

Thank you 2841

Chapter 2841: lan yu, i like you (1)

she knew that her answer this time would directly determine their fate.

“yes!” she closed her eyes and nodded.

lan yu stared at her, and then she was nailed to the wall ...

“Qin Chen, are you in pain?” His eyes were cold as he stared into her eyes.

Qin Chen closed his eyes. I’m a human. It’s natural for me to feel pain.

” no, ” lan yu laughed softly, ” “you’re a genius doctor, but the humanity you should have has been taken away.”

...

His hand gently caressed the swollen half of her face. “You’re so great, you think people will be grateful to you, right? Or do you think I’ll be happy, or Huang siya will be happy?”

he pinched her cheek with all his strength, not caring if she was in pain.

even if I marry her, I won’t touch her, ” he said in a hoarse voice. I’m not interested in her to begin with. Plus, she’s a woman with one leg. Qin Chen, do you think I’d be interested in making love with her? ”

Qin Chen closed his eyes and didn’t say anything.

he stared into her eyes for a long time before he finally chuckled. ” “Because she’s your cousin, because she broke a leg, you pity her, right? So, I should be responsible for the rest of her life, right?”

Qin Chen opened his eyes and looked at him.

“Tell me, is it?” his fingers pinched her cheek until it hurt, and there were obvious bruises.

“blue universe.” Her voice was weak and she could not say anything.

He looked at her and his tone softened. He said in a low and hoarse voice, ” “you didn’t want this to happen either, did you?”

she was extremely fragile and physically exhausted. what hurt the most was her heart.

For a moment, she almost regretted it. She wanted to hug him and rely on him.

she wanted to tell him the truth. she wanted to tell him that she didn’t like rong lei at all. rong lei was just a dream to her, and he was real.

her lips moved, but she hesitated to speak.

qin chen had never hesitated before, but today, she really did.

She needed to think.

“let me think about it,” he said with difficulty.

lan yu’s expression became much gentler. he reached out and touched her cheek gently, saying softly, ” “Alright, I’ll give you time.”

qin chen raised his head and looked at him, not saying anything.

lan yu looked at her face and felt guilty.

He had hit her too hard just now, but he didn't regret it. If he hadn't hit her like this, she probably wouldn't have woken up.

In the end, he brought her to her office. Qin Chen's mental state wasn't very good.

she sat on the sofa and lan yu found some medicine for her. the cool green ointment was applied on her face and she felt much better, but it was still swollen.

this was the first time she had been hit, but she did not blame him.

qin chen closed his eyes, his voice a little tired."lan yu, i want to rest for a while."

He didn't leave, but covered her with a blanket and said softly, "i'll be by your side, you should sleep well."

qin chen wanted to say something, but he stopped her. "i didn't agree. your words don't count. "

qin chen looked at his face and suddenly turned his head. he didn't say anything and just put his face in his arms.

"lan yu, don't say anything. let me hug you for a while," she said softly.

lan yu lowered his head and looked at her, but asked softly, "you like me and not rong lei, don't you?"

Chapter 2842: lan yu, i like you 2

He stroked her short hair and muttered, "those women were just trying to make you angry. Today was an accident. Chenchen, I'm sorry. I won't do it again.

Qin Chen shook his head and buried his face in his chest.

there was a slight worry between her eyebrows.

"it would be great if we were really together before rong lei showed up," she said in a low voice.

“lan yu, have you ever thought of saving your marriage from me?” she asked.

“i did, but i also thought that you wouldn’t agree, so i didn’t dare to do it.” his gaze was light and gentle.

...

Qin Chen’s gaze was a little straight, then he said very slowly, ” “Do you have a ring now? and the wedding dress, i suddenly want to try it on. i haven’t worn women’s clothes in a long time, and i suddenly want to try it on. ”

He touched the swelling on her face with his fingers and applied some medicine. It was mostly gone now.

however, she was still exhausted. although he wanted to, he still coaxed her. let’s go tomorrow, okay? Chenchen, I’ll Take You There tomorrow morning.

qin chen propped himself up and placed a hand on his shoulder. ” i want to try it on now. lanyu, i met huang siya in a women’s clothing store. ”

although she didn’t say everything, he had already guessed what she wanted to express.

He was happy, not because she wanted to be a woman, but because she seemed to want to be his woman.

his throat seemed to be blocked. he wanted to say something, but he couldn’t. he could only keep looking at her.

Qin Chen wrapped his arms around his neck. Lan Yu, can you take me there? ”

” i still want to take photos. i don’t think we’ve ever taken photos together. ” Her voice was unbelievably soft. It was a voice he had never seen before.

His heart softened. No matter how late it was, he asked his Secretary to contact a high-end wedding dress Customization Center.

He had prepared the wedding ring long ago, but he had not dared to show it to her.

He drove her to his villa.

he carefully took out the ring from the bedside table, knelt on one knee to put the cassock on her, and then kissed her finger.

Qin Chen was wearing a black shirt, looking down at him.

After that, she knelt down and kissed his Adam's apple.

Lan Yu was stunned.

Her thin lips slowly moved to his and she said in a low voice, "i want to be the blue universe with you, don't reject me."

after a series of events, both sides were physically weak, but the moment their bodies touched, they still burned like wildfire.

they were tightly entangled, drenched in sweat, and panting sexily. she called his name over and over again, xuxu.

The night was cold.

when she woke up, it was already one o'clock at night.

She was only wearing his ring as she lay in his arms and asked softly, "Are we still going?"

"Go." "As long as you want to go, I'll go with you." Lan Yu smiled.

she propped herself up and also smiled.

an hour later, qin chen was standing in front of the full-length mirror in a white haute couture wedding dress.

her short hair was combed to the back, and a white veil was draped over her head, perfectly covering her short hair.

her delicate face, which was usually too good-looking, became more three-dimensional with makeup, especially her red lips.

qin chen had a beautiful figure, so his thin shoulders were exposed, giving people the greatest room for imagination.

she was as beautiful as the holiest god, and so beautiful that she could make him tear her skirt apart and do whatever he wanted to do on the spot.

Chapter 2843: lan yu, i like you (3)

lan yu had also changed into a gown and walked slowly to her side.

He lowered his head and hugged her from behind, kissing her neck.”You’re so beautiful.”

it was not because he loved her, but because she was really beautiful.

In the past, he had imagined her in women’s clothes countless times in his mind, but she still broke through his imagination.

She was so beautiful that he felt suffocated and fascinated.

Qin Chen looked at himself in the mirror and gently stroked his head. He smiled. “you’re also very handsome.”

...

He continued to kiss her shoulder, unable to believe that God was so kind to him and had given her to him.

she had made such a choice, but he didn't have the courage to ask. he was afraid that once he asked, it would all be a bubble, a dream of his.

Qin Chen allowed him to kiss her.

she felt something wet and hot on her neck. was lan yu qianqian crying?

"let's take photos, okay?" she said softly, not daring to ask.

Lan Yu's head was buried for a long time before he lifted it up and said, " "Alright," he said.

the photographer was also one of the best in B city. he was angry when he was found out in the middle of the night, but when he saw qin chen, his temper disappeared.

there was only one photo.

Because the man was handsome and the woman was beautiful with her own style, just one face was enough to make one look charming.

The photographer felt that this was the pinnacle of his photography career, so he put away his camera and left.

"where are we going?" qin chen turned to look at lan yu.

He looked at her and suddenly reached out his hand. I'm taking you to a place.

qin chen pursed his lips and held his fingers tightly.

tonight, she would follow him wherever he went.

this was her first time in a relationship. she was finally in a relationship with lan yu, yingluo.

Walking out of the studio, there was a gorgeous carriage outside.

she looked at him in surprise.

lan yu stepped forward and took the saddle from a young man's hand. he turned around and smiled at her, "Mrs. LAN, are you willing to go on a night tour with me?"

he called her mrs. lan.

he looked at her beautiful appearance tonight and almost couldn't take his eyes off her.

he loved her, and it might have started a long time ago. it was not because she was a beautiful woman, but even when she was a man.

until now, he couldn't get out of it.

it wasn't an exaggeration to say that she was poisonous.

He looked at her quietly. Qin Chen slowly stepped forward, held his hand, and got into the carriage.

she didn't deny the way he called her and followed him.

At this moment, she had really thrown away everything. She had thrown away everything-her parents, her family, and her brother who had saved the world. She just wanted to be with him.

At this moment, Qin Chen realized how happy it was to be selfish.

She had restrained herself for too long. Since she was 12 years old, she had turned herself into a Living Dead person. But at this moment, she wanted to be herself again.

She sat in the carriage, the night wind blowing the White veil on her head. She hugged Lan Yu and shouted, ” “I like the blue universe Qianqian.”

the night wind was strong, but the eyes of the man who was confessed to were red.

he didn't say anything and just hugged her tightly, turning his head to kiss her red lips.

from then on, they were together and would never be separated.

Today was their wedding day, Yingluo.

She kept mumbling, ” Lan Yu, I like you.

every sentence he said was carved into his bones and blood, and he could no longer pull out the embarrassment.

However, in those sweet words, a tall and handsome man stood at the top.

he held the crystal glass and took a sip with restraint. then he smashed the glass against the wall opposite him.

Chapter 2844: Baby, you're very disobedient (1)

The screen shattered into pieces.

the image on the screen had also shattered into pieces.

that was his chenzhen. she kissed another man and told him that she liked yingluo.

she had finally fallen in love with someone else.

Rong Lei smiled coldly and raised his hand.

Anna appeared silently. She knelt in front of Rong Lei, unbuttoned his shirt like a loyal maid, and began to please and serve him.

...

She was his loyal slave. She knew that her master was in a bad mood and he needed a woman's comfort.

just as anna was trying her best to please him, rong lei still stood there with a cold face. the pleasure in his body didn't make him feel better at all, but instead made him more irritable.

He lowered his head and looked at the beautiful woman. He pinched her cheeks and forced her to let him go.

He lifted Anna up with one hand and raised her to his level. His voice was extremely gloomy."will you betray me?"

anna groaned in pain, her eyes wide open and her mouth in a sorry state.

she swallowed her saliva and stuttered, " "master i won't never will"

Rong Lei narrowed his eyes and looked at her beautiful face, which was slightly distorted by the pleasure just now.

after a while, he threw her down and made her lie on the ground.

he didn't say anything, but anna knew that her master needed her.

she lay on the ground and slithered over like a water snake. she clung to the man's leg and crawled over bit by bit.

she was very good at serving people, and just kneeling like this was enough to satisfy men.

However, a man in a fit of rage would not be satisfied with such service.

She was thrown onto the sofa, and then, a tall figure came over to kiss her.

anna felt like she was being torn apart. that night, she realized that her master was like a demon when he was crazy.

the night grew deeper.

rong lei got up and tidied his clothes. he only buttoned up his clothes and put on his belt, looking as elegant as ever.

anna was lying on the sofa. her back, neck, and body were full of bite marks, like bloody holes. it was a ghastly sight.

There was still a large pool of blood under her body.

at this moment, it was still flowing.

However, she still hummed excitedly and got up. She lay at Rong Lei's feet and said softly, "master, i will always be loyal to you."

rong lei's eyes were a little deep. he looked down at the woman at his feet as if she was a lowly creature.

he kicked her away and walked out.

As for Anna, she was still wriggling around like a snake, extremely excited.

at the door, rong lei's face was gloomy.

This kind of woman was so lowly, how could he be moved at all?

all of his feelings were sealed 12 years ago, when qin chen laughed in the sea of flowers.

At that time, his Chen was so innocent, and there was only him in her heart and eyes.

But now, she actually fell in love with a lowly life.

It was nothing to have a physical relationship, but she had fallen in love with that person.

Was she going to be with that person now and abandon him?

Rong Lei smiled coldly and murmured, "Chenchen, you're so disobedient. How should I treat you?"

he raised his head, "i will make you come back to me obediently and not go anywhere else in the future, yingluo."

.....

lan yu drove the carriage with her and doted on her like a princess ...

It wasn't until half past four that they returned to his villa.

Chapter 2845: Happy little bubbles (1)

in blue universe's villa, in that bedroom with starlight, they were entangled again and again.

it felt like the last time, but it also felt like the first time.

Until dawn, when he let go of her.

qin chen was still wearing the wedding dress, but it had been pulled down to her waist. she was lying there, looking beautiful beyond words.

After everything had calmed down, Lan Yu kissed her head and said in a hoarse voice, " "Have you decided?"

qin chen's face was in his arms, and he hummed in response.

...

However, she was in a daze. Could she really be so selfish?

her slender arms wrapped around lan yu's neck and she buried herself deep into his arms.

they were clearly exhausted, but they didn't want to sleep.

he lay there for a while. after he recovered, he made love with her again, and they stayed in bed for the whole day.

At seven o'clock in the evening, Lan Yu got up to make food, while Qin Chen leaned against the bed.

She didn't do anything, just lay there quietly.

Lan Yu's breath filled her nose. It was so real.

She didn't think of Rong Lei at all. It was as if his place in her heart was slowly being pushed out with her marriage with Lan Yu.

His phone rang. It was Lan Yu's phone.

she took it and did not see a name.

she picked it up. the voice on the other end was very coquettish, and the first thing she heard was ceo lan's teasing.

qin chen hung up quietly, knowing that it was his old acquaintances.

She put on one of his shirts and went downstairs.

Lan Yu was handling the ingredients and turned to look at her. “why did you come down?”

Qin Chen waved his phone. your little cutie is looking for you.

“Blacklist it for me,” Lan Yu said without even looking at it.

qin chen sat on the counter at the side. she was tall, so she went up with a little support.

she looked at him and smiled, ” “if she’s pregnant with your child, it’ll be bad.”

“There won’t be a child.” Lan Yu frowned. After thinking for a while, he still walked over and kissed her. “there’s no one else other than what you’ve seen.”

“oh,” qin chen looked at him,”can you teach me how to make curry rice?”

she only knew how to eat and never how to cook.

now that she was watching him cook, she actually wanted to learn. she didn’t seem to have made anything for him to eat. other than making coffee, she didn’t know anything else.

lan yu’s gaze landed on her face quietly and he smiled slightly, ” “Alright, come over and I’ll teach you.”

Qin Chen jumped down, but the moment he landed, he frowned.

Lan Yu chuckled and reached out to place her in front of him.

as he prepared the ingredients, he slowly told her what to order, while kissing and touching her.

“Teach him well.” Qin Chen tilted his head.

There was a hint of coyness in her voice.

lan yu's breathing was a little sluggish. then, he turned her face and kissed her deeply.

Qin Chen was stunned for a moment, then reached out and wrapped his arms around his neck, saying in a low voice, "Lan Yu, I'm hungry.

"i'm also hungry." He nibbled on the corner of her mouth gently, and his body gave her a hint.

Qin Chen bit his lip. but I'm really hungry.

"Make one before eating." He coaxed her and carried her back to the kitchen counter.

qin chen bit his lip. he had already kissed her, but she turned her head away and placed it on his shoulder. she bit him hard."you beast."

"Yes, I'm a beast." he chuckled and hugged her. he had succeeded.

He reached out and looked at her, saying in a low and hoarse voice, "aren't you dressed like this because you want me to treat you like this, huh?"

Chapter 2846: Happy little bubbles (2)

Qin Chen hugged his body and snorted."Hurry up,"

lan yu lowered his head and bit her lips. "Chenchen, you want me too, don't you?"

She raised her head and looked at him. don't say anything more, Yingluo.

She was a little domineering as she hugged him. As for Lan Yu, he was as happy as if he was something.

After the whole session, she was all sweaty. After he helped her clean up, he carried her over and taught her how to make curry rice.

because of their previous intimacy, the dishes they made were all sweet and romantic.

...

When it was ready, Qin Chen wanted to eat it, but he held her down and said in a low and hoarse voice, "Chenchen, tell me, who do you like the most in your heart?"

His tone was almost humble. He didn't ask her to forget Rong Lei now, but he asked her to have him in her heart. At least, she liked him.

Qin Chen raised his head and looked at Lan Yu.

she was silent for a while, and his face slowly sank. he pressed his fingers on her shoulder and asked softly, "It can't be just another game, right?"

"chenchen," he said bitterly, "i can't afford to play games anymore. i want to settle down. i don't want to just find a random woman. i want to settle down with you."

"i'm not happy being apart from you these days. i don't like any of those women." he shook his head. "i wanted to get them to make you angry. but seeing you with rong lei, i'm the one who's angry."

qin chen felt a little sad when he heard this.

She pursed her lips and slowly said, "Lan Yu, it's not that." &Nbsp;

She finally opened her heart to him. ronglei and I grew up together. We had the best time together.

Her face was gentle because of her reminiscing, and her voice was also a little softer. "he was eight years older than me. when i was 12, he left because of his health. i never thought he was still alive."

Qin Chen's fingers gently caressed Lan Yu's face. for the first 24 years, I did live for Him. I lost Hanhan until he appeared. I felt like I would be like this for the rest of my life. I became another him, and it was only natural. Maybe subconsciously, I lived for him.

I've never thought that there's another possibility that he's still alive. He's not what I imagined him to be. Qin Chen smiled. I don't like him anymore. Now that I think about it, I like him in the past. The Rong Lei in the past was like a dream.

Because it was too perfect, and not real.

When Lan Yu heard this, he sighed slightly. He hugged her in his arms and said in a hoarse voice, "Then What do you like about me? chenzhen, tell me, i want to hear it. "

qin chen was in his arms, smelling the faint smell of tobacco on him. after a long while, he said in a low voice, " I don't know either. You're so stupid, not smart, and you were in a vegetative state back then, but this imperfection is so real.

Lan Yu laughed in a low voice. I'm not as bad as you say. I'm not stupid!

"if you're not stupid, why would you like me?" qin chen leaned on his shoulder and buried himself in his neck, feeling an unprecedented softness.

Lan Yu patted her and smiled faintly. "yes, i'm quite stupid now that you've mentioned it."

"Blue universe!" "you bastard," she bit him.

he only laughed in a low voice and hugged her, feeling especially intimate.

qin chen's fingers wrapped around him, and he said softly, " i won't forgive you if you have another relationship with someone else."

Chapter 2847: happy little bubbles (3)

he chuckled. " there won't be any more, i promise. "

Then, he held her little face and asked softly, " "what about you, you and ronglei?"

now that they had made up, the man's bad nature came out again. he obviously overstepped his boundaries, but he was still very worried about her and Rong Lei.

However, he didn't dare to be too overbearing because this was Qin Chen, not any other woman.

"We did kiss," Qin Chen replied honestly.

"kissed?" he glared at her.

...

"Is it strange to kiss? you've done it with someone else!" Qin Chen stretched out his finger and pointed at his heart. "You used to have at least three or four women, right? I've only kissed Rong Lei, and you still want to settle the score with me now?"

Lan Yu laughed bitterly. "I wouldn't dare!"

however, what he didn't say was that those women of his were not important, but Rong Da was the one she had always liked, which was different.

he was smart enough not to say anything. instead, he served her the curry rice and watched her eat.

"Aren't you going to eat?" Qin Chen asked.

"I cooked a bowl of noodles and ate it While You Were Sleeping." he smoked a cigarette and said lightly.

Qin Chen hummed in acknowledgment and quickly finished the entire plate of rice. He was just short of licking it clean.

He knew that she could eat a lot, but he was still not used to her thin figure. A large plate of rice was not enough.

“Make me another bowl of noodles,” Qin Chen said pitifully, “just the same as what you’re eating.”

lan yu looked at her for a long time and shook his head. then, he put the cigarette between his lips and walked over to help her drink.

“Lan Yu, you’re smoking and it’s unhygienic down there.” Qin Chen held his chin.

“We even made love just now. Why don’t you say it’s unhygienic?” He took the cigarette down and glanced at her. ” also, you were the one who said i’m so real. dr. qin, have you forgotten so quickly? ”

Qin Chen didn’t say anything. He was shameless.

however, she seemed to like his shamelessness.

Because of her love for him, her heart was filled with bubbles.

he was focused on what was down there, so she ran over and hugged him from behind. she leaned over and messed with him. ” you’re not done yet? ”

lan yu looked at her speechlessly. ” you want me to carry you there again? ”

“i’ll still choose to eat noodles!” qin chen rubbed his belly and smiled at him, but he still hugged him from behind and pressed his face against his back.

Lan Yu looked up inadvertently and saw her like this through the glass.

at this moment, she didn’t look like a man at all, but a little woman who was immersed in love.

her entire body was bubbling with happiness, and this happiness was given to her by him!

lan yu smiled slightly and didn’t say anything. he sat down quietly and felt her happiness.

and his own happiness.

It was not until the noodles were ready that he said softly, "Chenchen, the noodles are ready."

"But I want to hug you right now," Qin Chen said shamelessly.

She was acting coquettishly and self-taught. She was not like this in the past, but now she was like a child in front of him. She was acting shamelessly, but she was extremely cute.

Lan Yu looked at his reflection in the glass, his eyes gentle.

"Aren't you hungry?" he asked in a softer voice.

"I want to hug you more." Her fingers even tightened a little, domineeringly not letting him move.

Lan Yu lowered his head and looked at her slender, white, and beautiful fingers.

This pair of hands had saved many people, including him.

Now, he really felt it. He was truly holding her wailing.

Chapter 2848: Happy little bubbles (4)

"Chenchen, do you love me?" he asked hoarsely.

These three words were very common, but he wanted to hear them. He was eager to hear them.

This happiness was too unreal. He was actually afraid and uneasy.

He didn't know what she was thinking, so he wanted her to say it herself. She said that he wouldn't get tired of it even if it was a night.

Qin Chen laughed. you want to hear it? ”

” mm! ” he replied, his voice even gentler than the night!

...

Qin Chen laughed and let go of him. He picked up his bowl of noodles.”but i want to eat noodles now, so i don't want to say it.”

lan yu was stunned. then, he pinched her face. ” “I really want to kill you!”

“I also want to, Mr. Lan.” she held the bowl of noodles in her hands and ate without restraint. she looked like she was extremely hungry.

he then remembered that she had not eaten for nearly 24 hours. two servings might not be enough.

he felt a little guilty, so he made her a bowl of chicken noodles and put it aside patiently for her to finish.

while qin chen ate, he looked at the steam on the broth and felt a little touched.

Whether it was now or in the past, Rong Lei had never made anything for her to eat. He didn't need it at all because of his noble status. He could eat anything he wanted. The life she lived with him was probably like a princess and prince. When she grew up, she would be like a king and Queen, but none of that was as real as these two bowls of noodles.

neither could she be as happy as these two bowls of noodles.

Qin Chen raised his eyes and looked at Lan Yu, saying softly, ” “I don't know why I like you, but I'm very happy to be with you.”

There was no need to talk about love. If they were happy together, then they should be together.

lan yu had wanted to smoke, but after hearing her words, he put the cigarette back and ruffled her hair. " i understand. "

She started to eat her noodles again. Then, she seemed to have thought of something. " by the way, lan yu, do you have time to go to the mall with me to pick out some women's clothes? i still want to have long hair, but before that, i can buy a wig, or else i'll look very weird! "

Lan Yu's heart was warm and wet. He said hoarsely, " "It's all good."

"i will also work hard to make your mother like me." Qin Chen smiled at him. She looked very pretty when she smiled.

He was the kind of good-looking that was feminine, not like the handsome young man he used to be.

"Is this considered an extra benefit?" Lan Yu laughed.

"yes, because it will make you happy," she said in a daze.

she finished the noodles, walked over, and put her arms around his shoulders. she pressed her face against his. " lan yu, as long as it makes you happy, i'll try to do it. this time, it's my turn to please you. "

"are you trying to atone for your sins?" he patted her hand. " chenchen, as long as you're happy. there's no need to change too much for me. i like it this way too! "

she blinked. " but i want to change. it's not for you. i want to be happy. "

he was speechless.

then, he had some thoughts and said hesitantly, " " chenchen, if i miss you as a man one day, can you wear a shirt again and cut your hair short for me to see? "

He coughed lightly. actually, I'm quite used to it. Yingluo, you know what I mean, right?!

Qin Chen glared at him for a long time before saying, " "Lan Yu, you're shameless!"

What he meant could not be any more obvious. He liked to do it with men.

Just thinking about it made her feel that he was extremely perverted.

Lan Yu was amused by her look and laughed softly. He ruffled her hair again, " "I'll try my best to adapt to Dr. Qin's new gender."

Chapter 2849: He wanted to protect his woman (1)

"i'm a woman, i've always been." qin chen pulled his shirt open.

yes, the rustle on it is not very obvious. I have to confirm it again. he was mocking her on purpose.

qin chen glared at him.

lan yu finally let her go and smiled, " "I was just lying to you."

He pulled her into his arms and said in a low voice, " "You're the prettiest I've ever seen."

Forehead against forehead, she suddenly became a little pretentious and snorted softly, " "the woman in your office is very full."

...

"So you're saying that you're still angry?" He kissed her lips seductively. "So you want to give me the cold shoulder? you're not going to make love with me?"

she grunted in agreement.

“I’m afraid you can’t control yourself, Chenchen.” He laughed in a low and hoarse voice.

Qin Chen reached out and patted his face. “do you think everyone is as lustful as you?”

“At least, you are.” he had already reached out to hug her and was walking straight upstairs.

“blue universe?” qin chen was uneasy.

they had done it many times, and she was a surgeon, so she naturally knew the limits of men.

Did he not want to live?

lan yu lowered his head and kissed her. he smiled warmly, ” Chenchen, I’m just carrying you upstairs to rest. Aren’t you overthinking it? ”

qin chen was speechless.

but when she went upstairs, she knew how unreliable the man’s words were. he was clearly thinking about that yingluo.

when qin chen could rest, he was already on his last breath.

as for lan yu, he was in great spirits.

just like that, they spent the weekend together until qin chen received a call saying that huang siya was making a scene in the hospital and wanted to commit suicide if she couldn’t see lan yu.

She sat on the dining chair and hung up the phone. She had lost her appetite.

“do you want to go and take a look?” he asked softly.

“You want me to go?” lan yu looked at her indifferently and slowly opened his mouth, ” based on my experience, I don’t think we’ll be able to get away if we go. Sometimes, if we can’t give them hope, we have to be cruel. Chenchen, you should understand this.

Qin Chen’s expression was blank.

He reached out to hold her little hand and said in a low voice, ” “Also, do you want me to go and see her? don’t you feel uncomfortable?”

“I will.” qin chen lowered his eyes, then smiled at him.”if you don’t want to go, then don’t go. you’re right.”

however, the atmosphere after that was different from before, and qin chen’s food wasn’t as fragrant as before.

He had seen it all, but he did not say it out loud.

In the end, Huang siya was still her family. Although they weren’t that close, she still felt uncomfortable about it. Besides, Qin Chen was a doctor and she cut off Huang siya’s leg herself.

lan yu’s heart ached for her, but he couldn’t say it out loud.

he held her hand and rubbed it. ” chenchen, i should say that i’m really sorry. ”

He didn’t handle Huang siya’s matter well, which was why it ended up like this.

“No, it’s none of your business.” Qin Chen forced a smile.

She lowered her eyes. it’s always siya who can’t think things through. She made such a choice.

the car that hit them was arranged by huang siya, but she stopped it herself. qin chen couldn’t understand what she was thinking.

There was only one life. Did she not think that there would be an accident?

lan yu didn't say anything more and held her hand. " " i'll go to the company later. do you want to go to the hospital? "

" i have to go see him, whether it's because i'm a doctor or because we're relatives. " qin chen said softly.

"i'll think of a way to make a set of artificial limbs suitable for 3D printing technology for her so that she can walk normally," she said.

This was the only thing she could do for siya. As for her mental illness, she had to slowly figure it out herself.

"do you need me to send you there?" lan yu was a little worried.

qin chen laughed,"you said it yourself. it's even worse if she sees you. if you go over like this, won't you be at the end of the line?" i can handle it. "

&Nbsp; Lan Yu nodded. I'll send you to the hospital. I'll pick you up after work.

...

qin chen looked at him and said after a while, " " i have something to do at noon. i'll come by myself at night. "

she had something to do, and he naturally understood that it was about rong lei.

she had been with rong lei before, and now that she wanted to be with him, she had to make it clear to rong lei.

lan yu frowned. " i'm worried. "

"i'm fine." qin chen smiled and placed his hand on the back of his. " "i've known him for many years, and we haven't been together for so many years. he won't force me."

She said this because she wasn't too sure herself.

Lan Yu looked at her for a long time before nodding. "alright, i'll take you home then."

qin chen responded with a grunt.

After breakfast, he sent her to the hospital.

before qin chen got out of the car, lan yu dragged her along and gave her a lot of advice. he felt like an old man and forgot that qin chen had a sharp tongue.

concern made one confused, that was probably what it was like.

qin chen had always been patient and didn't show any signs of impatience.

He finally finished what he had to say and looked at her gently."Chenchen, do you find me annoying?"

"i won't," she smiled.

Lan Yu finally let her out of the car and watched her walk towards the elevator.

He didn't leave immediately. Instead, he sat in the car and smoked, looking at her back with a faint gaze.

Qin Chen went back to his office and changed into his doctor's robe. The nurse came in and said that Huang siya was making a scene.

“did you calm down?” qin chen asked indifferently.

the young nurse was a little angry. ” the patient’s family is too overbearing. they refused to take the medicine and even threatened to jump down from the hospital building if you don’t show up. ”

“did you jump?” Qin Chen looked at the nurse.

“I’m just making noise. How can I bear to die?” the nurse pursed her lips.

“I understand, you can leave first.” Qin Chen raised his hand.

the nurse nodded, but she turned around at the door. ” “doctor qin, i’ll be outside. if you go over later, call me ran ran. i can protect you.”

Qin Chen smiled. okay.

The young nurse gave her another encouraging gesture and added,”Doctor Qin, we all think that you and Mr. Lan Yu are more compatible.”

Qin Chen was taken aback. really? ”

“Yes.” The nurse’s eyes were dreamy,”we all know you’re Wanwan.”

the nurse stuck out her tongue but did not say the word ‘woman’.

She closed the door and Qin Chen smiled.

she sat in her office and smoked a cigarette. she took huang siya’s medical record and walked out.

The nurse was still at the door. When she saw her, she immediately followed her. Dr. Qin.

Qin Chen said as they walked,”if you look like this, I really should give you a beautiful female warrior battle robe.”
