

Thank you 2701

Chapter 2701: If you're a man, get the hell out from his narrowed eyes (1)

zhou chongguang could not help but think that if he and qin mu were such an ordinary couple, they would not have been separated back then.

If he was like this man and used his strength to eat, Gu Mei would not have been so infatuated with Yingluo.

However, would Qin Mu like him again?

he shook his head and smiled. he smiled at himself.

the man was very efficient in doing this and finished it very quickly. he even helped him to make a horizontal strip in the small bathroom that could only fit one person to hang a towel or something.

The man finished smoking the cigarette that Zhou chongguang had given him. He smiled, "If you have any problems, just look for me. It's the same if you look for my woman."

...

"I'm 100% confident in you," he added.

Zhou chongguang laughed, "you don't mind?" mhmm mhmm mhmm "

there were still some things that were not convenient to say.

The man was covered in sweat and exuded the smell of hormones. He smiled. we've been married for a long time. This is actually Yingluo's hobby, so let her be. As long as she's happy, it's fine.

after that, he went downstairs, probably to look for her woman.

Zhou chongguang heard him say, "as long as she's happy."

He actually felt that this sentence was very philosophical.

He bent down and opened his luggage. He hung up his shirt and pants one by one and placed them in a small corner.

after she was done, she actually felt that it was pretty good. it looked neat and had the feeling of a small home.

he rubbed his chin with his thumb and smiled. " he actually felt that this place was like home.

zhou chongguang, is this your final destination?

he stood by the window and looked outside for a long time.

after smoking about two cigarettes, he stopped when he was really coughing.

He took out his phone from his pocket and turned it on.

one message after another came in, one ring after another. the phone was vibrating so much that it was about to explode.

most of the calls were from zhao ziyi, and there were a few unfamiliar ones. however, what made his eyes linger was qin mu's number.

she called him three times in total.

He knew her very well, and this was her little pride.

He more or less knew Qin MU's personality. If he didn't pick up when she looked for him, she definitely wouldn't keep calling.

she wasn't someone who would force things.

was she going to give up later?

zhou chongguang stood there and looked at the night sky slowly descending outside.

the lights of the city slowly lit up, illuminating every corner of the city, but not the place where he was now.

The place where he stood was like a mayfly abandoned by the city.

it was said that the place would be demolished in half a year.

at that time, he didn't know if yingluo was still around.

Zhou chongguang laughed lightly, and his liver felt a burst of pain.

he turned around and took out a painkiller from his suitcase. he wanted to drink some water, but he realized that it wasn't here.

Frowning, she was about to go down and buy some bottled water when the landlady walked over, swaying her thick waist. She posed at the door in a youthful style. Mr. Zhou, it's time to eat.

zhou chongguang took the yingying fast food from her hands. it looked like it was the kind that cost 20 yuan per serving.

"buy me a few bottles of water," he said as he passed her 200 yuan.

With money, the landlady was easy to talk to, but she was very smart. After thinking about it, she smiled and said, " " i'll get you some hot water and a cup. it's healthy. it's not good to always drink cold water. "

Zhou chongguang didn't have much of an opinion. He was now willing to make do with anything.

After the woman took the money, she quickly left Xuxu.

Chapter 2702: If you're a man, get the hell out from his narrowed eyes (2)

zhou chongguang took the lunchbox over and sat at the table. he opened the lunchbox, then opened the hot bag, took a sip, and ate the medicine.

although he didn't have the appetite to eat such a meal, he still forced himself to eat half of it.

after she finished eating, she sat by the bed and smoked a cigarette silently.

it was very simple here. he had to sit on the bed to eat. there was no television or entertainment. he could not find anything else to do except smoke.

when the landlady came in and saw zhou chongguang smoking, she didn't say anything at first, but after she helped him boil the water, she couldn't help but frown. " " mr. zhou, you don't look very well. you should smoke less! "

zhou chongguang's long and narrow eyes looked askance at her, and he flicked the cigarette butt away, not saying anything.

...

The landlady felt that the way he smoked was very poetic. He was probably going to be a Big Shot in the future.

She didn't feel like a pretty boy anymore.

she hesitated and slowly did not dare to have any more improper thoughts about zhou chongguang
...

he squinted. it was strange. some people didn't need to say anything, and they had that kind of aura that made people unconsciously lower their heads to tease them.

before the landlady left, she added, ” “Don't smoke so much. I'm not good at firefighting here.”

Zhou chongguang sneaked over, and the woman immediately closed the door.

After she left, Zhou chongguang felt that the world had become a little more peaceful.

He lay down on the bed. The old cotton sheets were very uncomfortable, but he still made do with it.

under the moonlight, he looked at the high-class apartment not far away.

Just like that, he could be considered to have been guarding her.

just then, his phone rang again.

his gaze was still fixed on the night sky outside. he clenched his phone tightly and did not move for a long time.

after a long time, he picked up his phone and saw that it was zhao ziyi.

He thought for a moment and picked up the call.

“Zhou chongguang, where are you?” Zhao Ziyi asked directly.

before he could answer, he spoke again, ” “You didn't sleep under the bridge did you?”

Zhou chongguang laughed hoarsely. of course not. I'm drinking red wine and listening to music now. It's not bad.

“You’re lying!” Zhao Ziyi’s voice was quite serious,”Qin Mu knew the truth. the one who had sex with her that day was you.” Chongguang, you’re a man now, so stop being so pretentious. come out if you have the guts. at most, the woman doesn’t want you.”

“Ziyi, Gu Ze is more suitable for her,” Zhou Chongguang said in a hoarse voice.

“you and your mother. if Gu Ze was suitable for her, why didn’t you get a divorce? what’s more, Gu Ze didn’t make her pregnant. what right do you have to let Gu Ze be her father?” Zhao Ziyi’s words were like pouring bamboo.

Zhou Chongguang laughed bitterly. Gu Ze loves her. He won’t be calculative.

“Qin Mu loves you too. What if she doesn’t mind?” Zhao Ziyi’s voice softened,”do you know how miserably she cried today?” think about it, she’s pregnant and has to worry about you. if you’re a man, get out here. whether you’re dead or alive, Qin Chen is still here, isn’t he? He can even save your son, but he can’t save you?”

“Ziyi, I deserve this.” Zhou Chongguang let out a long sigh.

Zhao Ziyi sneered,”then all the more you should live on. a disaster lasts for a thousand years, right? you’ve only lived for thirty years.”

when Zhou Chongguang heard this, he almost choked on yingying.

Zhao Ziyi listened to his voice and no longer had the mood to joke. he seriously said, Chongguang, I’m worried about you. Come back, I’m worried about you.

Chapter 2703: if you’re a man, get the hell out if you can’t even squint (3)

Zhou Chongguang smiled and did not say anything.

He looked at the lights of the apartment outside the window and felt a little conflicted.

It wasn’t that he wasn’t tempted by Zhao Ziyi’s words, but so what if he was? he still didn’t have absolute confidence in tomorrow.

He was so annoyed that he wanted to smoke, but after he lit the cigarette, he backed off.

What if he could survive?

As he thought about it, his eyes focused on the cigarette butt and he hesitated.

...

that little bit of red was very much like the blood he had coughed out before. it was like a demon that entangled his vision.

but in the end, he still put down the cigarette and threw it on the ground to step on it.

it was a sleepless night. other than the heat, there were also the mosquitoes that were everywhere.

The environment was so bad that even someone like Zhou chongguang, who was unafraid of death, found it unbearable.

he couldn't fall asleep, so he lay down and opened qin mu's photo on his phone. he looked at it for the whole night, and it seemed that the long night wasn't so hard to endure anymore.

at dawn, he finally couldn't stand it anymore and took a short nap. when he woke up, it was already eight in the morning.

When he opened his eyes, the room was dark, with only a ray of sunlight shining through the window.

He got up and walked over. He smelled the smell of dust. It was still early in the morning, but there was already a heat wave blowing in his face.

He thought that maybe he should go to the grocery store and buy a small fan. Otherwise, he wouldn't be able to live.

He looked up and saw a blue sky. Only this place seemed to have been forgotten in the corner of the world, quiet and broken.

Just then, someone knocked on the door, and the landlady's voice came from outside. "mr. zhou, it's time for breakfast,"

zhou chongguang walked over to open the door, took the bag from her hands, and said calmly, "thank you," he said.

then, he closed the door.

The landlady was disappointed for a while, and she wanted to say a few more words ...

she wanted to tell him that she had just received news this morning that this place would be facing demolition soon. if he stayed here for less than a month, she would refund the money.

however, this man was so cold. she would not refund the money, definitely not.

inside, zhou chongguang opened the bag and ate a bun and drank a bag of soy milk. there was still one bun left.

after sitting for a while, he walked outside. the landlady saw him coming down from downstairs. although she was angry, she couldn't help but ask when she saw his good-looking face, "where are we going?"

"i'm going to buy a fan." zhou chongguang said calmly.

The landlady's face stiffened. How could she not know what kind of conditions she had here?

"how can i let mr. zhou buy this?" she licked her face and smiled.

Hence, Zhou chongguang stopped.

The woman looked at him.

he looked at the woman.

no one made a sound.

After a long time, the landlady squeezed out a stiff smile. didn't you say you were going to buy a fan? Also, be careful, you can't touch the little girl at the grocery store at the intersection. Whoever touches her body will be finished and won't be able to come down."

the landlady said it with a bitter taste in her mouth. zhou chongguang smiled and left without saying anything.

And the woman stood at the door and looked from afar. When she saw that Zhou chongguang had returned very quickly, she held her forehead with her hand and smiled-

Is that so, Mr. Zhou is such a worldly person, how could he take a fancy to the flower at the village entrance?

When Zhou chongguang walked closer, she smiled sincerely. Mr. Zhou, why don't I help you adjust the fan? "

"i can do it myself." Zhou chongguang said calmly.

Chapter 2704: Zhou chongguang, is that you?(1)

the woman was not interested. after a while, she sighed."Forget it, forget it, Yingluo."

zhou chongguang smiled and went upstairs.

In a place like this, one day at a time was one day. He only wanted to live a peaceful life.

However, he was not at ease. it wasn't easy because she was worried about qin mu. she was afraid that she would be worried and sad.

After Zhou chongguang fiddled with the fan, he could not help but look up at the building outside.

After some thought, he decided to go out for a walk.

...

Perhaps, he could see her Yingluo from afar.

when he went downstairs again, the landlady was a little surprised. she wanted to throw him a wink again, but she finally realized that it was inappropriate and smiled.

Zhou chongguang also smiled faintly.

in fact, the woman was a good woman. she was a little cute.

He walked out slowly, taking out a cigarette. He didn't light it, but put it on his lips.

Unexpectedly, when he passed by the grocery store at the intersection, he saw an eye-piercing scene.

in zhou chongguang's heart, the landlady's man was hugging xi shi, who was also known as ruhua, in the grocery store. his rough face even leaned over and kissed xi shi's face.

xi shi immediately covered her face and smiled shyly. she twisted her body and walked inside.

He lifted the curtain and entered.

The man grinned, lifted his palm, and followed in.

They did not notice Zhou chongguang, probably because they were too engrossed in Yingluo.

after a while, the rough breathing of a man and a woman came from inside.

zhou chongguang turned around and looked at the landlady sitting there from afar. she was holding a nose plate in her hand and was thinking about something.

He thought that what she was calculating was probably a good life in the future.

However, she had never thought that an honest man like her would have an affair outside, and it was right under her nose, fooling around in the day.

He looked at it and sighed in his heart.

His Mumu, when he didn't know, was she also this stupid?

zhou chongguang naturally wouldn't stand up for her. there were some things that it was better not to know. if he didn't know, perhaps his life would be over. it was just like how that man had always tolerated women.

Her heart was heavy, and only when she walked out of the alley did she feel a little better.

he made another turn and slowly walked towards the entrance of qin mu's apartment.

He stood quietly by the tree. This angle was still a blind spot, and no one could see him.

perhaps, he was too eager, but qin mu actually appeared.

half an hour later, she walked out of the apartment with an umbrella in her hand. she walked slowly, and there was no one beside her.

zhou chongguang narrowed his eyes and looked at her with a greedy gaze.

she had lost weight.

although she was pregnant, she had lost weight. she had lost a lot of weight.

as she walked slowly, he noticed that she was holding a stack of papers in her hand. she then walked to a tree and pasted something on it.

His heart clenched, and there was a metallic taste in his throat.

She was posting a missing person notice.

Because he was in hiding, because he wasn't staying in a big hotel, she used this method to find him.

His Mumu really understood him.

She knew that he would find a place close to her, so she put up the Kasaya near her house.

for a moment, his heart really ached.

and her figure stood in the summer heat for two to three hours.

He could even see the sweat on her forehead.

he clenched his fists, which was a great torture to him ...

He wanted to go out, but he didn't dare to.

Chapter 2705: Zhou chongguang, is that you?(2)

qin mu, on the other hand, had been standing, squatting, or bending over. he had been seriously brushing through the missing-person notices.

Occasionally, there would be dog-searching signs on the trees. When a dog was lost, most of them would go into heat to find a mate.

Zhou chongguang looked at his own and the dog-searching notice, not knowing whether to laugh or cry ...

Mumu must have done it on purpose.

she's still so cute even when she's angry!

He stared at it for a long time before he quietly tore off his own.

...

It was better to keep the dog-hunting one.

he turned his head and looked at his mumu, who was still far away. she was still brushing her teeth there, as if she did not know what fatigue was.

zhou chongguang frowned. how did qin chen take care of her? how did he let her go out like this for half a day?

he left, walked to a place where no one was around, and called qin chen.

He didn't expect that the piece of paper between his fingers would float away and float to Qin MU's feet.

zhou chongguang dialed qin chen's number. "where are you?"

qin chen was sitting on the sofa in the apartment, comfortably eating iced watermelon. he was wearing amani's casual clothes, which was a far cry from zhou chongguang's current state.

Qin Chen looked at his phone and smiled. "At the apartment."

"Heartache?" the smile on his face became even more obvious.

Zhou chongguang was a little angry, 'how can you let a pregnant woman do such things down there? You're a doctor, don't you know the danger?'

Qin Chen's smile turned cold, 'the child's father doesn't even care, so why should I? Besides, Zhou chongguang, who are you to call me the son-in-law of the Qin family? i'm sorry. you were divorced a long time ago, and you're qin mu's current boyfriend? I'm sorry, her boyfriend is Gu ze now.'

with these words, zhou chongguang had nothing to say.

"If you're a man, then go and take her back. I don't want to raise your child for you," Qin Chen continued.

don't worry, " Qin Chen said venomously. a scourge lives for a thousand years. You won't die.

zhou chongguang was petrified in his original spot, in a daze.

Was he a failure as a person?

"You'll regret it if you don't go out," Qin Mu said with a smile.

Zhou chongguang hung up the phone. In the entire Qin family, Qin Chen was the most difficult to deal with.

He really didn't know how Lan Yu fell in love with Qin Chen, not even knowing his gender.

But now that she thought about it, Qin Chen was still cuter as a man. If Lan Yu knew that he was a woman, he would probably change his mind and urge a woman to make herself look like a man, not to mention such a poisonous tongue!

Zhou chongguang was about to turn back when a very soft voice came from behind him, "zhou chongguang, is that you?"

His body froze.

Qin Mu was behind her.

Her voice was so gentle that he couldn't mistake her.

Zhou chongguang's thin facial muscles contracted rapidly. He suppressed it for a long, long time before he did not turn his head.

He didn't know how close he was to her, and he didn't dare to look back.

how was he going to meet her in this state?

he wanted to leave, but his body was hugged by a pair of soft arms.

The umbrella fell to the ground and rolled a few times.

"zhou chongguang! You dare to leave!" She pressed her entire body against him and said with a choked voice, " " if you dare to leave, i'll abort the child, yingluo. don't tell me that it's gu ze's. i know it's you. "

His body became even more stiff, and he only said hoarsely after a long time, " "You won't be willing to."

"if you dare to leave, then i dare!" She hugged him even harder, her voice soft as if she was about to cry.

Chapter 2706: Zhou chongguang, is that you?(3)

"if you dare to leave, then i dare!" she hugged him even harder, her voice soft as if she was about to cry. " zhou chongguang, really. if you dare to do this, i'll dare to not want this child. we'll have nothing to do with each other in the future. "

He sighed in his heart.

How scared was she to say such words?

He could tell how much she loved this child, but in order to keep him, she said such things.

“mumu, why do you need to do that? isn’t it good to start over?” he mumbled as he looked at her tightly clenched small hand.

qin mu shook his head desperately. ” i want to start over, but you won’t let wanwan and zhou chongguang. if you’re fine, i’ll forget you. but why do you have to treat yourself like this? ” you know i can’t let it go?”

...

she clenched her small fist and smacked his back heavily, venting the anger in her heart.

As for him, he let her be angry, but her strength was getting weaker and weaker. In the end, she hugged him and cried.

She cried like a child, not caring about anything. She didn’t care if others saw her or laughed at her.

the people walking on the road looked at them, as well as the people-looking signs on the trees, as well as the dog-looking signs.

zhou chongguang had no choice but to pat the back of her hand. ” alright, Mumu, don’t cry. You’ll be laughed at.

“getting pregnant before marriage and the man running away, people will laugh even more.” she said awkwardly behind him.

As for him, he was both angry and amused. He simply couldn’t do anything to her.

He wanted to say something, but the person behind him fell down softly.

He was shocked and immediately turned around, picking up her weak body.

her face was pale without a trace of blood. she must have suffered a heatstroke.

zhou chongguang supported her with one hand and hailed a taxi with the other. after he got in, he immediately called qin chen.”Qin Mu is suffering from a heat stroke. I’m going to Sheng Yuan hospital now. Come over immediately.”

he didn’t trust anyone else but the sharp-tongued qin chen.

On the other side, Qin Chen’s heart skipped a beat. He quickly stood up and walked towards the door.

the chauffeur’s car was driving very fast. sheng city was far and close, so they arrived very quickly. in the car, the windows were all down and the air conditioner was on. after the ventilation, qin mu felt slightly better. he woke up for a while, but then fell back asleep probably because he was too tired. however, his complexion was just as bad.

half an hour later, after qin chen and the director of obstetrics discussed for a while, they returned to the VIP ward and saw zhou chongguang sitting by the bed.

He walked in and wrinkled his nose. Zhou chongguang, how long has it been since you took a bath? Qin Mu most likely fainted from your smell.

zhou chongguang’s face turned black. he had been insulted again.

qin chen bent over and tidied qin mu’s blanket. he asked softly, ” “what’s your plan?”

“Take good care of her.” Zhou chongguang smiled.

“i’m asking you what your plans are!” Qin Chen tilted his head, his eyes especially sharp.

Then, he stood up and walked towards the door, ” “let’s talk.”

zhou chongguang’s gaze stayed on qin mu’s face again. after looking at him for a while, he reluctantly followed him out.

In the corridor, Qin Chen leaned against the wall, looking at the sunlight outside the window.

When Zhou chongguang came over, he looked at him and said softly, "If you're gone, Qin MU's child can't be saved either."

Zhou chongguang was stunned.

"don't tell me you don't remember what illness she had? do you think she wouldn't be sick if you died and gave birth? she's already so stubborn that i'm worried." qin chen's face was cold,"of course, i won't use my sister's illness to win back a man." If you're willing to come back, Qin Mu will be there. If you're not willing, I'll think of a way to clear it up."

Chapter 2707: zhou chongguang, your decision (1)

zhou chongguang looked at her, his gaze straight.

qin chen gently spat out a few words, "Do you know hypnosis?"

"i'll give you three days, " he said softly. " if you don't make a decision, i'll hypnotize her. "

Qin Chen took out a long and thin cigarette from his pocket, lit it up exquisitely, and took a puff. He turned his head and smiled."Medicine is so advanced, anyone can survive without anyone! i'll erase that part of your memory, and when necessary, i'll replace it with gu ze's kasaya. it'll be a happy ending, and gu ze will also fight to raise your child."

Zhou chongguang wanted to say,"that's great," but the words were on the tip of his tongue for a long time, and he still could not bring himself to say them.

qin chen moved his chin. " she's inside. we'll leave after one look. if you haven't thought it through, then don't stay with her. it'll be more troublesome to erase her memory. "

...

zhou chongguang's throat tightened. " alright. i will take my time to consider it. "

Qin Chen laughed, his long and narrow eyes looking at him.”I really won’t force you, Zhou chongguang!”

after he finished speaking, he punched zhou chongguang’s good-looking chin. ” “If I had known that you were so weak, I wouldn’t have come back and told Qin Mu the truth.”

“Your kindness has been fed to the dogs!” He said fiercely.

zhou chongguang’s face froze inch by inch, but he still entered the ward silently.

Qin Chen was still smoking. He rarely smoked, but he was really annoyed at this time.

qin mu was very silly. if a man didn’t have the courage to look back, so what if he forced himself to come back?

if she wanted him to come back, she had to make him want to come back. what was the point of having a man who didn’t even want to live?

He raised his head and looked at the sun outside, his eyes slightly narrowed.

The lines of his jaw and collarbone were extremely beautiful ...

At least, when Lan Yu walked over, his throat tightened and his entire body tensed up.

After so long, he still had hopes for Qin Chen.

He slowly walked over and stood in front of Qin Chen, looking at him. “You found him?”

“people are alive, but hearts are dead. it’s better not to have it!” qin chen smiled.

“Then tell me, am I Dead or Alive?” Lan Yu asked.

qin chen lowered his gaze and sneered. ” “you’re alive now, but if you dare to come any closer, i guarantee that you’ll be crippled, if not dead.”

“it sounds like dr. qin’s methods are very powerful!” Lan Yu’s voice was low, and his lips were close to Qin Chen’s ear. It was very ambiguous.

qin chen chuckled and pushed the cigarette forward.

lan yu’s tall body fell to the ground, and he was just short of foaming at the mouth.

“You’re overestimating yourself.” qin chen returned the ring on his hand to its original position, kicked lan yu’s body, and left without any reluctance.

And Lan Yu’s eyes were staring at the direction he left in.

how ruthless!

he swore that he would take this kid down and force him to serve him once ...

In the ward, Zhou chongguang sat by the bed and held Qin MU’s hand.

How long has it been since he last touched her little hand? it seems like two or three months, Yingluo.

how long had it been since he had looked at her like this?

It seemed to be even longer.

He looked at her greedily, and there was a sweet taste in his throat. He wanted to say something, but he couldn’t say anything.

she lay there so weakly, so helpless.

He wanted so much that he could give her the happiness of the world if he was in good health.

But he was fine, so she probably wouldn't forgive him.

Silly Mumu, why are you so soft-hearted? I'm not worthy of your love.

Chapter 2708: Zhou chongguang, your decision (2)

her hot tears fell drop by drop onto her hand.

However, she had no idea that she had been sleeping the entire time.

zhou chongguang's face lowered, and he touched her hand gently.

For a long, long time

when qin mu woke up, zhou chongguang was no longer there. only qin chen was accompanying her in the huge ward.

When she opened her eyes, a tear rolled down the corner of her eye."Qin Chen, I dreamed of Zhou chongguang."

...

qin chen held her hand and listened to her continue. " "I dreamed that he was sitting next to me, teasing Qin Chen. He was here, wasn't he?"

as he spoke, qin mu closed his eyes weakly.

To her, meeting Zhou chongguang was like an illusion. Now that she had woken up, she felt that it was unreal.

"He was the one who sent you to the hospital." Qin Chen pursed his lips.

“then, why did he leave?” Qin Mu asked softly.

qin chen looked at her. ” he said he would consider it. ” qin mu, i promise, no matter what his decision is, i won’t give up on his life, okay?”

another tear rolled down from the corner of qin mu’s eye.

qin chen sighed and reached out to wipe it off for her, his voice softening. ” Qin Mu, don’t cry. I believe Zhou chongguang will understand.

he changed the topic. ” but now you’re going to forgive him. yingluo, do you think it’s too easy to forgive him? girl, where’s your self-restraint? ”

“it was eaten by a dog.” qin mu turned his head away angrily.

“I think so too.” Qin Chen nodded in agreement.

as she spoke, she sighed. ” gu ze came here too. he’s outside. do you want to see him? ”

qin mu’s eyes widened slightly as he looked at qin chen.

After a long time, she said softly, ” let him in.

No matter what, she was the one who let Gu ze down. As for Gu ze lying to her, she thought that he probably had no choice. She was not someone who didn’t know what was good for her. It was already very rare for a man to be willing to help someone else raise a child, not to mention that he was a father.

Qin Chen opened the door and went out. He called Gu ze and left, giving them some private space to solve their relationship problems.

Actually, he could tell that if the child was Gu ze’s, there was nothing wrong with Zhou chongguang. Qin Mu and Gu ze might really be together.

However, the heavens were not on his side, and Zhou chongguang's final shot was successful.

The will of the heavens! Qin Chen sighed.

Inside, Gu ze slowly walked in and closed the door.

when he saw qin mu, he quickly walked over and held her up. ” “In this situation, what do you still want to do here?”

Qin Mu looked at him in a daze.

Gu ze sighed. I know.

her lips moved slightly. she wanted to say something but was stopped by gu ze.

He said in a low voice, ” Qin Mu, you didn't do anything wrong to me. I should be the one saying sorry!

he looked at her and said softly, ” i've long known about zhou chongguang. yingluo, you're in my heart. i've always thought that this decision was good for you, but i didn't know your true feelings. perhaps it was because i knew your feelings that i didn't dare to tell you. i'm being selfish.”

“it's not your fault.” qin mu shook his head.

“It's my fault for making you sad.” Gu ze reached out and gently wiped her tears away. His actions were unbelievably gentle.

He looked at her and said in a very, very soft voice, ” ” qin mu, no matter what your decision is, i'll wait. ”

qin mu looked at him and suddenly felt very sad.

She felt that she had let this man down.

He truly loved her with all his heart.

Chapter 2709: zhou chongguang, your decision (3)

If it had been a long time ago, on that night by the sea, she might have gotten together with him long ago because he was Gu Mei's brother.

however, qin mu's thoughts then were different from now. now, she had let go of many things.

she looked at gu ze and smiled. " "gu ze, i really owe you."

how many eight years could a person have?

how many times could a person love like this?

However, no matter how apologetic she was, she still had to say sorry to him.

...

i'm sorry, gu ze. there's someone else in my heart, and i can't give you happiness.

maybe i'll be happy if we're together, but you won't.

she slowly sat up and hugged him despite his attempts to stop her.

"Gu ze, you deserve a better girl." She said softly.

she, on the other hand, was already riddled with wounds.

It wasn't because she was pregnant with Zhou chongguang's child, but because she had always been thinking about someone.

gu ze did not move and only hugged her.

his heart was warm and wet, and he couldn't describe it.

there was heartache, but there was also relief.

she had let go of qin mu, so he should let go as well, no matter how difficult it was.

He was a man, so he couldn't be inferior to a little girl, right?

Hence, he smiled and reached out to gently stroke her long hair. okay! However, Qin Mu, I want to be the child's Godfather. Otherwise, I won't return the water and wood to you."

she was stunned.

"i still haven't decided if i'm going to be with him." she said quite seriously.

gu ze reached out and knocked her head. " "are you stupid? isn't breaking up with me the same as changing men?"

"these are two different things," qin mu said.

gu ze looked at her very seriously. after a while, he reached out and touched her head. " it's not burnt. "

"I didn't burn it!" Qin Mu was so angry that he was wailing.

"Mm, there isn't!" He chuckled. it's pretty good. No matter what you decide, I'll support you. Also, if you can't eat, you can call me anytime to cook for you.

"I'll make sure you can't find a girlfriend." "i don't think so." qin mu gave a weak smile.

Gu ze's smile deepened. I was just about to say it. It was before I found a girlfriend.

qin mu responded with an "oh."

he supported her and let her lie down again. his large palm gently touched the hair on her forehead, a little reluctant to let her go.

qin mu didn't say anything, nor did he stop him.

Gu ze smiled and retracted his hand.

some people, the more you want to catch them, the more you can't.

after so many years of entanglement, he had learned a word,"leave it to fate."

Love isn't first come, first served, and it's not something that you can get just by persisting for a long time.

it was just like him and qin mu.

When Gu ze walked out, Qin Chen was at the door and turned his head. "He left?"

"Mm! go back and cook some porridge for her. " Gu ze lit a cigarette, took a puff, and smiled. "Sometimes, loving someone is like smoking. You can't quit it just because you want to."

he needed time.

Qin Chen looked in the direction of the door. what's Qin MU's opinion? "

Gu ze looked at him with a meaningful gaze.

"just pretend i didn't ask," qin chen smiled.

as he spoke, he went forward and hugged gu ze. ” “Gu ze, thank you for taking care of my sister.”

from the bottom of his heart, he acknowledged gu ze more. but the person qin mu loved was zhou chongguang, that bastard. what could he do?

“Is this considered a consolation?” gu ze didn’t push him away. he looked down into qin chen’s eyes.

Actually, he really did look like Qin Mu, but one was very gentle and beautiful, while the other was masculine.

Chapter 2710: A forceful kiss (1)

however, that kind of masculinity was also very charming. even gu ze, a straight man, had to admit that qin chen was especially attractive. he had a serious look with a sense of abstinence. didn’t that flirtatious lan yu fall for this?

from the corner of gu ze’s eyes, he saw that the showy person had arrived.

He smiled. Not only did he not let go of Qin Chen, but he also teased Lan Yu to make him think that he had kissed Qin Chen.

the volcano was probably about to erupt!

Gu ze thought a little evilly that today was not a good day, but he was in a better mood now.

He left briskly, leaving Qin Chen to deal with the show-off.

...

as soon as gu ze left, lan yu walked over and straightened qin chen’s body, carefully searching with his eyes.

Qin Chen pushed him away, his expression cold. “Mr. Lan, be careful of your image.”

lan yu's expression was very ugly. it was as if he had caught his wife cheating on him. he darkened his face. "you let him kiss you?"

"what kiss?" Qin Chen looked at him. if your legs aren't good, then your brain isn't good either. I'll introduce you to director Zhang of the brain surgery department for an X-ray.

but just as she finished speaking, her lips were kissed forcefully.

His lips were hot and hot, and his kiss was rough, as if he was going to peel off a layer of Qin Chen's skin.

he struggled a few times but couldn't break free, so he simply leaned against the wall and let him kiss him.

lan yu was kissing so passionately that he couldn't care about anything else. he didn't notice that there was a nurse in the distance holding her phone and taking photos of yingluo kissing. first, it was widely circulated on social media, then it was aggressively attacked by the mainstream media. just like this, in half a day's time, the scandal of the grand hyatt hotel's president and the qin family's san er's affair was all over the place.

no, this wasn't a rumor. it was already confirmed.

After the kiss, Lan Yu couldn't help but let go of Qin Chen.

at this time, qin chen felt a burst of pain on his cheeks. he took his phone and looked at the camera. f * ck, both sides of his face were blue.

lan yu was a beast. how long had it been since he last had a woman? he could even kiss a man like this, and it was so intense.

lan yu looked at him, his breathing still chaotic. "how is it?"

"What do you mean by" how is it "?" "don't think too much," qin chen sneered.

” you’re not interested in me? ” lan yu sneered. ” why were you kissing me so happily just now? ”

I’m sorry. The bruise on my face is evidence of your coercion. qin chen didn’t take it to heart and said very lightly. it didn’t sound like a complaint, but more like a statement of fact.

Lan Yu frowned, ’you dare to say that you didn’t kiss me back just now? hmm?’

Qin Chen glared at him.

“do you want me to be more detailed? “Tell me what you were doing just now,” but before he could finish, Qin Chen had already stepped on him. Lan Yu felt the pain and couldn’t help but let go of him.

“if you dare to mention this again, i’ll beat all your teeth out.” qin chen threatened.

“with your thin arms and legs?” lan yu chuckled.

Qin Chen turned around and looked at him quietly. “It’s more than enough to beat a person in a vegetative state.”

“don’t call me a vegetable anymore,” lan yu said, looking a little embarrassed.

Qin Chen narrowed his eyes. then what about calling you an impotent vegetable, huh? ”

Lan Yu, he’s so angry!

he watched qin chen leave and prepared to leave as well.

just then, a nurse came over and timidly pulled on his sleeve. ” ceo lan, it’s better not to provoke dr. qin. dr. qin is the champion of the highest level of karate. ”
