Chapter 271 Tang Yu, profiteer (1)

“Qi Qi is still young, I can teach her slowly.” Tang Yu acted like she was a child. As he spoke, he touched her fluffy hair.

Elder Lin was also an experienced man. He was young once and was a bystander. He could tell that Tang Yu was probably deeply in love and couldn’t get over it easily.

If that b \* stard Tang Zhiyuan had said that he wanted Tang Zheng to marry the girl from the Shen family, he wouldn’t have agreed.

the matter between the chen family’s girl and little qin was unclear. he would never allow tang zheng to pick up other people’s used shoes.

it wasn’t that he didn’t like pei qiqi’s family background, but it was qianqian and jinrong!

It was a pity. Putting aside these uncomfortable relationships, this girl must have something to do with jinrong’s current state. If he agreed to it, how was he going to face jinrong’s parents? would lin yun go back to her parents “house in the future?

These were all difficult to handle.

Of course, for Grandpa Lin, he was someone who could clearly distinguish between kindness and hatred. Jinrong’s car accident was jinrong’s mother-in-law’s fault, but PEI Qiqi was the illegitimate child of the PEI family.

All the complications in the middle were not good for this girl. Even if she married into the family, it was hard to say what would happen in the future.

grandpa lin had come today because lin yun couldn’t make the decision, so he had to come and make the decision.

he knew tang yu wouldn’t listen to him, but he didn’t expect tang yu’s attitude to be so subtle.

It was very subtle. He didn’t mention PEI Qiqi or this matter. Was he preparing to quietly get engaged when the time was up?

at that time, everyone in city B knew about the tang family and the lin family’s wedding. if they didn’t go, they would be embarrassed. even though it didn’t look good on tang yu’s face, in the end, it was the tang and lin families who were slapped in the face.

tang yu was certain about this and wasn’t in a hurry.

great, they were the ones who were anxious.

old master lin sneered, ” no matter what, i will not agree to this marriage. ”

Tang Yu was still hugging PEI Qiqi. He didn’t say anything and just placed his fingers on PEI Qiqi’s stomach. He would stroke her Kasaya from time to time.

Old master Lin Zhennan’s eyelids twitched. He wasn’t old and blind. Tang Yu’s action meant that he was stunned.

That dumb girl was pregnant with Tang Yu’s child?

Elder Tang glared at him, "Tang Yu, when did you develop this bad habit of targeting children?" You're an adult, aren't you? what's the point of holding an adult in your hands?"

Tang Yu smiled but didn't let go of PEI Qiqi. He said calmly, "grandpa, qiqi hasn't been feeling well recently. she always wants to vomit and her appetite isn't good. i'll feel better if i hold her."

Every time he said a word, old master Lin's eyebrows would jump. This should be the sign.

old master lin's feelings were complicated. in his heart, only the lowest of men would be irresponsible for playing with a woman's stomach.

Now that PEI Qiqi was pregnant, how could he not agree?

The old man looked a little embarrassed. how long has it been?"

"grandpa is asking how long qi qi has been unwell? it had been about half a month! I'd better go see the doctor next time so I can rest assured." Tang Yu said slowly. Then, he lowered his head and kissed PEI Qiqi's forehead. He treated her like a pet and didn't avoid Grandpa Lin.

if it had been just now, the old man would have definitely reprimanded him, but now, he found it pleasing to the eye.

Chapter 272! tang yu, profiteer!

The old master felt that ...

a pregnant woman needs to be in a good mood, and she can't do without the comfort of her husband!

what if her stomach got bigger?

they had to get married immediately, not to mention an engagement, they had to get married immediately!

Lin Zhennan looked at PEI Qiqi's stomach and the more he looked at it, the happier he felt.

this first child of yingluo's, tang yu, was so powerful. it was no doubt a boy.

old master lin had been looking forward to this for a long time!

previously, jinrong's wife was pregnant. although he didn't like that flamboyant girl, he thought that in the future, jinrong's mother would take care of the child. with jinrong's genes, the child wouldn't be too bad.

However, he did not expect that PEI Huan would lose the child right after jinrong's accident.

That day, old master Lin sat alone in his study for the entire day. After that, he threw his most precious paperweight on the ground. bastard.

later on, he was the one who called off the engagement between jinrong and pei huan. the lin family could not allow such a woman to stay.

As for PEI Qiqi, Grandpa Lin really did mind. This girl's face was too good and too attractive. Jinrong and Tang Yu were so mesmerized by her that they were head over heels for her.

However, if she was pregnant, the old man would have no reason to object to this marriage.

he coughed, " tang yu, take this girl to the hospital for a check-up. don't let her fall ill at such a young age. "

tang yu smiled, " i don't think she's sick. she's just tired and has a bad appetite. "

PEI Qiqi's heart jumped when she heard this. When did she not eat well and lose her energy?

After Lin Zhennan left, she looked at Tang Yu and said in a soft voice, " Tang Yu, even if Grandpa agrees to it, you will be exposed in the future.

He knocked her on the head. you're not stupid.

as he spoke, he stood up and walked towards his desk. while flipping through the documents, he said to her very indifferently, " " pei qiqi, are you doubting my ability? "

Then, she looked up at PEI Qiqi in a daze.

she walked over and stood beside him. she pursed her lips. " it's not that i don't want children yet. "

Although the PEI family was on the right track, their Foundation was still too weak. They were like a tree. It was easy to talk to Wanwan's father, but he would turn a blind eye to whatever his subordinates did. That was why they were in such a situation today.

How could she have a child with him now?

Tang Zheng sighed and reached out to touch her small head. He said slowly, " I didn't say that you were pregnant just now, did I? "

It was Grandpa who misunderstood, so who could he blame?

PEI Qiqi covered her mouth and her eyes were filled with shock.

this was tang yu. could tang yu also be such a rascal?

Tang Yu smiled. He knew what she was thinking. He shifted his gaze to the documents on the table and deliberately ignored her.

Sure enough, his little guy couldn't hold it in anymore. He laid on his shoulder and hit him.

He let her fool around for a while, then he reached out to hold her and kissed her. Qiqi, don't feel burdened. i'm here!"

he caressed her hair as if he was petting a fluffy little pet.

pei qiqi let him rub her for a while and then ran off. she picked up her bag, " i'll be leaving first. i have a meeting to attend to later. "

"Busier than me," he said helplessly.

he raised his hand and signaled her to go over. pei qiqi slowly walked over and stood in front of him.

After a long time, she looked up at him and said softly, " " tang yu, although i feel like i'm selfish and i've let jinrong down, hanhan "

She didn't need to finish her sentence, but he already knew.

Chapter 273 Tang Yu, profiteer!

Tang Yu didn't say anything. If he did, she would be in a bad mood.

he reached out to tidy her hair and said softly, "be careful on the road."

PEI Qiqi nodded and walked out.

Xiao ran then came in with a stack of documents in his hand. President, these all need to be signed.

She placed it on the table. Tang Yu looked at it and was lost in thought for a while. Then, he placed his hand on the document and looked up at Xiao ran, "squeeze out some work. I'll be free for four days next weekend.

He and Qiqi were about to get engaged, so he couldn't not show anything. She was in a bad mood recently, so he was prepared to take her out to play for a few days.

Xiao ran nodded. I will. As for the other matters, I will hand them over to President Zhao to handle.

Tang Yu trusted Zhao Yi.

He pondered for a moment. I'll ask Executive Assistant Meng to come along.

After he finished speaking, he lowered his head to look at the documents again. Xiao ran saw that there was nothing else for him to do and walked out.

when she was outside, she heaved a sigh of relief.

it looked like the president was going to have a big thing in his life. he didn't know if it was marriage or engagement.

She was more inclined to an engagement. After all, PEI Qiqi was still young.

.....

PEI Qiqi and Tang Yu's marriage was set. The main reason was because Grandpa Lin wanted to have a grandson. No one could object to it.

Tang Yu hung up the phone and looked at PEI Qiqi, "what do you think? do you think i'm more intelligent than you?"

PEI Qiqi was reading a book. Although she said she worked during the day, she still wanted to finish her design major in school after the company was on track.

In the future, she would always want to do her own things. Once the PEI family business was on the right track, she would hand it over to the management team.

tang yu leaned against the bar and drank a glass of red wine. he looked at pei qiqi sitting on the sofa and reading a book. his voice was hoarse, "you're working so hard?"

pei qiqi bit her lip and looked up at him, "what's wrong? didn't you tell me to finish my studies?"

she lowered her head. "i know. you're afraid that we won't be able to communicate in the future."

Exchange?

tang yu smiled. his long fingers played with the crystal glass in his hand. then, he put it on the bar and walked over to her.

before pei qiqi could come back to her senses, he bent down and picked her up. his voice was low and hoarse, " i want to talk to you now. "

She slipped down and immediately hung herself around his neck. She wrapped her arms around him, " Tang Yu, I'm talking about thoughts.

" it's so late. pei qiqi, you want to talk to me about thoughts? " He chuckled and lowered his head to kiss her.

PEI Qiqi hugged him shamelessly and rested her face on his neck, " Tang Yu, I want to read.

He thought for a moment, reached out, picked up the book, and swept it into Xuanji's study room.

Why the study?

"Didn't you want to read?" tang yu sat on his wide chair and hugged her. he also stuffed the book into her hands, " "Alright, let's watch."

He said very kindly. As he said that, his large palm had already slipped into her pajamas and slipped away.

PEI Qiqi bit her lips and snorted, " how do you want me to read? "

tang yu's lips were next to her ear. his voice was a little seductive because of his passion, " you watch what you do and i'll do what i want! "

PEI Qiqi angrily bit his arm, " shameless! Rascal!"

Tang Yu laughed. He thought it was good to tease her like this. After these few days, she was finally a little happier.

after that, he didn't really do it. he just held her and read with her.

Her long hair was let down, and she was wearing pajamas, so her whole body was soft and silky.

Chapter 274-I want you to be a dog

Zhao Ke returned after playing mahjong, her expression not too good.

At first, Tang Xin stuck to Tang Zhiyuan in the living room and acted coquettishly, wanting to get him to agree to go out. She missed Qiqi.

tang zhiyuan actually agreed to it. he just wanted to tease his younger daughter.

He always had a kind heart and spent a lot of time with Tang Xin.

at this moment, zhao ke came back for a walk.

tang xin looked at zhao ke's face and lost all her thoughts. she whispered, " "mom, i'm going upstairs to play the piano."

Zhao Ke didn't say anything, but the expression on her face was a little straight.

tang xin was a little puzzled. what's wrong with mom today? her mother didn't even reprimand her for wearing jeans, which she disliked the most.

tang xin secretly leaned on the railing and looked. when zhao ke looked up and saw her, tang xin immediately ran to her bedroom.

Tang Zhiyuan took a sip of his coffee and sighed. you gave birth to Tang Xin and she has that kind of problem. Why are you so strict with her? can't you just make her happy? ”

zhao ke's voice murmured, ” zhiyuan, you also think that tang xin won't live long, right? ”

As she said this, Tang Zhiyuan was a little unhappy. Zhao Ke, do you know what you're saying? ” How sad would Tang Xin be if she heard this?”

Tang Xin is sad, but I'm not? ” Zhao Ke's face had a touch of madness. Tang Zhiyuan, what do you think I am? are you thinking of doing it with that b \* tch Lin Yun right now? “| you've gotten back together, haven't you?”

Tang Zhiyuan couldn't contain his anger. The person he owed the most in his life was Lin Yun. Now that Zhao Ke had said this to her, he felt all his anger ignite at that moment. He had never laid a hand on Zhao Ke before, but now, he raised his hand and slapped Zhao Ke's face.

“i have indeed spoiled you! you've been living a comfortable life for so many years that you've forgotten the manners you should have. you want to squeeze into the upper class again, but look at your morality and conduct. are you worthy of being tang xin's mother?” Tang Zhiyuan's words were extremely heavy.

a handprint appeared on half of zhao ke's face. she covered her face and stared at tang zhiyuan. ” you hit me! ”

she repeated it again. then, she pounced in front of tang zhiyuan and started to fight with all her might. she was like an ordinary shrew.

“tang zhiyuan, do you know how i've been living all these years? You're good, you're a hands-off shopkeeper, while I have to take care of Tang Xin, a sick child who might not live past twenty years old, and pretend nothing happened. Where were you when Tang Xin had a fever?”

” you're having sex in the little model's bed! ” Zhao Ke's hair that was tied up was a little messy and scattered on her face. Her eyelashes, which were originally extremely exquisite, were now like a black paste, looking a little scary!

Tang Zhiyuan squinted his eyes and grabbed Zhao Ke's wrist. what about you, the Honorable Mrs. Tang? have you not had any close contact with anyone all these years? ”

zhao ke was stunned. her hand hung in the air, and her expression was somewhat shocked.

tang zhiyuan knew?

“Giving face to others is also giving face to yourself.” Tang Zhiyuan let go of her, and Zhao Ke lost her strength. Her body took a few steps back and fell on the sofa.

she looked at tang zhiyuan dejectedly. her face was burning and her heart was beating fast.

all these years, if it wasn't for Tang Xin, do you think I would still tolerate you? ” Tang Zhiyuan looked at Zhao Ke condescendingly. Then, he bent his body and pinched Zhao Ke's chin with his fingers.

## Chapter 275 I want you to be a dog (2)

Tang Zhiyuan looked at Zhao Ke's twisted face. Her face that used to be so beautiful, how could she still be beautiful?

In his eyes, there was a burst of disgust.

Zhao Ke raised her head. There were still traces of tears on her face. She stared at him and her voice was a little dazed. There was a hint of mockery in her voice. Tang Zhiyuan, you don't have to say it so nicely. Do you think I don't know that in your heart, you can't forget that b \* tch Lin Yun? "[ People!"

Seeing that his expression had changed, she sneered. even if you kill me, I'll still call her cheap. People! She lost you as a person, but she stole your heart."

Tang Zhiyuan, Did you know? you call out 'Yunyun' even in your dreams! zhao ke raised her head and chuckled, " how does it feel to be hated by the woman you love? tell me, hanhan. "

Tang Zhiyuan's fingers clenched tightly. The veins on his slender fingers were exposed.

zhao ke was in so much pain, but she didn't make a sound. tang zhiyuan was in even more pain than she was.

suddenly, he let go of her!

Zhao Ke's hand was on the sofa's armrest and she coughed violently. Her hair was disheveled and she didn't look like Mrs. Tang.

Tang Zhiyuan sneered, " Zhao Ke, if you know your place, I can still give you wealth and glory. But if you go too far, I won't let you off.

With that, he walked out.

didn't they say that he was in the young model's bed? Then he would go and find it.

Zhao Ke was still panting. She glared at Tang Zhiyuan's back and threw something over. It happened to hit Tang Zhiyuan's shoulder.

It was a piece of decoration. The material was so hard that it made Tang Zhiyuan's body shake. Then, he turned his head and looked at Zhao Ke calmly. you're unreasonable.

Zhao Ke felt like she had nothing left to lose. She stood up, but her body was swaying as she spoke in a hoarse voice, " Tang Zhiyuan, go and find her. Go and find your Yunyun. See if she still cares about you, Yingluo.

"Let's see if your Virgin Mary ex-wife will still want a dirty man like you." She laughed madly.

tang zhiyuan didn't turn back. he opened the car door and started the car.

Zhao Ke watched as the car left quickly. She stood there and stared blankly.

It was as if he had lost all his strength, and he slipped and fell to the ground.

She raised her head, and her tears fell silently.

after a while, her body started to tremble. she couldn't. she couldn't let pei qiqi marry into the tang family.

she couldn't let others find out that she and tang xin were sisters. one day, her and tang xin's true identity would be discovered sooner or later.

PEI Qiqi was here to collect debts, why didn't she die?

why wasn't she the one to die instead?

zhao ke slowly stood up. she reached out to comb her hair and raised her head.

she was the most beautiful woman in B city, and many men knelt under her skirt and teased her.

She couldn't let Tang Zhiyuan know. She didn't want to live that kind of miserable life again.

So what if she was her own daughter? if you stop her, you'll still have to die!

xuxu and zhao ke found rong lei. after a round of sex, zhao ke laid on rong lei's chest, her fingers gently stroking it. her voice was a little flirtatious. "rong lei, can you do it for me again?"

"what's so difficult about that!" rong lei had taken the medicine and was in high spirits.

zhao ke stopped him and glared at him, "i'm not talking about that. i'm talking about killing pei qiqi."

rong lei was so scared that he stuttered.

Chapter 276 I want you to be a dog (3)

Zhao Ke stared into his eyes. you don't dare to?"

rong lei smiled bitterly and didn't have the mood to do that. he sat up and half-leaned against the head of the bed. he looked at zhao ke and then took out a cigarette from the bedside table and lit it.

he took a few puffs before patting zhao ke's face. "the limelight is so tight now. do you want me to go in like that old woman surnamed zhou?"

moreover, he was not stupid.

zhou meilin went in. if something really happened to pei qiqi, he would definitely be found out.

the last time the lin family's young master had an accident, it was zhou meilin who took responsibility for it on account of their past relationship.

Rong Lei didn't want to be involved anymore, ran ran.

Zhao Ke snatched the whip away from his hand and glared at him. have you forgotten how you used to lie at my feet and say that you would always listen to me and would do anything for me?"

rong lei let out a long sigh. "i did say that, but you can't let me die. zhao ke, you know best what i do. do you think you can trust my words?"

He looked at her from the side.

zhao ke's body trembled with anger-

rong lei was just a dog that she raised, but this dog was biting its owner now.

a slap landed on rong lei's face, and zhao ke immediately lifted the quilt and got out of bed.

rong lei touched his face and laughed. " why are you so anxious, ran ran? i'm curious why you want to get rid of her! "

Zhao Ke didn't say anything and just put on her clothes.

rong lei chuckled. " are you jealous that the girl is more beautiful than you? "

He also wanted to touch such a beautiful and tender girl.

zhao ke turned around and sneered, " i like it! I'm happy! ronglei, you bastard, don't look for me when you have no money."

Rong Lei was the best at coaxing women. Although he was scolded, he still got out of bed and walked over. He hugged Zhao Ke from behind and blew into her ear. little baby, I'm not looking for you for money!

However, Zhao Ke wasn't like Zhou Meilin. A pretty boy like Rong Lei was just a plaything to Zhao Ke, a tool.

She pushed him away with a cold smile. don't give me that.

after that, he packed everything up and left nothing for rong lei.

After the door was closed, Rong Lei walked to the bed naked, picked up a cigarette, and lit it. After taking a long puff of smoke, he narrowed his eyes, and his smiling face became a little fierce!

Did Zhao Ke think he was a vegetarian?

he had worked so hard today for nothing.

since she didn't follow the rules, she shouldn't blame him for giving her a hard time!

rong lei took out a few photos from his phone. they were photos of him and zhao ke in bed.

he thought that this was much more valuable than him risking his life to work for the pixiu!

Rong Lei leaned on the bed and sent the photos to Zhao Ke.

Then, he chuckled and puffed out clouds of smoke ...

as he had expected, zhao ke returned to the room in less than ten minutes. she held her phone in her hand and stood at the door, staring at him. " rong lei, what do you want to do? "

Rong Lei played with the lighter and smiled evilly. nothing much. I'm just taking a photo and feeling nostalgic.

his eyes were staring straight at her in a daze.

zhao ke raised her head slightly, and her hands were trembling as she clutched her handbag tightly."how much do you want?"

Rong Lei chuckled. maybe I don't want money!

He paused for a moment, then coldly spat out a few words, " I want you to be a dog in front of me!

Chapter 277 I want you to be a dog (4)

zhao ke had always relied on her looks and money to never take him seriously.

In her eyes, he, Rong Lei, was just a toy!

Then today, he would let her see that even a thing could make her fall so badly!

“rong lei, you bastard!” zhao ke scolded angrily.

rong lei finished his cigarette and threw his phone aside. ” ” don’t play any tricks, and don’t think that you’ll be fine just because you took my phone. i made many copies of the photos. if you don’t mind letting the whole world know, you can play tricks with me. ”

he looked at her with a happy expression. ” zhao ke, you’re so coquettish. it’s really a pity that all the men in the world can’t see you! ”

Zhao Ke glared at him. what do you want exactly? ”

“take off your clothes, crawl on the ground, and bark like a dog!” Rong Lei looked at her. Mrs. Tang, I believe you have done this kind of thing before you married Tang Zhiyuan, right? ”

zhao ke wanted to slap him.

Rong Lei sneered. Zhao Ke, do you really think you’re that 18-year-old girl? Do all men want to f \* ck you?”

“let me tell you, in my eyes, you’re a bitch, and you’re free.” he swayed his body and held the cigarette in one hand. ” are you going to climb? if you don’t, i’m going to spread the photos.”

he patted her face and said, ” i think you’ll definitely be put into a hard drive. so many men will be fantasizing about you. ”

Rong Lei laughed like a businessman and completely tore all pretense of cordiality with her.

what was he afraid of? she still had a small braid in his hand, and she would not be able to escape from his palm.

“Will you return the photo to me if I crawl?” Zhao Ke stared at Rong Lei.

“Of course.”

finally, zhao ke placed her fingers on her buttons and undid them one by one.

when she lay on the ground and barked like a dog ...

rong lei stepped on her back and kicked her. he squatted down, looked into her eyes, and pulled her hair. ” zhao ke, i really want to find a mirror for you to see how much you look like a female dog with eyes. ”

He laughed hysterically and even burned her arm with the cigarette.

zhao ke shrank back.

“this is the mark i’ve made for you!” Rong Lei sneered and kicked her hard. get lost.

zhao ke knelt in front of him, holding the check for a million yuan. her hair was messy, and her expression was pitiful. ” rong lei, i beg you, on account of our past relationship, return the photo to me. ”

Rong Lei looked at her and chuckled. return it to you? ” Zhao Ke, you can send me off with this little money?”

she gritted her teeth and wrote a check for ten million yuan.

rong lei knew that she wasn't financially relaxed and wouldn't steal public funds like zhou meilin, so he accepted it and deleted the photo in front of her.

After deleting the post, he gave her another kick. from now on, we'll go our separate ways. If you dare to make things difficult for me, I'll expose you for trying to kill someone.

Zhao Ke bit her lip and didn't say anything.

She put on her clothes piece by piece.

she felt extremely humiliated. all these years, she had finally put on the clothes she had taken off piece by piece, but now, she was barking like a dog in front of rong lei without any respect!

who was rong lei? he was just a toy!

She would not let him off. One day, she would make him a dog in front of her. She would humiliate him!

“Get lost!” rong lei snorted. ” i'm not interested in old women. ”

Chapter 278-you don't have! heart

Zhao Ke couldn't stand Rong Lei's words.

No matter what, she could not be called old!

Zhao Ke covered her face and went to the car downstairs. She flipped the mirror and looked at herself carefully.

Her skin was still smooth and delicate, and she was still beautiful even at the age of forty.

But, but Rong Lei said she was old, huhu.

No, she was not old!

How could she be old?

she was the most beautiful woman in B city. there were so many men who fell for her.

how could she be old?

Zhao Ke kept reaching out to touch her face, desperately wanting to get confirmation.

however, at night, even if she asked for sex, tang zhiyuan would ignore her. he would turn his body around and sleep with his back facing her.

After that, she reached into his pajamas.

“zhao ke, i’m not as interested as you.” tang zhiyuan sat up and went straight to the guest room to sleep.

this was the first time they had slept in separate rooms since they had been married for more than ten years.

zhao ke sat in the dark, grabbing her hair and pursing her lips.

It was all PEI Qiqi’s fault. Her appearance stole her limelight.

if pei qiqi didn’t show up, she wouldn’t have argued with tang zhiyuan and she wouldn’t have to worry about him!

How could she let her step into the Tang family’s house?

Zhao Ke’s eyes were wide open until dawn.

In the morning, Tang Zhiyuan went out early, leaving Tang Xin and Zhao Ke to have breakfast.

Tang Xin ate like a lady, trying to please her mother.

“Mom, dad will bring me to brother mingwan’s engagement party,” she whispered after a while.

although zhao ke’s mood was unpredictable, she was always her mother’s tease.

Although Tang Xin was young, she understood her mother’s position in the Tang family.

Tomorrow night, her father could go, and so could she, but her mother couldn’t, because her brother’s real mother would be there.

the fork in zhao ke’s hand fell and made a crisp and ear-piercing sound with the plate.

“The engagement party is tomorrow night.” she raised her eyes slightly and looked at the courtyard outside.

so fast

Tang Xin didn’t dare to make a sound and kept waiting, hoping to get her mother’s consent.

however, she didn’t dare to have high hopes because her mother didn’t seem to like qi qi.

Moreover, her mother liked to fight with her brother’s mother, so she might not let her go.

However, to Tang Xin’s surprise, Zhao Ke agreed and touched Tang Xin’s long hair, ” have fun and take more photos for me.

tang xin looked at zhao ke, her eyes were fixed on her and she didn’t come back to her senses for a long time.

Did mom’s soul change?

Why was he so easy to talk to today?

Tang Xin, What are you looking at?! zhao ke snorted. ” your brother dotes on you so much. of course you have to go to his engagement. ”

Tang Xin smiled sweetly, ” Thank you, Mom.

for the first time, she wrapped her arms around Zhao Ke's neck and kissed her on the cheek.

When Tang Xin's soft lips touched her and her small body touched her, Zhao Ke really felt the existence of an angel!

However, even an angel could not save her, let alone Tang Xin.

She had thought about testing PEI Qiqi's bone marrow. Perhaps it could save Tang Xin, but she couldn't.

How was she going to explain to Tang Zhiyuan that she had a child before?

Then, Tang Zhiyuan would suspect Tang Xin's identity. What would she do?

No, she couldn't!

That's right, even an Angel can't save her.

Tang Xin, let's leave it to fate. Mom can't save you.

'Maybe an angel can save you and take care of you on my behalf ...'

In the future, in the sky, don't blame mom!

Chapter 279 you don't have a heart (2)

Zhao Ke went out after breakfast. Tang Xin looked at her and then waved her hand.

After the car drove away, Tang Xin ran back to her bedroom and called PEI Qiqi.

"Qiqi, my mom agreed to let me go with dad." Tang Xin lay on the bed, looking happy.

PEI Qiqi was trying on her dress for tomorrow. It was a coffee-colored strapless chiffon dress. It was very flowy and reached her feet. From the chest to the bottom, it was embroidered with thousands of flowers. The branches were beautiful and it gave off a mysterious feeling.

The effect was even better with makeup on. In addition to her beauty, she also had a bit more charm.

It was still Sister Ning who put on the makeup for her. Her hair was tied up in a retro style and her dark golden side profile was dazzling.

Ning Jie finished and placed her hand on PEI Qiqi's shoulder. She sighed, "It's such a pity that we gave up on the last commercial.

PEI Qiqi hung up the phone after talking to Tang Xin. Hearing Ning Jie's words, she couldn't help but ask, "Then who accepted the advertisement?"

Ning Jie smiled. "A small star who just became popular. When she acted with Wu Zhihao, some indescribable things happened. Of course, after the commercial was done, they separated. That's how the entertainment industry is."

As Ning Jie spoke, she suddenly remembered something. Mr. Tang is against it because he doesn't want you to be involved in this. Don't think too much.

PEI Qiqi nodded. Sister Ning looked at her carefully and then wiped the other gowns.

“Perfect.” tomorrow, miss PEI will definitely shock everyone with her beauty! sister ning couldn’t help but praise. it wouldn’t be an exaggeration to say that she’s the most beautiful woman in the world.

Because Qiqi was young and really beautiful, even sister ning, who didn’t like to joke, couldn’t help but pinch PEI Qiqi’s face.

“sister ning, this hat is too high, i can’t catch it.” pei qiqi laughed.

she looked at herself in the mirror and touched her face. she was indeed beautiful!

But she also felt guilty. Her happiness and her being with Tang Yu were all because of jinrong’s sacrifice.

Also, her father was no longer around. If her father was still around, he would definitely be very happy.

He definitely would!

ning jie knew that a lot had happened to her family recently. after a moment of dejection, she patted her. ” it’s all in the past. ”

PEI Qiqi looked up and met sister ning’s eyes in the mirror. Her eyes were moist.

after a long time, her lips curled up slightly and she said softly, ” “Yes, it’s all in the past.”

her phone rang again. ning jie looked at it and said, ” i’ll go out for a while. don’t worry, there are people guarding outside today. nothing will happen again. ”

when sister ning thought about that, she was still a little shocked.

PEI Qiqi smiled and didn’t say anything.

It was an unfamiliar number. After she picked it up, she was surprised to hear Zhao Ke’s voice on the other end.”I want to see you.”

at that moment, pei qiqi’s heart clenched.

That person was her mother, but she was worse than a stranger. She had made things difficult for her time and time again.

Zhao Ke’s voice was still cold. you’re afraid? Are you afraid that I’ll harm you?”

pei qiqi pursed her lips, ” mrs. tang, you’re being too serious. ”

Zhao Ke told him the address. It was still the same café.

After hanging up the phone, PEI Qiqi removed her makeup and changed back into her own clothes. When she went out, she spoke to the two bodyguards and then got into a taxi.

When they arrived at the coffee shop, Zhao Ke was already sitting there.

He was still so noble and sacred.

PEI Qiqi stood there and watched for a while. Then, she slowly walked over and quietly put her bag down.

“a cup of latte. thank you,” After she finished speaking to the waiter, she looked at Zhao Ke.

Zhao Ke sipped her coffee and looked up at PEI Qiqi. She said slowly, ” the first time I brought you here was two or three months ago. At that time, you didn’t understand these things. But now, you’ve become so comfortable.

Her fingers suddenly grabbed onto PEI Qiqi and her expression was a little tense, ” look, this is the power of money. Money and power can make you change!

PEI Qiqi smiled, ” really? What about you? have you gotten rid of the greed in your bones? the darkness in your body will never be exposed to the sun. no amount of money can wash away your original greed.”

Zhao Ke leaned over and stared at PEI Qiqi’s little face. Her gaze fell on the pink diamond on her finger.

This pink diamond, which was dozens of carats, was worth a fortune.

Her fingers grabbed onto PEI Qiqi’S. Zhao Ke was very thin, so when she used her strength, her fingers were as scary as chicken feet.

“don’t act all high and mighty in front of me. just this diamond in your hand is enough to open a hundred shops like this! pei qiqi, money can’t wash away the darkness in my heart, but it can change my fate!” zhao ke laughed as she spoke, but that smile was extremely dark.

I don’t have to be at the mercy of those men anymore. I don’t have to sleep with this man tonight and another man tomorrow. I don’t have to be slapped in the ear and called a mistress anymore. zhao ke raised her head and coldly said, ” because I’m Mrs. Tang, Tang Zhiyuan’s wife. No one will dare to look down on me.

“but you still look down on yourself!” pei qiqi lowered her eyes, ” mrs. tang, dad is dead. i’m here today to ask you one thing. in your heart, who is dad? don’t you feel anything when he dies? ”

That was the man she had given birth to for him, Yingluo.

Zhao Ke laughed coldly. I can’t even like you, and I’m still talking about PEI Minghe? To tell you the truth, in my eyes, a man like PEI Minghe is a dog! you’re not even fit to carry my shoes.”

If it wasn’t for the fact that she had to get rid of the seed in her stomach, she had to endure the nausea and sleep with PEI Minghe.

She remembered that night when she turned off the lights. Even though Yingluo couldn’t see it, she could feel PEI Minghe’s ecstasy and how he touched her like he was touching an antique!

she was disgusted!

all men were the same!

PEI Qiqi raised her head and forced back the tears in her eyes.

she took out a photo from her bag, which was well-preserved.

he slowly placed it on the table and passed it to zhao ke.

zhao ke was stunned.

dad kept your photo in a safe for twenty years. Perhaps, he would sneak a look at it every night. pei qiqi looked at zhao ke and felt that her father was pitiful, ” “Sometimes, he would look at my face in a daze. I know that he was thinking about you, Mrs. Tang. Dad helped you raise your child and never bothered you even once. If you don’t feel anything, then why were you with him back then?”

“Because of money!” zhao ke sneered. ” because i didn’t have any money at that time. i slept with pei minghe for a night and he gave me a million.

she continued, ” as for later, i gave zhou meilin ten million to keep her mouth shut. so, no one knew that i gave birth to you. it was all because of money. it had nothing to do with love. ”
