

## Thank you 291

chapter 291-do you feel pain?

his voice was hoarse. ” you still love jinrong even though he’s like this now! PEI Qiqi, your love is so great!”

Hearing Tang Yu’s cold words, PEI Qiqi knelt on one knee and couldn’t open her mouth.

Her pain was no less than his.

tang yu, you don’t know how much strength i used to leave you!

you don’t know how much i want to be in your arms for the rest of my life!

In this world, what pain could be more painful than leaving you?

Her fingers trembled as she tried to unbutton her shirt.

He undid them one by one, and he obviously couldn’t wait any longer. He suddenly grabbed her hand ...

She looked up at him and their eyes met.

tang yu’s adam’s apple bobbed. he closed his eyes, ” pei qiqi, i’m asking you one last time! Just obey?”

he didn’t allow himself to beg her anymore, so he just asked her this.

pei qiqi’s hand was held by him. as she listened to his words, it felt like a lifetime had passed.

After a long time, she gently let go of his hand. Under his gaze, she undid all her buttons and knelt down to help him undress his Kasaya.

she looked very humble, but it was the look he hated.

She leaned into his arms and kissed his neck, using the way he liked to please him and please him.

everything was like a woman who had been bought.

tang mo pushed her away and went straight to the bathroom.

PEI Qiqi fell onto the soft carpet and bit her lips.

before he closed the bathroom door, he said in a cold voice, ” next time, before you do it, wash yourself clean. don’t let me smell another man’s scent on you, because that’s very dirty! ”

As she listened to his cruel words, she felt weak in her limbs and could not stand up.

About 10 minutes later, Tang Yu came out. He was already neatly dressed and had returned to his usual appearance.

when he walked to her side, he paused and said in a very calm and cold voice, ” before i think of how to deal with you, i’ll live here, hanhan. ”

“what about you?” she looked up at him.

Tang Yu’s eyes turned even colder, ” you still care about me? ”

He sneered. this isn't something a woman who was bought should ask.  
after he finished speaking, he left without any reluctance, leaving her alone in the cold house.  
He said he wouldn't let her go, so she didn't dare to go, Yingluo.  
pei qiqi's lips curved into a desolate smile-

one day, he would get tired of it.

She slowly got up and went to the bathroom to wash herself.

She heard him say, " PEI Qiqi, your body, your entire being has someone else's smell.

she closed her eyes and let the tears fall, mixing with the hot water to wash them away.

pei qiqi, let him hate you. only when he hates you will he forget about you.

tang yu should have a perfect life and not be destroyed by you.

however, her heart ached when she gave up on him. she had convinced herself for so long before she could selfishly have hanhan.

she didn't want to give up, she didn't want to leave, she wanted him to be alone.

"tang yu." pei qiqi slowly knelt down and hugged herself.

She squatted there like an injured little animal, sobbing and wailing.

it was only in this small world that she dared to cry so freely and call his name like this.

Only then did she dare to tell herself that she loved him.

she loved tang yu. she really, really loved yingluo.

She loved him so much that she couldn't bear to see him regret it because of her ...

pei qiqi washed for an hour before she went out. her skin was almost broken.

She was wearing a bathrobe, her long wet hair draped over her shoulders. She looked into the mirror and muttered, " "Is it clean now?"

however, no one could answer her.

It was cold everywhere.

chapter 292-who is willing to let me go?

Tang Yu left. Here, there was only her and her broken heart.

pei qiqi sat on the sofa. she didn't eat or sleep. she just sat there.

At the door, there would occasionally be movements, and she would look out like an injured animal.

She was in a daze. She felt like the person outside was Tang Yu.

she felt that he would suddenly open the door and look at her, " pei qiqi, you're joking with me right? See, you're so stupid, how can you lie to me?"

he raised his eyebrows. " now, we're engaged. "

she lifted her body in the dark and reached out her little hands, wanting to hug his neck. however, she only hugged the cold air.

“Tang Yu.” she mumbled his name, her arm still not falling.

she didn’t want to give up on yingluo. she felt that he was still around.

early in the morning, a ray of sunlight shone on the sofa.

pei qiqi was only wearing her bathrobe as she lay on her stomach. the blinding sunlight fell on her little face and she uncomfortably moved her kasaya.

the sound of a key turning came from the door. pei qiqi blinked and immediately sat up.

she was a little dizzy, but her eyes were wide open as she looked at the door.

The person who came in wasn’t tang Yu but Xiao ran. Behind him were two girls who looked like maids.

Xiao ran looked at PEI Qiqi and smiled. She nodded and said, ” “It’s the president who asked me to come over and take away his personal belongings. Qiqi, I might need you to confirm it. ”

PEI Qiqi’s heart felt sour. She naturally knew what he meant by doing this.

This place was no longer his home, Yingluo.

she didn’t know what he would do to her if he did this to his things.

“Alright,” he said. She heard her own voice, then slowly walked into the changing room and opened his locker in a daze. these are all Mr. Tang’s clothes, and here’s the rustling.

she opened the small drawer. ” these are his accessories. ”

PEI Qiqi pursed her lips and opened another secret compartment, ” “This is something he gave me. Take it with you.”

“i’ll make a list and i’ll have to trouble you to bring it to him,” she said after some thought.

” the president only said that we’re moving his personal belongings, ” xiao ran said hesitantly. ” he didn’t say that we’re bringing the one he gave you along. ” plus, tang yu wouldn’t do that.

PEI Qiqi didn’t make a sound. She just went around barefooted and pulled two big boxes over for a walk.

xiao ran checked and sealed them one by one. the list was in his hands.

xiao ran looked at pei qiqi and sighed in her heart. she had always thought that pei qiqi and the president would end up together. she had never seen any couple as close as the president and pei qiqi.

” listen to me. if you still have feelings for the president, it’s not too late now. ” In the end, Xiao ran still couldn’t bear to see her like this and advised her.

how could pei qiqi not know what was good for her? she was grateful for xiao ran's intention but she had no choice.

She could not even convince herself, let alone others.

She remained silent, and Xiao ran knew that there was no turning back. It was inappropriate for her to ask too much about the private affairs of the president of Wanwan, so he did not say anything more and left.

An hour later, a black limousine slowly drove into a luxurious villa. The entire villa was in the style of a European Palace. It occupied a large area and looked outrageously large.

After driving through the colorful Stone Road with lawns on both sides, they arrived in front of the main villa after two minutes.

Chapter 293 Who's willing to let me go?(2)

it was spring in the courtyard, and the sun was shining on a cute fountain. the holy mother was holding a baby, and the water around her looked colorful and dazzling under the sun.

the rv stopped and xiao ran got out of the car. two maids carried the suitcase and walked to the main house.

In the large hall, the sound of the piano was smooth and beautiful.

Xiao ran stepped on the clean floor, hesitated for a moment, and said to the man who was playing the piano in front of the floor-to-ceiling window in a low voice, " "President, it's done."

tang yu was wearing white casual pants and a light gray sweater. he looked elegant and didn't lose any of his elegance.

Upon hearing Xiao ran's words, his slender fingers did not stop moving. He only asked indifferently, " did she say anything? "

xiao ran motioned for the two maids to put the things down and said, " "Miss PEI has also brought the things that the president gave her."

the sound of the zither suddenly stopped.

Tang Yu's fingers were placed on the piano cover. After a pause, he turned his head and looked at Xiao ran.

xiao ran's heart skipped a beat.

"Then, did she return a piece of Imperial Jade to me?" tang yu's voice was very soft and you couldn't hear any fluctuations in his emotions.

Xiao ran pursed his lips and thought for a moment. I don't think so!

she thought tang yu would ask again but he didn't say anything else. he just raised his hand and gestured for the two maids to put the things upstairs.

Xiao ran could not move forward or backward, so he stood there.

in fact, she didn't get involved in the president's private affairs, and the president didn't really let her get involved.

she guessed boldly that the reason why the president asked her to go to xia city today was because she was close to qiqi ...

There was still a trace of affection in the president's heart, or perhaps there was room for compromise!

Let's see what Qiqi will do!

Tang Yu stood up from his piano chair and slowly walked over to the sofa. He was bathed in the sunlight and looked noble and elegant, but Xiao ran thought he looked gloomy.

"this is the house where i'm going to marry qiqi. we'll still be living in xia city after the engagement. we'll come here on the weekends." tang zheng lowered his head. "i'm probably living alone now."

xiao ran didn't dare to say a word.

actually, when she walked here, she had a feeling that this place was prepared for pei qiqi.

All the decorations and decorations here were the kind that little girls would like.

floor-to-ceiling windows, piano, and sunlight in the tea room were really comfortable to the extreme.

"You go back to the company first!" tang yu's voice was calm, "i will go to work tomorrow morning."

xiao ran was relieved, but he was still a little worried ...

The president looked fine, but in fact, he had something on his mind. He was just suppressing it, and his pride made him unable to tell anyone.

after xiao ran left, tang yu opened the piano cover and continued playing.

It was a song-to Alice!

he had practiced it for a long time and was prepared to give it to her on their engagement night.

When he played it again, he actually couldn't produce that feeling!

however, he continued to play the kasaya over and over again.

if feelings could be retracted in an instant, then they weren't feelings. if he didn't love pei qiqi now, then he didn't love her!

The maid went downstairs and said respectfully, "Sir, your things have been packed.

tang mo nodded and they consciously retreated.

tang mo closed his eyes, closed the piano, got up and went upstairs.

He didn't look at his own things, but opened a box. Inside were the things he had given her.

At the very top was the cousin-in-law.

Chapter 294 Who's willing to let me go?(3)

Tang Yu's lips curved into a cold smile. He didn't even want to keep this!

he looked up and laughed at himself before closing the drawer.

at this moment, his phone rang. tang yu picked it up. it was elder lin zhennan.

“grandpa?” Tang Yu greeted him but he was well aware of elder Lin’s intentions.

Lin Zhennan’s voice was full of energy, ” Tang Yu, did you find that girl? ”

tang yu walked to the window and stood there. his voice was even more calm, ” “i found him. what’s the matter?”

Lin Zhennan coughed lightly. actually, after I thought about it, that girl is not bad either. She looks good and is obedient. She looks like a good family.

tang yu smiled faintly, ” really? ”

“you’re the one who chose her, and now that i’ve praised her, you don’t feel anything at all?” old master lin suddenly sighed. ” ” tang yu, you’ve been smart since you were young. how could you not know what grandpa was thinking about? he’s already like that to jinrong. i’m also old. how many years do i have left? ”

Tang Yu’s expression froze.

I just want to hold my grandson as soon as possible and fulfill my wish. the old man’s voice sounded particularly lonely. that girl is pregnant and throwing a tantrum, so I’ll give in a little. We can postpone the engagement.

tang yu felt a little sad because he knew lin zhennan’s character. when the younger generation made mistakes, they would not be forgiven. especially the incident between jinrong and pei huan. it was a huge blow.

But now, because of a non-existent child, his grandfather was willing to give in so much.

Grandpa, there is no child. Qiqi is not pregnant. tang yu told the truth.

lin zhennan was stunned for a moment.

tang yu thought that he would get angry but he didn’t. lin zhennan only let out an ” oh ” in disappointment then said calmly, ” then you will in the future. tang yu, if that girl still wants to be with you, don’t bully her. it’s not easy for her either. you can’t blame what happened to jinrong on her. ”

after that, he hung up the phone.

Tang Yu looked at his phone and pondered for a while.

.....

sheng yuan’s president’s office!

Tang Zheng sat upright and flipped through the documents in his hands. From Meng Qingcheng’s point of view, there was a sense of restriction.| the taste of desire.

But thinking about it, it made sense. Tang Yu hadn’t seen PEI Qiqi for half a month. It was as if she didn’t exist in his life. This wasn’t forbidden.| What did he want?

meng qingcheng coughed lightly and gathered his courage to ask, " how do you plan to deal with the one in xia city? "

tang yu didn't even look up, " what do you mean? "

"pei xiao qi!" Meng Qingcheng shrieked,"don't tell me you forgot about me!" i heard that boss pei of the pei family isn't having a good time recently."

No one knew when the news of Tang Yu and PEI Qiqi's marriage being canceled spread. One could imagine how much it affected the PEI family's company, which was on the verge of collapse. Many people wanted to step on it now.

Tang Zheng pursed his lips and finally looked up at Meng Qingcheng. "Nothing much, just like before!"

the same as before?

which past?

It took Meng Qingcheng a while to remember. That was before they first met!

In other words, if he treated PEI Qiqi like a married woman and lived in Xia city, then Tang Yu would go over and vent his anger when he had time?

"tang yu!" Meng Qingcheng turned serious, " if you don't want to continue with her, then forget it. Let the girl go!

tang mo heard this and couldn't help laughing.

he laughed a little desolately, and after a long time, he said softly, " "Qingcheng, you said to let him go? but who would be willing to let me go!"

Chapter 295 Who's willing to let me go?(4)

meng qingcheng was stunned. he didn't expect tang yan to be so deeply trapped.

In the past, even when Shen Lian climbed into Qin Anlan's bed, Tang Yu had never acted like this.

Sigh, he was still poisoned by Pei Xiao Qi. That chicken soup was poisonous.

Meng Qingcheng saw that Tang Yu wasn't in a good mood so he changed the topic, " Oh right, there's a dinner party tonight. Are you coming? "

Tang Zheng remembered that the boss of jiamei's company had come to the headquarters to study and was treating him to a meal. Xiao ran had told him about it. At first, he didn't take it to heart, but now that Meng Qingcheng mentioned it, he remembered that jiamei seemed to have a deal for PEI Zhengzhi.

8 p.m., GM hotel.

In the most luxurious private room, the lights were bright and the wine cups were hot.

Jiamei's CEO, Ning Hao, held a glass of wine and toasted Tang Yu, Zhao Yi, Meng Qingcheng, and the other higher-ups one by one. After one round, he was already a little tipsy.

Tang Yu also drank two glasses. His handsome face was a little red but he still looked noble.

Ning Hao was very satisfied that night. Not every branch company's boss had the honor to have dinner with the president. It must be the president's praise for him.

Therefore, Ning Hao was both smug and tipsy. He said with a haughty face, " " don't worry, president. I've already handed over the Pei family's matters. That little girl will come crying and begging you in less than a week! "

Tang Zheng narrowed his eyes and remained calm. What have you done? " his tone was calm and he didn't seem angry.

Jiamei's old friend immediately replied respectfully, " "I did supply them with the goods, but the Pei family can't sell them at all. I've already spoken to them, so they still have some face. Then, when the Pei family's stock is out of stock, we have to pay, right?"

This added up to tens of millions, how could he come up with it all at once?

Tang Yu's voice was cold, " CEO Ning, you did well. "

When President Ning really drank too much, everyone else sat upright and still, not daring to make a sound. Only he said very proudly, " "It's not just Jiamei; other companies are doing the same. That's why the Pei family won't be able to hold on for a month. She's just a little girl, she's easy to deal with."

Tang Yu's voice was cold, " who told you to deal with her? "

Jiamei's boss was stunned for a moment. " well, isn't that what Zhenzhen, Mr. Tang, thinks? "

Tang Mo looked at him coldly and didn't say anything. He just got up and walked to the door without looking back.

Meng Qingcheng was shocked. He stood up and said to the already listless CEO Ning, " "seriously, who gave you the guts to do this? In the past, the president served that person like a little ancestor, but now you're doing the same. The president hasn't even let go of her and you've already stepped on her. Stepping on that person is the same as stepping on the president's heart."

President Ning was stunned and stammered for a long time, but he couldn't say anything.

"You'll have a good time!" Meng Qingcheng snorted and hurriedly followed.

Zhao Yi smiled and looked at CEO Ning.

President Zhao, please give me some advice. You're an old man by President Tang's side, so you must know what he's thinking. Ning Hao almost knelt down.

Zhao Yi was still smiling. I'm not with the president like President Qingcheng. Qingcheng understands the president's mind the best, Yingluo. President Ning, prepare your resignation letter. This way, perhaps the president will not be so angry!

President Ning fell to the ground and whined.

Chapter 296-beg me!

When Tang Yu arrived at Xia city, it was already 10 pm.

The driver opened the door for him and hesitated for a moment. "Sir, do I need to wait for you here?"

“About two hours. Let’s wait here!” Tang mo said without thinking.

as he spoke, he walked in the direction of the elevator. his black clothes were hidden in the dark night.

the chauffeur looked at his back and had a suspicion in his heart. ” two hours, isn’t that just the time for a room service? ”

Tang mo stood in the elevator and looked at himself in the mirror.

he told himself that he just wanted to see how miserable she was!

The elevator door opened, and he immediately opened the door. The lights in the room were dim, and the sound of water could be heard from the bedroom.

He put down the key, slowly removed his black coat, and threw it on the sofa. Then he took out the watch on his wrist.

He nimbly walked to the bathroom.

As expected, PEI Qiqi was taking a shower when she returned. She was exhausted and would only feel better after a hot shower.

when tang zheng opened the door, she was shocked and then instinctively pulled the bath towel over to cover her body.

She stared at him with a mix of complicated emotions.

“you don’t welcome me?” Tang mo leaned against the door and didn’t go over, his voice a little cold.

pei qiqi pursed her lips, hugged the towel in her hands, and shook her head desperately.

“Then you want me to come?” his long legs took a step forward and he was already beside her.

he looked down at her. he was tall and well-dressed, which made her look like a weak little beast.

Tang Yu’s slender fingers pinched her chin and forced her to look up at him.

“What do you want me to do? Do I want to possess you?” He pulled her onto his body with one hand and held her firmly.

pei qiqi was a little embarrassed. the way he treated her was like how he treated a prostitute.

but she couldn’t refute it, because she asked for it.

From the moment she decided to leave him, she was destined to bear all of this and the way he treated her.

he looked at her and the jade cassock on her neck. his gaze became a little unpredictable and passionate.

this woman was still his woman. no matter who she loved, she was still his woman.

She was a woman that he could possess and want whenever he wanted.

This was something Jinrong couldn't do.

he probably had some wine. sex. he mercilessly took her in the bathroom, hanhan.

he wanted her in a humiliating way, without any gentleness or feelings, like a machine.

When it ended, he left her alone.

PEI Qiqi's body slowly slid down the wall and fell to the ground.

Her hair was tangled with sweat and covered half of her face.

She watched as Tang Yu took off his clothes and stood in the shower to wash his face. He didn't say a word to her.

After he was done, he walked out in a bathrobe and said to her, " wash yourself clean.

the door closed. PEI Qiqi slowly moved her body and walked over to wash herself.

she raised her head, and the warm water flowed down, covering her eyebrows and eyes. it dripped down, and everywhere was warm and dense.

After she was done, she walked out to the bedroom and took the hairdryer to blow her hair slowly.

because Tang Yu didn't like to sleep with his hair wet.

At this time, the bedroom was dimly lit. As usual, there was a light on the bedside.

in the past, he only turned on one light because he wanted her. it was a signal. but now, he probably didn't want to see her face.

Chapter 297-beg me!

PEI Qiqi sat there in her white pajamas, which made her face look even paler.

Tang Zheng was leaning on the bed and smoking. He was looking at something on his phone and didn't look at her.

in the midst of the sound of the hairdryer, she heard him ask calmly, " how have you been recently? "

PEI Qiqi was stunned. She looked at herself in the mirror. How could she look good when she was so pale?

she turned off the hairdryer and turned to look at Tang Yu.

It was only under such circumstances that she dared to look at him like that. She didn't want him to suspect that there was too much love in her eyes.

towards Tang Yu, there was love, reliance, admiration, and even worship.

he had a completely different life from her. PEI Qiqi didn't want to ruin his life.

she thought that even if he doted on her now, perhaps it was because he loved her, there were so many beautiful girls in this world, but he only had one mother!

Zhao Ke had hurt them so deeply that she didn't have the face to marry him.

One day, he would meet a girl who was not as complicated and awkward as her.

she opened her lower lip and said in a hoarse voice, ” “It’s alright!”

Tang Yu put down his phone and leaned against the headboard. His eyes were deep, ” “but i heard that you’re not that good.”

“That’s why you came to see me, right?” She asked softly, her hand gripping the comb a little tightly.

Every step she took with him was dangerous.

She was afraid that he would see through her disguise, so she didn’t dare to show any awkwardness.

She hoped that he would hate her and chase her away, but she was also afraid that he would hate her.

that gaze scared her and made her feel ashamed.

Tang Yu didn’t comment. After a while, he continued, ” you have nothing to say to me? ”

after he finished speaking, his gaze fell on her small face.

the familiar heartbeat began to speed up again. pei qiqi’s heart thumped and her breath became unstable. she even suspected that her face was burning.

in the past, she thought that tang yu was passionate about sex. but now, she realized that she could do it too!

She would want to hug him too, especially now.

She leaned into his arms and kissed him gently.

when she kissed his smooth and beautiful chin, he reached out to grab her little hand and threw her aside. ” “I don’t want it now!”

PEI Qiqi was stunned for a moment. Then, she felt a little embarrassed.

She sat by the side, pulled up her pajamas, and carefully covered her body with the blanket.

Tang Yu, on the other hand, was watching her.

under that gaze, she was extremely ashamed and angry.

As a girl, a young girl, the first time she was rejected was when their relationship was so bad.

I thought that you only had jinrong in your heart. You wanted to keep your chastity. He chuckled and reached out to pinch her chin,”PEI Qiqi, you can only lie down when I want you. Do you understand?”

She nodded her head in embarrassment.

“Also, don’t kiss me or touch me in the future, Yingluo, because I don’t need it!” he said coldly.

she quickly remembered that he had not kissed her in the bathroom.

Although he wasn't barbaric, there wasn't a trace of warmth in the process. He really thought that she could sell Hanhan.

Chapter 298 Beg me (3)

PEI Qiqi looked at him, her eyes welling up.

"do you want to cry?" He moved closer to her, so close that he could see himself in her eyes. I thought that your tears had dried up in jinrong's ward!

she closed her eyes. "can you not mention him?"

"feeling uncomfortable?" tang mo sneered, leaned back, and put out the cigarette in his hand.

PEI Qiqi lowered her head and said softly, "tang yu, can you let me go?"

He was about to put on his clothes and leave, but then he stopped.

She slowed down and went back to her original position. She was still leaning on the wall, and her eyes were fixed on the opposite wall.

after a long time, he chuckled. "let you go? pei qiqi, have you forgotten that i paid three hundred million for you?"

Of course she knew!

but she couldn't get along with him like this anymore. she would go crazy, yingluo.

She longed for him, crazily long ...

however, she wanted him to hate her ...

She would go crazy!

"I can pay you back."

"What do you want me to use?" He laughed coldly, "PEI Qiqi, don't tell me I'm using your body!

he reached out and pinched her chin, forcing her to look up at him. his eyes searched her eyes as if he was looking for something.

after a long time, he let go of her, "pei qiqi, don't even think about it!"

"If I find out that you're having an affair with another man before I get tired of you, I'll let you know the consequences of angering me." his voice was cold.

In fact, she already knew it now! she already had a hard time after angering him!

the pei family was besieged on all sides overnight.

she tried everything but to no avail. she started to suspect that without tang yu, she couldn't do anything!

since he hated her, she might as well make him hate her even more.

PEI Qiqi crawled over to him once more and urged her to ignore his orders and the rules he had set. She pressed her hand on his knee and quickly kissed his Adam's apple, using his favorite way to please him.

Tang Yu grabbed her little head, not letting her kiss him ...

his voice was hoarse and low, "pei qiqi!" There was a warning in it.

she looked up and bit his palm, "tang yu, were you satisfied just now?"

her voice was as lazy as a kitten's, and it tickled his heart.

Tang Yu stared into her eyes, "do you have something to ask of me or something?"

he always had a glimmer of hope in her, otherwise he wouldn't have asked this.

How could PEI Qiqi not know about Wanwan?

she reached out her little hand and hung it around his neck. she leaned close to his ear and said, "i beg you."

He narrowed his eyes. Although he had already expected what she would say, he was still filled with endless disappointment and even despair.

He reached out and pushed her away, his actions a little rough.

She thought he would leave, but Tang Yu lifted the blanket and looked at her with a mocking gaze, "Didn't you want to beg me? let's see what you're capable of."

pei qiqi knew what he meant. he forced her once and she was willing to be wanwan once.

But now, what was this? this was a deal.

even if she didn't consider their relationship as a deal, he probably thought so!

she lay down, lifted her hair, and put her mouth close to his ...

suddenly, he grabbed her hair and said in a hoarse voice, "Wait a moment."

PEI Qiqi was stunned. His fingers traced her neck and grabbed a thin chain. Then, he pulled the Kasaya with force.

Chapter 299 he's the only one who can bully her (part one)

The chain broke with a snap, leaving a thin bloody mark on her delicate skin!

the jade that symbolized the tang family's young madam was already in his hands!

PEI Qiqi was still in a daze. She looked at the Jade on his palm and forgot about the pain.

"You don't deserve this for doing such a lowly thing." He said coldly and put the things on the bedside table. His eyes moved back to her. "It's fine now!"

However, her entire body was cold, and she did not move at all.

tang mo sneered and ignored her. he went directly to the changing room, put on the clothes he had changed out of before, and took the jade kasaya with him when he left.

Just like he said, she didn't deserve it.

He came suddenly and left quickly, leaving PEI Qiqi sitting on the bed ...

Her fingers gently touched her neck. Her hands were stained with blood and she touched the wound.

But she didn't feel any pain at all. She touched it anxiously, looking for ...

There was nothing there!

.....

tang yu sat in the car but didn't leave immediately.

He closed his eyes, his hand still caressing the Jade. It was still warm, with her warmth and a trace of dark red blood on it.

he didn't say anything, so the chauffeur didn't dare to drive.

After a long time, Tang Yu ordered in a low voice, " go to the Rose Garden.

The driver nodded and drove the car steadily for fear that Mr. Tang would feel uncomfortable.

Mr. Tang's mood wasn't too bad when he went up, but why did his mood become so bad when he came down?

Tang Yu sat in the back seat. His fingers kept touching the Jade Kasaya in his hand.

After a long time, he suddenly picked up his phone and called Meng Qingcheng. Qingcheng, help me make arrangements. Regarding the PEI family, what they did in the past and what they will do in the future, change that Ning Hao for me. Change him to someone more sensible.

he was angry with pei qiqi, but she was still his woman, qianqian.

He was the only one who could bully his woman. No one else could!

on the other side, meng qingcheng heard this and immediately got the order, " i knew it. after you go back and drink some chicken soup, you'll immediately make up again. what do you think? " You're staying in Xia city tonight, right?"

"no, i didn't!" Tang Yu didn't say much and hung up the phone.

Meng Qingcheng was very surprised. They didn't make up, so why was he still so nice to PEI Qiqi?

Wasn't it only when one was forced into a corner that one would turn back and beg for forgiveness, crying and begging?

meng qingcheng had never loved a woman as much as tang yu did. he probably didn't know that his pride and dignity wouldn't allow him to love someone and want their love ...

but at this moment, neither meng qingcheng nor tang yu expected tang yu to do that.

It wasn't because he was forced, but because he loved her deeply!

he and she loved each other deeply, so no matter how much they went overboard, they could not go overboard!

after the call, tang yu wasn't in a good mood.

holding the jade, he thought of the words old master lin had said to him when he visited him these few days.

His Grandpa meant that he was getting on in years. Either he put up with PEI Qiqi or he found a beautiful woman to carry on the family line.

carry on the family line?

after experiencing such a wonderful feeling, how could he be willing to let his marriage be just to carry on the family line?

tang mo clenched the things in his hand and closed his eyes.

He thought of the way she knelt in front of him and his body felt a little hot. At this moment, he even looked down on himself!

Chapter 300 He's the only one who can bully her (2)

The next day, PEI Qiqi arrived at the company and Xiaowen ran over excitedly, "boss PEI, the company is finally saved.

pei qiqi looked at her, "what's wrong?"

Xiaowen was so excited that she didn't know what to do. She said, "it's jia mei. wasn't our sales channel maliciously broken before? It's back to normal now!"

PEI Qiqi was stunned. She remembered what Tang Yu asked her last night. It was obvious that he only went to Xia city because he knew.

Seeing that she was in a daze, Xiaowen reached out and pulled her arm. boss PEI, some other orders and partner companies have called. They have all been restored.

"that's great, we've fought a beautiful turnaround!" Little Wen's morale was high, and she waved her fist.

PEI Qiqi pursed her lips and walked back to her office. After she sat down, she pondered, "Little Wen, we didn't do anything, Yingluo!"

She had to reflect on herself. Without Tang Yu, if no one gave him face, she couldn't do anything.

To put it bluntly, in the mall, she was just a child who had not yet grown hair on her mouth.

Xiaowen's face fell. boss PEI, why are you trying to ruin your own reputation?"

pei qiqi smiled, "no, i just feel that i can't rely on other people's charity to survive."

"of course, but it's not charity. it's yingluo." xiaowen tried to beautify it, but she couldn't think of anything.

PEI Qiqi didn't say anything. She just flipped through the documents on the table.

she had to open up new clients or old clients to win their trust again.

She didn't want to leave Tang Yu one day and live such a pitiful life. In her heart, there was still a tiny bit of hope.

the girl tang mo loved must be strong, beautiful, and worthy of him.

Even if she was unable to stand by his side and spend the rest of her life with him.

however, she hoped that when she saw him, she didn't need to look up to him or be sneaky.

pei qiqi also admitted that such thoughts were laughable.

She still had such thoughts about leaving him!

she wanted to leave him and still wanted to see him!

Yes, she was so disappointing. She missed him so much!

pei qiqi became busier. often, by the time she returned to xia city, it was already one o'clock at night.

Since she was alone, Hanhan would often fall asleep in the taxi.

when she woke up, she was already in xia city.

later on, she decided to learn che junjun herself and spent two months.

She bought a white ximi. The first time she was on the road, her hands and feet were cold, and she was trembling at a loss.

But when she drove the car steadily, she was as happy as a child learning to walk.

She really wanted to tell Tang Yu that she knew how to drive, Yingluo.

however, she had no way of seeing him because she had not seen him for nearly three months.

Occasionally, she would see him on the news. Most of them were official events, and Xiao ran would always be by his side.

PEI Qiqi's eyes heated up as she looked at him. She kept mumbling, " "This is good."

She missed him and hoped that he would come, but she felt that it was good that he didn't come.

Did he forget about her as he kept being cold like this, and then he found himself a new love?

pei qiqi, it's better for him to forget you than to hurt him, yingluo.

I'd rather he loves you less and you love him more.

all the harm, all the pain, he had to bear it alone.

in any case, no matter how much pain she felt, it did not matter to her.
