

Thank you 2801

Chapter 2801: The birth control pills are fake (1)

Then, she turned around and walked away.

Her back was straight and she did not allow herself to turn around.

qin chen, let's end it like this. in the future, you won't be troubled and won't worry about gains and losses.

uncle zhao was right, all men liked little vixens!

And she wouldn't become like that for a man. She was Qin Chen, she couldn't do it.

she walked slowly, her heart trembling with every step she took.

...

it was only then that she realized how hurtful a relationship could be. she had thought that her heart would no longer hurt.

It turned out that there was such a heart-wrenching pain other than pain.

However, she didn't want to stay by such a man's side. There was no point in forcing him.

"Qin Chen, you're not making a scene because you don't have a heart!" Lan Yu's voice came from behind.

she paused for a moment, then continued walking forward.

However, she had only taken a few steps when she was hugged from behind.

Qin Chen was shocked and angry, but he didn't move. He only said coldly, "What are you doing, Lan Yu?"

Her body was turned around.

under the moonlight, she saw his cold and handsome face.

Lan Yu spoke very softly, 'you want to break up, right? If you want to break up, then make it clear.'

"we've already made it very clear. you and lin sisi were in bed and had almost no clothes. lan yu, how clear do you want me to make it?" Qin Chen sneered at his words. or do you think that you haven't completely taken her, so you're still innocent? you just took off your clothes and chatted with her?"

lan yu's expression was a little embarrassed, and he only spoke hoarsely after a long while, "she's not important."

"lan yu, there's no need for us to quarrel." She said tiredly, "let me go, or else ..."

"Otherwise what?" lan yu's expression was a little ugly. he looked at her and said in a low and hoarse voice, "Qin Chen, you should know that my temper isn't that good either."

"otherwise, it won't do much." qin chen squeezed out a sentence and started to struggle.

lan yu knew that she had trained in karate, so he hugged her directly, not allowing her to struggle and not giving her a chance to escape. he almost half-forcefully dragged her into his car and pressed her down on the back seat.

qin chen was lying on his back in a sorry state, with lan yu on his back.

In the small car, because of the man and woman's contact, the air was warm.

qin chen raised his leg, wanting to kick him, but he was also firmly held down.

a man's strength was superior to a woman's, so her tricks were completely useless against him.

The back of his hand was injured, and the smell of blood was even more obvious in the car.

"Lan Yu, are you trying to rape me?" Qin Chen glared at him.

"If you insist on breaking up, I don't mind using this method to make you change your mind." His eyes were dark and his voice was hoarse.

"If you do that, it'll be impossible between us," Qin Chen said in a low voice.

"It's impossible for us to do it now." Lan Yu's fingers gently stroked her lips. Because his fingers were stained with blood, it made her lips even redder.

The corners of his mouth were also smeared with blood, giving off an extravagant feeling.

Qin Chen looked up at him, feeling as if he had never known this man.

His voice became even lower. If I can have you again now, why shouldn't I do it? "

As he spoke, he raised his finger and the buttons of her shirt burst open, scattering all over the interior of the sports car.

Chapter 2802: The birth control pills are fake 2

Qin Chen didn't resist and just lay there quietly.

Lan Yu is very rough

Like a storm, it was unprecedentedly rough.

The fresh blood was like the strongest dose of village medicine, burning away all his rationality.

He took her, in the most brutal way.

qin chen was in great pain, but he only bit his lip and didn't say anything.

...

she didn't even tell him that she was in pain.

after she was done, she lay down for a while before saying softly, "Can you let me go now?"

lan yu rolled to the side and sat up, looking at her body in the dark.

He knew how rough he was just now and he knew that she was in pain.

"why didn't you resist?" he asked in a hoarse voice.

"is there any use?" Qin Chen said coldly, then sat up.

she looked at her own shirt and immediately picked up the shirt he had left at the side and put it on.

She took out her phone and called ye Muyun. big brother, get the driver to pick me up. I'm at Wanwan.

before she could finish, her phone was knocked out.

lan yu's face was a little ashen-

he knew the purpose of this call all too well. she didn't want someone to pick her up. she was looking for ye muyun to interfere in their relationship and stop him from looking for her.

had she already hated him to this extent?

When he asked the question unconsciously, his mind cleared up a little.

“Yes,” Qin Chen replied in a soft voice.

Lan Yu let out a long breath and stared at her. He said very slowly, ” “qin chen, do i really have no chance?”

“right, there’s nothing else!” she picked up her phone and said softly before she opened the door and got out of the car, ” “You can go to Lin sisi, really.”

it was fine if she didn’t say this, but once she did, lan yu was a little angry.

he pinched her chin and said in a low voice, ” “You really think so?”

“Yes.” Qin Chen’s voice was very soft, but very firm.

lan yu kept looking at her and suddenly said, ” “Qin Chen, you don’t love me.”

if you loved someone, how could you give up so easily and not care so much?

How could he have said such words?

He was wrong, but what made him even more upset was that she did not love him.

He knew from the beginning that Qin Chen was like a mystery. He wanted to solve this mystery with his own hands, but now it seemed that there was no need.

lan yu’s voice calmed down. ” i’ll send you back. ”

He paused for a moment before he continued, speaking very slowly and deeply, ” “qin chen, i don’t have any protection today and you’re not in your safe period. if you don’t want to give birth to a child who doesn’t love men, you’d better take some medicine. also, yingluo, don’t worry, i won’t bother you anymore.”

As he spoke, even breathing was painful, but he still finished in one breath.

Qin Chen lowered his eyes and pursed his lips. After a long time, he said in a low voice, " "Alright," he said.

Lan Yu stared at her for a long time before he crawled to the front to get the car.

He immediately rolled down the window and blew out the smell inside. However, he did smoke. He drove and smoked one cigarette after another.

When the car stopped, it was in front of a 24-hour pharmacy.

Qin Chen looked outside, and for the first time, he revealed a fragile look.

She knew that he was going to buy the medicine himself, Hanhan.

Would she only be at ease if he did this?

Lan Yu opened the door and got out of the car, ignoring the fact that he was naked and had some messy scars on his body.

He walked into the store and asked for morning after pills.

The shop assistant looked at him and sighed in her heart. This medicine can't be taken casually, it's not good for women.

Lan Yu took the medicine, paid for it, and turned to leave.

The shop assistant thought for a moment and stepped forward, trying to tell him that the medicine was fake and that their boss was a black-hearted boss. However, the car window rolled down and a man's face appeared. He was wearing a black shirt that was obviously one size too big.

the shop assistant muttered, "if a man does it, why take medicine? anyway, he can't get pregnant. as long as he doesn't die from it, it's fine!"

Chapter 2803: the birth control pills are fake (3)

With this thought in mind, the shop assistant felt much more at ease.

anyway, men could not get pregnant. she had never heard of a tadpole sprouting from there.

however, the man in the back seat was really handsome.

If it were her, she would also be moved by the spring sunshine ...

the 50-year-old woman held her old face, and her eyes were pink, which did not match her age.

As for Lan Yu, he walked over, opened the car door, and sat down.

...

qin chen took the medicine silently and opened it. this was to be taken in one go, not in two.

she directly put the medicine in her mouth and fed it to him.

There was a sweet taste at first, then a bitter taste spread between her lips and teeth, just like her relationship with Lan Yu.

She pursed her lips and a pained expression appeared on her face.

"Why aren't you drinking water?" Lan Yu frowned.

he went to the front seat to look for it, but he couldn't find it.

Qin Chen's tone was indifferent. there's no need, I've already finished eating.

she leaned her head on the back seat and said in a tired voice, " "Send me home. I'm a little tired."

lan yu's handsome face moved slightly, but he didn't say anything. he just looked at her.

After a long time, he finally pursed his lips and started the car.

this time, the car was driving very fast, as fast as lightning.

lan yu's hand that was holding the steering wheel was so tight that his veins were popping out.

Qin Chen sat in the back, feeling a little dizzy, but she didn't say anything.

She quietly endured it until the car stopped in front of the apartment.

As soon as the car stopped, she got out of the car without hesitation.

Since they had already broken up, there was no need to continue pestering her.

She was determined. Initially, Lan Yu also felt that there was no need to continue pestering her, but he still couldn't help but open the door and get out of the car. He called out, " "chenchen, you don't even know how to say goodbye?"

qin chen's body froze. after a long time, she turned her head and said very lightly, " "Because we won't see each other again."

She had already decided to return to new York and would leave in a week at the latest.

lan yu was already in the past. she felt that whether it was lan yu or rong lei, they were all in the past. she should forget about them.

after she finished speaking, she looked at him for about two seconds, then turned around and slowly walked into the apartment.

he didn't look reluctant at all.

Lan Yu was so annoyed that he couldn't take out a cigarette. He wanted to smoke, but then he looked in the direction of Qin Chen's departure.

he knew in his heart that he was the reason why they had broken up completely, but even now, he was not sure if she had ever had him in her heart.

he laughed at himself. this kind of thinking was like a woman, but he could not control it.

At this moment, if he didn't do anything, he would feel even more empty.

He pursed his thin lips and finally walked over.

Qin Chen was pressed against the wall, his hands above her head, and his lips were on hers.

this kiss was like a burning fire.

qin chen didn't resist, because a kiss couldn't change anything. lan yu wouldn't be so naive.

sure enough, a minute later, he retreated and pressed his thin lips against hers. he said in a low and hoarse voice, " "Qin Chen, have you ever been tempted by me, even just a little?"

"no, i didn't," Qin Chen's eyes looked straight at him without any hesitation.

Lan Yu's face instantly turned ashen.

he stared into her eyes for a long time before letting out a sigh."I thought so too."

He slowly let go of her and took a few steps back. that's it. It's good to separate.

qin chen's body was leaning against the wall, his limbs weak.

Chapter 2804: Long time no see, Qin (1)

she watched as he turned around and left quickly, in a daze.

Then, he heard the sound of the sports car starting up. After driving for only a few dozen meters, it crashed into an unknown place with a bang.

qin chen ran out and saw that his car had hit the street light, and the front of the car was damaged.

He should be fine. The door opened and Lan Yu was sitting in the car.

When he saw her come out, he looked at her and said in a very calm tone, "Doctor Qin, do you still care about me?"

he lowered his eyes. "don't worry, i won't be that stupid vegetable anymore."

...

Qin Chen's gaze was clear and shallow, and he walked towards the elevator without a trace of nostalgia.

lan yu got out of the car and looked at the front of the car. this car was probably destroyed.

he sat in the car and smoked, one cigarette after another. after he was done, he called his secretary to deal with the car.

he got out of the car and slowly walked out of the neighborhood, slowly leaving her alone.

When Qin Chen returned to his apartment, he didn't rest and went straight to the changing room.

She opened a large box and began to pack clothes like crazy.

She didn't know what she was doing, but she was doing it subconsciously.

as she pretended, she started to cry.

She rarely cried, especially in the past few years.

She leaned in front of her suitcase and cried silently. She told herself that she would be fine after crying once, Yingluo.

the sun shone on every corner of the exquisitely decorated apartment, but it did not shine into her heart.

When she came back to her senses, she hung the clothes back up one by one.

She didn't want another man to affect her.

in the past, one rong lei was enough. there was no need for a lan yu.

Just as Qin Chen was packing up, the home phone rang.

only then did she remember that she seemed to have left her phone in lan yu's car, or maybe he had thrown it away.

she despised lan yu in her heart for cheating on her and having such a bad temper.

She walked out and picked up the call. It was from the hospital.

The director called him personally. Dr. Qin, I know that you've been in a bad mood recently, so we haven't arranged any surgeries for you. Yes, yes, yes. Of course, Dr. Qin isn't in our organization

now. However, the patient today has a very big background and his condition is very bad. Do you want to come to the hospital and have a consultation with our chief physicians or something? ”

qin chen paused for a moment, but still agreed.

she changed into a new set of clothes. when she changed into her favorite gray shirt and black pants, she thought of lin sisi’s alluring body.

a mocking smile appeared on her lips.

she went downstairs and drove her white lamborghini all the way to the hospital’s parking lot.

The hospital was cordoned off, as if they were facing a great enemy or a distinguished guest.

However, no matter how noble a person’s status was, they were still patients.

Qin Chen opened the car door and walked towards the hospital’s outpatient building. On the first floor, a young nurse came up to him, her face full of smiles.”today’s patient is very important. dr. qin, please take a look.”

“I have to take a good look.” The nurse’s face turned even redder as she spoke.

“i don’t know what’s wrong with that person, but i do know what’s wrong with you!” qin chen said calmly.

“Doctor Qin!” The nurse covered her face.

Qin Chen shook his head and smiled.

Although he was smiling, the smile didn’t reach his eyes.

“Dr. Qin, are you in a bad mood?” the nurse asked softly in the elevator.

qin chen responded with a grunt.

The nurse tried to coax her. then, you'll be in a better mood when you see today's patient. Oh, really. He's super handsome!

Chapter 2805: long time no see, qin (2)

Qin Chen looked at her and smiled lazily. "how handsome must he be for you to be like this?"

"You'll know when you see him." The young nurse covered her face again.

qin chen pursed his lips and didn't say anything else.

when they reached the sixth floor, the elevator door opened. the nurse walked in front, and she had the intention to clear the way for dr. qin.

Although the patient today was very handsome, Dr. Qin wasn't bad either.

When she arrived at the VIP room, the nurse slowly pushed the door open for her.

...

When the door opened, there were many people inside, urging the director, the Vice Director, and even the respected Mr. Lin to be present. However, Qin Chen's gaze only fell on the slender figure.

he had his back facing her, but that figure and the aura he exuded made her heart tighten and her soul tremble.

The time of their youth was like a reverse tape.

an image kept appearing in his mind-

in xiangrikui, on the outskirts of France, the twelve-year-old qin chen was running.

a slender figure stood in front of him.

he was the person she yearned for and had been chasing after.

Rong Lei.

“rong lei.” qin chen stood there, unconsciously calling out this name.

She was like a demon in her dream as she kept looking at the man with his back facing her.

the dean came over eagerly. ” little qin, what’s wrong with you? you don’t look very well! ”

Qin Chen ignored him, her eyes still on the man in front of her.

Rong Lei wondered if it was him.

Was it him in the previous two encounters?

he’s still ... alive?

qin chen wanted to speak, but his lips moved, and he couldn’t say a word.

finally, the man turned around.

It was a familiar face with the same magnificence, but it was more mature than before.

Qin, long time no see, ” he said in a calm voice.

qin chen looked at him, his eyes straight.

At this moment, she felt as if she had returned to the sea of flowers in France. It was as if she had returned to the time when she was 12 years old and had only loved one person.

at that time, she was still a young girl.

at this moment, she was looking at the man in front of her with the eyes of a young girl.

rong lei slowly walked forward and reached out his beautiful and slender hand. he placed it on qin chen's forehead and helped her tidy her hair.

His voice was unbelievably gentle."are you not happy to see me? chencheng."

he called her that and pulled her back to her senses ...

it seemed like someone else had called her that too. qin chen's eyes slowly became clear.

"Rong Lei?" she finally asked in a hoarse voice.

"It's me." Rong Lei's fingers slowly ruffled her hair, and his voice was hoarse and charming. my Chen, how did you become like this? "

all the female nurses and doctors were dumbfounded.

My Chen's voice is too nice to hear.

oh my god, oh my god, is dr. qin in a gay relationship with the man in front of me?

When they stood together, it was really pleasing to the eye.

also, dr. qin's gaze had never been so gentle, yingluo.

Mr. Rong and Dr. Qin were like a parent and a little follower. They looked so loving.

qin chen finally came back to his senses, and she said very lightly, ” “Because that person is no longer here.”

the next second, she was held in rong lei’s arms. it was warm, driving away the coldness of the past.

rong lei’s chin rested on her head and his voice was a little hoarse. ” now, he’s back. chenzhen, he’s back. he’ll never leave again. ”

Qin Chen’s gaze was shallow. really? ”

“yes.” rong lei smiled and kissed the corner of her mouth.

Chapter 2806: long time no see, qin (3)

Qin Chen stood up straight. She didn’t react and couldn’t react.

the person who had been dead for 12 years in her heart had come back to life. right now, he was here in a daze.

At the door of the VIP room, Lan Yu stood quietly, his hand wrapped in gauze.

He quietly watched as she was hugged and kissed by others ...

A cold smile appeared on his face.

that man was called rong lei. what kind of love story was he putting on?

...

it was so beautiful that it didn’t seem real. it really made his heart hurt!

it was painful, very painful, but this kind of pain was also a kind of release.

So, this was the kind of man she had been waiting for.

it turned out that when she said that she wanted to separate temporarily those days, it was because this man had returned that she wavered.

Lin sisi said that she went over that night because she wanted to make up with him. Now, it seemed to be ironic ...

qin chen said that she had never fallen for him. he thought that she said that because she was proud, but now that he thought about it, he was really stupid.

lan yu laughed at himself and was about to look away when qin chen suddenly turned his head.

She looked at Lan Yu with a pale face.

lan yu's lips curled into a beautiful arc and then he chuckled. " "congratulations."

After he finished speaking, he took his medicine and left.

He did not look at her again.

Qin Chen looked at him, and her face trembled slightly. She looked in the direction that Lan Yu had left in, and her feet involuntarily took a step forward.

Then, Rong Lei held her in his arms again. He put his chin on her shoulder and said gently, " "chenchen, i missed you so much."

Qin Chen stood still, his fingers clenched into fists.

she seemed to have gotten everything she had dreamed of, but she also seemed to have lost something.

this didn't make her any happier. instead, her heart felt empty, and she couldn't describe the feeling ...

An hour later, Qin Chen was sitting by the swimming pool of an extremely luxurious villa.

Next to her was the fruit juice that the servants had air-flown over and squeezed. Behind her was a row of servants standing and waiting to serve her.

In the pool, the Man in Black swimming trunks had already swam back and forth a few times.

qin chen looked at him in a daze.

rong lei's tall and well-built body walked to the pool, and the servant immediately took a bath towel to wipe him.

Rong Lei took it and walked to Qin Chen's side to sit down. He had perfect muscles on his lean body, especially his six-pack abs, which were wrapped like silk and exuded a charming color.

To describe it in one word, it was "male lead."

to describe it in four words, it was "the first male lead is seducing the other."

He had always been handsome, but now, besides maturity, he also had a faint domineering aura.

Qin Chen had grown up with him, but at this time, he was a stranger.

he was the same as before, calling her chenzhen and being as close as before, but she just felt that something was different.

rong lei took the juice and placed it in front of her. " why aren't you drinking? "

Qin Chen shook his head. I'm not too thirsty.

"Chenzhen, you used to love this taste." Rong Lei didn't care and put it down.

then, he asked casually, ” “the man today is your friend? Or are you pursuing you in Yingluo?”

qin chen looked at him for a long while before lowering his eyes. ” she’s just a patient, ran ran. she’s not anymore, she’s fine. ”

As she said this, she actually felt a little sad.

Chapter 2807: long time no see, qin (4)

rong lei didn’t ask anymore.

A faint smile appeared on his face as he reached out to caress her hair. since you’re just an ordinary patient, there’s no need to see you again.

qin chen didn’t say anything more. she just looked into the distance, her eyes clear.

Rong Lei’s eyes fell on her neck, where there was an obvious Hickey.

It was very fresh, and it was obvious that it had been left behind not long ago.

his dark eyes were tainted with a storm, but it was extinguished in an instant ...

...

Qin Chen turned his head and looked at his face. “Ronglei, why did you go to the hospital?”

his body was clearly in good condition, and there was nothing wrong with it. why did he lie to her?

Rong Lei smiled. because I want to see you! chenzhen, i’ve thought of many ways to appear in front of you, but in the end, someone told me to give the girl a little surprise. you see, you’re surprised and also a little happy, right?”

qin chen didn’t say anything, but looked into his eyes, as if he was examining something.

Rong Lei's handsome face came over and asked with a smile, "What are you looking at, Chenchen?"

"Rong Lei, you still haven't told me why you're still alive." Qin Chen's voice was slow.

Rong Lei's eyes flickered, and after a moment, he asked, "You're not happy?"

"no." "i'm sorry!" she said in a weak voice. this is probably a doctor's occupational disease."

Rong Lei laid down and looked up. His voice was very soft."if i tell you that i've been asleep for ten years, would you believe me, chenchen? i took two years to recover."

His hand followed her and grabbed her hand, pulling her to lie down beside him.

He turned his body to hug her naturally, pushed aside the hair on her forehead, and stared at her.

the servants in the back row all knew what to do and quickly left.

There were only the two of them left in the huge swimming pool. Qin Chen felt a little uncomfortable being held by him like this.

she lowered her voice. "rong lei, i didn't know. i'm sorry. i was rude. "

"there's nothing wrong if you don't know," his voice was gentle, and he looked at her with a gentle gaze. "chenchen, i didn't expect you to become a genius doctor one day. "

Qin Chen looked at him and smiled faintly.

Rong Lei's hands slowly tightened and he held her in his arms.

they liked each other when they were young, but they never had physical contact. after all, qin chen was only 12 years old at that time. even though she was already 160 years old, she still had the body of a child.

Now, she had grown more than 10 centimeters. Although she was still flat-chested, there was still a big difference between a woman and a child.

rong lei slowly touched her face, her short hair, and her gray shirt.

his gaze had always been gentle.

Qin Chen didn't reject her. She was immersed in a faint sadness as she watched him appear. It wasn't a surprise, but it brought her back to the moment he jumped off the building.

she looked at him and finally reached out to touch his face with trembling hands.

It was a warm, living Rong Lei.

qin chen's heart seemed to have become alive.

her lips moved and she called his name. "rong lei."

"I'm here, Chenchen." he placed his palm on the back of her hand and stared at her.

At this moment, they seemed to have returned to the past together.

Rong Lei lowered his head and gently kissed her lips.

her lips were warm and soft, while his was slightly cold.

Qin Chen subconsciously wanted to move away, but his palm pressed against the back of her head, gently but firmly not allowing her to move away.

Chapter 2808: she rejected him three times (1)

Qin Chen's fingers were pressed on his shoulder as he was kissed.

this was actually an act of rejection, and how could rong lei not know?

his dark eyes were deep, and his palm slowly moved to her chin. he used a little force, and she naturally opened her mouth.

And he took the opportunity to kiss her.

qin chen closed her eyes and thought about the past. when she was 12, rong lei was the only person in her world.

she thought that she should be able to accept it. the man she had liked for so many years was kissing her for real now. she should be in a daze.

...

she wrapped her arms around his neck and tried to kiss him back.

This kiss was gentle and lingering, but there were no waves in it.

At least, she didn't have the feeling of her heart beating fast, and she didn't have the urge to find a bed like when she kissed Lan Yu.

everything was lukewarm, far from her wild imagination as a young girl.

but it was obvious that rong lei was satisfied.

His breath was in a mess as he pressed his forehead against hers and said in a slightly hoarse voice,
" " chencheng, i really want you to tease you. are you ready? "

qin chen opened his eyes and looked at him. after a long time, he shook his head gently."no, i didn't,"

rong lei smiled, and his smile was very gentle.

he reached out and ruffled her short hair. " i won't force you. "

" i'm going to take a shower, " he said as he stood up. " we'll have dinner together later. "

Qin Chen looked at him and smiled.

But Rong leiming didn't seem to be satisfied with her reaction. He lowered his head and said in a low voice, " you're not going to ask me why i went to the bathroom?"

qin chen had slept with her before, so he naturally knew, but she pretended not to understand his flirtatious tone.

She shook her head.

rong lei kissed the corner of her mouth."because i, yingying, have to go and settle it."

the man's unique aura, his language, and the fact that he was only wearing swimming trunks, were all very seductive.

qin chen felt that he had great self-control and could still smile. " "Alright," he said.

Rong Lei bit the corner of her mouth. "i won't let you off next time."

Compared to him, she really seemed a little slow.

As he left, Qin Chen couldn't help but think of Yingluo.

rong lei should have had a woman before, and it wouldn't have been a short time.

A man who had never touched a woman would not be so at ease. Besides, they had not seen each other for more than ten years, so they should be very distant, but he was not.

qin chen pursed his lips and drank the glass of fruit juice to wash away the taste in his mouth.

she didn't know why, but she was not used to this smell.

Rong Lei was very clean, very clean, but she felt that Lan Yu's smell of smoke made her heart beat faster, and it could stir up her feminine side.

Qin Chen patted his face and smiled bitterly. Qin Chen, you must be crazy. you've ended things with lan yu. the one you've always liked was rong lei. now that he's back, he's living well.

rong lei came out of the bathroom quickly and changed into a gray shirt and black pants. he looked very handsome.

Qin Chen was stunned for a moment. He felt that looking at him was like looking at himself, which was a little strange.

Rong Lei took her hand and walked to the hall in front. He turned his head and smiled."Chenchen, what are you thinking about?"

qin chen stood still, and rong lei followed.

Qin Chen looked at him and asked in a soft voice, "do you mind what i'm doing now?"

"I'll like you no matter what you become." Rong Lei looked at her and smiled.

Chapter 2809: She rejected him three times (2)

"I'll like you no matter what you become." Rong Lei looked at her and smiled.

then, he hugged her and rested his chin on the center of her hair. he said in a soft voice, " Chenchen, I'm back. I won't leave you again and I won't make you sad again, okay? "

She stood there and allowed him to hug her.

the setting sun shone on the man and woman embracing each other, looking particularly beautiful.

the dinner was sumptuous, and Rong Lei played a song for her before.

He played very well, and Qin Chen sat there, listening to him attentively-

...

After a long time, Qin Chen finally understood why she couldn't find the feelings she had for Rong Lei.

All these years, she had lived in his place, lived in his way for 12 years, and turned herself into him? How could she fall in love with her other self?

after Rong Lei finished the song, he took a rose and put it in front of her. at the same time, he leaned over and kissed her cheek."for my girl."

Qin Chen tilted his head. "I thought you'd say 'a boy for you.'"

Rong Lei looked at her and smiled. Chenchen, as long as it's you, I don't care that much.

In a daze, she reached out and touched her face, saying in a low voice, "even if I've been like this for my entire life, wearing men's shirts without makeup or dresses, and I'm still a man, don't you care?"

"I don't care," He held her hand and took out a plain white gold ring from his pocket. "if you're willing, we can be together right now."

Qin Chen retracted his fingers and said softly, "It's too fast, Rong Lei. I haven't thought about it yet."

He hugged her from behind, his thin lips kissing her ear."stay here tonight, I'll convince you."

his meaning was very obvious. he wanted her to stay. | night.

qin chen lowered his gaze and placed his fingers on the back of his hand that was on her waist. ”
that was too fast. ”

after she finished speaking, she gently pushed his hand away.

This was the second time she had rejected him today.

Rong Lei’s eyes darkened and he smiled. “Alright, I’ll wait.”

he kissed her again, then walked to the opposite side to eat with her.

It was an extremely luxurious dinner with a silver candle stand and a large row of servants waiting on them.

It wasn’t like she hadn’t seen all of this before. The Qin family could afford it, but in recent years, the Qin family’s life had been very simple. Most of the time, it was the men who cooked. Qin Chen was used to seeing the little warmth and wasn’t used to such luxury.

she had forgotten that when she was young, she had liked rong lei because of his style. she liked him to be noble anytime and anywhere.

rong lei raised his wine glass. ” for our reunion. ”

“i might not be able to drink.” qin chen raised his glass.

“is it because of your job?” Rong Lei was very considerate.

Qin Chen nodded.

Rong Lei gestured for the servant to bring a glass of fruit juice over.”i’ve neglected chenchen.”

“I’m happy for you, Chenchen,” he said with pride.

Qin Chen smiled,"in the past, ran ran wanted to save people because I didn't want to see anyone die again, ran ran."

Lan Yu frowned, his face filled with guilt. "i'm sorry, chenchen. i've made you sad."

"it's been so long." Qin Chen shook his head. and you're back.

"yes," rong lei smiled.

Then, he ate gracefully. Qin Chen ate a little, but although it was delicious, she didn't eat much.

"does it not suit your taste?" "If that's the case, I'll have to find another chef to please you," Rong Lei said with a smile.

Chapter 2810: she rejected him three times (3)

"No." qin chen wiped his lips and leaned back in his chair. " i'm just used to simple dishes, such as coffee and rice. i'll just make it simple. "

her gaze fell on the feast in front of her. " "eating these every day, maybe it's too much."

"Ronglei, you might really have indigestion." She smiled apologetically.

" okay. " rong lei walked over and bowed. " then next time, take me to your favorite restaurant, okay? "

Before Qin Chen could say anything, he continued, " "chenchen, i want to know more about your life."

"Then, do you want to know about my past?" Qin Chen asked slowly.

...

“i do, but i will respect your privacy.” Rong Lei looked elegant.

after he finished speaking, he looked at her with burning eyes.”Chenchen, do you want to know more about me now?”

He placed her hand on his chest. His intention was clear. He wanted to spend the night with her, and even the nights in the future.

Qin Chen clenched his fist and stood up, smiling.”i’ll take you to the restaurant i often go to.”

Rong Lei’s gaze swept across the table of delicacies. His black eyes darkened, but a faint smile slowly appeared.”Alright,” he said.

She had to go home. He knew very well that she was just rejecting him.

Her body was with him, but her heart was clearly not with him.

She had fallen in love with the man called Lan Yu. She was no longer the little girl from 12 years ago.

However, she didn’t understand her own feelings.

Rong Lei clenched his fingers. She actually fell in love with that kind of man!

how could she give up on her man so easily?

his handsome face tensed up slightly, and the hand holding her was so tight that it hurt her.

qin chen endured it and didn’t say anything.

She only found her voice when she was in the car. “you’re driving?”

“What else? do you want someone to follow you when you’re in love?” Rong Lei fastened his seat belt and smiled.

qin chen didn’t say anything else. he guided her to the shop she would visit.

They didn’t eat there, but ordered two servings, one for her and one for him.

Rong Lei put it down, looked at her, and asked very seriously, ” “do i eat at your place or go back?”

qin chen also seriously considered it. ” “You should go home and eat.”

“i’m a little sad!” rong lei glanced at her and started the car.

after that, he did not speak to her.

After a long time, Qin Chen pulled on his sleeve. are you angry? ”

“No, I didn’t,” he said in a low voice.

“Actually, you can show your anger. It’ll look more real,” Qin Chen said without thinking.

“Chenchen, are you saying that I’m not real?” rong lei said casually, ” “In fact, you can be more real in front of me.”

“what?” Qin Chen’s voice was a little shaky.

Rong Lei didn’t answer and just walked her back to her apartment.

just as she was about to unbuckle her seat belt, he held her down.

“Qin Chen,” he said quietly.

“Thanks for sending me back,” Qin Chen replied.

Rong Lei looked at her. that’s all you have to say. You want to tell me? ”

before qin chen could speak, he asked, ” “after so many years, chenzhen, do you still love me?”

he was talking about love, not liking.

Many years ago, she was too young to confess, but they were in love.

he understood, and so did she.
