

Thank you 2861

Chapter 2861: she still chose blue universe 3

Lan Yu hugged her even tighter. He buried his face in her hair and said in a low voice, ” “chenchen, no.”

He was not an old-fashioned man who would think that it was the woman’s fault for losing her innocence. On the contrary, it was his negligence and his failure to protect her.

however, he was still very happy and glad.

Even if she didn’t say it, he could almost imagine the situation at that time.

she made his heart ache.

Lan Yu hugged her for a long time before he said in a low and hoarse voice, ” “I’ll go cook.”

...

qin chen hugged him. ” i’ll go with you. ”

He looked at him and smiled. “alright,” he said.

He carried her downstairs naturally.

qin chen sat in the dining room and watched him cook. he said softly, ” Lan Yu, I’m fine. I can protect myself. You don’t have to blame yourself.

she could tell that he was blaming himself.

lan yu turned around and gave her a comforting smile. he then said very softly, ” “i will protect you in the future.”

He was stunned for a moment, then he walked over and hugged her gently.

“promise me chenzhen,” he whispered, “don’t go see him again.”

Qin Chen rested his face on his shoulder and said, ” “I promise you.”

lan yu looked at her, pinched her face, and said softly, ” “Very well-behaved.”

Qin Chen smiled. let’s forget about Lan Yu, okay? ”

“Nothing happened. Rong Lei is injured.” She hugged him tightly.

Lan Yu’s body was a little stiff, but he didn’t show it. He only smiled. “i know,”

he cooked for her and threw the clothes in the rubbish bin upstairs after he was done. when he came back, he looked at her. “Don’t you want to go shopping? I’ll go with you.”

Qin Chen nodded and followed him into the car.

it was something they had been looking forward to for a long time, but they were all a little down because of today’s events.

Qin Chen, in particular, had a calm expression and didn’t say anything along the way.

Lan Yu parked the car in the parking lot of a shopping mall, turned his head, and whispered, ” ”
chenchen, if you’re not in a good mood, we can do it another day. ”

“No, let’s go up!” She shook her head.

she hugged his arm and smiled at him. ” “i want to go for a walk.”

she was wearing his black shirt today, which made her look more casual, but she still looked masculine.

Lan Yu smiled and leaned forward to kiss her. His voice was low and hoarse. "alright," he said.

he unbuckled his seat belt and got out of the car. then, he went around to the other side of the car and opened the door for her.

After she got out of the car, Lan Yu immediately held her hand.

Qin Chen looked over.

Lan Yu said in a low voice, " Chenchen, I don't care about those gazes.

he tightened his grip on her hand and walked into the elevator.

from this moment on, he wanted to be with her and let the whole world know that he was with qin chen.

There were a few people in the elevator. When they came in and out, everyone's eyes were on them.

not only did lan yu not avoid her, but he also put her on his shoulder.

the two of them were both good-looking, so this scene was not unbearable, but very pleasing to the eye.

Qin Chen wanted to struggle, but Lan Yu held her down. "Chenchen."

She looked up at him.

he held her hand, his eyes filled with determination.

Qin Chen smiled and held his hand.

At this moment, she felt like she was being loved.

this was probably qin chen's craziest day. she went to the women's department and tried on women's clothes one by one.

The waiter went from shock to amazement, and she slowly relaxed.

Chapter 2862: she still chose blue universe 4

The waiter went from shock to amazement, and she slowly relaxed.

casual clothes, home clothes, formal wear, small dresses, pajamas, nothing was left behind. lan yu's card was about to explode yingluo.

Qin Chen leaned on his shoulder. I only know how scary it is for a woman to squander.

After Lan Yu signed, he pinched her chin, ” “This can't even compare to the cup Set you used to have.”

Qin Chen tilted his head. so you say that men are scarier when they squander? ”

“what kind of man are you!” lan yu chuckled and pulled her down the stairs.

...

Qin Chen couldn't move along the corridor on the second floor.

“What are you looking at?”

qin chen pointed at the wigs. “will you buy them for me?”

Lan Yu's gaze stopped on the wigs for a moment and he looked sideways. “you want it?”

“yes.” She nodded her head vigorously, with a hint of coquettishness.

lan yu smiled, looked at her, and then at the wigs. finally, he took one down and put it on her.

she still had short hair, but she was very pretty. once she put it on, she looked completely different.

lan yu’s gaze was a little straight, and it took a long time before he pushed her to look in the mirror.

“Would it be weird?” Qin Chen asked with a smile.

Lan Yu didn’t say anything and only brought her to the mirror.

Her face appeared in the mirror.

qin chen held his breath. she had worn women’s clothing before, but now she couldn’t believe her hair.

“Chenchen, I like you this way.” “Very cute,” Lan Yu muttered.

qin chen turned his head. ” no one has ever called me cute. ”

“Then from now on, there will be one.” “every day.” he kissed the side of her face.

Qin Chen hugged him and didn’t say anything.

This kind of happiness and sweetness was so unreal to her.

She was afraid that he would disappear in the blink of an eye and she would return to her original self.

It turns out that being loved and truly embraced is such a happy feeling.

“Lan Yu, we will always be together, right?” She said in a low voice.

Lan Yu smiled, ” of course.

however, qin chen felt that his body was very, very cold.

That night, they went home.

on his luxurious bed, they loved each other again and again until late at night.

in the middle of the night, lan yu woke up, but there was no one beside him.

He reached out to touch it, opened his eyes, and turned on the light.

qin chen wasn't in the bedroom.

He put on his pajama pants and walked out, seeing Qin Chen standing by the living room window, smoking.

She rarely smoked, except for her favorite coffee. She was a person with extreme self-control.

However, she was smoking in the middle of the night and Lan Yu knew that she had something on her mind, and it was related to Rong Lei.

he walked over and hugged her from behind, murmuring, ” “why aren't you sleeping?”

Qin Chen tilted his head and smiled. “what about you? you can't sleep either?”

“No, you're not by my side.” He hugged her tightly and pressed his face against the side of her neck. It was a little kissing.

“Let's sleep together!” Qin Chen snuffed out his cigarette.

lan yu tilted his head and looked at her. ” chenchen. ”

“Yes, what’s wrong?” qin chen turned around and wrapped his arms around his neck.

Lan Yu pondered for a moment before slowly opening his mouth, ” “I might have a battle with Rong Lei.”

Under her gaze, he smiled bitterly. “you should know the power of the rongs in France and their businesses all over the world.”

“i’ll ask my brother to help you.” qin chen nodded.

lan yu kissed the back of her hand. ” chenchen, even if others say that i’m living off a woman, i won’t let you go. ”

Chapter 2863: He did a lot for her (1)

Lan Yu wasn’t an ignorant person. He didn’t think that the Grand Hyatt could resist the big family in France, especially Rong Lei, who might have a secret behind him.

qin chen’s face was buried in his neck, and he suddenly said in a trembling voice, ” “Lan Yu, I’m scared.”

she had never been so fragile before.

She had always been indifferent to life and death, because she had experienced too much.

But now, she was especially afraid that he would get hurt, especially when this person was someone she used to care so much about.

If Lan Yu loved to get hurt, she would blame herself.

...

Lan Yu held her in his arms and coaxed her gently, ” “don’t be afraid, chenchen. i’ll be fine.”

She looked at him. you promise? ”

he smiled. ” i promise. ”

Qin Chen went to sleep with him, but he didn't feel sleepy.

He patted her back and coaxed her as he said in a low voice, ” “chenchen, don't smoke anymore.”

“You don't like it?” She asked softly, resting her small face on his shoulder, ” “I thought you would say that I'm manly!”

Lan Yu didn't expect her to be so cheeky, so he patted her lightly. “I'm saying that we're going to have children in the future. Smoking is not good for the children.”

A child?

Qin Chen was stunned.

recently, they had been using protection, so they wouldn't have children. besides, she wouldn't allow them to have children now.

Even so, she still nodded. “alright, i won't smoke in the future.”

He kissed her in satisfaction. time to sleep.

Qin Chen closed his eyes, but he didn't fall asleep for a long time. She was afraid that he would be worried, so she didn't open her eyes.

lan yu naturally knew, but it was better for her to close her eyes and rest so that she could smoke.

The two of them had their own thoughts and didn't fall asleep until dawn.

after that, lan yu became very busy.

Even with ye mu Yun's support, Lan Yu was still surrounded by enemies.

the rong family's influence was everywhere, especially jun yue's overseas businesses, which boyi group could not reach.

Lan Yu became a flying man. Qin Chen could only see him two or three days a week, but she didn't complain and waited for him in the villa.

initially, she had wanted to fly with him, but lan yu had rejected her.

he said that it was too hard.

qin chen didn't know that lan yu was thinking about something else. he was afraid that rong lei would do something during his flight, and he was afraid that his chenchen would be implicated.

He didn't dare to put her at risk. Even if something happened to him, he wanted her to be well.

this time, it was not him and rong lei fighting for a woman. it was him, lan yu, who wanted to use his life to protect a woman. his intuition told him that rong lei not only wanted chenchen, but also his ambition.

Although he was exhausted, he did not lose completely.

Just like that, a month passed, and the situation in B city became particularly tense because of the opposition between the two sides.

The Rong family made use of their diplomatic relations, and the pressure on the Grand Hyatt Corporation increased. If it wasn't for Zhou chongguang and ye Muyun's support, it would have collapsed long ago.

at night, in the biggest club in B city.

in the private room, lan yu and ye muyun sat separately.

Ye mu Yun placed a document in front of Lan Yu and said in a low voice, ” “I hope this will be useful to you.”

Lan Yu didn't open it immediately. Instead, he lit a cigarette and smoked it slowly. the Rong family has promised Mr. Lin that they will fully support his re-election.

Ye Muyun sneered. Mr. Lin has completely forgotten that Qin Chen saved his life. He's completely ungrateful.

Chapter 2864: he sacrificed a lot for her (2)

He paused for a moment. this is evidence of the Rong family's collusion with the Lin family. The higher-ups have also noticed it. If we can defeat the Lin family, Rong Lei will have one less backer in the country, and it will be much more difficult for him to do things.

“But your business overseas might be affected. Lan Yu, have you thought about it?”

“chenchen doesn't care about that,” lan yu smiled.

his face was surprisingly gentle. ” she likes my cooking and my paintings. what i have now is enough for her to live her life in the past. however, she likes to live a more peaceful life now. ”

Ye Muyun agreed with this point. Qin Chen seemed to have changed recently. He used to be extremely luxurious, but now he seemed to have returned to the original.

he pondered for a moment. ” take these back and have a good look at them. as for your next step, think about it carefully. ”

...

Ye Muyun's voice became a little hoarse. "Rong Lei is a dangerous person. You have to be careful."

Lan Yu nodded, picked up his things, and got up. But as he held the door handle, he suddenly turned his head."big brother, i want to marry qin chen after this."

ye muyun smiled. " as long as qin chen is willing, that's fine. "

"thank you." lan yu's eyes were a little warm.

Ye mu Yun also stood up and walked over, patting Lan Yu's shoulder. "No, we should be the ones thanking you! thank you for giving chenzhen your love, thank you for not giving up on her. "

other people didn't know how much lan yu had sacrificed for qin chen, but ye muyun was very clear about it.

"because i love her. i've loved her since a long time ago." lan yu was moved.

with that, he walked out.

half a month later, due to lan yu's actions, mr. lin fell from power and was sent to prison.

mrs. lin fell ill in an instant, and lin sisi went missing.

The Rong family's domestic enterprises had withdrawn one after another, and Rong Lei had lost his original position in B city. He no longer had the ability to call the shots.

That night, Lan Yu returned to the villa.

Qin Chen was there. She was sleeping on her side. Her hair had grown a lot longer, and it was a little messy sticking to her face.

he realized that she had put on some weight.

he smiled and pinched her face. ” “little pig,”

qin chen opened his eyes, and when he saw him clearly, he reached out to hug him. ” “Lan Yu, you’re back?”

“i’m back!” His voice was hoarse.

it had been half a month since they last met.

he leaned against the headboard and pulled her into his arms. ” “did you miss me?”

“I want to!” “but you’re never coming back.”

she was very worried, but she didn’t dare to say it out loud. otherwise, he would be even more worried when he was outside.

Looking at him now, she realized that he had lost weight, a lot.

She reached out and touched his face, murmuring, ” “It’s been hard on you, isn’t it?”

He rubbed her hand a few times and then smiled. “it’s alright!”

“lan yu,” qin chen said as he hugged him.

“Chenchen.” he hugged her tightly. ” it’s all in the past. The higher-ups have given Rong Lei three days to leave the country, he won’t have the chance to hurt you again.”

Qin Chen smiled. yeah.

She knew how difficult it would be to make Mr. Lin fall. He was such a powerful figure.

if she hadn’t saved mr. lin, rong lei wouldn’t have had the chance to do this.

Lan Yu probably saw through her thoughts and smiled. “if it’s not mr. lin, there will be others.”

qin chen thought of lin sisi, but he didn’t know where she went, ran ran.

However, Qin Chen didn’t expect Madam Lin to come looking for him so quickly.

Chapter 2865: Chencheng, when are we getting married (1)

when madam lin came over, lan yu avoided her, and qin chen saw her.

Qin Chen personally brewed a cup of coffee for Mrs. Lin and placed it in front of her. He smiled.”madam has lost a lot of weight recently.”

madam lin held the cup and looked up at qin chen with a haggard expression.”Dr. Qin is a smart person. I’m sure you know why I’m here.”

Qin Chen naturally wouldn’t admit it directly, so he just smiled. “Lin sisi hasn’t been here.”

Madam Lin’s lips moved, and her expression was troubled. After a while, she said in a low voice, ” “I’m not here for sisi, I’m here for elder Lin!”

As Madam Lin spoke, her tears finally fell. Then, she knelt in front of Qin Chen and said in a tearful voice, ” Dr. Qin, I beg you to save elder Lin again. He only cooperated with Rong Lei in a moment of folly. Elder Lin’s health is not good. I’m afraid he will lose his life if he’s locked up in there.

...

Qin Chen’s heart was moved. He went forward to help Madam Lin up and lowered his eyes. ” it’s not that i don’t want to help you, madam, but i don’t want to ask about this matter. moreover, madam should also know that the cause and effect are complicated. if we have offended you in any way, we were forced to do so. ”

madam lin wiped her tears and replied,"of course i know." "I don't really understand what's going on here, but I've already advised old Lin ronglei to stay away from it. But old Lin is already so old, yet he still wants to take a position at the top. I don't blame Mr. Lan, but I'm here to beg doctor Qin to show mercy and let old Lin have a life in his later years, even if it's a fourth-or fifth-tier small town. I promise we won't appear in B city again."

Madam Lin was an extremely beautiful woman to begin with, and now that she was crying, she looked even more like a Pear Blossom bathed in rain, delicate and moving.

Qin Chen sighed in his heart. He was probably used to being a man, so he was actually protective of women now.

However, she couldn't make the decision.

a retired mr. lin wouldn't be able to stir up any waves, but she still had to listen to lan yu regarding the stakes.

She didn't agree, but she didn't reject either. She just said, " " i'll let lan yu know. madam lin, please go back first. i'll give you a reply when i have news. "

Madam Lin sighed in her heart.

She had liked Qin Chen a lot before, and now that she knew he was a woman and treated her so politely, she couldn't bear to part with him. If Dr. Qin was a man, she wouldn't have to worry so much about him being with sisi.

Madam Lin left with a tinge of regret. Qin Chen sat there and finished the rest of his coffee.

lan yu walked over and sat where madam lin had been sitting.

"I'll make you another cup of coffee!" Qin Chen said.

“alright,” he said. Lan Yu took out a cigarette from the cigarette box on the coffee table and smoked it lightly. He smiled as he watched her brew the coffee skillfully, ” “chenchen, if you don’t want to be a doctor in the future, why don’t you open a coffee shop?”

Qin Chen smiled as he fiddled with it. “you don’t like my profession?”

no, ” he shook his head. it’s just that I think you seem to prefer making coffee.

“aren’t you afraid that i’ll squander all your assets in less than half a year?” qin chen was still smiling.

think about it, if she were to sell a cup of coffee that cost a few thousand dollars for a few dozen dollars, wouldn’t he go bankrupt?

“It’s not that bad.” Lan Yu smiled.

he walked over, put the cigarette in his mouth, and hugged her from behind.

she wanted to speak, but the cigarette was still on her lips. she put it out and said in a low and hoarse voice, ” “As long As You Like It, you can’t lose it all.”

Chapter 2866: Chenchen, when are we getting married 2

“you said that?” qin chen smiled, then focused on making him a cup of excellent coffee.

lan yu took a sip and looked at her.

Qin Chen smiled and sat down with him. He hesitated for a moment before saying, ” “you heard what madam lin said just now. what do you plan to do?”

lan yu put down the cup in his hand, held her slender hand and rubbed it a few times before saying, ” “you’re soft-hearted?”

qin chen shook his head. "no, i just think that if mr. lin is no longer a bad person, it's better to do him a favor. after all, he's no longer around, but some of the powers in the circle still have people. it's better to leave some leeway."

lan yu looked at her steadily and said in a deep voice, "It's impossible for him to return to the center of power! it won't affect us in any way. chenchen, it's good that you're saying this, leave us some room for negotiation!"

...

Qin Chen smiled.

He looked at her calm expression and pinched her face. "why are you not happy? didn't you ask for it on someone else's behalf?"

She remained calm. you've said it yourself. I'm asking for it on behalf of someone else. If you want to take any benefits, you might have to ask Madam Lin or Lin sisi. As long as you don't think that Madam Lin is old or Lin sisi is causing trouble, I have no objections.

Lan Yu glared at her. I think you're the one who's causing more and more trouble.

"you probably didn't notice the look of regret on madam lin's face when she saw me," qin chen snorted.

"she still wants you to be her son-in-law?" lan yu squinted at her, then took her into his arms, his hands starting to play around. "I'll check if you have the hardware."

Qin Chen was ticklish, so he couldn't resist him. As the two of them fooled around, her shirt was pulled down from her shoulder, revealing a large area of her fair skin.

Lan Yu's eyes were slightly deep.

Qin Chen looked at him and pulled his clothes. "Don't mess around, I still have serious things to tell you."

“This is also a serious matter.”

Just as he was about to do something, the living room door was pushed open.

the person who came was none other than lan yu’s mother.

Lan Yu’s mother looked at them in a daze and was a little stunned.

Qin Chen still had short hair and was still wearing a shirt, but she felt like she was a girl at first sight.

And it’s an overly beautiful little girl, Yingluo.

lan waihu’s mother’s eyes flashed and her face turned red, ” “i’ll go downstairs and cook for you.”

With her here, how could Lan Yu continue doing this? he coughed lightly.”Mom, I’ll go!”

he paused for a moment before continuing,”you and chenchen can talk.”

he could tell that his mother was no longer against it, so he spoke at the right time.

lan waihu’s mother felt a little uncomfortable.

Qin Chen adjusted his clothes, his face a little hot. “let’s go downstairs together!”

“Auntie, do you want some coffee?” she asked.

Lan Yu knocked her head. don’t give me that. Go and make a cup of tea!

mrs. lan thought that qin chen would be angry, but she didn’t expect qin chen to just look at her son and obediently go downstairs to make tea.

She looked at Lan Yu, who was tidying his clothes, and asked quietly, ” ” is it possible to inject that estrogen in this hospital? i think this girl looks very different. ”

lan yu didn't know whether to laugh or cry,'mom, chenzhen is a girl. She just likes to wear unisex clothes.”

“that's not gender-neutral clothing, it's men's clothing,” lan yinan's mother could not help but complain.

However, she quickly shook her head. let's not talk about this. It's fine as long as you act like a little girl now.

Chapter 2867: Chenchen, when are we getting married (3)

LAN Yunxi's mother said and asked worriedly,”Can you have a child?”

Lan Yu looked at his mother. I told you, Chenchen is a girl. She's no different from any other girl.

Mrs. LAN felt more at ease after hearing his words. She sighed softly and said, ” I'm satisfied with you now! i don't need a wife to be filial, as long as you like it and live well.”

Lan Yu smiled and went down the stairs with his mother.

If Qin Chen's coffee was good, the tea would naturally be good.

Lan Ting's mother looked at her actions and was really pleased. At this time, Qin Chen looked like a noble young master. She sighed in her heart. If Lan Ting was here, Qin Chen would also be her ideal son-in-law.

...

Once she thought of her daughter, she relaxed a little about Lan Yu's matters.

now that they only had one son, the most important thing was for their son to be happy.

mrs. lan drank the tea that qin chen brewed. qin chen didn't act like a little wife at all. he was always calm, but this made mrs. lan feel more at ease.

she hadn't prepared anything when she came, but she remembered after drinking some tea. she took off a jade bracelet and put it in qin chen's hand. "I don't think you'll like this, but it's just a little token of my appreciation."

Lan Yu went to cook, and Qin Chen and mother LAN were interacting in private. She looked at the bracelet in her hand. It had an excellent color and was obviously a good thing.

"I quite like it," he said with a smile.

As she said that, she put it on.

This action was not meant to please her. It was very natural. However, Mrs. LAN was very happy. The more she looked at it, the more she liked it.

in addition to qin chen's change, huang siya, who she had found last time, was so crazy. she heard from lan yu's father that she wanted to hit qin chen and lan yu with her car and pretended to save them herself. she didn't know that she would put one of her legs on them.

This was called karma. Mrs. LAN never thought that the person she had been looking at for her entire life would fall for such a lunatic.

if lan yu were to marry her, would she still have a peaceful life?

Qin Chen was better, calm and rational!

Qin Chen turned on the TV for Mrs. LAN to watch, while he took a magazine and accompanied her. They didn't say anything unnecessary, but it was still heartwarming.

If it was in the past, Mrs. LAN would have felt that she had been neglected, but now, she knew Qin Chen's personality and knew that this was the highest level of treatment, so she was satisfied.

However, while she was satisfied, she was also secretly scolding herself for being cheap!

mrs. lan's mind was full of activity, and qin chen looked over. "is there anything else you need, auntie?"

"No, no, I'm fine!" lan waihu's mother quickly said.

Qin Chen smiled and didn't say anything else.

just as she was about to lower her head to read the magazine, lan yunxi's mother could not help but ask, "chenchen, when are you and lan yu getting married? you're still young, but lan yu isn't young anymore. a man in his early thirties should have long been a father."

Qin Chen blinked,"didn't he become a father long ago?" Isn't Yishu his son?"

her son's dark history had been dug out, and as his mother, mother lan's face did not look good either. her face darkened for a long time before she said, " "that's your brother's child. chenchen, it's not like you don't know that xuxu, lanyu, and xue 'er have been sleeping in separate beds. "

Although he explained it this way, he was cursing Lan Yu in his heart. What was he thinking back then? how could he raise someone else's wife and child as his own without the child's mother knowing?

See, now he was stabbed in the heart!

Chapter 2868: Chenchen, when are we getting married (4)

Mrs. LAN didn't know that this was actually Qin Chen's skin.

Qin Chen looked at Mrs. LAN and didn't say anything. He went back to his magazine.

LAN Yunxi's mother was so excited just now that she didn't respond. She was also quite disappointed and looked at her for a long time.

lan yu stood at the door with a fruit platter in his hand. looking at how they were getting along, he smiled and walked over.

she put down the fruit plate and looked at her mother. "mom, you haven't tasted Chenchen's venomous tongue.

of course I haven't tried it. I don't kiss her! Mrs. LAN rolled her eyes at her son.

...

After she finished speaking, LAN waihu's mother was extremely pleased with herself.

Lan Yu was stunned for a moment before he laughed.

qin chen, on the other hand, was a little annoyed and stared at him.

lan yu ignored her and looked at his mother, "Chenchen and I will get married soon. As for the date, you can discuss it with dad when you go back. Then, look at the Almanac. A month is fine.

A month?

LAN waihu's mother opened her mouth. I'm afraid that's not possible. No matter how rushed we are, it'll still take three months.

Lan Yu's fingers caressed Qin Chen's abdomen. what if you're pregnant? "

LAN waihu's mother was stunned again.

there's one?

"Don't spout nonsense," Qin Chen slapped his hand away. there's no such thing."

lan yu leaned over and said in a low voice, " you don't have to use any protection from tonight onwards. it will happen very soon. do you think you can wait for three months? "

qin chen rolled his eyes at him, then felt a little uncomfortable.

was she here to discuss the marriage with them?

she didn't seem to have agreed to marry him yet, yingluo.

lan yu smiled and held her hand. " you're not allowed to go back on your word! chenchen, i want to get married."

Qin Chen bit his lip.

"i'm going to the washroom. think about it and let me know," mrs. lan coughed lightly.

Then, he seemed to be dissatisfied and said,"young people nowadays don't even discuss such a big thing as marriage with their parents, Hanhan."

Mrs. Lan's tone was quite disappointed. The LAN family hadn't had a happy event for a long time, and she hoped to have a lively atmosphere. She didn't want to make her son and Qin Chen suffer.

besides, it would take months for her hair to grow long, right?

If her son were to marry a man at a wedding, would that image still be acceptable?

lan yunxi's mother was worried, so she turned around and asked,"Chenchen, you're going to wear a wedding dress, right?"

the moment she asked, she saw her son kissing the girl.

lan waihu's mother's face turned red.

These damn children really couldn't wait a moment longer.

Mrs. LAN left quietly and went back to discuss the marriage with her husband. She also thought about going to the Qin family to propose marriage another day.

Both sides were influential families, and they couldn't be careless about this matter. Otherwise, they would say that the LAN family didn't know etiquette.

LAN waihu's mother was only discovered half an hour later.

Qin Chen left Lan Yu's lips and said in a low voice, " did your mother eat something bad? she's been in there for half a day and hasn't come out yet.

lan yu cupped her face and continued to kiss her as he muttered, " " then we'll discuss it after she comes out of the bathroom. don't talk before that. let me kiss you properly. "

Qin Chen was speechless. Wasn't he tired of kissing?

As it turned out, men were never tired of doing these things. After two hours of kissing, he realized that his mother had left and carried her upstairs.

When everything calmed down, Qin Chen laid in his sweaty arms and poked his heart. "I think we should move to live with your parents after we get married. Otherwise, I'll be broke in the long run."

Lan Yu chuckled and bit her nose, " "i'm the one who's going to die, right? mrs. lan."

Qin Chen chuckled and didn't say anything. He just laid in his arms to rest.

Everything had become so beautiful.

she became more beautiful day by day, as if she had become a different person.

qin chen didn't go to the hospital to work and concentrated on learning flower arrangement and tea-making at home because she promised lan yu that she would quit drinking coffee.

he was so domineering. he told her to open the coffee shop, but he didn't allow her to drink coffee.

However, on second thought, she seemed to have been drinking less recently. She often poured it away after cooking it.

...

Qin Chen placed a rose in a vase and stuck out his tongue. fortunately, his family was rich enough and he could afford to waste it.

She herself had quite a lot of shares in King Entertainment, so she didn't have to worry about her life. However, Lan Yu had given her a Black Gold Card to provide for her family.

He said that he was taking care of her, so she could spend it however she wanted. Qin Chen had seen it before, and the money inside was probably enough to open fifty high-end coffee shops.

she was a little overwhelmed by the favor, but she accepted it calmly. she would have to serve mr. lan to his pleasure tonight.

this kind of life had a very slow pace. he slept until he woke up naturally, and by the time he woke up, he had already prepared breakfast.

He had left at eight o'clock, but he waited until she woke up to give her a good morning kiss and had breakfast with her before going to work. Of course, she also knew that he would go for a run in the morning.

thinking of this, qin chen's face turned slightly red-

A person who didn't sleep for more than a few hours a night, and a man who exercised a lot the entire night, had used up so much energy. Where would he find the energy to run in the morning?

Although she had doubts in her heart, she didn't dare to ask. If she did, she would be asking for trouble.

qin chen smiled, remembering that they had arranged to take wedding photos at five o'clock today. he had been quite busy recently, so he only took indoor photos and left the outdoor photos for their honeymoon.

qin chen arranged the vase and let out a long breath.

She liked her current life. Only a few days had passed, and she had even forgotten that she was a doctor.

She sniffed the Rose. The floral scent was still the best. It smelled much better than the disinfectant in the hospital.

just as she was about to prepare some simple dishes, her phone rang. she picked it up. "lan yu?"

The person on the other end was silent and did not speak for a long time.

Qin Chen was a little surprised. He looked at the caller ID and saw that it was an unknown number.

just as she was about to hang up, a voice came from the other end."chenchen, it's me."

Qin Chen's heart sank. She would never forget this voice.

it was rong lei.

she calculated in her heart. today was rong lei's last day in B city, and he had to leave tomorrow.

Thinking of this, she relaxed slightly. “is there something?”

“Chenchen, I want to see you one last time,” Rong Lei said gently.

qin chen was silent for a while before sighing.”rong lei, there’s no need to do that!”

“he’s gone even for the last time?” rong lei’s voice was low and hoarse,”chenchen, you must hate me to the core.”

“No, I didn’t,” “rong lei, it’s just that so much time has passed. we’re no longer the same as before.”

rong lei smiled lightly. ” i’ve always been like this. chenchen, you know it. you’re the only one who has changed. ”

“It’s just that you’ve fallen for someone else, that’s all.”

qin chen was a little sad. she didn’t want to have such a hostile relationship with rong lei, but it seemed that he had gone to the extreme and they had finally become strangers.

the memories that she had were not beautiful memories. they were a kind of restraint, a kind of restraint, and she began to feel uncomfortable.

Chapter 2870: i want to see you (2)

she didn’t deny it, because she really did like lan yu.

a real blue universe in real life.

rong lei was stunned.

“rong lei, you’re suitable to be respected, but what i need is life,” she murmured.

if rong lei appeared again, he would not be the high and mighty person he was when he was 20 years old, and she might not have made the same choice.

“If I can make you feel better by saying sorry, then I’m sorry,” she said in a softer voice.

...

Rong Lei’s voice became cold and hard.”do you really love him that much? you’re willing to use everything to exchange for it?”

“yes,” qin chen lowered his eyes.

on the other side, rong lei didn’t say anything more. he just breathed lightly.

it was just like when they were on the phone when they were young. when they were angry, they didn’t say anything or hang up the phone. they just breathed lightly.

After a long time, Qin Chen said in a low voice, ” “if there’s nothing else, i’ll hang up first. have a safe journey, ronglei.”

this was his last blessing.

after she hung up, she was in a daze for a long time. she looked at her phone, afraid it would ring again.

About a minute later, her phone really rang. She was a little frightened and stared at it.

however, this time, it was from lan yu. she looked at the familiar number and heaved a sigh of relief. her tone also softened, ” “blue universe.”

“Have you had lunch?” lan yu was sitting on a swivel chair in his office, holding his phone in one hand and unbuttoning his shirt with the other.

There was an indescribable joy in his expression.

Qin Chen was infected by his emotions. not yet. i'm preparing to do it. ”

“do you need me to come back and keep you company?”

“it's alright, i'm not that clingy,” she smiled.

“but i like to stick to you.” he mumbled in a low voice, but it also carried a hint. there's a meeting at two in the afternoon, and there are about three hours in the afternoon. Don't you think it's a waste of three hours, Mrs. LAN? ”

“You can use these three hours to think about how to earn more money and satisfy me!” Qin Chen snorted softly.

lan yu held his forehead and said in surprise, ” “i haven't been able to satisfy mrs. lan? looks like i'll have to work harder tonight.”

qin chen couldn't take it anymore and hung up.

However, her face was still a little hot.

She put the vase on the bedside table and admired it for a while before going to make something to eat. She knew a little about some simple dishes.

At three O 'clock in the afternoon, she wanted to go out and buy some skin care products. She didn't use these in the past, but now she had the heart to take care of Yingluo. Especially Lan Yu, who seemed to prefer soft skin. As his wife, she had to fulfill his small wish.

Qin Chen had changed into a shirt-style dress. It wasn't considered soft and beautiful, but the dress reached her knees, revealing her straight and slender calves. Her skin was very white and fine, so clear that you couldn't see any pores. Her hair was also slightly longer, making her look completely feminine. No one would mistake her for a man again.

without a doubt, she was also beautiful.

she put on her sunglasses and drove out in a white bentley. then, she walked into the shopping mall beside the wedding studio.

He had wanted to find Xue 'er, but thinking about his big brother, he just gave up.

also, forget about qin mu's tantrum. it's also inconvenient for chun mu to be pregnant now.

qin chen strolled around alone. she wasn't a person who hesitated, so she bought what she wanted in half an hour. she raised her hand to see that it was still early, so she called lan yu again, saying that he might be a little late for the meeting.

Hence, she went to the café on the first floor and ordered a glass of milk. As soon as she sat down, a slender figure sat opposite her.
