Chapter 2681: a chance encounter with zhou chongguang in the hospital 6

the white sports car sped along the roads of B city and slowly drove into the quiet private lane.

zhou chongguang was now living in the villa that qin mu used to live in. he didn't hire many servants, so the villa was very quiet.

when zhao ziyi parked the car, he turned his face to look at him. seeing that he was in a deep sleep, he didn't disturb him and quietly sat in the car to wait.

Zhou chongguang was a grown man, so it was naturally not convenient for him to carry him in. Even if Zhou chongguang's current weight should not be more than 110, thinking about that scene, Zhao Ziyi felt that it was enough.

he sat there for a long time, and zhou chongguang only woke up after about an hour.

As soon as she opened her eyes, she heard a faint voice coming from beside her. "Haven't you been sleeping well recently?"

...

Zhou chongguang slowly sat up straight, his voice slightly unnatural. "How did you know?"

zhao ziyi turned his face to the side and looked into his eyes, "you used to be a vigilant person. you wouldn't fall asleep while others were driving."

Zhou chongguang smiled. I'm not feeling too well.

"Chongguang, why torture yourself?" Zhao Ziyi said softly, "listen to me and treat your illness!"
Can we talk about Qin MU's matter later? at the very least, you still have some memories. if you're not here, the memories will be gone."

Zhou chongguang was slightly stunned.

zhao ziyi suddenly took out a stack of photos from the front cabinet and handed them to zhou chongguang. ” “I originally came to find you for this matter.”

zhou chongguang took it and looked over, only to see photos of a bloody mess.

She was stunned for a moment, but she could guess who the owner of the photo was.

Zhao Ziyi's voice did not have a hint of warmth. It was even cruel. she made herself look like Qin Mu. I don't think you'll be happy about that. Besides, she's the one who indirectly harmed Gu Mei. The way ran ran is now is pretty good. Also, she's living in the house that Gu Mei used to live in. Gu Mei's photos are pasted everywhere. Qiqi went crazy after being locked up for only one day.

zhou chongguang did not want to hear the rest of the sentence. he raised his hand and closed his eyes slightly. his voice was a little tired. Ziyi, I feel like I just had a very long dream.

then just sit there and don't wake up. No matter what the future is, at least I'm still here. Zhao Ziyi smiled slightly and reached out to punch him. isn't that so? i'm still here.”

zhou chongguang opened his eyes and looked into zhao ziyi's eyes.

zhao ziyi said very, very softly, ” chongguang, you're not left with nothing. you still have me. you still have the love that qin mu once had. you still have shuimu! ” you gave him to gu ze and qin mu, but you're still his father.”

zhou chongguang looked at zhao ziyi for a long time, then smiled faintly.

He didn't say anything, but Zhao Ziyi knew that Chong Guang probably didn't want to die.

He let out a long sigh in his heart. In this day and age, if he wanted to convince someone, he had to sell his body!

Meanwhile, in the hospital, Qin Mu and Gu ze were both sitting there. The doctor looked at yesterday's test results and raised his exquisitely-trimmed eyebrows.”She's pregnant.”

Then, he looked at Gu ze and then at Qin Mu. “husband and wife?”

Qin Mu shook his head.

“then yingluo’s affair?” The female doctor’s gaze became a little deeper. She lowered her head and filled out the abortion form. then you don’t want the child. The child is still young, and it can be done painlessly. Take the form and pay the money first. but you need to make an appointment. it’s not easy to deal with a child, yingluo.”

Chapter 2682: A chance encounter with Zhou chongguang in the hospital 7

The female doctor placed the list in Gu ze’s hand and smiled with a deeper meaning. “It’s much more troublesome than creating a child!”

Gu ze looked at the abortion papers in his hand, then at the female doctor’s bright red nails and bright red lipstick, then at her low neckline, and then at her slightly picky gaze.

he leaned over and gently stuffed the test sheet into the female doctor’s collar. his handsome face leaned over.”Miss, I’m not married. She’s my girlfriend, but I’m getting married!”

His lips were very close to hers, and he almost muttered, ” ” your work attitude seems like you’re taking revenge on society! ”

After he finished speaking, under the female doctor’s dumbfounded expression, he held Qin MU’s small hand and said in an unquestionable tone, ” “to a private hospital.”

“i’m not going to sheng yuan!” qin mu had his final determination.

...

Gu ze tilted his head to look at her and ruffled her hair. “Listen to me on this matter, okay?”

qin mu stood face to face with him. she looked at his handsome face and listened to his voice in a daze for a moment.

listen to his teasing

this kind of feeling overlapped with the past. she felt as if she had returned to the past, back to the best times with zhou chongguang.

“what are you thinking about?” gu ze held her hand tightly. ” if you don’t say anything, you agree, right? ”

Qin MU’s little hand was held by him as he walked forward. She had a feeling of being protected.

she turned around and looked at the female doctor. the female doctor was still in a daze.

Qin Mu suddenly stopped in his tracks and said a little naughtily, ” “i’m divorced, and i’m getting married now.”

The female doctor’s face was twisted as she was slapped in the face.

After Qin Mu finished speaking, he didn’t seem to think that he had said anything out of the ordinary. Even when they were outside, she was still smiling and didn’t notice Gu ze’s slightly profound gaze.

look at her expression. I’m dying of laughter. She must think that a divorced person like me isn’t good enough for you! Qin Mu lowered his head and smiled gently. He rarely had such a bad time.

Gu ze suddenly stopped in his tracks, and she was forced to stand still for a moment. She looked up with a confused expression.”Gu ze, what’s wrong?”

“What about you? what do you think?” Gu ze’s voice was hoarse as he asked softly.

Qin Mu pursed his lips. For a moment, he did not know how to answer his question.

“You said that you’re divorced and you’re getting married soon. Is that true?” Gu ze did not allow her to take a step back. He held her chin with one hand and half-forced her to answer.

qin mu bit his lip. ” i just wanted to make her angry. i’ve never seen a doctor like her. she’s too disrespectful to little lives. ”

“how can you joke about this kind of thing?” his voice was even more hoarse, and his eyes were burning.

Qin Mu wanted to retreat, but he grabbed her slender waist with one palm. His voice was even more hoarse.”Tell me, Mumu.”

“you said it first,” qin mu stuttered.

” but i’m not joking. i’m serious about my plans. ” His expression was also serious.

Qin Mu was speechless for a moment and just looked at him in the hospital lobby.

this was indeed a good time, but she was too weak and wanted to escape. in the end, he didn’t want to force her, so he said lightly, ” “Forget it, we’ll talk about it later!”

they walked to the elevator, which was broken, so they could only take the other elevator down for a walk.

When they reached the first floor, Qin Mu had just stepped out of the elevator when he saw that on the marble floor of the corridor, there were spots of blood that had yet to dry.

“so much blood,” qin mu muttered.

Chapter 2683: Why did you give up? 1

gu ze looked at the blood and said in a low voice, ” “Someone might be injured.”

Qin Mu looked up and hummed in acknowledgment. Then, he walked to the parking lot with Gu ze.

just as he was about to get into the car, qin mu's gaze stopped. he saw zhou chongguang's car.

it was a very low-key land rover, the one that zhou chongguang usually drove.

Is he in the hospital now?

Qin Mu pursed his lips, his gaze fixed on the car.

...

gu ze naturally saw it too. he followed her gaze and looked over. then, he said very indifferently, "Do you want Yingluo to wait here?"

Qin Mu retracted his gaze and smiled. "No need,"

Gu ze opened the car door for her. After she got in, he went around to the other side and got in.

When he started the car, he looked at the car through the rearview mirror with a deep gaze.

Since Qin Mu insisted on going back to his apartment, he still drove in the direction of her apartment.

Along the way, Gu ze was calmly explaining the things to take note of for pregnant women, but Qin Mu was always a little absent-minded.

when they reached her apartment, gu ze stopped the car and turned to look at her. his voice was very soft. "mumu has arrived."

ah! she exclaimed, obviously a little distracted.

Gu ze smiled gently and ruffled her hair. "We're home, I'll send you up."

Qin Mu shook his head. I can go up myself. Gu ze, thank you.

he placed his hand on the steering wheel and smiled. ” ” mumu, if you say thank you again in the future, i will kiss you. ”

“i’m serious,” he said in a gentle voice.

Qin Mu looked at him again and smiled helplessly. “alright, then.”

she opened the door and got out of the car. gu ze watched her go upstairs before starting the car.

he didn’t go to the company, nor did he go home. instead, he drove to the hospital.

in his heart, he had probably guessed that it was definitely not a coincidence that zhou chongguang’s car had appeared at the hospital.

When they reached the hospital, Zhou chongguang’s car was still there.

gu ze sat in the car, his jade-colored fingers lightly tapping on the steering wheel. after thinking for a while, he got out of the car and walked straight to the outpatient hall.

the patient’s information was usually confidential, but it could not be kept secret if he used his connections.

Zhou chongguang’s status was special, so Gu ze spent two million to buy his medical records.

Half an hour later, he was sitting in his car with a stack of photocopied documents in his hand. He flipped through them page by page, and the more he read, the more shocked he became.

A liver transplant!

Otherwise, Zhou chongguang would not be able to live.

was this the reason why he gave up on qin mu and shui mu?

gu ze placed the document on the cabinet and leaned back in his chair. his eyes were deep and he looked at it for a long time.

he smoked one cigarette after another, his eyes a little dull.

qin mu's child was zhou chongguang's, and zhou chongguang might not be able to live long.

And could he really safely keep Mumu by his side?

When she was still in love with Zhou chongguang.

if qin mu loved him, then no matter if zhou chongguang lived or died, no matter who the child belonged to, she was gu ze's woman. however, it did not mean that everything in yingluo belonged to zhou chongguang.

he, gu ze, was just someone who stood in a dark place and picked up scraps.

He was so happy, but in the end, reality was so cruel.

Zhou chongguang was cruel to himself, but he was also cruel to Gu ze.

If he died, Gu ze would marry Qin Mu and raise their child. Would he be able to live in peace for the rest of his life?

At least, he could not feel at ease.

Chapter 2684: Why did you give up? 2

Gu ze sat in the car and waited for a long time. Until tonight, no one came to drive Zhou chongguang's car.

He knew that he would not be able to wait here.

Since he couldn't wait, he could go and find it.

Gu ze slowly started the car with a cold look on his face.

An hour later, the car stopped in front of the villa on Qingshui Road.

this used to be qin mu and zhou chongguang's love nest. it was the most unfamiliar place to gu ze.

...

The sports car slowly came to a stop in front of the gate. He got out of the car and closed the door.

the security guard looked at him. " who are you looking for? "

"i'm looking for zhou chongguang." gu ze lit a cigarette and blew out a long smoke ring.

The guard hesitated for a while before saying,"vice president zhao just said not to let anyone in. president zhou needs to rest."

Recuperate?

He was just waiting for death!

gu ze sneered, his long fingers holding the cigarette. " call him on the internal line and tell him i'm gu ze. "

The security guard looked at him for a long time before he finally made a call and said carefully, " mr. zhou, there's a mr. gu who's looking for you, but he won't tell you."

the person on the other end said something, and the guard opened the black carved gate. as he opened it, he said, " "Mr. Zhou is not in good health. Mr. Gu, please don't disturb him for too long."

gu ze did not drive in and walked in directly. the villa was not big, and it only took him two minutes to reach the main residence.

zhou chongguang was sitting in the living room on the first floor. he was wearing a black bathrobe, which looked rather thick on such a hot day.

he was sitting there with a few magazines scattered around him, looking a little relaxed.

gu ze slowly walked over and sat opposite him.

The two men looked at each other for a long time before Zhou chongguang said, ” “Do you want tea or coffee?”

“Water will do.” gu ze’s voice was very calm.

Zhou chongguang raised his hand and called his servants over. He instructed them calmly, ” “Go and get two glasses of water.”

After a while, two glasses of water were placed on the table.

Gu ze noticed that it was hot.

“has it come to this?” he frowned.

“Yes, I’m just waiting for the liver transplant.” zhou chongguang laughed lightly and picked up the glass of water to drink slowly.

His expression was very calm, as if he didn’t care about his illness.

gu ze’s gaze shifted from his face to the cup on the table, and his voice became even softer. ” “Why didn’t you cooperate with the treatment?”

He looked up again, 'why isn't he hospitalized? Zhou chongguang, you didn't try your best to save your own life.'

Zhou chongguang's gaze looked into the distance, and a charming smile appeared at the corners of his mouth. Gu ze, do you know that this is my home? I don't want to leave this place. I feel very at ease staying here. Even if it's painful, I feel comforted here.

Here, it seemed like Mumu could come back at any time. Sleeping in the bedroom upstairs, it seemed like she could come out of the bathroom at any time and complain to him, " Zhou chongguang, I'm so tired.

it also seemed that he could touch her body when he stretched out his hand.

Even if what he often caught was air.

Zhou chongguang was smiling, his thin face peaceful and handsome.

gu ze's expression softened. he used to look down on zhou chongguang. he thought that zhou chongguang was a creature who only thought about the second half of his body and that he was not worthy of qin mu.

However, he had never thought that he would go to this extent for Qin Mu.

this man was using death to cling to love.

Who said that one would die without love?

Zhou chongguang was the best example of this. Without love, he would really die.

Chapter 2685: why did you give up?(3)

"if you love her so much, why would you give her up and give up your own life?" Gu ze's voice was low as he reached out to pull him. "come with me now. tell qin mu that you want to be with her."

he, gu ze, was not a good person every day. it was just that he could not bear to do it now.

“listen, you only have one chance. after this day! i won’t let you win anymore, understand?” Gu ze’s eyes were cold.

When he said these words, his entire body was cold. He was not a Saint, but he was also sad.

Zhou chongguang was a sick person, so he naturally could not win against him.

However, he had never thought that Zhao Ziyi would return.

...

“master gu, you look a little ugly like this.” zhao ziyi laughed and walked over. ” it’s fine if she’s with qin mu, but she’s even taking zhou chongguang into her harem? ”

Gu ze was a little confused by this sentence and couldn’t help but let go of the water. “Zhao Ziyi, what do you mean by this?”

these words were too harsh.

zhao ziyi smiled, then put his arm around zhou chongguang’s shoulder. ” i couldn’t tell that we’re together. why don’t we take a photo and upload it to weibo tomorrow with the title ‘we’? gu ze, what do you think? ”

gu ze’s face was full of shock. he looked at zhou chongguang, then at zhao ziyi. he still had not digested what had happened.

“you don’t understand? Just like what I said, I’m dating chongguang!” Zhao Ziyi’s words were not impetuous at all.

As for Gu ze, he felt dizzy again and again, and his gaze was hard to express.

he had heard that people would change their sexual orientation at certain times, but was it possible for Zhou Chongguang and Zhao Ziyi?

“Alright, Master Gu, let’s not disturb the patient here. I’ll send you out. If you have something to say, why don’t you talk to me?” “Let’s talk while we walk,” Zhao Ziyi said.

Then, he said something special, “Um, I’m Chongguang’s man now. If you have anything to say, just talk it out with me. Don’t bother him, okay?”

Gu Ze simply could not bear to listen any longer. Zhou Chongguang, who was behind him, also wanted to vomit blood. However, he was still willing to send Gu Ze away and did not care about Zhao Ziyi’s nonsense.

Zhao Ziyi didn’t care about his reputation, he didn’t care about his face. What did a dying person like him want all this for?

Hence, Zhou Chongguang calmly drank his tea while Gu Ze watched. This further confirmed the chicken relationship between them.

Gu Ze pulled his coat and looked at Zhao Ziyi. “Then let’s talk outside.”

Zhao Ziyi smiled and followed him out. He even kindly handed a cigarette to Gu Ze. “Take a puff!”

Then, he said with some ill intentions, “Are you feeling conflicted now?”

Gu Ze glanced at him and didn’t say anything.

From what he knew, Zhao Ziyi was even more difficult to deal with than Zhou Chongguang, because he had no lower limits. He could do anything that was sneaky.

Zhao Ziyi, who was standing next to him, also smoked a cigarette and slowly opened his mouth, “Actually, I’ve been struggling for a long time before I decided to be with Chongguang.”

“You can continue lying!” Gu Ze snorted coldly. He had already woken up from the shock and would not believe his nonsense.

“You know me quite well.” Zhao Ziyi smiled.

“Take care of Qin Mu,” he said faintly.

he turned to look at gu ze, ‘regardless of whether you and her end up together, take care of her. after all, you like her too, don’t you? Consider it as atonement for your sister!’

“what if i take care of it and don’t return it?” gu ze took a deep puff of his cigarette.

Chapter 2686: Let’s have a fair competition, Gu ze (1)

“what if i take care of it and don’t return it?” gu ze took a deep puff of his cigarette.

” it all depends on qin mu. if he wants to marry you, you can do so. ” “as for chong guang, i’ll take care of him,” zhao ziyi said with a sorrowful tone.

He patted Gu ze’s shoulder. men also have self-esteem and face. You asked him to go and beg Qin Mu to come back like this. Do you want her sympathy or love? ”

gu ze’s hand that was holding the cigarette trembled as he looked at zhao ziyi. ” “you think i’m that great? To take care of someone’s wife and child?”

“if you have the ability, then take it away!” Zhao Ziyi laughed. if you have the ability to take it away, then I would really dare to be with Zhou chongguang.

Gu ze’s face revealed that indescribable expression again. Just the thought of the two men together was enough to hurt his eyes.

...

“you seem to be very confident,” he snorted coldly.

“No, we all have to accept the arrangement of fate.” Zhao Ziyi was very calm. “However, what if they end up together again? Gu Ze, why don’t we make do with each other?”

As she said this, her gaze landed on Gu Ze’s face. “Actually, you’re not bad looking.”

“Zhao Ziyi, don’t tell me you really like men!” Gu Ze frowned.

“It’s possible!” Zhao Ziyi laughed and threw the cigarette butt in his hand to the ground. “I’m not going to keep you company anymore. Go back. Don’t tell Qin Mu about Chongguang.”

Gu Ze was slightly stunned, and then he looked into the hall.

Zhou Chongguang sat there and flipped through a magazine, looking very relaxed.

Zhao Ziyi spoke again in a low voice, “You’ve seen it, he’s fine now.” “I’ll take care of her.”

Gu Ze still left.

While he was driving, his mind was filled with Zhao Ziyi’s words: don’t tell Qin Mu.

Was he really not going to tell her?

Zhou Chongguang had given up just like that?

What would happen if he told Qin Mu?

He knew clearly in his heart that Qin Mu would definitely go and see Zhou Chongguang. No matter what, it was impossible between him and her.

Even if she thought that the child was his.

Gu Ze’s fingers gripped the steering wheel tightly, and his face was expressionless.

It was only when the car stopped that he realized that he had driven the car to Qin MU's apartment for a stroll.

At this moment, the sky had already turned dark.

He sat in the dark car, smoking quietly.

there were many times that he had thought about going up to her and telling her.

However, every time he had such a thought, Zhao Ziyi's words rang out in his mind.

He had never felt so conflicted before.

He sat all the way until late at night, when he suddenly gave Zhou chongguang a call. "if you're a man, then live well. when you're better, i'll tell qin mu who qianqian is with. it's up to her to decide!"

After he finished speaking, he hung up the phone without waiting for Zhou chongguang's reply.

Then, he felt an indescribable sense of relief.

He thought that he could pursue her properly now, Yingluo. Even if she didn't choose him in the end, he wouldn't regret it.

Love is to burn the last trace of passion. Even if it turns into ashes in the end, at least it has shone.

he wanted to make her happy every day they spent together.

If she chose to be with him in the end, then he would continue to love her, even more than before.

If she had chosen Zhou chongguang, he would have let go.

gu ze smiled, opened the car door, and walked towards the elevator.

He used the backup card to get into the elevator and went to the top floor.

When he knocked on the door, he was in a good mood, and when he saw her confused face, his mood was even better.

Chapter 2687: let's have a fair competition, gu ze (2)

“Can I borrow your kitchen to make a late-night snack?” he asked in a low voice.

qin mu looked at him and only spoke in a low voice after a while. ” “did yingluo specially come over to make this for me?”

“I'm hungry.” He smiled and then walked in without leaving a trace.

This was the first time he had come to her house.

It was obvious that there were many high-class designs left behind by Qin Chen in the apartment. Anyone who had come into contact with Qin Chen would know how exquisite his life was. On the contrary, Qin Mu, a girl, seemed to live a much more daily life. Many of them were cheap goods bought from ordinary boutiques.

although gu ze could afford items like qin chen's, he didn't like to live with a bunch of luxury goods. for example, a cup for tea cost a few hundred thousand yuan. it was really unnecessary.

...

he still preferred the daily life. for example, he liked qin mu's habit. it was very comfortable.

qin mu didn't chase him away. she had convinced herself that he was the child's father, so she was willing to let him in.

gu ze gave her a sense of security. he was not like zhou chongguang, who could get horny at any time. he was a man who controlled himself.

She flicked her long brown hair and smiled. the ingredients are in the kitchen. You can go and see for yourself. Also, help me make one. I'm a little hungry.

After that, he walked to the sofa and took a laptop to read some documents.

Gu ze frowned, 'it's already so late and you're still working? also, you can't always use a computer when you're pregnant.'

He went over and turned off her laptop in a few seconds.

Qin Mu raised his little face and glared at him.

he smiled and pressed her shoulder. " i'll get you a glass of juice. "

As he said this, he turned on the TV for her and said, "this can be watched." be good and wait."

As he said that, he ruffled her hair.

qin mu smiled stiffly. he didn't say anything and watched him walk into the kitchen.

To be honest, his back view was really not bad. He was slender and well-built, and Qin Mu could not figure out why Gu ze was always pestering a divorced woman. Gu ze was good-looking, had a good figure, and was rich.

But now, she wouldn't ask anymore. She already had a child. If he wanted to be by her side, then so be it. In the future, she would get tired of him and feel annoyed.

She always felt awkward about getting married to Gu ze.

even though she had a child.

she thought, let's just leave it at that for now. after all, she was pregnant with this child. it would be quite embarrassing to go back to her maternal family to be taken care of.

Now, Qin Chen's big mouth must have told everyone about her pregnancy.

in the afternoon, she received her dear mother, father, and big brother. the most outrageous thing was that xue 'er also knew about yingluo.

Xue 'er even asked her who the Father was, ran ran.

How could Qin Mu say that?

As he was being vague, Xue 'er shouted, " it must be Zhou chongguang, right? you must've gotten lost with him again. I knew he was a poodle.

Because of this sentence, she was in a daze for the entire afternoon. Only now did Yingying let Gu ze in.

She didn't want to keep thinking about Zhou chongguang, or else she would be letting down the child in her stomach.

as she touched her stomach, gu ze happened to come out of the kitchen. he looked at her with a burning gaze."did the child kick you?"

"It's only been a month, how could I know how to play?" "He's only as big as a broad bean," Qin Mu said.

"Then, when he's older, you must tell me." Gu ze's eyes were filled with a smile.

Chapter 2688: Are you very happy being mischievous for a while?(1)

"alright." qin mu smiled.

He placed the juice in her palm. "take your time, i'll go prepare some food."

Qin Mu hummed in agreement.

When Gu ze went to the kitchen, she turned on her laptop again and did some work. She closed it before he came over.

when gu ze told her to eat, it was half an hour.

Qin Mu got up and walked into the dining room. Tonight's supper was very sumptuous, and it could be seen that he had put in a lot of thought.

...

"i only have this much in my fridge, and you're still able to make it like this. it's not bad." She smiled and ate the seafood baked rice he had made for her. The top layer of cheese was really authentic, and the bottom layer was probably made of mashed potatoes and tomato juice. It melted in her mouth and was delicious.

"Try this lemon fish." gu ze took a piece for her, dipped it in some juice, and put it in her bowl.

Qin Mu took a bite and narrowed his eyes.

Because it was too delicious.

She took a small bite in satisfaction and then looked at the dish greedily.

just two bites. Don't forget your current condition. He said it very tactfully.

" oh, " qin mu replied. however, he still tasted it again and again until he had finished the fish.

when the feeling of wanting to puke came up, she covered her mouth and looked at gu ze innocently.

Gu ze smiled helplessly and helped her up. He quickly and steadily brought her to the sink.”If you want to vomit, then vomit.”

qin mu was a little tsundere. he put his hands behind his back, and his voice was also unclear.”You, step aside.”

however, she couldn’t wait for gu ze to leave before she vomited uncontrollably.

wa-wah vomited everything she had eaten at night, and she almost vomited her bile into the sewer.

after she vomited, she felt weak all over and her face was pale.

She leaned on Gu ze’s arm and closed her eyes.”i want to lie down for a while.”

Gu ze looked at her. He was angry and amused at the same time, and his heart ached a little.

It was his first time taking care of a pregnant woman. The child was not his, but he liked the woman.

He reached out to support her as they walked towards her bedroom.

Not only did he help her lie down, but he also poured her a glass of hot water. He helped her take two sips and then said in a very soft voice, ” “Rest for a while. I’ll cook you some plain porridge.”

“Gu ze, there’s no need.” Qin Mu stopped him.

“It’s just vomiting if you eat it. No need to trouble yourself.” there was a faint smile on her face, which made her seem a little restrained.

perhaps, it was because of a guilty conscience.

what? ” Gu ze looked at her. you mean from now on, we don’t have to eat anymore? ”

He leaned forward and was very close to her, 'you want to cultivate? Or is it a tribulation?'

qin mu instinctively wanted to block him, but he stopped when he was only ten centimeters away from him.

"i don't have an appetite now," she smiled uncomfortably.

"Take a break and eat a little." Gu ze straightened his body and said meaningfully, "Children who don't eat their words will be punished."

when he turned around, qin mu made a face at him. he happened to turn around and caught her childish behavior.

Qin Mu squeezed out a smile. you're mistaken. Forget it!

He grunted and slowly walked out with a mysterious smile on his face.

Qin Mu half-leaned and looked around. He then patted his forehead.

then, he looked down at his stomach. " look, you're the one who invited the wolf into the house! "

of course, the little one couldn't answer her. she leaned back, bit her lip, and sighed.

Chapter 2689: are you very happy being mischievous for a while?(2)

Gu ze was in the kitchen. He cooked her porridge and ate a little before cleaning up the kitchen.

the kitchen was very clean, but there were traces of fire.

He knew that she liked to eat steamed buns at home these few days. Speaking of which, Qin Mu was a very homely woman. He didn't know why Zhou chongguang went out all the time back then.

If it was him, he would be at home with her every day.

he just didn't know if she would give him this chance. he had thought that she would choose him after having this child. most women would be fragile and dependent at this time.

However, Qin Mu wasn't like that. Her reliance on him also seemed a little helpless.

...

Most of their interactions came from him forcing her. She had no choice but to do this because she did not want to fall out with him.

When it came to feelings, he really couldn't tell.

Gu ze smiled helplessly. He scooped the porridge and brought it to the master bedroom after it cooled down.

She stood at the door and was slightly stunned because Qin Mu had fallen asleep.

her head was tilted to the side, her long brown hair covering her small face, and the phone in her hand had slipped onto the blanket beside her.

gu ze gently walked over and placed the porridge on the bed.

He sat by the bed and gently lifted her long hair. Looking at her slightly pale face, his heart ached a little.

"mumu." He mumbled her name, his heart burning.

he had never thought that one day, he would be able to get so close to her.

Her heart softened, and the face that moved her heart was right in front of her.

Gu ze leaned over and murmured in a low voice, "Mumu."

He only dared to touch her for a moment before he left. He looked down at the phone in her hand. Just as he was about to take it away, he realized that it was a contact book.

And on the page that she was flipping through, there was Zhou chongguang.

no, it was not zhou chongguang, but yingluo's husband.

Gu ze looked at it for a long time, and his eyes were a little deep.

In the end, his gaze shifted to her face and he smiled faintly.

mumu, will there be a day when you will forget him?

'the husband's column has become me?'

he was conflicted, but he didn't blame her.

This was the difference between Gu ze and Gu Mei. Gu ze's love was for her.

if zhou chongguang had always been in her heart, if zhou chongguang could live well, he was willing to return her to him.

and this period of time was stolen.

gu ze thought about it and kissed her a little evilly. he might not have the chance to do so in the future.

Qin Mu woke up at this moment and realized that he was kissing her. His small face was a little red.

"You're awake?" gu ze smiled and said very naturally, "Your porridge is ready. Sit up and eat some."

“Oh,” Qin Mu replied. After he sat up, he picked up his phone and tapped a few times.

She knew that he had seen it, but she didn't say anything.

she was not with him, so there was no need to explain.

Qin MU's heart was a little vile.

gu ze looked at her and guessed what she was thinking, so he took the bowl. ” are you happy to be naughty for a while? ”

“that's right!” qin mu smiled until his eyes narrowed.

She looked at him again and at the spoon in his hand. I'll eat it myself.

“shouldn't you be comforting my broken heart?” gu ze's expression was very serious.

“Comfort? comfort what?” Qin Mu stuttered.

“You know,” Gu ze smiled.

He looked at the phone, and Qin Mu suddenly felt a little guilty. He bit his lip and explained, ” “It's from the past. I forgot to delete it.”

“now that you're explaining, does it mean that you have some sort of recognition for me? Hmm?”
Gu ze seemed to say it casually and then fed her a mouthful of porridge.

Qin Mu didn't notice and actually ate such a mouthful of dog food.

She was stunned for a moment and looked at Gu ze. I can eat it myself.

“i heard that pregnant women don’t have much mobility. they’re like babies who need someone to take care of them.” Gu ze said very calmly.

Qin Mu glared at him. who said that? why haven’t I heard of it before? ”

“Just now, didn’t I hear about it?” He smiled.

...

Qin Mu continued to glare at him. He fed her another mouthful of dog food and said slowly, ”
Mumu, before the child is born, let me take care of you, okay? ”

His expression was unbelievably gentle.”no one is more suitable for this role than me, yingluo. i
promise i won’t touch you until you’re willing, okay?”

Qin Mu looked at him in a daze.

To be honest, she didn’t hate him, but she always felt awkward.

“Let me think about it.” In the end, Qin Mu sighed slightly. also, don’t force me. Otherwise, I’ll run
away.

of course he knew, but it was already a good result that she was willing to think about it seriously.

from that day on, zhou chongguang finally moved into this apartment and became a regular
customer.

in the morning, he would come over to make breakfast for her. sometimes, he would make it
specially for her, and sometimes, he would bring it outside. qin mu was quite picky. sometimes, he
would drive for an hour to satisfy her appetite. after eating, he would drive her to the art gallery and
then pick her up in the afternoon to get off work together.

after attending to the pregnant woman, it was about ten o ‘clock. he didn’t have the good fortune to
stay in the apartment. that place belonged to qin chen. even if qin mu didn’t mind, he would feel
that it was inappropriate.

however, on rainy days, qin mu would take him in for a night on the sofa in the living room.

gu ze would feel especially warm and happy on such a night.

It was raining outside, but inside the apartment, the warm yellow light shone on her, making her feel very warm and comfortable.

he would be reading on the sofa and qin mu would call him if he had any requests.

He hid his happiness and didn't dare to let her know how ecstatic he was.

on such days, he had forgotten about zhou chongguang's existence and felt that qin mu was his woman.

she was very soft and gentle, satisfying all his imaginations.

just like now, he was wrapped in a blanket, leaning on the sofa, making himself a cup of coffee, dealing with work. he took care of her, and he had to work overtime at night.

qin mu got up to go to the washroom and came out to take a look. then, he smelled coffee.

she stared at the cup of coffee for more than three seconds. gu ze smiled."No, I can't. you can't drink it. "

"but i really want to drink." Qin Mu smiled and then pulled the thick bathrobe on his body tightly. He ran to the floor-to-ceiling window and looked at the rainy night outside.

Gu ze sat on the sofa and looked at her with a gentle gaze.

"How's Shui mu now?" she asked softly after a long time.

Shui mu had already returned to the country and was now being taken care of by Gu ze's parents.

“It’s good.” Gu ze smiled.

Qin MU’s fingers gently stroked the glass. Thinking of that child, he couldn’t help but think of Zhou chongguang.

“Gu ze, why don’t you take care of Shuimu yourself?” she asked softly.

gu ze got up and slowly walked to her side. he didn’t disturb her and only said, ” “I don’t know if you mind?”
