

Thank you 2961

Chapter 2961: my password, your birthday (1)

Lan Yu smiled. I won't feel guilty.

Because he no longer had a heart.

He had already given up on women, be it Qin Chen or Lu Wei.

Qin mo looked at him and felt relieved.

He leaned on the sofa and looked up at the ceiling. He rubbed his painful eyes and thought of he Huan.

he did not know how he and he huan ended up like this.

...

No, they didn't continue. They just became unrelated.

qin mo only felt a little sad and immediately started working.

the men in the qin family had a tough life. although he owned the majority of KING entertainment's shares, qin chen and qin mu also had a small share. he was the only one who worked hard, but there were a few who were lucky enough to get dividends.

However, his surname was Qin, and he doted on these little ones.

sigh, all of them were so blissful, but he didn't even have the time to find a woman.

just as qin mo was complaining, lan yu walked out and unexpectedly met qin chen in the elevator.

she leaned there as if she was waiting for him.

He chuckled and walked over slowly.

“give me your phone,” she said as she spread out her hands.

She had forgotten that he had already taken a video. It would not do her any good if this video was leaked.

and the location was also thought-provoking.

Lan Yu looked at her and placed the phone in her hand with a faint smile. He said mockingly, ” “I thought Mrs. Rong didn’t care about this. After all, Mr. Rong is no longer around. Mrs. Rong just has some physiological needs, so it’s not a big deal to find a man.”

Qin Chen didn’t pay attention to his enigmatic tone. This man’s menopause was most likely due to dissatisfaction.

She really couldn’t think of anything else. With Lu Wei’s looks and figure, he could just hug her and do whatever he wanted. Why did he have to make himself look like a delicate Jade?

Qin Chen sneered and unlocked his phone. “Password?”

Lan Yu felt a little awkward. He leaned against the wall and lit a cigarette. He slowly took two puffs. “You’ve forgotten?”

“How would I know?” Qin Chen looked at him.

“come over and i’ll tell you.” lan yu looked back.

qin chen thought he was bored, but he still walked over.

as soon as she went over, lan yu blew out a ring of smoke on her face.

Qin Chen was about to go crazy. Wasn't he the president of a multinational company? how could he be so shameless!

just as she was about to lose her temper, he said, " "Your birthday."

Qin Chen was stunned.

his password was her birthday?

lan yu looked at her surprised gaze and his posture became even more languid. " what, you don't even remember your own birthday? "

qin chen pursed his lips, looked at him, and lowered his head to untie it.

At this moment, he blew out another puff of smoke.

she was so angry that she stepped back to unlock the phone and opened the photo album to look for that part.

He had very few photos on his phone, only one in the video.

qin chen deleted it without even looking at it. she didn't want to see this kind of thing. when she was about to exit, qin chen saw a long photo. The person in the photo looked familiar, so she opened it.

then, he was stunned.

it was her.

however, it was another unfamiliar him.

She had short hair and was wearing a black shirt. She sat on the piano with her legs bare.

There were only two buttons on the shirt. It was very sexy, and she was sure that this was not her size.

the background was also something she couldn't be more familiar with-her apartment.

Chapter 2962: my password, your birthday (2)

Judging from her appearance, she must have done it with a man. The photo was in Lan Yu's phone, so it was obvious who the man was.

She was stunned and did not speak for a long time.

lan yu's expression changed slightly and he snatched the phone from her hand. "has mrs. rong already deleted it?"

Qin Chen looked at the phone in his hand and slowly said, "but there's a picture of me in there."

lan yu lowered his head and looked at the photo. he smiled bitterly and muttered, "no, this is not you. this is my ex-girlfriend."

As he spoke, he looked up at her beautiful face and continued, "Yes, it wasn't you,"

...

because in his heart, qin chen was dead.

his love was also dead.

he used to hate her when she was dressed as a man, but now he missed her, missed her, and hated her.

His face became extremely cold. It wasn't the type of abstinence, but the feeling of menopause.

It was uncertain.

Qin Chen looked at him, his heart moved.

She knew that she had a relationship with the man in front of her. She was an easy-going person. Since she had forgotten about it, since they had broken up, since she was married, and since he had a girlfriend, it meant that their love was not so inseparable.

She had never thought of getting back her memories with him.

but now, for the first time, she saw their past.

he wasn't in the photo, but she could feel that she was loved at that time, and hanhan loved him.

Qin Chen lowered his eyes, not knowing what to say.

in the end, she only muttered, "did i let you down?"

"that doesn't exist, mrs. rong. don't think too much." His attitude was particularly cold. no one has let anyone down. We've had nothing to do with each other for a long time.

As he spoke, he quickly deleted the photo in front of her. "it's not that i can't bear to, i just forgot."

qin chen's gaze was fixed on him, and he smiled faintly. " "Then Mr. Lan's memory isn't that good."

lan yu didn't say anything more and walked into the elevator.

when he turned around, his eyes met qin chen's.

she was still unaware, but he was full of pain.

Suddenly, he was furious.

while he was struggling in pain, she lived without worry and faced him with a righteous attitude.

The elevator door was about to close, but he pulled it open and walked straight in.

that aura was very powerful, and it gave off a feeling of being able to destroy the world.

qin chen narrowed his eyes and instinctively wanted to escape.

at this moment, she had forgotten that she had practiced karate. she only knew that this man had gone crazy.

This was King Entertainment's headquarters. What was he trying to do?

Just as Qin Chen was retreating, Lan Yu had already leaned over. He held her face in his hands and kissed her. His body also pressed her down and pushed her forward.

She stumbled until she hit the wall, and the back of her head hurt, but he continued to kiss her without care. She struggled for a while, but he pressed her down harder and bit her lips as punishment.

he bit her so hard and her lips were so soft that they started to bleed.

both of them had tasted blood. the man was like a violent beast, and the beast in his blood was completely ignited.

he switched to kissing her cheeks and chin, then her lips. his voice was extremely low."Mrs. Rong, I don't believe that you don't want a man after Rong Lei passed away for so long."

as he spoke, he reached out his hand.

Qin Chen took a deep breath.

He was crazy!

This was the top floor of King Entertainment, just outside Qin Mo's office. His Secretary and assistant could come over at any time.

Qin mo would also come out.

Chapter 2963: my password, your birthday (3)

just as qin chen was thinking about this, qin mo really came out with a stack of documents in his hand. he was somewhat tongue-tied as he looked at the entangled man and woman.

In fact, this kind of thing was normal. Qin mo had seen bigger scenes before, but this girl was his precious little sister.

this was not good!

he sighed slightly and said very gently, "If you really need it, you can go to Qin Chen's office. It's very private there."

his voice was restrained. "this place ... well, it's not very good. you can't use your full power here, lan yu. "

her tone became very relaxed. "look, your forehead is covered in sweat. it's not good for men. "

...

after saying that, qin mo walked into the elevator and gave his sister an encouraging look.

Actually, after losing her husband, it was nothing to find a man to settle it. Moreover, this man was Lan Yu.

Well, there's nothing bad about Yingying. She has the looks and figure, so she should be good in that area too.

in this day and age, there were not many men who could keep their chastity.

The elevator doors closed.

Qin Chen stared at him, unable to believe that he would leave her like this.

Lan Yu had also calmed down at this moment. He looked at her and said, "you beat him up like this, and he's still going to help you?"

qin chen fixed his clothes and glared at him. "there's no need for you to think too much, ceo lan! but if you dare to do this again, i don't mind suing you."

she raised her eyes and looked at the person in front of her. "There's a surveillance camera here."

Lan Yu was stunned at first, then he laughed softly, "you mean, we just kissed, and i even touched some of your private parts, and it was all seen by the security room?"

qin chen's face darkened.

she didn't think in that direction.

she entered the elevator almost immediately and pressed the button for the security room.

Lan Yu didn't go. He was sure that she wouldn't sue him because she was a public figure and he was a man who had just called off their engagement. She wouldn't be so stupid.

he left immediately.

When Qin Chen went to the security room, the security guards all looked at her in confusion.

the scene between miss qin and ceo lan was too exciting, and some people couldn't wait to post it on their wechat moments.

It was too late for Qin Chen to come.

Qin mo also came over, but no matter how much public relations she did, she could not stop this video from spreading like crazy.

Lu Wei wasn't easy to deal with either. She even opened a press conference on purpose. She didn't dare to say it out loud, but she secretly accused Qin Chen of stealing Lan Yu and causing her to break up with Lan Yu.

qin chen was in a difficult situation.

The security guards were fired collectively, but this could not solve Qin Chen's crisis.

Lan Yu was a businessman. It didn't matter if a businessman's reputation was a little bad, but in the fashion industry, such a scandal couldn't exist.

There was still a week to the anniversary.

not only did this matter not die down, it became more and more serious, and it even involved the shares of the grand hyatt.

Lu Wei's move was a double kill.

as KING entertainment's biggest BOSS, qin mo had no choice but to handle this matter.

of course, he did call lan yu to complain, ” “I told you, if you can't help it, you can get a room. Even Qin Chen's office is good. How did you know what you did to her in her office last time? even if there were rumors, there was nothing substantial.”

now, he still had to trouble him.

thinking about lu wei's motive, qin mo's mood soured.

Chapter 2964: i'm not the one with the scandal (1)

qin mo asked lu wei out for a private meeting.

in the restaurant with a good atmosphere, young master qin was dealing with the beautiful woman with a graceful demeanor.

after the meal, he drank his after-meal wine and asked very elegantly, " " lu wei, you can actually state your conditions. it's not good for both of us to suffer. you know that chenchen doesn't expect to support her family with this job. "

lu wei pursed her lips and smiled. " "since you don't care, then you shouldn't care about this matter either."

Qin Mo's eyes were filled with displeasure as he slowly spoke, " " you should know that what happened between you and lan yu has nothing to do with qin chen. she lost her memory and has forgotten everything. "

"Yeah, it's Lan Yu who's pestering us! but even so, i'm still very unhappy." Lu Wei smiled.

...

qin mo lost his patience with the woman in front of him. he finished his after-meal drink in one gulp and said, " state your conditions. "

However, Lu Wei was still playing with her little tricks. "I heard that President Qin doesn't have a girlfriend yet."

miss Lu, " Qin mo laughed lightly, " you are quite ambitious. I just don't know if you have heard of this saying.

“please go ahead, president qin,” lu wei chuckled.

Qin mo had already stood up, and his thin lips slowly spat out a few words, ” “The heart is higher than the sky, but the life is thinner than paper.”

With that, he walked out.

seriously, what kind of taste does lan yu have? this woman is so utilitarian, she actually wants to be mrs. qin.

How could he marry a woman who was not kind to his sister?

Qin mo left immediately, leaving Lu Wei sitting there fuming.

in terms of appearance and social status, her marriage into the qin family wasn't considered a high social status. however, qin mo looked at her as if he was looking at a low-level creature.

She couldn't accept it, not at all.

but what could he do even if he was unwilling?

lu wei had no idea that the qin family owned KING entertainment. the women in the entertainment and fashion industry were just like toys to them. they could only be married if they truly loved each other.

for example, qin anlan and ye liangqiu.

she, lu wei, was nothing.

when qin mo walked out, he was in a bad mood. he dusted off his high-end custom-made suit pants and opened the car door to get in.

he sat in the car and did not drive off immediately. instead, he made a call to lan yu, ” negotiations have failed. You’ll have to deal with it yourself!

lan yu snorted lightly.

“you know that qin chen doesn’t want this income. your company’s image is the most important,” qin mo said with a hint of evil intentions.

After he finished speaking, his mood became much better. He hung up the phone and thought, was he, Qin mo, the person who took over someone else’s job?

it was just that lan yu had never touched lu wei, but who knew how many times lu wei had done it.

he was not interested.

back then, lan yu was still preparing to get engaged to yingluo. as expected, these rich and overbearing businessmen were easier to deceive!

qin mo thought unkindly.

then, he lit a cigarette and couldn’t help but think of his childhood sweetheart.

He Huan.

He remembered her first time.

He Huan was very petite, and her figure was inherited from Auntie su Cheng. She was so small that she didn’t even cost 160 Yuan.

He was 185 cm, and she only reached his upper arm.

He could even clearly remember their first time. It was a real disaster.

because the difference in size was too big.

that time, he had an accident after getting drunk, and it had happened in the car.

She cried so hard that he couldn't stop her even after coaxing her for a long time. In the end, he simply let go and did it.

Before her, he had a woman before. He was not experienced, but he was not a newbie either.

Of course, all of his tricks had been realized on he Huan.

Chapter 2965: i'm not the one who started the scandal (2)

of course, all of his tricks had been realized on he huan.

furthermore, after having her, he had no one else.

However, they still separated resentfully.

lu wei had just said that he was single. how could he be single? his name in his partner column was he huan.

however, his huanhuan ignored him.

She was a movie fan and had won an Oscar for Best Director. B city was not a place for her.

...

the night she said she was leaving, he was so angry.

but in the end, she didn't ask her to stay. she carried a small bag and left.

he still didn't know why she wanted to leave him. of course, he didn't agree to the divorce. he said that as long as he was alive, she would be mrs. qin.

that heartless little bastard had been gone for three years.

it had been three years. she had filmed two great films, and the male leads were all handsome foreign men. he was the depressed prince that she admired, not a philistine businessman like him.

She must be having a lot of fun among the flowers!

Qin Mo's eyes were filled with pain. He reached out and swiped his phone to look for her photo.

he probably hated her, but he didn't know how to be angry at her.

his and he huan's story was different from lan yu chenzhen's. they didn't seem to have such a strong love-hate relationship.

He was in B city, and she was in new York. She would occasionally come back to visit uncle Kime and aunt su Cheng, and he would also go for a meal. After all, they were still husband and wife in name.

it was just that she had never come back to sleep with him even once. even if he wanted to die, he proudly did not mention it.

when she said leave, it was probably a breakup. he was not so despicable as to beg her for his physical jade.

Sometimes, when he couldn't take it anymore, he would think that life was short, so why should he keep himself pure for a cruel little thing?

After three years, he slowly realized that she was not going to come back.

She had already decided.

However, he had yet to decide what to do. Should he continue waiting, give up, or try to catch her back?

Qin mo was a patient man. However, the most patient thing he had ever done in his life was to wait for he Huan.

he used to wait for her to grow up, and now he was waiting for her to come back.

Qin mo smiled bitterly, put away his phone, and started the car.

when he said those words to lan yu, he thought that lan yu would think of a solution. however, he didn't expect that lan yu's solution would be to make an official announcement: president lan and qin chen's old feelings were rekindled and they were really together.

in fact, the official poster even showed qin chen sitting on the piano.

as a private photo, it might be a bit excessive, but qin chen was a model, so it wasn't surprising.

of course, that photo also directly proved the love between lan yu and qin chen. some netizens even dug out the oil painting from back then and riled it up for a while.

when KING entertainment's public relations department received the news, they were dumbfounded. they immediately called young master qin. what should they do?

jun yue announced their relationship. if they denied it, wouldn't it become a dog fight between the two sides?

this was exactly what lu wei wanted! It wasn't?

young master qin's expression was very gentle when he received the call. " i'm not the one who's rumored to be in a scandal with lan yu. tell the news to the female lead and let her decide. "

The public relations manager swallowed his saliva. Was boss Qin not going to care anymore? or was there another conspiracy?

However, he had to listen to boss Qin's words, so he immediately called Qin Chen and stammered as he explained the situation.

Chapter 2966: I'm not the one who started the scandal (3)

the public relations manager had called qin chen to tell him that ceo lan had unilaterally announced their relationship. what should he do?

If you're prepared to deny it and give CEO LAN a hard slap in the face, our public relations department will also cooperate.

"I understand," Qin Chen replied indifferently. Then, he hung up.

The public relations manager was puzzled. Qin Chen's temper wasn't that good.

Miss Qin, who had been raped by a man at the door of the president's office and was now rumored to be flirting with them, had actually endured it.

After the public relations manager hung up, Qin Chen called again, his voice calm. inform the Grand Hyatt that I want 500 million Yuan for my appearance fee. Otherwise, I won't be appearing at the anniversary celebration.

...

The public relations manager swallowed his saliva.

500 million.

he narrowed his eyes so much that he didn't want to rob them, but he quickly came back to his senses. he and miss qin were on the same side. they should have made the grand hyatt pay 500 million. who told them to spread rumors? didn't reputation need money?

the public relations manager was bold and confident, and shamefully dialed the number of the grand hyatt. the public relations department naturally did not have the authority to directly agree, so the phone was passed to lan yu.

Lan Yu picked up the phone and pondered for a moment. "Sure, but let miss Qin come to me personally to re-sign the contract."

The public relations manager told Qin Chen.

Qin Chen went to the Grand Hyatt two days later. This was her first time here.

but when she stepped into the elevator, she felt a sense of familiarity.

Especially when he placed his hand on the wooden door of the president's office, the image that flashed through his mind ...

the man and woman were entangled like snakes.

he was drenched in sweat and panting.

Qin Chen shook his head, trying to get rid of the imagination in his mind, but it was very difficult.

and that face was lan yu.

qin chen panted for a moment, and he lowered his hand from the door. he felt that his past with lan yu wasn't that simple.

the image was so real that it didn't seem like an illusion. she could even remember the decorations in his office when she closed her eyes.

She was sure that it was not her first time here.

At least, before she lost her memory, she had been here, and that was a memory she didn't want to touch.

Just as Qin Chen was about to leave, the door opened from the inside.

lan yu stood at the door and looked at her quietly. ” “why didn't you go in?”

He was wearing a classic shirt and suit today. He looked very handsome, but also very serious.

It was very different from the image she had in her mind.

She looked at the office behind him.

It was exactly the same. The decorations were exactly the same.

then the image in her mind just now was real.

he had once made love with a woman in the office, or rather, fooled around, and she had seen him?

Qin Chen was full of rejection towards his office, and he took a step back. CEO LAN, let's talk in the guest room!

lan yu turned sideways to let her look inside. his tone was very business-like and very cold, ” “Miss Qin, if you think there's something strange in my office, you can check it. Also, if you're worried that I'll molest you, I'll get my Secretary to come over.”

He paused for a moment. I'm not so perverted as to do anything to miss Qin in front of my Secretary, right? ”

“Who knows?” Qin Chen snorted.

“even if i don't care about miss qin's international influence, i still have to worry about the qin family and the rong family, right?” lan yu opened his mouth gently and motioned for her to come in.

Qin Chen walked in and sat down on the sofa.

Chapter 2967: I said, can you leave?

Qin Chen walked in and sat down on the sofa.

she realized that he had called her miss qin today and not mrs. rong.

this meant that he was doing his job properly. if he lost his rationality, he would mockingly call her mrs. rong.

“CEO LAN, did you call me here to agree to the 500 million appearance fee?” Qin Chen asked.

Lan Yu didn’t answer her directly but went to the water dispenser to pour her a cup of fruit tea. He handed it to her after pouring it.

He didn’t sit down, but propped himself on the back of the sofa on both sides of her body and leaned over to tease her.

...

Qin Chen leaned back,”CEO LAN said nothing would happen, ran ran.”

his entire posture was impeccable. his elbows were bent and his body was forward, almost touching her face.

“Miss Qin has been in the fashion industry for so long, I don’t think you’re so naive to think that you can believe a man’s words.” his voice was hoarse, but he quickly left her body and sat opposite her. ” let’s take a look at the contract. If there’s no problem, then we can sign it. I’m very busy too.

Once he left, Qin Chen heaved a sigh of relief and gritted his teeth. “ceo lan, don’t you think that you’re a little too much?”

lan yu chuckled and reached out to take the tea from her.

anyway, she wouldn't drink it on her guard, so she might as well let him drink it.

As he sipped his tea, he said mockingly, "when I got close to you just now, your heart rate went from 72 beats per minute to more than 80 beats per minute. Mrs. Rong, are you longing for a man?"

Mrs. Rong?

"I'm not going to sign it," Qin Chen closed the contract.

then, we'll fulfill the previous contract. Lan Yu put the cup down heavily and looked at her with an indifferent gaze. "Qin Chen, if I'm a man you can throw away whenever you want, then you can't come and go as you please at the Grand Hyatt. You can't just go back on your word after signing the contract."

"What do you want?" Qin Chen stood up.

Lan Yu was still sitting, his long legs crossed, his eyes full of interest. "are you angry? The Qin family's little princess really doesn't know how to hide anything in her workplace. When she was a doctor, she always gave in to everyone, and now she's still like this. Should I tell you about your fate?"

qin chen mimicked his mean expression and sneered. "I don't talk to men with endocrine disorders either. As for the compensation in the contract, Wanwan ...

"go and find qin mo," she said shamelessly.

"he asked me to find you." "He said that his sister isn't in the company, only his employees." Of course, miss Qin can still make a fuss in private."

As he spoke, he threw another contract at her. "It's clearly written here that if miss Qin breaks the contract, the penalty will be 300 million Yuan."

“why don’t you just rob someone?” qin chen snorted.

“I learned it from miss Qin. Miss Qin’s offer was 2.5 billion, so there’s nothing wrong with this little penalty. Isn’t it?” Lan Yu stared at her, his eyes filled with a ruthless expression.

Ever since Qin Chen started working in the fashion industry, sister Kuan had been in charge of everything. This was the first time that she had to do this on her own because Qin mo had sent sister Kuan away.

seeing him like this, she felt that there was no need to talk to a split-personality, so she stood up and walked towards the door.

“You think you can get away?” lan ding’s cold voice came from behind.

Qin Chen turned around and was pushed against the door by a force.

A pair of lips pressed against hers, and then they were pried open. A liquid slid down her throat, and it tasted strange.

Chapter 2968: Qin Chen, let’s get married (1)

Qin Chen’s eyes widened as he looked at the man in front of him.

she wanted to struggle, but he held the back of her head and didn’t let her move, and she was kissed firmly.

the taste in her mouth was so sweet that she felt sleepy.

her body softened slightly, but her eyes were still looking at him.

Lan Yu's body pressed her firmly against the door. Even though she was asleep, he still kissed her for a long time.

It was a very deep kiss.

...

when he was satisfied with the kiss, he carried her to the lounge and placed her on the big bed with the white sheets.

she slept quietly while he bent his body and took off his coat one by one, followed by his shirt.

there was no emotion on his face, as if he was on a mission.

After removing everything, he leaned over and kissed her, his big palm moving down firmly.

.....

when qin chen woke up, it was already afternoon.

She opened her sore eyes and felt that her body was even more sore and painful.

his entire body felt like it had been run over, and the pain was excruciating.

he sat up abruptly, but it also affected the pain in a certain part of his body.

She lifted the blanket and was stunned. She then pulled it up and fell into a daze.

she had been raped by someone.

no, it should be said that she was a crazy woman. she wasn't a fool. when she was about to leave, lan yu had fed her medicine when he kissed her.

There was no problem with the tea, but he had prepared the medicine.

damn it, he had been waiting for her to take the bait.

Just as Qin Chen was in a daze, a handsome man stood at the door. It was none other than the beast who raped her.

lan yu stood at the door, smiled lightly, and slowly walked closer.

He was holding a document in his hand. When he walked up to her, he threw it in front of her. “qin chen, this is a contract. take a look before you make a decision.”

Qin Chen glanced at her and opened it. However, as he looked at her, her face started to turn pale.

“The Rong family Biology Group in France is in a very bad situation right now. Mrs. Rong’s net worth has also gone from being hundreds of billions of yen to being penniless.” lan yu leaned against the door and smiled faintly.

qin chen put down the report in his hand and looked up at lan yu. ” “you did this?”

after she finished speaking, she took a black shirt from the side and put it on. it was his shirt.

and she couldn’t find her own either.

Suddenly, Qin Chen wanted to smoke.

Actually, she didn’t smoke, but at this moment, she really wanted to.

He was very frustrated.

she was very clear that everything lan yu was doing now was to treat her as mrs. rong.

yes, it was mrs. rong.

It was also to deal with.

The infatuation he had shown from the beginning to the end was just an illusion. He hated her from the bottom of his heart.

Qin Chen put on his clothes, stood by the window, and turned around. “do you have a cigarette?”

she had no feelings for rong biology, but it was not a simple company. it had mastered too much biotechnology, and the consequences would be serious once it disintegrated.

In the past three years, she didn’t participate in the company’s research and development, but she, Qin Chen, had the final say on what kind of results went public. She couldn’t imagine what would happen if the company disbanded.

alright! Lan Yu threw the cigarette box over. I’ll give you ten minutes.

Qin Chen lit a cigarette with great familiarity. This action came from her instinct, and she was stunned.

After that, she took a puff of her cigarette and asked with her back facing him, ” ” you clearly hate me, you clearly know that i’ve forgotten everything. back then, i left you because i wanted to be with someone else. why do you still insist on it? ”

She turned around. will you be happy if you marry me? ”

lan yu was still leaning against the door, playing with a pure gold lighter in his hand. he smiled faintly, ” “I don’t know if I’ll be happy, but I know you won’t.”

Chapter 2969: qin chen, let’s get married 2

qin chen smoked his cigarette, his long and beautiful eyes squinted. after a moment, she said, ” ” i can marry you, but rongyue will not change his last name. also, i don't want to live with you. ”

“you must all live with me. it doesn't matter if you don't change your last name. i'm not interested in letting rong lei's child call me dad.” “Also, we'll keep our marriage a secret,” Lan Yu said coldly.

“Didn't you just announce our engagement to the public?” Qin Chen chuckled.

He looked at her, his gaze calm.

then, qin chen understood that he would make the public think that his announcement was just a public relations tactic and that they wouldn't be together.

She didn't make a sound and just stood there smoking.

...

She was carrying him.

She was still wearing his shirt, just like before, but her short hair had become a woman's long hair.

however, when she stood there and smoked, lan yu felt that she had returned.

She was still the same Qin Chen, heartless!

he slowly walked over and hugged her from behind. his thin lips touched her shoulder and slowly moved to her neck.

“tell me your decision. do you want the rong family to be finished, or do you want to marry me?” His voice was very gentle, but this gentleness made people feel unspeakable fear.

Qin Chen didn't move and continued to smoke. how many years? ”

“What?” He was still kissing her.

Qin Chen’s voice became even fainter. I mean, how many years of marriage? ”

he was probably annoyed by her attitude, so he bit her neck hard, and she cried out softly.

She was finally no longer calm, which made him feel better. He was willing to answer her question.”one year,”

one year was enough. one year was enough for him to have enough of her and then kick her away heartlessly.

“My preservation period is only one year?” Qin Chen frowned.

Lan Yu didn’t expect her to say that Wanwan didn’t care so much about this in the past.

what else? ” he laughed coldly. support you for a lifetime? ”

Qin Chen calmed down and said lightly, ” I can sign it, but I have a job and can’t be with you all the time. Besides, Rong Yue needs to go to school, and you probably don’t have the mood to take care of someone else’s son, so you can leave him with my mother. I’ll pick him up and let him stay with us when I’m free. if you agree, i can sign it. of course, i hope we can live separately.”

“I’ll summon you when I need you, okay?” Lan Yu sneered.

He looked down on her, but as he looked down on her, he lifted her shirt up and took her in.

“we haven’t registered our marriage yet, and we’re not even married.”

“even if i didn’t, i’ve done it many times. qin chen, i like your body, but that doesn’t mean i can tolerate you every time.” As he spoke, he turned her around and carried her to the window sill.

after that, neither of them had time to talk.

His technique was very good, much better than the previous time. He was not as anxious as before, and this time, it felt like a punishment.

qin chen's hand pushed his shoulder. "lan yu! Let me down."

after all, she only had one intimate moment with him in her memory. she couldn't accept this kind of embarrassing trick.

lan yu kissed her and carried her to the bed as he kissed her.

he did not make things difficult for her and did as she wished.

however, qin chen immediately regretted using the traditional method, but he was so barbaric that he didn't seem like a civilized human.

He was still wearing top-tier clothes and accessories, but his actions were like that of a beast.

It was inevitable that she would get hurt if she kept doing it like this.

Chapter 2970: Qin Chen, let's get married (3)

The clouds dispersed and the rain came back.

lan yu was leaning on the bed and smoking.

Qin Chen fell asleep.

he turned his head and looked at her for a moment, then continued to puff.

qin chen didn't wake up. he was in a deep sleep, and he knew how ruthless he was.

It was because many years later, he finally found a chance to vent his anger, so he wanted to take her body as if he didn't care about his life.

...

He finally put out the cigarette, lifted the blanket, and walked into the bathroom naked.

When he came out, he had already changed into a set of clothes. He was wearing a pair of iron-gray trousers with light blue stripes, looking very handsome.

"Kevin, come over for a moment." He dialed the internal line in the office.

"Boss." Kevin knocked on the door and entered after a minute.

lan yu leaned on the leather sofa and lowered his gaze. "ask the secretary to buy me some external injury medicine."

"CEO LAN is injured?" Kevin asked in confusion.

Lan Yu walked over and poured himself a cup of coffee, his expression indifferent. "Miss Qin is injured."

kevin was even more stunned as he muttered, "Miss Qin, did ran ran get hurt by CEO LAN?"

lan yu's gaze was a little impatient. "it's a private wound. don't buy the wrong one."

this time, kevin instantly understood. then, in his heart, he prostrated himself in admiration of their ceo lan.

he was too good at squinting.

CEO LAN slept with Qin Chen!

Oh my God, CEO LAN slept with Qin Chen again!

Lan Yu's gaze was a little deep. don't spread this around. Also, help me call lawyer Xu over. I have a document for him to handle. Remember to use money to shut his mouth.

"don't worry, ceo lan," kevin replied solemnly.

less than ten minutes after kevin left, grand hyatt's senior lawyer xu came over.

lawyer xu used to follow father lan until the era of lan yu. he was still a mid-tier pillar in jun yue's legal team.

seeing him come in and sit down, lan yu pushed the documents in front of him and said in a calm voice, "Lawyer Xu, please help me with this as soon as possible."

lawyer xu chuckled. "what's the rush? lan yu, you're not a hasty person."

as he spoke, he flipped through the documents.

He was stunned after just two glances. He looked straight at Lan Yu, "You've decided on this?"

Lan Yu took a sip of tea and said in a very calm tone, "yes, i've decided."

As a veteran, lawyer Xu naturally knew about the relationship between Lan Yu and Qin Chen. He was actually not optimistic about it.

Back then, Lan Yu was hurt and he had seen it all, so he still advised, "Why don't you think about it again?"

lan yu put down the cup in his hand and smiled slightly, "No need, I've thought it through."

In this life, he would never give up if he didn't get entangled with Qin Chen once.

seeing that he couldn't persuade him, lawyer xu thought for a while and said, "I can do this, but I'll still tell your father."

Lan Yu nodded.

lawyer xu had a good personal relationship with his father, so it was normal for him to report this matter to his father.

Seeing that he was so forthright, lawyer Xu didn't know whether to laugh or cry. He raised his body and knocked on him."you just want me to talk to your dad about this, don't you?"

Otherwise, it wouldn't be impossible to let the Secretary handle this kind of thing!

lan yu didn't deny lawyer xu's jesting and only smiled faintly.

Just then, Kevin came in with a new tube of medicine in his hand. director LAN, this is the medicine you wanted.

lan yu took it and said,"you can leave first."

kevin left.

Lawyer Xu looked at the medicine in Lan Yu's hand-

After all, he was an experienced person. After looking at it for a while, he slowly said, "since you're getting married, you can't be too rough to her. You have to take care of girls.
