

Thank you 2831

Chapter 2831: you miss my body?(3)

he looked at her and asked again, ” “This is your last chance.”

Qin Chen leaned against the door and said softly, ” ” i choose to be with rong lei. maybe we will return to new York soon. ”

“so, you came here to break up with me?” lan yu laughed coldly. ” so, to you, i’m not completely useless. at least, dr. qin still cares about my health. ”

but I’m already sick of making love with a woman who looks like a man, ” he said slowly. hugging you is like hugging a piece of wood!

In fact, he was wrong. Although her body was slender and thin, it was the most perfect one he had ever seen.

At this moment, he said such hurtful words only to make himself less embarrassed.

...

Anyway, she had never cared about him or what he thought.

so, he said it very happily and ended their relationship with insincere words.

last night, we just took what we needed. I also want to compare the difference between a woman and a man. “Thank you for letting me finally confirm what kind of woman I want,” he said in a vile tone.

Qin Chen’s face turned pale.

She knew what she would hear if she provoked him, but when he said that, she was still extremely embarrassed.

at this moment, huang siya was standing at the door.

She took a deep breath and her eyes were quickly filled with tears. She called out to Lan Yu, ” “blue universe!”

Lan Yu asked softly,”will you forgive me this once?” if possible, we’ll get engaged immediately.”

he was talking to huang siya, but his eyes were fixed on qin chen.

Qin Chen’s face turned even paler.

huang siya walked in slowly. she looked up at lan yu and cried, ” “sure!”

she had just finished speaking when lan yu kissed her.

he hugged her and kissed her madly. their lips rubbed against each other, as if a layer of skin had been worn off.

Qin Chen just stood there and watched them kiss.

Her body was almost numb.

qin chen, isn’t this what you wanted?

It was actually good for him to be with Huang siya.

This was the only way to stop him from thinking about Wanwan. If something happened to her one day and she was no longer around, he wouldn’t be sad, right?

She could feel his pain and pain as he said those heartless words.

When this man was hurting her, he was also hurting himself.

But Lan Yu, one day, you will forget Yingluo.

it's just like you said, a person who's neither a man nor a woman has nothing to worry about.

qin chen raised his head and smiled gently. "Congratulations!"

she looked at huang siya and dropped the last bomb. "cousin siya, I want you to always remember that you have the man I used.

Huang siya's body froze.

at this moment, lan yu pressed her down on the bed and kissed her even more crazily.

he was about to enter the main topic.

He held up one hand, but his voice was cold."Why aren't you getting lost? do you want to watch us make love?"

He had evilly removed Huang siya's dress to reveal her feminine body, which was enough to humiliate Qin Chen.

Lan Yu looked up at her. you want to stay and watch a man and a woman do it. What's the Difference? "

his tone was filled with suppressed anger.

Qin Chen smiled faintly, then walked out.

He heard the sound of her coming downstairs, and she left in his shirt?

Chapter 2832: You miss my body?(4)

Lan Yu squinted his eyes and punched the wall above him, scaring Huang siya.

she looked at his bleeding hand and swallowed her saliva. ” “blue universe.”

“in a while, you can leave!” Lan Yu’s voice was very calm. I will compensate you with 20 million. Also, it’s impossible between us.

“any woman will do, but not you,” he said, looking at her.

why should he accept qin chen’s arrangements? he didn’t need to be affected by that woman anymore.

If she wanted to leave, then so be it. If she wanted to be with Rong Lei, then so be it. He, Yingluo, had nothing to care about.

...

lan yu laughed lightly. when did he become so laughable? he was like an innocent young man who was trying to protect his chastity for a woman. she didn’t care about this at all.

did she want to try something new before she left?

Motherf * cker!

He punched the wall in the bathroom until he heard the sound of bones cracking.

the result of his venting this time was that lan yu could no longer hold a brush. his hands could only do daily life. he didn’t care that his fine brush strokes couldn’t complete yingying. he had lost the most important thing to him, so what else did he have to care about?

Lan Yu’s life began to become a little unrestrained. Small stars and small models began to appear around him, and they often changed to a different Yingluo every week.

.....

In Rong Lei's Villa.

qin chen put on a bathrobe and lay on the recliner, slowly putting down the newspaper in his hand.

Rong Lei came out of the pool and walked to her side. He looked at her and smiled. you're still sad?
„

For the past few days, the newspapers were full of gossip about Lan Yu.

“no, i just happened to see it,” qin chen replied.

“no is correct.” Rong Lei smiled and wiped his hair with a towel. you and he are from different worlds.

qin chen looked at rong lei and asked, “what about us?” Are they from the same world?”

“of course.” Rong Lei reached out and ruffled her short hair. aren't we together now? ”

He looked at her hair and suddenly said, ” “Chenchen, keep your hair long! I like the way you look with long hair.”

qin chen's gaze was a little distant. she remembered lan yu's words that day.

he said that he'd done enough with a man. what he said back then was probably what he meant.

who would like her to be like this?

“alright, i won't cut it.” she lowered her eyes and smiled.

Rong Lei's hand held her chin and kissed her.

Qin Chen's face tilted, but he held it firmly.

in the end, she did not avoid him and accepted his kiss.

This kiss was very lingering, but it didn't make her heart throb at all. Qin Chen was tepid the whole time. He didn't resist, but he didn't get into it either.

Rong Lei finally left her lips and said in a low and hoarse voice, " "chenchen, i can wait for you, but don't make me wait too long, okay?"

"you've already waited for so many years, do you care about a few months?" qin chen smiled.

"I care!" He hugged her and she could feel his excitement. Chenchen, I really want you.

Qin Chen leaned on his shoulder and said faintly, " "ronglei, have you had anyone else?"

His body froze.

"Lin sisi said that you've slept with her, right?" Qin Chen smiled.

rong lei's expression changed slightly. the last time, he had fallen for lin sisi's trick, qianqian.

However, Lin sisi's body was indeed fascinating to men. He did not mind having sex with different women, but the one he wanted the most was still Chenchen.

that was his dream when he was young.

Even though Yingluo wasn't feminine and looked like her other self, Rong Lei was an extremely narcissistic person. He was excited just thinking about possessing his other self.

Chapter 2833: Her youth has been fed to the dogs (1)

after qin chen asked, he looked at rong lei, but he didn't say anything for a long time.

Not saying anything could be considered as a silent agreement.

Qin Chen leaned back and looked at Rong Lei quietly. "How do you feel?"

rong lei was a little embarrassed. " chencheng! "

"i'm sorry! I'm just a little curious, I didn't mean to pry into your secrets." Qin Chen smiled, then looked away from his face.

Rong Lei didn't allow her to move away. He pinched her chin and looked at her with burning eyes."Isn't your Qianqian feeling uncomfortable?"

...

"if there is, would you mind?" "if you cared, you wouldn't have slept with lin sisi," qin chen replied, lowering his eyes.

Rong Lei couldn't speak for a while.

How did their beautiful reunion end up like this?

he did not want her to know about his dark side, but his chencheng was so smart.

rong lei narrowed his eyes, and lin sisi's little face flashed in his mind.

That woman must have seduced him on purpose that night.

just to tell qin chen?

"there won't be such a thing in the future," he said with a smile.

qin chen laughed and pushed him aside to look into the distance.

He then turned back to look at him, "where's Anna?" You're not going to have sex with her anymore?"

"rong lei, do you have a harem in France?" she whispered.

She had lived in France and was very familiar with the Rong family's Zhenzhen. The men in the Rong family were all very noble and most of them had several wives and concubines. They probably did not want to waste their good looks and good genes!

at that time, there was nothing around rong lei, so qin chen thought he wouldn't have anything.

now that he was back, he had subverted her beautiful imagination and returned in a single horse.

qin chen smiled bitterly. what had she been doing all these years?

She agreed to keep her hair long not because of him, but because Hanhan wanted to be herself again.

Even if it was only for a day, she felt that it was enough.

rong lei would not know about this.

Rong Lei was stunned for a moment, then he smiled. "if you don't like her, i won't want her anymore."

He leaned over and kissed the corner of her lips. " but, chenchen, don't make me wait too long. i'm a normal man, okay? "

Qin Chen looked at him and suddenly said, "Rong Lei, do you still love me?" Or did you love him before?"

If you love someone, how could you easily do this?

she thought he was dead, but in his world, she, qin chen, was alive.

However, he had no pressure to fight with one woman after another, and he had carried forward the Rong family's style very well.

It was really a surprise, and perhaps a pleasant surprise.

this way, she could leave without any worries.

Without love, all that was left were those fake memories, and they were no different from strangers.

Qin Chen looked at Rong Lei, and his breath hurt.

This man was her entire youth. He had given her so much joy and more than ten years of pain.

However, in the end, she realized that she had never understood him.

To her, Rong Lei was like a dream of a young girl, beautiful but not real.

she laughed. she laughed at her own obsession back then. even her male outfit was a little ridiculous.

Suddenly, Qin Chen couldn't stand her clothes and wanted to change out of them.

He couldn't wait a moment longer.

"Ronglei, I'll go back first." she stood up.

Rong Lei quickly grabbed her arm. "Chenchen, are you angry?"

"I promise it won't happen again," he said in a low voice.

Chapter 2834: her youth has been fed to the dogs 2

“yes, i’m a little angry, so give me some space,” qin chen replied with a smile.

She lowered her eyes. you know that I can’t accept the tradition of your family. I can’t share a husband with others.

She held his hand and bit her lip. “i want to calm down for a few days. rong lei, you can also deal with your own things, but don’t force yourself for me. is that good?”

She raised her eyes and looked into his eyes.”I hope you’ll be happy.”

After Qin Chen finished speaking, he was in awe of his own acting skills.

She felt that she was a genius at acting. However, even though she thought this way, she still felt a little sad.

...

She had liked him for so many years, and all those years had been fed to other women.

Thinking about this, her acting became even more realistic. She directly pushed away Rong Lei’s hand and really looked a little angry.

if she wasn’t angry, rong lei would probably be suspicious of her. now that she was angry, rong lei found her angry look cute.

he wanted her to stay, but he felt that there was still a long way to go. besides, she probably wouldn’t be able to accept it in a short time after knowing about his messy affairs, so he might as well let her calm down.

rong lei let go of her and called anna to arrange the car.

when anna left, her gaze fell on qin chen's face for a few seconds.

After she left, Qin Chen looked at Rong Lei.

"This is a tradition of the rongs, and I can't change it," Rong Lei said very gently.

"You're the one who doesn't want to change! it's a man's deep-rooted bad habits." she snorted, knowing that she had the right to throw a tantrum at this time, so she picked up the water and poured it over rong lei's head.

Furthermore, it was ice water.

rong lei had never been in such a sorry state before, but he still tolerated her.

it was because she was his chenzhen, the little girl in his heart.

"Where are you going?" he smiled helplessly.

I'm just strolling around. she looked at him."don't let anyone follow me!"

after saying that, she walked straight out. of course, she didn't need the car he arranged for her. she drove her own car.

rong lei looked at her back and felt that qin chen was a little different.

She didn't look like the 24-year-old Qin Chen, but more like the 12-year-old Yingying.

his love for qin chen was real, his love for power was also real, his love for those beautiful bodies and making love was also real.

In this life, it was impossible for him to only have Qin Chen as his only woman. His family mission also did not allow him to have offspring with only one woman, ran ran.

Rong Lei picked up the red wine in front of him and took a sip. He raised his hand. Anna.

anna walked out from the dark and said in a low voice, ” “miss qin has already left. He drove away by himself.”

get someone to follow her. If she meets Lan Yu, let me know. Rong Lei’s voice was very light.

Anna didn’t immediately leave to do it, but still stood there.

“Master, I’ve found out something about miss Qin,” she said hesitantly.

rong lei looked at her, his fingers gripping the cup tightly.

anna stepped forward and played a video file for rong lei to see.

It was very dark, but from the music, it should be Ganjian bar.

However, he could vaguely see a man and a woman making love in a dark place!

the man’s panting and the woman’s soft moans were suppressed, but there was a kind of sexual tension.

rong lei couldn’t ignore that voice.

it was his chencheng.

Chapter 2835: The one Qin Chen likes is blue Universe 1

“It happened a few days ago. After miss Qin reunited with master, she had sex with Mr. Lan again.”
” i don’t know, ” anna said hesitantly. ” i don’t know if it was a coincidence or a deliberate date. ”

just as he finished speaking, his body was flung to the side by lan yu.

Anna's body fell heavily to the ground, and because she used too much force, a trace of blood flowed down the corner of her mouth.

it was bright red.

However, Anna didn't seem to care. She continued to crawl toward him and said in a low voice, "master, only anna is true to you. she has stopped loving you for a long time. master, you have to be on guard against her. don't trust her too much. you know that women can't be trusted."

The men of the Rong family would never fall in love with any woman. Only her master fell in love with a girl and became someone that no one could recognize.

...

this kind of liking, this kind of love, was fatal to her master. she must stop it.

anna's body was kicked away, and rong lei's eyes flashed with cold light as he strode toward the hall.

He had never felt any pity for a woman like Anna.

without anna, there would be many women who would be willing to warm his bed for him and be loyal to him.

As long as he beckoned them with his finger, these women would run away as if they had lost their souls.

A cold smile appeared on Rong Lei's face.

.....

Qin Chen drove directly to a high-end shopping mall in the city center, which had the best brands.

When she got out of the car and walked into the elevator, she frowned when she saw herself in the elevator.

If she went to buy women's clothes like this, would she be seen as a monster?

he felt a little awkward after taking two steps like a woman in the elevator, let alone others.

however, she still wanted to go shopping. when the time came, she would say that she bought it for her girlfriend and try it on in the changing room secretly.

qin chen thought this was the best idea.

as long as she didn't leave the changing room, no one would see her acting weird.

On the top floor, they walked into a brand. This brand didn't have a gentle and beautiful style, so Qin Chen was more accepting.

she walked closer and looked at yingying as if she was looking at her casually.

As expected, the shop assistant came over and greeted him. Sir, do you want to buy clothes for your girlfriend or your wife? "

qin chen smiled and said calmly, " "give it to my wife."

just as he finished, a voice rang out, " "Cousin, you don't know when you got married?"

qin chen was still holding the women's dress in his hand. he looked in the direction of the voice and saw huang siya.

Then, her eyes darkened. what a coincidence.

huang siya was out with her colleagues and didn't expect to see qin chen.

The shop assistant was stunned by the man in front of Yingying. He was a woman?

She looked again. It was clearly a man. Although he was very good-looking, he didn't have a hint of femininity. How could such a top-quality man be a woman?

now that huang siya had exposed him, qin chen had nothing to hide. he snorted. " i did it on purpose. are you that childish? "

huang siya sneered, 'you went to bed with lan yu because you don't want me to be with him, right? now, he has broken up with me. are you satisfied?'

"He's not suitable for you," Qin Chen said calmly.

"i only know of transvestites like you, or perhaps a demon?" huang siya didn't care about her face anymore. she was being very mean.

"What do you like about Lan Yu?" Qin Chen frowned.

in fact, even now, qin chen didn't know what he liked about lan yu.

Like?

Qin Chen was stunned.

Chapter 2836: The one Qin Chen likes is blue Universe 2

Qin Chen was stunned.

she, yingluo, liked lan yu!

She had actually ignored it.

Was it because she enjoyed his love and care at that time, so she took it for granted?

Even if they were to break up, she would still throw a tantrum, thinking that he would never forget her. She thought that even if she didn't want him, he wouldn't be able to be with her and her cousin.

however, she had never thought about how much she liked lan yu for her to let go of that pain and be willing to be with him.

...

Qin Chen suddenly took two steps back, threw the clothes in his hand aside, and quickly walked out.

She walked straight to the elevator and went downstairs to the parking lot.

huang siya was stunned for a moment and quickly followed him, but she only had time to see qin chen's face disappear in the elevator.

huang siya had a feeling that qin chen went to find lan yu, yingying.

Was she thinking of returning to Lan Yu's side?

in fact, at this moment, qin chen didn't think too much. she just wanted to find lan yu and see him.

perhaps she could say it with her own mouth, or to him, or in her heart, that she liked him.

qin chen drove to the grand hyatt corporation. when he was downstairs, the front desk lady didn't stop him because she knew him.

After Qin Chen got on the elevator, the front desk called the president's office, but it was always on the line.

"Forget it," he said. "just treat it as a surprise for the president!" the receptionist smiled.

The result was a surprise for Qin Chen.

Low and hoarse gasps could be heard as soon as the door to Lan Yu's office was pushed open.

The voice came from Lan Yu.

the person he was pressing down on was a b-list celebrity who looked a little like qin chen.

at this moment, lan yu and her were on the office table, having sex, not knowing what the world was.

that slender and long leg swayed gently, causing qin chen's heart to ache.

She looked at the scene in front of her, and her body stiffened.

He didn't even know how he should react.

She and Lan Yu no longer had anything to do with each other. He was a single man, and he could sleep with whoever he wanted. He could sleep with them anywhere. As long as he paid, there would be plenty of women throwing themselves at him. No matter what, he was good-looking and good in bed. Women would throw themselves at him, and he would not lack women.

What was she now?

qin chen's face was a little numb, hot, and cold.

she wiped her face and realized that she was crying.

She was crying again. She had cried twice for the same man. Did she like him or fall in love with him?

she smiled and squeezed out a smile that was uglier than crying. "sorry to disturb you."

then, she quickly walked out.

Only now did she know how some women felt when they caught their husbands cheating with their boyfriends.

she had always been high and mighty. she had always looked down on the world from a god's perspective. it turned out that one day, she would also fall into the dust like this.

It turned out that loving and liking someone was really not good at all.

qin chen walked quickly, but he also lost his composure.

In the office, Lan Yu's body suddenly stopped. Then, he grabbed the chin of the woman under him, and he used so much force that she almost broke.

“you dare to drug me?” His voice was cold, and he was completely awake.

He threw her away, tidied himself up, and dialed the internal line. “Come and get rid of this woman. Don't let her have the chance to leave my seed.”

He had been drugged, but it was true that he had done it with this woman.

it was even more true that qin chen had seen it.

Lan Yu sat there, his face as dark as water.

he told himself that he shouldn't pursue her anymore, because she had already made her choice.

He thought that he should catch her and ask her why she was looking for him!

Chapter 2837: Qin Chen, do you feel pain too?(1)

Qin Chen went down to the first floor and was about to open the car door when Lan Yu caught up.

his fingers held hers, his face still pale. ” “qin chen,”

Qin Chen lowered his eyes. there’s nothing more to say.

“Lan Yu, what else do you think can be explained?” she looked up at him.

” there’s nothing to explain, ” she mumbled. ” we’re not together in the first place. ”

He still did not let her go and looked at her with a frown. “What are you here for?”

...

Qin Chen raised his eyes, which were slightly red and bloodshot.

“i’m here to tell you that i’m going back to new York,” she said softly.

“yes, i’m going back to new York.” “Perhaps, I won’t be coming back,” she said with a bitter smile.

Lan Yu frowned. is that so? ”

“yes,” “now, can mr. lan yu let go?” qin chen clenched his fists.

He loosened his fingers and said in a dispirited tone, ” “It’s not what you see.”

Qin Chen didn’t reply because there was no point.

She had hurt him, and he had hurt her.

Whether their relationship was real or fake, whether he was real or fake with others, it was important, but he couldn’t say it out loud.

“let go.” qin chen’s voice was low.

lan yu looked at her and did not let go. instead, he grabbed her hand.

in an instant, her body was pressed against the car.

he narrowed his eyes. ” qin chen, you clearly like me. why did you push me out to be with that living dead, huh? ”

he pressed down on her shoulder, his dark eyes filled with anger. ” you can go with him, go to new York with him, marry him, and have children with him, but do you know him? do you know his past all these years?”

“You’re as stupid as a pig,” he spat out word by word.

With that, he kissed her on the lips.

Qin Chen was stunned.

What did he just say?

he said that she was as stupid as a pig. he said that the person she liked was him.

yes, she liked him.

But how could she say it now?

Qin Chen was a prideful man. She would never say that she liked him after he had sex with another woman.

that would be too cheap.

Besides, she really didn’t know what her future would be like, so there was no need to say it.

Tears rolled down from the corners of her eyes.

It ate away at her heart and burned his.

“chenchen.” lan yu kissed her as he muttered, ” “i’ve been drugged, i’ve never touched anyone else, just today yingluo.”

he didn’t want her to believe him, but he had to tell her.

he felt heartache when she cried, but he was more hopeful.

She did care about him, otherwise she wouldn’t have cried.

Qin Chen listened in a daze and looked into his eyes, then pushed him away.

She didn’t want Yingying to listen to this anymore, because she would waver.

She wasn’t fixated on him having sex with other women before they were together.

she had thought it through and liked him. that love came to her like a storm, and she was unable to resist it.

however, she had to push him away.

she pushed him away and backed away step by step. her face was filled with determination.”lan yu, it’s impossible between us.”

She said it was impossible, not that she didn’t like him.

There was a faint smile in her eyes. Lan Yu, just take this as my confession to you.

He slowly retreated and staggered forward.

Just then, her body was about to rush out of the road, but Qin Chen didn't notice it at all. Behind him, a car was driving over at a speed of about 80 km/H, and it didn't stop in time.

Chapter 2838: qin chen, do you feel pain too? 2

“Chenchen!” lan yu’s voice was a little hoarse, and at the same time, he was already charging towards her.

he couldn’t let anything happen to her. he couldn’t let her get even a little hurt.

Even if he was knocked into a vegetative state, it didn’t matter.

Lan Yu was already prepared to sacrifice himself, but someone else was faster than him.

that was huang siya.

he rushed out from the side and stood in front of qin chen, pushing lan yu away at the same time.

...

Everything happened in a flash.

However, there were some things that could be miscalculated.

For example, Huang siya wanted to be slightly injured, but the car lost control and staggered.

She had lost one of her legs in this scheme.

At the hospital.

In the world of purity and white, Huang siya lay quietly, her face pale.

qin chen was the main surgeon for her.

Qin Chen was wearing a mask, only revealing his eyes.

huang siya's mind was still clear even though it was a partial surgery.

Her eyes were wide open, and she felt like she was about to lose a part of her body.

her pupils shrank as she looked at qin chen quietly.

qin chen's eyes were clear.

she leaned over and said in a low voice, " siya, i'm going to start. "

In this car accident, one of Huang siya's legs had to be sawed off. The leg below the knee would be empty.

after qin chen finished, huang siya closed her eyes and a tear rolled down from the corner of her eye.

Qin Chen's hand tightened.

She had been the chief surgeon of countless people, but this was the first time she had personally amputated a family member's leg.

but she had to be yingluo.

just as she was preparing for the surgery, huang siya's voice was soft. " you must have a perverted sense of satisfaction in your heart after cutting off my leg, right? "

Qin Chen glanced at her, then at the assistant Nurse.

"the anesthetic effect has been achieved, dr. qin," the nurse said softly.

qin chen nodded.

She was a professional doctor, so she wouldn't be distracted by Huang siya's words.

when she picked up the surgical saw and cut open the broken bone and half of her leg, blood spurted out and splattered all over her face.

the smell of blood was everywhere, and huang siya's cries could be heard.

at that time, qin chen knew that huang siya had dug her own grave and buried her leg in it.

She was already missing a leg, so Qin Chen couldn't be bothered with her.

in the bloody sky, huang siya's broken leg was cut off.

.....

in the white ward.

Qin Chen was leaning against the wall, still in his Surgical Gown, which was stained with blood.

lan yu stood by her side, and no one spoke.

When Huang siya woke up, it was already ten hours later.

Night fell, and behind the lights was an endless night, as if a little devil would come to the world at any time.

huang siya's parents were there and they were by the bed, especially her mother, who kept crying.

when she woke up, she immediately grabbed her hand. " siya. "

As she said this, she started crying again, "why are you so silly!" why do you want to save a man like that?"

Qin Chen and Lan Yu's bodies were stiff, but neither of them responded.

Huang siya looked at the ceiling quietly and said in a soft voice, " "Mom, it hurts. Let me be alone for a while, okay?"

She really wanted to touch Momo's own leg, but she didn't dare to. She was afraid of touching that empty space.

Chapter 2839: qin chen, do you feel pain too?

she could not feel anything, but she knew that she had lost one of her legs.

there was nothing else.

Her mother said that she lost it for Lanyu, and she did lose it for Lanyu. If she didn't want people to hit Qin Chen, if she didn't want them to owe her, she wouldn't have stopped them ...

However, she didn't know that she would lose a leg.

huang siya's tears rolled down her face and she cried, " "all of you, get out. i don't want to see you."

her mother was stunned, then she turned to look at qin chen and lan yu. " get lost. Didn't you hear siya say she doesn't want to see you? "

...

&Nbsp; after she shouted, she suddenly changed her words. Lan Yu, siya is like this now. You should take responsibility.

“How do you want me to take responsibility?” Lan Yu asked coldly.

“Siya is doing this for you guys. How is she going to face life with one leg in the future? you must marry her!” mrs. huang said with conviction.

lan yu glanced at qin chen, and the corners of his mouth curled into a cold smile.

What a joke, Yingluo.

if huang siya crashed into a car and he had to spend the rest of his life?

He now loathed that unfortunate woman to the core, Yingluo.

he was about to speak when huang siya said softly, ” “mom, i want to talk to qin chen,”

mother huang thought that her daughter had been knocked silly, so she immediately said, ” ” are you stupid, daughter? qin chen can’t marry you. you have to let lan yu take responsibility. ”

huang siya didn’t say anything and just looked at qin chen.

“all of you can leave. i’ll talk to her.” qin chen said calmly.

originally, mother huang wanted to refuse, but qin chen, this girl, was born with a sense of superiority. mother huang couldn’t hold on for long before she went out, including lan yu.

the ward was quiet.

huang siya blinked her eyes and a string of tears ran down her cheeks.

Her voice was hoarse and filled with unwillingness.”You already know, don’t you?”

“Know what?” Qin Chen sat by the bed and asked calmly.

huang siya turned her head and looked at qin chen. ” “they know that i’m the one who asked someone to drive the car over.”

she forced a sinister smile. ” i just didn’t expect that i would lose a leg. qin chen, you must be happy now, right? ”

Qin Chen looked at her crazy face and smiled. “What’s there to be happy about? tell me.”

what? ” Huang siya was stunned. no one will fight with you for blue universe anymore, right? ”

Qin Chen’s eyes fell on Huang siya’s face, and he sighed after a long time. “Siya, is it worth it? Was it worth it to treat herself like this for a man? you weren’t like this before.”

After she finished, Huang siya turned her face away.

at this moment, she was particularly embarrassed.

Because she wanted to play mind games, but in the end, she lost one of her legs, Yingluo.

Qin Chen stood up slowly. Lan Yu and I were already separated. Siya, if you think this man will love you, then I will convince him.

She looked at Huang siya’s leg and felt empty inside.

She knew what she was going to face. She was going to face Lan Yu’s anger.

they both knew what huang siya had done, but she still asked him to marry her.

If Lan Yu didn’t give siya a chance from the start, siya wouldn’t have taken this step.

Or perhaps, such intense love could hold Lan Yu’s heart.

as long as lan yu had something to worry about, he would distance himself from her.

qin chen lowered his eyes, she was selfish, she was still thinking about lan yu.

To put it bluntly, she was just using siya at the right time.

Chapter 2840: qin chen, do you feel pain too?

When she said that, Huang siya was stunned.

with tears on her face, she looked at qin chen in disbelief. ” “I don’t believe you.”

Qin Chen didn’t say anything and just looked at her with a faint smile. “You could have had a complete life, but you destroyed it yourself.”

When she walked out and mentioned it to Lan Yu, she realized how cruel she was.

for one lan yu, she could sacrifice siya, sacrifice siya who already had one leg left.

after she finished speaking, lan yu leaned against the wall outside the ward and said with a cold face and voice, ” “qin chen, say that again.”

...

Qin Chen stared into his eyes and repeated, ” “you should marry her!”

lan yu took out a cigarette. the cigarette was a little crumpled. he smoothed it out and then lit it up. after taking a deep puff, he looked at her. “On what basis?”

qin chen’s gaze was a little straight. she watched as he smoked. he looked calm and collected, but in reality, he probably wanted to strangle her!

“no matter what, she lost a leg,” she said after a long time.

“What about me? How is doctor Qin going to compensate me for what I’ve lost?” Lan Yu couldn’t take it anymore. from the moment I was in a vegetative state, Dr. Qin seemed to have been playing with my feelings. Yingluo, until your sweetheart, Rong Lei, appeared. Okay, I can help you, but don’t you know how Huang siya’s leg was broken?”

as he spoke, he was really angry. he stepped forward and strangled her neck. ” dr. qin, you’re so smart. can’t you see through huang siya’s little trick? ”

“I can tell.” Qin Chen looked at the handsome face in front of him and said in a calm voice, ” “But she loves you.”

“Love?” lan yu smiled bitterly, ” Does the word “love” also exist in Dr. Qin’s dictionary? I’m very surprised.”

“I really want to dig out your heart and see for myself what it’s made of.”

“I won’t marry her!! He let go of her hand.

“what if i’m the one begging you, or threatening you?” “What if I give her a leg?” Qin Chen looked at him and smiled.

As soon as she finished speaking, she was slapped on the face.

It was a real and solid slap. He did not show any mercy or mercy. It was a slap with full strength.

qin chen’s face was smacked to the side, and his cheek instantly swelled up.

Lan Yu’s palm was a little numb and painful, which showed how much pain she was in.

after they got together, he treated her like a prince and pampered her like a princess. even when she chose rong lei, he never touched her.

But what was she saying now? she was using her own leg to threaten him to marry Huang siya? was she crazy?

his eyes were fixed on her eyes. there was disappointment and a touch of hatred.

The hatred was so obvious, because he had been let down.

lan yu looked at her little face and suddenly laughed. his laughter made one's hair stand on end.

he said, " chenchu, tell me you're joking. you're not thinking straight. this isn't true. "

She didn't make a sound and continued to look at him.

"say it!" his voice grew louder, almost as if his heart was being torn apart.

Not far away, there were already many people watching, but he didn't care about losing face, because he was so angry that he wanted to kill her.

"Qin Chen, it doesn't matter if you hurt me, but you can't hurt yourself!" He laughed again. This time, he laughed helplessly and bitterly, and his voice became gentler."Tell me, are you telling the truth?"
