

## Thank you 2711

Chapter 2711: a forced kiss (2)

karate?

lan yu looked at her.

“yes!” the nurse nodded vigorously. no one in our hospital can beat doctor qin.”

lan yu didn't get angry. instead, he laughed and looked in the direction qin chen left. ” you don't mean what you say! ”

The young nurse hesitated for a moment, but she still took out her phone and opened her WeChat moments.”CEO LAN, you should keep a low profile in the hospital in the future! everyone knows that you forced a kiss on dr. qin.”

He handed over the phone.

...

Lan Yu took it and only took a few casual glances before he burrowed his head in grass.

who shot it?

It was a really good shot. It was clear inside and out. The body was also very close, and the picture was very real.

explosive.

He looked at it for a long time, then added her on WeChat with this phone and sent it to her.

The nurse's face turned red and her heart heated up. Could it be that Mr. Lan wanted both men and women to be together?

however, lan yu's actions quickly dispelled her beautiful dream.

lan yu sent the photo to qin chen with a message: ”

[ how did it go? ]

[ I heard that you know karate, and you are an expert! ]

[ you don't mean what you say. you clearly like my kiss. ]

.....

He sent many messages in a row, and the nurse at the side was dumbfounded. F \* ck, there's such a shameless operation?

lan yu didn't pay any attention to her. he lit a cigarette and gave it out with a smile.

After ten minutes of bombarding, Qin Chen finally replied, ”

[ next time, i'll definitely find all your teeth on the ground. ]

lan yu thought for a moment and replied, ”

as long as you have a tongue, it doesn't matter if you have teeth or not.

The young nurse knelt in admiration.

“Thanks.” Lan Yu threw her phone to her.

“Mr. Lan, this photo has been forwarded by the mainstream media. Aren’t you going to do some PR?” the nurse called out to him.

at this moment, lan yu looked at her and smiled charmingly, ” “PR? Why? If the whole country finds out, Qin Chen won’t be able to get a wife, right?”

“you won’t be able to marry him either,” the nurse stuttered. She didn’t know whether to laugh or cry.

“who said that? i can marry your doctor qin.” lan yu’s voice became gentle.

The nurse thought, f \* ck! The latest news, President LAN is serious.

Just as she was about to celebrate, Lan Yu held a cigarette between his fingers and said faintly, ” ” you were the one who took the photo just now, right? you’re in big trouble and you’re here to plead for mercy? ”

The nurse stopped in her tracks and turned back to look at Lan Yu. She swallowed her saliva and said, ” “Mr LAN, I know you won’t hold it against me, right?”

“i won’t, but qin chen will!” He smiled and said,”if he looks for you, just say that I told you to film it. I told you to do it.” hmm?”

the young nurse picked up his shamelessness very quickly and answered quickly,”then, dr. qin will go to mr. lan, and mr. lan will be able to force a kiss again.”

“You’re quite smart,” lan yu gave a small compliment.

but Dr. Qin will look for your teeth all over the floor, ” the nurse reminded softly. it won’t affect the kiss, but it will affect the appearance and the city’s appearance.

Lan Yu thought about it and felt a little embarrassed. It seemed so.

if he was really a karate expert, he would probably be smashed into pieces as he was once in a vegetative state. just thinking about it was a little scary.

The young nurse nodded vigorously and said like a drama queen, "we can only use our wits."

"outwit?" lan yu repeated.

the young nurse nodded even harder, "yes!" the things that are often shown on tv, getting drunk, drugging, kidnapping, all of them become mayflies."

Chapter 2712: he wants to see qin mu now (1)

" dr. qin? " lan yu's gaze was a little unpredictable. " do you have a grudge against dr. qin? "

The nurse smiled. no, I just hope that Mr. Lan and Dr. Qin can be happy!

Lan Yu looked at her for a long time before he spat out, " "You really have a heavy taste."

with that, she waved her hand, indicating that she had nothing to do with it. the nurse heaved a sigh of relief and immediately ran away.

Lan Yu smiled and left first.

Gu ze, on the other hand, was infatuated. He came over again in the afternoon. Not only did Qin Mu bring it, but he also helped Qin Chen cook. The taste was extremely good.

...

After Qin Chen finished eating, he looked at Gu ze quite seriously. "you, have you ever considered making do with me?"

gu ze looked at qin chen and seemed to be at a loss for words."Basically, I'm straight. It's unlikely that I'll marry a man in this life."

Qin Chen elegantly wiped his lower lip and looked at Qin Mu. look at how you've ruined such a good chef.

then, she looked at gu ze with a smile. ” actually, i don’t mind marrying you either. ”

gu ze’s face darkened.

Qin Chen continued to speak as if nothing had happened. ” what else? i can also return to my female appearance. well, i shouldn’t be any worse than qin mu. ”

“gu ze, how is it?” he leaned over.

Gu ze wiped his lower lip and looked at him. “dr. qin abandoned a special hobby that he had cultivated for more than 20 years for a meal? Isn’t that a little too casual?”

“I abandoned you after I got sick of you.” qin chen said it matter-of-factly, without a trace of guilt.

Gu ze nodded. I wonder if Lan Yu can let you be a woman for once now that he’s been training hard in his cooking.

qin chen could hear the threat in his words and snorted coldly.”you dare to say what you know?”

gu ze laughed. ” i’m not a talkative person. but i don’t want a man with a woman’s face to not come to my room in the middle of the night just to have a meal in the future. ”

Qin Chen was dealt a heavy blow. After Gu ze left, he looked at Qin Mu.”am i that bad?”

qin mu was a little sad at first, but after this, his mood became much better. he smiled weakly. ” there are more women who like you now, right? ”

Qin Chen touched his chin and nodded. “That’s true. he’s the one who has no foresight.”

qin mu smiled.

“eat more.” qin chen rubbed her head. it’s just a man, the child is the most important.”

Qin Mu nodded his head obediently. After eating some, he said in a low voice, ” “I’m still afraid that something will happen to him.”

She only stayed in the hospital for a day and went home. She did not call Zhou chongguang. She had her own pride.

However, after a day, Qin Mu did something that Zhou chongguang did not expect-

.....

In the simple and crude combat room, Zhou chongguang stood in front of the window and looked at the luxurious condominium not far away.

The Starlight warmed his heart.

He had a cigarette in his hand, but it wasn’t lit.

he remembered the phone call he had with the hospital director today.

“i’m sorry, mr. zhou, we still haven’t found a kidney.” the hospital director’s voice was very low and hoarse, and he did not seem to be in a good mood.

“I’m fine.” Zhou chongguang was rather calm.

However, at this moment, he felt a little guilty as he looked at the specks of Starlight.

qin mu, what do i have to turn back?

i can’t even give you the most basic happiness. without a liver source, i don’t even know how long i can live. do i want you to accompany me in dying slowly?

He couldn’t be so selfish. He had already made her suffer too much.

Chapter 2713: he wants to see qin mu now (2)

however, he also knew that if he didn't appear and didn't go back, she would be in pain.

zhou chongguang was in a dilemma.

His eyes were burning as his Adam's apple kept moving.

his eyes were filled with desire.

if everything were to start over, he was willing to give qin mu all the beautiful things. he would give all the things that girls wanted, all the things that she wanted.

if he could do it all over again, he wouldn't let her be unhappy one day. he wouldn't let her shed a single tear, and he wouldn't let her feel the slightest bit of grievance.

...

However, could he still do it now?

He did not know.

just as he was feeling a little confused, a woman's cry came from downstairs. it was a familiar voice.

zhou chongguang could tell that it was the landlady's crying.

he looked up at the time and saw that it was already 11 o'clock at night.

At this time, there were usually two situations when she cried. One was when she really cried, and the other was when she was crying because of a man.

Zhou chongguang felt that it was the latter, so he smiled and prepared to lie down.

But later on, the woman not only cried, but also started scolding.

“damn it, i knew you had an affair with that shameless woman. you’ve been caught this time!” The woman cried hard, but her words were sharp.

Zhou chongguang had bumped into her before, and he understood immediately that the man and department store Xishi’s matter had been exposed.

this kind of thing happened often and was not rare.

She lay down and listened to the man’s intermittent explanation in a low voice. After all, it was a shameful thing. Even if he didn’t care about himself, he had to care about his lover.

That woman’s man was very jealous. He was out of town, and if he heard this, he would probably come back and make a scene.

“lower your voice, it’s not good if someone hears you,” the man said in a low voice.

“You’ve done such an ugly thing and you’re still afraid of people hearing it.” The woman started crying again. is it because she has a better figure and looks than me? is that why you’re willing to sleep with her every day? ” she asked.

Zhou chongguang placed his hands behind his head and thought, ” that was a lot of information! He had to do menial work every day, how could he have so much energy?

either this man was excited, or that monstrously beautiful woman was a monster that sucked men’s blood essence.

He was a little sleepy. In a daze, he heard the man and woman arguing for a long time again. The whole building was shaking, but because it was a private matter between the couple, no one went to persuade them.

In the end, he only heard the woman cry and say, ” “i might as well just die, so that you won’t be here with your heart in that shameless little bitch.”

When a couple quarreled, especially over this matter, their lines were more or less the same.

zhou chongguang did not mind.

In the early morning, a low cry kicked off the morning.

the woman was dead.

She was hung on a rope in the dilapidated corridor, wearing her favorite cheongsam.

She hung a cloth bag on her body, which contained the money she had saved up over the years. There were a few million Yuan in it, enough to buy a good house in the suburbs of B city.

The reason why she didn’t move out before was that business was good here, and she couldn’t bear to leave.

however, as she dragged on, her husband got together with someone else, and she lost her life.

Originally, this matter would be over after making a scene, but the man didn’t take it seriously when the woman said she didn’t want to live anymore.

When the woman’s body was removed from the top, the man’s face was covered in tears.

The burly man was crying like a child, kneeling and leaning on the woman’s body, refusing to leave.

Chapter 2714: He wants to see Qin Mu now (3)

“How can you just leave like this? don’t you care about our child anymore? leave the money for me. What’s the use of this money? ” the man said from the bottom of his heart. His voice was so

hoarse that it couldn't be heard. " i'm just a little related to that woman. don't you know who i am? "

a man truly loved his wife, but he couldn't resist the temptation. he never thought of leaving the family.

he said it so emotionally that he looked like he was going to go.

In the distance, Xi Shi of the grocery store was watching all this with a pale face.

Her face was filled with disbelief.

if a man loved his wife, then what about her?

...

the gazes from the surroundings were filled with disdain as they looked at her. one by one, they pointed at her and said, look, it's this shameless woman who forced the landlord to hang himself. What a poor woman. She's so busy all day long. She's worse than a b \* tch who puts on makeup outside.

" yeah, just look at her. she's like a peach blossom that specializes in seducing men. i heard that she doesn't only have one man. she has many men. she's a peach blossom spirit that sucks men's essence and blood. to keep herself from aging, she has to keep sleeping with men. " An old woman looked at the grocery store and said viciously.

Grocery Xishi's eyes were filled with tears. She looked at the man, hoping that he would look at her.

she was finished now. she had no way out.

She yearned for a man to protect her. Otherwise, if her man found out, he would beat her to death when he came back. Her entire body was trembling, but the man did not even look at her. It was just as he said, the one he loved was his own wife.

“Hua, wait for me.” The man’s voice was hoarse as he tidied up the woman’s body. Then, he carried her stiff body back into the house, and she didn’t know what he was doing.

The crowd didn’t disperse for a long time, and they kept discussing this shocking matter.

the sun slowly became hot, and just as the people around were about to leave, something suddenly fell from the top floor. after a violent sound, the man’s body twitched on the ground, and blood flowed from the back of his head and the corner of his mouth.

The blood was bright red, and the ground was soon dyed red.

the crowd screamed.

Zhou chongguang’s eyes narrowed. Without thinking, he dialed 120 and then Qin Chen’s number.

only qin chen, no one else could save this man.

after he hung up, he ran forward, pushed away the people around him, and squatted beside the man.

He didn’t dare to touch the people of his country, so he only said in a deep voice, ” “the ambulance will be here soon, hang in there.”

the man’s eyes were slanted, and blood was still flowing from the corner of his mouth. he shook his head with difficulty, and his voice was so weak that it was almost impossible to hear his voice.

But Zhou chongguang heard it. He said that he didn’t have the face to live anymore and that he wouldn’t be able to explain it to the child.

Also, he couldn’t bear for the woman to be there alone. It was too cold there, and she offended people so easily. He was afraid that no one would take care of her there and she would be bullied.

Hua Piao Miao was the last word the man said before he died.

he had betrayed his woman and paid her back with his life.

His pupils slowly dispersed, but he was powerless to change the situation.

Zhou chongguang knelt down and looked at the man, mumbling, " what's the point of giving her your life? she doesn't want your life. She wants you to care about her and to get her back.

"If you had looked at her last night, if you had been more sincere, or even more shameless, she wouldn't have become like this." zhou chongguang reached out and closed the man's eyes.

Chapter 2715: He wants to see Qin Mu now (4)

"you will be happy in the future." he searched the man's pocket for his phone, but it was not broken.

he saw the man's last message. he instructed the child to be a good man and take care of himself, hanhan.

The ambulance arrived, but the person was still directly taken to the place where he should be.

not long after, it would turn into dust and mist.

Zhou chongguang straightened his body. Under the hot sun, he felt a little dizzy.

he thought of himself and qin mu. weren't they just like this man and woman?

...

"What's the use of giving her my life?" Zhou chongguang mumbled to himself, then laughed.

her smile was very, very shallow.

He suddenly felt that he understood.

What did it matter if he was Dead or Alive?

As long as he was alive, he should love her for a day. As long as he was alive, he should love her for two days and treat her well for two days.

in case he left, his mumu would not take things too hard.

she would only feel guilty and depressed if he were to hide.

Zhou chongguang raised his head and closed his eyes slightly-

He was going to find her now, immediately.

He walked very quickly and quickly crossed the opposite road.

because it was a high-class residential area, it was completely different from where he lived. the trees blocked the sunlight, so it wasn't as hot.

And he saw Qin Mu putting up an advertisement not far away.

He smiled faintly and walked towards her, picking up an advertisement on the way ...

At first glance, his face was dark with a hint of green.

She was not looking for a human, but a dog.

it was a picture of him, zhou chongguang, but it was written as a dog-searching notice!

this little rascal.

Zhou chongguang laughed softly, then called out to Qin Mu from about ten meters behind her.

She was wearing a loose long dress with small flowers, and her long hair was tied into a ponytail. After hearing his voice, everything in her hands fell to the ground.

She slowly turned around and looked at him. Her lips moved slightly, and after a long time, she said in a hoarse voice, ” “Zhou chongguang.”

“Not a dog?” he asked. He said loudly.

qin mu’s eyes were glistening with tears. he also said loudly, ” “it’s a dog called zhou chongguang! I’ve found it now!”

“He came back on his own, Qin Mu.” He smiled and slowly walked forward.

In the future, she would be his master.

qin mu pursed his lips, and there were tears in his eyes. he waited there with a little pride for him to tease him.

She looked into his eyes and smiled. He had not seen her smile like this in a long time.

Slowly, he approached her. When he was about five meters away from her, his expression changed.

An instructor’s car was driving toward them, heading straight for Qin Mu.

The driver should be a newbie, and there were even screams of girls in the car.

“Qin Mu!” zhou chongguang heard his own voice. then, his body was sent flying.

he seemed to have heard the sound of bones breaking. were those his bones?

was his body still there?

Where were his hands? did he still hug Qin Mu?

When Zhou chongguang collapsed, he saw Qin MU’s pale face, still standing there in a daze.

He closed his eyes and felt a metallic taste in his throat. However, he still supported himself and said softly, ” “don’t be afraid, it’s fine now!”

two seconds later, qin mu finally regained his senses. she ran over and squatted in front of him. ” zhou chongguang! how are you doing?”

He looked at her. His vision was a little blurry and all he could see was the color of blood. He said in a low voice, ” “i’m dizzy, mumu.”

“I’ll call the ambulance! Zhou chongguang, hang in there.” she hugged him with one hand and dialed qin chen’s number with trembling fingers.

qin chen was also speechless. just now, zhou chongguang wanted to save others, but now he was going to be finished?

Chapter 2716: zhou chongguang, you can’t let anything happen to you (1)

qin mu hugged zhou chongguang.

he lay in her arms and opened his eyes with difficulty. in the blood, he saw her crying.

“Mumu, don’t cry.” don’t cry, ” he said in a hoarse voice.

Qin Mu shook his head with all his might. I won’t cry, I won’t cry.

She reached out and wiped the blood from his eyes, but the more she wiped, the more blood there was. She was scared to death, afraid that his blood would run dry.

“Zhou chongguang, didn’t you say you’re sorry? If you feel sorry for me, then you’re not allowed to die.” her voice was filled with sobs. ” if you die, who am i going to settle the score with? zhou chongguang, did you hear me? ”

...

he looked at her in a daze.

slowly, he couldn't see or hear her anymore. he only knew that the woman crying in front of him was the love of his life.

his fingers moved gently and slowly, and finally, he held her hand.

He could no longer see, but he still held her hand tightly.

Before he passed out, he stuttered a sentence-

If he used his life to pay for his mistakes, would it still be useful?

qin mu hugged him and pressed his face against his blood-covered face. "zhou chongguang, you're not allowed to die. if you die, i really dare to abort the child and find the ugliest man to marry. i won't live well for the rest of my life, do you hear me?"

He didn't answer her. He just lay there quietly, blood slowly flowing down from his forehead.

Qin Mu hugged him and kept wiping the blood off his cassock.

At the side, the person from the coach's car got out and stood there, stunned and not moving.

qin chen came over personally and arrived very quickly. the ambulance also arrived at the same time.

Qin Chen squatted down and checked his breathing. He looked at Qin Mu, who was crying like a dead man. he's not dead yet.

He asked the caretaker to carefully carry him to the ambulance. Because he knew Zhou chongguang's blood type, he gave him blood directly. Qin Chen then put on gloves and checked Zhou chongguang's wound.

“qin chen,” Qin Mu asked nervously from the side.

Qin Chen’s gaze was focused on Zhou chongguang, then he narrowed his eyes. “you might lose your sight.”

He still had the mood to joke. Qin Mu, do you mind? ”

Qin Mu pursed his lips and didn’t say anything.

“there’s a blood clot pressing against his nerves, and it might cause temporary blindness.” Qin Chen’s voice was solemn. the most important thing now is whether his broken body can hold on.

After all, Zhou chongguang was a person who needed a liver transplant.

qin mu bit his lip and didn’t say anything.

she recalled what zhou chongguang had said-if one were to use their lives to pay for their mistakes, what was the use of that?

“He won’t. He won’t die,” she said in a low voice.

“It’s good that you’re confident.” Qin Chen smiled.

The ambulance drove into Sheng Yuan, and the patient was pushed into the operating room. Qin Chen went to change into his Surgical Gown.

qin mu didn’t care about his stomach and chased after the cart, her hand holding zhou chongguang’s hand.

His fingers were slightly cold, not as warm as before.

he had also lost a lot of weight.

The moment he was pushed into the operating room, Qin Mu said in a low voice, ” “zhou chongguang, you have to come back alive. no matter what happened in the past, i can forgive yingluo.”

he lay there quietly and did not respond. however, his fingers moved slightly.

“zhou chongguang, you heard it, didn’t you? you felt it, didn’t you?” Qin Mu immediately started crying.

Qin Chen came over quickly and patted his sister’s shoulder. Qin Mu, be strong. he did it for you, for the child, yingluo did it for zhou chongguang, so you can’t let anything happen to yourself, understand?”

Chapter 2717: zhou chongguang, you must be fine (2)

“i will,” qin mu nodded. she stepped back and sat on the long bench. her face was pale, but she called zhao ziyi and her parents.

she needed them by her side now, and chongguang needed zhao ziyi.

Only now did she know how lonely he was.

There were so many people by her side, and the only person left in Chong Guang was Zhao Ziyi.

everyone was waiting at the door. even zhou chongguang’s little secretary came. qin mu called lin xue, and she came over without any hesitation.

Chongguang, you see, I’ve already let it go. I’ve called over everyone in your life for you. They all hope that you’ll live well. Chongguang, you don’t only have me, you have the whole world. You still have many, many things. It’s not what you think.

...

Chongguang, I hope you get better. I beg you.

the operation took a very long time, a full ten hours, from dawn to dark.

qin mu was anxious and scared, but she still ate some food.

At ten O 'clock at night, Qin Chen walked out of the operating room. He took off his mask and said, " " he survived, but his liver can't wait any longer. it's also a problem whether his body can withstand the surgery. "

He looked at Qin Mu. furthermore, he's temporarily blind. Qin Mu, you have to be prepared. Everything is going in the worst direction.

At a time like this, he was unwilling to lie to Qin Mu.

he knew that qin mu would be able to hold on. he would be with zhou chongguang, no matter if it was good or bad.

that was enough.

qin mu pursed his lips and nodded hard. " i know. Can I see him now?"

he'll be in the ICU ward. It's best if he stays there for a short time. He can't be infected with any bacteria for now. If he's in a good condition, he'll be moved to the general ward tomorrow afternoon. qin chen looked exhausted, but he did not rest. he personally moved zhou chongguang over.

qin mu changed into a chemical protective suit and slowly entered.

he lay there quietly, his head wrapped in a layer of gauze.

" in addition to the head injury, two of his ribs are broken, so he may not be able to move for a long time. " qin chen said calmly, " mumu, don't cry. he'll be able to sense it if you cry. " the pain in my heart will only make it more painful."

qin mu nodded and tried his best to hold back his tears. ” “I won’t cry. I just want to be with him for a while.”

Qin Chen gestured for the nurse to leave, while he himself stood guard at the door, pretending not to hear his sister’s embarrassing words.

AI, love is really a dangerous thing. If Mumu was not so obsessed at that time, today would not be like this.

Qin Mu half-squatted in front of Zhou chongguang. Her fingers trembled as she caressed his handsome face. His face was pale, without a trace of blood.

She looked at him anxiously, as if she wanted to engrave his face into her mind.

“chongguang, are you in pain?” “I’m in pain too, chongguang. Why are you so silly?” she mumbled. You love me so much, but why didn’t you tell me everything? why did you leave me? did you give up on me, or did you give up on yourself?”

“you don’t even dare to love me anymore?” she had said that she wouldn’t cry, but her tears still rolled down uncontrollably. however, she didn’t cry out loud and tried her best to hold it in.

She mumbled, ” I’d rather you were the way you were before. You’re detestable but full of spirit, not like how you are now. You’re making me sad and guilty. Really, chongguang, I’ll feel guilty if you don’t get better.

She slowly bent down and took his hand.

Chapter 2718: Zhou chongguang, you can’t let anything happen to you (3)

qin mu bent down slowly and pulled his palm over, letting it rest on her lower abdomen. she mumbled softly, ” ” chongguang, can you feel it? it’s our child, shuimu’s younger brother or sister. don’t you miss shuimu? he can already call me ‘mommy’. he’s calling me. don’t you want him to call you’ daddy’? ”

She pressed her face against his body, not daring to hurt him. Although he was under anesthesia, she was afraid that he would get hurt, afraid that he would feel even a little pain.

It was only now that she realized that while he was hurting her, she was also hurting him.

chongguang, if I don't love you so much, can we be like other couples where I turn a blind eye to it, but you come back on your own when you're tired and tired of playing outside? do you still think that your wife is the best? " she laughed softly, tears welling up in her eyes. " if only that were the case. "

However, you would definitely not be willing. You would say that you were willing to give up everything in exchange for such a relationship.

yes, we've come this far. now that you're lying here, everything else doesn't matter.

...

I only want you to live.

It doesn't matter if you can't see or can't move. I will be your eye. I can push the wheelchair. When Shui mu grows up, he can help me push it too. Even if he can't, we still have a child. It won't tire me out.

chongguang, live well, okay? we still have many years, we still have many tomorrows waiting for you.

didn't you always want my forgiveness?

tears welled up in qin mu's eyes. he took out a diamond ring from his pocket. " i found this in the bedside cabinet. you lied to me. you said you took it away, but you've been keeping it on my photo. "

She laughed as she cried, slowly putting the diamond ring on her ring finger.

Qin Mu is willing to marry Zhou chongguang and never divorce again. she said softly.

At this moment, Qin Chen came over at the right time and took out a ring from his pocket. He found it on Zhou chongguang's body. He passed it to Qin Mu silently and thought to himself, 'you're still abusing single dogs even after becoming like this. Are you humane?'

qin mu smiled and put the ring on his finger bit by bit. he had lost a lot of weight and was a little big. she pulled out a strand of her long hair and tied it up carefully. after she put it on, it was just right.

"Alright, we'll be husband and wife again in the future," Qin MU's eyes were glistening with tears. Then, he leaned over and teased her.

"hey, my dear sister," qin chen called out to her,"do you really think this is a wedding? are you going to kiss the groom?" the process wasn't like this! also, be careful not to infect him. he can't stand your enthusiasm."

"I just wanted to see if he wanted to drink water." Qin Mu was dumbfounded.

"I'm overthinking it," Qin Chen waved his hand.

"Qin Chen, I still have to thank you." Qin Mu turned his head.

Even though they were family, she still had to thank him.

because qin chen had done his best for her, zhou chongguang, and shui mu.

qin chen smiled lazily. " you're too kind! "

"You can thank me when he's alive," he couldn't help but say.

qin mu was stunned and speechless.

then, she was asked to leave.

For the next 12 hours, Qin Chen didn't leave his side and didn't even close his eyes.

The people outside had almost dispersed, leaving only Zhao Ziyi and Qin MU's parents.

Chapter 2719: i like men, do you understand?(1)

It turned out that Qin Anlan did not have a good impression of Zhou chongguang. This time, he was really touched. This kid was sincere towards Qin Mu. It was just that he had a wrong start.

their love had come a little too late.

Probably because his desire to live was too strong, Zhou chongguang's condition was much better the next day. He had also woken up for a short time. His consciousness was still clear, but he was extremely weak.

Qin Chen moved her to the VIP Ward, and eight nurses from the fourth shift watched over her. He also dragged Qin Mu back to the apartment. He looked at Qin Mu."sleep for at least ten hours. after ten hours, i don't care where you go."

qin mu bit his lip, but he still listened to qin chen.

She didn't care about herself, but she couldn't leave her child alone.

...

Zhou chongguang won't die. As I said before, a scourge lives on for a thousand years. qin chen was in a bathrobe, leaning against the door of the master bedroom, chuckling.

now, the master bedroom was completely given to qin mu. in fact, they could sleep together, but he was used to it as a man. he always felt that it was a little strange to sleep with qin mu now. qin mu probably thought the same, so he had never invited him.

Qin Chen was tired as well. He hadn't slept for nearly 36 hours and had to perform such a long surgery.

he wasn't made of steel, and he would need at least 10 hours.

scientifically speaking, a lack of sleep would lead to an early death, and he didn't want to die yet.

however, he was not as lucky as qin mu. he only slept for five hours before he was woken up by a phone call from the hospital.

Qin Chen scolded the director as he put on his clothes. "I'm not Sheng Yuan's doctor now."

the director was on the verge of tears. " dr. qin, i'm begging you. this time, it's a big shot. the higher-ups have appointed you. "

"then i'll choose you." Qin Chen's tone wasn't very good. Anyone would lose their temper at this time.

the director pleaded again, but qin chen was only saying it. he would still go.

at the hospital, the surgery took a total of seven to eight hours. after the surgery, the patient was pushed to the VIP ward like a star surrounding the moon. the patient's secretary came forward and handed him a business card. she smiled and said,"If Dr. Qin has any trouble in the future, you can look for our ran ran directly."

Qin Chen took it, glanced at it, and smiled. "then i'll have to thank your leader."

"You're welcome," the secretary was extremely polite. " our madam said that she would treat dr. qin to a meal in a few days. madam thinks that dr. qin is very handsome and talented. "

our leader has a daughter, " he said in a low voice. she has very high standards. I think she likes Dr. Qin.

“Hehe.” Qin Chen’s heart was filled with grass. Just as he was about to refuse, a person chuckled beside him. “You’re quite lucky, congratulations.”

qin chen turned his head and saw lan yu.

he rolled his eyes. he really didn’t know where the stylish artist lan yu had gone. after being in a vegetative state, he seemed to have lost all his moral integrity.

then, he smiled, ” this mr. lan beside me is also quite good. ”

The Secretary looked at Lan Yu and smiled profoundly, ” “mr. lan seems to have a history of marriage.”

Qin Chen looked at the Secretary, lit a cigarette, and took a puff. Then he put his hand on Lan Yu’s shoulder. our ran ran, you know ran ran.

us?

the secretary looked at this and then at that. after a minute, she finally understood.

Did Dr. Qin mean that ran ran likes men?

Chapter 2720: Qin Chen is actually a woman!(1)

“Everyone in the hospital knows about it.” Qin Chen smiled and took out a photo. “Look at this.”

He didn’t expect the photo that was circulated last time to be useful.

Qin Chen wasn’t someone who overestimated himself. He understood that although the Qin family was famous, the person under his scalpel was the real pervert.

if he didn't find a reason, that family wouldn't let him off.

The Secretary looked up at the photo and confirmed that they had really kissed.

He believed her and sighed. I can only say that she's not fated to be with Dr. Qin. However, Madam should respect Dr. Qin's sexual orientation!

...

"thank you for your understanding," qin chen replied with a smile.

then, she hugged lan yu and said to feng jiyue in a very friendly manner, " didn't you say you've ordered takeaway for me? let's go to my office to eat!

Lan Yu looked at the face in front of him that was as beautiful as a woman's and laughed in his heart. Where did he order takeout from? Qin Chen was really deadly when it came to lying.

however, he certainly wouldn't let go of such an opportunity, so he smiled and left with qin chen, hugging each other.

The Secretary looked at their backs and sighed.

Dr. Qin was good-looking, had a good family background, and was good in all sorts of ways. The only thing was that he was not gay.

at this moment, a well-maintained middle-aged woman came over. the secretary was serious and went over to whisper a few words.

the woman was a little surprised, but then her face was filled with pity.

After a while, he had to comfort his precious daughter. His daughter was already so old, but she had never been interested in men. Now, she finally had a crush on one, but her sexual orientation was wrong.

however, as a mother, she would never want her daughter to be with a G. that would be too aggrieved and she would not be happy for the rest of her life.

the woman looked at it, then lowered her head, wrote a check, and whispered, " " although the qin family doesn't lack money, this is also a gift from me. go and give it to dr. qin. "

the woman sighed and left.

She also liked doctor Qin's appearance. He was really not bad, and his profession was also good. He was not like the men in the official or business world who were full of bad ideas.

looking at dr. qin's temperament, he was really a second generation that left her husband's circle.

It was a pity, a real pity.

The woman left, and the Secretary went over with the check. Qin Chen and Lan Yu entered the office, and Qin Chen was about to send Lan Yu away, but the Secretary followed.

He endured it and still left Lan Yu behind.

The Secretary handed over the check in a very polite and respectful manner.

qin chen didn't reject her.

He was born into the Qin family. Although he wasn't involved in the business, he understood some things. This check was a kind gesture. If he rejected it, he would be disrespecting the other party.

Thus, he accepted it and gently said a few more words about that person's situation to make his wife feel at ease.

The Secretary was quite satisfied and didn't stop praising Qin Chen in front of the master. However, the more he praised him, the more depressed the madam was and the more she felt that it was a pity.

then, a certain madam, who was in a high position and had great authority, also became a little gossipy. she coughed lightly and said, ” “who do you think is the dominant one, dr. qin or the man?”

The Secretary was in a difficult position. I didn't ask.

the madam smiled and did not ask further.

qin chen's office.

Qin Chen leaned against the desk and sipped the coffee in his cup. He looked up at Lan Yu.”still not leaving?”

Lan Yu stepped forward and stood in front of him. He was much taller than Qin Chen, so he had a feeling of looking down on him.

however, qin chen didn't do anything about it. he looked at lan yu lazily.
