

Thank you 2931

Chapter 2931: Your temper has gotten worse (3)

does the doctor mean that lan yu held qin chen for two hours last night?

This was an insult to her.

lu wei's face turned pale with anger. she tried her best to control her emotions and said to the attending doctor, "please leave for a moment. i have something to discuss with mr. lan."

the attending doctor gave a mysterious smile. "okay."

With that, he took the nurse away, leaving the fiancé and fiancée behind.

lu wei didn't start a fight immediately. instead, he sat quietly, peeled an apple, and even carefully cut it into pieces for lan yu.

...

Lan Yu thanked him and ate in silence.

Lu Wei looked at him and slowly said, "Lan Yu, you didn't reject. Does that mean you haven't decided who to choose?"

"choice?" "Are you thinking too much?" Lan Yu looked at her.

as a woman, lu wei had been holding back for a long time. at this moment, she finally exploded, "Don't you know whether I'm overthinking it or not? lan yu, you did it with her last night, didn't you?"

Lu Wei restrained himself, but his voice was still trembling, "Two hours, right?"

Lan Yu put down the Apple in his hand and looked at her silently. are you questioning me now? If I say yes, you're going to say we're done, right?"

His voice was soft and calm.

However, Lu Wei knew very well that he had already regained his leadership during this period of peace.

In fact, it was not her who decided to break up, but him.

When Qin Chen appeared, he didn't want to be with her anymore.

Lu Wei lowered her eyes and laughed,"Lan Yu, are you really that heartless?" Or are you so infatuated with her that you can't stop yourself?"

He frowned.

lu wei stood up, and the bohemian dress she was wearing fell to the ground. "i can give you whatever she can."

He stared at her, not at her body, but at her eyes.

After looking at her for a long time, he said softly,"I did it with her last night. I didn't even take a shower after I did it." i forced her, so she can sue me. if there were surveillance cameras in her office, i would probably be in jail right now."

He calmly stated, as if he was stating a fact.

However, Lu Wei felt that he was saying how much he loved Qin Chen and was willing to do anything crazy for him.

She felt embarrassed.

He still admitted it, and he forced it.

lu wei's throat was choked with sobs. he grabbed his clothes to cover his body and sobbed silently.

She had never cried like this before, for a man.

He was unmoved even when she was standing in front of him like this.

lan yu looked at her and finally let out a sigh. he slowly stood up and walked towards her with difficulty.

at that moment, the door opened.

lu wei also saw the person at the door. the dress in her hand slipped down, then she reached out to hug lan yu and kissed him on the lips.

Qin Chen stood at the door and looked at the couple in the ward. He smiled and leaned against the door. "it seems like i was worried for nothing. i wanted to explain it to miss lu, but it seems like there's no need now. "

Lan Yu's body stiffened.

He couldn't see Qin Chen, but he could imagine her expression when she said this.

It must be full of mockery.

"Are you doing this on purpose, Lu Wei?" he asked in a low voice.

lu wei looked up with tears in his eyes."lan yu, i don't want to lose you."

Lan Yu's voice was slightly cold,"is that so?" Then prove it to me, Yingluo."

Qin Chen leaned against the door and raised his hand. Two nurses came over.

I'll take a picture later. It's quite an eyesore. I think we can ask Mr. Lan Yu for compensation. Qin Chen was still smiling.

Chapter 2932: Your temper has gotten worse (4)

Blue veins popped out on Lan Yu's forehead.

Qin Chen pursed his lips and smiled mockingly. "Turning love into an act! miss lu, if i were a man like you, get as far away from me as you can!"

what about a man who cheated on her and had rotten relationships?

When she said that, the nurse at the side really wanted to clap her hands. well said, well said, doctor qin!

however, looking at lan yu's dark face, he still didn't dare to take a picture.

After Qin Chen finished speaking, he left.

...

the nurse also left and looked at lan yu with regret. she really wanted to tell him, " You're not worthy of this woman.

qin chen walked straight out and took the elevator to the first floor. he met huang siya on the first floor.

she only remembered that huang siya was a distant cousin, but she didn't remember when huang siya's leg had become one, and she had an extra walking stick.

qin chen stared at huang siya for a long time.

Her gaze undoubtedly hurt the woman, and she said in an almost sharp voice, ” “qin chen, you still have the face to come back?”

Qin Chen looked at the hysterical woman in front of him and saw that Huang siya had changed a lot.

In Qin Chen’s impression, Huang siya had always been quiet, educated, and polite, just like her teacher ran ran.

They hadn’t seen each other for only a few years. How did she become like this?

While Qin Chen was still in a daze, Huang siya gritted her teeth. “qin chen, if it wasn’t for you, how would i have become like this? If you didn’t turn back and get together with Lan Yu, I would have been Mrs. LAN long ago.”

qin chen closed his eyes, it’s blue universe again!

the sympathy he had for huang siya was gone!

qin chen sneered,”shouldn’t you ask yourself what you’ve become?” can others change you?”

After she finished speaking, she left immediately, displaying her usual coldness.

Huang siya turned around and looked at Qin Chen’s back.

her brown hair was beautiful, and her figure had the gentleness of a woman. these were things that huang siya didn’t have, or rather, things that she had lost.

She shouted at Qin Chen’s back, ” “qin chen, so what if you’ve had it before? he’s not yours now.”

Qin Chen paused and slowly turned around. She didn’t just see Huang siya, but also Lan Yu.

Lan Yu must have come to the first floor with Lu Wei, so he was standing right behind Huang siya.

qin chen looked in their direction and said in a low voice, ” “I’ve never wanted it, so it doesn’t matter if I get it or not!”

after she finished speaking, she left without looking back.

Huang siya gritted her teeth, but when she turned around, she saw Lan Yu and Lu Wei standing side by side.

Lu Wei looked at Huang siya as if she was a lowly creature.

She had heard about Huang siya, but she was just a woman who wouldn’t let Lan Yu go. She had never taken Huang siya seriously.

” alright! ” lu wei supported lan yu and said in a low voice, ” go for an examination! ”

Lan Yu didn’t say anything and left with her. Huang siya stood where she was, feeling empty.

His entire body was cold, especially the place where he had lost a leg, which was faintly hurting.

Her tears fell down her face.

why, why did lan yu have to be with another woman? why did qin chen come back?

isn’t it good that everyone is unhappy together?

Huang siya’s body was shaking. It was an abnormal shaking.

on the other side, lu wei was supporting lan yu and silently helping him with his inspection.

His body suffered a very serious injury. Qin Chen asked him to beat him up, but he still pressed Qin Chen for two hours. What kind of love and hate was this?

Yes, it was hatred!

Chapter 2933: Let's get engaged (1)

Lu Wei would rather that Lan Yu's feelings for Qin Chen were mixed with hatred. Otherwise, she would be even more afraid. She was afraid that Lan Yu would leave her at any time.

As Lan Yu sat there waiting, Lu Wei's fingers gently stroked his forehead and asked in a low voice, "did she do this herself?"

Lan Yu did not answer directly. Instead, he gently took Lu Wei's hand and said, "Lu Wei, don't force yourself."

As soon as he finished speaking, Lu Wei's tears fell.

She restrained herself and suppressed her voice. "In what way am I inferior to her? Lan Yu, tell me!"

"There's no such thing. He was not any worse looking than her, and his temper was much better than hers! She rarely cries, especially when I'm in the wrong. She'll either hit me or walk away. She doesn't give me face." Lan Yu sighed. that's why, Lu Wei, you shouldn't just like someone who's good. It's hard to explain things clearly in a relationship.

...

if he had let go of her, he would have been with huang siya.

Lu Wei lowered her gaze and held her hand.

Love?

Lan Yu shook his head. I don't love her anymore, but I might still hate her.

it was possible to let go when you loved someone, but it was not necessarily possible to let go when you hated someone.

At this moment, he was willing to let Lu Wei go. He was someone who lived in the dark. He alone was enough. He didn't want to drag anyone else into it.

He also worked hard to get along with Lu Wei. There was a time when he thought that he would propose to Lu Wei.

but that night, when lu wei took out the ring, he realized how forced he was.

he thought he wasn't ready yet. he just didn't like her enough.

however, he was so madly in love with qin chen's body that he felt that his life was over the moment he took possession of qin chen.

he clearly knew that it was poison, but he was infected again.

lan yu lowered his voice. " lu wei, stop wasting time on me. "

He looked into the distance and laughed at himself. a person whose heart is filled with hatred will never be able to find happiness.

lu wei was stunned. she looked at lan yu and slowly said, " "You hate her?"

Then why did he still possess Qin Chen? why did he still make love to her?

lu wei didn't understand, and he didn't want to give up.

She had put in so much effort to manage her relationship with Lan Yu. She had never dared to force him, nor did she dare to make him feel any displeasure. However, he said that he hated Qin Chen and instead walked to Qin Chen's side.

no matter how bad qin chen was to him, he still couldn't let it go.

lu wei squatted down and placed his face on lan yu's knees.

she didn't say anything and just quietly hugged him, waiting for his heart to soften.

lan yu lowered his eyes and closed them slightly."There's no happiness when you're with me,"

Lu Wei mumbled, " Lan Yu, you don't have to love me. As long as I love you, as long as we're together, you'll slowly forget her. Let's have a child. Yingluo, we can take care of the child every year and take our parents on a trip.

she raised her head and looked at him anxiously."It'll definitely work,"

lan yu looked at the woman in front of him, who was expressing her feelings so urgently. he suddenly sighed, " lu wei, let's get engaged. i mean, a public engagement party."

Lu Wei was surprised and looked at Lan Yu in disbelief.

she didn't see the disillusionment in lan yu's slightly closed eyes.

When he opened his eyes again, he had a gentle smile on his face. we're engaged.

Chapter 2934: let's get engaged (2)

Lu Wei's eyes were filled with tears of joy as she nodded.

Lan Yu's face was expressionless. He only looked at Lu Wei, who was crying tears of joy.

"Lu Wei, do you love me?" he suddenly asked softly.

"of course i do," lu wei replied.

lan yu didn't say anything else. he was only thinking, if it was love, why could he still tolerate these things?

after checking and making sure that his skull was fine, he went to rest. as for why he was so tired, he knew it in his heart. lu wei also knew it.

...

It was just that he couldn't say it out loud.

When Lu Wei left, he looked very happy.

but when she reached the first floor, she stopped.

That Huang siya was still there.

lu wei didn't want to lower his status by talking to her, so he walked around her and wanted to leave.

Huang siya suddenly opened her mouth and said in a low voice, " you think you've won? "

lu wei stopped in her tracks. she looked at the woman in front of her and chuckled."In half a month's time, it'll be my engagement party with Lan Yu. All the famous people in B city will be able to witness it. But you, Yingying, might not have the chance to participate."

huang siya smiled coldly. her smile was very eerie and scary.

"What are you laughing at?" Lu Wei asked.

In the half year that she and Lan Yu had been dating, she could often see this woman appear and she was extremely annoying.

Lu Wei, " Huang siya said slowly, " do you look down on me? "

lu wei's eyes were filled with mockery.

Huang siya laughed. I used to be like you. I had everything and was infatuated with blue universe. I thought I would be with blue universe, but it's all just an illusion.

She raised her eyebrows and slowly walked forward until she was in front of Lu Wei. She said in a rough voice, "as long as Qin Chen is here, don't even think about being Mrs. LAN. Even if you become Mrs. LAN, as long as Qin Chen is willing, the one who sleeps with Lan Yu every night will not be you. Do you believe me?"

lu wei's lips trembled. she wanted to retort, but she couldn't say a word.

"they fell asleep last night. how long has it been since qin chen came back? how many times have they met?" huang siya laughed.

her smile was extremely ugly. at this time, not only did she lose her legs, but her face was also pale, and she had given up on herself.

She widened her eyes. Her yellow teeth formed a sharp contrast with Lu Wei's neat teeth.

"I pity you!" Huang siya laughed coldly. what a self-righteous dream!

with that, she limped away with her walking stick.

Lu Wei stood at her original spot and pursed her lips.

She didn't believe what Huang siya said. If Lan Yu loved Qin Chen that much, he wouldn't be with her.

at this moment, she didn't realize that she could deceive herself, and so could lan yu qianqian.

everyone who was injured would find someone else to help them heal until their injuries were healed.

Lu Wei didn't believe her, and she continued to insist.

She was going to be engaged to Lan Yu, and she would even invite Qin Chen on that day.

That's right, she wanted the whole world to tell Qin Chen that she had blue universe.

the news of lu wei and lan yu's engagement had caused a huge commotion in B city, and it was lu wei who had accidentally released the news on a show.

In the ward, Gu ze watched the show and then looked at Lan Yu. He smiled. a woman's heart is like a Needle at the Bottom of the Sea. I thought that after you were hurt once, you wouldn't touch another woman. Who knew that you would actually get involved with another one? ”

Chapter 2935: let's get engaged (3)

lan yu turned off the tv and lay back down. he lit a cigarette and took a long puff before exhaling a smoke ring.

Gu ze sat at the side and breathed in and out together.

the nurse came over and said, but she couldn't do anything about it.

Gu ze looked at Lan Yu, 'are you really getting engaged? you'd better think it through carefully. you're a respected person now, if you go back on your word after the engagement, it won't end so well."

she paused for a moment. "lu wei and qin chen are both public figures now. the fashion industry is the same as the entertainment industry. their fans are crazy. why don't you think about it again?"

seeing that lan yu did not say anything, gu ze was really worried for him. " at least say something! ”

...

he nudged lan yu with his shoulder. " did you really forget about qin chen? did you start from the beginning? ”

Lan Yu glanced at him and acknowledged him. Then, he started to play with the lighter in his hand, looking distracted.

Gu ze smiled bitterly. “look at you, you don’t seem to want to talk about it. you didn’t look like this when qin chen was mentioned in the past.”

Lan Yu laughed. it’s enough to love once in a lifetime. Where do you get so many feelings to squander? ”

Gu ze paused. I’m really starting to pity the future Mrs. LAN.

“You should pity yourself!” Lan Yu looked at him.

With that, she lifted the blanket and got up.

“Where are you going?” Gu ze asked.

He had not even been discharged yet.

Lan Yu held the cigarette in one hand and buttoned his shirt with the other. He said calmly, ” “The nursing home called. I’m going to see sisi.”

moreover, mr. lin and mrs. lin were also returning to B city. he had to go and meet them and also go to a few places to say hello.

He paused for a moment and was a little dazed.

gu ze looked at his expression and said what he was thinking, ” “You might not have such intentions for Lu Wei! the way i see it, you might as well marry lin sisi instead of lu wei. at least lin sisi won’t bother you and you can do whatever you want. you can even raise a few more children outside.”

“are you kidding me?” Lan Yu sneered. with the Lin family’s background, taking care of them is already enough to attract a lot of attention. You still want to marry them? ”

Not to mention sisi's current state, even if a fairy descended to the mortal world, Lan Yu would not have such thoughts.

If he wanted to marry, he would marry an irrelevant woman!

just like when huang siya's leg was broken, he would rather die than marry her. she was qin chen's cousin, why would he marry her?

Keep it for the new year?

As he spoke, he had already left.

gu ze thought about it and still chased after her. " i'll go with you! "

in the elevator, lan yu leaned against the elevator wall and looked at gu ze with a deep gaze. " how bored are you? If you have nothing to do, find a woman to settle the Gu family's incense. Don't follow me all day. I can't find you a wife even if you follow me. "

As he said that, he gloated, don't think about Qin Mu anymore. Zhou chongguang is doing well now. You probably won't have an affair and then get a divorce even if you wait until you die.

Gu ze's expression turned ugly and he sneered. "You have a better chance. Qin Chen's husband died, but why didn't you do it?"

"i'm going." Lan Yu's voice was calm,"if you're so capable, then try it out for me to see .."

This time, it was Gu ze's turn to be stunned.

it's been used?

the gossip was all true?

In the hospital, Qin Chen's office was filled with a lot of information!

cough! Gu ze coughed. then, are you still engaged to Lu Wei? ”

“She doesn’t mind!” lan yu’s words were a little mocking, but it was unknown if he was targeting lu wei or himself.

Chapter 2936: Gu ze and the little fool (1)

gu ze swallowed his words.

They went to the suburbs and arrived at the sanatorium.

both mr. and mrs. lin were there, but lin sisi was obviously a little afraid of them.

when she saw lan yu, she was like a small animal that had seen its mother. she flew over and hugged lan yu.

She buried her face in Lan Yu’s arms and looked at Gu ze carefully, as if a strange man had invaded her territory.

Gu ze smiled and stood guard at the side.

...

Lin sisi’s looks could be considered the best among the girls. Mrs. Lin used to be the most beautiful woman in C city, and Lin sisi grew up in a honeypot, so she was naturally more pampered.

Even though she was silly like this now, her natural pampering could not be erased.

Even Gu ze couldn’t bring himself to hate her.

He looked at Lan Yu indistinctly and thought about what he had said.

In his opinion, Lin sisi was indeed much cuter than Lu Wei.

How should Lu Wei put it? she looked perfect, but if she was too perfect, she would be no different from a flower vase.

He just looked at Lan Yu and Lin sisi together, and it was obvious that he was much happier.

As for Lu Wei, sorry, he really didn't feel anything.

Mr. And Mrs. Lin were a little uneasy with Lin sisi hugging Lan Yu like this, especially Mr. Lin. He coughed lightly and said, "sisi,"

"It's okay." lan yu said softly. he then lowered his head and touched the little girl gently, "she's used to fighting with me."

the lin parents still felt that it was inappropriate, but lin sisi leaned against lan yu, her face sweet.

Madam Lin sighed and did not say anything else.

Lan Yu's hand touched Lin sisi's lightly. After hesitating for a moment, he said to Mr. And Mrs. Lin, "I'll take sisi out to eat something?"

She had been locked up here for a long time and had almost never gone out. She was actually fine, quiet, and obedient.

gu ze heard this and looked at lan yu.

"Are you going?" Lan Yu looked at him.

gu ze nodded. "of course. we're already here. "

lan yu didn't say anything and just left with his men.

In the car, other than the little fool Lin sisi and Lan Yu, there was no one else.

gu ze finally dared to say, 'are you sure you're doing the right thing? Don't forget that your Lu Wei is getting engaged in half a month's time.'

Lan Yu was driving, his eyes focused on the road ahead. He smiled. "What's the problem?"

gu ze looked at the little fool beside him meaningfully but did not say anything more.

little fool was a little uneasy.

she had not seen any unfamiliar men of the opposite sex for a few years. the appearance of such a good-looking man full of masculinity like gu ze was like a bolt of lightning to her.

she was already scared to death sitting next to him, let alone now when she could feel that he was up to no good.

lin sisi was a little scared. she really wanted to move to the front seat, but she was afraid that lan yu would be unhappy, so she could only stay in the back seat. however, her body kept moving until she moved to the side, far away from gu ze.

only when she could no longer smell the burning man's breath did she feel at ease.

Lan Yu watched from the rearview mirror and smiled slightly. His gaze fell on Gu ze for a while longer.

gu ze was worried about him, but he was more worried about gu ze.

lan yu had heard that there was a kind of fox that would not leave once it had its eyes on someone.

Sisi was a little afraid of Gu ze, but if Gu ze was especially gentle, sisi might be touched and stick to him.

Chapter 2937: gu ze and the little fool 2

Lan Yu chuckled and drove the car to a well-known Western restaurant in the city. There was a wide variety of food here, especially famous desserts that all girls liked.

In the past, he had bought food for sisi, but they had always been in her small room. He had never had the chance to take her out to eat.

at that moment, lin sisi was sitting in a high-class western restaurant. she was a little timid and uneasy. she asked carefully, " can i really order? "

Lan Yu smiled. of course.

Lin sisi bit her lip and looked at him pitifully. but it looks very expensive.

Lan Yu chuckled. He lifted his body slightly and ruffled Lin sisi's long black hair. you still know that it's expensive? "

...

as he said this, he felt a little bitter.

In the past, Lin sisi could get whatever she wanted. She could even buy ten restaurants easily, let alone a set of Western food.

But now, she was asking him with such an innocent expression if it was very expensive, Huahua.

lin sisi only felt more at ease when lan yu was like this.

although she was a little silly, her english was very good. she directly stated the english menu and even ordered appetizer and dessert for herself.

lan yu smiled.

"Lan Yu, can I order too?" Gu ze chuckled.

Lan Yu looked at him as if he was a pervert.

Gu ze chuckled, took the menu, and ordered in fluent English. When he closed the menu, he looked at Lin sisi with bright eyes. He smiled and said in a gentle voice, ” “What’s wrong?”

Lin sisi bit her lip and refused to speak to him.

Gu ze smiled and did not force her.

the waiter left, and not long after, the appetizer and dessert were served. the two men casually sipped on them. at the same time, lan yu stopped lin sisi from drinking. he was sure that she would not be able to control herself after drinking.

lin sisi looked at him and was a little displeased, but she still listened to him.

Only then did Lan Yu move his gaze away to talk to Gu ze. In the past two years, the two of them had worked together many times. Naturally, the two of them were familiar with each other and had talked about a lot of things.

Lin sisi didn’t understand, and she didn’t want to understand. Not only did she eat her own desserts, but she also secretly ate theirs. Thus, her little stomach was already round before the main meal was served.

Then, the two men continued to chat while she watched from the side, pretending that she had not eaten.

No one would know that she had licked the plate clean anyway, so she would just treat it as an empty plate served by the waiter.

when the waiter served the main course, lan yu and gu ze had just finished their conversation. when they lowered their heads, they saw that the plate was empty.

He looked at Lin sisi.

gu ze was the same. his eyes were a little bright as he looked at her small face.

Lin sisi's face was a little red. She lowered her head and said softly, "i don't know. i didn't eat it."

they all confessed.

lan yu was still staring at her.

only then did gu ze understand why lan yu would take care of lin sisi like this ...

men like them were under a lot of pressure at work and had no fun at all. it was very fun to have a little fool around.

In particular, Lin sisi was also very pleasing to the eye. He didn't think so in the past, but now that she had become a little fool, she was especially pleasing to the eye.

However, Gu ze also saw that Lin sisi's little finger was missing.

He tried his best not to pay attention to it, for fear of hurting little fool's heart.

after looking at her like this for a long time, lan yu reprimanded her in a low voice, "if you eat too much, you'll get a stomachache. you'll also be afraid when you go to the toilet at night. what if you can't find a nurse?"

It was rare for him to lecture her like this, and Lin sisi was a little scared.

But little fool still knew how to look at Gu ze and silently beg him to speak up for her.

Chapter 2938: Gu ze and the little fool (3)

Gu ze met her gaze and was a little surprised. However, he quickly smiled. Lan Yu, it's a girl's nature to like to eat. Don't be so fierce. Look, she's about to cry from fright.

lan yu looked at gu ze and raised his eyebrows."If I don't care about her, who will? gu ze, why do you care?"

Gu ze almost agreed, but he still swallowed his words.

Raising little fool was like raising a pet. It was easy to get hold of but hard to throw away.

you can ignore other women, but if you don't want little fool and she looks at you with tears in her eyes, you'll be so soft-hearted that you won't even be able to tease her.

and his heart, gu ze's, had already been cold and hard for far too long.

...

gu ze didn't say anything.

lin sisi looked at him with an uneasy expression. she pursed her lips and asked softly, "Lan Yu, does he hate me?"

Lan Yu looked at Gu ze and smiled. you can ask him.

Little fool didn't dare to ask. She only dared to secretly look at Gu ze.

Lan Yu gave Gu ze a look, telling him to experience it himself.

gu ze's expression changed and he said to little fool seriously, "i don't hate you."

little fool mustered up her courage. "so you don't like it?"

What kind of logic was that?

Gu ze felt that no matter how he answered, it would not be appropriate. If he said he did not like little fool, he would probably cry. If he said he liked her, little fool would stick to him like how she stuck to Lan Yu. What should he do?

So, he chose to remain silent.

his silence still made little fool unhappy.

When Lin sisi was eating, it was obvious that she was not as energetic as before. She kept her head down and did not say a word.

lan yu looked at gu ze and gave him a look, asking him to coax the little girl.

gu ze refused.

he didn't want to be the second lan yu.

however, it was useless to refuse, because there were uninvited guests in the restaurant.

It was none other than Lan Yu's fiancée, Lu Wei.

Furthermore, Lu Wei was with her parents. Now that she was here, Lan Yu had no reason to sit at the same table.

when he got up, lin sisi pulled on his sleeve.

at this moment, if lan yu sat down, it would be equivalent to giving up on lu wei.

"Bring sisi along!" Lu Wei was very generous.

She had always known of Lin sisi's existence. However, she felt that Lin sisi staying in the nursing home would not affect Lan Yu and herself, so she did not take it to heart.

But today, she saw Lan Yu bring Lin sisi out for a meal. Although Gu ze was also there, Yingluo still felt a sense of danger.

she might not have called lin sisi with good intentions. gu ze could naturally tell this.

“sisi, i’ll be by her side,” he said with a smile.

lan yu looked at him. he was sure that gu ze was reliable, so he hardened his heart and left.

This was good for Lin sisi. He didn’t want Lu Wei to make things difficult for Lin sisi in the future.

The moment he left, Lin sisi was like a child who had lost her parents. She grabbed onto his clothes and refused to let go.

Lu Wei’s gaze was fixed on him, and his expression was gentle.

However, it was normal to be jealous and unhappy about this kind of thing. Such gentleness seemed pretentious instead.

gu ze did not agree with lan yu’s judgment in his heart, but this was lan yu’s choice, so he could not say anything. he just stood up and gently pulled lin sisi’s small hand away and held it. ” i’ll bring you to another shop for dessert later, okay? ”

“No!” Lin sisi looked at him and said softly.

Lan Yu and Lu Wei also heard it.

Lan Yu had a feeling that his child was being despised by his stepmother. That was why he wanted to ask Lin sisi to follow him. Anyway, he would not let her suffer.

Chapter 2939: gu ze and the little fool (4)

But Gu ze had already pulled Lin sisi up and half-forced little fool to leave.

this time, lan yu was a little disappointed.

The child’s child had run away with another man.

lu wei looked at him and smiled,'it looks like gu ze is very concerned about sisi! lan yu, when we get married in the future, can you let gu ze take care of sisi?"

Lan Yu looked at her and walked with her to her parents 'table. He said slowly, " "gu ze will get married too. who will you get to take care of sisi then?"

lu wei stood still. she looked at lan yu and asked seriously, " "Are you going to take care of her forever?"

...

"Yes!" Lan Yu replied indifferently.

Lu Wei didn't expect him to be so straightforward. He felt uncomfortable, but he didn't dare to flare up.

thus, he forced a smile and didn't say anything else.

although it was over, she still minded a little, so it was hard to be happy even when they were having a meal together.

in contrast to the coldness on this side, gu ze and little fool's side was much more lively.

gu ze brought little fool out. the car was lan yu's. he didn't have a car when he stood outside on such a hot day.

in the end, they still took a taxi. after they got into the taxi, the little fool said softly, " "you can't afford a car?"

Gu ze's heart skipped a beat.

He had tens of billions of Yuan in assets, how could he not afford a car?

However, he still teased little fool. yes, I'm very poor. So, when we go out to eat later, you should order less. Also, you have to choose the cheaper ones, understand? "

He instructed very seriously, feeling that this was very interesting.

lin sisi stared at him with her big eyes. after a while, she said softly, " "then i think i'd better go back."

she was not willing to follow him and not get to eat anything.

gu ze didn't know whether to laugh or cry. he didn't expect this answer.

Little fool was silly, but she actually had the little idea of disdaining the poor and loving the rich, and she was also Frank.

he couldn't help but tease her. " if lan yu was poor and had no money, would you still be willing to be taken care of by him? "

Little fool seemed to think about it for a while before she said softly, " "I'm still willing. i can earn my own money. You can take care of the baby."

when she said this, her small face was full of smiles. she looked a little silly, but she was very beautiful.

gu ze was stunned for a moment, then he gently rubbed her little head and said in a soft voice, " "you little fool."

he actually wanted such a little fool and was a little jealous of lan yu.

he pressed her on his shoulder to stop her from moving.

"are you trying to take advantage of me?" little fool's voice was very soft.

Gu ze laughed. that's not how you take advantage of others.

Then, he kissed Yingying on her forehead.

He was willing to give more love to such a little fool. Since she had already become like this, he would let her feel that the world was beautiful.

Lin sisi covered her head, then wiped it violently and glared at him.

“lan yu won’t kiss you?” gu ze laughed dryly.

“he won’t kiss you.” “He said he has someone he likes,” Lin sisi said with certainty.

This time, Gu ze was a little surprised. He had always felt that Lan Yu taking care of Lin sisi was a little ambiguous. At least he would hug her, and they might even have a physical relationship. After all, Lin sisi had been looking pretty good for the past few years.

but he had never even kissed her?

lin sisi did not seem to mind. didn’t she like lan yu?

was he wrong?

Does everyone want Gu ze and little fool to be together? some love isn’t perfect, but it’s beautiful

Chapter 2940: gu ze and the little fool (5)

gu ze was thinking that lin sisi didn’t want to sit with him anymore and wanted to go back.

In the end, it was Gu ze who scared her, so she didn’t dare to mention it.

However, when he got out of the car, the little girl almost cried and looked at him with an extremely dissatisfied expression.

It was summer and he had brought her to People's Square to see pigeons.

lin sisi was wearing a white dress and sitting on the bench. she did not make a sound for a long time and just looked at the pigeons.

He wondered if it would be delicious if he roasted it.

...

her world was very simple. it was just blue universe and food.

She didn't like the man beside her. He was a shameless and poor man.

gu ze sat beside her and handed her a bottle of clean water. "drink some!"

little fool glanced at him, feeling a little speechless.

a man who can't even afford a haagen-dazs!

however, she was really thirsty, so she took it.

she couldn't open it, so she looked at gu ze. gu ze opened it for her and handed it back to her.

lin sisi drank her water, but her gaze was still on the fat pigeons. after a while, she turned her head and said, "Do you know how to cook?"

"yes," gu ze replied.

Lin sisi's expression was a little hard to describe in a few words. She still had a look of disdain. "i'm not full yet, and you don't have money. catch two pigeons and bring them back. i want to eat roasted squab."

She had just finished speaking when Gu ze almost spat out the water in his mouth.”Sisi? What did you just say?”

The pretty little fool opened her innocent eyes and rubbed her belly with her finger. “i’m hungry.”

gu ze looked at her skinny but well-built body and frowned. ” “you’re hungry?”

he remembered that she had eaten a lot of food in the restaurant, enough for a man.

As he was thinking, Lin sisi nodded. “I’m not full!”

She looked at him. just two. Take them home and roast them. It won’t cost you much.

she muttered softly, ” you don’t have any money either. ”

Gu ze didn’t know whether to laugh or cry. He looked at the pigeons flying up and then at her. ” look at how cute these little creatures are. it would be a pity to eat them. ”

lin sisi looked at him for a long time before saying, ” “The steak you had this afternoon was also an animal.”

She looked at his expression and knew that he was clearly looking for an excuse.

Gu ze sighed. alright, I’ll try to catch two. Can I make a call first?”

With small animals to eat, Lin sisi was still easy to talk to.

gu ze held his phone and rubbed her little head. then, he walked away and called his assistant.”immediately find me an apartment of 80 square meters. if it’s second-hand, it’ll be fine. yingluo, put the key at the door within half an hour. In addition, prepare the ingredients in the refrigerator, especially two pigeons, the kind that have their feathers plucked.”

he hung up the phone after he finished speaking.

Little fool ran over with one, two, three, four, and six pigeons in her hands!

gu ze held his forehead. he had a headache.

“How did you manage to catch all these pigeons?” he asked, frowning.

the pigeons in the people’s square were all intelligent. they had never lost a single one over the years.

And in just two minutes, she had ruthlessly caught six. Everyone around was watching.

gu ze had never been so embarrassed before. he coughed lightly. ” sisi, can i buy it for you? ”

” i bought dead ones. this is alive. it’s fresh and delicious. ” lin sisi was a little fool who valued character very much.

Gu ze didn’t know what to do with her, so he whispered, ” “Six is too many. Didn’t you say two just now? you can have both.”
