

## Thank you 2811

Chapter 2811: Lan Yu, let go of me, you bastard 1

now that he had suddenly asked, it seemed a little abrupt, at least that was what her expression showed.

qin chen's expression was a little complicated. she looked at him for a long time before speaking, as if she had carefully considered it. however, the words that she said after careful consideration were all disguised, so he didn't really want to hear them.

so, he stopped her. " chencheng, it's late. let's go upstairs. "

qin chen wanted to say something but hesitated. in the end, he opened the car door and took his coffee rice.

She took two steps and then walked back to his side.

Rong Lei lowered the window and revealed half of his handsome face.

...

Qin Chen went over and kissed the corner of his lips, his voice low. "i will slowly find back the memories that belong to us."

her voice became even lower. " rong lei, i've been like this for a long time. it's been a long time since i've found that feeling. what's left are only memories and my longing for you. "

her voice was clear and elegant, like the sky full of sunshiny, and it easily pulled them back to the past.

when she said that, he pulled her over. " chencheng, we have so many good memories. you will definitely find them back. i will wait for you slowly. "

” mm. ” she lifted her body, smiled at him, and then ran to the apartment.

Rong Lei watched her disappear into the elevator, then he got out of the car and took out the curry rice.

He looked at the package, which was full of that man’s aura.

He knew that she had eaten there with that man before, so they were familiar with each other.

His breakfast had always been so exquisite. She would never have eaten such things in the past.

He wanted to slowly change her and bring her back to his world, instead of being lost like this.

in the end, the takeaway was thrown into the trash.

.....

when qin chen came out of the elevator and looked up, his vision turned black, and his body hit the wall.

in front of her was a hot body.

the owner of that body reeked of alcohol, and his temperature was frighteningly high.

“Lan Yu, are you crazy?” she pushed him away.

lan yu’s body took a few steps back. he was in a sorry state as he looked down at her.

his gaze was very, very cold, with a hint of mockery. ” “resurrection? Qin Chen, shouldn’t I congratulate you?”

qin chen took out his card and wanted to open the door, but he was hugged from behind.

the card in her hand was broken in half by him. ” if you don’t make things clear today, don’t even think about leaving. ”

Qin Chen tried to break free but failed, so he closed his eyes.”what do you want me to make clear? when lin sisi was in your bed, we already made it clear.”

Lan Yu stared into her eyes and said,’that’s a trap. Lin sisi and Rong Lei know each other. She did it on purpose.”

“that wasn’t what you said when you were carrying lin sisi, who was only wearing her undergarments,” qin chen frowned.

Lan Yu, let go, ” she said with a smile. we’re not compatible.

her words still angered him. he folded her in his arms, bit her earlobe from behind, and said angrily, ” are you suitable for that pretty boy? He looks like he can’t do anything. Can he satisfy you like I do? can he make you cry and scream in comfort?”

as soon as he finished speaking, he was slapped in the face.

“lan yu, that’s enough.” Qin Chen’s voice was cold. our breakup has nothing to do with Rong Lei. We’ve broken up. Don’t pester me anymore, or I’ll call the police!

Chapter 2812: lan yu, let go of me, bastard 2

Lan Yu glared at her, his voice even colder than hers, ” “oh, really? Should we call the police?”

He pressed her down and pinned her against the wall. He narrowed his eyes.”I f \* cked you so many times, why didn’t you call the police? instead, you hugged me and told me to hit you harder and faster, huh?”

his words made qin chen extremely embarrassed.

“Lan Yu, be more rational!” She pursed her lips and glared at him.

“rational.” He punched the wall again, and the wound that had not healed from the last time was split open again.

Blood splattered everywhere!

...

Qin Chen suspected that his hand was going to be crippled by that force.

her body was pressed against the wall, not moving at all.

lan yu supported himself against the wall with one hand and leaned forward. his voice was cold, ”  
“My woman is with another man, and you’re f \* cking calling me rational?”

Qin Chen thought he was crazy, so he restrained his voice. “can you be reasonable?”

“i won’t.” His voice suddenly turned hoarse. Chenchen, why should I be reasonable? ”

as he spoke, he cupped her face with his bloody palm and kissed her forcefully.

In fact, Qin Chen could have pushed him away, but she was afraid that she would really hurt his hand, so she clenched her teeth and didn’t let him in.

however, the man in a rage was so brutal that it was terrifying. he kissed her almost desperately, but she refused. he pinched her chin and forced her to open her mouth.

This kiss was brutal and direct, and it also had a touch of blood.

That thick aura was like the strongest dose of village medicine, sweeping them up.

Slowly, the tone of the kiss changed, and Qin Chen's shirt was unbuttoned ...

the fire of love, spreading

About five minutes later, Qin Chen grabbed Lan Yu's hair and let out a long breath. "let go."

in pain, he moved a little, but not completely. instead, he rested his chin on her shoulder and muttered, " "qin chen, you're very cruel. you gave me so much hope, but you just threw me away like that, yingluo!"

Qin Chen turned his face away. we're not suitable for each other. I can't get over what happened that day.

however, lan yu let go of her at this moment and took two steps back. his voice was a little hoarse, " "the one you can't get over is not lin sisi, but rong lei."

he suddenly laughed, and his laughter was somewhat desolate."Qin Chen, you still love him, right? You only have him in your heart from the beginning to the end, and I'm just a joke you make when you're bored. I'm not even a substitute!"

He took out a cigarette from his pocket and lit it up. He looked at her and laughed at himself."how can someone with my character be worthy of being a substitute for your idol?"

As Lan Yu spoke, he pinched the cigarette and blew out a ring of smoke, which happened to land on her face.

He did it on purpose, and Qin Chen only felt sad.

"Lan Yu, you can start your new life now!" She turned her face away and said softly.

"a new life?" he smiled. " yeah! You said that your relative, Huang Yasi, is not bad. I might as well marry her. Even if she doesn't become your husband, being your cousin-in-law is not bad."

Qin Chen's eyes widened and he glared at him."Lan Yu, you bastard!"

She reached out to slap him, but he stopped her in the air. He said softly, ” “Don’t piss me off, or I’ll really go and provoke her.”

qin chen’s eyes were already moist.

She looked at Lan Yu and pulled open her shirt, ” “You’ve said so much, but you just want to do it with me, right? If you like, I can accompany you.”

Chapter 2813: Lan Yu, let go of me, you bastard 3

Her tone was very excited, and his body was also crazy with love, but Lan Yu did not move.

“Qin Chen, do you really think I’m a man who’ll be happy if I reveal my beast Jade?” he sneered.

“Why would I want a woman who’s thinking about another man?” his voice turned even colder.

he pressed the elevator button and walked in without looking at her.

Blood was dripping from his arm.

Qin Chen’s heart almost melted at the sight of the blood.

...

She stood there for a long time ...

She could feel that Lan Yu was the man who could arouse her Jade desire, but Rong Lei was not.

Lan Yu aside, did she really want to be with Rong Lei?

qin chen was at a loss.

when she was young, she liked rong lei and even loved yingluo deeply.

However, after all these years, it wasn't like she didn't feel that love had faded and turned into a kind of memory.

perhaps it was just a memory, and liking him might just be a habit. subconsciously, she still looked at him like a 12-year-old girl.

however, she was not 12 years old anymore. she was a mature woman and stood at the top. she had seen all kinds of outstanding men, and rong lei's type was still extraordinarily distinguished. however, she kept feeling that something was missing.

a long time later, qin chen found out that it was because rong lei had no blood and no flesh.

Although it was honorable, it was too far away to feel real.

Qin Chen stood there and watched quietly for a long time before returning to his apartment.

She walked to the bathroom and looked at herself in the mirror.

Her red lips were red and swollen, and there was a row of blue and purple finger marks on her collarbone. It was a ghastly sight.

qin chen pursed his lips and slowly washed them with water. he also rubbed the marks on his collarbones, but he couldn't get rid of the smell.

the moment she closed her eyes, she would be reminded of the way he kissed her.

Qin Chen opened his eyes and let out a long breath.

no, she couldn't think about it anymore. she had broken up with lan yu.

she should be with rong lei now, and she would try to fall in love with him again.

she went to turn on the hot water and took a stroll in the bathtub.

She was so tired that she fell asleep.

she dreamed of the year she was 12, in France. in the endless sea of flowers, rong lei walked towards her with a smile on his face.

His smile was extremely beautiful. He was the best-looking boy she had ever seen.

Seeing him smile, Qin Chen also smiled.

She watched as he walked towards her, and there were countless little stars in her eyes. It was the look of someone who was looking at a loved one.

suddenly, rong lei's beautiful and sunny face turned into a skeleton.

The skeleton even had a terrifying and strange smile on its face.

Qin Chen woke up with a start.

when she woke up, her forehead was covered in sweat, but her body was cold.

Her hand touched it. The water had turned cold.

She got up and took a hot shower, but she still caught a cold. She sniffed and sniffled. At this time, she felt hungry and remembered that she had not eaten her coffee.

She casually heated it up, and when she opened it and smelled the pleasant smell, she was instantly cured.

Qin Chen had a huge appetite and finished it in one go.

Then, she took the tissue and snuggled under the covers. Although the air conditioner wasn't turned on, her body felt cold throughout the night.

in the middle of the night, she turned over, but still couldn't fall asleep. in the end, she sat up and leaned against the head of the bed.

Chapter 2814: Lan Yu, let go of me, you bastard (4)

In the middle of the night, she turned over, but still couldn't fall asleep. In the end, she sat up and leaned against the head of the bed.

She didn't know if she was missing someone's body temperature. She only knew that if she caught a cold while that person was around, she would be treated like a princess.

Qin Chen thought about it and felt that he was ridiculous. when did he become so melodramatic?

Just as Qin Chen couldn't fall asleep, in a luxurious villa.

rong lei held a glass of red wine in his hand and stood by the window in the dark night. only the small lights in the hall were turned on in the distance. the light in his room was dim, and his tall body was hidden in the darkness, making him look even more ghostly.

Anna stood behind him for a long time before she finally stepped forward and hugged him from behind. She murmured, " "master, do you need me to serve you tonight?"

...

Rong Lei didn't move and just asked, " "how's the arrangement i asked you to make?"

Anna's fingers pleased him nimbly, and her voice sounded more like a sigh. it's all arranged. I'll get the news in a while.

rong lei pushed her away and his tall body slowly walked to an Italy sofa and sat down. anna understood what he meant and followed him. she knelt in front of him and worshipped him, using all kinds of ways to please him.

until her master was satisfied.

of course, this one-sided action lasted for a very long time. it took a full hour for her master to let out a muffled groan and push her away.

anna was still kneeling there, carefully cleaning her master with a paper towel, and then looked at her master with a charming look.

“sit here,” rong lei said lightly.

anna was a little surprised. it was obvious that her master wanted to give her some charity tonight, so she got up carefully and sat down even more carefully. she didn’t dare to kiss his lips, only his chin.

rong lei’s slender and beautiful jade-colored fingers pinched her face. there was no warmth, just like how he treated the lowest woman. however, this was enough to make anna ecstatic. she was excited like an apocalyptic party.

as for her master, he was as calm as a machine and did not put in any feelings. it was as if he was giving a bone to a loyal dog.

just as the heat was unbearable, there was a knock on the door. then a man in black came in and quietly handed a player to rong lei, as if he didn’t see what was happening between the man and woman.

Perhaps, he was already used to it.

rong lei opened it, and anna was like a snake, cleaning it herself.

The video in Rong Lei's hand played the scene of Lan Yu and Qin Chen kissing crazily at the door. Qin Chen took the initiative to kiss Lan Yu.

Rong Lei's fingers tightened, and the thing in his hand was crushed into powder.

Then, the woman on top of him was thrown to the ground like a rag.

Anna's forehead was covered in sweat as she called out to her master.

The Man in Black replaced Rong Lei and covered Anna's body.

In the huge space, the intimate sounds of a man and a woman in love rang out again.

An hour later, Rong Lei stood opposite Qin Chen's apartment in a daze.

the lights in the apartment weren't turned off, and he watched qin chen eat alone-

he knew that it was that man who had brought her to eat that kind of food, which was why she treasured it so much.

Rong Lei's eyes were cold.

a man like that should not have appeared in this world.

As long as that man disappeared, his Chen would slowly fall in love with him.

definitely.

Chapter 2815: Lan Yu, let go of me, you bastard 5

Qin Chen only saw the news of Lan Yu's accident on social news the next day.

The news report said that the president of the Grand Hyatt Hotel was unfortunately involved in a car accident this morning. His condition was unknown and he had been sent to Sheng Yuan hospital for emergency treatment.

Rescue?

qin chen put down the milk in his hand and immediately went back to his room to put on a shirt. he didn't even change out of his slippers before he went downstairs and drove to the hospital.

the entrance of sheng yuan hospital was blocked by reporters, who were probably fighting for this news.

qin chen didn't have to go up from the underground parking lot, so she went straight to the emergency room.

...

she thought that she would see lan yu lying on the ground like a rag like the last time, or he would play with a bone fracture or something like that again.

she was anxious because he was her patient and she didn't want anything to happen to him.

qin chen rushed over. qin mu, who was at the door, saw her and instinctively stopped her. "Qin Chen, Lan Yu, he ..."

"what happened to him?" Qin Chen said as he opened the door.

But the situation inside still made her a little stunned.

Lan Yu was inside, but her distant cousin Huang siya was also there.

To be more accurate, he was kissing Lan Yu.

the kiss was so intense that Huang Siya's cheeks were deeply sunken and her face was red. She had obviously never been kissed by a man like this before.

Qin Chen's face was a little pale. She just looked on, watching Lan Yu kiss someone in front of her.

Actually, it was not the first time, but her heart still went numb and she felt extremely uncomfortable.

She didn't know how long she had been looking at it. It was about a minute, but it also felt like an hour. She only knew that when she left, her face didn't look good.

Qin Mu closed the door and said softly, "I'm here for a prenatal examination, and I just happened to run into her." Chenchen, have you really made your decision?"

Qin Mu had always felt that Rong Lei's appearance was very strange. How could a person who had been dead for so many years come back to life so suddenly?

However, it wasn't convenient for her to tell Qin Chen this right now-

She couldn't figure out why Rong Lei didn't appear earlier if he was still alive and liked Qin Chen. Instead, he made her suffer for so many years.

Was this kind of love considered love?

Perhaps there was love and possessiveness, but it was not pure.

Qin Chen's gaze on Qin Mu was a little straight. After a long while, he laughed in a low and hoarse voice. Yes, I've decided. I'm even more certain now."

He said he was with Huang Siya last night. She thought he wouldn't embarrass her like this, but after only one night, he was hugging her cousin and kissing her so hard that they couldn't part.

Should she be happy for him or sad for herself?

Qin Chen lowered his eyes. Mumu, I'll go back first.

she raised her eyes again. "where's zhou chongguang? I'm worried about you being alone. I'll take you to my office."

"chenchen!" qin mu held her hand. "i'm fine!"

She looked at Qin Chen. I also have something to say to you.

Qin Chen's gaze was a little dazed, and after a while, he hummed in agreement.

Just as they were about to leave, Huang siya came out of the emergency room. Her face was red and her lips were slightly swollen. She looked like she had been loved.

She looked at Qin Chen and smiled very carefully. "chenchen, can you help lan yu take a look at his leg?"

Qin Chen looked at her without saying anything.

At this moment, Qin Mu couldn't help but say, "siya, don't go too far. Call another doctor over."

Chapter 2816: it's fine as long as you're happy 1

huang siya looked at qin chen carefully and said in a low voice, "Qin Chen, are you blaming me for snatching Lan Yu away?"

qin chen looked at her.

huang siya was crying like a pear blossom bathed in rain.

Qin Mu rolled his eyes. He used to think that this cousin was a good person, but he didn't expect her to be a drama queen.

she pursed her lips and looked at qin chen.

qin chen had always been sharp-tongued, so she wondered if he would speak in a nicer way this time.

...

Sure enough, Qin Chen was unhappy, and his words weren't pleasant. "Yes, I blame you. So, are you going to return him to me?"

huang siya didn't want to hear this, and she didn't expect it.

she thought that since she and qin chen were cousins, qin chen wouldn't stoop so low and say such ugly things.

Huang siya came from a noble family, so she couldn't accept it. Her eyes turned and were full of tears, but she held it in.

that appearance of a pear blossom in the rain, was extremely lovable.

however, qin chen wasn't in the mood for that. she looked at qin mu. "Let's go," he said.

qin mu didn't care about huang siya. before they became sisters, cousins were nothing.

Who would care about your petty feelings for her Chenchen?

Huang siya looked at Qin Chen and Qin Mu leaving and didn't bother with her. For a moment, she was embarrassed.

she didn't think she was in the wrong. qin chen had clearly broken up with lan yu and was with another man. why couldn't she be with lan yu?

yes, she was the one who took the initiative to kiss lan yu. lan yu only didn't push her away after seeing qin chen.

she knew that although she did mind, she was not willing to let go of such an opportunity. as long as she could be with lan yu, she didn't care.

moreover, she was confident that she could win against qin chen. she didn't dare to say it to others, but qin chen had always appeared in a man's appearance, so she was confident.

she turned her head and happened to see lan yu standing behind her, his gaze a little deep.

huang siya was stunned and asked carefully, " "You heard everything?"

"Hear what?" his voice was a little lazy. " in the future, don't provoke qin chen. i don't like meddling women. "

Huang siya immediately understood what he meant. She was surprised and happy. She covered her face."Lan Yu, really?"

"let's try!" lan yu's gaze was a little dull.

Right now, he wanted to find a woman who liked and loved him.

it's too tiring to keep chasing after a woman, yingluo.

Huang siya walked up to him slowly and touched his chin. am I dreaming? "

"teacher huang, where's your self-restraint?" Lan Yu smiled faintly, but there was no trace of a smile in his eyes. In fact, there was even a bit of emptiness.

he looked into the distance, in the direction where qin chen had left.

he knew instinctively that he chose huang siya not because she loved him, but because she was qin chen's relative and he could still see qin chen.

A self-deprecating smile appeared at the corner of his mouth.

in qin chen's office, qin chen arranged for qin mu to sit on the sofa while he slowly brewed coffee.

qin mu watched as she poured one cup after another. finally, he couldn't help but say, "I'm pregnant, so I don't drink coffee. Have you forgotten, Chenchen?"

qin chen seemed to have just woken up and pursed his lips. "oh, sorry! I was a little distracted."

Qin Mu let out a low sigh and walked over with his belly. He hugged Qin Chen from behind."Then can you tell me, are you thinking of Rong Lei or Lan Yu?"

Chapter 2817: it's fine as long as you feel good 2

"Lan Yu?" Qin Chen was stunned.

"Isn't that so?" qin mu's voice was faint. "you rushed over so early in the morning because you were afraid that something would happen to him. you saw him with siya and you were so distracted."

"chenchen, are you breaking up with him?" qin mu asked directly.

"We've broken up. We've made things clear." Qin Chen lowered his eyes.

she paused again. "i'm already with rong lei. isn't yingluo with siya too?"

qin mu walked in front of her and threw the coffee cup in her hand to the side. he looked at her seriously. what about your heart? can you tell me who's in your heart? "

...

Qin Chen smiled. I don't know, but I want to try it out with Rong Lei.

Qin Mu held her hand tightly, "Rong Lei is very dangerous, ran ran."

"i know," "He came to find me, and he won't leave without a result. I also want to know if I still have feelings for him," Qin Chen muttered.

perhaps this was a dangerous game, but being with rong lei was the safest.

this was qin chen's instinct.

qin mu was stunned for a moment.

qin chen looked at her and smiled. "mumu, we're twins. i know what you're thinking."

Qin Mu held his forehead and laughed. He patted Qin Chen. "What a terrifying telepathy."

qin chen reached out and hugged her. then, he squatted down and placed his face on qin mu's belly. "i'll take good care of myself. don't worry!"

Qin Mu nodded. you know what you're doing. I'm relieved.

She lowered her head and reached out to touch Qin Chen's face.

Only she could touch Qin Chen's face so unscrupulously, and the scene was beautiful ...

when zhou chongguang came in, he saw his wife and 'brother-in-law' hugging each other lovingly, and his heart was in a mess. although qin chen was a woman, he looked no different from a man, and he was so intimate with his wife.

General manager Zhou was jealous, very jealous.

he slowly closed the door. "mumu."

qin mu looked at her husband. he saw the unknown meaning in his eyes and stuck out his tongue-  
what a childish man. he was actually jealous of qin chen.

However, she still obediently let go of Qin Chen and worriedly let him go with her.

Qin Chen also agreed, but at this time, the Secretary of Mr. Lin came over and said that Mr. Lin was not feeling well and wanted Qin Chen to go and take a look.

qin chen motioned for him to wait outside and looked at qin mu gently. ” “go home and rest. i’m fine.”

she gave zhou chongguang a look, and how could zhou chongguang not understand? he supported his little wife and walked towards the door, saying in a low voice, ” “Qin Chen can handle it, don’t worry!”

Qin Mu still left first. Her month was getting bigger recently and she always wanted to sleep.

Qin Chen watched them leave, then said to Mr. Lin’s Secretary, ” “Go!”

As he spoke, he put on his white robe, put his hands in his pocket, and followed the Secretary.

mr. lin’s problem wasn’t big, it was just some chest issues.

after qin chen checked, he smiled faintly. ” it’s nothing serious. I just can’t always lie on the bed. I need to move around a little. It’s best if I can climb the stairs.

“How can we do that? I haven’t recovered from my injuries yet,” Madam Lin said worriedly.

Qin Chen smiled,”but isn’t Mr. Lin preparing to be discharged and get back to work?” this little bit of exercise shouldn’t be a big deal!”

## Chapter 2818: a contest between two male animals (1)

Madam Lin looked at her husband, her face full of worry. Dr. Qin, we know that you're not in Sheng Yuan's system now. Actually, you can follow elder Lin and he won't treat you badly.

Before Qin Chen could say anything, she continued, "the treatment that new York can give you, old lin can do it too, maybe even better."

qin chen smiled. "thank you, madam. i prefer a free and easy life. also, the laboratory over there belongs to me and i don't have much research to do. i'm afraid i'll be letting you down. "

mr. lin patted his wife's shoulder and said, "Everyone has their own ambitions. Don't make things too difficult for little Qin. No matter what, I owe little Qin a debt of gratitude. You take good care of sisi and don't let her mess around again."

Qin Chen was a girl, so he couldn't mess around. If word got out, his reputation would be ruined.

the lin family couldn't afford to lose face like this, and they'd also let down little qin. mr. lin was very clear about this.

...

"i will, don't worry," madam lin nodded.

Qin Chen now understood that his chest was fake, he had convinced her to follow Mr. Lin.

She also knew that Mr. Lin was probably kind to her because she had cured him. Otherwise, he wouldn't have let her off so easily.

Qin Chen took his leave first and said a few polite words before he left. With the Lin family's status here, it was not wrong to be polite.

As soon as she left, Madam Lin sighed. if only Dr. Qin was a man. No matter what, we would be able to win him over for sisi.

“If it’s a man, then you’ll like sisi?” Mr. Lin asked.

Madam Lin did not speak for a long time.

mr. lin’s voice was a little low. ” the most important thing for a couple is to have a good relationship. nothing else is important. ”

As he spoke, Madam Lin’s eyes were a little red. all these years, I’ve been the only one in charge of your Affairs. You’re blaming me for being so willful now!

mr. lin looked at his wife and heaved a long sigh. ” how could that be! I can’t do anything about it now. When we leave this time, make sure sisi follows us. We can’t mess around anymore.”

He sighed again,”you see that new guy, Rong Lei.”

Mr. Lin seemed to be in deep thought.”Tell sisi, don’t touch this person! i heard from secretary zhang that she saw sisi and rong lei meet a few days ago. this man is very dangerous, and as a last resort, he will tie her up and board the plane, do you understand?”

“rong lei?” madam lin frowned.

” it’s the person dr. qin used to like. she’s been dead for 12 years, but now she’s alive and has a prominent status. ” mr. lin said softly, ” it’s very likely that this person has something to do with politics, especially with the west. if sisi were to get involved with him, would i still be able to continue being the minister? ”

madam lin took a long time to digest it and said with difficulty, ” “Doesn’t doctor Qin like Mr. Lan? They look like they’re in good shape.”

“You’ll have to ask your precious daughter what she’s done!” Mr. Lin was furious at the mention of this.

however, it had to be said that mr. lin knew his daughter’s whereabouts much better than madam lin!

Madam Lin's face was filled with shock. After a long while, she said, "What did sisi do this time?"

"She ran to Lan Yu's house and climbed into his bed," Mr. Lin said coldly.

"then sisi and lan yu, did they have sex?" Madam Lin's face was filled with shock.

"not really, " mr. lin snorted. " she doesn't have that kind of charm. "

"That's good!" Madam Lin was relieved.

## Chapter 2819: A contest between two male animals (2)

at the villa.

a tall man was standing by the window with a glass of red wine in his hand.

" i'm sorry, master, " anna whispered behind him. " we've failed this time. "

rong lei turned around and looked at anna with his black eyes. " where is she? "

"In the hospital." anna lowered her head. " there are too many people. we can't make a move again. also, i think blue universe is already on guard. it might be a little difficult to make a move again. "

rong lei finished the red wine in the glass in one gulp and said in a light voice, " " then let him live for a while longer. let him know that xi xichen is mine. he'll lose badly. "

...

This was a contest between male animals. Since he didn't die this time, he would let him live for a while longer.

“Where’s Qin?” Rong Lei asked again.

yes. Anna hesitated. she ... Went to the hospital.

almost immediately, the cup in rong lei’s hand broke into pieces.

the red liquid stained his hand, and it looked like blood.

anna was busy cleaning him up, but rong lei waved her away. ” “go and find all the information on that man.”

he didn’t take lan yu seriously before, but it was obvious that his chenchen seemed to be unable to extricate herself.

he wanted to see what this lan yu had that was worthy of chen’s care and love.

Anna was very fast. She finished the information in half an hour and sent it to Rong Lei.

She poured another glass of red wine for Rong Lei.

rong lei sipped on the fragrant red wine while reading the information, and his eyes became a little gloomy.

lan yu, a genius student, entered an ivy league school to study for a ph.d. in economics at the age of 20. however, for some reason, he later switched to oil painting. after graduation, he was still very famous in new York.

Rong Lei flipped to the last few pages and his face looked even uglier.

Lan Yu had only taken over the Grand Hyatt Hotel for a few months, but the hotel’s performance had increased by 200%. What kind of man was this?

Rong Lei put down the documents and sat on the sofa, looking at the sky of B city.

“Find something for Lan Yu to do, don’t let him be so free,” he muttered.

anna nodded and quickly left.

in the next few days, there were several accidental casualties in the hotels of the grand hyatt group located in various places. for a time, the society’s direction was very unfavorable to the grand hyatt.

lan yu naturally became a man in the air, flying here and there to deal with things. at the same time, he also held a few internal meetings to raise the hotel’s security to an unprecedented level.

Just as Lan Yu was flying out of the city, Qin Chen came to the villa.

anna took her to the second floor.

Qin Chen sat down in front of the floor-to-ceiling window and looked outside. The view from this corner was very good.

She could almost imagine that Rong Lei probably liked to sit here and stare blankly, which was in line with his personality.

Qin Chen looked down and suddenly felt a little unfamiliar.

she didn’t know if it was because they hadn’t seen each other for too long or because she had never understood him.

Rong Lei walked out in a bathrobe. He had probably taken a shower, and there was a faint smell of shower gel on his body.

it smelled good and fresh.

He walked over and gave Qin Chen a polite kiss.”you’re here?”

Qin Chen smiled and looked at him sitting opposite him.

just as she was about to speak, the servant brought two sets of breakfast over.

Rong Lei smiled. "Chen, let's have breakfast together."

"I've eaten." Qin Chen forced a smile.

"That restaurant's Curry rice?" "It's not bad," Rong Lei smiled.

Qin Chen's gaze was unfathomable-that day, when she went back, she saw the garbage truck coming over. She saw a lunchbox with that family's logo on it, and the entire floor was covered in a steamed bun thrown into the trash can.

"Do you really think it tastes good?" Qin Chen smiled.

"Of course," Rong Lei shrugged. "Chenchen, I'll try to like whatever you like."

Qin Chen looked at his breakfast and suddenly said, "I want to eat it now, can you accompany me?"

Rong Lei smiled lightly. "Of course."

"Let's go now." Qin Chen took his hand.

There was a faint smile on Rong Lei's face, and he smiled indulgently.

...

He held Qin Chen's hand. I'm going to change. Chenchen, you won't ask me to wear this to dinner with you, will you? "

"sure, i'll wait for you outside." qin chen smiled uncomfortably.

"i'll be fine in a while." rong lei pinched her cheek.

Then, he walked towards the master bedroom.

qin chen looked at his back in a daze.

to be honest, rong lei was perfect. his appearance was perfect from any angle, and he was very pleasing to the eye.

But there was something missing, Qin Chen thought silently.

she suddenly saw the red wine that rong lei had left. she walked over curiously and picked it up to smell it.

Although there was only a small sip left, Qin Chen could still smell a different smell.

She slowly moved her lips closer to his and hesitated for a moment. Just as she was about to taste it-

rong lei stood at the door and said, " there's a medicinal herb in it. It won't taste good.

qin chen turned to look at him, then smiled. " what herbs? "

"it's for replenishing qi." Rong Lei walked over and drank the glass of wine in one gulp. we can go now.

Qin Chen pulled him back. wait a minute.

Rong Lei looked at her and asked in a low voice, " what's wrong? "

She handed him a tissue. wipe it. The corner of your mouth looks like it's stained with blood.

Rong Lei's eyes were deep. He looked at her for a long time before he whispered, "Is that so?"

He wiped it away calmly and then said, " "get them to change this year's batch tomorrow,"

"You'll get used to it." Qin Chen didn't mind.

rong lei didn't say anything else and went downstairs with her. he drove a blue bugatti veyron, and qin chen sat beside him and watched him start the car.

rong lei was dressed in white, handsome, and drove an expensive car, so he attracted a lot of attention when he arrived at the cheap restaurant.

Of course, Qin Chen, who was in the same line of work, was equally dazzling and dazzling.

In the dining room, almost everyone's eyes were on them, but they didn't feel uncomfortable at all, as if it was natural for them to walk together.

When they were about to reach the innermost seat, Rong Lei suddenly held Qin Chen's hand. "Just sit here!"

Qin Chen nodded and was about to sit down with him, but his gaze fell on Lan Yu, who was not far away.

lan yu was sitting with huang siya.

He brought Huang siya here to eat his favorite curry rice.

Qin Chen looked down and smiled, "of all people, why did he have to find her cousin?"

huang siya was really generous. didn't she mind that lan yu had slept with her cousin?

However, she still didn't expect that men were all bad by nature. Lan Yu would never admit whether they had slept or not.

the moment qin chen saw lan yu, lan yu also saw them.

Lan Yu stared at them for about a minute. Huang siya put her hand on the back of his hand and said, "Lan Yu, What are you looking at?"

"It's nothing!" lan yu looked at her and retracted his hand without a sound. "qin chen's here, aren't you going to say hi?"
