed. She used her phone to search for the possibility of retching.

Among the various answers, Qin MU's gaze landed on one Zhihu answer. It was-

pregnant?

Pregnant! how could that be possible?

Chapter 2669: qin mu is pregnant 2

pregnant! how could that be possible?

this couldn't be. how could she be pregnant? in the past, she and zhou chongguang worked so hard for so long but still couldn't have a child. how could she have a child after having sex with gu ze?

There must be a mistake.

She still felt that the hot weather answer was more reliable.

however, even after she lowered the temperature of the air conditioner by two degrees, her heart still felt stuffy and not very comfortable.

I should go to the hospital tomorrow!

...

before she went to bed, she thought ...

when she went to work the next day, she was not feeling so well either, and she did not have much of an appetite for lunch.

if it wasn't for her divorce, her assistant would have joked with her and asked if she was pregnant because the symptoms were really similar.

Qin Mu had a few important guests to attend to in the afternoon. When he was finally done, he took his car keys and left.

it was currently four o'clock, which was also the time she had agreed to meet gu ze. however, qin mu had forgotten that she had only told her assistant about going to the hospital and then drove off first.

she went to sheng yuan hospital and first went to see an internal medicine doctor. after explaining the situation to the doctor, the doctor was quite cautious. after all, she was chairman ye's biological sister and could not be careless.

After thinking about it, she decided to call Dr. Qin Chen first. This was more secure and she would do whatever Dr. Qin said.

the doctor was cursing in his heart. as an adult woman, shouldn't she go to the gynecologist first?

however, qin mu was a divorcee, so it was hard to say.

You Can't Ask That, right? miss Qin, do you still have sex?

if he asked like this, wouldn't he be smacked to death?

the doctor dialed qin chen's number. it was late at night and qin chen was still asleep, but as a doctor, he didn't have the habit of turning off his phone, so he answered quickly.

The internal medicine doctor from Sheng Yuan explained Qin MU's situation in a tactful manner. Qin Mu looked on from the side, his expression a little uneasy.

did she have an incurable disease that the doctor called qin chen?

She looked at the doctor's expression and gulped. She couldn't help but feel nervous.

After a while, the doctor passed the phone to Qin Mu and said softly, "Doctor Qin will tell you personally."

Qin Mu looked at him but still answered the call.

In new York, Qin Chen sat on his bed and scratched his head. "Qin Mu, did you have sex a month ago?"

qin mu let out an "ah" and was stunned.

qin chen was even more direct. "It means that you've never made love with a man, you idiot!"

he was rarely so rude. he had always been a cold and noble criminal, but he couldn't help but swear at his sister.

qin mu originally wanted to say no, but the events of that day resurfaced in his mind again.

she and gu ze hugging yingying naked must have happened.

She was a woman. Her body would tell her whether she had done it or not.

She didn't say anything for a long time, so Qin Chen understood what she meant. He sneered."go to the maternity department to check if she's pregnant!"

"I forgot to congratulate you. Qin Mu, you're most likely going to be a mother!"

After hanging up, she scratched her head. I wonder which man is so powerful.

However, after thinking about it, there shouldn't be anyone else other than Zhou chongguang who thought that Qin Mu didn't seem like someone who would engage in one-leaf love.

on the other side, qin mu looked at his phone and then at the doctor.

The doctor's expression was very rich as he said in a small voice, " "Don't worry, miss Qin. I'll definitely keep this a secret."

Chapter 2670: qin mu is pregnant (3)

Qin Mu glared at him, took his bag, and stood up.

when she walked out, she was still a little hesitant. her beautiful fingers were placed on her lower abdomen.

Pregnant?

Could she really be pregnant?

she found it hard to imagine that this child was gu ze's.

just one time and she got pregnant?

...

She had mixed feelings and hesitated for a long time before walking to the obstetrics department.

Qin Chen had already informed her, so she immediately went to take Yueyue's blood. Less than half an hour later, a doctor she knew told her in a trembling voice, "Congratulations, miss Qin. You're pregnant."

as for the congratulations, it was dr. qin chen's request. he said that the child should receive blessings from the moment it was born.

although she was a little uncomfortable, the female doctor still said it.

qin mu's expression was still blank. she looked at the doctor and only spoke after a long time."Are you really pregnant? Did you make a mistake?"

"the blood test is the most reliable method, it can't be wrong. If miss Qin was still worried, she could come back in a month to listen to the baby's heart. At that time, the cute little fetus would start to have a heartbeat, and the sound would be particularly beautiful, " the doctor said, his skin trembling.

Qin Mu couldn't bear to listen any longer. I know.

The doctor smiled and prescribed her a bottle of folic acid and a note for pregnant women in her hand. it's your first pregnancy, so you have to pay special attention to keep a happy mood.

"I will!" Qin Mu gritted his teeth.

She ran out of the room.

This doctor was a big mouth. In a few days, the whole B city would probably know that she, Qin Mu, was pregnant after the divorce!

she bit her lip and walked along the clean corridor of the hospital. she twisted her ankle a little, but it wasn't particularly serious.

However, she stopped and looked at the high heels on her feet. Then, she took them off and walked away barefooted.

She remembered that pregnant women shouldn't wear high heels.

Qin Mu held the high heels in one hand and stood in the corridor of the hospital, gently stroking his stomach.

she found it very magical that she was actually pregnant with yingluo.

She had thought that she would never be a mother in this life.

she had never thought of aborting the child. no matter who the child's father was, she was still the child's mother.

Mother, she was going to be a mother.

At that moment, Qin Mu was so happy that he wanted to jump up. What a magical thing.

Just as she was looking down with a gentle expression, a slender figure slowly walked up to her.

the man's gaze fell on the pregnancy notice in her hand, then he asked in a hoarse and dry voice, "You're pregnant?"

qin mu's body froze. then, he looked up at the man in front of him.

it was gu ze!

he knew!

She looked at him, and he did the same.

Then, he picked her up and before she could protest, he said in a low voice, ” “you’ll catch a cold if you’re barefooted. don’t you know that pregnant women can’t catch a cold?”

“I’m not pregnant.” Qin Mu bit his lip.

Gu ze’s deep eyes fell on her little face. He did not say anything and carried her to the parking lot outside.

he placed her in the front passenger seat and said in a low voice, ” “I have something to tell you.”

“i said i’m not pregnant!” “gu ze, don’t be like this,” qin mu emphasized again.

He placed his hands on the sides of her seat and looked straight into her eyes. He said slowly, ” “Then let’s go to the hospital to check, okay?”

Qin Mu shut up, but after a while, she said softly, ” “the child is not yours.”

Of course, he knew that it wasn’t his, but in her mind, it was him and her who did it that day, so this child was his.
