

Thank you 2691

Chapter 2691: he's a little impatient (1)

She turned her face away.

at that moment, her face was full of expressions.

she was shocked and a little helpless.

“Qin Mu, if you don't mind, I can take care of the three of you.” he said in a hoarse voice.

she understood what he meant and turned her head back to look at the dark night outside.

Gu ze, I don't hate Shui MU's existence at all. Never. She said softly, “you take care of him!” i can take care of myself.”

...

As soon as she finished speaking, her body was hugged from behind. Gu ze hugged her very gently. His large palm was placed on her lower abdomen as if he was afraid of hurting her.

the child was more than two months old, but her stomach was still flat.

” mumu, i'm more willing to take care of both of you. together. ” he rested his face on her shoulder. his voice was hoarse and had the unique seduction of a man.

she wanted to break free, but she didn't dare to use too much force for fear of hurting the child.

“don't move,” his thin lips touched her neck lightly and he said in a soft voice, ” “let me hug you for a while.”

qin mu's voice was low, 'let go of me, gu ze. if you continue like this, our agreement will be void.”

“Isn’t it normal for a man to hug his girlfriend?” His voice was even more hoarse. these days, I haven’t touched you. Mumu, you don’t see me as a man, do you? ”

“yes, i see you as a woman.” qin mu laughed dryly.

he glared at her side profile, not knowing what to do with her.

Then, as if he was taking revenge, he bit her earlobe hard. Qin Mu was in pain, but he bit it lightly and slowly. That was the way men treated women, not girls.

She knew that even if he didn’t possess her, he would still go overboard, so she started to push him away. “Gu ze, calm down. We’ve agreed on this.”

He gently turned her around and trapped her in his arms. He lowered his head and kissed the tip of her nose. “Let’s try, okay?” he said.

“i don’t want to try it with you!” Qin Mu turned his face away a little awkwardly.

however, he did not allow her to escape. his voice was seductive. “you don’t want to try it with me, or you can’t forget him?”

She turned her head and looked at him. “gu ze, you bastard!”

“I’m a bastard just because you mention him? Hmm?” do you think I can stay by your side only if I cook for you like a servant and serve you tea? “he asked in a gloomy voice.

“no one forced you to do this!” she pursed her lips.

His gaze became burning all of a sudden. His palm pinched her small chin, but he didn’t dare to use too much force. Qin Mu, tell me, right? ” In your heart, I’m just a servant?”

Qin MU’s face turned red from anger. She raised her head and looked at him.”I don’t know if you’re a servant or not, but if you continue to be like this, you’ll be a vile person.”

Gu ze's facial muscles trembled violently. After a while, he said in a low and hoarse voice, "Qin Mu, I'm sorry."

qin mu turned his face away uncomfortably. "gu ze, go find a woman. you probably have too much hormones. "

he didn't expect her to say that. he had endured this heartless woman for eight years. now, he just wanted a kiss, but she asked him to find someone else.

Gu ze was angry and amused at the same time. He no longer had any feelings of coercion. Right now, he only wanted to bite her hard to vent his hatred.

hence, he held her shoulder and lowered his head to bite her.

Chapter 2692: he's a little impatient (2)

Qin Mu bit his lip. Gu ze, don't be like this.

But how could she stop him?

So, she bit and kissed him again and again, slowly changing her tone.

Gu ze's voice was full of temptation. "Mumu, let's try. i'll just kiss you and not do anything else?"

qin mu sobered up a little and immediately turned his face to the side. "gu ze teased me that i'm pregnant. "

"you can kiss when you're pregnant." He knew that she was trying to avoid it, but he knew that he would not force her now. After all, he would still be her servant who cooked for her.

...

Qin Mu was gentle, but she knew how to act dumb. Her acting dumb often hurt people.

just as gu ze was about to kiss her, the apartment's door opened with a swish.

qin chen stood at the door of his house, looking travel-worn, and saw a wild man about to kiss his sister.

he knew this wild man, but qin mu was obviously unwilling to do so. was he trying to force himself on him?

Qin Mu placed his luggage aside and placed his hand in front of him. He looked like he was watching a good show. "Mr. Gu, you seem to be in a good mood. Does this place look like a crime scene?"

Gu ze was in quite a sorry state. He was in the most sorry state in his life. There was no other.

One must know that in terms of venomous tongue, few people who knew him could rival Qin Chen.

His current behavior made him seem like a shady person.

Fortunately, he had taken care of Qin Mu for so long and he was still too embarrassed to shed all pretenses of cordiality. He smiled."it's not that serious."

She looked at Gu ze. Qin Chen is back, so it's not convenient for you to stay here. The rain outside isn't too heavy, so be careful on the road.

gu ze's heart, which was originally a little cold, felt a little warm.

he looked at qin mu and knew what she meant by her words.

"you're not just my servant." qin mu smiled slightly. " she's someone i have to seriously consider. however, don't force me too much. i can't accept what wanwan did today. "

Gu ze only ruffled her long hair. I scared you.

“It’s not that bad, but I don’t like this.” Qin Mu said in a low voice. Then, he went over to take his coat and passed it to him.”put on your clothes, i’ll walk you to the door.”

gu ze’s gaze became gentler.

On the other hand, Qin Chen was bewildered. Was there really something going on between his little sister and Gu ze?

Looking at how the wolf was in love, it wasn’t forced?

If he hadn’t come back just now, would they have done that?

however, qin chen was an open-minded person and wouldn’t meddle in other people’s business.

He only watched Gu ze and Qin Mu go out together and went to the bathroom to take a shower.

in front of the elevator, qin mu and gu ze were standing side by side.

Gu ze’s fingers ran through his hair. sorry.

“no need,” Qin Mu hugged his own body and looked at the numbers on the elevator. He said again, ” “drive slowly when you get back.”

He lowered his head and looked at her small face. you care about me? ”

“the child’s father.” qin mu smiled as he said this, his little hand poking his heart. ” “there will be one more time. no, there won’t be a next time.”

Gu ze grabbed her little hand and said in a hoarse voice, ” ” what is this? is this a comfort? ”

“Well, I guess so!” She admitted it, then tiptoed and kissed him on the lips. After a second, she left.”wouldn’t you feel a little more confident this way?”

“Is there one every day?” he asked greedily.

“Depends on my mood!” Qin Mu laughed.

Then, she restrained her expression and said in a low voice,””gu ze, i don’t have a heart of stone, but i need time. when the child is born, i’ll probably make a decision. Is that good?”

He looked at her and lowered his voice.”i will wait, and i’m sorry for today!”

Chapter 2693: qin mu, are you sure the child is gu ze’s?

qin mu smiled and didn’t say anything.

the elevator arrived at this moment. gu ze didn’t go in immediately. instead, he looked at qin mu. ” i’m leaving. ”

qin mu hummed in agreement. ” good night. ”

she was so soft there, and he was a little reluctant to leave for a moment.

finally, he stepped forward and gave her a gentle hug.

qin mu didn’t dodge.

...

“I’ll bring you to my place tomorrow,” Gu ze mumbled.

It was too inconvenient to stay here.

qin mu didn't reject her and just smiled. "qin chen just came back, i want to talk to him more."

gu ze was a little melancholic, but he still let her have her way.

Qin Mu watched him enter the elevator and then walked back.

Qin Chen had already taken a shower and changed into a new set of clothes. He poured himself a glass of red wine and held it as he watched Qin Mu walk in.

"a new man?" Qin Chen's eyes were filled with a smile.

Qin Mu glanced at her. what do you mean by exchange? "

she lowered her head and looked at her lower abdomen, her voice soft."I'm pregnant. The child's father is Gu ze."

qin chen elegantly took a sip of wine and smiled meaningfully. "i didn't know you were so submissive to god. the child is gu ze's? Then you two really hit it off."

qin mu glared at him, but he couldn't stop him from talking.

"Are you done thinking?" qin chen smiled faintly. "i can guarantee that gu ze will never cheat on you. even if you want a divorce, you won't be able to find a reason. "

"qin chen, what are you trying to say?" qin mu frowned.

Qin Chen laughed lightly, very unrestrained. I'm saying, what if one day, you want to be with that Zhou chongguang again? Gu ze is like sticky candy, and you can't get rid of him no matter what. What are you going to do? "

qin mu looked at him. "that's impossible. "

she sat on the sofa and wrapped herself in a blanket. "qin chen, it's all in the past. now that i'm pregnant, it's even more impossible. "

Perhaps this child's appearance foretold their impossibility.

Qin Mu was a little dazed as he looked ahead in a daze.

Qin Chen went to the kitchen to make her a cup of milk and placed it in front of her. He took the wine glass himself and smiled. anything is possible. Did you ever think about being with Gu ze? ”

Qin Mu frowned again. I'm not with him yet.

“You're already pregnant, yet you're saying that you're not together?” “don't tell me you haven't had a deep understanding of it.” qin chen smiled.

The words 'deep understanding' still made Qin MU's face blush slightly.

“i don't remember.” she sighed softly and told him about gu mei's incident.

Qin Chen's expression was exaggerated.

He held the wine, looked at Qin Mu, and smiled. you didn't even feel it, and you're so sure that this child is Gu ze's? and not just any random person?”

qin mu flipped his hair uncomfortably. ” ‘when i woke up, i was hugging gu ze. mmm.’

“i'm not wearing any clothes,” she said with great difficulty.

qin chen couldn't help but laugh,”do you feel anything?” you didn't know when you did it, did you?”

qin mu swallowed his saliva. ” “Should I be clinging to Gu ze now?”

if he said that the child was his, it was better than being an unknown passerby!

“It doesn’t matter whose child it is. What’s important is who you like.” Qin Chen smiled.

Qin Chen shut his mouth after he finished speaking because he felt that he had already said the right thing. As for whether he would listen or not, it was up to his sister.

Chapter 2694: qin mu, are you sure the child is gu ze’s?(2)

as expected, qin mu was a little dazed. he then looked at qin chen.”it’s better if you, yueyue, don’t come back.”

“I’m sorry, but I have half a year of leave.” Qin Chen smiled.

“is it so easy to take leave from United States?” Qin Mu clenched his fists in anger.

Qin Chen’s smile deepened,”because the laboratory is my own.” I can take as long as I want.”

Qin Mu couldn’t continue the conversation with him. Xuanji gallery was hers, so why did she have to work like a horse and even go to work when she was pregnant?

Qin Chen probably saw through her thoughts and smiled. “when you can learn to be a rascal like xue ‘er and act coquettishly, you can be free.”

...

she then said coldly,”isn’t gu ze pursuing you?” why don’t you use such a good resource?”

“Qin Chen, I’ve actually considered him seriously,” Qin Mu said softly, his head hanging low.

“it’s good that you’re serious,” “i’m just afraid that you won’t be serious,” qin chen laughed.

she got up. ” it’s getting late. sleep early. i’ll take you to the gallery tomorrow. ”

qin mu hummed in agreement.

Qin Chen's return indeed made her feel relieved.

She was seriously considering Gu ze, but if the two of them were together for too long, she was afraid that her choice would be to make do with it, and it would become a kind of favor.

Qin Mu didn't sleep well that night.

She would always remember what Qin Chen said-

You did it with Gu ze. Do you feel anything? are you sure that the child's father is Gu ze?

In fact, she was very sure at first, but after hearing Qin Chen's words, she wasn't so sure anymore.

Perhaps she should do an amniocentesis when she was four months pregnant to confirm the DNA.

Although Qin Chen said that it didn't matter who the child belonged to, Qin Mu wasn't someone who wanted to live his life in a daze. If the child was Gu ze's, it would naturally be the same as now. If not, she wouldn't consider Gu ze.

The reason was that he had lied.

She didn't sleep well the entire night. In the morning, she got up with dark circles under her eyes to brush her teeth and wash her face.

when she changed her clothes and walked out, qin chen had already prepared breakfast.

qin chen's preferences were extremely exquisite, and even his breakfast was made like a piece of art. qin mu ate the dish and suspected that it was cut by qin chen's scalpel.

however, she didn't say anything. otherwise, how could she have found such a precious nanny?

qin chen had the habit of drinking coffee early in the morning. he held a mug in his beautiful hands and sipped his coffee lightly.

There was a financial newspaper in her hand.

Following that, he laughed. Rongguang, has he been taken over by Zhao Ziyi? he's always the one handling all the big and small matters. Has Zhou chongguang become a monk? ”

Qin Mu almost spat out the milk in his mouth.

she looked at qin chen with a hint of resentment in her eyes.

after that, she took the newspaper and read the words on the square clearly. she was also a little stunned.

it seemed that she had not heard from zhou chongguang for a long time, too.

Did something happen to Yingluo?

Qin Chen waved two fingers in front of her, and his voice had a hint of a smile. last night, someone said that she was seriously considering Gu ze. Now, she's worried about her ex-husband again, huh? ”

Qin Mu pursed his lips. I'm Wanwan, Qin Chen. I'm a little worried.

when he left that day, he didn't look too good. he had given up on shuimu and her. did he give up on rongguang too?

Qin Chen received her gaze and smiled. why are you looking at me? look at the man who gave up on the world. He has given up on himself too!

Chapter 2695: Zhou chongguang has disappeared (1)

qin mu was stunned.

Qin Chen smiled. but if you don't care about him at all, then it doesn't matter. Just let him live and die!

qin mu's lips moved slightly.

Qin Chen's lips curled up as he looked at her indifferently.

after a long time, qin mu finally said in a low voice, "qin chen, i want to go and take a look."

"alright," he said. Qin Chen smiled and suddenly asked, "Do you know where he is?"

...

"in the villa we used to live in, ran ran." qin mu pursed his lips.

"It seems like we understand each other quite well." qin chen laughed lightly, then looked at her. "Do you know why I came back?"

Qin Chen got up, took his laptop, and opened a database in front of her. "I found this."

After he finished speaking, he passed the information to Qin Mu.

She believed that Qin Mu would be able to take it.

She was a mother now, and nothing could suppress her.

however, she didn't expect that qin mu's tears would fall when he saw the information.

unexpectedly, it fell drop by drop.

Qin Chen was also a little sad. He took a tissue and wiped Qin MU's tears. "don't cry, if you want to go, then go."

qin mu looked at qin chen.

“I’ll send you there,” Qin Chen smiled.

Qin Mu was stunned for a while and suddenly said, ” “did you come back because of zhou chongguang?”

“yeah, you idiot.” qin chen knocked on her head. ” there’s an idiot who’s being taken care of. what do i have to worry about? at most, i’m just worried about marrying someone else with my ex-husband’s child. ”

Qin Mu was stunned.

” you’re not stupid. you’re just refusing to accept the truth. you’d rather do it for gu ze, right? ” qin chen smiled. ” so, there were so many flaws in your plan. you still easily believed gu ze’s words to provoke qin mu. you’ve been hypnotizing yourself. ”

“Bring me to him.” Qin Mu closed his eyes.

qin chen stood up and held her hand as they walked out.

In the car, he handed her the tissue box. cry if you want to. It’s normal for pregnant women to cry.

qin mu’s gaze was slightly red. then, he turned his face to the other side a little awkwardly.”i’m not in a hurry,”

although she said that she wasn’t in a hurry, she started to cry. ” qin chen, you must have a way to save him, right? ”

qin chen started the car and said, ” Qin Mu, I’ve checked. Zhou chongguang didn’t apply for a liver donor from the world hospital organization. That’s why I said that he gave up on himself.

qin mu was still in a daze. her fingernails dug deep into her flesh.

last night, she was still thinking about gu ze. now, she was willing to sacrifice herself for zhou chongguang?

However, she knew that her instinctive reaction was what her heart desired.

she even suspected that even if this child was gu ze's, her final choice might not be gu ze.

if something really happened to zhou chongguang.

she pursed her lips tightly and did not make a sound.

she thought of the day when zhou chongguang left. he must have known about it long ago.

Or did he just find out?

also, he was the one who saved shui mu that day.

the scene from that day appeared in her mind ...

actually, qin chen was right. she had been avoiding it. she subconsciously knew that it was zhou chongguang that day, but she deliberately ignored yingluo.

she made herself think that it was gu ze.

“qin chen, i think i'm too weak.” She bit her fist, her voice choked.

Chapter 2696: Zhou chongguang has disappeared (2)

Qin Chen smiled. this is a normal reaction. You don't have to blame yourself. Qin Mu, I've already applied for a liver donor. It might not be available soon, but if I apply now, the chances will be much higher.”

Qin Mu hummed in agreement.

When Qin Chen's sports car drove towards the villa, Zhao Ziyi was also looking for Zhou chongguang.

Zhou chongguang had disappeared.

just last night, he had left the villa with only a small suitcase. the guard said that he would be away for a few days.

However, Qin Mu knew that it wouldn't just be a few days.

...

He must have left.

perhaps, she had left b city, or perhaps she had gone abroad.

I checked his immigration status. He didn't leave the country. Zhao Ziyi let out a low sigh and took out his phone to call non-stop, asking someone to look for Zhou chongguang.

the last call was to blue universe's phone. blue universe ran a hotel, so maybe they could find some clues.

When Qin Chen heard Lan Yu's voice, his expression relaxed slightly, but he quickly returned to normal.

Zhao Ziyi looked around, but there were no clues. He let out a long breath,"I'll go out and look for it again. I'll see if his mother's house has it."

"wait a moment." qin mu called out to him, then asked softly, "His car. Is there still a hospital?"

She remembered that there was a pool of blood on the ground in the hospital that day. Zhou chongguang's car was also in the parking lot. It had been so many days. Was it still there?

If it wasn't there, did he drive it away?

"I'll go take a look immediately." Zhao Ziyi's thin lips were tightly pursed.

"I'll go too," Qin Mu immediately said.

Qin Chen opened the car door for her.

In less than an hour, they were standing in the parking lot of the city hospital.

Zhou Chongguang's car was no longer there. A white BMW was parked there.

However, Qin Mu's gaze landed on the corner of the concrete floor. There was a small pool of blood.

She slowly squatted down and touched it with her hand. It was still wet.

"He just left." Her voice was a little tight.

"I'll go check the surveillance cameras," Zhao Ziyi immediately walked towards the building.

Qin Mu stood there, looking around at Yingying.

She wanted to find him. Maybe he hadn't left yet, or maybe he wasn't feeling well and had stopped at the intersection.

However, after searching inside and out, there was no sign of that car.

Zhao Ziyi had also checked the surveillance footage. In the end, he saw that Zhou Chongguang's car had left ten minutes ago, which was why the blood on the ground had not dried up.

Qin Mu stood in the parking lot and mumbled, "Why did he leave?"

Why did he leave?

“i called qin chen that day, he might have heard it,” zhao ziyi said softly.

“You were too careless.” Qin Chen shrugged.

“he doesn’t want to see me that much?” qin mu lowered his head.

She placed her hand on her lower abdomen and asked softly, ” “zhao ziyi, is my child zhou chongguang’s?”

Zhao Ziyi pursed his lips, looked at Qin Chen in a daze, and then his eyes fell on Lan Yu, who was rushing over.

Qin Chen was a little confused. Why did he ask this fool to come?

what can a person in a vegetative state do?

Lan Yu closed the car door, his gaze falling on Qin Chen’s face as he said to Zhao Ziyi, ” “i’ve checked all the hotel records, but there’s no information on zhou chongguang’s stay. of course, i’ll get someone to keep an eye on him.”

Zhao Ziyi nodded, ” thank you.

As he spoke, he looked at Qin Mu and said with a bitter voice, ” “then, whose child do you want this child to be?”

Qin Mu was stunned for a moment.

who did she want it to be?

At this moment, she actually wished that it was Zhou chongguang who was teasing her.

Chapter 2697: zhou chongguang disappeared (3)

she was unable to answer zhao ziyi's question, at least for now.

If she had to answer, she would rather say it in front of Zhou chongguang.

in fact, qin chen was right. it didn't matter who the child was. what was important was who she loved.

Please forgive her selfishness. If Zhou chongguang was fine, she would really let it go.

But now that he was like this, she couldn't let him go no matter what.

qin mu suddenly laughed. she cried and laughed. she shouted to her surroundings, "where are you, zhou chongguang?"

...

Where are you?

Why was he hiding?

Qin Chen said that you gave up on yourself, but I don't believe it. I don't believe that you're so great. You've always been so selfish.

zhou chongguang, come out!

i promise i won't cry for you. i'll only give you a slap.

qin mu cried. he cried so much that he couldn't control himself.

but she couldn't do anything about it. she still cried, but she wouldn't cry in front of him. she definitely wouldn't.

She would really give him a slap if he dared to appear.

However, he didn't appear even after she called him for so long and cried for so long, Hanhan.

Qin Chen came over and patted her shoulder, his voice gentle. "don't cry. he's not here, so he won't hear you even if you cry. why don't you save your strength and give him two tight slaps when you see him?"

qin mu rested his head on his shoulder and bit his lip. "Qin Chen, where do you think he's going?"

"he should be staying in B city. he won't bear to leave." Qin Chen said with certainty.

how could he bear to leave when qin mu was pregnant?

no matter who the child belonged to in name, zhou chongguang should know that the child was his, so he had to see the child be born.

this was qin chen's deduction. if it wasn't zhou chongguang's, she would have written her name backwards.

just think about it, if the child wasn't zhou chongguang's, he didn't have to run away. if he was sick, he could just treat it, right?

he was just feeling guilty.

When he had sex with Qin Mu, Gu Mei was still alive. It was morally wrong of him to do so. Even if he was forced to do so, it was possible. He was more concerned about Qin Mu and was afraid that Qin Mu would not be able to get over it.

He put his arm around Qin Mu and slowly walked to the car they came from.

lan yu called out to him and laughed lightly, ” “I’ll let you know if there’s any news,”

qin chen glanced at him. ” you can just tell zhao ziyi. ”

“I don’t have anything in common with him,” Lan Yu said with a gentle smile.

“i’m sorry, we don’t have anything in common.” Qin Mu rolled his eyes at him and then got into the car.

Before he could close the car door, Lan Yu pulled on the door and looked at him with a burning gaze.

lan yu’s voice was low. ” when you called me a vegetable, you didn’t feel that we didn’t have a common language. dr. qin, or do you like to communicate with people in a vegetable? ”

In that case, he didn’t mind Xuanji and Lan Yu, who were in a vegetative state, having a bad thought in their hearts.

qin chen pursed his lips and glared at lan yu.

she had seen how mean he was, so she sneered and closed the door without saying anything.

Lan Yu cried out in pain as his hand was pressed down.

Qin Chen opened the door again and smiled at him. “If you want to be in a vegetative state, stand in front of the car and I’ll fulfill your wish immediately.”

lan yu’s face darkened. although he knew that qin chen had a venomous tongue, he could still be angered to new heights every time.

He took a step back and Qin Chen drove the car away, leaving him with the exhaust.

Chapter 2698: Zhou chongguang has disappeared (4)

zhao ziyi walked over and looked at lan yu. ” you just said that we don’t have anything in common?
”

Lan Yu patted the creases on his body and looked over. “Do you think so?”

Zhao Ziyi nodded his head. actually, I think so too. Think about it, I like women, and you like men. Tell me, our sexual orientations are all different, so how could there be a common language? ”

This time, Lan Yu’s face was completely black, and he was especially annoyed.

He was clearly here to help, so why was the whole world filled with malice towards him?

rubbing his nose, he got into his own car and left, followed by zhao ziyi who also left xuanji.

...

The cars drove away one after another, and the parking lot became quiet again.

after about a minute, a man in a black trench coat walked out from a dark corridor. he looked at the entrance of the parking lot quietly with a pained expression.

He knew that Qin Mu knew the truth.

however, he could not face her.

he stood there for a long time and smoked two cigarettes. then, he walked out of the hospital with a small duffel bag.

He went to a small alms room, which did not require an identity card, but the conditions there were a little worse.

A woman in her forties led him into the dark corridor. The stairs creaked when they stepped on them just now. If he didn’t come himself, Zhou chongguang wouldn’t have known that B city had such a place.

the woman stopped at the door of a room and opened it for him. in an instant, a moldy smell came from the inside.

zhou chongguang frowned, but he still walked in.

The wooden floor creaked as they walked. There were still one or two pieces of it that were empty. There was a big hole there, and it looked old and shabby.

The woman said apologetically, " I'll make up for it with a brick later. Mr. Zhou, this is the best room left. It's 200 yuan a night. If you've made your decision, you can pay the deposit.

Zhou chongguang took out about 10000 Yuan from his wallet and gave it to her. I'll be staying here for a month, and I'll provide three meals. it's fine if it's simple."

The woman's wrinkled face suddenly relaxed. Then, she smiled. Mr. Zhou, you're so generous. thank you so much."

"Also, I like peace and quiet. Other than bringing food over, don't disturb me, and don't stuff any small advertisements in." as zhou chongguang spoke, he coughed violently a few times.

Those few hits made the woman's heart ache. Mr. Zhou, I don't know how to! You don't look very well, and you're still recuperating. How can you get some messy women? it'll be bad if you don't torment yourself, Yingluo."

The more the woman spoke, the more excited she became. Zhou chongguang was a little annoyed, and he waved his hand."Let's go down,"

the woman's face froze.

Oh my God, Mr. Zhou is so good. Just now, he had the aura of a CEO.

"Mr. Zhou, you were an actor before, right? you acted as a president before?" the woman laughed. why would the president stay in her shabby house? even 100 yuan a day was too much for this

house. the location was very good, but there was no sunlight all day long. there was only a bed and a table in the house, which was about ten square meters.

Mr. Zhou was quite generous, and the clothes he was wearing looked very expensive. How could he be someone who lived here?

However, it was fine if she stayed. She would go back and count the money.

The woman walked away, swaying her hips. She turned around and threw a flirtatious look at him. Mr. Zhou, bring your food over in two hours. Don't go away, I'll bring it over personally.

zhou chongguang was caught off guard by her gaze and coughed lightly. ” “Alright, let's go.”

Chapter 2699: He was so close to her (1)

The woman closed the door and muttered to herself, ” he's really good-looking. It's just that he doesn't look very well.

she raised the money in her hand and looked at it one by one, her expression especially happy.

and zhou chongguang, who was inside the door, slowly pushed open the window of the room. actually, it was only a small two-grid window, only the size of two laptops.

when the window was opened, dust blew in his face. zhou chongguang choked and coughed violently again.

after the pain was over, he looked up at the skyscraper in front of him.

that was the apartment where qin mu lived.

...

qin mu lived on the top floor of that building.

when night fell, the lights there would illuminate the entire night.

zhou chongguang started to smile.

the wind from outside the window blew in with waves of heat. only then did he realize that this hotel was really simple and crude. it didn't even have an air conditioner.

however, he didn't care too much. even if such a place was renovated, it probably wouldn't be much more comfortable. if he could stay for a day, he would.

against the wind, he lit a cigarette and continued to look at the building.

now, was mumu very sad?

she would still be sad for him.

This fool is not worth it.

he had lied to her so many times and hurt her so many times.

clearly, her happiness was right in front of her. if she was smart, she would be with gu ze. gu ze could give her everything a woman could have.

wealth, a handsome and healthy husband, loyalty, and children.

Why was Yueyue so silly to look for him?

even if they found the source of his liver, they could not rule out the possibility of survival. if there was rejection, she would still be sad in the end. it was better to be selfish and let her be with gu ze.

zhou chongguang slowly smoked his cigarette, and after a while, he started coughing.

however, after he finished coughing, he continued to smoke. however, on the window sill, he saw that there were bloodstains on the dust.

he was stunned for a moment, and then he smiled in relief.

At this point, there was no difference between good and bad.

after he finished smoking, he went to pack his luggage. however, when he took out the shirt, he realized that there was no wardrobe for him to hang his clothes in. he had no choice but to stuff the shirt back into his luggage.

he lit a cigarette and held it between his fingers. he took the keys left by the landlady and went out to buy some daily necessities at a grocery store in the alley.

it was zhou chongguang's first time buying these things, so he couldn't help but ask. the young woman who was selling things had looked at him eight to ten times. her face was red, and she spoke in a coquettish voice. zhou chongguang slowly realized this and really wanted to ask her if she was sick.

with a cigarette between his fingers and a pile of cheap goods in his hands, he slowly walked towards alms.

the landlady stood at the door and watched. she turned her head and smiled."mr. zhou, do you want to hang up your clothes? i'll ask my husband to pull a strong rope for you. there's a small bathroom in your room, and it's quite convenient. this kind of suite is very reasonable in our area."

Zhou chongguang smoked his cigarette and looked at her faintly, making the landlady's heart burst with joy.

shaking his body, he gave the young woman at the entrance of the alley one last look to show off his strength.

Now, the more she looked at this Zhou guy, the more she felt that he was magnanimous. He probably used to be very capable, but now he was down and out.

however, there's a saying that a starving camel is bigger than a horse.

Chapter 2700: He was so close to her (part two)

however, there was a saying that a skinny camel was still bigger than a horse. just look at that imposing manner of throwing out 10000 yuan, which was a thousand times more powerful than her dead ghost. also, with that face, he really could have food to eat no matter where he was.

it was just that her body had become a little thinner.

A green light appeared in the landlord's eyes.

a man like this would become a ferocious beast after some nourishment, yingluo.

as she thought of this, she combed her hair and personally put on the wire. she was even wearing a cheongsam that was similar to that of the female lead, but her waist was twice as thick.

he shook his body up and knocked on zhou chongguang's door. " mr. zhou, let me help you install the rope. "

...

Zhou chongguang looked at her. isn't it your husband who's acting? "

"he's not here, so i'm afraid you'll be in a hurry to get it!" the last three words were said in a particularly enchanting and picky tone.

Zhou chongguang was stunned again. He looked at her and silently took the tools from her hands, " i'll do it myself,"

"how can you do it yourself?" the landlord's eyes were like silk, and her breath seemed to have stopped."i'll do yingluo, yingluo."

she learned from the women in the movies, throwing flirtatious looks, and wanted to have an impromptu one-night stand with the tenant.

if her body was not in good condition, she could slowly make up for it. today, she just wanted to roll around with such a good-looking man.

besides, mr. zhou probably needed the comfort of a gentle woman like her.

Hence, it was the landlord's one-sided wish. Zhou chongguang retreated again and again. I'll do it myself!

" i'll help you with the rustling. " the landlord did not give up.

at that moment, heavy footsteps came from the stairs, and a man in his fifties appeared. he looked like a coolie outside. he looked at the landlord and said, " "ah xiang, what do you want to do for this kid?"

the landlady's pretty boy face had turned red just a moment ago, but now it was completely black.

she held her newly combed hair and said, " "Killjoy."

then, she turned around and smiled at her husband. " "to get a laundry rope."

as she spoke, she swayed her body and went downstairs.

The man came over and looked at the things in Zhou chongguang's hands. He smiled and said, " "This woman is just talkative, please don't mind her. What kind of work do you want me to do?"

zhou chongguang actually didn't really know how to do such things. he was forced by that woman before, so he smiled. "a laundry rope."

the man nodded and walked in. he took the things from his hands and started working quickly. as he worked, he said, " "Actually, I know my woman's problem. She likes good-looking men, but I'm not worried."

Zhou chongguang, on the other hand, felt that the man was straightforward, so he stood by the side and passed a cigarette over.

The man lowered his head and took a puff. He held it with one hand and looked at it. "good cigarette. it's not cheap, right?"

Zhou chongguang laughed. no matter how expensive it is, it's still for drawing.

the man smiled. " that's true. "

then, he continued the previous topic and said, " " i understand my woman's problem. don't judge her by her looks. she's not a simple-minded person. she's smooth and slick. she always thinks that she's a beauty and gets dazzled by good-looking men. what i'm not worried about is that with her looks, there probably aren't any good-looking men that can catch her eye. so, i'll just let her be. "

After he said this, even Zhou chongguang could not help but laugh.

this couple was quite interesting.
