

## Thank you 2951

Chapter 2951: who is mrs. rong's guest?

Lan Yu was silent for a long time, and Qin Chen hung up the phone.

she didn't care about him!

She hated him!

Even after she had lost her memory, they had slept once. No, he had forced her to do it with him once.

she was not satisfied with his character and skills.

it was obvious that she did not take it to heart.

...

lan yu thought to himself, was it because his skills were too bad?

Or had it been a long time since he had a woman or done it, so he was not used to it?

he hung up the phone slowly and smoked two more cigarettes before walking out of the office.

Of course, he had also scanned the note with her number.

When he got into the car, Lu Wei called him and asked him in a happy voice how the preparations for the anniversary were going.

Lan Yu held the steering wheel with one hand and adjusted his tie with the other. Kevin prepared it. I haven't asked yet.

lu wei hesitated for a moment before saying softly, ” “Lan Yu, do all men lie in this way?”

She had already tried her best to say it as easily as possible because she did not want to quarrel with him.

lan yu looked at the night sky outside, his voice very calm, ” “what do you want to say?”

“Why did you invite Qin Chen?” Lu Wei asked, suppressing his anger.

“This is the company’s decision!” lan yu’s voice became even fainter. ” lu wei, i hope that i can have my own space when it comes to work. otherwise, it will be difficult for our marriage to continue. ”

Lu Wei was silent for a while before saying in a low voice, ” “is it because of me that you can say such things?”

“Lu Wei, you’re thinking too much,” Lan Yu sighed.

lu wei’s voice became a little sharp. ” “if you care about my feelings, you should change your decision.”

Lan Yu narrowed his eyes. Lu Wei, ” he said, ” if I was so easily manipulated, then Grand Hyatt wouldn’t be where it is today.

With that, he hung up the phone.

it was hard to communicate with an irrational woman.

Compared to Lu Wei, he would rather face Qin Chen’s ascetic face.

At the thought of this, he recalled the sound of her panting when she worked out. It was not abstinent at all.

lan yu looked at the night sky outside, his adam's apple moved slightly, and he started the car.

He drove to Qin Chen's apartment and sat in the car, smoking slowly.

When Qin Chen returned, he was in Zhao Yan's car.

Zhao Yan's wife was also in the car, but she couldn't be seen from Lan Yu's direction.

What he saw was a man and a woman alone, and he instantly thought of the sound of panting.

Qin Chen saw Lan Yu when he got out of the car, but she didn't want to trouble Zhao Yan and his wife, so she said, " "goodbye."

especially zhao yan's wife, who smiled.

When she got out of the car, Zhao Yan adjusted his collar and said to his little wife,"Stop drooling, Qin Chen is a woman."

"But I still remember the old Qin Chen," his little wife complained in a low voice.

mr. zhao glanced at his wife and started the car. " "then, in your eyes, am i still the same me?"

His little wife pursed her lips. I guess so. You haven't changed at all. You're an old artist who has no fun.

an old artist?

mr. zhao expressed his dissatisfaction. he reached out and pulled open his collar again, saying in a low voice, " " then when we get home, i'll let you know if i'm an old artist or not. "

his little wife blushed.

She was a woman with an Orthodox education, and she would blush for a long time if a couple said a few more words to each other.

zhao yan loved to tease her on the bed, but he knew when to stop. he always felt that he was in love with his little wife, but he should stop at the right time.

Chapter 2952: who is mrs. rong's guest?

But today, her 'old artist' had completely aroused the man's bad nature. He was almost eager to go home, find an empty room, and bully his little wife until she cried so that she would take back those words.

Qin Chen stood in the dark and watched Zhao Yan's car drive away before he slowly walked into the living room.

She didn't care about the Mad Dog that was crouching there!

however, before she entered the elevator, someone grabbed her hand.

he turned his head and saw lan yu's angry face. " "Are you so desperate that you can't even choose what you want? Didn't you say that you and Zhao Yan were together without a script?"

Qin Chen slowly turned his head and looked at the Mad Dog that had followed him. He frowned, then reached out and gently pulled Lan Yu, causing him to fall to the ground.

...

In front of him, countless golden stars were spinning.

Qin Chen looked down at him and gave him a kick. "it seems like the lesson last time didn't make ceo lan behave."

Lan Yu groaned a few times, and Qin Chen kicked him a few more times, then stepped on him.

he groaned when the shoe pressed against his chest.

qin chen stepped into the elevator. just as the door was about to close, a hand suddenly reached in and grabbed her foot.

Qin Chen was shocked, and he squinted his eyes like a zombie that had just come back to life.

lan yu's movements were quick as he pounced over.

in an instant, she was pushed to the ground by him.

her hands and feet twisted around, huanhuan.

Qin Chen frowned and looked at the man above. what does Mr. Lan want? I remember Mr. Lan is getting engaged next week. Do you really want to be on the headlines again?"

lan yu's gaze was deep and serene, and his large palm suddenly descended.

Qin Chen was stunned, then struggled violently. what are you trying to do? Bastard, let me go!"

but he didn't let go. he carefully examined her and finally found a hickey on her collar.

lan yu was stunned.

"Did you let him touch you?"

Qin Chen was stunned and reached out to touch the place he touched.

That was the mark he had left behind the last time. It was such a deep Hickey, and it still hadn't disappeared.

He actually had the cheek to say that she was indecent. It was already good enough that she didn't use this to send him to prison.

“yes, i let him touch me. he’s much better than you,” she said in a cold voice.

the man was so angry that he couldn’t listen to such words. he didn’t care what his purpose was for coming here. he held her face and kissed her.

qin chen was furious. he stretched out his leg and kicked his knee, but he immediately reached out and pressed her foot down.

what if you break it? will you still feel comfortable if it breaks? ” he said evilly.

Qin Chen sneered. CEO LAN, you think too highly of yourself. With your skills, miss Lu can only mock you.

The veins on Lan Yu’s forehead popped out as he glared at her, ” “I didn’t have sex with her.”

qin chen’s smile grew colder,”so, why are you staring at me, mr. lan? if you’re staring at me, go find your fiancée!” Or, I can help you call them, hmm?”

she took out her phone and really dialed it. it had only rung once when he smashed it against the elevator wall and smashed it into pieces.

however, a phone rang outside the elevator. to lan yu, it was a familiar sound.

Lan Yu slowly turned around and saw that it was Lu Wei.

Lu Wei held her phone and looked in shock at the man and woman entangled in the elevator. It was obvious that Lan Yu had forced them.

Chapter 2953: Who is Mrs. Rong’s guest?

lu wei was stunned.

She looked at the people in the elevator, who kept retreating and retreating until there was no way out.

She leaned against the wall and looked at the two people in the elevator.

“lan yu, we’re getting engaged.” you said you would forget her, ” she said softly. you hated her and didn’t love her.

lu wei’s face was already covered in tears.

she looked at the man in front of her, her eyes filled with pain.

...

“Can all forgiveness be treated as indifference?” She mumbled as she stared at them.

lan yu lowered his head and looked at the woman beneath him. he slowly got up and said in a low voice, ” “It was just an accident.”

lu wei’s gaze fell on qin chen.

Qin Chen’s expression was calmer than Lan Yu’s. She stood in the elevator and said coldly, ” “Mr. Lan, there won’t be a next time.”

She walked out of the room. Before Lu Wei could react, Qin Chen took her phone from her hand.

so, she used her phone to call 110.

Is this it? someone is raping me here!

lu wei was taken aback. then, she snatched the phone and glared at qin chen.”are you crazy?”

Compared to her hysteria, Qin Chen was much calmer. She pulled her clothes and leaned against the wall like an outsider. She looked at Lu Wei and smiled mockingly.”what, you can’t bear to?”

“Qin Chen, don’t go too far.” Lu Wei narrowed his eyes.

qin chen's smile became even more mocking. " you think that i have an affair with lan yu. i want to sue him, but you're not willing to. "

Lu Wei, tell me, as a fiancée, don't you feel sorry for yourself? " "Don't be nervous, the number I'm calling is not in service!" Qin Chen sneered.

Lu Wei bit her lip and was about to go crazy.

it's not in service, qin chen played her!

Qin Chen's gaze swept over Lan Yu, and his tone became even more indifferent. " this time, it was an unsuccessful rape attempt. i have to thank miss lu. however, i did leave evidence at the hospital last time. "

with that, she glanced at the fiancée and fiancée, indicating that she didn't want to play with them anymore.

actually, sleeping with lan yu once wasn't a big deal. his skills weren't bad, and she also got to enjoy it. however, rape was rape. she still had evidence. maybe it would be useful one day?

This was Qin Chen's little dark thoughts, and he had successfully fooled Lu Wei.

lu wei was embarrassed.

she silently let qin chen leave.

when qin chen stepped into the elevator, lan yu said softly, " "are you sure it's rape?"

qin chen's eyes narrowed.

Did he think that he had not died thoroughly enough in front of his fiancée?

then she would send him on his way.

qin chen said softly, " i did force myself once. i took the initiative to cooperate with you the next few times. are you satisfied with this answer, president lan and miss lu? "

Lan Yu's face darkened.

Lu Wei's face turned pale.

although he already knew about it, knowing it and hearing it from the female lead were two different things.

qin chen looked at lu wei and smiled. " "I really admire you for being able to tolerate such a man."

lu wei desperately suppressed himself and slowly said, " "qin chen, i won't fall into your trap. do you think that he would want you just because i left blue universe?"

qin chen smiled lightly and ignored her.

In the past, she had heard that Lu Wei was very independent and had quite a character. But now, it seemed that she was just a poor woman who only wanted to marry into a rich family.

qin chen, who had always been in a wealthy family, could not understand this kind of feeling at all.

Chapter 2954: Call Lu Wei "Chenchen"(1)

Qin Chen stood in the elevator and pressed the close button.

The elevator door slowly closed in front of Lu Wei and Lan Yu.

Lan Yu's expression was very unsightly as he stared at the door for a long time.

" lan yu, " lu wei said quietly behind him, " should i consider our relationship? "

lan yu turned his head, his expression even calmer than hers, and slowly said, ” “If this is what you want, then do as you please.”

lu wei’s voice sounded a little hysterical. ” am i not worth it for you to give up your past? or is it because i’m the one you’re marrying, so you’re not going to be loyal?”

...

Lan Yu’s expression turned even colder. He didn’t say yes or no.

he just lowered his head and lit a cigarette, then slowly walked out.

Lu Wei walked out and followed behind him.

Lan Yu leaned against the car door and smoked his cigarette lightly, ignoring her.

Lu Wei was a little embarrassed. She was the one who saw him with Qin Chen, but he didn’t even explain.

“Don’t you care about me?” she asked, her voice trembling.

lan yu’s fingers gently touched his forehead and he let out a long breath, ” Lu Wei, I think you’re suitable for me, but you’re doing something that doesn’t suit me.

“there won’t be a next time. i won’t have sex with her again.”

it wasn’t because of lu wei, but because he couldn’t accept himself falling head over heels for a woman he hated so much.

He wanted to get rid of her more than anyone else.

lu wei’s eyes were filled with anticipation.”can you not invite her to your anniversary?”

“junyue can’t afford to lose face like this.” His voice was soft, but his tone was heavy.

he was gentle to lu wei, but that didn’t mean he would tolerate her challenging his limits.

Under her disappointed gaze, Lan Yu said indifferently, ” “I can propose to you on that day.”

this was probably what women loved the most. he didn’t mind making her happy and making her more devoted to him in the days to come.

if a man couldn’t marry the woman he loved, it was often difficult for him to be loyal. however, he still hoped that his wife would be loyal to him.

lu wei looked at the handsome man in front of her in the dark. her rationality told her to reject him, but she couldn’t resist such temptation.

she liked him and his power. she had longed to be mrs. lan for a long time.

She also knew that other than the one incident with Qin Chen, he had no other woman.

Lu Wei was still quite tolerant towards men from wealthy families.

she could tolerate a man’s acting, but she couldn’t forgive a man for being loyal to a woman, especially a woman who was no worse than him in all aspects.

qin chen had already become lu wei’s enemy.

she looked at lan yu and smiled, ” “alright. i believe you.”

lan yu raised his eyes and looked at the apartment building. he felt a mix of emotions.

how could some people be forgotten just because they wanted to?

just like this penthouse apartment, where they once had the best time together. how could he erase it so easily?

no more. in this life, there was only one woman that he could not love and hate so much.

lan yu finished his last puff of smoke and said to lu wei, ” “let’s go, i’ll send you back.”

lu wei nodded, opened the car door, and sat in the driver’s seat.

Before he started the car, she silently fastened her seat belt and finally mustered up the courage to say, ” “can you come to my place tonight?”

Lan Yu was obviously stunned for a moment. After a long time, he turned his head to look at her.

Chapter 2955: call lu wei “chenchen” 2

Lu Wei’s face was a little hot. It wasn’t that she didn’t have any experience, but after being with Lan Yu, she probably hadn’t had it for a long time. she was the one who had brought it up, so she was a little nervous.

she was afraid that he would reject her.

as she waited with bated breath, lan yu nodded his head lightly and started the car.

he had sent her back a few times, so he knew where she lived.

Lu Wei was a petty-minded woman, but compared to Qin Chen’s extravagance, she was not worth mentioning.

it was the first time lan yu had entered her apartment. the apartment wasn’t big, about 90 square meters, unlike qin chen’s exaggerated 200 square meters.

...

moreover, lu wei's apartment was very warm, like a little woman's. qin chen was very generous, even a man wouldn't feel uncomfortable in it.

lan yu didn't realize that he was unconsciously comparing yingluo or finding an excuse to reminisce.

he walked to the window, pulled open the curtains, and looked out at the night sky, smoking quietly.

the night wind blew on his face, and it was a little hot.

lu wei turned on the air-conditioner, made a cup of coffee, and brought it over. she said softly, "I heard from Kevin that you like to drink coffee. Try it and see how I make it."

Lan Yu held a cigarette in one hand and a cup of coffee in the other. He took a sniff and frowned.

"What's wrong? don't you like it?" Lu Wei said worriedly.

lan yu's voice was a little light,"no!" It's just that I'm used to making my own coffee, so it's not suitable for someone else to make it. "

lu wei was also holding a glass of wine. he sipped his wine lightly and filtered out the meaning of his words.

Lan Yu probably didn't know what he was really thinking ...

It wasn't just coffee that was suitable for him. He probably wanted to live alone.

to him, she was just a springboard, a springboard for him to get rid of the pain in the past.

however, she was willing to be a stepping stone. she was willing, so she fought for it.

lu wei was extremely beautiful. at this time, when she returned home, she let her long hair down and put on her slippers, making her look even more gentle.

She looked at the man in front of her, a little nervous. “i’m not sure if you can wear the bathrobe here.”

Lan Yu tilted his head and thought for a moment.

“I don’t want to.” lu wei hugged him and pressed her face into his arms. she mumbled, ” ” lan yu, it wasn’t easy for us to get to where we are today. i don’t want to let you go. ”

“i want to be with you for real,” she said, looking up at him.

“we’re engaged. we don’t have to live together, but we can spend a night together once in a while, right?” she said anxiously.

this was how a couple should look like.

he looked at lu wei’s anxious expression and listened to her words. he suddenly felt like he had said these words before.

who was he talking to?

that heartless woman!

lan yu’s eyes were filled with a gloomy color. he put out his cigarette. “you should take a bath first!”

Lu Wei’s face turned red. aren’t you coming? ”

“no, i won’t.” “i’ll sleep on the sofa.” lan yu’s voice was a little hoarse.

He didn’t plan to take a bath here. Since he didn’t have a bathrobe, he didn’t want to bother.

he was planning to get engaged to lu wei, but he couldn’t just do whatever he wanted in the physical aspect.

he did not have any urgent desires for such a beautiful woman like lu wei. perhaps a hug or a kiss would be fine, but if he did not want to, he did not want to force himself to do it.

Lu Wei was stunned. He muttered in a hoarse voice, ” “Lanyu Qianqian, I thought Qianqian and I were sleeping together.”

Chapter 2956: Call Lu Wei “Chenchen” 3

“maybe next time.” he smiled and rubbed his neck. ” i’m a little tired. ”

lu wei wanted to say something, but in the end, he did not.

She still retained the last trace of a woman’s reserve.

When a man tells you that he’s tired and doesn’t want to do it, you can’t force him to do it, right?

She chose to be considerate.

There was also intentional or unintentional seduction.

...

she nodded and brought him a thin blanket. after she settled him down, she went to the master bedroom to take a shower.

When she came out, it was already twenty minutes later.

lu wei came out wearing only a bathrobe. she dried her wet hair with one hand and walked into the living room.

lan yu was browsing the news on his phone. she squatted down beside him and mumbled, ” “what are you looking at, lan yu?”

“It’s nothing,” He put down his phone without a sound and glanced at her.

From his point of view, he could appreciate his beautiful fiancée’s capital, but he quietly retracted his gaze.

Lu Wei put the towel aside, hugged his head, and kissed him lightly on the cheek.

lan yu didn’t refuse.

it wasn’t because he couldn’t resist the temptation, but because he couldn’t resist the relationship between them.

“Lan Yu, I want you.” lu wei’s voice trembled as she kissed him. then, she kissed his thin lips.

their lips intertwined. it was the first time she had such a wonderful taste.

His kiss was very gentle, not too rough, and he pulled her over very gently and placed her on his body.

The temperature of the man and woman’s bodies melded together. The first four buttons of his shirt were unbuttoned, and the sexy nightgown on her body also slid down to her shoulder. The heat was ignited at the touch.

lan yu flipped over and trapped the woman under him.

If he wanted her, he could have her. She was his fiancée anyway.

With a woman like this lying under him, he would not be a man if he remained unmoved.

his actions started to become wild as he nibbled on her neck almost madly.

lu wei was naturally moved.

however, lan yu stopped kissing and his expression was a little dazed.

lu wei was no longer a young girl. she was stunned for a moment before she realized why he did not continue.

They had been hugging and gnawing at him for a long time, but he had no reaction at all.

Lu Wei was a little taken aback. She was one of the top five supermodels in the world. She had both the body and the face, but he couldn't even be bothered with her.

she was in a daze, her body still in a mess.

lan yu slowly pulled up her clothes and said hoarsely, " next time. "

As an understanding fiancée, no matter if your man is really bad or not, you have to find an excuse for him.

"Lan Yu, you're too tired," Lu Wei said in a low voice.

She pretended not to care and pressed him down to lie down. " i'll go make you some supper. you probably haven't had dinner yet. "

"Is there any seafood here?" Lan Yu suddenly asked.

Lu Wei was taken aback. After a moment, she muttered, " "Yes, but it's just some dry goods."

"i'll make you a paella." Lan Yu smiled slightly.

lu wei looked at his face. she had never seen him smile so sincerely before, so she suppressed the fact that she was allergic to seafood and squeezed out a smile. " " alright, i haven't eaten the food you cooked before. "

lan yu got up and went to the kitchen to get the ingredients.

With one look, he could tell that Lu Wei was the kind of woman who pretended to cook. When men came here to pretend that they cooked often, she actually didn't really cook.

however, he didn't mind because qin chen didn't know how to do it either.

Lan Yu cut the silk and was lost in his thoughts. His finger suddenly started bleeding ...

don't move! Lu Wei exclaimed. I'll help you bandage it.

he said he was bandaging her wound, but he put his finger into his mouth and gently sucked on it.

she lowered her head and looked at the tall yingying. at this moment, she actually looked a little like someone.

it was late at night again. lan yu's voice was a little hoarse,""chenchen."

Chapter 2957: Lu Wei, we're canceling our engagement 1

lu wei's movements slowed down, and she looked at him with a deep gaze.

she let go of his fingers and said in a daze, " "Lan Yu, you called the wrong person just now, do you know that?"

Lan Yu came back to his senses.

He stared at the woman in front of him. Just now, he had tried to take off his clothes and have a physical fight with her, but he had failed.

He said that he was too tired and she was understanding.

However, only he knew that it was because he didn't want it. Just like when he and Lin sisi were together, he didn't want it, and he didn't have any reaction.

...

“lu wei, let’s just forget about it!” he finally said.

He didn’t want to force himself to hug a woman he didn’t want to.

It wasn’t because Qin Chen had returned, but because he could already see the future between him and Lu Wei.

a marriage could be without love, but it could never be without sex.

how could the woman he didn’t even want to hug be the one he wanted and the one he would spend the rest of his life with?

Under Lu Wei’s shocked gaze, he said in a low voice, ” I’m sorry. I’ll give you appropriate compensation. you can announce your breakup on your own, and there’s no limit to the reasons.”

lu wei’s tears fell. ” but i don’t want compensation. ”

For a woman who was crying like a Pear Blossom bathed in rain, the man would always have some tender feelings for her, not to mention that he was the one who let her down first, so he said in a low and hoarse voice, ” “But the only thing I can give you now is compensation.”

Lu Wei took a step back and looked at him in disbelief. “You still want to be with her? she’s married and even has a child, and you still want her?”

lan yu was a little upset, and his expression slowly turned cold. ” “She has nothing to do with our business.”

“How can it not be related?” Lu Wei smiled. you weren’t like this in the past. Although you were cold, you would never treat me like this!

she continued to mumble, ” but she’s back, and everything is different. she’s the only one in your eyes and heart. you can’t even clean me up even if i strip naked in front of you. i’ll believe you if you say that i’m tired, but you ... ”

“Tell me, have you been treating me as Qin Chen’s substitute?” Lu Wei asked, wiping her tears.

“No!” Lan Yu said firmly.

lu wei’s eyes brightened for a moment, then dimmed.

of course not, ” she sneered. how can you compare her to other women? ”

Lan Yu’s gaze turned completely cold, as if the gentleness he had shown earlier had never existed.

Yes, he had never loved her. No, he had never liked her at all.

Lu Wei laughed at himself.

“when you’ve thought it through, contact my secretary. we can talk about compensation.” He said briefly, then went to change his clothes and was ready to leave.

He didn’t hesitate and walked straight out. When he grabbed the doorknob, Lu Wei threw the ingredients he used to cook at him and said almost hysterically, ” “Qin Chen likes paella too, right? Lan Yu, you bastard!”

lan yu’s back was very miserable.

he paused for a moment, but he did not turn around.

he didn’t say that perhaps she had revealed this nature in the past, and that he might use her as a substitute.

However, a substitute would always be a substitute, and she would never fall in love with him.

lan yu went downstairs and got into his car. he frowned as he smelled the onion on his body.

However, he didn't start the car immediately. He just sat in the car and smoked.

He recalled Lu Wei's words and smiled.

If it wasn't because Qin Chen was back, who was he lying to?

Chapter 2958: lu wei, let's cancel our engagement 2

Qin Chen saw the news of Lu Wei and Lan Yu's breakup in the newspaper.

She was a little surprised by this.

That night, from her perspective, Lu Wei liked Lan Yu's power and money far more than Lan Yu himself.

She didn't think that Lu Wei would break off the engagement with Lan Yu because of what happened that night. In that case, the one who brought it up would be Lan Yu.

In Qin Chen's heart, Lan Yu's lack of moral integrity had dragged him down to the bottom.

at that moment, she was sitting in KING entertainment's private office with sister kuan sitting beside her. qin chen didn't hear what they were saying.

...

sister kuan had taken care of qin chen's mother, ye liangqiu, and qin chen had treated her as his aunt. sister kuan had also been close to her and would scold her when she was unhappy.

Just like now, she wrote a string of numbers for Qin Chen to see."How many zeros are there?"

qin chen's interest was waning. " eight? "

“100 million!” sister kuan’s voice was very high. ” after tax! How many models do you think have that kind of net worth?”

” think about it. if you don’t accept any jobs now, i’ll be out of money! ” sister kuan put down her pride for the evil money.

qin chen didn’t seem to be convinced.

sister kuan played the family card. ” i don’t have many years left. i’m already so old, but i’m still busy working for you. can’t you save up more money for me and take this job? ”

qin chen picked up the piece of paper and said softly, ” “the commission is about 12 million. i’ll write a check.”

Sister Kuan was sad, ’have I reached the point where I have to rely on my connections and get in through the back door? it seems like KING entertainment doesn’t need me anymore.”

Qin Chen was amused. sister Kuan, don’t give me that!

Sister Kuan slowly became serious and looked at Qin Chen. ” you’re currently on the rise in your career. you need these identities to improve yourself. lu wei is your biggest rival. if you defeat her, you’ll be asia’s number one model. ”

Qin Chen sighed. I heard that Lu Wei and Lan Yu broke up for one billion Yuan. Sister Kuan, do you think I should go and seduce him first before breaking up with him? I’ll give you one billion Yuan as a token of my respect.

“do you need to do this with your status?” sister kuan spat.

At this moment, the door opened. King Entertainment’s current president, Qin mo, personally came over and coughed lightly. “qin chen, come to my office.”

qin chen looked at sister kuan and mouthed, ”i know you betrayed me.”

She understood that it was probably because of the matter with Jun Yue.

however, she did not expect to see lan yu in qin mo's office.

qin chen's gaze stopped on him, then he looked at qin mo, who was beside him, and said calmly, "Since CEO LAN is here, I'll talk to him directly!"

qin mo was also in a difficult position. he rubbed his nose. " alright, you guys can talk. "

as he spoke, he closed the door for them.

Qin Chen walked over to the sofa and sat down, facing Lan Yu.

She looked at the man in front of her and smiled. "i thought mr. lan wouldn't be in a good mood recently. i didn't expect to see mr. lan busy with work in the company."

lan yu narrowed his eyes and stared at the woman in front of him. " are you gloating? "

"It's obvious, isn't it?" Qin Chen smiled, took the contract in front of him, and looked through it. "a hundred million?"

"miss qin, you think it's too little?" "miss qin has just entered the top ten international supermodels. i don't think her net worth is that high."

Qin Chen flicked his curly brown hair. It was just a casual action, but it was very seductive.

Chapter 2959: Qin Chen, I'll give you two choices 1

lan yu realized that he couldn't resist such temptation at once. his adam's apple rolled a few times, and some kind of tension rose instantly.

he wanted her.

even though he hated her, he still wanted her very badly.

in fact, he had just done it with her not long ago, and he had done it several times, but that was far from enough to quench her thirst.

He had not had a woman for several years, and once he got involved with her, he could not extricate himself.

He loathed himself and tried hard to ignore this feeling.

...

after qin chen was done with his hair, his gaze fell on him and he chuckled. ” “value is value, everything depends on whether i’m willing or not.”

Lan Yu narrowed his eyes. miss Qin, are you saying that ran ran wants to increase the price? ”

“200 million, there’s no room for discussion if it’s less.” Qin Chen smiled.

” you know i don’t need money. i’m just interested, ” she said, flicking her hair.

interest?

Lan Yu sneered, ’isn’t your interest in using a scalpel to tease people? what’s wrong? you can’t find any fun in the hospital, and you’ve found a man in the entertainment industry? who’s your target this time?”

qin chen’s smile was even colder than his. ” director lan, are you taking your anger out on me because of the divorce? ”

“You can take it as that!” Lan Yu’s gaze lingered on her face for a long time. Even he didn’t know if this was nostalgia or loathing.

qin chen lowered his eyes and sighed.”If I were you, I wouldn’t bother you anymore.”

”lan yu,” she called his name. ever since she came back, ever since she lost her memory, she had never called him that. ” “Isn’t it good to start a new life? rather than living in the past, it’s better to have the present.”

She was calm and rational. She was the perfect goddess today, not the Qin Chen of the past.

the qin chen who would wear men’s clothes and had a sharp mouth but a soft heart.

Lan Yu laughed, and his laughter was a little desolate, ” “you care about me, you actually care about me. qin chen, this is the funniest joke of the year.”

Qin Chen looked at him. I don’t want to remember. Lan Yu, don’t try to awaken my memories. If you hate me, then continue to hate me. In any case, I don’t feel any pain. You’re the only one in pain.”

Lan Yu’s expression finally changed completely.

She had lost her memory.

However, her intuition was still as accurate as the scalpel in her hand in the past.

lan yu looked at her and smiled gently. ” yes, i’m the only one in pain. If you don’t want to remember, then do you know how I’ve been living all these years?”

“I don’t want to know,” Qin Chen’s voice was very, very cold. Lan Yu, you hate me, and I don’t want to know why. To me, you’re just a stranger. It’s not worth it to give up our marriage for a stranger. I think it’s still not too late to redeem myself now.

“You want to talk about private matters with me? miss qin, i remember i’m here to discuss the contract with you.” lan yu’s voice was slightly hoarse, and there was a hint of displeasure in it.

qin chen lowered his eyes and only looked up after a moment. ” because in your eyes, time is filled with personal emotions. you and i probably can’t handle business, so we might as well not work together. ”

She tried to get up, but he grabbed her hand and pressed her back down onto the sofa.

“then let’s talk about private matters.” his whole body trapped her, and she could smell the burning masculine scent on his body.

“Let go.” Qin Chen’s eyes were slightly cold.

this time, he had learned his lesson. he directly pressed his knee against her, and if she dared to move, he would rub against her.

Qin Chen finally lost his temper,”Lan Yu, let go!” your breakup with lu wei has nothing to do with me. if you keep doing this, i’m going to call for help.”

Chapter 2960: qin chen, i’ll give you two choices 2

his answer was to push his knee deeper in, and she groaned in response.

this shameless man.

Shameless!

“Why did you stop?” “As for why I broke up with her, don’t you know?” he snorted.

“ceo lan, you’re the one who cheated on me, don’t push the blame on me!” qin chen sneered.

lan yu narrowed his eyes. ” really? then we can come and see if i’m forcing you or if mrs. rong is enjoying it. ”

...

After saying that, he took out a mobile phone from his pocket and directly changed to a certain function.

qin chen's expression changed!

I'll give you two choices. One, sign it. Two, we make love. I'll record it. I can't guarantee that your fans won't see this exciting scene. I can't guarantee that Lu Wei's fans won't see it. They might get agitated and try to harm Mrs. Rong, okay? ” He said shamelessly.

“despicable!” qin chen glared at him.

“You used to like my shamelessness the most.” “it seems like you've chosen the second option,” lan yu's voice was hoarse.

he wanted to kiss her, but qin chen turned his face away and said coldly, ” “Lan Yu, you're clearly looking for an excuse.”

“maybe!” lan yu said in a self-deprecating manner, and then bit her neck.

“i'll sign it,” qin chen replied almost immediately.

She didn't want to have any scandals with Lan Yu, and she didn't want to get involved with him and his ex-fiancée. Sometimes, when the fans go crazy, they can tear you apart.

She pushed Lan Yu away, took the contract with a blank expression, and signed her name.

“ceo lan, this is the only time,” she said in a cold voice.

after she finished speaking, she walked out.

lan yu was still sitting there, touching his lips.

There was still her scent there.

But she only felt disgust for him.

he laughed coldly and self-deprecatingly, full of disgust.

He was the one who hated her, so what did it matter if she hated him?

why did he still care about her? why didn't he forget her like she had said and just find a woman to marry?

why did he break up with lu wei the moment she came back after being with him for so long?

all of this was because he had not given up on this woman.

He loved and hated her. He loved her to the bones and hated her to the depths of his soul.

the office door opened again and qin mo walked in. he pressed his hand against his forehead. there was a panda eye that his dear sister had given him.

qin mo coughed lightly. "you've caused lan yu's death. look at my eyes. when have they ever been so miserable?"

Since he was young, only Qin Chen had dared to hit him.

lan yu looked over and did not say anything. he just took the phone and looked at it.

although it was only a few seconds, it still captured the scene of him kissing her neck.

It was a beautiful picture. Lan Yu thought about it and did not delete it. He put away his phone and looked at Qin mo.

"shouldn't you be giving me some compensation for my emotional distress?" qin mo sat down and complained.

"This is your family matter." Lan Yu smiled.

After he finished speaking, he stood up and left. Qin Mo's voice came from behind, "Lu Wei came to me."

Lan Yu paused and turned around.

Qin mo smiled. a woman like her won't be too sad. Alright, I said this so that you don't feel too guilty.

lu wei only looked for him because he was not married and did not have a girlfriend.

however, there was someone else in his heart. it was just that they might never be together again.
