

Thank you 2741

Chapter 2741: Cohabitation (1)

qin chen looked at qin mu and laughed, 'what's in your head? Don't think that I'm toying with Lan Yu. I didn't make any promises to him, and neither did he.'

She had no pressure in this relationship. It was as simple and easy as doing an experiment in the laboratory.

when they were tired of each other, they would naturally separate.

qin chen felt that he was already kind enough. she had told lan yu long ago that she would never fall in love with anyone, never.

if he wanted to be together, they could only have a physical relationship. at most, they would live together and nothing else.

qin mu shook his head after hearing her words. " i think lan yu is serious. "

...

qin chen looked at her without saying anything.

Zhou chongguang's condition was quite stable that day, so Qin Chen went back very early.

it was probably because qin mu's words had an effect on her.

when she returned, lan yu had not gotten off work yet. she had not taken a good bath in a long time, so she took off her clothes and soaked in the warm water.

Her body and mind were relaxed and very comfortable. She raised her head slightly, and her clean and white neck was beautiful and moving.

after a long time, she fell asleep in a daze.

suddenly, she felt a sharp pain on her neck, as if she had been bitten.

“Rong Lei, stop it.” Qin Chen laughed in a low voice.

then, she opened her eyes. her eyes were misty, her red lips were slightly open, and her voice was soft. he had never seen her so charming before.

However, this charm did not belong to him. It belonged to a man named Rong Lei.

“Who’s Rong Lei?” Lan Yu looked at her and asked softly.

At this time, Qin Chen had already returned to his usual state and smiled faintly. someone I know.

she looked into his eyes and added, “the person who is no longer here.”

lan yu’s eyes narrowed slightly, and there was an additional trace of coldness.

A person who wasn’t here meant that he shouldn’t be calculative, right?

she couldn’t even mention it and could only think about it in her heart.

The blood in Lan Yu’s body was boiling. His gaze fell on her body and he was stunned.

It slowly became blazing.

Qin Chen didn’t avoid him. He laid on his back, one foot gently stirring the hot water, and looked at him. “Do you want to shower together?”

Lan Yu looked at her, his voice hoarse, ” “qin chen, i can’t tell which one of you is the real you.”

But he still wanted her.

After removing everything else, he laid down with her, hugged her from behind, and kissed her gently from her shoulder to her neck, then to the back of her ear. He was not in a hurry, as if he had a lifetime to do this.

however, his body did not express that. it was clearly burning hot.

Qin Chen leaned on his shoulder. Because of the heat, his face was slightly red, and he looked fragile.

“now, do you see it clearly?” she smiled.

She took his hand and led him to meet Yingluo.

lan yu’s body tensed up for a moment before he spat out angrily, ” “is that so?”

then, there was a storm.

All of his unwillingness was in this happy event.

Qin Chen was a person who was used to enjoyment, even this matter was no exception.

or perhaps she was a doctor and understood the human body too well.

lan yu had a woman before, but the feeling of being with qin chen was completely different.

he was so embarrassed that he even let out a low cry, his voice mesmerizing and enchanting.

“It’s even better than a woman’s.” qin chen kissed his chin and chuckled.

She sat in his arms, and they loved each other’s bodies like a normal couple.

His body was extremely happy, but Lan Yu was not satisfied.

There would always be some places that were different and incomplete.

perhaps, that gap was called rong lei.

Chapter 2742: cohabitation (2)

After that, Qin Chen got up. He didn't put on a bathrobe, but changed into long pants and a beige shirt.

the inside of the shirt was empty, but it didn't look out of place at all.

lan yu also put on his clothes. looking at qin chen, he couldn't help but think of the scene of them making love just now.

he didn't mind that she was flat-chested at all, but he still hoped that after they were done, even if she was wearing a bathrobe, there would always be a chance for him to have the wrong impression and no longer feel that he had just slept with a man.

however, in such a relationship, he had no initiative, so he gave up on persuading her.

She raised her hand and clasped Qin Chen's waist, saying very lightly, "i'll go cook. you sleep for a while."

...

"i'll pick a disc to watch, i don't feel like sleeping yet." qin chen's tone was gentle but distant.

Lan Yu felt that this was probably because Qin Chen wasn't used to it, so he didn't mind.

he had brought the ingredients over. after tidying them up and planning for tonight's dinner, he began to cut them into strips, pieces, and slices to make a bun.

from time to time, he would glance at qin chen in the living room, wanting to know what she was doing.

qin chen was wearing long pants and a shirt, sitting elegantly on the sofa with a cup of coffee in her hand. she lit a cigarette, but she put it out after two puffs.

Lan Yu looked on quietly. He didn't know if it was because he was around or if she usually only smoked two puffs.

He looked at her and thought to himself that if he had not done it with her twice, he would really have thought that he was living with a man.

Qin Chen's masculinity wasn't artificial at all. It was as if he was born with it, as if she was a man.

he was a good-looking and noble man.

Lan Yu squeezed a glass of fruit juice from the kitchen and placed it on the table in front of Qin Chen. "drink this first!"

Qin Chen only took a glance and said gently, "I usually only drink coffee, red wine, or plain water. Thank you,"

"fruit juice is good for the skin." Lan Yu's voice was very soft.

As soon as he finished speaking, Qin Chen glared at him. you like women? "

"You're a woman." lan yu knew that he had angered her, so he pinched her face. " alright, i'll get you some water. "

he had only taken two steps when qin chen's voice came from behind him. " "lan yu, you don't need to be so cautious. We are equal."

lan yu didn't turn around and only smiled. " "I'm probably used to being a slave. I've been like this since I saw you."

He wasn't usually like this.

It was true. He was cold to others, but he wasn't as warm as this. Perhaps it was because he saw Qin Chen when he woke up and was tortured by her countless times, so he had an unspeakable respect for her.

Even when they were making love, he would still follow her feelings.

Qin Chen didn't even refuse to serve her like that. She was a person who enjoyed it.

What made Lan Yu a little disappointed was that Qin Chen didn't return the favor and didn't do it for him.

However, he believed that she would take the initiative one day.

He also realized that although Qin Chen was cold, he was also very lustful.

To put it bluntly, she liked to make love. This was probably the main reason why he, Lan Yu, could stay by her side.

the high and mighty doctor qin was naturally a little mysophobic. how could he change men every two or three days?

The safest and most useful one would probably be him, Lanyu Qianqian.

Lan Yu's thoughts ran wild for a moment before he started to cook properly.

Chapter 2743: cohabitation (3)

He used to cook for Xue 'er, so his cooking skills were very good.

qin chen was quite satisfied with the food, and lan yu felt that cooking was his second use.

After they finished eating, he cleaned up as usual.

after everything was done, qin chen was ready to sleep.

In order not to show that he was always thinking about that matter, Lan Yu stayed in the living room for two more hours. When he went to the master bedroom to sleep, it was already ten O 'clock.

He only turned on the night light and changed into his pajamas. When he lifted the quilt, he deliberately looked at it.

...

Fortunately, Qin Chen was sleeping in a bathrobe, so he couldn't take his eyes off her.

Qin Chen looked very good in the bathrobe, and tonight she was wearing a thin one, sticking to her body like a second layer of skin. The hem only reached ten centimeters above her knees, and her legs were very straight and long, with a slightly open collar.

There were temptations everywhere.

Lan Yu's Adam's apple rolled uncontrollably as he felt his body burning up again.

After a while, he put down the blanket and lay down beside her.

he lay flat for a while, then turned sideways to look at her.

qin chen wasn't like other women who liked to sleep on him or snuggle in his arms.

even when he was sleeping, he was very cool.

Poor Lan Yu, he couldn't fall asleep even after tossing and turning.

In the end, he couldn't bear it anymore and wanted to kiss her.

but before he could, qin chen turned around with his back to him.

At this moment, her bathrobe was loosened, revealing half of her fair skin.

In the end, he couldn't hold it in any longer. He hugged her slender waist from behind and slowly inched in. His thin lips were on the side of her neck, and his hot breath sprayed on her soft skin."Chenchen, can we do it again?"

Qin Chen mumbled a reply.

he gently bit the back of her neck. " "yes,"

She seemed to have sobered up a little and reached out to hold his evil hand. After panting for a moment, she said in a low voice, " "you're only allowed to do it once, and you're not allowed to be too rough,"

After she finished speaking, she closed her eyes and did not move.

Lan Yu hugged her tightly, his body pressed against hers. As he did that, he bit her earlobe. "You mean Yingluo?"

He kissed her ear on purpose. It was wet and warm. you want me to do it from behind, huh? "

qin chen was clearly more awake, and his voice was intermittent. " "As you wish, Yingluo."

"how can we be so casual about this?" He enjoyed it while teasing her.

The half-asleep Qin Chen was much cuter than usual.

he had always been gentle, so even after a long time, she didn't say anything. occasionally, she would respond, but more than that, he knew she was sleeping.

yes, she was sleeping.

In the beginning, he could still bear with it, but later on, he couldn't bear it anymore. This kind of one-man show didn't feel good.

Hence, they became rough.

qin chen finally woke up from his sleep and looked up at the man with a twisted face. he reached out and put his hand on his shoulder."i told you, don't be too rough."

"come with me." lan yu lowered his body and kissed her.

qin chen wasn't willing at first, but he still got away with it.

after a long time, she lay in his arms and sighed."I'm really tired."

lan yu paused and turned on the light. indeed, she looked tired.

Thus, she felt a little apologetic and her voice was unbelievably gentle. "if you don't want to do it, why didn't you say so?"

"Because I don't want you to be unhappy." "lan yu, did i please you?" qin chen closed his eyes again.

Chapter 2744: Cohabitation (4)

Lan Yu kissed the corner of her lips. silly girl.

He hugged her and lay down quietly, not coming again.

even though his body was still warm, he knew that she needed to rest.

Hugging him like this, Qin Chen fell asleep in a short while. Lan Yu looked at her sleeping face for a long time.

the next morning, lan yu had to go to the company, but qin chen didn't wake up.

When she slept, she was very casual and seemed to like to lie down.

...

After making breakfast, he walked into the bedroom and bent down. He looked down at her and murmured, "I'm going to work. breakfast is ready, just heat it up."

Qin Chen responded with a soft hum.

Lan Yu smiled and kissed her on the forehead. Then, he got up and wanted to leave, but his neck was hugged by a pair of slender arms. He lowered his head, and the person who was sleeping smiled gently and exhaled at him, "Lan Yu Qianqian, I want you."

Lan Yu was stunned.

He stared at her for a while before saying in a stiff voice, "chenchen?"

qin chen opened his eyes and kissed him on the lips."what's wrong? are you rushing to work?"

lan yu raised his hand slightly and started to unbutton his shirt one by one. he spoke very slowly, "I'm taking a break today. I'll give myself a day off to accompany you."

"But I don't have that much time to spend with you." qin chen pressed his lips against his and smiled.

Her smile also gave off a feeling of superiority, but it made him want to conquer her.

people like qin chen really made people look up to him.

lan yu had been longing for this for a long time, and she finally fell into the dust.

she was very open in bed, which made him extremely satisfied. he also thought that if he didn't know that he was her first man, he would think that she had a lot of experience.

After three satisfying rounds, Lan Yu was also a little exhausted.

He looked at Qin Chen getting up and putting on his clothes, a little surprised. "where are you going?"

"let's go to the hospital." Qin Chen patted his face. At that moment, Lan Yu felt like he was a gigolo, and Qin Chen was the sugar daddy.

Thinking about it, it didn't seem appropriate for him to eat and use her food while he was living with Qin Chen.

"are you not tired?" lan yu frowned.

Qin Chen had already put on his clothes and smiled. "I'm not tired anymore."

she bent over and kissed lan yu. " if you're bored, you can go to the company to work. "

Lan Yu smiled bitterly and resigned himself to his fate, but he stopped Qin Chen, who was about to leave. "Wait a moment."

he walked up to her, took out a card from his wallet, and placed it in her palm.

Qin Chen lowered his head. What's this? "

"Living expenses." Lan Yu hugged her and whispered in her ear, " i'm a bit chauvinistic. i'm not used to spending a woman's money and letting a woman support me."

qin chen looked up at him.

He reached out and wrapped her hand around his. be good and listen to me.

qin chen's eyes were filled with ridicule.

"It's been a long time since someone said those words to me," she said with a smile.

lan yu's expression changed slightly, and he forced a smile. " then i'll tell you about it every day. "

"that would make you look stupid." "people who were in a vegetative state before are indeed different." qin chen smiled.

he was still looking at her like that, which made her a little nervous.

"go on, i'll come back to cook tonight." lan yu said in a low voice.

Qin Chen looked at him and suddenly said, " " lan yu, i might be returning to new York in two months. "

His eyes froze. Instead of asking her why, he asked another question, " "Why are you telling me?"

Chapter 2745: Lan Yu, how was the blind date? 1

Qin Chen waved the card in his hand and smiled. "It's probably because you gave me this,"

lan yu pursed his lips tightly and did not say anything more.

The atmosphere was a little strange. After a long time, she sighed, " "as i said, i won't stay for long."

"I won't force you." "if you want to go to new York, i'll go with you," he muttered. the grand hyatt hotel also has a branch in new York.

Qin Chen wanted to say something, but he decided against it.

lan yu watched her leave, his eyes dark.

...

after a long time, he put on his clothes, stood in front of the floor-to-ceiling window, and smoked a cigarette.

when he was with qin chen, he could always feel that qin chen was outside of his feelings.

she had always been away from him and did not intend to be with him for a long time.

He knew that he shouldn't sink too deep, but he couldn't help it.

lan yu's face had a trace of pain.

he had her body, but he had never gotten her heart.

Her heart belonged to the man named Rong Lei.

that was why he was so cold to others.

Lan Yu smiled helplessly. At this moment, the phone in his pocket rang.

He took a look and saw that it was his mother.

Ever since Lan Ting left and he woke up in the hospital, his relationship with his family had been tense.

he took over the grand hyatt hotel, but he did not return to the lan family's mansion often.

at this time, his mother's tone was very good, and she asked him to go back to the lan residence for dinner.

Lan Yu thought for a moment and agreed.

in the afternoon, he called qin chen and said that he would be back late.

qin chen nodded.

” eat outside. i'll bring you supper later. ” he spoke to her like he was coaxing a child.

“Lan Yu, did you also coax Xue 'er like this in the past?” Qin Chen chuckled.

She was really joking, but Lan Yu took it seriously. He was silent for a while before saying in a low voice, ” “You and her are different.”

Xue 'er, he could really be raised as a child. She gave him a warm feeling.

However, Qin Chen gave him a feeling of passion, as if he would die if he didn't have her.

He didn't tell her all of this, but just told her a few more things.

qin chen put down his phone.

she was deep in thought.

dating ran ran, she and lan yu were probably just living together!

she liked his body and liked to make love with him, but more than that, she didn't seem to have any.

it was just that when he was lonely, he had someone to accompany him.

qin chen shrugged his shoulders, feeling a little troubled.

It wasn't that she couldn't see the desire in Lan Yu's eyes. He desired stability, and she was destined to be a floating cloud.

She might not be able to give him what he wanted, but he still hoped for Hanhan.

She was in a daze and didn't realize that she had spent too much time and effort on Lan Yu.

On the other side, Lan Yu put down his phone. He had not approved many documents in the afternoon and was a little distracted during the meeting.

they had cohabited and he had gotten to hug her as he wished, but that happiness and sweetness were like the reflection of the moon in the mirror.

It was fleeting.

At six in the afternoon, Lan Yu returned to the LAN family's old residence.

He hadn't seen his parents for many days, and he was in a good mood at the moment, so their relationship had eased a little.

He just didn't expect that his mother called him home for dinner because she had specially prepared a girl for him.

The girl came from a good family, was quiet, and was a university teacher.

she was still young, about 28 years old. his mother's intention was very obvious. such a girl with excellent genes was very compatible with him. they could get married after spending half a year together.

Lan Yu was at the dining table and couldn't say anything. He just looked at the girl called Huang siya. She was indeed quite pretty.

Chapter 2746: lan yu, how was the blind date? 2

He called her Mr. Huang, and the girl was a little surprised. She also called him Mr. Lan.

LAN Yichen's mother was a little anxious. How could this marriage go on?

Huang siya had a very good impression of Lan Yu. This matter was not completely over. After this, she would have to do her son's job.

Originally, Lan Yu's mother wanted Lan Yu to SEND Teacher Huang back, but Lan Yu asked the chauffeur to send him back. He said calmly, "Mom, I have something to tell you."

Mother LAN looked at him but did not say anything. She only sent her favorite daughter-in-law away.

After the car had driven far away, Mrs. Lan's voice was tense, "you have the intention to embarrass the young lady, right?"

...

Lan Yu lit a cigarette in the dark. didn't I send him away? " he asked.

"sent away?" "Have you decided on your next date?" Mrs. LAN asked in dissatisfaction.

lan yu removed the cigarette from his lips and looked straight at his mother. he said softly, "mom, i already have someone i like."

"is it that androgynous doctor?" LAN Yunxi's mother sneered and walked back home. She took something out of nowhere and threw the photos on the table, "Lan Yu, take a look for yourself. You're hugging a man and kissing him like this. You've long become a joke. Do you know what those newspapers are saying? "

lan yu bent down and picked up the photos. he looked at them carefully and laughed.”it’s a pretty good shot!”

Lan Wangji’s mother was so angry that her entire body was trembling, ” “is this the main point?”

“what else? which is the main point?” Lan Yu smiled. your future daughter-in-law is good-looking. If that’s not the main point, then what is? ”

“this is a man!” mrs. lan said coldly.

“lan yu, are you sure you want to marry a man? what about our lan family’s incense? and do you still want to keep a foothold in the business world in the future?” “Or have you already been influenced by the habits of an artist?” Mrs. LAN sneered as she spoke.

Lan Yu’s gaze shifted to his mother’s face. After a moment, he slowly said, ” “Qin Chen is a woman.”

“How can such a person be a woman? Do you think your mother is blind?” LAN waihu’s mother raised her voice in disbelief.

lan yu shook his head and smiled. ” i live with her. i know best whether she’s a man or a woman. ”

LAN waihu’s mother looked at him in disbelief.

After a long time, he asked again,”so she had Wanwan’s surgery?”

“There’s no surgery! A natural, woman.” lan yu laughed.

mrs. lan was stunned for a moment. she picked up the photos again and looked at them one by one.

in the end, he did find a difference. qin chen didn’t have an adam’s apple.

it was impossible for a man to not have an adam’s apple, so she was a real woman.

However, LAN waihu's mother still did not agree. She said coldly, "She's neither a man nor a woman. I still won't accept her as the LAN family's daughter-in-law."

lan yu was helpless. "mom, she might not be willing. it's too early. i'm the one who's chasing her."

Even if they moved over to live together, he was the one who had to be thick-skinned.

Mother LAN looked at her son with dissatisfaction. After a long time, she said in a hoarse voice, "why don't you like anyone but this kind of woman?"

"She's very pretty." "i like her a lot," lan yu said in a low voice.

LAN Yunxi's mother was stunned for a long time before she said softly, "i don't agree. a woman with this kind of appearance won't be content."

how could a woman who knew her place make herself look like a man? this was most likely an unhealthy mental state.

lan yu looked at his mother for a long time before he spoke, "She's not what you think she is."

Chapter 2747: lan yu, how was the blind date? 3

qin chen's excellence wasn't something a businessman like him or someone who could draw a few stinky paintings could compare to. there were many people who admired her, and he was only one of them.

In their relationship, he was the one who needed to be looked up to.

He couldn't say too much to his mother. Just because she didn't agree didn't mean he would give up.

before lan yu left, he said softly, 'mom, don't arrange these blind dates anymore. don't hold up these girls either. i don't like them.'

mrs. lan was angry and ignored him as she sat on the sofa.

Lan Yu took the car keys and walked out. His mother's voice came from behind, " "Are you going to find her?"

...

"we're living together now." &Nbsp; Lan Yu turned his head. mom, I'm serious. I want to be with her.

LAN waihu's mother's lips moved, but she did not say anything in the end.

she only stood up and walked to the door when lan yu's car started.

lan yu's car made a turn and stopped in front of her. he rolled down the window and looked at his mother in the dark, his voice low."You and dad should rest early. Also, I didn't mean to anger you."

mrs. lan had an indescribable feeling in her heart. her son had not spoken to her so gently for a long time. was it because he was in love? that's why it's so soft?

A stiff smile appeared on her face. okay, drive slowly.

Lan Yu's smile was very bright and straightforward.

Mother LAN watched as his car drove away. She returned to the living room and sighed to father LAN, " Lan Yu seems to have made up his mind to be with that doctor.

She picked up a newspaper and read it carefully."Look, he's only 24 years old and has won so many awards. Although he's good-looking, can he give birth to a child with such a body? also, cutting bread with a scalpel, will you accidentally cut our blue universe one day in your dream?"

As LAN waihu's mother spoke, she became worried again,"i still don't quite agree. People will laugh at him when he visits relatives with his looks. Look, everyone outside is saying that Lan Yu is gay."

father lan held his tea and laughed,"you're worrying too much!" Just now, Lan Yu himself said that it was his own wishful thinking. The young man hasn't agreed yet."

"it's a female!" mother lan glared at father lan and said,"look, we are already living together. what's there to disagree with?" otherwise, it's too reckless."

Father LAN smiled,"I think raising him as a boy is better." Besides, there were many marriage trials now, so they had to try to see if they were compatible. Besides, Lan Yu isn't young anymore, and his body needs it. Otherwise, why would he be happy to look for you outside?"

Lan Yu's mother glared at him again,'so Lan Yu's current perversion is all inherited by you, you old thing.'

"He's better now than Wanwan and Lan Ting," father LAN said after a moment of silence.

lan waihu's mother also fell silent.

after a long time, she said worriedly,"take a look again. lan yu said it was a woman. what if he lied to us? what should we do?" when he says he's going to United States to marry a man, we'll be crying."

as long as I'm happy, it doesn't matter even if he's a man. At most, I'll just adopt a child. father lan was very open-minded now.

LAN Yingluo's mother was so angry that she didn't want to talk to him anymore.

.....

Lan Yu drove around the streets of B city and finally decided to go home and make supper for her.

he went to the market to buy some seafood, put them in the trunk, and drove back to qin chen's apartment.

it was ten o'clock, and qin chen had already returned home. he was still wearing his shirt and long pants, sitting in front of the floor-to-ceiling window and playing the piano.

Chapter 2748: Lan Yu, how was the blind date? 4

it was ten o'clock, and qin chen had already returned home. he was still wearing his shirt and long pants, sitting in front of the floor-to-ceiling window and playing the piano.

She played very well, and her fingers were long and slender, which was particularly pleasing to the eye.

lan yu looked at the ingredients in his hands and suddenly felt that he was very vulgar.

his mother's words appeared in his mind, and he even felt that they were mocking yingluo.

All along, he had been begging Qin Chen to give him a chance to kneel and lick his boots.

Just like now, he came back early like a dog and made her supper.

...

Qin Chen heard the door open, glanced at him, and continued to play.

lan yu also admired it for a few minutes.

Finally, Qin Chen put down the piano cover and smiled. "Have you finished eating?"

Lan Yu made a sound of agreement.

qin chen looked at him for a while before asking, "how was your blind date today?"

lan yu narrowed his eyes and looked at her. he said very slowly, ” “You knew?”

Qin Chen’s tone became calmer,”it’s such a coincidence. That girl called Huang siya is my relative.” Lan Yu, your mother has been looking for a suitable candidate for you, but it’s not a good time.”

Lan Yu’s expression didn’t change. He put down the things in his hands and walked over to her, hugging her from behind.

his voice was low. ” you’ve said it yourself. it was my mother’s idea. i didn’t know about it before i went home. ”

Qin Chen sat still and smiled after a while. ” lan yu, if you want to get married one day, you can let me know. ”

his body trembled and he looked at her.

He had a feeling that what she was going to say was not what he wanted to hear.

“At that time, our relationship will end.”

Lan Yu’s grip tightened and his thin lips pressed against her ear. take back your words, hmm? ”

“Lan Yu, you’re hurting me.” Qin Chen lowered his eyes.

“Qin Chen, do you feel pain too?” he asked, closing his eyes.

Qin Chen’s body trembled, and Lan Yu continued, ” ” you’re omnipotent, like a god. i thought you wouldn’t feel pain, so i thought you wouldn’t understand the pain of mortals. ”

With that, he let go of her and turned to the kitchen.

qin chen’s body relaxed, and he felt very empty.

She hadn't felt this way in a long time. Because she was Qin Chen, she didn't care about anything.

in her world, there was only life and death. there was no such thing as separation.

to her, life and death were things that happened a long time ago.

she turned her head and looked at lan yu preparing supper in the kitchen.

he seemed to have a good temper, but qin chen knew in his heart that a man from such a family background would not have a good temper.

he was just accommodating her.

Qin Chen opened the piano lid and played it again, but he was no longer in the same state of mind as before.

After Lan Yu had prepared supper, he called out to her and went to the balcony to smoke.

Qin Chen walked over and saw that the supper he made was a seafood porridge. It looked, smelled, and tasted great.

She took a small sip and found that it tasted pretty good.

looking over, lan yu happened to be looking in this direction as well.

Qin Chen smiled slightly and finished the bowl under his gaze.

Then, she looked at him and raised her eyebrows."Do you have any?"

lan yu looked at her and took a puff of his cigarette. " are you apologizing or trying to please me? "

“i didn’t eat dinner.” “after hearing the news, i was so angry that i couldn’t eat,” qin chen said, propping up his chin.

“Then you’re just coaxing me,” he said with a deep gaze.

“did you manage to please mr. lan?” qin chen laughed.

Chapter 2749: I’m trying to please you (1)

He stubbed out the cigarette and walked over, reeking of smoke. He leaned over and kissed her on the lips.”You clearly know.”

Qin Chen was still smiling.

Lan Yu bit her hard, with a heavy sense of punishment, ” “you heartless little thing. i really want to kill you.”

he had only made one bowl just now, and now he had to make another one.

fortunately, he really didn’t have any temper in front of her, so he started to make another bowl.

Qin Chen looked at his back and hugged him from behind. what can I do to stop being angry? ”

...

as he processed the ingredients, he paused for a moment before saying in a low voice, ” “Qin Chen, our relationship has always been an extremely unfair beginning. I don’t expect you to feel the same way as me, but don’t deny me so easily, okay?”

He wasn’t made of steel, and he would feel uncomfortable too.

She mumbled an " mm " beside him. it looks like you really hurt Hanhan and you want me to make it up to you? " hmm?"

"you're willing to wear a dress for once?" lan yu's voice was a little hoarse.

"change to another one," qin chen said without even thinking.

Lan Yu turned around and looked at her with a deep gaze.

as a handsome man, he was rarely compared to others, but qin chen was indeed better looking than him.

It won in exquisiteness.

No matter how handsome he, Lan Yu, was, there would always be times when he was rough. After all, he was a man in his thirties, but Qin Chen was different. Her beauty was always there, all the time.

He looked at her for a long time before saying, " "go to my closet and pick out that black shirt to wear."

"Deal," he said. Qin Chen kissed him on the back, then left to play the piano.

Lan Yu's fingers touched his forehead. He realized that he was too easy to talk to.

he was easily pleased by her.

However, he quickly smiled and felt a faint sweetness.

This was Qin Chen's mischievousness.

Perhaps only he, Lan Yu, knew about this side of Yingluo.

she was a little tsundere, but she was very cute.

when lan yu finished preparing the seafood porridge and was about to call qin chen, he realized that she was no longer at the piano.

He thought she had gone to the bathroom, so he went to the bedroom to call her.

however, he did not expect to see such a scene.

His Chenchen was only wearing a black shirt.

the black and white colors hit his soul, and the straight and slender legs were simply challenging his nerves.

Lan Yu's Adam's apple kept rolling. He looked at the beautiful scenery and his voice trembled slightly, " "Why is Yingluo wearing this?"

he originally thought that there would be a pair of long pants below, but he didn't expect qin chen to wear a shirt.

she was a hundred times sexier in his shirt than in a bathrobe.

she usually dressed like this, but the black shirt that was two sizes too big on her made her look very slender.

Furthermore, she was a woman through and through.

Lan Yu slowly walked over and hugged her from behind. "you're coaxing me to make me happy, huh?"

"Are you happy?" Qin Chen nodded.

he lowered his head and kissed her neck. " i'm very happy, yingluo. yingluo was pleased. "

His voice trembled uncontrollably. “chenchen, yueyue, you look beautiful like this.”

qin chen frowned. ” isn’t that a little girly? ”

“no, it’s extremely beautiful.” Lan Yu held her waist and was so excited that his voice was trembling, ” “i’ll help you draw a picture.”

qin chen was taken aback, but he immediately laughed.

“lan yu, shouldn’t you be like a hungry tiger pouncing on its prey at this time?” she turned around, wrapped her arms around his neck, and kissed his adam’s apple.

Chapter 2750: I’m trying to please you (2)

“i’ll draw before i eat.” Lan Yu picked her up and walked straight to the piano in the hall.

he placed her on the piano cover and his long fingers undid two buttons for her, revealing her beautiful collarbones.

Qin Chen was sitting casually, her long legs were very eye-catching, and she only wore a black shirt, which made her look very decadent, not to mention her delicate face.

lan yu kissed her forehead and said in a low voice, ” “Be good, one hour will do.”

“Hurry up,” Qin Chen said lazily.

“i’ll try my best.” lan yu smiled slightly, but his eyes were full of shock.

...

He had never had such a strong desire to create something, and it was Qin Chen who had inspired him.

At this moment, he felt like he was about to boil.

she was god's favorite, a work of art.

Lan Yu took the sketchbook, but gave up after drawing for a while.

He even ran out and bought some oil painting materials to review.

Qin Chen sat on the piano for a full five hours.

When he was done, it would be the time when her patience ran out.

qin chen wanted to take a look, but lan yu covered it with a cloth. he smiled and said, "i'm not done yet. i'll show you when i'm done."

When he looked into her eyes, there were faint sparks.

Qin Chen leaned against the piano and smiled gently."i haven't had my supper yet."

Lan Yu stepped forward, hugged her body, and gently bit her lips. "It's cold. I'll make a new one later."

Then, he carried her to the piano and his long fingers began to unbutton her buttons.

"now, it's time for me to have my supper," he said in a very, very warm voice.

qin chen didn't object.

but very quickly, she was surprised.

She lowered her head and looked at his black head. She kicked him and said in a muffled voice, ”
“Blue universe Qianqian, huh?”

“don’t move, be good,” he comforted her in a low voice.

He held her hands down to stop her from struggling, while he carefully admired the piece of art from the inside out.

lan yu had never thought that he would be so abnormal. in the end, he was a little worried.

“chenchen, am i abnormal?” After they were done, he hugged Qin Chen, his voice low and hoarse.

Qin Chen calmed himself down and poked his shoulder. go and make supper. I’m starving. It’s almost dawn.

then, wearing only the black shirt, she yawned and walked into the bedroom. ” “It’s even more tiring than going to the operating table.”

After she left, Lan Yu took down the painting.

even his soul was trembling.

This was the pinnacle of his life’s work. Anyone who understood this painting would be able to see that there was a strong love that could not be hidden in it.

and he actually didn’t dare to show his awkwardness in front of her.

So, he had lied to her.

Lan Yu pursed his lips and looked at it for a long time before carefully putting it away. Only then did he go to make her supper.

of course, he also had one for himself. it was very exhausting to be a man.

The next day, Qin Chen woke up in the afternoon, while Lan Yu went to the company in the morning. However, he made her a curry meal, and she just had to heat it up.

this was the biggest benefit of living with lan yu, qin chen felt. his cooking skills were really good.

after she finished eating, she changed into a long-sleeved shirt and long pants, went downstairs, and drove a white bentley to the hospital.

Just like before, the nurses all looked at her adoringly and called her Dr. Qin.

Qin Chen also wouldn't treat himself as a woman just because he was with Lan Yu. Outside, she was still the same as before, her every move was so beautiful that it made her go crazy.
