Chapter 2821: A contest between two male animals (4)

“Do you want me to go?” Huang siya asked.

“I don’t really want to go. Although Qin Chen and I are distant cousins, we aren’t close. We don’t have to come and go in the future.”

“lan yu, do you think i’m too cruel?” she looked up.

“There are some things that I can’t give in to,” she said hurriedly. “You’ll understand, right?”

Lan Yu didn’t say anything.

he was still a little disappointed.

...

He was the kind of man who liked to chase after women. He didn’t really like women who were devoted to him, especially this woman.

Lan Yu didn’t know why he chose Huang siya. Maybe it was because of his pride.

his heart wasn’t on huang siya, but on qin chen’s table.

How could Huang siya not know?

she said softly, ” lan yu, give up. qin chen grew up overseas and is considered childhood friends with rong lei, just like ye muyun and tang xue ‘er. rong lei died for 12 years and qin chen went crazy for 12 years. do you think that the one year you’ve known her for is comparable to the many years they’ve spent together?

“You’re thinking too much,” Lan Yu said, retracting his gaze.

“it’s not that i’m overthinking it, i’m just scared.” huang siya’s voice was bitter, ” “i know you don’t love me, and you don’t even like me, but lan yu. At least I’m a woman, I can give you a normal life and love, this is something Qin Chen can’t give you.”

lan yu’s expression was a little ugly.

he looked at huang siya. ” even if i’m not with qin chen, it doesn’t mean she’s abnormal. ”

Huang siya was stunned for a moment. She realized that she had said something wrong and understood that Qin Chen was still very important to Lan Yu.

she was a little bitter, but she was still unwilling to give up.

There was a kind of love that was like poison. She knew that she shouldn’t touch it, but she still couldn’t control herself.

She apologized in a low voice, and then her mood became a little low.

Lan Yu quickly finished his coffee and food. I’m going to work. Do you want me to send you off? ”

I’ll go with you. Huang siya quickly got up.

She pursed her lips. Lan Yu, do you think ran ran has changed her mind about being with me? ”

lan yu pursed his lips and sighed.

Huang siya bit her lip, hesitated, and then grabbed his hand.

lan yu’s body trembled, and he immediately looked at her hand that was holding his.

“If you’re in a relationship, this is normal, isn’t it?” she muttered.

lan yu didn't say anything and tacitly agreed.

He held her hand and walked towards the door, passing by Qin Chen's table.

qin chen lowered his head and drank the soup, pretending not to see.

Only a fool would face such a situation head-on.

however, he felt a little bitter in his heart ...

She couldn't say it. She only felt that she and Lan Yu were like fireworks in the sky, dazzling for a moment but disappearing very quickly.

however, that flame remained in his heart.

Qin Chen didn't know if it was because they'd done so much that they'd left a deep impression on him.

She pretended not to see it, but Rong Lei was not willing to let it go.

"mr. lan yu," rong lei smiled.

Lan Yu's body froze and he looked at the table indifferently.

&Nbsp; Rong Lei smiled and continued, " I heard that Mr. Lan's hotel had a lot of accidents. I can't believe Mr. Lan still has the time to eat with his girlfriend.

Lan Yu lowered his eyes and smiled. I also thought that Mr. Rong would stay at home and play tricks so that I don't have time to accompany my girlfriend.

Chapter 2822: A contest between two male animals (5)

lan yu lowered his eyes and smiled. " i also thought that mr. rong would stay at home and play tricks so that i don't have time to accompany my girlfriend. "

he paused for a moment and slowly said, " i don't know if mr. rong has ever heard of this saying. the more you want to hold it in your hands, the easier it is to lose it. i am like this. mr. rong may be the same. "

rong lei's expression changed.

lan yu leaned over. " just take good care of your own things. if mr. rong causes me trouble again, i can't guarantee your safety in B city. "

Mr. Rong, don't forget that my guests are innocent, " he said coldly. Mr. Rong, have you ever considered Dr. Qin's career? "

Then, he left with Huang siya.

...

Of course, he didn't even look at Qin Chen.

After they left, Qin Chen looked at Rong Lei and asked in a soft voice, " did you do those things? "

"no." "Chenchen, you shouldn't have believed him just because he said so," Rong Lei said in a casual tone.

he looked at her. " we used to do volunteer work together, didn't we? you should know me very well."

Qin Chen's gaze lowered, but he remembered the glass of red wine in the villa.

"i believe you," she said after a long time.

Rong Lei heaved a sigh of relief and ate breakfast with her.

Eating curry early in the morning was a bit strong, but Qin Chen was very used to it. She looked at Rong Lei and found that he was also very comfortable.

he clearly didn't like her, so why did he have to pretend to like her?

Qin Chen looked at him for a long time. Rong Lei looked up."what's wrong, chenzhen?"

qin chen took the spoon from his hand and said, " "don't eat! you don't like it, so why force yourself?"

rong lei took a handkerchief and wiped his lips elegantly. " because you like it, chenzhen. i'm willing to try anything you like. "

"Even if you're feeling very uncomfortable?" Qin Chen pursed his lips and said seriously, " "ronglei, do you think i'll be happy if you're holding back?"

"I'll be able to tell if you don't really like him," she continued after a pause.

Rong Lei's eyes fell on her face as if he was studying something. After a long time, he smiled faintly."yes, i like red wine and white toast."

" i'm just asking if there's any here. can i change it to ordinary bread? " Qin Chen smiled.

"Okay." Rong Lei nodded.

Qin Chen called the waiter over and changed into it.

Rong Lei obviously had a much better time eating this time, and the two would occasionally talk.

After Qin Chen finished eating, he sat there with a cup of tea in his hand and slowly savored it. When he was almost done, he said, " "Did you come to B city to look for me?"

“Isn’t it obvious?” Rong Lei smiled.

qin chen lowered his eyes. ” i plan to stay in B city and be an ordinary person. rong lei, would you be willing to stay here instead of going back to France? ”

rong lei’s eyes narrowed,”qin chen, we can take it slow. there’s no rush to decide where to go.” i know that your lab is in new York. we can also settle down in new york in the future.”

“I don’t plan to go back.” “rong lei, i want to be an ordinary person. if you like outstanding geniuses, then you can give up now.”

Her tone was sharp and unkind.

This was Qin Chen, and also another Rong Lei.

rong lei narrowed his eyes and looked at qin chen. ” chenzhen, what do you mean? ”

Chapter 2823: a contest between two male animals (6)

“A very obvious meaning.” Qin Chen looked at him and said bluntly, ” “The incident at the blue universe hotel was your doing, right?”

Rong Lei’s thin lips moved, as if he wanted to deny it, but he couldn’t.

“Rong Lei, I want to know your current identity,” Qin Chen said.

Her voice was very low,”why did you become so indifferent to those lives?” You couldn’t even bear to hurt a small animal, do you remember?”

Her tone became gentle,”do you remember the frog in the laboratory?” “You were punished for such a small life, but now it’s a few lives. You can just give an order and they’ll be gone. They have wives and children waiting for them to go back. They’re a high-end group and may have fought their entire lives to give their wives and children such a good life. But with one word from you,

they'll disappear. Ronglei, don't tell me you haven't thought about what these Pixiu are that made you never see them again?"

"Faith?" "chenchen, are you sure you want to talk about this with me here?" rong lei sounded a little excited.

...

He got up slightly, and his tall figure gave off an inexplicable sense of oppression.

Qin Chen raised his head slightly, not losing in terms of imposing manner.

If it wasn't for Lan Yu, she might not have laid her cards on the table with Rong Lei so quickly.

The reason why she laid her cards on the table was that she still had a last trace of longing for Rong Lei-for the years they had together.

Rong Lei slowly grabbed her hand and pulled her up. He said lightly, "we'll talk about it when we get back!"

qin chen didn't resist. she followed him to the door and paid.

When she got into his car, she murmured, " don't even think about tying me up. You should know that I'm a doctor. I'm not an ordinary woman who can't even truss a chicken. Also, Rong Lei, if you do that, all our relationship will end.

rong lei turned his body and looked at her. he said softly, " "Are you really going to speak to me like this for a blue universe?"

"You mean, you admit that you did all those things?" Qin Chen asked.

"Yes." "because i know that you two were together," rong lei said quietly.

qin chen glared at him.

” on the day i came back, i wanted to look for you, but anna found out that you were with lan yu. ”
There was a hint of bitterness in his voice. I went to your apartment. It was very dark that night, and it was raining the entire night. I saw my girl Hanhan hugging another man in the living room for the entire night.

I thought that she would always wait for me, but when I returned, she was already in someone else’s arms. Rong Lei held the steering wheel with his fingers and said,”Chenchen, you blame me, but I can’t control it!” this is just a man’s jealousy, do you understand?”

“To determine the victor, we must use any means necessary.” his fingers caressed her hair gently. ”
i’ve changed a little over the years, but i still love you. we’re the same, right? ”

qin chen looked at him and shook his head. ” “you didn’t change just a little, you changed too much.”

” i promise you that i won’t do that kind of thing again. as long as you return to my side and break up with lan yu completely, hmm? ” rong lei’s voice was very gentle, as if he was coaxing a child.

Qin Chen looked at him, then closed his eyes.”Let me think. Ronglei, I’m afraid of you. How many secrets do you have that I don’t know about?”

“i can tell you everything, as long as you follow me.” his voice was seductive.

Chapter 2824: i’ve slept with him 1

qin chen looked at him and softly said, ” no. ”

She paused. I won’t follow anyone. Feelings are feelings, and other things can only be other things. Ronglei, do you understand? ”

he looked at her. ” even if it was me, you wouldn’t break your principles, right? ”

“i won’t,” Qin Chen’s tone was very light,”there’s still ran ran.”

she seemed to have thought for a long time before she asked him softly, ” “rong lei, does your ran
ran still feel that way? you’re looking for me because i’m me, or because my name is qin chen, or
because i’m a doctor?”

Rong Lei’s expression changed slightly. it doesn’t make a difference. Chenchen, you are you. You
are unique.

...

he smiled and reached out to caress her face. his voice became lighter. ” chenchen, you’re thinking
too much. as long as we’re together, you won’t let your thoughts run wild over time, okay? ”

qin chen smiled. ” really? ”

“of course.” He pinched her face gently. you’ll forget him after a long time.

As he spoke, he seemed to have recalled something.”He’s with a distant relative of yours?”

“I don’t want to talk about this.” “take me to the hospital!” qin chen said in a light tone.

rong lei’s fingers paused, but he still smiled politely and sent her to the hospital.

When Qin Chen got out of the car, Rong Lei looked at her sideways. Chenchen, didn’t you give me
a goodbye kiss? ”

“we’ll meet again, so there’s no need.” she smiled faintly and waved at him. ” i’m going up. ”

Rong Lei smiled and watched her leave.

when she left, the smile on his face disappeared.

he was a man and could keenly sense that qin chen’s heart wasn’t filled with him.

it was lan yu.

She had betrayed him mentally.

rong lei's beautiful fingers gripped the steering wheel. he sat in the car for a long time before starting the car and driving away.

qin chen quickly walked into the elevator. because she was preoccupied, she didn't notice that there was someone in the elevator.

When she walked in, she heard a familiar voice before she looked up.

it was lan yu.

he leaned against the elevator and looked at her indifferently, but the corner of his mouth had a hint of ridicule. " " dr. qin still wants to come to the hospital? shouldn't he be busy dating? "

Qin Chen turned around and looked back into his eyes.

Of course, she also saw the Hickey on his neck. She sneered."Does it have anything to do with Mr LAN?"

the next second, she was forced into the corner of the elevator by him. his body trapped her between himself and the elevator wall. he lowered his head slightly, as if he was pressing his lips against hers, and whispered, " " as your ex, is there a problem with me showing you some concern? "

Qin Chen raised his head. Mr. Lan, you're being overly concerned. I'm afraid that it will cause some people to misunderstand, for example, my unconfident cousin.

There was a hint of provocation in her eyes.

ever since they broke up, he had always been sarcastic to her. he had probably forgotten who was the one who had been caught doing it with lin sisi in bed with their clothes disheveled. even if they hadn't had sex, it wouldn't be long.

lan yu squinted his eyes and looked at her, his voice a little low, ” “you care?”

qin chen chuckled and reached out to caress the hickey on his neck. then he pulled his shirt collar towards himself, his posture very ambiguous.

“what if i say i care?” she raised her head and looked into his eyes.

There was a small flame in her eyes, a small evil.

Those who didn’t understand her would really be fooled.

Chapter 2825: I’ve slept with him 2

lan yu clearly knew that it was a trap, but he still fell into it. he pressed his lips against hers. ” then show me. ”

The elevator door opened.

Huang siya was standing at the door.

With a pale face, she looked at the man in the elevator who seemed to be kissing another man.

“Qin Chen, how could you do this?” her lips trembled.

she ignored lan yu’s initiative and attributed everything to qin chen.

...

Although Qin Chen was the one who started it, she didn’t feel sorry at all. She just felt a little bored and tired of these little games. She lazily let go of her hand. there seemed to be a mosquito on Lan Yu’s neck, so I helped him to get rid of it. The wound is quite big.

then, he looked at huang siya and walked out of the elevator.

lan yu followed her out and quietly watched her back.

qin chen suddenly turned around and smiled. ” lan yu won’t have any serious injuries in the future. sheng yuan, don’t come here so often. otherwise, if my cousin thinks that you can’t forget about me, i won’t be able to clear my name. ”

Huang siya was furious, but she couldn’t refute Qin Chen’s words.

no matter how she looked at it, it was her current boyfriend who refused to let go of qin chen, and qin chen’s teasing attitude was completely like a game.

who had ever said that the person you cared about would lose?

As for her, the person who cared about her, she had lost even more thoroughly.

However, Lan Xiao and Huang siya didn’t know that after Qin Chen closed his office door, he leaned against the door and took a long time to calm down.

After a long time, she lowered her eyes, held her forehead, and chuckled. “isn’t it just a man who has slept with me? is there a need to be like this?”

however, when she lowered her eyes, a drop of hot liquid was dripping from her hand.

she was shocked and slowly raised her hand, looking at the drop of liquid in her hand as if she was looking at an alien object.

were these tears?

She cried, sob sob ...

because of lan yu!

qin chen closed his eyes. she had long forgotten how many years it had been since she last cried, but now she was crying.

For a man who would easily get together with someone else.

however, she was very clear in her heart. what she remembered was not only his bad side, but also his good side.

She thought that her separation with him had nothing to do with Rong Lei. It was mostly her fault.

if she could fulfill all of lan yu's requests, if she didn't break up with him so easily, lan yu wouldn't have given up on her, yueyue.

she did not know how much he loved her, but she knew that he still liked her.

Qin Chen raised his head and silently suppressed his tears for a long time.

She didn't need to cry because they had already broken up.

let's do this!

He wanted to be with Huang siya. That would be great.

Anyway, Yingluo might be in danger.

it was actually a good thing that he left her.

qin chen pursed his lips, lowered his head, and looked at his hand.

slowly, she walked to the bar counter, took out a cup, and poured some water.

she put her finger in the water and shook it gently. then, she took out a box of test papers from the drawer and put them in the water.

When she took it out, she saw that the color of the paper had changed from yellow to green. It was a dense green.

her eyes narrowed slightly.

in the morning, although she didn't drink his red wine at Rong Lei's place, when she returned it to him, she touched the red wine with her finger and found that there were red wine ingredients in her nails.

And now, she was sure that Rong Lei's Red wine was mixed with blood.

Why did he drink this?

Chapter 2826: i've slept with him 3

Qin Chen closed his eyes slightly-

there were too many mysteries about Rong Lei. she wanted to uncover them, but the process was like opening a time bomb. it was very dangerous.

Qin Chen opened his eyes, poured the water out of the cup, and cleaned his hands.

she sat in her office until the afternoon.

When it was almost time to get off work, Rong Lei called her and invited her to dinner, but Qin Chen refused.

she did not know how to face him now.

...

She saw Lin Sisi when she walked out alone.

lin sisi stood in front of a black rv and looked at qin chen with a strange expression.

Qin Chen walked over and looked at the driver in the car, saying, ” “You’re leaving?”

Lin sisi smiled. you must be relieved now.

“there’s nothing to be relieved about. you’ve never caused me any trouble.” qin chen leaned on the side and took out a cigarette.

She was about to light it up when Lin sisi said, ” “actually, i knew you were a woman from the very beginning.”

the cigarette in qin chen’s hand wasn’t lit as he quietly looked at lin sisi.”oh, really? do you like women?”

“No.” lin sisi’s gaze became a little fervent. she took a step forward. ” if i say that i like you, would you believe me? ”

qin chen laughed. ” your liking is so unique! you ran to lan yu’s bed and you call that liking me?”

Lin sisi bit her lip. but I’ve successfully separated you two.

“hey, are you really going to be with rong lei?” she added.

Qin Chen didn’t reply. She didn’t have a good impression of Lin sisi, so she naturally wouldn’t say anything.

Lin sisi mumbled to herself,”actually, Rong Lei isn’t even as good as Lan Yu!” at least, that night, lan yu didn’t do anything to me. from the beginning to the end, it was me who seduced him. he was probably angry with you, so he half-agreed and half-refused. in fact, in the end, he asked me to get lost. but when he heard you coming upstairs, he didn’t push me away. He deliberately wanted to see you jealous Yingluo.”

“A very stupid man.” “i really don’t know why you like him,” lin sisi laughed.

Qin Chen's expression remained unchanged.

lin sisi's smile suddenly became even weirder."let me tell you a secret, i slept with rong lei!"

qin chen's gaze deepened.

lin sisi was a young girl, and she was not impatient at all when she said this. " we did it five times a night. he's very strong, but ran ran. "

Lin sisi shrugged. I feel like he's a mess. His assistant, Anna, definitely has something going on with him.

Lin sisi suddenly added, " also, there's a tattoo on Rong Lei's P * s. It looks like a flame. You must have never seen it before!

"when you see me in the future, you'll know that i'm not lying to you." she blinked.

qin chen's fingers clenched-

Fire?

lin sisi opened the car door. "i really didn't know that you've been waiting for so many years for a creature that can't control its lower body."

Lin sisi got into the car.

Qin Chen stood there, unmoving.

she believed everything that lin sisi said.

lin sisi was such a willful girl, but she went to sleep with rong lei, probably to make her break up with rong lei.

she was so innocent that it made people sigh.

qin chen watched as lin sisi's car slowly drove away, but she still stood there.

Suddenly, the car stopped again. Lin sisi got out of the car and ran over.

"Qin Chen," "It's true that I like you," Lin sisi said, blushing.

Chapter 2827: i want an extra-large one (1)

she looked at qin chen and said seriously, " "When the day comes that you've given up on them, you can come and find me."

she opened qin chen's hand and wrote a string of numbers on it. " "this is my phone number. You must remember to miss me. "

qin chen was a little speechless, but he also found it funny-

she couldn't hate this little idiot even more, yingluo.

in the end, lin sisi still hugged qin chen forcefully. " i'm sorry, my love for you made you unable to live in peace, but ran ran. "

lin sisi paused. " with rong lei around, qin chen, you can't have a stable life. "

...

qin chen's body froze.

lin sisi straightened her body. " i admit that i was scared away. "

after she finished speaking, she jumped back into the car. as the car slowly drove away, she shouted at qin chen from the window, ” “qin chen, be careful, okay?”

Qin Chen watched her leave.

After a long time, she lowered her eyes and looked at her hands.”I will,”

she would not die so easily like her teacher.

that night, qin chen returned to the qin residence to have dinner with his parents.

qin mu also went, including ye muyun and xue ‘er wanwan.

After the meal, Qin Mu left Zhou chongguang and went to Qin Chen’s room to chat.

qin mu had just entered the room when he saw qin chen standing in front of the bookshelf in the living room, touching a trophy.

qin mu slowly walked over and said softly, ” “You’re missing your mentor again?”

Qin Chen nodded. he’s not only a legend in the medical world. He’s another father to me.

Qin Mu nodded. He sat on the sofa at the side and silently accompanied Qin Chen.

after a long time, qin chen suddenly said,”mumu, i might have to go back to new York.”

“how long will you be gone for this time?” qin mu was stunned.

Qin Chen turned his face and smiled. I haven’t thought about it yet. Maybe two years, maybe five years. Maybe I won’t come back.

qin mu's expression froze. she and qin chen had a telepathic connection. she couldn't completely know what qin chen was thinking, but she could feel that qin chen's current mood was very complicated.

qin mu slowly stood up and held qin chen's hand.

Qin Chen smiled at her,"Mumu, I've been outside since I was a child. Ran ran, just treat it as a one-man trip!" i'm fine, yingluo."

"you know, there are some things that i have to do, or i'll be uneasy for the rest of my life."

In addition, she had no choice but to go.

She couldn't ignore Rong Lei's existence.

A man she had once loved deeply, a man she had suffered for twelve years, was now someone she wanted to destroy.

it wasn't that qin chen didn't hesitate or was soft-hearted.

however, she had no other way out.

That year, she remembered that when his teacher had fallen into a pool of blood and she had hugged him while crying, he had only said two words, " flames.

for so many years, she had never understood whether this was a name or an organization.

The tattoo on Rong Lei's back was definitely not that simple.

Did he have anything to do with her teacher's death?

Subconsciously, Qin Chen guessed that there was.

But she had to confirm Yingluo's identity.

all of these were dangerous. she would rather go back to new York than hurt the people around her.

qin chen looked at qin mu. " be careful. don't go out too much. understand? "

"Qin Chen, I won't allow you to leave." Qin MU's grip tightened.

qin chen's expression was very firm,"mumu, only i can do this!" i'm not that great. i just can't watch my teacher die in vain."

Although she said that, Qin Mu understood that this was not the case.

what qin chen was going to do was very dangerous, and she was almost certain that it had something to do with rong lei.

She asked in a low voice,"what about Lan Yu?" Have you really given up?"

Chapter 2828: i want an extra-large one (2)

qin chen lowered his eyes and whispered after a long time, " "I can only say that I'm not fated to meet him."

When she didn't dare to love, she met him. And when she dared to love, they were already separated, Hanhan.

Qin Chen smiled bitterly. Mumu, let's leave it at that. Some things are not for me to decide.

she still hugged qin mu and said,'take good care of yourself! Zhou chongguang and Shui mu both need you to take care of them. Zhou chongguang is doing well."

she rested her chin on qin mu's shoulder. " "do you know how much i envy you now? you can have a normal life."

And she had wasted 12 years of her life on a single person.

...

When she came to her senses, she had no choice.

Lin sisi told her all this because she wanted her to leave Rong Lei, but now she couldn't.

Qin Chen had never cried before. At this moment, his tears were glistening, but he didn't shed a tear.

she pursed her lips tightly and pushed qin mu away. " don't cry. " I'll be back in one piece."

she only told qin mu these things.

She was afraid that if she told her brother, the entire Qin family and Tang family would be buried with her.

She couldn't be so selfish.

However, she had a vague feeling that there was someone else she cared about Yingying.

she knew in her heart that it was lan yu.

a person she had abandoned.

lin sisi's words had always been in her mind. she didn't dare to think too much about it because if she did, she would regret it and go to find lan yu.

Perhaps she had always believed in him and was just throwing a tantrum. She just didn't expect Rong Lei to come back.

come back with a shocking secret.

the night was slightly cold.

Qin Chen drove alone on the road. The wind blew through the open windows, and her face was cold.

when she touched it with her hand, she realized that her face was covered in tears.

She wondered, how did she get infected by Mumu?

mumu loved to cry when she was pregnant, and she cried like a tearful person when they were just separated.

why was she also crying now?

Qin Chen wiped his tears and smiled.

I can't bear to!

Perhaps, she would not be able to come back. Just like her respected mentor, she would no longer exist in this world.

but she still had to do it. she couldn't escape. besides rong lei, there were others.

She drove past the night bar.

she stopped the car.

She tilted her head and looked at the neon lights. Then, she made a call to Lan Yu, " "Night bar, come over for a drink."

After that, she hung up the phone.

she knew that he would definitely come.

qin chen stopped the car and slowly walked to the 24-hour pharmacy on the side of the street. he asked the salesperson, ” “take two boxes of ols. It’s the kind that’s three for a box.”

The salesgirl was about to fall asleep when a handsome and good-looking young man came to buy this thing. She instantly perked up and her whole body trembled.”what number do you want, sir?”

Thus, she sized Qin Chen up and coughed lightly. “will a medium do?”

“An extra-large one,” Qin Chen said indifferently as he took out his wallet.

the salesperson was shocked!

he sized qin chen up again and laughed dryly. ” “Sir, this number is more suitable for you. It’s safe, easy to use, and comfortable.”

qin chen placed the money on the counter, and his voice became even fainter. ” “it’s for my boyfriend, not me,”

Waa waa waa

The salesgirl’s eyes were fixed on him, and then she slowly promoted other products. Sir, do you want Mayinglong cream for hemorrhoid cream? it’s good for you. Many people say it’s good for a cool cream, especially for a super large one like your boyfriend. You’ll need it!

As the salesperson spoke, she quickly packed it up and winked.”It’s for your own good!”

Chapter 2829: you miss my body?(1)

qin chen looked at the ” ma yinglong ” and didn’t explain anything. he just packed it up and took it away.

When she went to the night sky, Lan Yu had not arrived yet. She sat down and ordered two bottles of wine.

She rarely indulged herself and almost never drank, but she wanted to get drunk tonight.

when lan yu came over, qin chen was holding a cigarette in one hand and leaning lazily on the back of the chair. he had already finished half a bottle of wine.

beside him, there were two women who were dressed in revealing clothes, and they seemed to be trying to hit on him.

lan yu went over and sent them away, then sat opposite qin chen.

...

he also lit a cigarette and took a puff. ” “Is there something you need?”

After he finished speaking, he said a little sarcastically,”shouldn’t you be busy being sweet with your lover?” or is it rong lei who misses me again?”

qin chen didn’t say anything and just poured him a glass of wine.

lan yu’s gaze was fixed on her, but he still drank the wine.

qin chen poured him another cup, and this time, lan yu stopped her hand, his gaze deep. ” “What do you mean by that?”

“are you drinking?” qin chen asked.

A cold smile appeared on Lan Yu’s face, ” “i’m not an easy man.”

“Is that so?” “then forget it,” qin chen said calmly.

She took out something from her pocket and placed it on the table. Then, she got up and was about to leave.

Lan Yu saw the familiar packaging with one look and was a little shocked.

his adam's apple moved sexily, then he grabbed her hand and said in a hoarse voice, "What do you mean by that?"

Qin Chen stopped. do you want to use them? "

She turned around and looked at him coldly.

Her eyes were focused, and her temperament was so clear that she seemed to be standing on the operating table. However, the words she said and the meaning she expressed were like aphrodisiacs.

"qin chen, sometimes i really want to pinch you to death with my own hands!" lan yu cursed in a low voice.

she laughed softly, then broke free from him and walked towards the exit.

After taking a few steps, Lan Yu caught up with Jian Jia.

in the dark corridor, he pressed her against the wall, lowered his head, and kissed her hard on the lips.

"you've won," his voice was rough and hoarse, with a hint of anger!

he treated her roughly, probably to vent his anger. in this corridor where people could appear at any time, he touched her like that.

"What about that?" qin chen's hand was wrapped around his shoulder as he panted lightly.

lan yu bit her lips hard. " i really want to bite you to death! "

his thin lips moved to her ear. " i won't put it in. "

After that, he didn't say anything else. Only his low voice sounded again and again.

Because of her restraint, she quickly hugged him tightly.

lan yu hugged her and sneered, 'you're dying so quickly, huh? It seems that Rong Lei didn't satisfy you well."

his tone wasn't good, and it was full of mockery. when he was occupying her, he deliberately said all those humiliating words to ridicule her. however, qin chen didn't care about these things. she only cared about her last night with this man.

No matter how crazy it was, she could accept Yingluo.

if the bar was chaotic, then the villa was crazy ...

lan yu actually felt that qin chen had never let go like this before. although they used to be very happy, she still had a bottom line, but tonight qin chen didn't ...

in the end, he even suspected that she had taken medicine, yingluo.

However, she kept begging him like this, and he felt his blood boil.

After a night of turmoil, everything finally returned to peace.

early in the morning.

When Lan Yu woke up, he touched Yingluo out of habit.

there was no one there.

...

He opened his eyes and looked around.

in the master bedroom, it was a mess. clothes and tissues were scattered everywhere, as well as the two boxes of used ols she had bought.

Lan Yu closed his eyes and felt a little exhausted, but he still sat up and leaned against the bed.

then, he took out a cigarette and smoked, quietly waiting for the person in the bathroom to come out.

Yes, he heard the sound of water coming from the bathroom.

when qin chen came out, he was only wearing a black shirt. he recognized it as his.

lan yu's gaze landed on her quietly, then he said indifferently, "let's talk."

Qin Chen stood at the bathroom door, not making a sound.

Lan Yu narrowed his eyes. don't tell me that it was just a one-sided affair last night.

"qin chen, if you dare to say that, i'll strangle you," he said coldly.

"Then come and strangle me to death!" Qin Chen laughed.

Lan Yu glared at her for a long time before he said coldly, "You're really good."

After he finished speaking, he stood up and walked to her, gently grabbing her collar. "Can you explain?"

qin chen looked straight at him. "because i'm unhappy to see you with huang siya, so i whined."

She paused. Huang siya is probably upstairs now. She'll be able to see us in a while. Lan Yu, do you want to do this? " or do you want me to hide?"

his gaze was deep. " did you ask her to come? "

"Right!" Qin Chen said indifferently.

her casual look angered him. his fingers moved to her chin, pinched it, and said coldly, " "Qin Chen, what exactly do you want, huh?"

he lowered his face and pressed it against hers, almost squeezing her face out of shape.

" i'll leave rong lei and huang siya. there's nothing going on between us. " he paused for a moment, and his voice was a little unwilling. " i can let you off this time. "

including the possibility that her ran ran had slept with rong lei.

This was something that Lan Yu was unwilling to accept. However, he couldn't reject her seduction. Even if it was just a little bit of hope, he couldn't reject it.

Qin Chen's fingers clenched tightly and he closed his eyes.

There was a hint of warmth in her eyes.

She wasn't sure if she wanted to cry again, but she didn't want him to see her weakness. Yes, she couldn't be dazed.

when she opened her eyes again, there was no longer any concern in them. she lowered her eyes. " lan yu, it was just an impromptu game. why take it so seriously? you know that your naivety is actually very funny. "

His eyes were fixed on her as if he wanted to see through her.

Qin Chen looked back into his eyes. He was honest, but in his eyes, he was extremely hateful.

“Very good!” He chuckled and let go of her body.

he took a step back, his gaze still on her. he smiled faintly, but bitterly. ” Qin Chen, do you know that you have a sense of superiority, just like Rong Lei? it’s like the whole world is under your feet, including my lowly self.

He looked at her quietly and said, ” “i used to be obsessed with this kind of tone, but now, i hate yingluo.”
