Chapter 281 The shocking truth (1)

Zhao Ke didn't want to see that photo.

Because that was her 20 years ago. She must have been very young and beautiful, and she didn't want to compare.

She was Mrs. Tang now and she didn't want to look at the past anymore.

"PEI Qiqi, even if I don't want you, you still grew up in a honeypot and lived in a villa. I heard that PEI Minghe treats you like a treasure. As for me, do you know how it feels to live in the slums? Do you know the pain of having a stepfather who constantly wants to rape you, and you're still young and can't speak of it?"

Zhao Ke's facial skin trembled a little because of her memories. Her Apple muscles, which had been injected with too much hyaluronic acid, also looked unnatural.

she stared into pei qiqi's eyes, " i couldn't sleep the entire night because i didn't dare to sleep. i was afraid that one day, i would be f * cked by pei qiqi. you wouldn't know that feeling! "

pei qiqi didn't say anything. she didn't know what to say. she only felt that zhao ke had gone crazy! her hand was in pain from zhao ke's grip, and it almost sank into her flesh.

" after that, i was still f * cked by that b * stard. he tortured me three or four times in one night and i lost a lot of blood. i was so scared that i didn't dare to tell my mother, afraid that i would be abandoned. i told her before that she scolded me for seducing her man! " Zhao Ke said and laughed. after that, I let it go. I didn't care anymore. When that man wanted it, I would give it to him in exchange for some pocket money. At that time, I thought that my body was actually worth so much."

" until one day, my mother found out. she threw something at me and hit me until my face was covered in blood. she scolded me for being shameless and cheap. | But to her man, the man who raped me, she didn't reprimand him at all. She's just afraid that the man doesn't want her. " zhao ke sneered. " that's the real cheap one! "

She raised her eyes and looked at PEI Qiqi, " are you scared? There's more to come!"

"i curled up at the corner of the bed and smiled at that cheap man. i told him that as long as he beat my mother up now, he would divorce her! i'll live with him." A smug smile appeared on Zhao Ke's face. guess what? that man really beat my mother to death. After that, we did it once in front of her.

Zhao Ke's face inched closer to PEI Qiqi,"after that, she went crazy!."

PEI Qiqi's breathing was a little messy. She stared at Zhao Ke, " where's that man? "

“You really understand me. As expected of my son.” Zhao Ke took out a cigarette and lit it. Then, she said as if nothing had happened, “ “then he died!”

“You killed him?” pei qiqi’s fingers trembled. she wanted to move but she couldn’t.

Zhao Ke smiled. I don’t need to do anything. There are so many men who work for me, as long as I go with them. the bed.”

pei qiqi pursed her lips, “ don’t you get tired of this kind of life? ”

“that’s why i’m looking for someone to rely on!” Zhao Ke chuckled. don’t mention that father of yours to me again. How many coins does PEI Minghe have in his pocket? It’s not even enough for me to eat and drink for two years.”

pei qiqi looked at her, “ so you changed your target again and went to destroy tang zhiyuan’s family? ”

Zhao Ke sneered. it’s something that both of us are willing to do! i didn’t use a knife to force him to fight me. Bed, but I do have something I want to share with you!”

zhao ke took out a list from her bag and pushed it in front of pei qiqi.

pei qiqi picked it up and was stunned.

Chapter 282 the shocking truth (2)

after a long time, pei qiqi asked with a trembling voice, “ where’s that child? ”

in front of her was a pregnancy test, and the name on it was lin yun.

at that time, tang yu was 10 years old. lin yun got pregnant again after 10 years and she was very happy.

Zhao Ke looked at PEI Qiqi indifferently. Her opened eyes squinted like a wild cat. the child is gone. I asked someone to push her and caused her to have a miscarriage.

PEI Qiqi felt like all the blood in her body had frozen.

she almost couldn’t believe what she was hearing.

zhao ke didn’t hesitate to make someone else have a miscarriage in order for her to be promoted!

“I’ve suffered too much and suffered too much. I’ve had enough of living in that small house. That cold night was too hard on me! I can’t wait to marry Tang Zhiyuan.” “So, I won’t allow anyone to block my way,” Zhao Ke said, raising her head.

“so, you’re using other people’s blood to warm yourself?” PEI Qiqi’s voice was frozen. When she spoke, she didn’t know what she was saying. She only knew that her lips were moving!

i can’t hear anything around my ears.

Her mind was filled with the bloody scene.

In that scene, there was the fierce Zhao Ke, Lin Yun on the ground, and the unborn child.

it was filled with blood and Zhao Ke's sins!

"Now that you've heard my story, do you have any thoughts?" Zhao Ke's speed of recovery was as if she had changed her expression. At this moment, she was already holding her coffee and carefully sipping it.

Pei Qiqi really wondered if she could drink blood.

She looked at Zhao Ke's face. Have you never had a nightmare all these years? "

"I've done it!" Zhao Ke laughed and said indifferently, "but that's not true! PEI Qiqi, the wealth and glory in your hands are the real thing."

She suddenly sighed, "the grudges between me, Lin Yun, and Tang Zhiyuan can't be settled in this life. Ran Ran knows that I killed her child, but she didn't say it. It's good that she didn't say it. I can be Mrs. Tang in peace.

Pei Qiqi felt a chill down her spine. Zhao Ke really did translate the word 'ugly' so well and thoroughly.

"aren't you afraid that I'll tell others?" She stared into Zhao Ke's eyes and spoke slowly.

Zhao Ke laughed. She picked up her cigarette and started smoking. She tilted her head and looked at PEI Qiqi, "you can just tell them. Tell them and let Tang Yu know that your mom killed his sister. I forgot to tell you that it was a baby girl!

Pei Qiqi couldn't sit still anymore. She wanted to leave but just then, she stood up. Zhao Ke's voice sounded, "Pei Qiqi, do you think you can still marry Tang Yu? "

She raised her hand and chuckled. "look, my hand is covered in blood. I can't wash it off. "

"You go with him. When you're in bed, when you're lying beside him, don't you have nightmares? You're my daughter. The same blood flows in you. Think about it. If one day, Tang Yu or Lin Yun found out that you're my daughter, what would they think of you?" Zhao Ke closed her eyes and a strange smile appeared on her face, "Pei Qiqi, just accept your fate! This is your fate. You and Tang Yu shouldn't have started in the first place. If you really can't make up your mind, think about Lin Jinrong. That's Tang Yu and Lin Yun's closest relative, Yingluo, who became a vegetable because of you!"

"I don't need you to care." Pei Qiqi stood there with a cold expression, "I don't have a mother like you. From the moment I was born, I only had my father. I don't have a mother like you. "

Chapter 283 The shocking truth (3)

Zhao Ke was still sitting there drinking coffee as she watched PEI Qiqi leave.

She kept the list. It was real.

Everything she said to PEI Qiqi was true.

She caused the death of Lin Yun's child and married Tang Zhiyuan with someone else's child.

However, this was nothing. No one knew. This would be a secret forever.

however, pei qiqi can't marry into the tang family. it's too dangerous!

She would cause the death of everyone, including herself!

it's fine if tang yu played with pei qiqi, but she can't give birth to tang yu's child.

Absolutely not!

.....

pei qiqi didn't take the car. she walked back to xia city in a daze.

it was already noon by the time they returned!

only then did she remember that she was supposed to go to work today and tang yu wouldn't be back for lunch.

xiaowen called her a few times, but she returned the call and said that she was not feeling well and needed to rest for a few days.

" i know. boss pei is getting engaged tomorrow. don't be too tired. " xiaowen said happily, her words also carried a little ambiguity.

the phone slipped out of pei qiqi's hand. her face was pale as she smiled.

engagement

Could she still get engaged to Tang Yu?

After what her mother did to Tang Yu's mother, would she still be able to stay by his side, marry him, and have his children?

she knew that zhao ke's motive for telling her this wasn't pure, but she couldn't get past her.

i can't!

Lin Yun's children and jinrong!

pei qiqi sat on the sofa and hugged her body. she felt very cold.

however, she couldn't warm herself up even a little bit by hugging and touching like this.

She sat there like this until 4 pm. When her phone rang, it was Tang Yu's personal ringtone.

Her body trembled, and she almost didn't dare to look.

after a long time, she finally picked up. her voice was a little hoarse, " tang yu. "

His voice was as elegant as ever. I'm getting off work. Where are you now? " do you need me to pick you up?"

"I'm at home." she said quickly and then added, " come back early. i'll cook for you. "

Tang Yu laughed, " I hope I can see what I want to see. Mrs. Tang, prepare well. mr. tang is looking forward to it. "

"mrs. tang?" She was stunned for a moment.

tang yu laughed, " a certain brat probably isn't used to his new identity yet. how about this, tonight we'll get used to our new identity. "

PEI Qiqi's face was a little hot. After a long time, she pursed her lips, " I'll wait for you.

tang yu hung up the phone and was in a good mood.

he quickly settled the matters at hand. even when xiao ran came in, he could feel that the president was in a particularly good mood.

President, from tomorrow onwards, all the work will be scheduled for next week. xiao ran smiled and said, " have a good weekend. "

tang yu acknowledged and then smiled, " it's just a family gathering engagement. so wanwan will invite you to her next wedding. "

Although Secretary Xiao had heard about it, she was still surprised. The president and Qiqi were really engaged!

"congratulations, president." Xiao ran smiled. then, Secretary, can I apply for an allowance and have afternoon tea with you? "

"That's natural." Tang Yu picked up a sheet of paper from the table, wrote down a set of numbers, and handed it to Xiao ran, " do as you see fit! Also, prepare a copy for the other departments."

It could also be considered a celebration!

Xiao ran looked at the number and was shocked. One million!

Tang Yu waited for Xiao ran to leave before he leaned back. His long fingers touched his smooth chin and he smiled.

Chapter 284 currying favor (1)

Tang Yu bought a bouquet of white roses from a flower shop and placed it on the front passenger seat.

he didn't knock on the door when he returned to xia city. instead, he opened the door himself.

the moment she opened it, she was hugged by a pair of small hands and pei qiqi's body pressed against her.

he held the flowers in one hand and held her waist with the other. his voice was a little hoarse. "look at what you've prepared for me."

He took a look and saw that there was exquisite food on the table, which was more sumptuous than usual.

xiaoxiao took off her shoes and walked in with her in his arms. " you seem to be trying to please me today? "

Then, he looked at her again. She was wearing a very ordinary set of home clothes.

“well, i hope you like it.” She took him to the dining table, took off his coat, and put it on the sofa.

Tang Yu looked at the dishes. He knew that other than the ones she made herself, she also ordered food from outside. Also, Yingying was his favorite.

His heart felt warm. Who said that his Qiqi was a child’s? She also had her own thoughtfulness.

pei qiqi lowered her head and took out a bottle of red wine for him to open. she poured two glasses of wine.

“Is this a celebration?” Tang Yu smiled and pinched her face.

she hummed softly and clinked her glass with his. ” to celebrate. ”

Tang Yu drank two glasses of red mist.

“tang yu.” she called his name softly. her hand moved up and touched his smooth and beautiful chin. her voice was soft, ” tang yu, where are we going after we get engaged? ”

he looked down at the little thing in his arms and patted her with his large palm. his voice was hoarse. ” i’ll take you to yun cheng to play, okay? ”

he had already set aside his schedule. she must have already arranged her work for the engagement.

pei qiqi buried her face in his arms, ” go to yun cheng to play? What’s so fun about that place?”

“lidu!” tang yu touched her fluffy little head, ” i’ll take you to q-horse. ”

PEI Qiqi muttered, ” I don’t want to! i’m afraid.”

then, she hugged tang yu tightly and laughed, ” then, we’ll have a horse. ”

she didn’t say anything else and just hugged him like this.

although tang yu felt that she was too clingy today, he liked it when she relied on him, so he let her be.

he lay there until he was a little drowsy. then, he remembered that he hadn’t had dinner. he patted pei qiqi’s face, ” “baby, get up and eat something.”

she moved her hand and placed it on his shoulder, ” i don’t want to eat, tang yu. i just want to hug you. ”

he laughed. this clingy little girl!

in the end, he still carried her out to eat. fortunately, there was food, so he just had to heat it up.

This was the first time PEI Qiqi sat on his lap and ate. She felt like she was being pampered.

“you’re already so big, but you’re still so clingy. what will you do when you become a mother?” Even though he was reprimanding her, his voice was unbelievably gentle.

pei qiqi bit her lip and looked at him with tears in her eyes.

His heart immediately softened again, and he said helplessly, "after you give birth, i'll take care of the child. i'll take care of you too."

"What if the baby makes you angry?" She stared at him and asked in a low voice.

Tang Yu smiled. His long fingers touched her lips. After a while, he suddenly said, "we'll have to see which baby it is!"

"Is there a difference?"

Tang Yu's fingers paused but he didn't move them away. After a while, he smiled, "if it's a baby, I'll hit her on the smaller side.

"what if it was me?" Her eyes were glistening with tears.

"What if it was me?" her eyes were glistening with tears.

tang mo teased her for a while before slowly saying, "It's also a beating, just like how I beat you just now."

Her pale face was a little red. Tang Yu carried her up and seemed to be interested as he teased her, "Actually, PEI Qiqi, I'm quite biased towards you."

PEI Qiqi snorted.

"At least, you're in pain, but you're still happy! Am I being biased?" he pinched her soft little face with a little mischievousness.

he didn't mean it, but then he regretted it ...

pei minghe was new, and he would inevitably make her sad again.

pei qiqi's eyes were filled with tears but she wasn't angry. instead, she hugged him-

Her little face was buried in his arms, and she called out softly.

tang yu didn't feel good either. he hugged her even tighter, "okay, i won't mention it again. be good and don't cry."

PEI Qiqi cried in his arms, but this time, she didn't do it for PEI Minghe. She didn't do it for her father.

It was because of Tang Yu's teasing.

she cried, and in a short while, her tears had stained his heart. he pulled her hair and kissed her small lips, then kissed her face dry. "be good, don't cry. i've already kissed you!"

PEI Qiqi raised her head and pressed her face very close to his. They were so close that she could smell the masculine scent on his body and it stained her body.

slowly, she moved closer to his lips and kissed him.

tang yu asked in a hoarse voice, "qiqi, are you sure?"

she nodded in his arms, completely immersed in the daze.

tang yu carried her and walked towards the bedroom.

*

GM hotel.

Even though Tang Yu declined the media's interview, the reporters in city H all had sharp noses. They had long smelled the scent of meat.

early in the morning, he had dressed casually and had even painfully booked a room in order to enter the GM hotel. it should be known that the starting price of a room in the GM hotel was 8888 yuan, which was not a small price to pay.

When it was almost noon, the reporters hid their cameras and equipment, preparing to take photos of the engagement ceremony of the president of Sheng Yuan.

GM hotel.

Even though Tang Yu declined the media's interview, the reporters in city H all had sharp noses. They had long smelled the scent of meat.

Early in the morning, he had dressed casually and had even painfully booked a room in order to enter the GM hotel. It should be known that the starting price of a room in the GM hotel was 8888 Yuan, which was not a small price to pay.

when it was almost noon, the reporters hid their cameras and equipment, preparing to take photos of the engagement ceremony of the president of sheng yuan.

the hotel had deployed hundreds of security guards to ensure that there would be no problems with today's engagement.

in the morning, more than a dozen drones were shot down.

At noon, only five tables were set up in the small banquet hall. They were all the close relatives of the Lin and Tang families, and there was no one else. Only Lin jinrong's mother did not come to visit.

Tang Yu was greeting the guests and meeting up with Lin Yun.

lin yun smiled slightly. when they were alone, she looked at tang yu, " your aunt hasn't recovered from her shock yet. don't blame her. "

tang yu patted the back of his mother's hand, " of course not. "

he paused for a moment. " i contacted an expert in the united states. he will arrive in city h in about a week. I hope it'll be of some benefit to jinrong."

Lin Yun nodded and couldn't help but sigh. your aunt is a good person. She didn't make things difficult for Qiqi when such a big thing happened, and she didn't say anything bad to her.

she wanted to say something but stopped. lin yun knew that jinrong's mother liked pei qiqi.

However, fate made a fool of people. If it wasn't for PEI Huan's incident, things wouldn't have turned out like this. Perhaps PEI Qiqi would be her daughter-in-law and not Lin Yun's.

lin yun could only sigh. life was unpredictable.

After a while, she looked at Tang Yu and said gently, " I'll take care of things here. Go and see how Qiqi is doing. She's still young, so take a look. We can't let her make any mistakes and let others criticize her.

Although the two families were blood-related, there were always some despicable people. If something went wrong, it wouldn't be good. Lin Yun had always been proud and didn't want to be like this.

tang yu nodded.

in the suite on the top floor of the hotel, pei qiqi was looking at herself in the mirror.

she was very beautiful today. tang yu had prepared a gown, jewelry, and shoes for her.

after she put it on and looked at herself, she looked like cinderella who had turned into a swan.

He had brought her too much, too much, and everything was too unreal.

How she wished she could get engaged to him and go to Yun Cheng, Li Du, and all the places he wanted to take her.

Perhaps, they would get pregnant by accident ...

Tang Yu definitely would. He couldn't wait that long. He was so evil that he would make her pregnant.

after she gave birth to the little radish head, they would get married and live together for the rest of their lives.

pei qiqi looked at her reflection in the mirror and smiled, "pei qiqi, i wish you happiness."

she stubbornly wore this dress because today was her engagement, yingluo.

tang yu, in my heart, i've already married you.

Just last night, just now, ran ran.

She raised her head slightly to stop her tears from falling.

In the past two days, she thought of many things. She found many reasons for herself to stay by his side. However, there was a voice in her heart that kept saying, "PEI Qiqi, you can't be selfish anymore.

yes, she would not be selfish anymore.

PEI Qiqi slowly took off the pink diamond on her hand. Then, she took off her bracelet and placed it on the dressing table.

perhaps, she should never have had all these kasaya.

Chapter 287 tang yu, i'm sorry (2)

when tang yu walked into the resting room, his body stiffened and his eyes turned cold.

he was followed by tang xin.

Tang Xin's mouth was also wide open as she looked at the dress on the sofa and the jewelry on the dressing table.

Those were the Pixiu that Qiqi was wearing today.

did qiqi run away from the wedding?

Tang Xin didn't dare to look at her brother's face. It must be black!

Tang Yu walked in slowly and his voice was cold, "Tang Xin, close the door. Don't let anyone in.

tang xin nodded and then looked up at her brother.

Tang Yu walked straight to the bathroom and then to the bedroom. How he wished PEI Qiqi was just joking with him. She would be hiding somewhere in her bathrobe and when she found him, she would smile softly and look at how anxious he was.

however, she was not there. she was not there even after he had searched the entire suite.

he took out his phone and dialed her number-

his cell phone was turned off!

Very good!

“big brother, there’s a letter here.” tang xin cried out in surprise.

Tang Yu quickly walked over and took it. He opened it and saw-

It was written by PEI Qiqi.

it was just a few words but after tang yu saw it, his face became cold and hard.

he clenched the letter tightly, threw it away, and walked out.

Tang Xin quickly took it and read it in three lines-

Tang Yu, I’m sorry. I can’t get engaged to you anymore. In my heart, jinrong will always be there.

i like you, but i can’t let go of jinrong. he became like that because of me. i really can’t and should be engaged to you. sorry, tang yu, i ran away from the wedding.

tang xin was also stunned-oh my god!

the one qiqi liked was lin jinrong. the cool lin jinrong?

she swallowed her saliva and chased after him.

tang yu walked back to the banquet hall. as soon as lin yun saw him, she went up to him with concern, ” how’s qiqi’s preparation? Tang Yu, why do you look so pale?”

Tang Yu’s eyes finally landed on his mother’s face. He said slowly, ” ” mom, the engagement party has to be canceled. qiqi is not feeling well. i’ll take her to the hospital. you can handle the situation here. ”

lin yun was a little surprised, and her intuition told her that something had happened.

“Mom, please.” After Tang Yu finished speaking, he quickly walked out without stopping.

He wanted to find that damned little thing now and make her take back those words. He wanted her to take back those words that hurt him.

he could allow her to have jinrong in her heart, but she had to love him the most!

Tang Yu drove directly to the nursing home in jinrong, Hanhan.

but he was too late. lin jinrong’s mother had seen him.

” tang yu, pei qiqi was here. she stood in front of jinrong’s bed for a while and only left for about ten minutes. ” Mother Lin looked at Tang Yu.

He was dressed in formal attire, and he had an outstanding demeanor ...

She had watched this child grow up, and she doted on him.

Tang Yu had always been high-spirited, when had he ever been this dispirited?

However, she was familiar with this kind of decadence because jinrong was also like this when he got engaged to PEI Huan.

Mrs. Lin hesitated for a moment and pointed in a direction. she should have gone in that direction. I saw her get into a taxi.

tang yu looked at her deeply then quickly walked out and got into his car.

he didn't start the car immediately. instead, he closed his eyes and thought for a while. then, he opened his eyes and made a call to xiao ran, " help me check if there are any records of pei qiqi staying in any of the hotels. "

That little rascal would not dare to return to Xia city. As expected, he would hide outside for a few days.

Chapter 288 tang yu, i'm sorry (3)

on the other end, xiao ran was shocked. investigate pei qiqi?

did he run away from the marriage?

xiao ran swallowed his saliva and could not speak for a long time.

she had always been calm, but she couldn't be calm at this moment.

tang yu hung up the phone. his long fingers were on the steering wheel. he looked forward and started the car.

in less than five minutes, xiao ran's call came. he picked up the call without any expression on his face.

President, I've checked all the hotel records, but miss PEI's name is nowhere to be found. xiao ran's voice was a little nervous.

Tang mo held the phone for a long time before softly saying, "i know."

he hung up and called pei qiqi again, but her phone was still off.

For three whole days, PEI Qiqi seemed to have disappeared from this world.

Tang Yu searched for her like crazy. He almost looked for anyone related to her, including PEI Huan, but he still didn't have any news of her.

he had searched all the stewardesses and high-speed trains, but there was no record of her buying a ticket ...

.....

Five days later, PEI Qiqi appeared at the hospital. She stood in front of Lin jinrong's bed and looked at him quietly.

" jinrong, you're still the same. i can't wake you up! " PEI Qiqi's little face had slimmed down a lot. Her big eyes were a little sunken because of her slimness. The rice-colored coat she was wearing seemed a little empty.

Her fingers lightly touched Lin jinrong's hand. jinrong, I went to Cloud city's Li Du. There, I learned how to ride a horse and ride alone!

" i was scared at first, but later on, i didn't feel scared anymore. " She closed her eyes. jinrong, Did you know? when I have nothing and nothing to lose, I'm not afraid anymore.

"I'm sorry for using you," She said in a low voice, " I told Tang Yu that I can't forget you, Hanhan.

Lin jinrong remained silent, in front of the quietest audience.

pei qiqi slowly knelt down and looked at his sleeping face, " jinrong, you need to get better. yueyue, you're different from me. you don't have so much darkness behind you. you need to wake up! "

She burst into tears. Her tears flowed down her cheeks and onto his fingers.

His fingers were pale and weak. Her hot tears stained his skin.

Lin jinrong's fingers trembled slightly.

pei qiqi looked up almost immediately and stared at his face blankly.

She stared at him, afraid to miss any signs of life.

but there was nothing. apart from wanwan, she didn't know if she was hallucinating, but there was nothing.

pei qiqi didn't give up. she pressed the bell and called for the nurse.

her breathing was unstable and she was a little agitated. " i felt him move just now. it's true, his fingers moved. "

The nurse looked at her in surprise, but she still did a check, but the result was disappointing.

" miss pei, you must be hallucinating because you want the patient to wake up too much. " the nurse smiled apologetically.

he looked at the little girl in front of him. she came here often, but now she was crying like a little kitten. it made his heart ache.

PEI Qiqi lowered her head in disappointment. She looked at Lin jinrong for a long time before softly saying, " probably!

After the nurse left, she covered jinrong with the blanket and stood a step away. I may not be able to come to see you often in the future, Hanhan.

because she couldn't face tang yu.

just by looking at him, she would think of his love for her and everything zhao ke had done to his mother.

he would feel his heart ache!

Chapter 289-will you feel pain too?

After PEI Qiqi finished speaking, she felt as if her throat was blocked. She felt extremely uncomfortable.

What she owed PEI Minghe, Jinrong, and Tang Yu, she would never be able to pay them back in this lifetime.

however, she would work hard to return as much as she could!

She retreated and gently closed the door. However, as she turned around, she saw ...

Tang Yu!

He stood there straight and looked at her with a cold gaze.

PEI Qiqi noticed that he was still wearing the same suit from the other day. He didn't shave and his eyes were bloodshot. He looked completely different from his usual noble appearance.

At that moment, she felt extremely uncomfortable.

This was Tang Yu, such a distinguished Tang Yu. Even after a meeting that lasted for more than 10 hours, he still looked so noble.

She looked at him, only one step away from him, but it seemed like they were separated by thousands of mountains.

Their gazes lingered for a long time.

Her lips moved, but she couldn't say a word. Those cruel words crumbled when she saw him like this.

"I've been looking for you for five days." Tang Yu stared into her eyes and slowly said a few words.

Her body trembled and her voice was hoarse. "I've written it very clearly in the letter,"

"Is that so?" He suddenly grabbed her wrist and pulled her to his side.

She bumped into him and tried to escape, but he grabbed her waist tightly and it hurt.

PEI Qiqi, do you feel a sense of accomplishment seeing me like this? " His thin lips uttered these cold words and then he dragged her to the elevator.

PEI Qiqi struggled with all her might, but it was as if his blood had turned cold. Even if he hurt her, he still grabbed her and threw her into the elevator.

He was so angry that he didn't know how to control his strength. PEI Qiqi's head hit the elevator wall.

It took her a long time to recover from the impact. She slowly turned around and leaned against the elevator wall in a daze.

She looked at him and a bitter smile appeared on her lips, "Tang Yu, I can't pay you back what I owe you! " But I can't marry you."

He didn't make a sound because he didn't want to talk to her now. He was afraid that he would accidentally strangle her to death if he spoke.

PEI Qiqi was thrown into the car like a rag. When she got home, she was thrown on the sofa and whined.

she got up and sat properly, looking up at him.

tang yu reached out and pulled off his tie. he squinted at her, " because of jinrong? Do you love him?"

pei qiqi's lips trembled and her body staggered back.

he bent down and grabbed her chin. his voice was very tense, " pei qiqi, what about me? what am i? "

"tang yu." she called out his name in pain.

His eyes were bloodshot, and the strength in his hands increased. She was in so much pain that tears almost fell.

"What am I?" he stared into her eyes, his voice suppressed.

She just closed her eyes, not willing to talk about Hanhan.

tang mo narrowed his eyes and suddenly released her.

He unbuttoned his shirt and looked at her, his voice cold. "i'll let you say it."

pei qiqi shifted her body and looked at him in shock.

The memory of that night surfaced like a devil.

"Don't worry, I won't use force on you." There was no expression on his face. Then, he bent down and tore off her coat.

she screamed, " tang yu, you can't do this to me. you can't be a coward! "

She knew what he wanted to do. No, she didn't want to be like that.

Because she would break down and be reluctant to leave.

PEI Qiqi struggled helplessly in his hands, " " tang yu, i love jinrong. i love him. i've never forgotten hanhan. i'm sorry, i've never loved you. "

His movements came to a screeching halt.

His eyes were bloodshot as he looked at her.

Chapter 290-do you feel pain?

PEI Qiqi's face was full of tears as she mumbled, " yes, I don't love you! the one i love has always been jinrong."

tang yu just looked at her like that. there was a hint of heartache in his eyes.

suddenly, she was slapped in the face by him.

In her ears, everything seemed to have stopped, and she could not hear anything.

Face on fire| It was spicy, and he lost consciousness.

After a long while, PEI Qiqi slowly turned her face over and looked up in a daze.

“pei qiqi, say that again.” The first time he had laid his hands on her, he had slapped her face, but it had torn his heart apart.

the little thing that he doted on, the little thing that he was willing to give her everything, they were getting engaged, yingluo.

he thought that she had slowly fallen for him. even if jinrong still existed in her heart, it was because of guilt. but what was she saying to him now?

She said that the one she loved had always been jinrong!

Then what was Tang Yu?

then what was all their sweetness?!

if she didn't love him, why did she say those words to him?

Did she know that when you thought you had obtained something, you would be ecstatic, but when you lost it, it was as if you had lost the entire world!

PEI Qiqi's fingers gently touched her face. It hurt and her skin was almost torn.

He had used all his strength.

she slowly looked up at him and said in a voice that was numb to her own words, "you bought me."
"

his fingers pressed on her shoulder. she frowned in pain and did not dare to make a sound.

“pei qiqi, you know pain too?” he stared into her eyes and was so angry that he almost wanted to kill her. "just buy you? You're just obeying me, aren't you?"

Her weak body was like a Reed in the wind when he held it.

“You've never loved me even a little, have you?” He asked her through gritted teeth.

pei qiqi's face was covered in tears and her vision was a blur.

she told herself that if she told him now that she was zhao ke's daughter, perhaps tang zheng would forgive her and still be with her, or even marry her!

But who would she be letting down then?

Tang Yu?

Or Lin Yun?

how would she live in the future?

she would rather that tang yu never loved her and that he treated her a little worse.

Lifting her chin slightly, she looked into his eyes and smiled. yes, I'm just obeying! otherwise? What else do you think there is? tang yu, let's stop lying to ourselves, okay?"

he held her down with one hand and slowly stroked her red lips with the other.

His actions were so slow that she was shocked ...

“you’re telling me to deceive myself? i bought it, didn’t i?” He chuckled, but there was no trace of a smile in his eyes. His finger was still caressing her red lips. if you bought it, then you should treat it like you bought it.

He had once given his heart to her, but she had crushed it in her hands.

He squinted his eyes and looked at her teary face. His slender fingers gently scratched her face twice, but the words he said were unusually cruel. now, take off your clothes to please me, Yingluo. pei qiqi was stunned.

“Don’t tell me you still expect me to pamper you and serve you?” he patted her little face, let go of her, and slowly fell back to sit on the sofa.

PEI Qiqi felt extremely humiliated, but she was the one who asked for this humiliation.

“Let me go!” she half-kneeled in front of him, her hair down and her clothes in tatters. tang mo looked at her quietly, his voice cold. ” to help you and jinrong? ”
