

Thank you 2761

Chapter 2761: It was the first time (3)

Zhou chongguang was angry.

The man was a little childish when he was angry.

He ignored Qin Mu, and Qin Mu was not in a hurry.

He still had to satisfy his biological needs, right? when he went to the toilet, was he going to wet the bed without her?

hence, zhou chongguang's anger did not last for more than two hours.

when he felt a little awkward, he began to call for his little wife.

...

Although he felt a little uncomfortable, he still had to scream. He couldn't really wet the bed, right?

"Mumu."

"my precious."

"qin mu."

"the child's mother."

Qin Mu didn't pay attention to him. Instead, he looked at him."aren't you angry?"

General manager Zhou's face was the same color as his 'Virgin liver'. He coughed lightly and said, "I want to go to the toilet."

"Sure, no one will stop you." Qin Mu smiled.

Zhou chongguang's face darkened, and he stared at her for a long time.

however, he couldn't see, so there was no point in staring.

Qin Mu hung him up for a while, but he still served him.

he had just had a liver replaced. if the kidney was damaged again, where could he find it?

Although Zhou chongguang was a little embarrassed, he still coughed lightly and joked with his wife, "Mumu, touch it and see if the liver is good."

Qin Mu stared at his own hands and then looked at that shameless man. He was really speechless.

was this related to the liver?

She didn't say a word, and Zhou chongguang teased her a little more.

Qin Mu went to deal with it. Then, he turned around and whispered into his ear, "zhou chongguang, it's already like this and you're still not content!"

At the end of her sentence, she bit him.

this made zhou chongle's heart itch, but he had no choice. he stretched out his hand to grab her, and she left.

After a while, he was panting weakly.

Qin Mu didn't play with him anymore. He laid quietly beside him and whined.

It had been a long time since they had laid together so peacefully. At first, they weren't together, and then he was sick and couldn't move.

she leaned into his arms and wrapped her small hands around his neck, slowly tightening her grip.

Zhou chongguang laughed lightly. Mumu, you're about to strangle me to death.

qin mu raised his head to look at him. he laughed and loosened his grip a little, resting his little face on his shoulder.

after lying down calmly for a while, zhou chongguang suddenly said, "mumu, let's get married again?"

Qin MU's expression was a little cheerful. He reached out and pinched his face. "Aren't you afraid that you won't be able to give me happiness?"

then, he said in a somewhat disdainful tone, "after all, you're in a bad state now."

She had bad intentions, "I don't know if my liver will be fine after such a collision, hehe."

"I just don't know if you can do it, so I have to hold on to you tightly." He caught her and sniffed for a while. Based on the smell, he put the tip of his nose to her ear and said shamelessly, "If I can't make it, use your fingers to clean it up, okay?"

even though they were an old couple, qin mu still blushed when he said that.

She bit her lip and did not make a sound for a long time.

zhou chongguang laughed, but as he laughed, he became serious, and his voice became lower. "mumu, even if i know that this is unfair, i still want to have you. i can't wait for even one more day."

qin mu still didn't make a sound and only hugged him tightly.

“i’ll get a lawyer to come over tomorrow, but can you sign a medical bill?” she asked in a low voice.

zhou chongguang had obviously thought of this long ago, and said hurriedly, ” “I’ll press my handprint.”

qin mu looked at him and was a little speechless.

“Zhou chongguang, the last time we got married, you were very reluctant.” She recalled the past and had the intention of settling scores.

Chapter 2762: be happy (1)

“Zhou chongguang, the last time we got married, you were very reluctant.” She recalled the past and had the intention of settling scores.

Zhou chongguang laughed. that’s why we’re getting married again. I want you to be happy for once.

at such a touching moment, qin mu still couldn’t help but complain, ” zhou chongguang, you can’t do anything now. do you think i can still be happy? ”

Zhou chongguang pulled her over and laughed in a low voice. didn’t I say that I have fingers? ”

Qin Mu was speechless again.

as expected, when men were shameless, women were nothing.

...

their re-marriage was indeed carried out in the ward. it was very simple, but zhou chongguang insisted on sitting up and even changed into a black suit.

When the lawyer asked him to press his thumbprint, Zhou chongguang’s gaze was a little dazed.

Qin Mu stood beside him and held his hand.

zhou chongguang immediately held her hand, his voice a little low and hoarse. ” mumu. ”

“It’s me.” Qin Mu looked at the uncertainty and caution on his face, and a trace of tears appeared in his eyes.

Only now did she realize how much this man loved her.

She chuckled and reached out to press his fingerprint.

“Chongguang, from now on, I’m your wife again.” She looked into his eyes and said softly.

zhou chongguang acknowledged him, but only he himself knew how excited he was.

his mumu was his again.

The lawyer left with a smile, giving them some space.

Zhou chongguang reached out to caress Qin MU’s small face, found her small lips, and kissed her lightly.

Qin Mu let him do what he wanted and allowed him to kiss him gently.

a few minutes later, she could feel the change in him.

the scene was quite ... in such a warm moment, zhou chongguang also felt that his wolf transformation was somewhat inappropriate, so he coughed lightly, ” “that ... it seems like this liver is not bad.”

Qin Mu leaned on his shoulder and laughed softly.

after a long time, general manager zhou felt a little embarrassed.

After all, he was a patient with a few broken ribs. It was embarrassing for him to be in such a tender moment.

moreover, no matter how emotional he was, he did not dare to act rashly. firstly, qin mu was pregnant. secondly, if he really did it, his bones would probably fall apart.

thinking about it, it was quite a pity.

Qin Mu raised his head and kissed him lightly. “Zhou chongguang, when you’ve recovered, I’ll compensate you, Yingluo.”

“Be good now,” she said, as if she was coaxing a child.

Zhou chongguang only thought of the word ‘compensation’ and his whole body was frozen, especially his liver, which was a Virgin liver and had never tasted a woman before.

so he patiently recuperated, and his body recovered at an amazing speed. a week later, he could already get out of bed and walk.

After two weeks, other than the fact that he could not see, he could basically do some simple activities.

Qin Chen found it unbelievable.

however, this made qin mu feel a little more relaxed. he only needed to help him wherever he went. he could also take a bath now, and he would force her to help him.

he stood in the bathroom and was extremely happy every time. he took advantage of her a lot.

Qin Mu felt that his taste was really getting weirder and weirder. He didn’t even let go of a pregnant woman.

that night, he had taken enough advantage of her and let her help him out of the bathroom.

Because she was helping him shower, Qin MU's clothes were all wet. Under the transparent nightdress, his body appeared particularly attractive.

Perhaps it was because she was pregnant, but some parts of her body were a size bigger. However, her waist was still very thin from behind.

Chapter 2763: be happy 2

perhaps it was because she was pregnant, but some parts of her body were a size bigger. however, her waist was still very thin from behind.

When she passed by the sink, she inadvertently looked at Hanhan in the mirror.

She saw a certain man's bright eyes.

Qin Mu turned his head and glared at Zhou chongguang. "You, can you see?"

as soon as she finished speaking, her body was carried to the kitchen counter, and he was standing in between her body.

qin mu's little face was a little shy. " chongguang! "

...

she bit her lip and buried her face in his neck. " "I'm pregnant."

"I know, Mumu." he turned her little face and kissed her carefully.

he had a nice smell on him, unlike before when there was only the smell of medicine.

His voice was very soft and gentle. I just wanted to try this liver. Is it okay? "

qin mu was so angry that he was about to cry. he turned his little face to the side and kissed him again after a while. "You've already proven it."

He bit her neck hard and said unwillingly, "I really don't want to use this liver to possess you."

Qin Mu was speechless. After a long time, he said in a low voice, "Zhou chongguang, aren't you childish!"

And then, he did something very childish.

He turned her little face over and kissed her bit by bit.

Qin Mu bit his lip and pressed his small hand on his shoulder. "chong guang!"

"Be good!" he gently coaxed her and slowly kissed her.

qin mu was extremely afraid. his voice was weak as he called out his name.

Zhou chongguang coaxed her, his voice low and hoarse, "be good, Mumu. I'll be gentle.

.....

.....

Half an hour later, Qin Mu bit his lip and looked at the decadent scene in the mirror. He cried out, "zhou chongguang, are you done?"

he hugged her and said in a low and hoarse voice, "be good. it'll be fine in a while. "

It had probably been a long time since he hugged her. Even though he was a little weak, he still did it for an hour.

Only when he was exhausted did he reach out to hug her, wanting to carry her back.

qin mu bit his arm. ” “this is crazy!”

her forehead was covered in sweat, and her face was red.

She looked at him. you don’t want your life anymore.

when she saw the toilet paper in the trash can, she felt that she had no eyes to look at it.

She propped herself up and wanted to clean up.

Zhou chongguang stopped her. we’re a married couple. Isn’t it normal to make love once? ”

qin mu was defeated by his thick skin and looked at him. ” ” director zhou, we’re in the ward now. one of us is a pregnant woman, and the other is a critically ill patient. if this gets out, we’ll be laughed at for a year. ”

zhou chongguang touched his smooth and good-looking chin and seemed to be deep in thought. ”
yes, i have to get heichen to help us check tomorrow. if yingluo has any problems, it won’t be good!
”

qin mu:

sure enough, men were all animals that thought about the lower half of their bodies.

However, even though they were angry, they were still very warm when they lay together.

Zhou chongguang stretched out his hand to touch her little stomach and asked in a low voice, ”
“Are you hurt?”

although he was excited, he had always been very gentle. the child should be fine.

qin mu looked at him and laid on his chest. ” “He’s fine.”

zhou chongguang’s heart softened, and he bit her little face lightly. ” ” mumu, you don’t know how happy i am to have you again. ”

“I thought you would say that you can do that again.” qin mu rolled his eyes at him. he always felt that his old illness was back to normal even though he had recovered.

She was still the same as before, all lustful!

Chapter 2764: be happy (3)

Zhou chongguang looked at his little wife and frowned. “mumu, am i such a shallow person in your heart?

Qin Mu squeezed out a smile. he’s not only superficial. He’s also very shameless.

Zhou chongguang’s face turned completely black. After a moment, he reached out to hold her small chin and said in a low voice, ” then I’ll just be completely shameless.

There was a faint threat in his words.

He originally thought that Qin Mu would be afraid, but Qin Mu laughed instead. He laughed for a long time while leaning on his shoulder.

“Zhou chongguang, I like shameless people,” she said seriously.

...

Zhou chongguang looked at his wife steadily. For a moment, he did not know whether he was happy or not.

” chongguang! ” qin mu hugged him and said softly, ” sleep early! ”

she pulled his large palm and placed it on her lower abdomen. ” I’m going for a prenatal examination tomorrow. Can you accompany me? ”

Zhou chongguang looked at her.

“Chongguang, you’re going to be a father,” Qin Mu smiled.

“i know,” His voice suddenly became hoarse.

qin mu sighed softly. ” you can see the baby’s photo tomorrow, even though he’s very, very small now. ”

in zhou chongguang’s eyes, there was a different kind of warmth. he reached out to touch his little wife and kissed her forehead. ” mumu, i have never felt so lucky before. ”

When he pushed Qin Mu away and crashed into that car, he thought that they would probably not be able to be together.

At that time, he only hoped that she would forgive him and let go of Hanhan.

The reason why he was a little forgetful tonight was mostly because he wanted to make sure that all of this was real.

he, zhou chongguang, had never been so useless before.

That night, the two of them slept in each other’s arms. They had never felt more at ease.

his rejection period was not over yet, but he believed that he could survive.

Because his Mumu loved him so much.

The next day, when Zhou chongguang saw the little dumpling through the photo, he was as excited as if something.

Qin Chen told them the child's gender. It was a little girl.

"it's good to be a girl." zhou chongguang kissed qin mu's forehead, his eyes filled with gentleness. "

"it's best if she's a well-behaved little girl like you."

qin mu's little face was slightly red.

"If you want to show off your love, do it at home," Qin Chen coughed.

Go home?

Zhou chongguang and Qin Mu looked at her.

"Yes, let's go home!" Qin Chen chuckled. hasn't Zhou chongguang's body recovered? "

Her last sentence was meaningful.

Qin MU's face turned red, and he wished he could kill Zhou chongguang.

As for general manager Zhou, he said very proudly, " "Then I won't waste public resources."

Qin Chen snorted.

beast!

"Take it easy, Qin Mu is pregnant," she added.

zhou chongguang smiled. " even if i don't want to take things easy, i don't have the ability to do so!

"

after that, he went out to chase his wife.

qin chen looked on silently and smiled faintly.

After Zhou chongguang passed his rejection period, she would have to return to new York.

It was time for her to let go of the things that had happened a while ago.

qin chen pursed his lips, tidied up his things, and walked back to his office.

she sat there the entire morning and did not have anything urgent to do, so she did not want to go back to the hospital in the afternoon.

She had arranged for a nurse to move Zhou chongguang to his new home, and he should be back in the afternoon.

qin mu was prepared to stay in that villa, and everything had been cleaned up.

Qin Chen thought that this was good enough.

at noon, she wanted to eat a vegetarian hot pot, although she felt a little silly. it was such a hot day, and she wanted to eat a hot pot.

Chapter 2765: i bumped into him with another woman

However, she just wanted to eat. Perhaps, under such an atmosphere, she would feel that life was not so boring.

At the age of 24, Qin Chen sometimes felt that life was so long.

she could take some measures to extend her life, but she had never done that.

qin chen's actions were life-threatening, but she didn't care.

if it wasn't for the promise she made to someone, perhaps she wouldn't have had the courage to live in this world.

She changed her clothes, took her coat, got out of the elevator, and drove a Porsche. When she was waiting at a red light, she did a search and located a vegetarian hot pot restaurant. It was quite famous on the internet.

...

she had wanted to ask someone to join her, but after thinking about it, she didn't seem to have any friends.

Yes, she had always been alone. She was used to it.

Half an hour later, she went to the vegetarian restaurant. The business there was particularly good.

In the summer, the steaming hot pot made people's faces red, both men and women.

"Sir, how many people are there?" the waiter asked with a smile.

She looked at Qin Chen's noble appearance. He was young and good-looking, so she added, "Did you come with your girlfriend?"

"alone," qin chen replied indifferently.

the waiter's eyes lit up. such a good-looking customer actually didn't have a girlfriend. although he knew that there was a huge difference between him and the person in front of him and that it was absolutely impossible, it was also very pleasant to serve him.

the waiter immediately brought qin chen to a better seat. "sir, please sit."

She pulled out a chair for Qin Chen. Just as Qin Chen was about to sit down, he saw someone familiar sitting on the other side.

Lan Yu and Lin sisi!

They sat facing each other. Lan Yu was dressed very outstandingly today, and Lin sisi looked at Lan Yu with her chin in her hand. Her expression was a little indescribable.

Qin Chen looked at him for a few more seconds, but the waiter misunderstood and whispered, ”
“Your girlfriend?”

how pitiful!

such a good-looking man had actually been cheated on.

Qin Mu looked at the waiter and said very indifferently, ” “No.”

The moment she spoke, the people at that table noticed her.

lin sisi was the first to speak. she seemed to be very surprised. ” it’s dr. qin. ”

As for Lan Yu, he had an indifferent expression and his gaze was deep. It was impossible to tell what he was thinking.

Qin Chen looked at Lin sisi and nodded slightly.

lin sisi looked at lan yu. ” let’s ... sit together. shall we? ”

Lan Yu looked at Qin Chen and smiled. He then said to Lin sisi, ” ” didn’t you say you wanted to thank me? why, are you thanking dr. qin as well? ”

Lin sisi smiled sweetly. are you jealous? ”

“I don’t understand what you mean.” Lan Yu smiled.

“I know,” Lin sisi smiled seductively.

“I’m more suitable for you than Dr. Qin,” she said in a soft voice.

She was sweet and sweet, and at this moment, her breath was like an orchid, full of temptation. If the Grand Hyatt Hotel has my father’s support, you should know what kind of height it will rise to.

Lan Yu looked at her and smiled. “Didn’t you say that Ran Ran likes Dr. Qin?”

“He rejected me!” “And now, I’m more interested in you,” Lin Sisi said, still smiling.

The corners of Lan Yu’s mouth held a hint of a smile, but it did not reach his eyes.

“You should know that Dr. Qin and I both like men.” He also mentioned Qin Chen without changing his expression.

“You guys broke up, didn’t you?” “And I know that you used to like women,” Lin Sisi said with a sweet smile.

Chapter 2766: I bumped into him with another woman

Lan Yu smiled. “Little girl, don’t have any ideas about me. I’m not the kind of man you think I am.”

Lin Sisi leaned back. “We’ve already broken up, but you still can’t forget him. Mr. Lan is much more infatuated than I thought.”

“Aren’t you doing this on purpose for her to see?” Lan Yu’s voice turned cold.

If he didn’t guess wrong, Lin Sisi must have hacked Qin Chen’s phone to know that Qin Chen was going to eat here, so she asked him to meet here in advance.

And his company happened to be nearby. All of this was a coincidence, but it was also Lin Sisi’s plan.

It was to make the separated men and women more thoroughly separated.

...

lin sisi's goal had always been qin chen, and it had never changed.

and the reason he came out was just to find out what she wanted to do. that was all.

he, lan yu, had no interest in such a perverted and insensible little girl.

However, he found Qin Chen's reaction rather interesting.

Although he was calm, he looked very unhappy.

to be able to make doctor qin unhappy was the best thing that lan yu could do.

they were whispering to each other. they were not very friendly, but they kept their voices low. to others, it looked like a man and a woman having an intimate conversation.

qin chen's vegetarian pot arrived, and she ate quietly, choosing not to listen to their conversation.

Of course, he couldn't hear her clearly.

She only knew that Lin sisi seemed to be very happy under Lan Yu's teasing and was giggling.

She ate her food expressionlessly and didn't leave because of anyone.

She ate for about half an hour, then stood up to pay the bill. All her movements were done in one go, beautiful and exquisite.

Almost all the women in the restaurant were staring at Qin Chen, unable to look away.

lan yu was also very handsome, but this kind of handsomeness was handsome, but it was definitely not as stunning as qin chen's.

Her natural exquisiteness made women fall for her.

every girl's prince charming was probably like qin chen.

When Qin Chen left, he didn't even glance at Lan Yu, let alone Lin sisi.

When it was time to settle the bill, the same waiter said in a low voice, " " it's good to get over it. little girls these days are all over the place. "

Qin Chen signed his name without any expression, then told the waiter seriously, " "That man is my ex-boyfriend!"

After that, he left.

the little waiter was left in a mess in the wind.

God, she was wrong!

Ex-boyfriend?

then isn't this gentleman here?

Such a good-looking man actually likes men!

the waiter wiped his tears. this world was too unfair.

then, when she went to clean up qin chen's table, she looked at the adulterous couple with even more hostility.

In particular, the way he looked at Lan Yu was full of contempt.

Bending such a good-looking man, are you going to be responsible to the end!

It was too infuriating.

Lan Yu's heart moved when he met that gaze.

then, he looked at Lin Sisi. "I've already thanked you. This meal is on me."

No matter what Lin Sisi said, Lan Yu had already opened his mouth, "also, don't have any more ideas about Qin Chen. Even if she breaks up with me, it won't be your turn."

"Why are you so sure, Mr. Lan?" Lin Sisi smiled.

"Because Qin Chen is a woman!" Lan Yu stood up and smiled. "I've inspected the goods. I can't be wrong!"

Lin Sisi didn't say anything, and her face didn't show much expression.

Lan Yu naturally wouldn't go and comfort a lovelorn and willful girl, so he left quickly.

Chapter 2767: I bumped into him with another woman

After he left, Lin Sisi looked in the direction he had left and laughed. "I knew it!"

She knew Qin Chen was a woman the moment she saw him.

This was exactly what she liked.

Such a perfect person was what she had imagined.

She believed that with Qin Chen, she could give him everything he wanted.

Qin Chen's identity was too dangerous, and only she could keep him safe.

...

qin chen would know about this.

Lin sisi left quickly.

no one knew that she was the world's top hacker, K. she knew more about qin chen than lan yu.

that included the chinese aristocrat from France, rong lei.

.....

Qin Chen drove around for a while and only returned to his apartment at two in the afternoon.

After parking the car, she walked to the elevator and saw a slender figure standing there.

Qin Chen paused for a moment, then slowly walked in that direction.

when she passed by lan yu, she pressed the elevator button and asked, " "Is there something left here that can't be moved?"

He nodded. there is one.

Qin Chen didn't say much and allowed him to enter the elevator.

the two of them stood in the elevator, speechless.

she didn't have any intention of speaking, but lan yu spoke up, " "Don't you find it strange why I'm with Lin sisi?"

"She said today that she wants to pursue you." Qin Chen said without any expression.

lan yu looked at her, his voice low and hoarse, ” “you don’t care?”

qin chen looked into his eyes.

“a man who has slept with him will usually feel uncomfortable when he’s with someone else,” lan yu said softly.

qin chen smiled. ” for something that is inevitable, it’s no use even if you feel uncomfortable because it’s irreversible, just like a human’s life. ”

She said it very calmly, but she was angry with him.

he stared into her eyes and said, ” “If this man was Rong Lei, would you still be so uncaring?”

he was so angry that he forgot why he came here. actually, he wasn’t such a childish man, but yingluo still couldn’t let it go, and she was more unwilling to give up.

they had only lived together for a few days, and it had ended before they could even start.

however, he regretted it after he said it.

These words were undoubtedly hurtful to Qin Chen.

As expected, her originally calm face became a little cold.

She just looked at him. When the elevator arrived, she didn’t go out, but pressed the second-floor button.

“Mr. Lan shouldn’t care about worldly possessions. If I find something that doesn’t belong to me, I’ll throw it away.” she said coldly, and then looked away from him.

lan yu’s jaw tightened and his fingers clenched into fists. after a long time, he said in a low and hoarse voice, ” “you don’t care at all. i’m dispensable to you. once you find out that i’ve touched your forbidden area, will you be expelled?”

“yes!” Qin Chen looked at him and said firmly, ” “You’re nothing to me.”

lan yu’s expression changed.

after a long time, he laughed softly. ” i underestimated dr. qin’s heart of stone. and ran ran’s infatuation hasn’t changed! ”

qin chen looked at him when he said the last four words.

Her voice was filled with mockery,”Lan Yu, how much do you know?” Not everyone is as fickle as you.”

Her words had completely infuriated him.

The next second, she was pressed against the wall of the elevator by him.

Lan Yu’s face came over and teased,

Chapter 2768: Chenchen, let’s make up (1)

lan yu’s slender fingers pinched her chin and he leaned over. ” “since you’re keeping your chastity for a dead man, why do you still sleep with me? I’m the one who made you feel comfortable, aren’t I?”

qin chen narrowed his eyes and gave him a slap.

that sound was clear and crisp.

this was the first time qin chen acted like a woman.

she stared at lan yu.

lan yu's face was smacked to the side. he slowly turned around and looked at her.

...

Suddenly, he smiled. Qin Chen, I'm just an ordinary man. You're destined to be extraordinary. So, ran ran, I'm probably really forcing you.

he smiled helplessly and bitterly, "i'm sorry!" i was too impulsive. i shouldn't have offended the person in your heart, and i shouldn't have offended you."

he was wrong, very wrong.

how could he think that he and qin chen would be together forever?

qin chen was wrong too. she was wrong in being so dazzling and attracting him to death.

He didn't doubt that as long as Qin Chen wanted to seduce someone, he only needed to show a little bit of it and it didn't matter if the person was a man or a woman, he would fall for it.

She was a poison between men and women, or to put it bluntly, she was a drug of youth!

lan yu looked at him for a long time, then laughed softly. " qin chen, we're always quarreling like this. maybe it's really not suitable for ran ran to separate, but it's a good thing. "

then, he slowly walked out of the elevator.

As Lan Xiao turned around, he heard Qin Chen's voice from behind, " "it's not like that."

His body stopped.

then, he slowly turned his head to look at her.

qin chen leaned against the elevator. her eyes were a little dazed, and she looked so fragile that he had never seen her before.

at this moment, qin chen was no longer the young man who was popular, but more like a little girl.

the corners of her lips trembled slightly. after a long time, she said in a low voice, ” “i don’t want to waste time with my patients.”

she looked at lan yu. ” lan yu, you don’t understand the feeling of being powerless! ”

it was just a moment, ” she murmured. he disappeared. He disappeared on the top floor.

she laughed, but her face was full of tears.”they said he’s dead. they said rong lei is dead.”

“But I don’t believe that such a person would die!” Her expression was extremely fragile. Lan Yu, don’t come looking for me again. I can’t bear the pain of losing another person.

she held her head in her hands. ” “all these years, i’ve been fine by myself. i have no worries and no heartache.”

She slowly squatted down, alone, in the corner of the elevator.

she was crying like a child.

lan yu stood there and looked at her quietly.

He told himself that she was right and that he should leave immediately. They were not from the same world.

However, his feet did not move.

He had never seen Qin Chen like this. He couldn’t imagine it.

but his heart ached. his heart really hurt.

He took a step forward and carried her. Qin Chen, I'll take you home.

He didn't have that intention at the moment.

he was no longer a young boy. although his heart ached and he was reluctant to part with her, and he even liked her, he would not easily decide to be with her again.

besides, this wasn't one-sided. who knew if qin chen would regret it when he woke up tomorrow?

lan yu hugged her and reached out to press the elevator button, but the person in his arms said softly, "don't go home."

her demeanor was very feminine, not at all like her usual self.

Chapter 2769: chenzhen, let's make up 2

this was simply taking lan yu's life.

he hugged her, his voice almost indulgent. "Chencheng, where do you want to go? I'll Take You There."

she leaned against him, her fingers gently wrapped around his waist.

She rested her face on his shoulder and muttered, "let's go to your place,"

lan yu's body was a little tense. he narrowed his eyes."Do you know what this means?"

"lan yu, you don't want to?" qin chen pursed his lips.

...

Her slender hand tightened around his back. “or you don’t want me anymore?”

how could she not?

every pore of his was screaming for her to kiss him.

she quickly returned to his car, and before he started the car, he held her and kissed her for a long time.

when he let go of her, his gaze lingered on her red and swollen lips.

three buttons of her shirt were unbuttoned, and she no longer looked like a man. instead, she looked like a woman who was suffocating from sex.

lan yu used the fastest speed in his life to drive the car back to the villa he lived in.

the villa wasn’t big. it only had two floors and was about 400 square meters in total.

there was only one large suite on the second floor, the master bedroom, the living room, and the study room.

He hugged her and kissed her in the living room before they could return to the master bedroom.

the light was dim, and pieces of clothes fell to the ground.

Under the dim light, Qin Chen’s curves were like a goddess’s.

Lan Yu worshipped her and praised her. In the midst of extreme joy, they possessed each other-

Over and over again, as if he did not know fatigue.

It wasn't until the sky was almost bright that he hugged her to the large sofa and fell asleep.

And around them, the clothes were still scattered messily, and no one cared.

lan yu lived alone. he was a family man and also paid attention to privacy. usually, he would only have part-time workers come over on the weekends to take a look.

therefore, he had never thought that they would be seen by others.

however, they were caught.

The person who came was Lan Yu's mother.

she had been worried about lan yu recently, so she came over to take a look.

it was long past the time to wake up, but her son's house was quiet. she wondered if he had gone to work.

However, the more she walked to the second floor, the more she felt that something was wrong.

there was an aura of a man and a woman doing it.

lan yu's mother was also an experienced person, so she was naturally very sharp.

The living room's sliding door was wide open. She stood at the door and was stunned.

at this time, the morning light shone in through the white floor-to-ceiling curtains, soft and gentle, and also allowed the scene inside to be seen at a glance.

Lan Yu was lying flat, wearing only a pair of boxer shorts. It was black and stretched very sexily.

In his arms was a tall girl.

he was only wearing a blue-universe shirt, which was knee-length and had his back to her.

Lan Yu's mother stared at the pair of legs. They were really good looking. She had seen many models, but none of them had such slender proportions. They were also very fair and very pleasing to the eye.

The girl's face was buried in Lan Yu's neck, and she had one hand around Lan Yu.

this sleeping position was very beautiful.

Lan Yu's mother was comforted. Her son had finally found a decent girl.

However, she frowned again.

wasn't it a little too fast to get into bed now?

at this moment, lan yu woke up. the first thing he saw when he opened his eyes was his mother staring at him in a daze.

"Mom, what are you doing here?" he asked in a hoarse voice.

LAN Yingluo's mother stammered. I'm here to see Yingluo. Since you have someone here, I'll take my leave first. You can continue with your work!

Chapter 2770: Chenchen, let's make up (3)

lan yingluo's mother stammered. " i'm here to see yingluo. since you have someone here, i'll take my leave first. you can continue with your work! "

'young man, you're going to mess around again after you wake up.' mrs. lan's face even turned red.

Lan Yu frowned and was about to say something when Qin Chen woke up.

she heard the sound and looked in the direction of the sound.

immediately, lan waihu's mother called out to her in unison.

qin chen sat up and scratched his short hair.

...

lan wangji's mother was also shocked.

oh my god, it's that poisonous-tongued dr. qin.

Mrs. LAN took a closer look and realized that it was really her.

She looked around and saw that all the clothes were men's shirts and long pants.

Mrs. Lan's heart sank again. She could not be wrong.

After a moment of surprise, Qin Chen grabbed his hair and looked at Lan Yu. " i'll go and take a break. you guys talk. "

she was about to get up when lan yu grabbed her hand. " go to the second cabinet in my changing room and get some clothes. There are some clothes I wore in college, and they should be about the same size as you now!

qin chen nodded and walked into the master bedroom.

Only the mother and son of the LAN family were left in the living room.

Lan Yu didn't avoid his mother and got up in a pair of shorts. He tidied up his and Qin Chen's clothes and threw them into the laundry basket. His movements were particularly smooth, as if he was tidying up his and his wife's clothes.

Mother LAN looked at her and was in a daze for a long time before she found her voice, " " you and her, how did you get together again?! "

didn't you say you broke up? who would immediately get lost after breaking up?

In her heart, Qin Chen was a very proud person and would not easily step into other people's territory.

lan yu put on a pair of long pants and casually put on a shirt. he sat on the sofa and took out a cigarette. he lit it up and took a long drag."mom, there was an accident yesterday."

"It's up to her," he said after a pause.

He wasn't that naive. She wanted him last night, but that didn't mean she would want him today.

to put it bluntly, adults shouldn't take physical things too seriously. if they did, they would lose.

he might not have met countless people, but he had at least had a few women before, but he had not seen through them. however, qin chen had seen through it thoroughly during his first time.

he had lost from the very beginning.

lan waihu's mother was a little worried. she was afraid that her son would be toyed with.

"do you want mom to talk to her again?" she hesitated.

"forget it!" "you won't be able to communicate with her," lan yu laughed.

lan waihu's mother was somewhat disappointed.

indeed, the lan family's background wasn't bad, but the qin family was better.

Furthermore, Qin Chen was a medical genius while she was just a housewife. They really didn't have anything in common.

From the bottom of her heart, Lan Yu's mother still approved of Qin Chen's appearance when she saw his back and legs.

One look and he could tell that she was a girl. Besides, Yingluo should be a pretty good girl. If it wasn't for her weird habit of wearing men's clothes, Lan Yu's dark history wouldn't be worthy of her.

LAN Yunxi's mother was a little hesitant. In the end, she sighed, "I'll go back first. lan yu, you do as you see fit!"

she paused and continued, "but to be honest, lan ting is gone, and your father and i only have you as our son. we like yishu very much, but you gave her to xue 'er. we can't say anything about other people's children, but now that you're with qin chen, if you can't be together, your father and i hope that you can get married. you have to choose between love and marriage."
