Chapter 2751: I want you to leave blue universe (1)

qin chen had just changed into a white robe to check on zhou chongguang when the nurse outside came in. “doctor qin, someone is looking for you.”

qin chen nodded and looked at qin mu. “he’s very stable now. he’ll be much better when the blood clot dissipates and he can be seen again. i mean ran ran’s psychological condition.”

qin mu nodded and was about to say something when qin chen reached out and touched her head. “Don’t overthink. hmm?”

She gave Qin Mu a warm smile. “i’ll go out for a while.”

she had thought that lin sisi would stick to her.

However, she didn’t expect that the person looking for her outside would be Lan Yu’s mother.

...

qin chen looked at mrs. lan and slowly walked over. he asked, ” “Is there something you need, Auntie?”

her attitude was neither servile nor overbearing, but she was not overly warm either.

lan yu’s mother took a closer look, but she couldn’t see any female features.

Qin Chen looked at her expression and guessed what she was thinking, so he smiled faintly. “let’s talk in my office. it’s not convenient here.”

such an attitude was very accommodating for a tsundere like qin chen.

Mrs. LAN suppressed her anger and nodded, then followed Qin Chen.

After walking for a while, she became angrier. Qin Chen's attitude was so cold when he saw his future mother-in-law. He walked in front alone and didn't care about her behind.

Lan Yu was also a diamond-ranked Bachelor. It was fine if he liked this kind of girl, but he even gave her a look, Yingluo.

Mrs. LAN was angry just thinking about it, but she had no choice.

however, when she entered the office, she couldn't hold it in anymore.

Qin Chen was making coffee. She looked at Qin Chen's beautiful movements and the set of expensive cups, then at the surroundings.

it was extremely luxurious.

This was a hospital, not a hotel. She was so young, but she was already living like this.

"I don't drink coffee," LAN Yunxi's mother could not help but say.

qin chen didn't look up. he poured the coffee with a pleasing movement. "i drank it myself. i slept a little late last night, so i'm not in good spirits. "

"Lan Yu is sleeping with you." Mrs. LAN seemed to have been touched.

after qin chen poured the tea, he took a small sip and gestured for mrs. lan to sit down."is it strange? Otherwise, how could it be called cohabitation?"

She was very open with her words, but mother LAN could not accept it. What was it like for a young lady to talk about cohabitation?

However, the words "little girl" were even more inappropriate to describe Qin Chen.

LAN waihu's mother had come with the intention of agreeing to this, but now she was even more dissatisfied.

And at this time, she remembered that this doctor was the quack who had tortured Lan Yu. He said that if Lan Yu was transferred to another hospital, he would die.

He was good-looking, but his mouth was as poisonous as anything else!

What kind of taste and hobbies did her son have?

she actually fell in love with such a perverted doctor who was neither a man nor a woman.

mother lan was extremely unhappy and said in a cold voice, "I want you to break up with Lan Yu."

Qin Chen's hand that was holding the coffee cup paused, and he lowered his eyes. okay.

LAN Yunxi's mother could not believe her ears. After a while, she snorted, "you don't love lan yu."

I never said I loved him. Besides, Auntie, you asked me to break up with him, and I agreed. Is that wrong? "but your son will have to move out of my house on his own." qin chen laughed lightly.

this was the small idea she had when she said they would live together. she didn't want to be kicked out of the house because of any disharmony.

Chapter 2752: I want you to leave blue Universe 2

when mother lan heard qin chen's words, she was furious. this girl didn't have any intention of tolerating her. instead, she had the upper hand.

no, she didn't look like a woman at all. she was a man.

It was hard for LAN waihu's mother to imagine that her son would carry such a precious baby to sleep.

Just thinking about that scene made him drunk.

Mrs. Lan's face turned red from anger, but she couldn't do anything to Qin Chen.

after a moment, she looked at qin chen and tried her best to calm herself down. she was half compromising and half embarrassed."If you can return to a girl's appearance, I can still consider accepting it."

...

The corners of Qin Chen's mouth rose slightly. why? "

"Unless you don't want to be with Lan Yu." lan waihu's mother's voice became stern.

Qin Chen chuckled. I don't need anyone to decide who I am. If I use my appearance to keep a man, I won't do it unless there's a person who makes me willing.

As she spoke, she wanted to send him off, but when she looked up, she saw Lan Yu.

His dark eyes were tainted with a deep layer of color as he kept staring at her.

Qin Chen smiled. do I need to give you time to communicate? "

Although she was smiling, there was no trace of a smile in her eyes.

Lan Yu looked at his mother and said in an indifferent tone, "mom, you go back first."

Lan Yu's mother was naturally unwilling. Lan Yu, didn't you hear what she said just now? she's not willing to be your woman because you're not the one who can make her willing.

Lan Yu's tone became more serious. Mom, this is between me and her.

Lan Wangji's mother looked at her son with a hurt expression, "Lanyu, do you think that I can't ask about you anymore? If she likes you, loves you, and can live a good life with you, I naturally won't object. But Lanyu, I can't watch you fall deeper and deeper, and you'll be the one suffering in the end.

"I know what I'm doing," Lan Yu said indifferently, then looked at Qin Chen, who had nothing to do with it. "Also, that handsome fairness Huang or something, help me reply!"

"I think he's fine," Lan Wangji's mother said unhappily.

"She's Qin Chen's relative. You want me to live with Qin Chen while going on blind dates with her?" Lan Yu looked at his mother.

LAN Waihu's mother's mouth was slightly open. She was a little surprised.

Then, she understood that Qin Chen knew about what happened last night.

But at the same time, he didn't really care.

Mrs. Lan's heart was even more uncomfortable. No matter how she looked at Qin Chen, she didn't like him.

Most importantly, she felt that Lan Yu might be happy now, but would he be happy in the future?

Qin Chen didn't want to be a woman, and he didn't have any intention of marrying Lan Yu, so he wouldn't have children in the future.

How long could such a passionate relationship last?

In fact, Mrs. LAN wasn't being too harsh. As a mother, she was more or less considerate of her son. In her heart, Qin Chen wasn't a woman suitable to be a wife.

she and her husband only had one son, lan yu, left. how could they not worry about him after a hundred years?

In the end, mother LAN gave Lan Yu a meaningful look. you do as you see fit!

lan yu pursed his lips and sent her out.

she only returned after half an hour, probably because she had convinced her mother.

when lan yu returned, qin chen was still sitting in the office drinking coffee, as if waiting for him.

He had just pushed the door open when Qin Chen looked up.

Chapter 2753: let's part ways (1)

qin chen's gaze was calm, just like when he first saw her. there was no emotion in his eyes, and even when he smiled, the smile didn't reach his eyes.

at this moment, she was looking at him, and his heart skipped a beat.

he seemed to be able to sense her decision.

"lan yu, you can move!" qin chen said calmly.

He furrowed his brows and looked at her quietly. "why?"

"no reason!" Qin Chen smiled, "didn't you hear it?" You're not that person, I won't change for you. I can't be your ideal wife, so instead of disappointing you in the end, I'd rather regret it now."

...

Before she could finish, he held her body.

he pushed her against the wall roughly and pinched her chin. ” “qin chen, are you saying that you’ve always been playing with me? that’s why when my mother came over, you pushed the boat along and said that you wanted to separate. hmm?”

“Think whatever you want.” Qin Chen’s voice continued to be cold. Lan Yu, just treat this as my last bit of kindness. Your mother is right, rather than you being sad in the end, it’s better to break up now.

Lan Yu stared at her delicate face. Last night, this beautiful little face had brought him endless joy, but at this moment, it made him grit his teeth in hatred, wishing he could strangle her.

He took a step back and looked at her. Qin Chen, do you really think that way? ”

she leaned her head against the wall and looked at him. ” if you want to marry me and make me your wife, we can stop here.

“are you going to deny me if you don’t try?” his fingers gently grazed her delicate face, and his voice carried a trace of pain.

qin chen only looked at him calmly. ” lan yu, i’m a heartless person. ”

his palm suddenly grabbed her heart. ” there’s no heart here because you gave your heart to someone else? ”

as he said this, he looked at her with a burning gaze, not letting go of any expression she had.

qin chen didn’t avoid it. she looked at him and said softly, ” “you won’t want to know.”

“you gave him yingluo your heart, then what about your body? if you give it to me, will you pity me or play with me? hmm?” lan yu’s fingers tightened and he squinted his eyes, staring at her. ” “qin chen, tell me, will i only have an empty shell forever? if you are, then i will let you go.”

Qin Chen looked at Lan Yu for a long time before he slowly said, "What do you want me to say? we've made it clear from the start."

"I told you to say it again, okay?" Lan Yu looked at her fixedly.

Qin Chen smiled lightly. She looked at Lan Yu and said, "yes, always will be."

Lan Yu's punch landed heavily on her head. After a loud bang, Qin Chen seemed to feel a warm mist.

It was Lan Yu's blood.

Lan Yu's right hand was also injured.

His right hand that was drawing.

"Blue universe." She pulled down his palm and looked at the injury at the joints.

At this moment, blood was flowing non-stop, and it was unknown if her bones and muscles were injured. She was shocked, and her voice was a little stern. "Are you crazy?"

"yes," Lan Yu hugged her in his arms without a care for her. He also cared about the injury on his hand and just hugged her like this.

Qin Chen, don't push me away! he said softly.

Qin Chen closed his eyes, but still pushed him away firmly. "Lan Yu, calm down. I'm a doctor."

Chapter 2754: Let's split up 2

suddenly, lan yu laughed and looked at qin chen. ” i’ve always been a patient to you, right? just a patient, or a vegetable! you saved a person in a vegetative state and can make love with you. do you feel a sense of accomplishment?”

Qin Chen pursed his lips. do you know what you’re saying? ”

she opened the drawer and took out some medicine and gauze to help him bandage it. looking at him, it should only be a superficial injury.

Lan Yu let her bandage his wound and did not apologize for what he had said.

when she was almost done, he suddenly said, ” “i’ll go and move the things away tonight.”

The things in Qin Chen’s hands fell on the desk.

...

she did not expect him to be so forthright.

lan yu laughed at himself. ” i don’t think there’s any point in being so thick-skinned either. qin chen, if you’re destined to fly high, then fly far away and don’t let me see you again, okay? ”

qin chen lowered his head and smiled after a long time. ” okay, i know! ”

“I’ll be on duty tonight.” She hesitated for a moment before saying,”give me the key tomorrow, or mail it to me.” &Nbsp;

“There’s no need to meet again!” she looked at lan yu as if she wanted to say something, but in the end, she didn’t say a word.

lan yu didn’t either.

after she was done, he stood up and walked towards the door. when he placed his finger on the doorknob, he paused and said softly, ” “Qin Chen, I thought that I could warm up your heart no matter how cold it was, but I was wrong. You don’t have a heart.”

there was no sound behind him for a long time, but lan yu couldn’t help but turn his head.

qin chen was brewing coffee, and his every movement was elegant.

her expression was calm, as if nothing had happened.

It was as if he, Lan Yu, was insignificant in her heart.

no, he was originally an insignificant vegetable patient.

Lan Yu laughed at himself, opened the door, and walked out without looking back.

Qin Chen, on the other hand, glanced at the door indifferently, then continued to make coffee.

no one knew that she would only drink coffee when she was in an extremely good mood and when she was in an extremely bad mood.

at this moment, she was definitely not in a good mood.

After making the coffee, he poured a cup for himself and sniffed it. He didn’t drink it but poured it away.

Then, she made herself many more cups, but none of them were drinkable.

they were all very bitter.

lan yu walked to the parking lot downstairs. to his surprise, his mother had not left and was still waiting for him.

“mother, why haven’t you left yet?” lan yu walked over and sighed.

mrs. lan looked at her son and felt a little worried. ” i just wanted to ask what plans you and dr. qin have. I’ll say it again, you two must get married if you’re together, otherwise, Yingluo!”

“there’s no other way!” lan yu opened the car door and let his mother in.

He sat in the car, and before he started the car, he said, ” “I’ve separated from her.”

He was a little self-deprecating. Between them, it wasn’t even considered a breakup. At most, they were just like she said, dating.

Mother LAN was both surprised and happy. She was happy that her son had broken up with her, but she was surprised that they had broken up.

she was still a little uneasy. ” did mom come over and cause you to quarrel? ”

“We didn’t quarrel.” Lan Yu looked a little tired. He wanted to drive, but he lazily took out a cigarette, lit it up, and took a long drag.

Chapter 2755: Let’s split up (3)

lan waihu’s mother looked at her son with concern.

“their personalities are not compatible, so we can’t get along anymore.” lan yu smiled bitterly. ” i’ll send you back first. i still have to go to the office later. ”

Mrs. LAN felt uneasy. She sat down and looked at him, ” “Lan Yu, I don’t agree! However, if you can convince her, I won’t be against it. ”

Lan Yu was driving the car, his brows furrowed. mom, it’s not your fault. It’s my problem with her.

in fact, he knew very well that the problem between them was that he wanted it, but qin chen didn't intend to give it to him.

he smoked one cigarette after another, and lan yichen's mother was shocked.

...

she couldn't understand why lan yu seemed to like qin chen, but she couldn't bring herself to be happy when her son was so unhappy.

when the car stopped at the lan residence, she hesitated when she got out of the car. "Lan Yu, if you really can't leave that Yingluo doctor Qin, mom can go and beg him again. You two can still be together.

"Mom, it's fine. Really." Lan Yu smiled.

Mrs. LAN looked like she was about to cry.

Although her son said that he was fine, she could tell that he was very unhappy.

Mother LAN still wanted to say something, but Lan Yu had already gotten into the car and drove it away.

Lan Yu didn't return to the company but went to Qin Chen's apartment.

he didn't bring many things. he just threw some daily necessities into the trash can downstairs.

Then, he used the remaining ingredients to make coffee and paella for her and put it in the refrigerator. She could eat it after heating it up when she came back.

It was already four o'clock in the afternoon when he was done.

he stood in front of the floor-to-ceiling window and smoked two cigarettes. then, he pulled his suitcase and left the place where he had lived for less than a week.

He also took away the painting.

It was 10:30 pm when Qin Chen returned.

the huge apartment was pitch-black. She reached out and flicked the switch. Instantly, it was as bright as day.

The apartment was very clean, and the air was filled with the smell of food.

She walked into the kitchen and looked at the paella in the refrigerator. She pursed her lips, took out the rice, heated it up, and ate it all.

After she had cleaned up the dishes, there was no longer any trace of Lan Yu's existence in this apartment.

She walked to the floor-to-ceiling window and wanted to play two songs. Unexpectedly, she saw two cigarette butts in the ashtray. One of them was only half-smoked, which should have been left by Lan Yu.

She suddenly felt a little frustrated.

She picked up the cigarette, lit it, and nodded.

he leaned closer and took a light puff of the cigarette.

The smell was a little pungent. She was still not used to smoking men's cigarettes, but she finished half of the cigarette.

he was smoking loneliness. standing in front of the floor-to-ceiling window, he was also lonely.

even when she was playing the piano that was worth millions and looking at the night view of the entire B city, she still felt lonely.

qin chen thought that perhaps she should return to new York.

She played the song over and over again. When she closed her eyes, it was all the scenes of her sitting on the piano and Lan Yu helping her draw.

She must be crazy!

He suddenly put down his hand, and the sound of the zither stopped.

she covered her face and let out a long breath.

She told herself that she was just used to having an extra person in the apartment. She was used to having someone to take care of her, to wait for her at the door, and to have someone to cook for her.

so, it was better to be alone. she didn't need anyone else.

she didn't want to waste another person.

it was just right for them to separate now.

Chapter 2756: Let's part ways (4)

Half an hour later, Qin Chen had taken a shower with a cup of coffee in his hand.

Because she was a doctor, she almost never drank.

she stood in front of the floor-to-ceiling window and looked at the night view outside, quietly lost in thought.

tonight, she allowed herself to indulge a little, to be a little sad.

at this moment, her phone on the coffee table rang. she sipped her coffee until she finished it, then slowly walked over.

The call was from Lan Yu. She thought about it and picked it up.

...

lan yu paused for a moment before he spoke, his voice a little hoarse, ” “There’s rice in the refrigerator.”

“yes, i’ve eaten.” Qin Chen said calmly.

on the other end, lan yu’s voice was a little tense, ” “After I’ve moved everything away, I won’t disturb you anymore, Yingluo.”

He said it calmly, and to be honest, they didn’t even break up. They were at peace.

Qin Chen had never felt sad or uncomfortable, but at this moment, she was not used to it.

“that’s good!” she said in a low voice.

Lan Yu didn’t say anything else, but he didn’t put down his phone either.

qin chen waited for a long time before saying softly, ” “i’m hanging up,”

“Wait a minute,” he called out to her.

she waited for him in a rare good mood.

After that, Lan Yu seemed to hesitate for a moment before asking in a low voice, ” “In your heart, is it okay for me to be someone else’s husband?”

Qin Chen was stunned for a moment, as if he didn't expect him to say that. She hesitated for a moment before saying, "it's good that you're happy."

"what about you?" "have you never thought about happiness?" lan yu asked softly.

Qin Chen chuckled. I'm fine like this.

"i like this kind of life. lan yu, we are not destined to be people of the same world. forget it! "

"Also, I've never had the intention of toying with you," she said in a low voice.

lan yu sighed and hung up the phone.

Qin Chen looked at his phone, his good-looking lips pursed.

she looked at the night sky outside the window and felt that the whole world had become quiet.

it was very quiet, just like the yingluo she liked.

the night was black, but her world was white.

However, the world of the blue universe was colorful.

She could not enter his world, and he was not willing to stay in her world.

That was why the two of them could not find a reason to be together.

Qin Chen stood in front of the floor-to-ceiling window for the entire night.

She didn't realize that it wasn't that she wasn't used to it, but that she was already sad over a man.

The next day, Qin Chen went to the hospital with dark circles under his eyes. She even wore a pair of black-rimmed flat glasses to make her look more refined.

Wherever doctor Qin went, there would always be scenery.

The young nurses looked at her and smiled sweetly.

Although Dr. Qin had a G, it didn't affect his image in their hearts.

This was because a person like Dr. Qin had transcended gender. He could make people scream crazily regardless of gender.

qin chen smiled faintly as he looked at the number in the elevator.

A young nurse gathered her courage and asked nosily,"doctor qin, will you and mr. lan yu get married overseas?"

Under Qin Chen's gaze, she said softly and timidly, " people of the same sex are more tolerant and legal in foreign countries. Besides, Mr. Lanyu lived in new York before, so he shouldn't object to living abroad.

qin chen continued to look at her indifferently. the nurse thought she had said something wrong and felt uneasy.

Chapter 2757: Let's part ways (5)

Qin Chen looked up at the elevator numbers and said calmly, " "We've split up. We're no longer together."

the young nurses gasped and looked at each other.

for a moment, she didn't know what to do.

then, they looked at qin chen carefully. from dr. qin's expression, it should be that he didn't want blue universe.

A person like Dr. Qin was the one who dominated everything, even though Dr. Qin might have been the one who was watching them when they were doing that.

the nurse's mind was running wild, and qin chen was too lazy to explain or care.

...

The elevator door opened and she walked out. Her slender body walked straight to her office.

a few nurses behind her whispered, "doctor qin broke up. does that mean we have another chance?"

"pfft, doctor qin likes men."

"you don't mind doctor qin and lan yu doing that, right? besides, what if there's a problem with doctor qin? after all, he's just a loser!"

The fujoshis chatted happily, and although Qin Chen couldn't hear them, he could guess what they thought of him.

she never cared, so she just let them be.

but what she didn't expect was that in less than an hour, the news of her and lan yu's separation had spread throughout the entire hospital. in fact, even ran ran, that miss lin sisi, knew about it.

qin chen drank a cup of coffee and was about to go see zhou chongguang when a small, fair hand opened the office door, followed by lin sisi's small face.

To be honest, Lin sisi was pretty, and her temperament was similar to su Cheng's.

Qin Chen had a deep impression of su Cheng, not only because she was so close to uncle Kime, but also because she had some kind of flirtatious feeling towards his mother, ye Liangqiu.

Lin sisi and su Cheng had small bodies, but it was hard to tell if their minds were the same.

Qin Chen looked at Lin sisi, his gaze calm. "is there something?"

lin sisi walked in and bent over to look at qin chen. "you look good with glasses."

a faint smile appeared on qin chen's lips. "Lin sisi, I don't like women."

Lin sisi seemed to be in shock. Her eyes widened as she looked at Qin Chen. you like men? "she asked.

qin chen was silent for a while before saying, "No, I like myself!"

He looked at Lin sisi and said, "have you heard of a God in Greece? he was very narcissistic and liked to look at himself in the sea.

Lin sisi's expression was a little dazed. Qin Chen, you're also very good-looking.

qin chen laughed. "i mean, he won't fall in love with anyone else because he likes to be like himself."

As he spoke, he got up and leaned over to look at Lin sisi. "Don't waste your time on me."

her attitude was definitely not good.

She was not in the mood to coax a little girl, even if her father had a high position.

lin sisi's little face looked hurt, but then she broke into a sweet smile. "Qin Chen, you've misunderstood. I'm here because I heard that you've broken up with Lan Yu. I just wanted to ask, if you don't like him anymore, can I like him?"

qin chen was stunned for a moment, then he felt a little annoyed.

Lin sisi smiled sweetly. if you don't like him, does that mean I can go after him? ”

Qin Chen only came back to his senses after a long time, then his voice became even colder. “You can ask Lanyu Qianqian this question in person.”

Lin sisi's face was full of innocence. but I want to ask you. Because you are the one I really want to like. But you said that you don't like women. So, I can only like Lan Yu.

Chapter 2758: Let's split up (6)

even someone like qin chen was defeated by her. what kind of logic was this?

was there something wrong with his brain?

If he was sick, he had to be treated.

however, qin chen couldn't be bothered with her. if she really went to chase after lan yu, then it would be lan yu's trouble, not hers.

She changed into a white robe and looked at Lin sisi. “I'm going to the ward now. It's not convenient to talk to you.”

Lin sisi followed her obediently. “doctor qin, i'm going too.”

...

qin chen couldn't force her to leave because lin sisi's father was the super big BOSS. he couldn't afford to offend anyone here, at least not easily.

Although Qin Chen didn't do business or politics, she knew what she should do. If she didn't handle this well, the Qin and Tang families wouldn't have a good time.

if Lin Sisi wanted to follow, he would let her.

However, as soon as they reached the VIP Ward, Lin Sisi became obedient.

That was because Madam Lin was standing there. When she saw them coming, she lowered her voice and said, "Sisi, go back to your room."

Lin Sisi was still a little afraid of her mother, so she obediently entered the ward.

Madam Lin had always thought highly of Qin Chen, so she spoke with respect.

She watched her daughter walk into the ward, then smiled at Qin Chen and said helplessly, "Sisi has been spoiled by us since she was young. She doesn't know her limits. Dr. Qin, please bear with her."

"It's fine." "It'll be fine when you grow up a little more," Qin Chen said generously.

Mrs. Lin's face was full of worry. Sisi was kidnapped when she was young, and she had a psychological trauma. After that, she was hospitalized for two years, so she has a special liking for doctors, especially for people like Dr. Qin. She's even more shocked.

She also praised Qin Chen with a few words.

Of course, Qin Chen didn't think that Mrs. Lin said it casually, so he didn't feel surprised and said, "Madam Lin, you flatter me."

She looked around and said in a low voice, "Madam, I'm sure you know my sexual orientation. For the sake of Miss Lin's happiness, it's better to be more restrained."

"I can't give her happiness," she even said bluntly.

Madam Lin did have the intention to test him. Although Qin Chen and Lan Yu had rumors, many people were not androgynous. To put it bluntly, they were all-consuming.

If Qin Chen was like this, if he was separated from Lan Yu and was with sisi, it wasn't impossible.

she could tell that dr. qin's character was very good.

but now that qin chen was so determined, she couldn't say anything more.

"Madam, I'll be back in new York soon," Qin Chen said in a low voice. if madam still thinks that qin chen is of some use to the lin family, then please don't make this difficult for me. "

Madam Lin was also a woman. Although her husband was in a high position, he was not an unreasonable person.

she sighed. " alright. i'll keep sisi in check. she won't make things difficult for dr. qin. "

Qin Chen had gotten off by himself, so he naturally wouldn't mention anything about Lan Yu.

After saying goodbye to Madam Lin, he then walked towards Zhou chongguang's ward.

Zhou chongguang was much better. This kid had a tough life. He had survived such a major operation and such a major injury.

in fact, qin chen wasn't 50% confident at first, but now, she was sure that zhou chongguang would survive the rejection period. this man's desire to survive was something that huahua had never seen before.

In the ward, Zhou chongguang was already able to move slightly. The gauze under his face had been removed, but his eyes still couldn't see Yingluo.

Chapter 2759: It's the first time (1)

an invisible man was the most obedient. when qin mu was taking care of him, he could do whatever he wanted.

although zhou chongguang was helpless, he could not do anything to her.

Sometimes, when he fell asleep, he would dream that he was living in that hostel and that the landlady was not dead yet.

She was still wearing the cheongsam, and her body swayed back and forth. The man did not die, and she took something to repair his things.

the room was very hot and uncomfortable.

and qin mu wasn't there.

...

every time zhou chongguang had a dream, he would wake up covered in sweat. qin mu would then carefully wipe his body clean and change his clothes.

he felt a little guilty. she was pregnant, but it was still so hard on her.

She asked the nurse to do it, but Qin Mu refused and said that she would do it.

zhou chongguang felt that they had never been so close before. in fact, he could not see it, but they had become closer.

Qin Mu didn't seem to be in a hurry either.

once, he had asked her what she would do if he couldn't see her.

She said, " it doesn't matter, Zhou chongguang. I'll take care of you.

of course, he was just saying it. one rongguang was enough for him to eat for ten lifetimes, and it could also support her for ten lifetimes.

However, Qin MU's words were full of determination.

zhou chongguang held qin mu's hand and said softly, "Mumu, did you find out?"

he asked qin mu to find out the whereabouts of that grocery store's xi shi.

when he asked, she reached out to hold his fingers and said gently, "Not yet. She should be fine. Maybe she'll be beaten, but Yingluo ..."

"she's also dead, isn't she?" zhou chongguang asked in a low voice.

Qin Mu didn't reply. He just held his hand tightly.

And so, Zhou chongguang knew the answer.

He pursed his lips and said in a low voice, "Mumu, this is a tragedy!" I don't know if it's a woman's obsession, a man's, or the woman in this grocery store."

this kind of story was extremely similar to him and mumu, as well as gu mei from back then.

he loved mumu, but he was entangled with gu mei.

Fortunately, Mumu wasn't as fragile as that woman. She chose to leave instead of dying.

Zhou chongguang's fingers found their way over gently, and he reached out to touch Qin Mu. "mumu, thank you for your persistence."

qin mu blinked. "i didn't insist. i knew you were a playboy, so i left you and divorced you. "

if zhou chongguang could see, he would definitely glare at qin mu fiercely. however, he couldn't see and could only glare at the air.

After a long time, a look of grievance appeared on his face. "I'm saying, thank you for being alive."

Then, general manager Zhou got angry.

He was really angry.

Qin Chen stood at the door, watching with great interest.

zhou chongguang was rather cute now, yingluo.

However, he did not know if he would still be like a sick cat after he recovered and was full of energy. He did not know if he would still flirt with women, wink at women, and play with small stars.

however, he didn't dare to give her an extra tool or official position.

qin mu was also fierce now.

Qin Chen walked in and examined Zhou chongguang. As he got up, he blinked and said slowly, "the owner of this liver is 24 years old. He's of Chinese and English descent. He's very handsome in the photo and is a good match for Qin MU's age.

Qin Chen smiled at Qin Mu. there's finally something on Zhou chongguang that matches you.

Then, she added, "most importantly, that Chinese-English mixed-blood is still a Virgin." Of course, he was still a Virgin. qin mu, you've struck it rich."

qin mu was also stunned by what he heard.

Chapter 2760: it's the first time 2

qin mu was also stunned by what he heard.

zhou chongguang's face was completely black.

Qin Chen continued happily. if Zhou chongguang can still use it in the future, Qin Mu, you must feel it properly. It's just hard work. It's your first time!

Qin Mu swallowed his saliva and reached out to touch his stomach.

The little guy couldn't help but kick her when he heard such an explosive topic.

Kick her?

...

qin mu bit his lip and looked at zhou chongguang.

Her face was full of surprise, but he couldn't see it, so he was naturally dumbfounded.

"Chongguang, look, the child can move." her eyes were filled with tears.

general manager zhou, who had just been hit hard, gritted his teeth. " "I can't see."

qin mu pulled his palm over and gently placed it on his stomach. his voice was also soft."Chongguang, do you feel it?"

Towards this child, Zhou chongguang was in awe.

He felt that small wriggle carefully and even helplessly. Then, he 'looked' at Qin Mu. His expression made Qin Mu want to cry.

However, it was a cry of joy.

Because he was alive.

Because she was pregnant with his child.

after so much, they were still together.

zhou chongguang's palm touched it gently. then, he struggled to get up, even though he used all his strength.

However, he still held his wife and child in his arms.

qin mu obediently lay on his shoulder. after a while, he said in a low voice, " Chongguang, bring Shuimu over tomorrow. He hasn't seen you in a long time.

his body froze.

qin mu raised his head and looked at him. he did not dare to let him sit for too long, so he helped him lie down.

She lay down beside him and took his hand. She said in a soft voice, " "His name is Shui mu, and he's my child, isn't he?"

zhou chongguang's voice was a little hoarse,"gu ze, he's willing?."

"Yes." "he's willing to." qin mu nodded.

" i'm also a little selfish, " she said softly. " he's with shui mu, so he probably won't be able to find a wife for the rest of his life. "

Zhou chongguang suddenly gritted his teeth and said, " "i heard you guys cohabited before?"

Qin Mu snorted in acknowledgment.

zhou chongguang was only asking. after all, he thought that even if this had happened, nothing much had happened. but his wife had admitted it.

Acknowledge it?

it was as if his brain had been struck by lightning, and there was a boom.

immediately after, he turned his face towards his dainty wife and looked at her silently.

Qin Mu was all smiles. that's right. If I couldn't find you, our child and Shuimu would have found a father already.

zhou chongguang's fingers moved over and he grabbed her hand. "you two, have you kissed?"

"I've kissed you." "we've kissed deeply." qin mucun was angry at him.

general manager zhou's mind went blank again, as if he had been struck by lightning.

He gritted his teeth. I thought you couldn't let me go? "

"I have to try other men." Qin Mu was still smiling. She now knew why Qin Chen felt so good when he was angering people.

it really gave him a sense of accomplishment to see other people fuming with anger.

She looked at Zhou chongguang and said happily, "That's why you have to live well. Otherwise ..."

she lowered her head and kissed him on the lips."I'll find a new husband."

Zhou chongguang was angry.

However, it was useless to be angry. No one paid attention to him ...

it was as if qin chen had possessed qin mu. he teased qin mu however he wanted to.

Zhou chongguang suspected that his newly replaced Virgin liver was about to explode from anger!
