

Thank you 2771

Chapter 2771: chenzhen, let's make up (4)

After she finished speaking, Lan Yu was also a little moved.

His mother's words were not too much.

He thought for a moment and smiled. "alright, mom, i promise you!"

mrs. lan smiled. " i'll be leaving then! "

Lan Yu sent her downstairs and watched as the driver drove the car away.

When she returned upstairs, Qin Chen had already come out of the bathroom and was drying his hair with a towel.

...

She was wearing his University Sportswear. It was white, and she looked very refreshing in it. It was also very pleasing to the eye. She did not look as masculine as before, and it was very androgynous.

Lan Yu went forward to hug her and kissed her on the neck. He muttered, " "Are you unhappy?"

Qin Chen put down the towel and smiled. this is your house. Why would I be unhappy if your mother came to visit? "

he did not let go of her and continued to smell the pleasant scent on her body.

It was the scent of the shower gel he was used to. At this moment, she had it on her body, as if she had been stained with all of his.

he was a little moved and wanted to do it again, but he couldn't tell what she was thinking at this time, so he didn't make a sound and probed step by step.

"If you were my wife, I think you have the right to be unhappy when my mother comes." he chuckled softly, then picked up the towel beside him and continued to dry her hair.

"you want to get married?" qin chen asked.

"Is it strange?" "I have to get married eventually," he said in a seemingly casual manner.

Qin Chen was obviously startled, then he asked softly, " "Are you testing me?"

Lan Yu, who was drying his hair, slowed down. He put down the towel and admitted, " "yes, it was a test. Chenchen, I want to date you with marriage in mind, not just cohabiting!"

he emphasized, " we don't have to live together, but we can have a meal together when we're free. i'll cook for you. we can also go to the movies and travel together like the others. "

His eyes were very gentle as he spoke, and his expression was a little moved in the end.

"i thought you were still gritting your teeth in hatred for me before last night."

"Without love, where is the hate?" He bit her ear and felt that she had softened, so he said even more seductively, " " also, i'll be free on the weekends. we can make love all night long, okay? "

"don't!" qin chen pushed him away.

lan yu's expression was a little dark, thinking that he had been rejected.

qin chen walked to the floor-to-ceiling window, pulled the curtains open, and turned his head. " "That's not healthy! You need to control yourself."

lan yu looked at her with a dazed expression.

qin chen smiled,"what, you don't understand?" Do you want me to explain it to you word by word?"

then, she mumbled to herself,"i'm starting to doubt your intelligence."

before she could finish, he had already walked over and reached out to hug her.

He hugged her very tightly and with all his might. He buried his face in her shoulder and said hatefully, "do you know how detestable you are?"

"I know!" qin chen continued to smile. "so you have to give in to me. "

he bit her hard to vent his hatred."Torturous little thing."

Then, he said in a deep and husky voice, "although it's not healthy and i can't control myself, i still want to mess around."

after he finished speaking, he held her face and kissed it. his thin kisses left marks on her small face, like the sun kissing her.

Qin Chen closed his eyes, his slender hands quietly hugging his waist. only once!

In the end, he did it four times.

Chapter 2772: Chenchen, let's make up (5)

When she woke up again, it was already two in the afternoon.

qin chen was sleeping in the master bedroom. when she opened her eyes, she looked at the white long curtains in front of the floor-to-ceiling windows and the nordic-style furniture.

Lan Yu's bedroom was very simple, but very refreshing. It was what she liked.

Qin Chen sat up, wrapped in the bedsheet. He looked up and suddenly saw an oil painting hanging on the bed.

The painting was of her.

that night, she was wearing lan yu's black shirt and sitting on the piano.

...

it turned out that he had died here.

Qin Chen looked at it carefully, then reached out and touched it gently, as if he was touching a dream.

The soft sunlight shone on her face, making her expression look gentler.

Lan Yu was standing at the door of the bedroom, looking at her gently.

although I'm very angry, I still hung it on my bed. It's very beautiful! he smiled and walked over. he knelt in front of her and kissed her.

Qin Chen reached out to hug his neck, so she didn't care about the sheets falling off. She hugged him and kissed him lightly, smiling. "What if you bring someone back one day and they see you?"

lan yu's forehead was pressed against hers, and he continued to chuckle. " "If that's the case, I'll hide Yingluo in advance because I'm afraid that she'll feel inferior if she sees it."

qin chen chuckled and bit his lip. " "oh, really? Wouldn't it be better if she's a new love?"

"No one can be as good as you." Lan Yu's large palm was a little unruly again. "you vixen."

“isn’t he more like a man?” she didn’t stop him and obediently enjoyed his service.

In bed, he was the one who had been pleasing her.

she liked his skills. she suspected that he had drawn human bodies before, which was why he was so familiar with women’s bodies.

the result of this laissez-faire was another warm-up in bed. in the end, he was finally satisfied.

after washing her up, he carried her to the dining room.

during this period, she only had one of his black shirts on her, and he liked it when she wore it.

“Try my cooking.” He had made a few exquisite Thailand dishes for her today, and they looked very good.

Qin Chen was an exquisite person, and after eating it, he was very satisfied.

lan yu sat opposite her and looked at her satisfied expression. he then asked very seriously, ”
“Chenchen, which part of me do you think is the most important? Hmm?”

he raised his hand. ” is your hand more important, or is yingluo’s lips more important? or is yingluo more important? ”

he winked at her at the back part of his body, so she should understand.

as a doctor, qin chen would naturally understand. otherwise, as a woman, she would also understand.

Lan Yu ladled a bowl of tom yum soup for her and spoke softly, ” “Eat slowly, it’s a little spicy.”

Qin Chen took a sip before answering him.

“we can’t do without one!” Her expression was a little mischievous as she spoke.

Lan Yu was actually a little dazed.

after a moment, he came back to his senses and said with a smile, ” “do you want to try them one by one?”

Qin Chen looked at him with a meaningful gaze, and after a moment, he whispered, ” “Haven’t we already tried?”

“there’s something even more powerful. do you want to try?” lan yu smiled.

this time, qin chen looked at him in a new light. after a long time, she wiped her fingers clean and said with a smile, ” “as a vegetable, aren’t you a little too excited?”

an exquisite scalpel appeared in her hand as if she was performing magic. she waved the blade at him.

“mr. lan, you’re not afraid?”

Chapter 2773: chenzhen, let’s make up 6

Lan Yu’s eyes narrowed. He never knew that Qin Chen had such an ability. Where did he hide the scalpel?

however, he suddenly remembered that she had been stripped naked by him, but there was a black crystal watch on her wrist. the small scalpel was hidden in the watch.

he got up and walked over. he smacked the scalpel away from her hand and hugged her from behind.

He kissed her Little Neck and said in a low and hoarse voice, ” “baby, be careful. it’s easy for me to lose important things.”

as he hugged and kissed her like this, he slowly felt moved. then, he directly carried her back to the master bedroom.

Qin Chen’s slender fingers pressed against his lips, a smile on his face. “lan yu, you’re too indulgent.”

...

his hands did not stop moving. he chuckled. ” i just want to let myself go today. you can also compare yourself. ”

he had never been like this before. he felt that even if he died on her, it would be worth it.

From dawn to dusk, they spent the entire afternoon together. When she woke up, it was already nine O ‘clock.

When she woke up, she was in his arms.

It was late at night and her voice was slightly hoarse. Lan Yu, are we really in love? ”

Lan Yu acknowledged her and reached out to hug her slender body.

They embraced each other, waiting for the light to come together in the dark.

In her countless dark nights, there had never been anyone like Lan Yu, who had accompanied her completely.

“Lan Yu, will we be together forever?” she asked in a low voice.

“i will.” He smiled. as long as you don’t leave me, we’ll always be together.

Qin Chen laid in his arms and looked up at his blurry face. He smiled gently. okay, let's try it once.

"maybe i'm not used to wearing dresses," she said softly. "but yueyue, i'll try to wear it at home for you to see. but you're not allowed to laugh."

"i can even wear men's clothes for the rest of my life." &Nbsp; Lan Yu reached out and touched her short hair. wear my shirt at home.

her fingers clenched into a fist and she hit his shoulder. how could she not know what he was thinking?

they held each other until dawn.

the sunlight was gentle, and she fell asleep peacefully.

after she fell asleep, she dreamed of the sound of kapok opening.

this time, there was no blood or parting in the dream.

there was always the heavy aura of the blue universe accompanying her.

in the afternoon, he pulled her up and kissed her heavy eyelids. " "chenchen, let's date."

"lan yu, i thought that in your mind, love is to make love non-stop."

"if you can take it, of course i'm willing to." he tried to unbutton his shirt, but qin chen stopped him. she bit her lip and looked at him."let's go out."

She sat up on one of his legs, looking a little distressed. "Lan Yu, where are we going? Do you want to go to the art exhibition or the medical exhibition?"

he looked at her, his dark eyes full of brightness.

after a long time, he reached out and pinched her nose. ” chenchén, you’ve really never been in love! ”

he lifted the blanket and got up, confessing to her without any reservations.

“pervert!” qín chén bit his lip.

“only to you!” He bent down, pinched her face, and carried her into the bathroom. “let’s shower together.”

When he came out, it was an hour later.

As soon as Qín Chén got in the car, he complained that he was hungry.

“lǎn yú, you can just eat at home.” she missed the food he made. the food outside might not be as good as his, and she was an otaku to begin with.

Chapter 2774: chenchén, let’s make up 7

lǎn yú turned his head to look at her, a smile in his eyes.

chenchén must not have known how cute her expression was at this moment, and she did not know that she was acting coquettishly.

Unknowingly, she had become a woman in love.

However, she actually didn’t know.

Lǎn Yú’s gaze became very gentle and he reached out to ruffle her hair. “you should have more. your skin is abnormally white.”

that was why he had always thought that she was too beautiful, as pretty as a girl, because her skin was too white.

...

Qin Chen glanced at him and snorted, not saying anything else.

.....

lan yu chose a french restaurant. when they walked in with qin chen, it was quite a sensation.

the two equally outstanding men appeared in an extremely intimate posture. obviously, the bottom was qin chen.

lan yu was very comfortable, and so was qin chen. they had never felt any psychological pressure.

let's order some food together.

The waiters were secretly looking at them-

they were much more eye-catching than the popular couple on the internet.

moreover, he was also very natural and unpretentious.

lan yu ordered a meal and pushed it towards qin chen. " do you want to replenish? "

In fact, he had been paying attention to these things and knew what Qin Chen liked to eat.

when she was busy, she could eat chicken chop rice, but when she was not busy, she probably would not even look at that kind of food. he knew how difficult it was to raise her.

the waiter first served the appetizer and a dessert.

“mine?” qin chen raised his eyebrows.

“what else? Could it be mine?” Lan Yu smiled. don’t all girls like this? ”

“Just eat at home,” Qin Chen looked at him and said softly,”look at me, I’m a little weird now!”

“It’s weird that we’re together!” lan yu didn’t mind and brought a small piece of dessert to her lips.
” “Be good, eat a little.”

Qin Chen’s face was usually the thickest, but at this time, he still blushed.

she took the small spoon from his hand and said in a low voice, ” “I’ll do it myself,”

Then, she still felt a little awkward.

a man eating desserts in a french restaurant.

In the past, she still put on an act when she was outside. It was a girl’s hobby to not let others see her when she was alone.

But now, she didn’t care about being seen by others. There was one more person, Lan Yu.

She said that she wanted to be serious with him, so she didn’t need to pretend anymore. She would try her best to act like he liked her.

She thought that it was important for them to get along well.

Qin Chen had only eaten a small half before taking a sip of the pre-meal wine.

when the main course arrived, she ate quietly. etiquette made it so that she would not talk much to lan yu.

he wasn’t affectionate either. like her, he was silently enjoying their time together.

Suddenly, the lights in the dining room slowly went out. Then, candles floated up on the surrounding walls, and the silver candle stand was lit up. It was very romantic.

A blonde foreign man was playing the violin beside them. He was playing the song "Liang Zhu.

Qin Chen grew up abroad and was very westernized, but she also had a little understanding of China classical music.

She first looked at Lan Yu in surprise, her eyes filled with emotion.

this was extremely rare for qin chen.

She could feel his care for her and was touched.

She waited until the person was done before she held Lan Yu's hand and said in a low voice, "the mood is right, but it's too sad. Is this the result you wanted?"

whether we live or die, we'll be together. Isn't this a good result?" Lan Yu also smiled, then took a red rose from the person's hand and gave it to Qin Chen.

Chapter 2775: Chencheng, let's make up 7

she waited until the person was done before she held lan yu's hand and said in a low voice, "the mood is right, but it's too sad. is this the result you wanted?"

"whether we live or die, we'll be together. isn't this a good result?" Lan Yu also smiled, then took a red rose from the person's hand and gave it to Qin Chen.

Qin Chen looked at the bright and juicy rose, and after a long while, he said, "Lan Yu, you're an artist with a romantic mindset, but I'm a doctor. In my world, love may be important, but life and death are more important.

He smiled. that's why we'll live well together. We'll live together until we're very old. We'll live until you can't even refuse.

He hugged her from behind and kissed her on the cheek.

He didn't care about being seen by others, or being pointed at by others.

...

He had said before that he didn't care how she looked outside. She looked good enough in men's clothes.

so what if he let others think that he liked men?

he only needed to know the beauty of his woman.

Qin Chen turned his head and looked at him with a deep gaze.

lan yu knew that she had always kept a low profile, so he asked in a low voice, "are you angry?"

"no!" qin chen smiled. " i'm very happy. "

She even kissed him on the lips, not caring about what others thought.

Lan Yu was stunned.

He didn't think that Qin Chen would be willing and like him doing this.

He just wanted to do what a boyfriend would do, or rather, he wanted to test her.

Yes, it was a test.

she said that she wanted to be together, but from the bottom of his heart, he might not have believed her.

That was why he had brought her out to test her.

he felt a little guilty that he had gone a little too far.

when it came to relationships, qin chen was like a blank piece of paper. if she liked it, she liked it. if she didn't, she didn't. she would tell her how she felt. it was just like when she was only willing to be friends with him. she also said it clearly.

Now that she said she wanted to be serious, he didn't believe her.

for the first time, lan yu was in a sorry state and felt that he was a little too dark.

he hugged her without saying a word.

He had never thought that she would be so innocent.

she had no idea how bad men could be!

“Chenchen, I’m sorry.” His voice was low and hoarse.

Qin Chen looked at him. Lan Yu, what’s wrong? ”

he hugged her even tighter and murmured in a low voice, ” “i’m sorry i’m late,”

This sentence made her smile.

She placed her hand on the back of his and said softly, ” “it’s not too late to come now.”

he stopped talking and only felt her warmth.

The people around them were all watching them.

No one would think that they were doing anything wrong, because it was obvious that they were deeply in love.

At least, that was what the man who was hugging her tightly said.

he was so excited that it was like he had won five million.

“Lan Yu, how much longer do you want to hug me?” “i’m a little hungry, i want to eat something,” qin chen whispered.

Lan Yu’s gaze was hard to express in a few words.

At such a warm moment, she actually thought of eating!

“did i say something wrong?” Qin Chen asked carefully, a scalpel in his hand. or is the steak you wanted too hard, so I’ll cut it into small pieces for you? ”

“You, idiot!” Lan Yu suppressed himself.

Qin Chen snorted coldly, ‘you dare call me an idiot? I already had a Doctor’s degree when I was 18.”

Chapter 2776: rong lei, the person in her heart (1)

“i know!” “but you’re still an idiot,” lan yu’s voice was low.

“is this the best way to express your feelings?” qin chen snorted.

qin chen pursed his lips and poked his shoulder. "you're so stupid. everyone in the restaurant is looking at us. "

"Then let them see!" lan yu said nonchalantly. he then cupped her lips and kissed her deeply.

his kiss was so deep that qin chen's cheeks sank deeply.

she patted his shoulder, but she couldn't stop him. she only patted his shoulder when she was panting. "lan yu, do you want to be on the social news? "

...

"then let's go." he moved back a little and looked into her eyes."At most, it'll be two men hugging and kissing, right?"

"let them write whatever they want. i want to kiss you now!" lan yu's voice became very lingering.

his kiss also started to be very gentle. he kissed her lips gently and said in a hoarse voice, " " if we weren't in the dining room, i would have chosen to carry you to the bedroom. "

She had no idea that she was the strongest medicine in the village.

in the past, blue universe had never been so indulgent.

Qin Chen bit him lightly. Although he tried to stop him, his voice was still indulgent."Alright, Yueyue, let's go back, okay?"

Lan Yu probably only let go of her after getting her promise.

His face was very restrained and abstinent.

however, his actions just now had the wild side of an artist.

qin chen said that he was a doctor, so strict that he didn't fit in with people like lan yu, but they still ended up together.

And it was very harmonious.

The lights in the dining room lit up again, and the photo of them kissing in the candlelight quickly made the headlines.

lan yu and qin chen's identities were completely exposed.

One was the president of a top hotel chain, and the other was a world-class genius doctor. They had the same status, but the key was that they were both men.

The kissing scene in the photo was very beautiful, but it could not change the fact that they were two men.

that night, thunder rumbled and lightning flashed.

qin chen's apartment was closer, so they ran to her apartment.

When they reached the door, they found that the other party was drenched.

Qin Chen leaned against the door and smiled gently. He hooked Lan Yu's collar with one hand and gently pulled him towards himself.

She murmured, "After tonight, we'll be famous people tomorrow."

there's no need to wait for tomorrow. It will probably be spread all over The World Tonight. Lan Yu chuckled and kissed the corner of her lips. "Are you ready, Chenchen? if you're not prepared to reveal your gender."

"Do you mind?" She enjoyed his kiss and looked up into his bright eyes.

Lan Yu chuckled. it depends on what you think. If you want to be a man, then I don't mind.

Qin Chen reached out to hug him, his red lips close to his ear. “Lan Yu, hug me!”

She opened the door with one hand and held him with the other, allowing him to carry her into the dark room.

in the past, she was afraid of the dark, but now, she didn’t seem to be afraid anymore.

Because Lan Yu was there, his body was warm.

He placed her on the sofa, and in the dim light, he removed all her underwear.

in the dark night, she was like a goddess, blooming for him.

Lan Yu called out her name, over and over again.

he loved her over and over again, as if he did not know fatigue.

Chapter 2777: rong lei, the person in her heart (2)

Late at night.

Just as Lan Yu and Qin Chen were enjoying each other’s company, in the top floor Presidential Suite of the GM hotel in B city.

a slender figure stood in front of the floor-to-ceiling window, quietly gazing at the city.

chen, this is your hometown. i’m coming!

he stared at it quietly, his fingers slowly tightening.

behind him, a cold female voice sounded, ” “young master rong, i’ve got the news! She’s living alone in an apartment now.”

...

Anna, give me the address. I’ll go and find her now. The man’s voice was slightly hoarse.

then, he turned his head. his face was handsome, and he had a very noble aura.

He was wearing a simple grey shirt and black long pants, but he looked very good in them.

Beside him was an ancient porcelain cup with the Royal seal of the last century on it.

just the cup alone was worth millions of pounds.

anna looked at her master with a troubled expression.

The man raised his eyebrows. what’s the problem? ”

anna pursed her lips. ” she’s with a man. ”

The antique porcelain cup in Rong Lei’s hand, which was worth millions of Yuan, shattered into pieces.

As for his palm, it was cut into a bloody mess. Blood dripped on the pure white wool blanket, but he didn’t feel it at all.

anna pursed her lips and handed over a photo. ” “lan yu, chinese-american. He’s the CEO of the world’s largest hotel chain. He used to be an artist and is very famous in the industry.”

the photo was in rong lei’s bloody hand.

Rong Lei quietly looked at the photo, watching his Qin kissing another man.

qin, it's been a long time since you've had such a girlish expression in your eyes. i thought you'd frozen your heart for me, but you still betrayed my feelings.

Rong Lei closed his eyes, and the photo turned to ashes.

anna, who was watching from the side, was shocked. " master, do you need me to deal with that man? "

Rong Lei quietly walked to the luxurious desk and took a tissue to gently wipe the blood on his hand. He said slowly,"no need! Getting rid of a person is to completely eradicate him from the heart. Just taking his life isn't enough."

He knew his Qin the best.

If she could make that man kiss her, it meant that she was moved.

She had easily given herself to someone else.

Rong Lei closed his eyes. give me the address.

anna hesitated for a moment before giving him the address.

night.

it was a storm.

on the top floor of the building opposite qin chen's apartment, a black figure stood in a daze.

he stood there quietly, his eyes fixed on the penthouse in the opposite building. the large floor-to-ceiling window formed a huge wall.

it was dark inside.

lightning flashed and thunder rumbled.

the world suddenly turned into daytime.

Through the floor-to-ceiling window, he could see a man and a woman's bodies entangled in the opposite apartment.

The contrast between black and white was very similar.

His Qin was like a White Lotus blooming under another man's body.

The body that he had always been reluctant to possess was now entangled with another man.

rong lei looked at them quietly, as if he could hear their breathing. he could even feel the joy in her body.

he had been with her for far too long. he understood her and could even sense her feelings sometimes.

at this moment, she was in great joy-

She was about to fall in love with that man called Lan Yu.

rong lei narrowed his eyes and watched quietly, letting the pain pierce through his heart ...

Chapter 2778: rong lei, the person in her heart (3)

Rong Lei narrowed his eyes and watched quietly, letting the pain pierce through his heart ...

Qin, I'm back.

why didn't you wait for me for another year?

A year ago, she was still alone.

a year later, there was someone else by her side. she treated that man so warmly, as if she had forgotten their past and what she had once said ...

Rong Lei, if you didn't exist in this world, I would become you, another Rong Lei.

...

for so many years, he had been far away, watching her take on his appearance, watching her seal her heart, watching her push people away.

she had become another person, rong lei.

he had thought that he was the only person she would remember in her life.

he was desperate to come back and see her, but he held back because he believed that she didn't want anyone in this world except him.

however, she had fallen for such an ordinary man.

in the dark, rong lei quietly left xuanji.

Just as he had quietly arrived.

the night was filled with lightning and thunder, and it only gradually stopped at dawn.

early in the morning, the fresh air floated into the apartment, and it felt comfortable just by smelling it.

qin chen moved and opened his eyes to see lan yu's smiling face.

she smiled gently and reached out to hug him. her voice was very, very low."i'm so hungry. it's been a long night."

she rarely acted coquettishly, and he was fascinated by her.

Lan Yu hugged her and kissed her lips. "I'm the one who's working hard!"

Qin Chen's finger gently poked his shoulder. the first rule of being a lover is that as a boyfriend, you have to give in to me!

lan yu grabbed her finger, his gaze deep and serene. " "Don't play with fire!"

She chuckled and leaned on his shoulder, a little mischievously."you're the one who can't control yourself and can't control yingluo."

her slender legs hinted, " "i can't control this place."

Lan Yu chuckled. I can't control it anymore. Are you going to accompany me? "

"You're a beast!" Qin Chen bit his lip.

Lan Yu laughed in a low and hoarse voice.

"you sit in the office every day. you used to be an artist of sexual intercourse. tell me, where did you get your six-pack and so much energy?" qin chen snorted.

In fact, she had been moving in the past, but God had really wasted her looks. She couldn't even train her ABS, let alone ABS. Even now, her waist line was still smooth and flat.

The moment she removed her clothes, a female face appeared.

Lan Yu laughed lightly. it's probably because I'm going to meet you!

"So, you really like me?" qin chen bit him in his arms and said, "if you like it, i'll go make breakfast."

She propped herself up and gave him a good morning kiss."i'll go and take a shower, and then yingluo will wear your shirt as a reward, okay?"

Lan Yu stared at her for a long time before he chuckled. "it sounds very tempting."

let's shower together, " he said as he hugged her. I'll make you breakfast after we're done.

she did not refuse and allowed him to serve her.

Lan Yu pampered her so much that she didn't even need to move a finger. He even fed her until she was full, like feeding a little pig.

qin chen was lying on the sofa, stretching out his leg to hook him. "lan yu, this kind of life seems too decadent. i have to go to the hospital tomorrow.'

after that, she complained again,"i'm really afraid that if it's a surgery, my legs will go weak after standing for two hours-"

This b * stard, he could stand for four to five hours. She really didn't know if his body was made of iron.

Or were all men like this?

Chapter 2779: rong lei, the person in her heart (4)

lan yu kissed her. " i'll go cook. "

she hooked her arms around his neck and said, "i can cook, but i can't make love."

Lan Yu lowered his head to look at her face and chuckled, ” “Where are the karate experts?”

He nudged the tip of her nose affectionately.”fancy moves.”

Qin Chen bit him and kicked him with his long leg. “go and cook.”

“Alright, Your Majesty.” lan yu lowered his head and chuckled.

...

Qin Chen pulled him over again and kissed him. “I’ll learn how to cook for you in the future.”

lan yu’s gaze was a little deep. this was probably the most beautiful love words he had ever heard, especially for someone like qin chen. to be able to say such words, he believed that he had a heavy place in her heart.

He wanted to say something, but in the end, he didn’t say anything. He only kissed her on the lips.

he went to cook, but he still washed an apple for her first. it was red and moist.

Qin Chen was reading a magazine while biting.

Lan Yu saw that she was looking at women’s clothes, but most of them were androgynous. Even so, he was already very satisfied.

He knew that it was not easy to change a person’s persistence and belief.

Hence, he hugged her from behind and gave her a kiss. “Sit up and watch, it’s bad for your eyes.”

“i like to lie down like this.” Qin Chen said shamelessly.

lan yu realized that he seemed to like her rascally side. she was acting coquettishly like this, which qin chen didn't even realize.

in the end, lan yu even bit her like an apple. qin chen bit his face. "Don't you dare steal my Apple."

His eyes were clear and bright as he stared at her, as if he wanted to make love again.

"no more." Qin Chen put down the Apple and wrapped his arms around his neck, his voice low."It hurts a little."

lan yu's gaze was a little unpredictable. after a long time, he kissed her. "i'll buy you some medicine later. hmm?"

Unexpectedly, Qin Chen didn't object.

He smiled and went to help her cook.

While Qin Chen was eating happily, Lan Yu went to the pharmacy downstairs with a cigarette and bought her medicine.

When Qin Chen was applied with medicine, he made a rare scene, and the two fought.

the best time of life was probably nothing more than this ...

On Monday, Lan Yu drove Qin Chen to the hospital. She had to check on Mr. Lin's body today.

Mr. Lin was very busy every day and had been in the hospital for a long time. The situation changed rapidly and he dared not recuperate.

Qin Chen was dressed in a white robe. After examining Mr. Lin's body, he took off his mask and smiled."you can be discharged, but it's best to rest."

there was no one else in the ward. mr. lin sat up and smiled bitterly.”How can I recuperate in such a position?”

qin chen replied with a smile and didn’t say much.

She was still very cautious when it came to politics.

“I heard that sisi and Dr. Qin are quite close,” Mr. Lin said.

Qin Chen smiled. Ms. Lin is quite cute, but my heart already belongs to someone else.

“Is it the young man called Lan Yu?” Mister Lin smiled.

qin chen was dressed in men’s clothes and nodded with a smile. ” “yes.”

mr. lin’s expression was a little awkward, but then he smiled. ” it’s pretty good. young people these days dare to say what they want and do what they think. it’s different from our time. ”

Qin Chen looked at him. sorry.

“i don’t need this!” mr. lin waved his hand. ” you can’t force a relationship. sisi was just messing around! ”

He added,”if sisi continues to pester you, tell me and I’ll teach her a lesson.” her mother’s soft-hearted tube can’t control her, but this girl is always afraid of me. ”

speaking up to this point, mr. qin always felt somewhat regretful in his heart. ” ” i’ve been busy with work all these years and neglected my family. sisi’s mother doesn’t have it easy either. ”

she sighed. ” sisi can tell me if she’s causing trouble. if she’s talking about having a good relationship, i hope dr. qin can be more forgiving. i’ve always hoped for an outstanding person to guide sisi, but this child is like a lost sheep, unable to find her way home. ”

qin chen cursed in his heart, can't find a home?

Why didn't he find a Shepherd Dog for Lin sisi?

she felt that mr. lin really meddled in politics. he spoke in a way that would make people believe him.

...

Mr. Lin looked at Qin Chen and smiled."Doctor Qin, what's wrong? his face looks terrible."

qin chen forced a smile. " no, i didn't. ran ran just slept a little late last night. "

"young people," mr. lin nodded,"don't sleep early like us old people."

"MMH, I'll help you with the discharge procedures, Mr. Lin!" Qin Chen replied.

she walked to the door and suddenly turned around, smiling faintly."mr. lin, lan yu is my boyfriend."

"oh, i see!" mister lin was a little surprised.

qin chen's gaze was calm,"yes!" I can only be his girlfriend because I'm a girl. I've been like this since I was young."

This time, Mister Lin was shocked.

she looked qin chen up and down, but she couldn't tell at all.

originally, he wanted to ask qin chen to follow him and work by his side so that it would be more convenient for sisi. but now, qin chen said that she was a woman.

mr. lin was stunned for a long time and did not come back to his senses.

“so, i can only accept your kindness, mr. lin.” qin chen smiled, walked out, and closed the door.

it was a pity that mr. lin was in the ward.

Although there were rumors before that Qin Chen and Lan Yu were a couple, he still admired people with high moral character like Qin Chen. But now, sisi was probably going to be disappointed.

thinking that his wife had to comfort her daughter again, he touched his forehead and felt a headache.

qin chen walked out with a headache, but now that he had made things clear, lin sisi probably wouldn't bother him anymore.

She walked towards the elevator, thinking that she should give Lan Yu a call to tell him about this.

well, this was the responsibility of a girlfriend.

as she walked, she took out her phone. just as she was about to dial, her eyes froze.

a man was standing in the elevator, his face turned sideways.

although it was only the side of his face, qin chen's entire body seemed to be frozen.

“rong lei,” she murmured softly.

Rong Lei? is that Rong Lei?

The elevator door closed in front of her. She shook her head, looked at the number, and quickly ran to the safety ladder.

It was Rong Lei. She was sure it was him.

qin chen ran like crazy on the emergency stairs. this was the 22nd floor, and her speed was amazing, but she couldn't catch the elevator. on the other hand, there was only one elevator that led directly to xuanji.

by the time she reached the first floor, her legs had already turned to jelly. she panted as she looked around.

The elevator was empty. No one was there.

She ran far away again, but there was still no one.

qin chen searched for a long time, but everything was like an illusion, as if that person had never appeared.

finally, she walked into the elevator, which had a faint smell of cologne.

it slowly crept into the tip of her nose.

qin chen closed his eyes, tears streaming down his face.

It was the smell of Rong Lei.
