

Thank you 2731

Chapter 2731: zhou chongguang awakens (1)

“Don’t give your beast Jade an improper reason.” A cold smile appeared on Qin Chen’s face. Lan Yu, you’re the one who didn’t want it.

“i’ve changed my mind,” He held her waist with one hand and pressed her against him, making her feel that he couldn’t wait to do it.

Qin Chen’s face was a little red. He struggled for a while, and his voice was very soft, probably because he was afraid of waking Qin Mu up.”you’re crazy! Let’s go somewhere else.”

“You come with me, I’ll change to another place to stare.” “Find an empty Ward, okay?” he stared at her.

He leaned over and bit the soft flesh behind Qin Chen’s ear, muttering in a low voice, ” “hasn’t dr. qin wanted to treat his own patients for a long time, huh?”

He shamelessly pressed his lips against her ear and continued, ” ” what were you thinking when you held my thing in the past? were you hoping that it would love you, hmm? ”

...

Qin Chen narrowed his eyes. Mr. Lan, as a vegetable, you’re overthinking it.

“Mine woke up because of you. You’re in charge of taking care of it.” he said shamelessly and pulled her hand over, doing whatever he wanted.

qin chen frowned. just as he was about to push him away, the door of the lounge opened. qin mu stood there with his long hair scattered, his small face full of stinky pine.”what are you guys doing?”

Heavens, Lan Yu’s thing immediately entered a plant state.

His expression was a little ugly as he gritted his teeth. “if this continues a few more times, i’ll be crippled.”

qin chen smiled and turned to look at qin mu.

however, she turned around and looked at the dark-faced lan yu. ” “by the way, what are you doing here?”

He couldn’t have really come to find her in the middle of the night, right?

lan yu’s mind went blank, then he coughed lightly. ” “yingluo and zhou chongguang are awake.”

Qin Chen glanced at him, pushed him aside, and walked towards the VIP Ward. Qin Mu also jogged over, but when he passed Lan Yu, his little face blushed.”Thank you, and good luck! Qin Chen’s a little hard to catch up with.”

Now, everyone in the Qin family who knew about this matter was sympathizing with Lan Yu.

his taste was too unique.

Lan Yu was encouraged a little and suddenly felt that Zhou chongguang’s little wife was very cute. Zhou chongguang was also very cute.

he followed qin mu to the ward.

Zhou chongguang had woken up, but he could only move slightly, and his eyes could not see for now.

when qin mu went over, he immediately held his hand. ” “Chongguang.”

Zhou chongguang followed the voice and looked over. However, all he could see was still darkness.

he calmly accepted all of this, because if he had to pay the price in exchange for mumu, he would rather be the one to bear it.

Qin Mu held his hand and placed it on his face. His voice trembled.”does it still hurt?”

“it doesn’t hurt too much.” He shook his head and then moved his head as if he was looking at something. what time is it now? where am I? ”

” she’s at sheng yuan hospital. it’s one o ‘clock at night now. ” qin mu’s eyes were filled with tears as he said softly.

he’s awake. that’s great.

As long as he had woken up, it was all good.

Zhou chongguang was silent for a while before he said in a low voice, ” “are my eyes going to be blind forever?”

“No, he’s just temporarily blind. He’ll be fine when the blood clot disappears.” Qin Mu said in a small voice, ” also, your face is fine. It’s still very pretty.

Zhou chongguang laughed. you’re much better at comforting people than before.

mm. Qin Mu then rested his face on his waist. chongguang, I’m very happy.

qin chenman was speechless. zhou chongguang’s ribs were injured, wouldn’t he die from the pain now?

Chapter 2732: Zhou chongguang awakens (2)

zhou chongguang was in pain, but this kind of pain was the pain of happiness.

he couldn't make a sound and just let his wife lie in his arms.

He wasn't very sensitive, but he could smell her scent.

probably because he couldn't see, his nose was especially sensitive.

it was the smell of his mumu.

his hand gently stroked her long hair, and his voice was also low."Mumu, I won't run away from you in the future. alright?"

...

his life was here. whether he was good or bad, they would live it together.

in his arms, qin mu nodded his head vigorously. " okay, i won't leave again in the future. "

he couldn't see her, so he fumbled his fingers over and found her small face. he pinched her nose and said, " if i don't see you in the future, can you just put up a missing person notice and not a dog notice? "

qin mu looked up at him, then lay down again. his voice was a little low. " zhou chongguang, i actually have a reason. "

he waited for her to continue.

"Because sometimes, men are as cheap as dogs!" she said it very quickly, without any psychological pressure.

zhou chongguang's reaction to her was to faint.

it wasn't that he had fainted, but that he was really too weak and had only woken up for a short while.

Meanwhile, Qin Chen was enjoying a good show at the side. He waited for Qin Mu to move aside with a red face before he examined Zhou chongguang.

“qin mu, i have good news.” ” there’s another piece of bad news, ” she whispered. ” which one should i listen to first? ”

“Good news, right?” Qin Mu looked at her.

qin chen took off his gloves and looked at her seriously. ” ” the good news is that zhou chongguang’s liver has been found. it’s from a small country and will arrive in a day’s time. but the bad news is that zhou chongguang’s current body is not suitable for a transplant. we don’t know when the next liver will be found, and his body will only be able to last for two months at most. ”

although it was cruel, qin chen still let her decide.

Qin Mu was stunned.

She looked at Zhou chongguang’s sleeping handsome face and felt a little complicated.

She knew that this was a rare opportunity, but if his body could not take it, he might never wake up.

“Let me think about it, okay?” qin mu’s voice was very low.

Qin Chen nodded and instructed the nurse to put Zhou chongguang on an IV drip.

when there were only qin mu and zhou chongguang in the ward, she would guard him until dawn.

“If you don’t Save Me, you’ll live, right?” she said softly.

Zhou chongguang, I don’t feel guilty, because I believe that you will survive. Because you can’t bear to leave me alone, right? ” She reached out and held his hand, her voice very soft.

When Zhou chongguang woke up again, it was around 10 in the morning.

the moment she woke up, she grabbed qin mu's hand.

"chongguang, are you hungry? qin chen said that you can eat some liquid food." her voice was soft.

Zhou chongguang was calm and quiet. After a long time, he said in a low and hoarse voice, " he's so kind. I thought she was going to kill me.

Qin Mu laughed with tears in his eyes."She's not that bad!"

"she's not bad, i'm the one who let you down!" Zhou chongguang held her small hand, and his voice became even lower and hoarser. " qin mu, i'm sorry. i really want to hand myself over to you and then take care of you. but now, i'm dragging you down. "

she wanted to speak, but he stopped her and continued, " " when i fell asleep, i convinced myself that i must cling onto you shamelessly because you've loved me for so many years. i have to pay you back at least five times. qin mu, i'm 30 this year and i'll love you until i'm 80. what do you think? "

Chapter 2733: Zhou chongguang awakens (3)

"That's a good idea." She wanted to cry again. Zhou chongguang, don't worry. I will think of how to torture you every day, so you don't have to feel guilty. You only need to tremble.

he coughed and then laughed. " i think you've become more mischievous after i slept. "

" sleep again. i'll turn back. you can try if you don't believe me. " Qin Mu lowered his head and gave him a kiss.

He smiled again, his fingers still holding her, reluctant to let go.

after a long time, he said in a low voice, " "mumu, i will live."

because there was no point in paying with one's life.

...

"Yes, I believe you!" She also smiled. Under the morning light, they gazed at each other.

Even if he couldn't see, he could still accurately capture her.

When the liver source arrived, Qin Chen immediately operated on Zhou chongguang.

sometimes, it was very cruel. the liver didn't wait for anyone. even if you didn't want it, there were many people lining up for it.

the surgery was a huge one, and zhou chongguang's body was weak, so it lasted for about 15 to 16 hours.

Notice of critical condition, three times.

qin mu didn't even go in because he had said that he would come out alive.

he had lied to her so many times, but this time, she chose to believe him again.

If he said he would live, he would live.

Qin Chen finally came out at three in the morning.

the operation went well. There will be a month of rejection. Also, his body is too weak and he can die at any time. It's all up to his will. qin chen returned to the operating room after speaking.

Because it was Zhou chongguang, she had to personally handle all the stitches in the later stages. Even the stitches were made beautifully. After a few days, the incision should not be able to be seen clearly. This was Qin MU's happiness.

zhou chongguang was pushed into the intensive care unit, and qin mu could only watch from afar.

“There won’t be any danger for the time being. I’ll go back and take a nap.” Qin Chen placed his hand on her lower abdomen. “be obedient.”

“I want to be with him.” “Qin Chen has actually been lonely for a long time,” Qin Mu said in a low voice.

Qin Chen nodded. if you’re tired, you can lie down on the bench for a while. Let Xue ‘er accompany you.

xue ‘er, who was at the side, had already prepared the blanket. she was especially attentive as she helped qin mu lay it out.

after laying out the bed, she looked at ye mu yun with a look of wanting to be praised.

ye muyun smiled and reached out to rub her little head. “alright, i’ll get someone to bring two beds over. you accompany qin mu.”

“one is enough.” xue ‘er looked up.

ye mu yun knocked her head. ” “the other one is me sleeping.”

He added, “you’re already so old, but you’re still so stupid. You should be glad that I fell in love with you when I was ten. Otherwise, with your stupidity, it would probably be difficult for you to get married.

“you’re so overbearing. i think you’re the one who can’t even get a wife.” Xue ‘er had already learned to talk back after living as an old couple. However, when she talked back, she always lacked confidence, and the words were all held in her mouth.

as they spoke, the people around them were used to it. anyway, ceo ye had been bullying xue ‘er since she was young.

he even said that xue 'er would not be able to get married, and he kept staring at her like a wolf. it would be a ghost if xue' er could get married.

ye mu yun glared at his little wife. she was really getting less and less afraid of him.

xue 'er, on the other hand, made a face at him.

The two small beds were quickly delivered. Qin Chen made some arrangements and the people slowly dispersed.

Chapter 2734: zhou chongguang awakens (4)

after qin chen made some arrangements, everyone slowly dispersed. xue 'er and qin mu were left lying down together because they were really exhausted.

Ye Muyun was half-leaning and could see Zhou chongguang very well from this direction.

probably as he grew older, he also slowly felt that he had been a little cruel to zhou chongguang back then.

If he wasn't so radical, Zhou chongguang might be like Zhao Yan now, a pianist, living a very simple life.

But if he didn't do that, it seemed like Qin Mu and Zhou chongguang didn't have any interactions.

After thinking about it for a while, he laughed at himself.

...

Zhao Ziyi didn't leave, he just stood there.

After a while, Xue 'er raised her head and suggested to her husband, ” “Big brother, do you want to sleep in the same bed as Zhao Ziyi?”

Her brother glared at her.

Xue 'er was so scared that she shrunk her head back.

zhao ziyi looked at the two of them, shaking his head and smiling.

Back then, Xue 'er had left for eight years. Who would have thought that one day, they would still have such good times together?

So, chongguang, when you get better, you and Qin Mu can be as happy as them.

Although ye Muyun glared at his little wife, he gently suggested to Zhao Ziyi, ” “there’s a deck chair over there.”

Zhao Ziyi didn’t refuse. He went over to the side to smoke a cigarette, then also lay down.

Although there was a place to rest, everyone had a sleepless night.

xue 'er consoled qin mu in an especially soft voice for the entire night. although qin mu was already very strong, she didn’t want to disturb him after hearing sister-in-law going on and on.

That was because it would create a sense of happiness.

ye mu yun heard his wife’s voice and found it funny, but he didn’t interrupt her.

it was because she had a rare opportunity to show off her sister-in-law’s demeanor.

She had really been spoiled by him. She was already 27 or 28 years old and did not look like an adult at all. Sometimes, when she put on clothes, she looked like a high school student. Of course, he liked it, especially after taking a shower at night.

At dawn, Xue 'er was tired, and so was her little mouth, so she fell asleep.

ye muyun first went to see zhou chongguang, and qin chen happened to come over as well. after confirming that everything was fine, he came over and forced qin mu to sleep in qin chen's office, and he took xue 'er away.

During the day, he asked his parents to come over and take care of him.

Zhou chongguang no longer had any relatives. He thought that he should be given more courage to be with Qin Mu.

This would probably require a lot of warmth.

zhao ziyi was also there.

Everything was arranged by ye mu Yun.

zhao ziyi was a little melancholic, but he also felt relieved.

Chongguang, you have a home now.

the family you hated and refused to acknowledge is now your home.

after so much, he thought that the past was no longer important.

zhao ziyi wanted to leave quietly, he also needed to rest.

he had only taken two steps when zhou chongguang's little secretary came over with a few sets of breakfast in her hands.

he put his hand in his pocket and looked at the young lady. "are you here to see general manager zhou?"

The Secretary blushed and nodded. “Yes.”

“No,” she shook her head.

as if she had gathered her courage, she said softly, ” “i’m also here to see vice president zhao.”

Zhao Ziyi’s gaze was deep. our friendship has reached such a level. You’ve even come to see me. Are you still going to call me Vice President Zhao? ”

as he spoke, he took the breakfast from her hands and handed ye muyun a few portions, leaving one for himself.

Then, he walked towards the elevator with the petrified Secretary in his arms. “director zhou is fine, but i have something to do now.”

Chapter 2735: Big brother has the best physical strength (1)

ye mu yun looked on with interest.

xue ‘er also woke up in a daze. she watched the two enter the elevator and then looked at her husband. ” “Brother, they’re ...”

“It’s probably because Zhao Ziyi also wants to fall in love, he’s not young anymore!” ye mu yun pinched his wife’s face. ” alright, you should go home and sleep. ”

as he spoke, he carried her up horizontally.

xue ‘er bit him on the side of his neck. ” ” so many people are watching. ye mu yun, can you not be so high-profile every time? it’s like you dote on me a lot. ”

Actually, he loved to bully her at home.

...

“Why don’t I dote on you anymore?” he asked in a hoarse voice.

“you just don’t love me!” She pouted and then lowered her face.”every time i cry out in pain, you won’t let me go.”

His face was a little red.

this was where there was some disharmony between the husband and wife.

her body was very petite, and he had probably held it in for too long. in the past one or two years, his passion for her body had not decreased, but instead became stronger.

Come to think of it, it was much more interesting to suppress and bully a young lady who had developed her career.

He was obsessed with it, while she was a little lazy and had poor physical strength.

However, he could always lie to her over and over again, most likely using his beauty to trick her.

sometimes, if she didn’t fall for it, he could only use brute force.

In the end, she cried so hard that he couldn’t even tell if he was pressing down on his wife or his younger daughter. He felt guilty, but he would get excited later on.

At this time, his little wife was complaining like this. Chairman ye kissed her little face.”I won’t touch you this week.”

he always doted on her, and she was exhausted this week. besides, he had a lot of things to do.

“Thank you, Mr. Ye.” Xue ‘er bit her lip and snorted.

“you look like you’re not happy with me!” he smiled and pressed the elevator button.

The elevator door opened at the sound, but what she didn’t expect was that Zhao Ziyi, who had left long ago, was still in the elevator.

And he was kissing that little Secretary, almost stripping her.

the situation was a little delicate.

On one side, it was a legitimate couple, and on the other side, it was his boss and his little Secretary, Yingluo.

xue ‘er cried out in a low voice, then covered her eyes.”Just pretend we didn’t see anything. You guys can continue.”

After they left, ye mu Yun chuckled.”He’s finally let it go.”

Xue ‘er didn’t understand and looked at her husband pitifully.

ye mu yun knocked her on the head. ” “You’re so stupid. I really don’t know how you managed to catch up to me.”

“you’re the one who chased me.” xue ‘er hugged his arm. ” you’re saying that ran ran and zhao ziyi also like qin mu? ” she asked.

“you just realized?” Ye mu Yun knocked her little head and then seemed to be thinking. “At least you’re not too stupid.”

“you hit me again! You even belittled me. ” “As punishment, you have to take the safety ladder and carry me down.” Xue ‘er was dissatisfied.

Chairman ye looked at his little wife helplessly. Tang Xue ‘er, you are 28 years old this year. This is the 58th floor. Are you sure your husband’s physical strength is that good? ”

“there are!” She wrapped her arms around his neck affectionately.”Big brother has the best physical strength.”

He looked at her, not having any temper left!

He went down level by level, not in a hurry, as if he had a lifetime to carry her.

Xue ‘er was lying on his back, her expression happy.

She hugged him and trusted him with all her heart.

But after a while, she couldn’t help but ask, ” “big brother, are you tired?”

Chapter 2736: Big brother has the best physical strength (2)

Ye Muyun was speechless. He turned his head and looked at his little wife.”Don’t you think it’s tiring?”

She stuck out her tongue, but still let him carry her.

In fact, she was very light. If he was not in a hurry, it would not be difficult for him to walk slowly.

he had been a little busy recently, so president ye also had the heart and effort to please his little girl.

They had been separated for eight years, so it didn’t matter how much he doted on her now.

He walked down step by step, and behind him was his little girl, who was grumbling behind him. The busy CEO ye didn’t find her annoying. He only felt that she was still the little yellow bun from back then.

...

As he thought about it, he could almost smell the fragrance.

Xue 'er leaned on his shoulder and said in a very soft voice, " "Brother, What do you like about me the most?"

"I don't think I have a favorite yet." "Or do you think you have any good points?" he chuckled.

"I didn't notice?" he pretended to be surprised.

xue 'er was so angry that she was wailing behind him, but her little face also turned red. she lay on his shoulder and said in a soft voice, " "Being liked by you is my greatest virtue."

Ye mu Yun paused for a moment and his eyes softened. He patted her back and said,"you little shameless thing. who said i like you?"

she lay on his back and bit her lip. her expression was particularly happy. " you just like me. you like me to death. "

Ye mu Yun shook his head and smiled meaningfully."I've finally found your good points. Xue 'er, do you want to hear them?"

"really?" she leaned over and kissed him on the lips.

He hummed in acknowledgment and then said very slowly, " "isn't being thick-skinned your strong point? tell me, who can be more thick-skinned than you?"

xue 'er cried out while ye mu yun's smile became even more joyful.

when he got home, yi shu had already gone to school, and the little one was still sleeping.

So, the busy President ye pressed his little wife in the bedroom and whipped her for a while.

Xue 'er bit her lip and clenched her fists in protest as she pitifully lay on the bed. you said you'd rest for a few days.

Her voice was so soft and tender, how could he resist?

Hot sweat rolled down drop by drop onto her fair shoulder, making her scream in shock.

after a long time, xue 'er pushed his shoulder and said, " "are you done?"

"Bear with it a little longer," he said in a pampering voice as he kissed her.

"i've been holding it in for a long time." She poked his firm shoulder with her finger."don't men who don't work in the office all have big bellies and round waists? why do you still have six-pack abs?"

As she said that, her little hand mischievously poked him.

Ye Muyun's eyes darkened. He grabbed her hands and pinned them to the sides of his body. His voice was a little hoarse."didn't you say you couldn't take it anymore? you still dare to provoke me? Hmm?"

Xue 'er looked at him eagerly. I didn't.

He smiled. How could this little fool know that she didn't need to do anything at all? she just had to look at him with such innocent eyes. As long as she touched him slightly, he would go crazy.

He only let her go after about two hours.

Xue 'er fell asleep without any backbone, allowing him to wash her inside and out.

The man's eyes were gentle and tender after venting his anger.

Ye Muyun leaned against the head of the bed and looked at his little wife.

Xue 'er had given birth to two children, but he really couldn't tell.

The 28-year-old woman looked no different from a 20-year-old woman.

Chapter 2737: Big brother has the best physical strength (3)

The 28-year-old woman looked no different from a 20-year-old woman.

of course he liked it, even more than the two children.

after the second child, the doctor said that her body was not suitable for another child, so he had a vasectomy.

of course, there was also trouble later on. he didn't know which small star came to his door and said that she was pregnant with his child, yingluo.

Firstly, he had never touched anyone else, and secondly, even if he did, he would not be able to get pregnant.

Of course, Xue 'er trusted him blindly and didn't even bother with him.

...

today, she asked her what her strengths were, but her biggest strength was her stupidity.

If she was a little stupid, he would like her more.

thinking of this, he gave xue 'er a kiss and smiled happily. "you little fool."

his little fool stretched out her hand and slapped him on the face.

“big brother, yingluo is in so much pain.” she buried her face in the pillow.

His face that had darkened earlier, now had a silent smile.

“Baby, be good and sleep,” he said in a low voice after a long time.

he was so excited that he couldn’t sleep.

They had been together for two years, and he had been hugging her to sleep every day, but his interest in her had never diminished.

sheng yuan hospital.

qin chen only slept for a short while before going to the intensive care unit to take a detailed look at zhou chongguang’s condition.

“Everything is normal.” After checking the various data, she heaved a sigh of relief.

after that, he looked up and realized that lan yu was right behind him.

she turned her head and asked,”ceo lan, is there nothing else to do in the hotel? or is it going to close down?” if you’re really bored, you can go and draw. A place like the hospital was very boring. other than white, it was the ash of death. i don’t think you’ll like it. ”

“But you’re here.” lan yu smiled. “i said i wanted to pursue you. have you forgotten?”

I’ve also suggested that we just maintain a physical relationship. qin chen said very naturally, not minding that the nurse on the side heard it. after all, she and lan yu had long lost their reputation.

There were four young nurses at the side, and they all perked up their ears to listen.

At this moment, the four of them looked at each other, and each of them had their mouths wide open.

Flesh as one, pass as one system!

That's right, Dr. Qin said it himself. The voice I heard that night was also correct.

hence, they all looked at them.

Qin Chen glanced at the four nurses, who then lowered their heads and pretended to be busy with various things.

Lan Yu, don't come to the hospital anymore. If there's anything, let's talk at my apartment. She said softly, not wanting to be surrounded by people.

She didn't forget that she was a man now, and it wouldn't be a pleasant experience to be pointed out about her sexual orientation all the time.

there was a trace of grievance on lan yu's face, ” “You don't even go home.”

Qin Chen looked at him and hesitated for a moment before throwing the house keys to him. “Go and make one for yourself. Give it back to me later.”

lan yu was like he had obtained a treasure.

In fact, he had already regretted rejecting Qin Chen's proposal.

He said with a backbone that he was not a man with strong desires, but now he felt that he was.

He would be crazy to reject it.

now, there was no doubt that the trap had hit him again. if he refused again, he was destined to not have sex for the rest of his life.

Lan Yu took the key and left quickly.

“doctor qin, are you really going to live with mr. lan?” the nurse asked boldly.

Qin Chen glanced at them, then walked to the outer room. He washed his hands slowly and nodded. “right! That is, if Lan Yu didn’t reject it. ”

Chapter 2738: using me again, huh?(1)

rejected?

The nurses exchanged glances-

how could lan yu reject it? look at that droll all over the floor.

then, the nurses held back their laughter.

Qin Chen glanced at them, put his hands under his white robe, and slowly walked out.

as soon as he left, the nurse caused an uproar. she first looked at dr. qin’s back with infatuation.

...

” oh my god, dr. qin has really been turned gay by lan yu. think about it, our number one male god of sheng yuan has become the bottom just like that. ” A young nurse held her face and wailed.

yeah, I also think that Dr. Qin is like a little bottom. Look at the way Lan Yu looks at Dr. Qin. The way Dr. Qin looks at Lan Yu is different. Another young nurse analyzed very seriously. Lan Yu’s gaze was like he was using his gaze to unbutton Dr. Qin’s buttons. It felt like he was stripping him naked on the spot.

“desire of the bone ash class.” The third nurse clapped her hands. Dr. Qin is probably hesitant.

“it’s quite similar.” the last young nurse sighed. ” it seems like the old saying is still working, huahua. as long as you put in the effort, an iron pestle can be ground into a needle. ”

Qin Chen walked back to his office. Qin Mu was still resting. She was indeed exhausted.

Qin Chen brewed a cup of coffee for himself, and the aroma of the coffee filled the air.

she held the coffee cup with her slender fingers and took a sip.

She slowly thought about her and Lan Yu’s matters.

when she was in B city, she didn’t mind having a companion.

She was certain that Lan Yu would get sick of her after a while. No man would be willing to face a woman who looked like a man every day.

It might be fresh for a while, but it wouldn’t be long before he got tired of it.

men still like the feeling of being in control.

qin chen lowered his head, looked at himself, and smiled.

at this moment, the door was pushed open gently.

she thought it was lan yu, so she didn’t even raise her head and said, ” “Have you duplicated the key?”

However, there was no sound at the door. She looked up and saw an unfamiliar girl.

“i’m lin sisi.” the girl smiled at qin chen, looking a little shy and like a little girl next door.

qin chen frowned. he didn’t dare to think that she was the girl next door. if she guessed correctly, she was the daughter of the man under the scalp.

why did he come to her office now? did he still not give up?

this was not a good experience for qin chen.

she had been a man for a long time and was admired by countless women, but she had never been troubled.

Because those women were purely admiring him, and had never threatened him.

However, although this girl was shy, the power behind her wasn't something Qin Chen could easily compete with.

although qin chen's expression was gentle, it was distant and indifferent. "Who are you looking for?"

Lin sisi took a step forward, a sweet smile on her face. "the coffee smells so good."

as he spoke, he accurately stated the origin of the coffee and the steps to brew it.

qin chen was slightly surprised, but thinking that this person was also born with a golden spoon, it wasn't strange for her to know this, so he smiled. "Do you want a drink?"

Lin sisi nodded. After a while, she worriedly asked, "can I?"

qin chen looked at her thoughtfully. "A cup of coffee is fine, but nothing else."

Lin sisi probably already knew about her relationship with Lan Yu, but she still came over to tease her. She didn't know what this girl was thinking.

Chapter 2739: Making use of me again, huh?(2)

However, Qin Chen didn't plan on telling anyone his secret, so he let her think that he was gay.

She brewed a cup of coffee for Lin sisi, and her every movement was full of elegance.

Of course, she was also silently calculating when Lan Yu would return, Yingluo.

Lin sisi walked to her side and raised her head to look at Qin Chen, her face slightly red. you cook better than me. I'll let you try mine some other day.

"alright," he said. qin chen smiled and poured her a glass, then another.

Then, she looked up at the man who had appeared at the door, and then at Lin sisi. "Miss Lin, do you mind if I bring Qianqian and Mr. Lan Yu along?"

...

lin sisi was shocked.

she turned her head and saw lan yu appear at the door of the office. he was holding a bunch of keys in his hand.

lan yu was surprised at first, but he soon realized who this person was.

He looked at Qin Chen with a meaningful gaze, then slowly walked in and returned the key to Qin Chen. " i've also bought an extra set for your office. i can wait for you here when you have surgery in the future. "

Qin Chen's eyes flickered slightly. Lan Yu was inside and clearly saw his unhappiness.

however, qin chen didn't say anything. instead, he introduced lan yu to lin sisi with a faint smile. " "My Yingluo's boyfriend,"

lin sisi's mouth was wide open in shock.

qin chen walked over and placed his hand naturally on lan yu's shoulder. he smiled. " that's the relationship. There are a lot of them now. You should know.

she said it very naturally, misleading lin sisi, thinking that she would give up.

Lin sisi was shocked that Qin Chen would actually admit it so boldly.

The Qin family had a high status in the business world, and Qin Chen was a genius in the medical world. Wasn't he afraid of his future being affected by his G-Class status?

Lin sisi looked at the G-Class pet beside him.

He looked pretty good and looked like an assaulter.

her face was a little pale, and she forced a smile. " "Of course, doctor Qin, you can bring Mr. Lan Yu along."

Qin Chen smiled and chatted with her for a while. After all, she was that person's daughter, so it was better not to offend her. The most important thing was to make her give up, and in a way that wouldn't hurt her self-esteem.

Lin sisi left very quickly.

as soon as qin chen closed the door and turned around, his body was pressed down by lan yu.

"Are you crazy?" "i'm very tired, i don't have the energy to keep you company, okay?" qin chen said helplessly.

Lan Yu's eyes flashed with a touch of annoyance. He pressed his body against her and squinted his eyes."you're using me again, huh?"

his fingers gently caressed qin chen's lips. " how many intestines do you have in your heart, huh? "

from a medical point of view, the human body is a cricket. before Qin Chen could finish, he was kissed ruthlessly.

this kiss carried a hint of punishment. he bit her lips maliciously, so hard that she almost bled.

“You clearly know that I like you, so why do you still want to be a man? is it fun to make others misunderstand? does it make you happy and feel a sense of accomplishment to let others think that i’m bullying you, pressing you down and doing those things to you from behind?” Lan Yu bit her ear, his voice hoarse.

Qin Chen’s body tensed up in an instant.

her voice was also cold, ” “Lan Yu, I’ll be like this for the rest of my life. It’s up to you whether you want to or not.”

Chapter 2740: Making use of me again, huh?(3)

Blue veins popped out on Lan Yu’s forehead and he wanted to get angry.

but qin chen’s expression was even colder than his. ” ” i will decide for myself what kind of life i want to live. lan yu, what makes you think that you can change my life just by having sex with me once? ”

She pushed him away. as for what you said about using me, Mr. Lan, you can also choose not to be used by me, right? ”

lan yu glared at her. ” you have no heart. ”

“congratulations, you’ve finally found it.” qin chen’s lips curled up, and he slowly walked back to his seat. he made himself a cup of coffee.

lan yu naturally did not leave.

...

he frowned as he looked at the woman in front of him. she was elegant, sharp-tongued, beautiful but extravagant. she had countless flaws, and he forgot to mention that she was still a flat-chested woman.

however, it was a little against her heart to say this. it didn't matter whether her body was flat or not. the lines were already perfect.

there was a type of person whose beauty did not lie in their appearance, but in their bones.

qin chen was one of them. even if he was 360 degrees, no matter which angle he was placed at, he would still look good.

lan yu looked on like this and his anger dissipated. he pursed his lips, "I didn't mean it that way."

"Then, what do you mean?" qin chen looked up, a faint smile in his eyes.

in an instant, lan yu felt overwhelmed by the unexpected favor, and all the qi in his body disappeared.

he stepped forward and took her cup. "don't drink so much coffee."

"If you don't anger me, I don't need this." She snorted and looked at the cup that Lin sisi was holding. throw this away.

lan yu didn't find it strange. qin chen had always been extravagant, so throwing away a cup that cost tens of thousands was nothing.

he looked at the coffee in his hand and drank it in one gulp. then he said, "throw this away too."

He had some dark thoughts in his heart. These cups came in pairs, so what was the big deal about throwing one away?

Qin Chen didn't say anything.

"I'll help you pick out a set later." Lan Yu's throat tightened.

seeing that qin chen didn't object, his heart softened and he said in a low voice, "I was too much just now."

no matter what, he was the one who drugged qin chen and took her first time.

he was the one who asked for qin chen's help, so he couldn't blame anyone else.

qin chen looked at him and laughed."not bad, you have some self-awareness."

Lan Yu went over like a loyal dog, almost wagging his tail. "i'm going to the office now. you should go back and rest early. i'll cook for you tonight, okay? "

"Qin Mu is also staying at your place. It doesn't seem very convenient."

qin chen's voice was very calm. "after zhou chongguang is discharged from the hospital, they will move back to the villa. she will be in my office for the time being and will be directly staying in the VIP ward. "

Lan Yu kissed her lips in satisfaction.

Qin Chen turned away.

his voice was hoarse. "but i prefer you to stay at my place. "

qin chen didn't say anything, so he didn't force him and went out first.

after they left, qin mu came out of the lounge.

“you heard everything?” qin chen looked at her.

“Are you and Lan Yu for real?” Qin Mu nodded.

“I’m just dating a friend,” Qin Chen smiled.

as she spoke, she rubbed her chin. ” it feels pretty good. ”

qin mu was shocked by her boldness. he thought for a while before asking, ” “Then, are you interested in changing your boyfriend?”

Qin Chen chuckled. not yet.

Qin Mu was starting to sympathize with Lan Yu.

what kind of person was qin chen? if he liked her, he would have liked her a long time ago. why would he wait until today?

He was hot-headed and might even be toyed with now.
