

Thank you 2721

Chapter 2721: qin chen is actually a woman!(2)

however, qin chen didn't do anything about it. he looked at lan yu lazily.

there was a little provocation.

“After you're done using it, you'll throw it away, huh?” lan yu took another step forward and trapped qin chen between himself and the desk. he even stuck one of his long legs between qin chen's body.

qin chen remained calm and didn't take it to heart. he looked at lan yu.”Do you want Yingluo to kiss you again?”

“what if i am?” Lan Yu's finger gently touched his lips, which had a light coffee stain. Then, he put it in his mouth and sucked it off.

lan yu's actions were extremely alluring.

...

Qin Chen looked at him and felt that he was becoming more and more like Zhou chongguang. There was no trace of the artistic atmosphere from before, so he sneered. ” if you have the time, why don't you find a remarried wife? look, everyone is looking down on you for having a history of marriage. if you don't work hard, you'll probably be single for the rest of your life. ”

lan yu narrowed his eyes and was about to say something when a timid voice sounded from the door, ” “is this dr. qin? the delivery is here.”

Qin Chen looked at Lan Yu.

lan yu didn't move.

Qin Chen extended his leg and kicked him in the most important part.

Lan Yu's voice was a little hoarse. it's broken. How can I make you feel comfortable? ”

he was just bickering with him, but it was obvious that dr. qin's rank was higher. as she pushed him away, she said calmly, “then you'll be at the bottom and i'll be at the top.”

he walked to the door, and the delivery man's face was already red.

to be able to see such a scene while delivering food, the young and inexperienced teenager's heart was shocked. he was speechless and could only hold up the food. “you ordered the food.”

Qin Chen took it indifferently, his long and beautiful fingers brushing past the little boy's fingers, stirring up a tantrum.

The underling's face was completely red, and he swallowed his saliva. “enjoy your meal.”

Then, he fled.

If he didn't leave now, he would turn gay.

The doctor just now was really good-looking. He was so good-looking that he looked like a character from the two-dimensional world.

she was clearly above the common populace, so why did she order fried chicken rice?

qin chen chuckled as he watched his underling run away. he slowly walked back, put the takeaway on the table, and walked to the bathroom.”I want to take a bath first. Mr. Lan, please help yourself. I hope that I won't see you again when I come out.”

Lan Yu, on the other hand, looked at the fried chicken rice. He didn't think that such a sophisticated Qin Chen would be willing to eat this. Didn't he have to eat all kinds of delicacies every meal? a cup of coffee cost a few thousand Yuan.

As long as he was alive, even a breath of his was more expensive than others.

Qin Chen took off his coat, looked at Lan Yu, and smiled. don't doubt me. I'm very hungry. This restaurant is the fastest.

His highest record was not eating for 24 hours, and he was on the operating table the entire time. After he came out, he ate three servings of fried chicken rice.

when lan yu heard his words, he suddenly felt a touch of pain in his heart.

Qin Chen was a doctor. No matter how rich he was, he was a doctor in the operating room. He was more responsible and serious than any other doctor, even to the point of being strict with himself.

Qin Chen went in to take a shower, and Lan Yu went to close the office door. Then he walked to the sofa and opened the meal, a small medicine bag between his fingers.

he still hesitated for a moment, but in the end, he steeled his heart and put it in the rice.

Chapter 2722: Qin Chen is actually a woman!(3)

Lan Yu still hesitated for a moment, but in the end, he steeled his heart and put it into the rice.

it was colorless and tasteless. eating it would make one want to f * ck their life. without it, it would be extremely uncomfortable.

he believed that qin chen, who had not lived with project X for a long time, would not be able to hold back.

He only needed to wait quietly.

in order to lower qin chen's guard, he even ate a few pieces of fried chicken for a spin.

qin chen came out, drying his hair, and saw that lan yu had not left.

...

he frowned and stood at the door in only a bathrobe. ” “Why haven’t you left yet?”

“i was hungry, so i also ordered a fried chicken rice. i’ll eat here before i leave.” Lan Yu crossed his arms in front of him. it tastes good.

“What’s wrong with you!” Qin Chen smiled, slowly walked over, sat down, and started eating his fast food.

he ate very quickly. it was probably as he had said, he was famished.

Lan Yu saw with his own eyes that he ate the medicine along with the rice, and his Adam’s apple couldn’t help but move because of his desire.

he looked at qin chen’s bathrobe and laughed dryly. ” “don’t tell me you’re not wearing anything underneath?”

Qin Chen raised his eyes and stared at him, saying slowly, ” “do you want to take a look?”

“I kind of miss you.” lan yu’s eyes were fixed on her. ” what about you? do you want to? ”

this medicine should be effective, right?

“You’re crazy!” Qin Chen glared at him.

He continued to eat with his head lowered, and Lan Yu watched on helplessly at the side.

Slowly, he saw the sweat on Qin Chen’s forehead and coughed. “You’re not hot? we’re both men, take off your bathrobe, it’s cooler.”

“You’ve been thinking about this for a long time, haven’t you?” Qin Chen asked slowly.

as he spoke, he put down the fast food in his hand and slowly swept all the food into the bin.

his movements were very elegant and beautiful, and lan yu's heart was pounding. shouldn't ordinary people immediately pounce on him when they were in heat?

qin chen's eyes were clearly moved, so why did he have such a reaction?

he was a little uncertain, but he didn't dare to act rashly, so he just watched.

qin chen cleaned up the office, then walked to the door and locked it.

"here, or in my lounge?" he asked indifferently as he leaned against the door.

lan yu's heart beat faster. " what do you mean by that? "

Qin Chen looked at him coldly. didn't you drug my food? you don't remember? Or have you become a vegetable again?"

Before Lan Yu could speak, Qin Chen looked at him quietly. "do you want to do it yourself, or should i call niu yilang over?"

Lan Yu's brain was too muddled. For a moment, he didn't notice that he was talking about Niu yilang and not a woman.

he only thought that qin chen was the same as him, gay.

He didn't expect to be so lucky and immediately said, " let's go to the lounge!"

Lan Yu chuckled, and there was a hint of mockery in his chuckle.

However, Lan Yu couldn't care anymore. He was finally going to get what he had been thinking about for a long time. Although this kid still had a sharp tongue, he would definitely kill him in a while.

Let him know how powerful he was.

Even though Lan Yu didn't know what he and Qin Chen, two men, should do.

He didn't have any experience either.

However, he was excited and eager to try.

qin chen was more proactive than he had expected. as soon as he entered the lounge, he hugged a very warm body.

it was softer and slimmer than he had imagined. it was just like a woman's.

Chapter 2723: Qin Chen is actually! woman (4)

he hugged a very warm body.

it was softer and slimmer than he had imagined. it was just like a woman's.

Lan Yu was wild with joy. He had never been so excited in so many years.

in his confusion, he kissed qin chen's collarbone and asked in a daze, " "who's going to take the lead later? hmm?"

In fact, he just wanted to get it and didn't care too much about who it was. He was even more eager to see how Qin Chen would treat him.

Just thinking about it made Lan Yu feel that he was indeed a pervert.

...

but this perverted idea was about to be realized.

His body was trembling with excitement.

qin chen was unexpectedly proactive. he took the initiative to kiss lan yu and bit his earlobe.”You do it, huh?”

lan yu was a little disappointed, but his blood was still hot. he was about to deal with this quack doctor.

in the midst of the chaos, the bathrobe finally fell to the ground.

After that, Lan Yu turned into stone.

Lan Yu was stunned.

lan yu was dumbfounded.

lan yu was at a loss.

All of Lan Yu’s hot blood cooled down ...

how could it be like this?

how was that possible?

he thought with difficulty, how could qin chen be a woman?

Vaguely, Lan Yu heard himself cry out in surprise.

even he felt embarrassed, like a woman.

Qin Chen’s entire body was bathed in the mesmerizing light, and she was charming.

her body was not like a man's at all.

at least, in lan yu's eyes, she was simply a goddess that he had squinted.

although she was flat, the lines of her body were too beautiful. he was an artist and knew how beautiful she was.

It was a work of art.

his adam's apple moved as he reached out, not daring to touch her.

"what's wrong with lan yu qianqian?" she buried herself in the pillow, her red lips moving slightly, making a very sexy sound.

lan yu shook his head, still unable to believe his own words.

she was clearly going to do it with a man, but now it was a woman.

was there something wrong with him? he dared to do it with a man, but now that it was a woman, his desire was even more intense, but he didn't dare to do it anymore.

it was fear.

because of her perfection.

qin chen smiled lightly. although it was faint, it was very tempting.

"Lan Yu, weren't you the one who drugged me? I can't take it anymore. Yingluo, call a man for me. I can't take it anymore." her voice was calm, but she really couldn't take it anymore.

Blue veins popped out on Lan Yu's forehead and his voice was low and hoarse, "i don't need any other man."

He looked at her, looked into her eyes, reached out to hold her chin, and kissed her.

He was almost trembling as he worshipped her.

he didn't expect it to be qin chen's first time.

when he wanted her, her eyes still welled up with tears. she reached out and patted his shoulder."Lan Yu, I hate you to death."

then, his shoulder was bitten, and it was beyond recognition.

Only then did he know how fierce Qin Chen could be when he made a scene.

Moreover, her body was very attractive. The more she was like this, the more he couldn't let go.

he couldn't bear to part with it.

Perhaps he hadn't had a woman for a long time. Even though he knew that this was her first time and that he should control himself and must control himself, he still couldn't control himself. He gave it to her again and again, and he took it again and again.

From afternoon to night, he had her for a whole six hours.

outside, there were a few groups of people looking for qin chen. although the door was closed, the commotion was too loud.

it's hard not to associate it with a sumptuous and elegant kasaya.

Chapter 2724: Qin Chen is actually! woman (5)

after the intense gaze.

Qin Chen lay on the pillow, panting.

There was a layer of red on her face, and she was indescribably beautiful.

lan yu felt that he must have been blind in the past. how could qin chen be a man?

Looking at her now, even the words ‘a beauty for a lifetime’ would not be enough to describe her beauty.

His fingers unconsciously fell on her shoulders again. His voice was a little tense.”does it hurt badly?”

...

“what do you think?” Qin Chen rolled his eyes at him, then turned around and let out a long breath.”Lan Yu, how long has it been since you last had a woman?”

she looked at him, her long and narrow eyes shining with an attractive luster.

“Two to three years,” Lan Yu replied honestly.

qin chen glanced at him, then lay down and said in a faint voice, ” “Go to the pharmacy and get me some medicine.”

Right now, she couldn’t move at all.

“Let me check,” Lan Yu’s voice was a little messy.

qin chen’s reply was a kick. her leg was very long, and it almost crippled lan yu’s shoulder.

lan yu raised his eyes and looked at her with a faint gaze. then, he pressed his body against hers tightly.

qin chen's expression changed. although he was exhausted, he still supported himself and looked at him."Lan Yu, if you still don't have enough, go and find a woman to help you deal with that disgraceful Yu Wang."

"but i only want you." he deliberately nudged her.

"i'm going to buy medicine." qin chen glared at him.

However, he didn't leave immediately. Instead, he moved closer to her ear and whispered, "Qin Chen, you know karate, but you still let me kiss you so many times. You actually like me too, don't you?"

Qin Chen's face darkened, and he gritted his teeth. "lan yu, i said i'm going to buy medicine. i'm in so much pain. "

however, her face was dark with a tinge of red.

"are you shy?" Lan Yu's mood was especially good. He reached out to touch her small face and got off the bed to put on his clothes.

she was not fully dressed. she only put on a shirt and trousers casually. the two buttons on her collar were not buttoned up, deliberately revealing the hickey on her neck.

qin chen, who had taken the medicine, naturally went crazy. there were many marks on her body, and lan yu was not any better.

qin chen couldn't do anything to him, and she was really tired.

Her delicate face was buried in the pillow, and she said in a small voice, " go quickly. Also, I'm a little hungry, bring me some food."

she had been in the operation for a long time and was exhausted. she had also been pressed down by this inhumane guy for six hours. she felt that it was a miracle that she didn't die. moreover, it was her first time.

qin chen fell asleep, exhausted.

lan yu had walked to the door, but suddenly came back.

he covered her with the blanket, lowered his head to kiss her, and said in a hoarse voice, ” “I’m very happy, Qin Chen.”

She stretched out her hand and patted his handsome face. I’m not happy.

he smiled, and his smile was filled with gentleness.

he had a lot to say to her, but he wanted to wait until she had rested.

he had liked xue ‘er before, but it was far from as real as it was now. possessing her was such a wonderful thing.

Moreover, he was possessing the god-like Qin Chen. Until now, his body was trembling, and he couldn’t describe the feeling.

when lan yu walked out, there were a few nurses on duty at the door. they were all looking at lan yu and gulped.

Looking at Lan Yu’s expression, he knew that he had slept with doctor Qin.

Chapter 2725: Qin Chen is actually! woman (6)

Oh my God, two men!

Who was the dominant one and who was the submissive one? their brains were all wriggling.

the hearts of the female doctors and nurses in the hospital broke. so many people liked dr. qin, but he had never taken the initiative with anyone. it turned out that he liked men.

this man was still lan yu. she remembered that dr. qin used to have a poisonous tongue towards lan yu. why did they get together?

lan yu glanced at them and didn't explain much. if they misunderstood, so be it. anyway, he was the one sleeping with qin chen, not anyone else.

very quickly, the news of him sleeping with qin chen spread throughout sheng yuan, including the madam and the young lady.

...

Lan Yu, on the other hand, did not mind and leisurely went to buy some medicine. The lady in the pharmacy even specially explained the usage. Finally, he coughed lightly and asked in a very troubled and gossipy manner, "mr. lan, is this medicine for dr. qin or you?"

Lan Yu looked at her and chuckled, "of course it's for ran ran, dr. qin,"

the pharmacy lady instantly imagined a scene where dr. qin's kasaya bloomed.

It was very, very tragic.

She looked at Lan Yu and smiled. Her voice was also gentle and soft. Mr. Lan, you have to be gentler to our Dr. Qin. Dr. Qin's body is weak, especially between men. You have to be more careful. Otherwise, it's easy to go to the proctology Department.

Lan Yu smiled. I will be gentle.

He winked at the pharmacy lady, a little flirtatious.

Then, the news spread again-

Dr. Qin was the one at the bottom.

Lan Yu personally went out to bring two sets of dinner. Thinking that it was her first time, he got someone to make warm and nourishing food.

He personally watched as it was cooked and brought it to her office.

as soon as he opened the door, he blushed and his heart beat faster when he smelled the decadent smell inside. he naturally knew how impetuous he was today-a man's limit, or his own limit, he only understood it today.

Qin Chen was still sleeping when she walked in. Her face was turned to the side, and her sleeping face looked a lot softer, like a child's.

Lan Yu's heart softened as well. He sat by the bed and touched her short hair. He was hesitating whether to let her continue sleeping or to wake her up to eat something. After that, he looked at her leg and decided to help her apply the medicine first.

When Qin Chen woke up, he felt that his body was strange. He looked up and saw his black head.

There was also a cold touch.

After thinking about it, she knew what he was doing.

this beast.

He wasn't applying medicine, he was clearly taking advantage of her.

qin chen endured it and finally kicked him away. " "what are you doing?"

His voice was a little cold.

Lan Yu fell to the side and didn't mind. He smiled, " "i was helping you apply medicine. it's all good now."

"How long did you apply it?" qin chen sneered.

“About half an hour,” Lan Yu replied honestly.

“Did you find anything?” She sat up, put on a bathrobe, and got out of bed to go to the bathroom.

Her movements were still as agile as before, without the gentleness of a woman, but Lan Yu was fascinated to death.

“Do you want to take a shower together?” He shamelessly hugged her from behind, sniffed her scent, and was reluctant to let go.

qin chen’s body paused for a moment, and he turned his head. ” let me take a shower first. ”

Lan Yu saw that she didn’t seem to be joking, so he let go of her hand and smiled. “I’m going to pack up. We’ll talk after we eat, okay?”

Chapter 2726: qin chen is actually a woman (7)

he felt that he was a man. he had taken her and occupied her, so he had to be good to her.

no matter how fussy qin chen was, he was still a woman. in bed, he was a woman through and through, and he was very charming.

his heart skipped a beat, and he made the bed for her. he didn’t know why, but he just did it.

qin chen was a self-disciplined and independent person, but he was willing to treat her like a child now.

lan yu had tidied up the office and lounge inside and out. the only thing missing was a bouquet of flowers.

he was also very satisfied with himself. she would definitely praise him for his ability later.

...

However, he was quite capable just now. She should be satisfied with six hours!

just thinking about it made lan yu excited again.

he couldn't think about it. if he stared at her again, she would definitely be angry.

He wanted to appear more profound and gentlemanly in front of her, and not a man who was obsessed with a worm.

even though he was!

when qin chen came out, he was slightly taken aback. then, while drying his hair, he asked lan yu, " "Have the cleaners come?"

lan yu's face was so dark that water was about to drip out, but he still nodded. " "Yes, I did. It's pretty clean."

"i don't need to clean my office," qin chen glanced at him, threw the towel aside, and walked outside to sit on the sofa. he took a sip of soup before saying, " "are you sure you want to keep lying to me?"

lan yu was actually speechless.

He watched Qin Chen drink the soup calmly and his voice became hoarse. aren't you afraid that I'll plot against you again? "

"it doesn't matter. if you can't kill me, i'll kill you when i wake up." Qin Chen wiped his lips and started to eat.

She really had a big appetite. In less than ten minutes, she had finished her portion.

after he finished eating, he looked at lan yu.

lan yu felt that he was being ignored and his tone was not very good, ” “you eat!”

Qin Chen really ate it, and it was only after he had finished his portion that Lan Yu was surprised.
“Can you eat so much?”

and her stomach was flat.

This was simply unbelievable.

“let’s clean up this place.” qin chen smiled.

Lan Yu was a little unhappy. She had eaten a lot, but he had been moving around for six hours without rest. He was also starving to death, Yingluo.

However, out of love, he still finished cleaning up. In the end, he wanted to please her and sit beside her, asking for a kiss.

However, Qin Chen refused.

She stood up and walked to the window. With her back to him, she said in a soft voice, ” “Lan Yu, you should leave!”

His voice was soft and cold.

It had never been so cold.

It wasn’t the poisonous tongue she used to have, but a kind of banishment. She didn’t even want to joke with him.

lan yu sat there in a daze. ” “Qin Chen?”

“do you think that you can change anything by sleeping with me?” “Lan Yu, do you understand me?” Qin Chen looked at him.

lan yu's adam's apple moved, but he didn't make a sound.

qin chen's voice became even softer,"do you know my past?" do you know that i have someone i like? you're so despicable as to drug me, take my body, and even think that i'm a man. "

"you should leave. you and i are not from the same world." she rubbed her forehead as she spoke.

Lan Yu's heart felt extremely empty. He looked at her and after a long time, he said with difficulty, " i don't understand, lan yu. we were still fine just now. "

Chapter 2727: Qin Chen is actually! woman (8)

" it's never been good. it's all your illusion! " Qin Chen's face had a smile on it, it was very light, but it was also very piercing."lan yu, do you know why i slept with you?"

Lan Yu's eyes narrowed.

He refused to listen, but he had to.

Qin Chen's aura was stronger than his. In front of Qin Chen, he was simply a servant.

and this situation was his own doing, so who could he blame?

qin chen looked at him quietly, and after a long time, he said in a low and hoarse voice, " "because i know that if i don't sleep with you, the family outside won't let me off. they will only give up after i've slept with them. when a little girl gets stubborn, she won't be any better than you today."

...

Lan Yu gritted his teeth,'so, you're just using me? I'm just a tool. In your opinion, it doesn't matter who I sleep with? qin chen, you're really great, you actually made such a big sacrifice. let me guess, is it for the qin family or for the person in your heart?"

"He's gone!" Qin Chen said quietly, his eyes calm.

Lan Yu was stunned for a moment, unable to digest what she had said.

with that person gone, he had no love rival, but why did he feel that this was worse than having a love rival?

Because he was no longer around, he was like a thorn that grew in her heart. From then on, she was afraid that she could never pull it out again.

“no matter what you think, you’re the one who drugged me. it’s too much to say that i used you.” qin chen still smiled.

after she finished speaking, she turned her head away and no longer looked at him. Lan Yu, you should leave. I went to United States a long time ago. It was obvious that it’s impossible between us.

“if that person didn’t exist, would qianqian like me?” Lan Yu asked almost humbly.

“I won’t,” Qin Chen replied without hesitation.

“have you never been moved?” Lan Yu squinted his eyes and looked at her beautiful back and the rejection around her.

“no, i didn’t,” ” to me, you’re just a patient, ” she said indifferently.

you’re so stubborn. Lan Yu stepped forward and turned her around from behind. He pinched her chin.”How many patients have you slept with?”

He regretted it immediately after asking.

It was clearly her first time, and he was the only man who had taken her. He was going too far by saying that.

Qin Chen looked at him, not a hint of hurt in his eyes.

Just like her usual self, she was emotionless, like a god, and no one could hurt her.

all of a sudden, lan yu was a little confused. qin chen said that he didn't understand her past, but now, he really wanted to know.

He didn't want to give up on her, so he said in a soft voice, " "Then can you tell me? You told me everything I don't know. The person in your heart can always be there, but if it were me, even if it's a small place, I would still stay well."

This was the biggest concession he could make.

qin chen didn't mind. " lan yu, go and find a woman that suits you. my world is different from yours. "

In her world, there was only purity and innocence. There would not be men like Lan Yu and Zhou chongguang.

and she would have to return to that world eventually. it would always be like this, she would always be in that world.

she didn't want to get out of it either.

she liked to stand at a very high place and look at the world. she liked not to be tainted by anything because she could not afford to be tainted.

She didn't want to see the people or things she cared about disappear again. She didn't want to go through the pain that Wanwan had experienced.

he didn't know anything about lan yu. his so-called love was so shallow. what he liked was nothing more than the mysterious feeling she had and this body.

"i can sleep with you," she said softly. until you're tired of it. "

Then, the bathrobe she was wearing fell to the ground.

Chapter 2728: Sticking to her, a shameless pursuit (1)

Lan Yu stared at her, his eyes filled with hurt.

after a long time, he said in a low and hoarse voice, ” “qin chen, in your heart, am i that kind of man? a man who would be satisfied with just showing off his animal jade?”

“It doesn’t really matter to me.” “Lan Yu,” Qin Chen’s voice was very calm,”do you only say yes or no?”

Lan Yu looked at her and laughed softly. Qin Chen, you’re still so high and mighty. Even if you’ve schemed against me, you’re still so matter-of-fact, just like when I just woke up and you guarded me, full of sarcasm.

He took a deep breath. in many people’s eyes, you’re a god-like existence. But in my heart, you’re just an ordinary woman. A woman that I can take care of and love, even if you don’t need me.

he said bitterly.

...

Qin Chen pursed his lips and didn’t speak.

she looked at him with a calm gaze. just like she said, he was not important to her.

lan yu wasn’t a fool. if she said it wasn’t important, it really wasn’t important.

When did the high and mighty Qin Chen ever joke?

however, he didn’t give up. he tilted his head and smiled at qin chen. ” “what do we do? i don’t think i’ve given up yet.”

“As you wish.” Qin Chen still didn’t give him much of an expression.

Lan Yu stepped forward and hugged her.

although she was as flat as an airport runway, her body was very beautiful.

qin chen's body froze, and the corners of his mouth curled up into a cold smile.

After all, he was still a man with strong desires.

However, Lan Yu picked up her bathrobe and helped her put it on. He gently tied the belt and said in a low voice, "rest early."

At this time, his voice was a little dispirited, without any of his previous high-spirited spirit.

qin chen looked at him quietly, suddenly feeling a little sad for lan yu.

Her voice became gentler. LAN Yuzhen, don't like me. Liking someone is harmful to your body.

Her fingers clasped his shoulder gently and caressed it very gently. She said slowly, "i'm a person without a future."

"I don't care. I can also have no future." his voice was hoarse.

He had once carried so many sins. He just wanted to love someone properly. Even if the end result might not be the same, he still wanted to like her.

Qin Chen smiled and didn't say anything more. He just walked slowly into the lounge.

Lan Yu was outside and heard her voice from inside, "Please close the door when you leave, thank you."

Compared to her saying thank you, he would rather stay and lie by her side.

but tonight, he thought that she needed to rest, and he might not be able to hold back.

it was hard for a man to be a gentleman in front of the woman he liked.

in the end, lan yu still left.

he tidied up the place and cleared out the rubbish because he knew that she liked to be clean.

he also closed the door for her. qin chen knew all about his thoughtfulness.

she lay quietly on the bed and smiled. she didn't understand why lan yu would like her like this.

she didn't have a hint of femininity, but he still thought that she was a man. moreover, she knew that lan yu didn't have a problem with sexual orientation in the past.

But he had provoked them just like that!

He was originally extremely tired, but he couldn't fall asleep even after lying down for a long time, so he simply got up to go see Zhou chongguang.

qin mu was also there. when he saw qin chen walking over in a bathrobe, he asked softly, "you and lan yu?"

Chapter 2729: Sticking to her, a shameless pursuit (2)

qin chen walked over and sat by the bed, saying calmly, "We've slept together,"

even if qin mu was worried about zhou chongguang, he was still concerned about qin chen's matters. now that he heard qin chen's words, he was a little stumped.

Qin Chen didn't care. he was the one who drugged me. I knew about it, so I didn't reject him.

Qin Mu said in a low voice, "then, do you plan to be with him?"

“I don’t plan to be with anyone.” qin chen’s voice was very calm, then his gaze fell on zhou chongguang’s face, and he said very softly, ” “i can’t imagine myself living with a man.”

Qin Mu opened his mouth and asked very slowly, ” “do you like to live with women?”

...

Qin Chen looked at his sister, then knocked her on the head. “what are you thinking about all day?”

“i’m not interested in women,” he snorted.

qin mu didn’t reply.

Qin Chen looked at Zhou chongguang, then at Qin Mu, and whispered, ” “Go to my office and take a nap. I’ll look after things here.”

Qin Mu didn’t want to leave, but he couldn’t resist Qin Chen’s attack and chased her away.

when qin chen was the only one in the ward, she leaned on the sofa at the side and looked at zhou chongguang, sighing slightly.

Qin Mu and Zhou chongguang would probably be entangled with each other for the rest of their lives. She didn’t want such a relationship.

The feeling of being on the verge of life and death was just too unbearable. It was not a very good experience to see the person she liked lying in a pool of blood.

Qin Chen looked at Zhou chongguang and waited until dawn.

At dawn, Lan Yu came over early.

He had to be careful when pursuing girls, especially for someone like Qin Chen. He had to worship the goddess.

However, the moment she pushed open the door to the lounge, she saw Qin Mu, who looked exactly the same as her, lying down and sleeping soundly.

He was stunned for a moment, then immediately left. Finally, he found Qin Chen in Zhou chongguang's ward.

qin chen was wearing a bathrobe and was bending over to moisten zhou chongguang's lips. her movements were very gentle, not at all like her usual unreasonable self.

lan xiao stood at the door and watched intently.

That was until Qin Chen noticed him.

He stood at the door and raised the breakfast in his hand. breakfast.

Qin Chen put down the things in his hands, walked out slowly, and closed the door carefully.

she walked to lan yu's side and frowned, " "You don't need to do these things."

he paused for a moment before continuing. " there are many people with high social status who can do such things. for example, nurses, secretaries, and servants at home. anyone can do it. lan yu, don't waste your time on me. "

lan yu looked at him and then smiled.

"See, I'm already different in your heart, right? You won't be able to say anything more vicious now." He put his arm around Qin Chen's shoulder and walked forward. " these things can be done by many people, but i think it's different if i do it. "

His voice was very soft. Qin Chen, I know you don't lack anything. You're noble and pure. For someone like me, it's already too high of a social ladder to be associated with you. But no matter what, I will still feel that taking care of you is a very happy thing. At least, I'm happy now.

Qin Chen sat down on a long bench. Without caring about his image, he opened a bag of food and started eating.

After finishing a bag of tofu pudding, he said slowly, " "When you get rejected, you probably won't be happy anymore."

lan yu realized that qin chen was a cold person, but he still had a weakness.

For example, Qin Chen was a glutton. In the past, Qin Chen gave him a cold and aloof feeling.

lan yu realized that qin chen was a cold person, but he still had a weakness.

for example, qin chen was a glutton. in the past, qin chen gave him the impression of being aloof. the cost of a cup of coffee was ten to twenty thousand yuan, and the cups were hundreds of thousands yuan a set. his life was extravagant to the extreme, but now he realized that qin chen was not picky at all at work. as long as it tasted good, she couldn't refuse.

Of course, this little weakness made her very cute.

he felt happy again in blue universe.

he turned his head and watched as she opened a bag of buns. he ate one without caring that it was hot.

"have you brushed your teeth yet?" lan yu asked softly.

...

Qin Chen looked at him, his eyes filled with confusion. "I'm so hungry, and you're asking me if I brushed my teeth?"

He smiled and watched her continue eating.

As she was eating, he said, "you were so tired last night. Why did you still go and look for Zhou chongguang?"

"Because my heart aches for Qin Mu." Qin Chen looked at him.

"But I also feel bad for you." Lan Yu watched as she finished one and passed one to her.

Qin Chen looked at him after taking a bite and said, "Then you'll be taking care of her tonight?"

he agreed without thinking. it was not a difficult thing to do since there were nurses around.

But from that day on, he would really accompany Zhou chongguang every day. If Zhou chongguang did not wake up, he would accompany him for a day.

he actually had a question in his heart. was he also this stupid when he was lying in the hospital?

Zhou chongguang woke up three days later. It was only on that day that he moved his fingers. Lan Yu was the most excited person in the world.

he finally didn't need wanwan to accompany a man. although he liked qin chen before and thought that he was a man, he really didn't have any feelings for zhou chongguang.

Later on, he thought, why didn't Zhao Ziyi come?

He had been played by Qin Chen.

Even so, Lan Yu couldn't get angry. The more he thought about it, the more he felt that he was stupid. He was the one who drugged her, so it was normal for her to be angry.

however, he hadn't seen qin chen for a few days and missed him.

At this moment, Zhou chongguang finally woke up and ran over to find Qin Chen almost immediately.

qin chen was in the office, and qin mu had fallen asleep, so she was drinking coffee in the office.

It was already one o'clock at night.

zhou chongguang swallowed the words he was about to say, and then asked softly, "why aren't you sleeping?"

Qin Chen raised his eyes and looked at him, saying very lightly, "I don't have the habit of sleeping with women."

Even if she was his sister, he couldn't. He always felt that it was a little strange.

Lan Yu's eyes were clear.

Qin Chen knew what he was thinking, so he sneered. "And I don't have the habit of sleeping with a man."

no matter how good-tempered lan yu was, his temper was somewhat worn out. he said in a bad mood, "then when you make love, you're always used to having sex with men, right?"

Qin Chen's eyes stared at him.

He thought she was embarrassed, but Qin Chen slowly said, "I didn't feel anything that night, so I'm not troubled by this for now.

Lan Yu stepped forward, took the coffee from her hand, and drank it for her.

qin chen just sat there and looked at him quietly.

Lan Yu lowered his head and squinted at her beautiful face. He murmured, "you make me feel like I've been a fool for the past few days.

"now that you know, you're not that stupid." Qin Chen remained unmoved.

Lan Yu narrowed his eyes and sneered. is that so? ”

his thin lips were next to her ear. ” have you forgotten how much you screamed that night? Do you want to try again?”
