

Thank you 2671

Chapter 2671: qin mu is pregnant (4)

“you have another man?” he asked slowly.

She blushed and couldn’t say anything.

Gu ze let her go and personally fastened her seat belt for her. Then, he started the car.

she noticed that he was driving very, very slowly. it wasn’t the peak hour yet, and he could have driven faster, but he was very careful. he drove slowly at 40 km/h, bypassed a few streets, and parked the car in a high-end community. he lived in a four-story bungalow, with only two units on each floor, and each unit took up more than 300 square meters.

Gu ze opened the door and got out of the car. He still wanted to carry her, but Qin Mu refused and he insisted.

he carried her to his house. it was very big, much bigger than qin chen’s apartment, but it was obviously a place for single men. there was no place that was gentle and beautiful.

...

Gu ze carried her and walked to the innermost room. He reached out to open it and carried her in.

She thought it would be his study room or something. After all, he said that he had something to discuss with her.

However, she didn’t expect it to be a studio. There were all kinds of photos hanging on the wall, but every one of them was her.

there were some that she had forgotten where they were, but they were all captured and taken beautifully.

Qin Mu looked on in a daze and then looked at Gu ze.

” i took all these photos. you can come down and take a look. it’s carpeted inside. ” he put her down and stood beside her.

Qin Mu looked at the photos one by one. He would be lying if he said that he was not shocked. These photos spanned her entire teenage years and even showed her after she married Zhou chongguang.

“Qin Mu, these are my eight years.” “Eight years that I can’t control,” Gu ze’s voice sounded.

He looked at her. if you and Zhou chongguang’s marriage had even a little bit of happiness, I would never have shown you my dark thoughts. But now, Yingluo ...”

he placed his hand on her waist, and his large palm landed on her small belly. ” you’re pregnant with xuxu, qin mu. i can’t let you make your own decisions. ”

with that, he gently hugged her and whispered in her ear, ” “mumu, let me take care of you and the child!”

Qin MU’s eyes were a little hot, and his body was a little stiff.

yes, the yingluo who had sex with her was gu ze, but she didn’t feel like he was the child’s father. even though he had given her so much warmth, she still didn’t feel it.

Subconsciously, she felt that the child was hers alone.

Perhaps it was because she didn’t have any memory of the process of creating the child, so this child appeared out of thin air!

Her small face was forced to rest on his shoulder. She was in a daze and did not come back to her senses for a long time.

“qin mu, agreed, huh?” gu ze continued.

his feelings were a little complicated, but after he found out that she was pregnant, he did it without thinking.

because, not only did he love her, he really wanted to take care of her.

And that child.

Perhaps they would have a child in the future, and he would raise this child as his own.

in the future, even if qin mu hated him, he would not regret it. he could not refuse.

qin mu didn't say anything. her heart was in a mess.

After a long time, she gently pushed Gu ze away and said with much difficulty, " " gu ze, i can't be with you just because of a child. i need to think about it. "

"are you really considering it, or is this a disguised rejection?" His words were sharp, and he did not intend to let her off easily.

Chapter 2672: qin mu is pregnant 5

Qin Mu pursed his lower lip. He was unwilling to answer, but he already knew the answer.

he had always been gentle to her, but at this moment, he was unusually strong.

He took a step forward and pulled her into his arms again. Ignoring her struggle, he said in a low and hoarse voice, " "Don't move, the child is still young."

Qin MU's body stiffened for a moment, and he didn't dare to move anymore.

Gu ze kept hugging her and said softly, "no matter what you think, i have to take care of this child."

he held her shoulder and said seriously, "i'm the child's father, aren't i?"

...

qin mu was in a daze and didn't say anything for a long time.

"It's settled then." He smiled. from today on, you'll move here. I'll send you to work, and we'll have lunch together in the afternoon. I'll pick you up after work. Also, if you're not feeling well, you can stay at home. I can help you deal with some things.

he said it so firmly. it was also her first time knowing that gu ze was such a strong man.

For a moment, he was actually speechless.

"Are you dumb?" he smiled and reached out to stroke her hair. "you can think about it carefully during the entire pregnancy. Do you want to accept my proposal or do you want us to raise this child together without any official status?"

There was a faint threat in his words. He felt that he was going to drag things out with her. If she didn't agree, there would be disputes when the child was born.

"Gu ze, I need to think about it." Qin Mu frowned.

"I'll give you time to consider." as he spoke, he leaned over and kissed her hair.

Qin Mu raised his head. no, I'm saying that I can't move in with you.

moving in, what did it look like? it seemed more like they were living together.

His eyes were burning. then I'll move to your place. I wonder if Qin chenjie would mind. After all, it's her house, isn't it?"

From the looks of it, he only gave her two choices.

qin mu lowered his eyes. after a long time, he said in a low voice, " Gu ze, I'll consider our relationship. Please don't force me, okay? "

she took a deep breath. " i haven't forgotten about zhou chongguang. "

At that moment, Gu ze's expression was rather ugly. His thin lips were tightly pursed, but it was only for a moment before he returned to his normal expression. He ruffled her long hair and said, " I know.

qin mu looked at him uneasily and slowly said his thoughts, " "actually, you don't have to force qianqian to take responsibility. i'll give birth to the child, and you can take care of him, qianqian, and gu ze. you can even get married. this child won't affect anything."

his gaze turned cold.

he thought he knew what she was thinking. she wanted to raise her own child and admit that he had no choice.

However, he felt a little bitter in his heart.

The child was indeed not his. gu ze, you're just using that misunderstanding to half-force her to be with you.

it's already good enough that she can tell you what's in her heart.

His expression was ugly, but he still nodded. okay, you can live by yourself. I'll drive you.

She still wanted to say something, but he interrupted her, " "Qin Mu, this is the biggest concession I can make."

Qin Mu considered it seriously and nodded his head lightly. "Alright," he said.

his palm caressed her cheek. “also, promise me that you’ll think about our relationship carefully, okay?”

she looked at him for a long time before she nodded.

Gu ze smiled and pinched her cheek. “i’ll go cook. you probably want to eat something light.”

qin mu smiled.

Gu ze turned around. Just as he was about to leave, he came back.

Chapter 2673: Qin Mu is pregnant 6

He pressed a hand on her shoulder, leaned over, and gave her a light kiss on the corner of her lips.

qin mu didn’t manage to avoid it and didn’t move.

“Qin Mu, I’m very happy,” Gu ze mumbled.

qin mu looked at his confused expression, and he looked into her eyes.

In her eyes, he saw Zhou chongguang’s shadow.

however, it didn’t matter. he could wait. he had waited for eight years for this day.

...

he believed that they could be together.

Gu ze slowly touched her eyelids a few times with endless tenderness.

he did like her, so he didn't mind the child, yingluo.

He could tell from her expression how much she liked children, so as long as she liked them, he could accept it.

He was no longer a young boy, and he knew what he wanted.

Gu ze smiled and said in a hoarse voice, "i'm going to cook. you can stay here and watch for a while. if you want to go out, there are slippers at the door. qingqing, remember not to be barefooted."

qin mu hummed in agreement.

She couldn't remember where she had seen it before. Pregnant women were easily touched and their defenses were weaker.

she didn't know if she belonged to this type right now. she would be especially touched by what gu ze did for her. it wasn't to the point where her heart would be moved, but yingying wasn't willing to reject it.

she stood there, looking at the photos he had taken for her. she looked at the eight years that this man had loved her.

It would be a lie to say that she didn't have any thoughts, but she was still a little confused.

Her relationship with Zhou chongguang came so hastily, but it ended with a heart-wrenching pain. She didn't want to be like this with Gu ze.

Yes, he loved her, tolerated her, and treated her well.

But she didn't love him, and this was unfair to him.

qin mu thought about it this way and felt that it was necessary to wait for gu ze to calm down before having a good talk with him.

in the kitchen, gu ze took out his tablet and ordered a series of pregnant women's meals. he was prepared to make a meal tonight and go to the super-store to replenish his ingredients tomorrow.

Qin Mu was too thin. He was in a bad mood before, so he didn't look particularly good.

Now that she was pregnant, she should take some supplements.

He had heard her assistant say that she was retching and guessed that she did not have a good appetite. After thinking about it, he finally decided to make a seafood porridge for her. It was mainly light.

He was doing it skillfully and didn't notice that Qin Mu had quietly walked in.

she stood at the kitchen door and watched, her head tilted to one side.

gu ze was a good man. he was very homely at home and not bad outside.

He was also the Father of her child. Qin Mu felt that it shouldn't be difficult to like him.

However, it was probably because she was old, and the fire of infatuation with Zhou chongguang like before was hard to ignite.

She smiled faintly, only to remember that she was only 23 years old.

if she was with gu ze, would she be an old couple now?

would gu ze get tired of a wife who was always calm and collected?

so for his own good, she had to think about it carefully.

when gu ze noticed her presence, he turned his handsome face to the side, and she smiled. " the photos you took are not bad. if the company closes down in the future, you can open a photo studio. "

He glared at her. I think we can help the rich lady take some artistic photos. That way, we can earn money faster. After all, it's not easy to support a family!

qin mu laughed. " gu ze, when did you become so shameless? "

he looked at her and said very softly,"when i fell in love with a married woman, i was gone."

she was dejected.

He walked over and bent down to kiss her face. Mumu, I'm sorry to make you unhappy. Don't mention it again, okay? "

Chapter 2674: she called out zhou chongguang's name 1

she raised her head and smiled. " it's okay, yingluo. i haven't agreed to be with you yet, so you can say it. if we get together one day, there's no need to say these words. "

He also smiled and went back to prepare the seafood porridge for her.

When she sat at the dining table and tasted it carefully, Gu ze actually felt a little nervous.

He was afraid that she would not like it and that she would not have an appetite.

Qin Mu held the spoon and sniffed it. Then, he looked up at him and said in a very calm voice, " "It smells pretty good."

he also smiled. " it's good that you like it. try it. "

...

because she didn't have a good appetite, he had only put in light food.

qin mu smiled and took a small sip. the taste was indeed not bad. then, he drank the porridge in small mouthfuls. it was warm and slightly sweaty, but it was unspeakably comfortable.

“Do you want another bowl?” Gu ze asked softly.

she shook her head. ” i don’t think so. i’m afraid i’ll throw up if i eat too much. ”

Gu ze nodded understandingly. that’s good. We’ll have some fruit for dinner.

qin mu hummed in agreement.

She sat and watched him eat the porridge calmly.

he drank at a moderate pace and would occasionally look up at her.

when their eyes met, qin mu would smile.

Gu ze could not help but reach out and ruffle her long hair. you look a little silly.

She didn’t avoid him, but she didn’t give him too much of a response.

Her feelings for him were at most that of a comfortable friend. If she didn’t hate him, that was all.

As for the child’s father, he urged her fingers to gently touch his lower abdomen. He still found it hard to accept that he was pregnant with Gu ze’s child.

Their Yingluo didn’t even know that she still found it hard to imagine the child having Gu ze’s face when he was born.

however, she still didn’t say these words. at least she was drugged back then. gu ze mumbled and did his best to help her get rid of it.

Qin Mu was pregnant, so he was naturally sleepy. Later, Gu ze arranged for her to sit on the sofa, and when he cleaned the kitchen, she actually fell asleep accidentally.

when gu ze was done with everything and quietly walked back to the living room, he saw qin mu's little face asleep on the sofa.

Her long brown hair was scattered on the side of her body, and her face was buried in her hair, looking a little pale.

he sighed in his heart and slowly walked over. he knelt by her side, lifted his long hair with his big hand, and stared at her delicate features.

qin mu was still very young, and not a single strand of hair could be found on his face. he vaguely remembered that she was only 23 years old.

His fingers ran through her long hair, feeling the smoothness of it.

He had longed for her for so long, and now she was right in front of him.

gu ze couldn't help but lean over and gently touch the corner of her mouth.

qin mu didn't wake up, but the corners of his mouth curled up as if he had a good dream.

His slender fingers tickled her and he smiled faintly. Then, he gently carried her and walked towards the master bedroom.

He didn't even think about it, because she would be his in the future, and it was natural for them to be intimate.

Qin MU's body was very soft and light. He easily carried her back to the master bedroom.

when he placed her on the soft bed, she seemed to have woken up for a moment, and her slender arms wrapped around his neck.

at that moment, gu ze's heart was overjoyed.

He lowered his head and looked at the person in his arms. He found that her eyes were still closed and she looked lazy.

Gu ze couldn't help but kiss her lips. He kissed her very gently. When she snorted, his long kiss went straight into the mist.

Chapter 2675: she called out zhou chongguang's name 2

Qin Mu was probably not used to it. His voice was like a kitten meowing softly. Zhou chongguang, don't be like this. I want to sleep!

She buried her face in the pillow and opened her red lips slightly. Her voice was hoarse and very charming. stop fooling around.

gu ze's already tense body completely froze.

she called out zhou chongguang's name in a daze.

If Gu ze didn't know how much Zhou chongguang meant to her in the past, he did now.

he was still kneeling on both sides of her body and did not get up for a long time.

...

He quietly, quietly looked at her sleeping face.

after a long time, he laughed bitterly and slowly straightened his body.

his large hand held her slippers and helped her remove them. his movements were very gentle.

in the end, he covered her with a thin blanket and kissed her face before leaving the master bedroom.

at night, on the balcony.

gu ze stood in the dark, a red dot between his fingers.

he also stood there quietly. he didn't even know how many cigarettes he had smoked. he only knew that he needed to smoke at this time to calm his anger.

Qin MU's pregnancy was a turning point for him, but Wanwan seemed to make him hesitate even more.

he rubbed his forehead with the cigarette between his fingers and smiled bitterly.

In the past, he had seen ye Muyun's overly persistent love for Tang Xue 'er. It was almost twisted and overbearing. He found it unbelievable. Now, he saw it again.

Ye mu Yun's sister didn't seem to be too bad either. Her stubbornness was comparable to ye mu Yun's.

Gu ze laughed lightly, somewhat self-deprecatingly.

However, he was still unwilling to give up.

it was zhou chongguang who had given up. he was just following his own heart.

no one else could take good care of qin mu like him, ran ran.

Gu ze stubbed out the cigarette and slowly walked back to the master bedroom. He took a bathrobe and went to take a shower.

when he came out, he hesitated for a moment, but he still lifted the blanket and lay down beside her.

even though he couldn't do anything, he just held her shoulder and kissed her neck.

He thought that slowly, she would get used to his presence, get used to his care, and forget that person.

The night was getting darker.

gu ze did not sleep for the entire night.

qin mu, on the other hand, slept all the way until dawn. when she opened her eyes, she saw gu ze's magnified handsome face.

her breathing stopped for a moment, and then her body subconsciously retreated.

Before she fell off the bed, Gu ze's hand held onto her slender waist and his voice was slightly nervous. "be careful,"

Qin Mu was also shocked. For a moment, there was no expression on his face, and he looked a little confused.

She was a little girl, and when she woke up early in the morning, her hair was messy. It was not very pleasing to the eye, but it was the look he liked.

gu ze smiled and tightened his arms. she leaned closer to him.

He could feel that she was struggling for a moment, but he didn't care. He planted a light kiss on her forehead and said in a light tone, "you fell asleep on the sofa last night, so i didn't wake you up. you don't mind sleeping on my bed for the night, do you?"

it would be a little pretentious for qin mu to say that he minded. they had already slept together, so what else was there to say?

she pursed her lips and smiled, choosing not to answer.

gu ze sat up. ” are you going to the art gallery today? ”

qin mu leaned against the head of the bed and thought for a moment. ” “I want to rest for a day.”

“Alright!” He leaned over and kissed her. I’ll go make breakfast. You can sleep for a while. I’ll take you to the hospital later.

Qin MU’s eyes widened. why do we need to go to the hospital? ”

gu ze smiled. ” i’m going to create a card. also, listen to the doctor’s explanation on how to take care of a pregnant woman. ”

Chapter 2676: A chance encounter with Zhou chongguang in the hospital 1

gu ze kissed the corner of her mouth and said with a faint smile, ” “miss qin, it’s my first time too.”

He said it so seriously that Qin Mu couldn’t do anything to him.

After looking at him for a long time, she said in a low voice, ”then go!”

she had been too anxious yesterday, and she was also a little embarrassed!

After all, she was a divorced woman. It wasn’t a glorious thing to be pregnant with ran ran, so there were many things that she didn’t ask clearly. Compared to asking Qin Chen, she was more willing to find a professional doctor to ask.

Just as Gu ze was about to leave, Qin Mu reached out and grabbed his arm. He said in a very low voice, ” let’s go to another hospital. There are many familiar people in Sheng Yuan.

...

a smile appeared in gu ze’s eyes. he then reached out and touched her head. ” okay! ”

there was a faint doting tone in his voice. it wasn't that she couldn't tell, but she chose to ignore it.

gu ze's gaze quietly fell on her face. after a while, he got up and went to make breakfast.

qin mu laid down, but he didn't fall asleep.

her fingers were placed on her lower abdomen, and she was in a daze.

The child Yingying and Gu ze's child.

She still didn't feel any sense of reality.

She was in a daze in the morning light. After a long time, she felt that the corners of her eyes were a little hot. She reached out and touched them. They were wet and hot.

When did she cry?

qin mu was stunned. he pursed his little mouth and bit his fist.

she couldn't control herself, and the tears at the corner of her eyes fell drop by drop.

She didn't know what was wrong with her. Perhaps pregnant women just loved to cry.

However, she also knew that this was an excuse for herself.

she was just missing someone.

it was a sin to think about zhou chongguang when she was pregnant with gu ze's child.

however, she couldn't help but think of the days when hanhan's pregnancy reminded her of the time when she desperately wanted a child.

that period of time was an indelible memory in her and zhou chongguang's lives.

She felt that she was extremely useless and disappointing.

qin mu, you said that you wanted to have an important start, but you're embarrassing yourself like this.

She bit her fist and tried her best to hold it in. After a long time, she finally managed to hold it in. She wanted to go to the bathroom to wash her face and see if her eyes were red.

She didn't want Gu ze to see her like this. This was hurting him, and she vaguely knew it.

However, she only moved a little when she saw Gu ze standing at the bedroom door.

There were tears on her face, and she didn't have time to wipe them away. She just stared at him blankly.

gu ze's eyes were a little deep. he looked at her quietly for a while and then smiled."Do you want to drink soy milk? If you want to drink it, I can grind it on the spot."

qin mu made an 'oh' sound and then nodded. " "alright," he said.

gu ze smiled again and did not say anything. he turned around and left as if he did not see the tears at the corner of her eyes.

qin mu lowered his head. he knew that it was good that he pretended not to see wanwan like this. both of them would be proud.

She quickly went to clean herself up. When she walked out, she saw that Gu ze had already prepared breakfast.

She sat down, picked up the soy milk he had ground, and took a sip.

Her submissiveness was probably a sign of her trying to please him.

gu ze looked at her and ate his breakfast in silence.

after breakfast, it was already 8:30. he raised his hand to look at the time and smiled. " I'm driving to the hospital now. It'll be around 9 O 'clock. There shouldn't be many people.

qin mu nodded.

Although they were very gentle when they got along, it was always a little strange. They were not as natural as ordinary lovers, probably because they were too polite.

Chapter 2677: A chance encounter with Zhou chongguang in the hospital 2

He was afraid of scaring her away, and she wanted to keep her distance, so she became this awkward.

gu ze took the car keys and even took a thin coat to put on her shoulders. " the wind is strong outside. block it for a while. "

" oh, " she said, not refusing.

after the checkup, she would tell him that she would move back home.

They could take it slow, but she still couldn't accept living together like this.

Gu ze's thoughts were different from hers. He wanted to convince her to live together.

...

On one hand, it was to cultivate their relationship. On the other hand, he really wanted to take care of her. On the other hand, he wanted to be with her. He could not bear to let her bear even a little bit of gossip.

He wanted to let others know that his child had a father.

gu ze got into the car, looked at her sideways, smiled, and drove to B city people's hospital.

this was the hospital designated by qin mu. he said that it was a public hospital, so it wasn't easy to bump into acquaintances.

He thought, that's right. Most of the people in her circle go to expensive private hospitals, so it's unlikely that she'll meet familiar people in a public hospital.

an hour later, the car was parked in the parking lot.

The sun was shining brightly outside, and the wind was strong.

qin mu felt that the coat was still useful. she wore a hat and blocked the sunlight.

After walking for about two minutes, they entered the outpatient building.

gu ze made her sit on the long bench while he went to get an obstetrician's number.

There were a lot of people waiting to register, and he had to wait for about ten minutes.

Qin Mu looked at Gu ze for a while before looking away. Then, he lowered his gaze and looked at his stomach.

her stomach was very flat. if it wasn't for the checkup, she wouldn't have believed that there was a child inside.

qin mu stretched out his hand and touched his stomach gently. his expression was very gentle. "hello, little guy."

Of course, she was silly. The little guy in her belly was still too small and could not respond to her.

she touched it again. "i'm your mother."

As she spoke, she laughed to herself. So this was how it felt to be pregnant.

it was wonderful.

qin mu felt that he was probably too despairing, so he was really not picky. the father of the child was really not picky when he was pregnant. it was as if no matter whose child it was, it was a treasure and must be born.

Moreover, she really loved this child.

Just rubbing her belly made her feel very happy.

qin mu's little happiness was seen by the man in the aisle.

Zhou chongguang had lost a lot of weight. He stood not far away and looked at Qin Mu in shock.

he couldn't be more familiar with her expression.

this was how pregnant women looked like. they looked forward to the arrival of a little life, and the love on their faces could not be hidden.

all the blood in his body was almost frozen, and only his brain could work slowly, which was only filled with a few words.

qin mu was pregnant.

She was pregnant.

was it yingluo's child?

Even though they had sex that day, he couldn't believe that it was his child.

They had tried so many times before, but they never got pregnant.

recently, he heard that gu ze was wooing her. they still got together and even had a child so quickly!

Zhou chongguang's gaze was greedy as he looked at the expression on her face, his fingers clenched into a fist-

zhou chongguang, you should be happy for her. she's pregnant, and she's always wanted a child.

once she had a child with gu ze, she would have a complete family and a complete woman. moreover, mumu was a good person, and she would treat shui mu well.

he lowered his eyes and bitterly thought that this wanwan was the best.

Chapter 2678: a chance encounter with zhou chongguang in the hospital 3

zhou chongguang just looked on like this, and after a long time, he laughed softly.

then, he saw gu ze slowly walk back.

Gu ze bent over and spoke to Qin Mu in a low voice. He looked at Gu ze's expression, which was very gentle.

qin mu raised his head and kept looking at gu ze. his gaze was also very focused.

they looked just like the most ordinary couple in the world. zhou chongguang's eyes were a little hot.

Yes, they were together, and with Gu ze's age, it was expected that he was eager to get married. As for the child, it was probably an accident. It was an unexpected surprise.

...

soon, they would get married.

Zhou chongguang took a step back and hid in the darkness of the corridor. His expression was a little bleak, and his tightly shut eyes also showed the struggle and pain in his heart.

after a long time, he slowly walked out, but he could no longer see qin mu and gu ze's figures. he thought that they must have gone upstairs to check.

zhou chongguang's fingers were clenched tightly. there was a laboratory report at his fingertips, on which the latest condition of his body was written.

the doctor's words were gentle but cruel. "Mr. Zhou, your illness can't be delayed any longer. The hospital is looking for a suitable liver source, but they haven't found a suitable one yet. I know that Mr. Zhou has his own connections. Should we work hard too?

The doctor paused. Mr. Zhou, you know that time waits for no one. If there is a glimmer of hope, we don't want to give up. Mr. Zhou, you should try to save yourself.

the doctor looked at the man in front of him. the man who used to appear in major financial magazines was in high spirits, but now, he looked tired and had lost weight after his illness.

originally, he should have been hospitalized, but zhou chongguang insisted on not being hospitalized. he requested for conservative medication treatment, knowing that it was far from enough. like this, he might have already passed away before a suitable liver source could be found.

Zhou chongguang's fingers clenched the test sheet tightly, and he laughed very lightly-

now, he could wait for yingying's death in peace.

in this world, the people and things that he missed no longer belonged to him.

He looked up at the bright white light on the hospital ceiling and smiled a little bleakly.

Mumu, he'll be fine.

at this moment, a large hand grabbed his shoulder and the test report was forcibly taken from his hand.

he was startled and lowered his head, only to see zhao ziyi's angry and pained face.

"Chongguang, you're crazy!" zhao ziyi quickly looked through the test report, his thin lips tightly pursed, "you don't want to live anymore, do you?"

that was why she went into hiding and stayed alone in the house that she used to live in with qin mu. she didn't see anyone and didn't care about the company's matters anymore.

The Zhou chongguang that he knew was not like this. He followed him and finally knew the reason.

Late stage of liver disease!

Zhou chongguang laughed very lightly, gently snatching the test sheet, tearing it into pieces and throwing it away. "You've seen it too, it's the late stage. there's no difference whether you're cured or not!"

"The only difference is that you don't want to live." Zhao Ziyi's eyes were filled with pain. chongguang, you weren't like this in the past. If you like Qin Mu, then go and get him back! What are you doing? are you going to let Qin Mu shed a few tears in front of your grave after you die?"

zhou chongguang took two steps back, his body leaning against the cold wall of the hospital. there was a hint of mockery in his eyes."What can I use to chase her? With my broken body? can you give her happiness?"

Chapter 2679: a chance encounter with zhou chongguang in the hospital 4

"Then I'll try my best to cure myself! you have plenty of money, and money isn't everything. it can just exchange for a life." Zhao Ziyi picked him up by the collar, and very roughly lifted his body.

zhou chongguang was still looking at zhao ziyi quietly. suddenly, he laughed softly, " "And then?"

after that, zhao ziyi saw the heat in the corner of zhou chongguang's eyes, an expression that zhao ziyi had never seen before.

Zhou chongguang mumbled, " Ziyi, she's pregnant with Gu ze's child. Tell me, what do I have to fight with Gu ze? "

as he said that, his thin lips curved into a smile that was uglier than crying."when i'm better, she'll have given birth to her child."

zhao ziyi was stunned, and his hand also loosened.

...

He looked at Zhou chongguang in a daze, and his body also took two steps back abruptly. His eyes were fixed on Zhou chongguang.

Zhou chongguang took out another cigarette from his pocket and smoked it quietly.

Zhao Ziyi's voice was hoarse and raspy,"are you crazy? you're still smoking at this time?" you don't want to live anymore, do you?"

"Yes, I don't want to live anymore." zhou chongguang smiled faintly. " there's no point in living anymore. "

zhao ziyi's facial muscles trembled a few times, then he walked over, clenched his fist, and hit zhou chongguang's shoulder hard. his voice carried a hint of coldness, " "Zhou chongguang, What is this? what is this, huh? we grew up together and created this glorious era together. you don't want to live anymore, is it worth it for a woman?"

as he said that, he threw a fierce punch, smacking zhou chongguang's face to the side.

"zhou chongguang, have you let me down? back then, you were so desperate for tang xue 'er. now, for qin mu, you don't even want your brother anymore, right?"

Zhou chongguang's body slammed heavily against the wall, and he coughed out a mouthful of blood. However, he did not care at all. With trembling hands, he brought the cigarette to his lips and took a deep puff.

is there only women in your heart? are women your everything? ” zhao ziyi's voice was hoarse. ” our brotherhood, our glory, and the days we grew up together. to you, is that nothing? ”

As he spoke, he stepped forward and held his neck. His face was almost twisted. do you want to die? let's go, we'll go to the rooftop together, jump down together, and die a clean death. tomorrow, we can even be on the social news together. i'm ceo zhou's true love. how sensational would that be? it's much more glorious than you waiting for death.”

zhao ziyi's voice was very fierce, but at the corner of his eyes, there was a tear. however, it did not fall.

Zhou chongguang coughed out violently, spitting out a mouthful of blood.

he closed his eyes helplessly and smiled. ” ziyi, why are you betting on me? why didn't i know that you like men? ”

“I like it now, why do you care!” zhao ziyi's voice was even more hoarse, and it was almost like a rascal's, as if he had returned to the time when they were in their twenties.

They had disputes, they fought, and he was always the one making trouble out of nothing, while Zhou chongguang was always the one who gave in to him.

this time, he wanted to do the same.

zhou chongguang laughed and turned his face to the side.”You like me and you hit me?”

zhao ziyi's tears started to flow. he wiped his own tears and laughed at himself,”Beating is affection, scolding is love. I've never heard of this before!”

Chapter 2680: A chance encounter with Zhou chongguang in the hospital 5

Zhou chongguang looked into his eyes and said very softly, ” “Ziyi, I’ll leave the glory to you, alright? i have nothing left, only glory.”

” sure, let’s get married. we’ll get married in the United States. your assets will be mine. if you can’t do it and you still don’t give up on qin mu, don’t f * cking talk about death! ” Zhao Ziyi once again rudely lifted his collar,”F * cking stay alive!”

zhou chongguang did not resist, nor did he have the strength to resist. right now, he was just a patient.

“ziyi, when did you become so rough?” he looked at zhao ziyi and smiled faintly.

“just when you said you were going to give me all your inheritance.” Zhao Ziyi was still holding onto his collar, his expression not too good. Immediately after, he stared at him with a cold face. what do you say? ”

Zhou chongguang looked at his serious face and could not help but laugh out loud. Probably because he laughed too intensely, he suddenly coughed out another mouthful of blood, looking extremely embarrassed.

...

Zhao Ziyi was originally angry, so he was particularly rough, but seeing him like this, he finally couldn’t bear it and let go of him a little, patting his back,”How is it?”

“I’m fine! It’s an old problem.” As Zhou chongguang spoke, he was about to smoke again.

However, Zhao Ziyi took the cigarette from his hand and said,”You’re still smoking at a time like this! I don’t want to be your widow.”

zhou chongguang glared at him, then reached out and touched zhao ziyi’s forehead. ” it’s not hot. ziyi, do you have other problems? or were you hurt by some girl? ”

“You’ve hurt me,” zhao ziyi said unhappily, then dragged zhou chongguang out, ” “Let’s go, I’ll take care of you in the future! i’m not coming to this hospital anymore.”

he knew that zhou chongguang would probably feel bad when he saw qin mu. this illness would not be cured.

Zhou chongguang laughed lightly, "you really want to marry me?" Will your mom accept me as her son-in-law?"

Who was Zhao Ziyi? he was the brother he had played with since young. He glared at him. in your dreams! With your current situation, you deserve to be a small fry. You should be my mother's wife."

Zhou chongguang laughed and coughed. I regret it, Ziyi.

Zhao Ziyi threw him into the car and sat back in. He turned his head to look at him, "What do you regret?"

As he said that, he started the car.

zhou chongguang's eyes were unreadable. " i should have married you back then. "

Then, the car with good performance drifted a little, but Zhao Ziyi quickly turned it around. He looked at the man beside him with a meaningful look. "your liver is sick, but your brain is fine! I'm straight!"

As he said that, he laughed again, "I'll treat your illness properly!" maybe i'll consider you after i recover."

zhou chongguang just laughed.

After a long time, he closed his eyes and said softly, " Ziyi, let me know when you get home. I'm a little tired. Also, thank you, Wanwan.

at this time, it was good to have someone to accompany her.

He even thought that if Qin Mu were to get married and he brought Ziyi over to tell her that he and Ziyi were together, would she be shocked? that expression would definitely be very cute.

also, if ziyi knew what he was thinking, would he give him a good beating?

The corners of Zhou chongguang's lips curled up into a slight smile.

his handsome face had lost a lot of weight.

zhao ziyi drove quietly, only turning his head to look at zhou chongguang. only his fingers on the steering wheel revealed that he was not calm at the moment.
