

## Thank you 2911

Chapter 2911: That's right, I'm crazy!

lan yu drove back to the city early in the morning because he was crazy about you. he originally wanted to drive back to the villa.

However, he drove the car to the apartment where Qin Chen used to live.

That place had never been sold, and it had always been taken care of. He had heard from the side, but he had never been there because no one lived there.

lan yu's car was parked downstairs. the sky was bright and everything was still hazy, especially the roucous sun.

He didn't get out of the car and just sat in the car, smoking quietly.

He knew that he should have driven the car away immediately, or he should not have come in the first place.

...

but he couldn't control himself. he hated her, but he also thought of her.

Lan Yu leaned back in his seat and turned on the sound system.

As she listened, she felt a little sleepy. She gently tilted her head to the side and closed her eyes to sleep.

When Qin Chen returned from his run, he saw a flashy sports car downstairs, and the man sitting in the car was even more flashy.

He was very good-looking, but he looked a little gloomy, as if he had been unhappy for a long time or his sex life was not in harmony.

qin chen recognized him. his name was lan yu, the president of the grand hyatt. his girlfriend was the one called lu wei from yesterday.

qin chen looked at her and was about to run over.

Rong Yue was still waiting at home for the breakfast she had bought.

all these years, she had not trained her cooking skills. so, when she was alone with rong yue, she could only eat outside with him.

at this moment, she had soy milk and deep-fried dough sticks in her hands. it was a very friendly breakfast, but rong yue liked it very much.

At this moment, the man who had been sleeping with his eyes closed suddenly opened his eyes. She was a little close to him, and their eyes met.

qin chen's lips twitched slightly. he didn't say hello and walked directly into the entrance, ignoring lan yu.

lan yu's eyes turned red.

before his rationality returned, he had already opened the door and gotten out of the car. he stopped her before she entered the elevator and pressed her against the wall at the entrance of the elevator.

Qin Chen was wearing sportswear, his brown hair tied up casually, and his face was red from the exercise.

It was as if every pore on her body was exuding estrogen, completely different from the androgynous Qin Chen of the past.

at this moment, her femininity was so natural, as if she was born like this.

Lan Yu was holding her down, his eyes red. He said sternly, " "why did you come back? Is it because he's dead, so he came back to me as a backup? hmm?"

his words were not a question, but a judgment.

with that, he lowered his head and kissed her hard on the lips as a punishment for yingying.

he kissed her thoroughly and had her under complete control. no matter how she struggled, he had a way to control her.

no one would feel good if they were to kiss unwillingly, especially when her lips were almost torn from his biting. he was not any better, and the tip of his tongue almost broke.

lan yu panted and let go of her slightly before he wanted to kiss her again.

His face, however, was stunned by the slap.

Qin Chen's gaze was unfamiliar, and his voice was cold."I don't know if you're a spare tire, but I'm sure you're crazy, Yingluo."

These words had completely infuriated him.

He pinched her chin and said coldly, " "Crazy? yes, i'm crazy."

He moved closer to her and deliberately bit her lips very slowly and forcefully. Suddenly, blood oozed down her lips and dripped down.

It was a little fierce, but it was more ambiguous!

Lan Yu released her lips, his eyes filled with madness."What do you know? do you know the endless pain of waiting? do you know what it feels like to be in so much pain that you can't sleep every night? no, you don't know! or, you can say that you've forgotten. that's great, one word of forgetting can erase all your anger."

Chapter 2912: yes, i'm crazy! i'm crazy for you 2

Qin Chen wiped his lower lip, then glared at the man in front of him.

she was sure that this was the second time they had met. however, the person in front of her not only acted rudely, but also said such strange words.

” mr. lan, have we ever had any disputes? ” she frowned.

Lan Yu's eyes were filled with heartache as he kept looking at her. After a long time, he said in a low and hoarse voice, ” “what do you think?”

there was a hint of confusion on her face. ” it seems that i have lost a part of my memory, but judging from mr. lan's attitude, it doesn't seem to be a good memory. in that case, i suggest that we forget about it. ”

qin chen paused for a moment. ” also, since mr. lan already has a girlfriend, he shouldn't be a chaste person, so there's no need to lose the present for the past. ”

...

she spoke quickly, but lan yu's expression was already ugly to the extreme.

he looked at her.

she was right in front of him.

It was out of reach.

He laughed softly at himself. you seem to be the same as before. You can still make people suffer.

once, he was deeply fascinated by it, but at this moment, he was powerless.

He was deeply disgusted with himself for being so persistent with her.

Lan Yu took a step back and leaned against the opposite wall. He took out a cigarette, lit it, and smoked it, his gaze deep.

qin chen wanted to leave, but his body moved. at this time, he opened his mouth and said in a very soft voice, "Chenchen, I've decided to officially start with Lu Wei.

Officially start?

qin chen's eyes flashed with surprise, and his heart throbbed.

he called her chenchen.

he said that he and lu wei hadn't even started their relationship yet. was he going to get married now?

other than her heart throbbing, there was also a touch of pain.

she didn't understand why she would feel this way. he was clearly an irrelevant person, so why did she feel pain?

She closed her eyes slightly and said in a low voice, "it couldn't be better."

With that, she walked towards the elevator.

"it's indeed the best." the man behind her repeated her words. then, he straightened his body and walked toward the sunlight outside. after two steps, he stopped."you're still the same as before, heartless."

qin chen tilted his head and looked at him.

lan yu was the same.

When their eyes met, one was unfamiliar, the other was heartbroken.

In the end, he still left quickly.

Qin Chen had been standing there the whole time, and only when the sound of his car starting rang out did he notice that the youtiao and soy milk in his hands were gone.

He turned around to look, but he couldn't find it!

She had no choice but to go out and buy another set. When she pushed the door open, she smelled the fragrance of milk.

it was the smell that belonged to little rong yue.

qin chen smiled and walked into the children's room. he looked at the sleeping piglet and couldn't help shaking his head.

little rong yue was very lazy and especially liked to sleep.

Qin Chen felt that Xiao rongyue wasn't like her or Rong Lei. He was more like someone in their family ...

Tang Xue 'er.

in fact, xue 'er and rong yue were not blood-related, but for some reason, they were very similar.

qin chen placed the breakfast in the kitchen and returned to the master bedroom to take a shower.

she couldn't help but touch her lower lip when she was taking a shower, feeling that her lips were a little hot.

That kiss replayed in her mind over and over again, all the way to her face and her body.

he reached out to lower the temperature of the water, and his burning body finally cooled down.

however, as the water flowed through his body, a crazy scene flashed through his mind.

every scene was of her hugging and kissing a man, and even entwining in bed.

The sweat and the intimate panting made her blush and her heart race.

Chapter 2913: that's right, i'm crazy! crazy for you (3)

qin chen suddenly opened his eyes, his breath in a mess.

What happened to her just now?

why did she think of that?

Who was that man?

Would it be Rong Lei or someone else?

She refused to think that it was someone else, let alone Lan Yu ...

...

stepping out of the bathroom, she took a bath towel, wiped her body, put on a bathrobe, and walked into the children's room, refreshed.

ever since she stepped into the modeling industry a year ago, she began to live a life of flying. however, after she was done with fashion week, she would take little rong yue from her parents' place and live in her apartment.

xiao rong yue was very obedient and also a little stupidly cute. he didn't seem to be picky.

qin chen thought of his son, and a faint smile appeared on the corner of his mouth.

She vaguely understood that she seemed to have lost a part of her memory, and this part was very likely related to the man called Lan Yu. But as she said, he already had a girlfriend, so it was really not suitable for them to be together again. Besides, she was sure that she was married to Rong Lei and had given birth to Rong Yue.

let's do this!

everyone was well!

qin chen thought about it, then sat on the bed and rubbed his son's head. "little lazy pig, you can get up now."

xiao rong was sleeping very soundly. she was wearing a set of one-piece bear pajamas. her facial features were extremely delicate. her sweet sleeping appearance was even more beautiful.

Any parent who saw such a good-looking son would not be able to help but look at him for a while longer and would allow him to sleep a little longer.

qin chen called out a few times, but the little guy didn't seem to be waking up. she simply went out to do her own yoga while waiting for little rong yue.

in the large living room, qin chen played some music, and shu shu slowly relaxed. she stretched her body and enjoyed the relaxing feeling.

she liked this feeling. she liked the peaceful life after work and the feeling of relaxation.

After about half an hour, Xiao Rong Yue ran out in his pajamas.

The little girl ran out with the smell of milk and threw herself into Qin Chen's arms. She called out softly, "Mom."

then, she buried her face in qin chen's arms and didn't move for a long time.

"what's wrong, baby?" qin chen lowered his head and smiled.

The little man in her arms hugged her neck tightly and said, embarrassed, "I want to pee."

qin chen picked him up and scratched little rong yue's nose. "You can't take off your pajamas again?"

Xiao Rong lowered her head in embarrassment ...

Qin Chen sighed again. She looked like Xue 'er.

tang xue 'er had a huge influence in the qin family. ever since she joined the qin family, it seemed that all the children of the qin family were fake xue' er!

just thinking about it made qin chen shiver and feel terrible!

She shook her head and carried the little guy to the bathroom. She gently unbuttoned his shirt and taught him again.

xiao rong yue looked at her with a confused expression.

"i knew you still wouldn't." qin chen felt dizzy and reached out to knock his forehead. "i'll buy you a two-piece set of pajamas in the future."

However, little Rong Yue was very insistent. baby likes Little Bear pajamas.

"new pajamas. mommy will buy teddy bear pajamas too, okay?" qin chen coaxed him gently.

Her face was filled with motherly gentleness, no longer as sharp as before.

however, the little person was very insistent.”but baby only likes this one. i don’t like anything else.”

this kind of stubborn love made qin chen dazed for a moment, and he immediately thought of the man who appeared this morning.

Was he also a kind of bigoted towards her?

Chapter 2914: xiao rongyue calls lan yu “daddy” 1

qin chen was in a daze. the little guy had already finished using the toilet, and his face was red like a kitten’s. ” “mom.”

Qin Chen smiled, reached out, and tidied his clothes for him, then carried him to brush his teeth and wash his face.

the little guy insisted on doing these things by himself, and qin chen also felt that it was good for children to develop the habit of being independent.

However, little Rong Yue was only willing to brush his teeth and wash his face. He was completely like Xue ‘er in everything else.

however, he was still young and could be taught slowly. moreover, little rong yue looked cute and clean, so everyone was willing to dote on him.

qin chen was no exception.

...

She carried the little guy to the kitchen and couldn’t help but smile when she saw him eating so happily.

she was very happy now.

it seemed that rong lei's departure was not sad to her, and little rong yue had never expressed that he wanted a father.

Qin Chen patted his son's head. Where do you want to go today? "

Little Rong Yue tilted his head and thought, baby only wants mommy.

Although she didn't answer the question directly, it still warmed Qin Chen's heart. A smile flashed across her eyes, and she thought about it. "Shall we go to your uncle Zhao's restaurant?"

little rong yue tilted his head-

"uncle zhao, can you play the piano?"

"Mom, will you give me some desserts?"

"uncle zhao, do you like aunt mu?"

qin chen's face darkened,"rongyue, don't talk nonsense." otherwise, your aunt zhao will be unhappy."

Xiao Rong blinked his eyes and said very slowly, " then why didn't his girlfriend be unhappy when the uncle looked at mom like that in front of his girlfriend yesterday? "

qin chen looked at his son.

She was speechless.

Wasn't her son only three years old? wasn't he as soft and cute as Xue 'er?

Why was he able to say such sharp words at such a critical moment?

Qin Chen automatically ignored her. mom doesn't know that uncle.

“But that uncle likes mommy.” xiao rong yue hit the nail on the head.

the auntie from yesterday looked like she was on the verge of tears, yingying.

qin chen bent down, his gaze leveled with xiao rongyue’s. she said in a soft voice, ” “yueyue, don’t mention this topic again. Do you know that?”

“mom, you were the one who said that we can’t run away when we encounter a problem and we have to solve it.” The little one was very stubborn.

“that uncle isn’t mom’s problem.” qin chen pointed at his nose.

Little Rong Yue nodded again,”yes, that uncle has to deal with Yingluo himself.”

The little guy raised his head and looked at Qin Chen. “but what if she comes to find mom again? isn’t it mom’s problem again?”

Qin Chen was speechless.

Fortunately, the little guy didn’t continue and jumped off the chair.

it was because his latest cartoon was playing yingluo.

qin chen heaved a sigh of relief. he cleaned up his son’s leftovers and swept them into the trash. then, he took out his laptop to deal with work, mainly contacting his manager, sister kuan, to confirm his work arrangements for the next few days.

although she had just returned from fashion week, she had been getting more and more famous this year. many people had asked her to shoot advertisements or activities, and there were often last-minute work arrangements.

After Qin Chen finished dealing with it, he closed his notebook, took Xiao rongyue to change his clothes, and went back to his parents “house for lunch.

in the afternoon, he took her to the amusement park. xiao rongyue made a lot of noise before qin chen agreed.

They played until five in the afternoon, and there was a traffic jam on the way back to the city. So, when they arrived at Zhao Yan's restaurant, it was already close to eight.

## Chapter 2915: Xiao rongyue calls Lan Yu Daddy 2

When they arrived at Zhao Yan's restaurant, it was already close to eight o'clock.

Fortunately, she had made a reservation, so she was directly received by the waiter when she entered.

When Qin Chen carried Xiao rongyue in, the little guy was extremely excited because uncle Xiao Zhao's beautiful little sister might come to take a look. However, after looking around and not seeing anyone, Xiao rongyue's small head drooped down in disappointment.

"Can you ask uncle Zhao to bring it along next time?" Qin Chen looked at him with a gentle gaze.

Little rongyue still looked listless and yawned. mommy, where am I? "I'm so tired, I want to sleep."

"Uncle Zhao will be playing the piano later, didn't you want to hear it?" qin chen teased him.

...

"It's lonely to listen alone." Little Rong Yue's face was serious.

qin chen was speechless at the little guy's words. he carried the little guy to his seat and began to order.

xiao rong yue's face was filled with disappointment.

When Zhao Yan saw Qin Chen, he walked over and bent down to kiss little Rong Yue. Then, he sat down.

qin chen glanced at rong yue.

The little guy immediately knew what to do and called out, ” “uncle zhao,”

zhao yan smiled and rubbed his little head, but his words were directed at qin chen, ” “How long do you plan to stay this time?”

After Qin Chen finished ordering, he handed the order to the waiter and slowly said, ” “About two months!”

“Mm,” Zhao Yan replied, his eyes lingering on her face for a few seconds.

that gaze made qin chen sigh slightly. he rubbed his face. ” you look a little like qin mu now, don’t you? ”

xiao rongyue knew that zhao yan liked qin mu. she was really worried about whether zhao yan’s qianqian was happy or not!

Her words made Zhao Yan dazed for a moment, then he smiled and shook his head, ” “it’s somewhat similar, but not quite similar.”

he knew qin mu and liked him. whether it was the young qin mu or the qin mu after he divorced zhou chongguang, they were all fragile. qin chen was too powerful. even now, when she had lost her memory, she was still calm.

although she had changed her appearance, she was still powerful and the master of her own life.

it was as if the people who cared about her were just like the fireflies around her.

Zhao Yan laughed as he thought about it. He had forgotten that Qin Chen had lost his memory.”Lan Yu is here too.”

Blue universe?

qin chen looked up at zhao yan, surprised that he would mention this name.

Was it someone from the Qin family, or someone related to the Qin family, or someone who knew her, that knew about Lan Yu?

was he really an important person in her life?

qin chen took a sip of water and smiled without saying anything.

Zhao Yan didn't say anything more.

qin chen was obviously not very interested!

at this time, the waiter began to serve the dishes. zhao yan accompanied them to eat and chat for a while before he went on stage to play.

As for Qin Chen, he listened quietly.

she could tell that zhao yan's music tonight was a little sad.

was it because she was thinking of qin mu?

She smiled faintly.

After Zhao Yan finished playing, he looked at her sideways and signaled her to go over.

qin chen walked over, and zhao yan gave up his seat. he smiled. "Play two songs for me, I'm not in a good state tonight."

qin chen's gaze quietly fell on his face, and after a long time, he lowered his eyes. "If you say that, I'll feel a little guilty."

Zhao Yan laughed and chose to chat with Xiao rongyue.

although the child was young, he was very good at chatting and was quite interesting.

he was also very good-looking, and his exquisite appearance was inherited from qin chen. however, looking at this child, he didn't look like rong lei's son at all.

Chapter 2916: xiao rongyue calls lan yu father 3

As Zhao Yan thought of this, his gaze fell on Qin Chen.

She was wearing a long dress, and her brown curly hair fell on her shoulders. She looked very calm.

Her slender fingers were placed on the piano, fair and beautiful.

zhao yan looked on quietly and smiled faintly.

they were different. qin chen was qin chen, and qin mu was still qin mu.

Qin Chen was someone who could play the zither by himself, while Qin Mu was someone who listened to him play.

...

Even if he was famous in the American music world, even if he was successful, he still liked to be here.

This was because a little girl had once enjoyed listening to him play the zither here, even though he was only a substitute.

Zhao Yan knew that his wife had guessed his feelings for Qin Mu, but he didn't say it, nor did she.

she was a traditional woman who respected and loved her husband. she devoted all her heart and soul to her child. as she grew older, she was still beautiful and her body was delicate. what else was he not satisfied with?

As Zhao Yan thought about it, he could not help but smile.

as he was laughing, he saw lan yu walking over. zhao yan recognized the person beside him. his name was lu wei, a famous model.

At this moment, Lu Wei was holding Lan Yu's arm, looking as if something good was about to happen.

Why did he say that? it was because there was an old couple with them. It was obvious that they were Lu Wei's parents. On top of that, there was also Lan Yu's father.

This should be a very important dinner. The parents of both sides appeared together, so it went without saying.

since he knew the owner of the restaurant, zhao yan couldn't pretend that he didn't see it, even though he really wanted to.

hence, he stood up and greeted lan yu. He nodded at the elders.

lan yu smiled indifferently. he was about to speak when he saw little rong yue sitting at the side.

At that moment, his eyes seemed to be demonic because if Xiao rongyue was there, then that damned woman should be there too.

he had a premonition and immediately turned his head to look at the stage.

The moment he saw it, his heart clenched.

He had thought of drawing a clear line between them, but his heart still throbbed when he looked at her.

she sat there quietly, playing the song of the past, except that she had long hair and that she had changed her appearance.

everything else was the same as before.

At that moment, Lan Yu even forgot about Lu Wei, who was beside him. He only thought that he was still with Qin Chen.

a moment later, he came back to his senses and his eyes turned cold.

Lu Wei was a little embarrassed. She could tell that Lan Yu was different, but what could she do?

when a man's heart was not with you, there was nothing you could do no matter what you wanted.

Luckily, Qin Chen had a child and she was a married woman.

So, she looked at father LAN.

she thought that lan yu's father probably wouldn't want lan yu to marry a married woman, right?

at this moment, lan yu's father had a complicated expression.

He naturally knew what his son was thinking.

Lan Yu had played for two years. He had long known that he had settled down to find a girlfriend, but he had never brought her home. He knew that he had not let go of Qin Chen.

today, little lu had called him, saying that he wanted to invite him to dinner. no matter what, he couldn't refuse. this girl had been in a relationship with him for half a year. if he didn't give her face when he invited her parents to dinner, it wouldn't make sense.

He had come. Looking at Lan Yu's expression, he knew that Lan Yu was forcing himself to have this meal.

now that he looked at qin chen, he was even more sure of who his son was thinking about.

however, what could he do now that everything was set in stone?

father lan could only sigh.

Chapter 2917: xiao rongyue calls lan yu daddy (4)

lu wei turned around and pressed her face against lan yu's arm. she said softly, "lan yu, didn't you say that you're going to pick a song for me?"

as she spoke, her gaze fell on qin chen.

Qin Chen was soft and gentle, but he had a strong aura. That was why she was able to rise to fame within a year. This made Lu Wei feel a sense of crisis.

She was now the number one supermodel in Asia, but Qin Chen's momentum would surpass her one day.

that was why she wanted to marry herself off to lan yu before that.

however, she didn't expect that she and qin chen were not only competitors in their careers, but also in their relationship.

...

Even though Qin Chen was passive, Lu Wei could not ignore him.

Lan Yu furrowed his brows when he heard her words.

he didn't expect qin chen to be the one playing the piano here. if he had known, he wouldn't have agreed to lu wei's request.

At this moment, the elders of both sides were also present, so it was not appropriate for him to retreat.

his expression was calm as he beckoned the attendant over and gave him a few instructions.

Lu Wei was extremely satisfied.

the waiter nodded and walked over. he whispered a few words to qin chen, who had just finished playing a song.

Qin Chen was a little surprised when he heard this, and he turned his head to look at them in a daze.

Then, she saw Lan Yu and Lu Wei standing side by side. Their parents were probably beside them.

One could tell what kind of meal it was at a glance.

And this man had even come to her apartment this morning to kiss her.

qin chen lowered his eyes and smiled coldly. he didn't say anything and played the song "rose of britain" according to lan yu's request.

there was a small dance floor in the restaurant and it was designed very romantically. lu wei held lan yu's hand and walked up slowly.

from the beginning to the end, lan yu had been very passive. because there were elders around, he had no choice but to give her face.

Unless he gave up on Lu Wei now.

he didn't want to do that in front of qin chen.

With a hint of hatred for Qin Chen, he danced with Lu Wei.

qin chen's tune was excellent, and it was obvious that he had practiced it.

Lan Yu suddenly remembered that playing the zither was a habit she had developed when she was with Rong Lei. Now that Rong Lei wasn't around, she still had this habit.

It was true love.

there was a cold glint in his eyes. he really did not have any pity for lu wei and was even a little absent-minded.

after the song ended, qin chen stood up and quietly looked at the pair on the wall.

They were really a perfect match.

lu wei's gaze fell on her face.

it was calm and quiet.

"I heard that you've prepared a ring," she suddenly said to Lan Yu.

lan yu frowned and was a little unhappy.

two white rings appeared in lu wei's palm. she said softly, "Lan Yu, let's get married, okay?"

as a woman, she had done her best to do all the work for the man.

Lan Yu looked at her and didn't say anything for a long time.

after a long time, he smiled. "this kind of thing should be done by men."

he took the ring from her hand and gently put it on for her.

lu wei was pleasantly surprised and tears welled up in her eyes. however, she still felt uneasy. “lan yu, will you be angry with me?”

“i won’t,” he answered too quickly, which made him seem insincere.

however, lu wei did not notice that when she was about to put the ring on him, lan yu retracted his hand and said calmly, ” “i’m not used to carrying rings, so i won’t wear it.”

then, he looked at qin chen, who was on the stage.

He had once worn a ring, but the woman who had helped him put it on had heartlessly abandoned him.

Chapter 2918: Xiao rongyue calls Lan Yu “daddy” 5

Lu Wei was a little disappointed, but she still forced a smile.

Finally, he put the ring on her, even though she was the one who had prepared the ring.

The process wasn’t important, what was important was the result.

She knew that she was a little anxious. As a woman, she should wait for the man to chase after her. However, from the beginning to the end, Lan Yu had been passive. She was afraid that if she continued to wait, she would still be in the same place at the age of 30.

She didn’t regret it, especially when Qin Chen appeared in front of Lan Yu at the airport.

lu wei lowered her head and looked at her fingers. when she looked up, her eyes were filled with excitement.

...

then, she tiptoed slightly and went forward to kiss lan yu on the lips.

although lan yu was stunned, he did not push her away.

The occasion didn't allow him to push her away.

Lu Wei retreated a little, but his expression was still hard to calm down.

At this moment, the servant sitting beside Zhao Yan asked softly, "uncle Zhao, that uncle clearly doesn't like it and isn't willing to kiss. Why did he kiss that Auntie?"

Little rongyue was especially happy when he saw kissing on TV ...

"oppa, i really like you."

"I like you too."

He kissed her on the lips and bashfully blushed.

unlike the uncle on the stage! who looked so serious!

Xiao Rong Yue said as he pouted.

zhao yan held back his laughter and looked at the little guy. he smiled and said, "Yueyue, why don't you go up and give your blessings to that uncle?"

xiao rong yue looked at zhao yan with a hint of curiosity in his eyes.

When did uncle Zhao become so kind?

Zhao Yan took a rose from the vase on the table and gave it to little Rong Yue, "hurry up and go up."

Little Rong Yue's expression was very happy, but he still took the Rose and ran up the stage.

her short legs were indescribably cute.

Zhao Yan couldn't help but smile. He dared to bet that little rongyue would not play his cards according to common sense.

sure enough, the little guy was about to reach out for the roses, but he retracted his hand after a while.

under so many gazes, little rong yue hugged lan yu's leg and cried.

That was very sad.

“daddy!”

little rong yue wailed. when he raised his small face, there were tears on it, and he cried pitifully.

the people who saw it were quite moved, not to mention the little guy's line at the end. ” daddy, don't abandon mommy and me. don't marry a bad auntie! mommy is so pitiful. she can't even afford to eat. mommy can only work here and have to bring yueyue over. daddy, please don't marry someone else! ”

Zhao Yan burst out laughing.

Little Rong Yue's acting skills were absolutely superb, and he performed beyond his level.

Zhao Yan smiled as he thought about it. This kind of performance was not a performance. It was probably the aura on Lan Yu's body that made Xiao Rong Yue break through his emotions.

Perhaps, the little guy yearned for his father's love and was not as uncaring as he appeared to be.

On the stage, Lan Yu was slightly startled.

Lu Wei was embarrassed. She looked at Lan Yu in disbelief with tears in her eyes.

she could accept lan yu's past, but that didn't mean she could accept him having a child with qin chen.

this child was lan yu's?

lu wei's night of victory was gone.

The exquisitely beautiful little boy in front of her had shattered all her fantasies.

just as she was about to ask, qin chen walked over and reached out to take little rongyue off lan yu's body. he smiled apologetically. "I'm sorry, Rong Yue was a little naughty! you guys continue!"

After that, she carried the Oscar-winning Best Actor off the stage.

although it was quiet, the people on the stage could not get off the stage.

"wait a moment." lan yu stopped qin chen.

Chapter 2919: Is the child yours or not? 1

Qin Chen turned around.

lan yu's lips curled into a cold smile. "Miss Qin, no, I should say Mrs. Rong. Aren't you going to explain now?"

"Explain what?" Qin Chen's gaze turned dull.

"Explain that your child isn't lan Yu's," Lu Wei couldn't help but say.

Her tone sounded like she was following her husband's lead.

qin chen smiled faintly.

...

she hugged little rong yue and wanted to kill this little guy in her heart. however, her son was her own. if she wanted to hit or scold him, she would go home and clean it up. in front of outsiders, she would never be at a disadvantage, not to mention this inexplicable fiancée and wife.

” yueyue misunderstood me, ” she said softly. ” it’s probably because she saw mr. lan appear at my apartment this morning and force a kiss on me. ”

lu wei’s body froze. he then looked at lan yu.

her eyes were filled with disbelief and deep hurt.

lan yu was expressionless and didn’t say anything.

mr. lan was a little uncomfortable. after all, on the day his son and lu wei confirmed their relationship, he even went to look for his ex. more importantly, he even forced a kiss on qianqian’s son and now, he was calling his son ‘daddy’. he couldn’t blame anyone.

It was Lan Yu himself who was being indecent.

father lan wanted to comfort his future in-laws, but he didn’t know how to start.

Zhao Yan, who had been watching the show, laughed to death. Qin Chen and his mother were really lethal, especially to Lan Yu.

it was lan yu’s fiancée’s fault. she looked dignified, but she couldn’t hold her temper.

of all people, why did she have to provoke qin chen?

after qin chen finished speaking, he carried the little guy off the stage and walked confidently.

As for Lan Yu, under countless gazes, he became the representative of a scumbag.

“lan yu, let’s just forget about it for now!” lu wei said tiredly.

she pulled the ring off and wanted to return it to him, but lan yu did not take it. only then did lu wei remember that she was the one who had bought the ring, and her heart was filled with sorrow.

Lan Yu put a hand in his pocket and asked quietly, ” “Completely forget about it?”

he actually didn’t care. it didn’t matter who he married, as long as it was a good woman who wouldn’t bother him and put pressure on him.

Lu Wei’s original intention was to test his attitude. She didn’t expect Lan Yu to be so direct. She was a little stunned.

“you want to break up?” she asked with difficulty after a long while.

“it’s up to you!” lan yu said calmly. he did not give lu wei any face in front of her parents.

In fact, she had already crossed his bottom line tonight. She had done a lot of things behind his back and had also provoked Qin Chen on purpose.

He hated Qin Chen, but that didn’t mean that anyone could target her.

after lan yu finished speaking, lu wei’s voice trembled slightly. ” if i say we’re breaking up, will you agree? ”

lan yu didn’t say anything. he was waiting for lu wei’s decision.

Lu Yu closed his eyes and finally said in a low voice, ” “I need to think about it.”

Lan Yu didn’t force her. He turned sideways and nodded at the elders of the Lu family.”I’m sorry! I don’t think Lu Wei and I have decided yet.”

The Lu family’s parents sighed in their hearts. How could they not see the situation?

Lan Yu clearly did not like Lu Wei that much, but he was willing to take it slow. Lu Wei was too anxious.

However, Lu Wei's parents still asked, "the child just now ..."

After he asked, Mr. Lan's ears perked up. He was more concerned about this than anyone else.

Lan Yu's gaze turned cold in an instant, and his voice was so deep that it was like water dripping out of it, "It's not mine,"

after he finished speaking, lu wei heaved a sigh of relief and wanted to say something to ease the atmosphere.

Chapter 2920: Is the child yours or not? 2

Lan Yu didn't give her a chance and said courteously, "Uncle Lu, aunt Lu, I'll arrange for you to go back to the hotel.

he glanced at lu wei. "I'll send my dad home."

lu wei didn't want to give up, but the ring had already been taken off. she couldn't put it back on herself.

under lan yu's arrangements, she left with her parents.

lan yu sent father lan home.

In the parking lot, Mr. Lan refused.

...

he turned to look at lan yu and sighed, "Dad can see that you're worried."

“no, i didn’t,” lan yu spoke very quickly. ” it’s all in the past. ”

As he spoke, he took out a cigarette from his pocket, lit it, and smoked quietly.

“Do you have any cigarettes?” father LAN reached out his hand.

Lan Yu looked at his father in surprise.

Mr. Lan smiled bitterly. I haven’t smoked in a long time. I miss you so much.

His health wasn’t too good and he had quit smoking for many years. Lan Yu thought for a moment and handed one to him. The father and son smoked one each in the parking lot.

father lan blew out a smoke ring and looked at the cigarette in his hand, ” “i really miss this taste. It’s just like how I miss your mother. Even if she has a lot of bad things, she’s still someone who has been by my side for many years.”

lan yu didn’t feel good when he heard this.

Even now, his mother’s death was still a mystery.

He raised his head and looked at the burning lamp above him. He said softly, ” “i’ll figure it out one day.”

Father LAN patted him on the shoulder,”it’s not important anymore, they’re not here anymore!” I’m most worried about you now.”

He looked at Lan Yu. I hope you follow your heart and don’t force yourself.

how could he not see the look in lan yu’s eyes when the child called him daddy today?

At that moment, his son’s heart was filled with hope, right?

however, it was only two seconds of hope before it was shattered.

father lan couldn't help but think that if rong lei didn't appear at that time, qin chen and lan yu's child might have grown up like this. ran ran was so good to her back then, and he also thought that his son would have gotten married.

Although he had a girlfriend now, how could it be the same?

one was held in the palm of his hand, while the other was initiated by the woman in the proposal.

father lan didn't really agree, but he didn't want to reject the girl's request.

After finishing his cigarette, he smiled at his son. "i'll get the chauffeur to send me there. you can do your work."

as he said that, he seemed to have thought of something."By the way, are you still taking care of that Lin sisi?"

lan yu nodded,"yes, i'm still taking care of him." she's quite pitiful."

mm, " Mr. Lan replied. it's good to do some good things, but don't be too engrossed. You'll have to get married and have children in the future. The girl's side might not be able to accept Lin sisi!

Lan Yu understood his meaning,"I know what to do."

"That's good." father lan forced a smile and finally got into the car to bid farewell.

Lan Yu watched the car leave slowly, and the faint smile on his face slowly turned cold.

He walked back to the dining room and went to the bathroom, but in the corridor, he saw Qin Chen coming out.

Originally, they had no more interactions, but when he saw her, all his anger was instantly ignited.

Lan Yu leaned on one end of the aisle, a red dot burning between his fingers, his eyes quietly looking at Qin Chen.

Qin Chen hesitated for a moment, but he still walked over.

The dim yellow light shone on her face, forming a soft shadow.

However, he was the only one who knew that she hadn't changed at all. Her gentleness was just a facade.

When she came closer, his voice was sarcastic. why? Rong Lei just died, and you're already thinking of seducing a married man? ”
