

## Thank you 2981

Chapter 2981: lan yuhe VS little rongyue (1)

in contrast to his sharp tone, qin chen was very gentle. ” it’s inevitable for men to come into contact with those things at work and social events. i won’t interfere so much. also, i just want you to help me with something. ”

“why didn’t you say so earlier?”

“You didn’t give me a chance.” Qin Chen continued to smile.

Then, she asked him to take the key to the apartment from the bag that she had left behind, go to the apartment to find a copy of Rong Yue’s information, and send it to her parents ‘house.

“That’s it?” Lan Yu was a little upset after hearing this.

yes, ” Qin Chen said softly, then, probably to make him happy, he said softly, ” “also, you should sleep early.”

...

Lan Yu’s reply was to hang up the phone. After hanging up, he felt that he seemed to have overreacted and was a little neurotic.

He closed his eyes and tried to fall asleep, but he couldn’t fall asleep after taking the call. The familiar fragrance on the pillow seduced him, and he held the pillow in his arms even more reluctantly.

For a moment, she felt that she was a little perverted, so she got up and went to the bathroom.

In the sound of water, Mr. Lan sighed, Without his wife by his side, he could only spend his days with his right hand.

the next morning, he went to the apartment early in the morning, found the things she wanted, and sent them to the qin family.

It was ye Liangqiu who received him. She was very polite, and Qin Chen had probably told her about their current relationship.

Lan Yu had to go to the company, so he didn't stay for long. When ye Liangqiu sent him to the car, she said, "Qin Chen is my daughter. I don't know what's going on between you two, but I know that she cares about you. however, that was in the past. she doesn't remember anything now."

lan yu's body stiffened for a moment. his fingers held the car door but he didn't move for a long time.

He didn't turn around and just stood there frozen.

At this moment, a soft little thing hugged his leg from behind and said in a baby voice, "Uncle," he said.

lan yu lowered his head and saw little rong yue.

xiao rong yue, who was at home, was wearing one-piece pajamas. it was obvious that he had not gotten out of bed yet. he had only run downstairs after hearing the sound.

Lan Yu looked at it carefully, and his heart wavered a little.

The baby in the one-piece pajamas was really cute.

Even if he was born from a love rival, he could not help but feel his heart soften. He picked the little guy up with one hand. you're not up yet? "

Xiao Rong wrinkled her little nose, her small hands wrapped around Lan Yu's neck, and said with embarrassment, "i can't take off my pants. i need to pee."

He had come to find his grandmother, but there was a man here. Xiao rongyue was more willing to let a man do this kind of thing for him. His mother said that ding ding could not be seen by old

women. His grandmother was an old woman, so she was also one of the women his mother had said.

lan yu looked at the little guy's clothes and could tell in a few seconds that they were harder to take off than women's clothes.

Especially since Qin Chen used to only wear sweaters and shirts, it was not difficult at all.

As he thought about this, he reached out and carried the little guy back to the main residence. He personally undid the little guy's clothes and waited on him to pee.

little rong yue sighed in satisfaction as he made a sound.

Lan Yu found it extremely funny. After he was done, he personally put on the clothes.

ye liangqiu suddenly pushed open the door.

xiao rong yue screamed, " grandma! "

Her little body was like a little monkey as she climbed onto Lan Yu's body. As the soft touch passed by, Lan Yu's heart felt a little strange, and his scalp felt numb.

## Chapter 2982: LAN Yuhe VS little rongyue 2

ye liangqiu entered, looked at the little monkey, and smiled helplessly."Mr. Lan, an LAN just called me. I have something to deal with. Can I let you take care of rongyue for a day? after all, with your relationship with qin chen, you'll have to take care of him together in the future."

lan yu frowned slightly, but agreed without thinking.

He reached out and carried Rong Yue with one hand. go and get some clothes. I'll take you to breakfast.

Ye Liangqiu had wanted to say that she was at home, but then she thought that she should give them some private time to spend together, so she nodded and smiled. "That's good."

Little Rong Yue, who was in Lan Yu's arms, pointed upstairs with his little finger. "It's over there,"

he was so young, but he was already spoiled since he was three years old. although he was a boy, lan yu could still vaguely see qin chen's shadow from three years ago, the extravagant qin chen.

...

Lan Yu walked into little Rong Yue's bedroom. At that moment: After confirming one's gaze, one met an extravagant person.

He touched his forehead, feeling a little amused, but at the same time, his eyes were a little wet.

He actually missed it so much.

as for xiao rong yue, he did not care about his extravagant style and felt that it was natural.

he jumped down and slid into the changing room. " "i can change my clothes."

lan yu laughed in spite of himself. then why did she need his help when she was urinating just now?

he walked to a set of cabinets and picked up one of the ornaments. it was ivory.

then, he picked up another map of the entire crystal world.

He took a step back. How delicate would a child who had been raised with such effort grow up to be?

It wasn't that he couldn't afford it, but he felt that boys should be rougher. How could they be raised like girls? when they grew up, their hobby was to read magazines and shop for new styles.

as he thought about this, little rong yue had already changed his clothes and came out. he had a shirt on the inside and overalls on the outside. with his round little head, he had a very accurate grasp of cuteness and cuteness.

The delicate little thing walked in front of Lan Yu, raised her little face, and asked softly, ” “will you hug me?”

lan yu was almost discouraged.

however, he quickly smiled warmly. ” “I will.”

he picked up the little fellow with one hand and walked downstairs. ye liangqiu was still there, so lan yu only exchanged a few words with him before carrying the little fellow away.

After they left, ye Liangqiu called her husband, blabbering, ” “hubby, how was my acting?”

qin anlan hid in the bedroom and said softly, ” “honey, your acting is the best. are you acting as a nurse or an air stewardess tonight?”

“get lost!” ye tian, who had become a grandmother, shouted.

on the other side, lan yu brought the little guy into the car. just as he was about to start the car, his secretary called. ” ceo lan, the meeting will start in half an hour. when will you come to the company? ”

Lan Yu raised his hand and looked at his watch, then immediately made a decision. “help me buy a set meal for children.”

the secretary was stunned for a moment-

what’s wrong with ceo lan today? why would she want to eat a children’s meal?

lan yu hung up the phone very indifferently and said to xiao rong yue in the back seat, ” “let’s go to uncle’s office to eat later, okay?”

xiao rong nodded obediently, looking especially cute.

Once again, Lan Yu felt that Qin Chen had raised a good boy into a delicate one, but he didn't say anything and only focused on driving.

When they arrived at the Grand Hyatt headquarters, the black sports car stopped. Lan Yu led the beautiful little boy out of the car.

the employees of grand hyatt went into an uproar.

president lan and qin chen had just been pulling and tugging the other day, and today they made such a big one?

#### Chapter 2983: LAN Yuhe VS little rongyue (3)

President LAN and Qin Chen had just been pulling and tugging the other day, and today they made such a big one?

moreover, this guy and president lan really looked like yueyue had confirmed that they were biological children.

Lan Yu didn't think so. He only felt that Xiao rongyue and Qin Chen were very similar. On the contrary, he ignored his own appearance because he had never dared to think like this.

She carried the little guy with one hand and walked into the elevator, breaking the hearts of all the women on the floor.

This time, CEO LAN had completely settled down (he had even acknowledged someone else's son).

lan yu couldn't be bothered with those gazes and stood in the elevator with a dark face while holding the little person.

...

xiao rong pulled at his face, "uncle, are you unhappy?" "uncle, are you happy?"

"No, I didn't," Lan Yu was expressionless.

"I know that uncle doesn't like me, but please send me back to my grandmother's house!" The little boy sighed.

At such a young age, he already knew how to retreat in order to advance.

Lan Yu looked at the little fellow and frowned. "I don't dislike you."

"but uncle doesn't smile, and he doesn't show any signs of liking me."

After saying that, he was no longer happy.

that expression was exactly the same as qin chen's in the past.

Lan Yu really felt that he was quite cheap. There were so many women in this world. Even Lu Wei was cute in the past. She was very obedient and teased him.

Look at what he had now?

The older one was disobedient and ran all over the world. As a married man, he didn't even have a normal sex life and had to help her take care of her ex-husband's child.

this child was really smart!

How could Lan Yu not know?

but even though he knew, he couldn't help but feel soft-hearted towards this child.

She was evil, cunning, and hateful, but she was damn cute.

lan yu's expression softened and he squeezed out a strange smile. "Uncle really likes you."

The weird little thing immediately covered its body and screamed, "uncle, don't!"

The elevator door opened, and there was a large row of high-level executives standing at the elevator entrance, as well as Lan Yu's Secretary and assistant.

They all looked at their CEO in shock!

director lan was carrying an overly beautiful child. at this moment, director lan's expression was very wretched, and the child seemed to be frightened.

all these years, ceo lan had been living like a monk. now, he was so desperate that he even wanted to kill a child?

Under those gazes, Xiao Rong became even more energetic. She cried and struggled,"uncle, mom said not to let bad uncle touch it."

Outside, gasps could be heard.

CEO LAN was really, really terrified.

Lan Yu's face was completely black as he lowered his gaze to look at the little person in his arms.

he had just thought that he was a little angel. he had forgotten about the incident in zhao yan's restaurant. now that he had suffered a loss again, he was sure that he was a little devil in sheep's clothing.

He swept his gaze across the people present and said in a low voice, ” “postpone the meeting for half an hour.”

At this time, the Secretary trembled as she brought the children’s meal.”CEO LAN, this.”

so, ceo lan likes to raise pets now!

Lan Yu’s gaze was stern. As he took it and left with big steps, he left a sentence, ” “This is Qin Chen’s child.”

what he meant was,”don’t talk nonsense. if anyone dares to spread a word about what happened today, don’t even think about spending the rest of your life at grand hyatt.”

the threat in his words was actually understood by little rongyue. he was carried on lan yu’s shoulder and even blinked his beautiful eyes at lan yu’s secretary, ” ” KING entertainment welcomes you, pretty lady. ”

Lan Yu’s Secretary, an ran, melted from the sweet and domineering aura.

Chapter 2984: LAN Yuhe VS little rongyue (4)

Lan Yu’s Secretary, an ran, melted from the sweet and domineering aura.

god, where did the heavens send such an evil and cute baby? i really want one.

“boss and miss qin have a secret marriage. it’s a secret,” kevin whispered.

anran blinked. ” really? ”

“that’s fast,” kevin said.

an ran smiled. after a while, she whispered, " I knew President LAN and Lu Wei wouldn't be together. If they were, they would've stayed together a long time ago.

...

President LAN was a man in his early thirties. Which man in his early thirties didn't need anything?

if a man didn't touch you, it wasn't because he respected you, but because he didn't want you at all.

lu wei was too blind!

See, the main character came back and immediately got married. This was a sign of love.

Even if he said he hated her, it would be pretentious. Men were much more pretentious than women.

while the secretary and assistant were busy making up stories, lan yu had already brought the little guy into the office.

that detestable little thing was thrown onto the sofa. lan yu pulled his tie and looked down at him. " "continue acting, continue acting."

little rong yue's small body shrank and he looked at him anxiously, " "are you going to hit me?"

"i will." Lan Yu snorted, then looked at the little thing. "Are you afraid?"

the little thing's face actually showed the contempt of a king. " you hit me. i will tell mom and ask her not to sleep with you. "

Lan Yu was simply infuriated. He bowed slightly, " "Who told you that?"

The moment Xiao Rong Yue spoke, he betrayed Qin Anlan. "Grandpa and Grandma told me."

Lan Yu snorted coldly, 'what a family of bad things!

He sat on the sofa, picked up the little thing, and put it on his lap.

She wasn't in a hurry to hit his little P \* s. Instead, she touched them gently. do you know that you were wrong now? "

little rong yue burst into tears, "i know i was wrong." i'm begging uncle not to sleep with my mommy. she's mine."

He was crying so hard that his hands and feet were struggling. That pitiful look made Lan Yu feel like he was harming a young National prostitute.

His heart softened, and he wanted to carry the little guy up to comfort him. But as soon as he picked him up, he realized that Yingluo was lying on the ground.

Fake!

Not a single tear!

it was all an act!

lan yu sneered, 'it's a pity i'm not a child star.'

Xiao Rong Yue's mind was transparent as he cried out, "I have such a noble status, how could I possibly be an actor!"

Lan Yu no longer paid any attention to this trouble-maker and directly laid him down, his large palm smacking his butt.

again and again, without any mercy.

this time, the little thing was really crying. she was crying so hard that she no longer had any dignity.

Lan Yu hit him hard and only stopped when his palm hurt a little.

Xiao Rong Yue was lying on his legs, twitching from time to time. He was still holding on. "I'm telling you, I won't forgive you."

"If that's the case, should I hit you harder?" lan yu looked at the sweat on the little one's head and his voice became a little gentler. a touch of gentleness also slid across the bottom of his heart.

"does it hurt a lot?" he touched her gently.

"You try." the delicate little fellow muttered softly, but she did not dare to provoke lan yu anymore and only dared to complain in a low voice.

"you're not naughty, so of course i won't hit you." lan yu laughed.

The little thing who was lying on the ground moved and looked up."i can't guarantee that."

"I can't guarantee that." lan yu looked at the overly beautiful little face and his heart completely softened. momo, i'll touch him. i feel that boys are so unbelievably soft.

if she hadn't seen him pee, she would've suspected that qin chen was a pervert who raised his daughter like a son!

Chapter 2985: LAN Yuhe VS little rongyue (5)

lan yu looked at that pretty little face and couldn't help but overlap with the qin chen in his memory.

Her love for Qin Chen was buried in his hatred, so she couldn't express it. Instead, she had some kind of love for his small face that could be expressed.

lan yu reached out and picked up that small hand. before he regained his consciousness, he kissed his face and said in a hoarse voice, " "Uncle apologizes to you."

xiao rong yue looked at him. his eyes turned and turned. his stomach was originally full of mischief, but he suddenly swallowed it.

This uncle seemed to like him very much.

The little girl was still in tears. I'm telling you, don't be too obsessed with me, Yingluo. Also, don't touch my P shares. I'm going to be a lawyer in the future. Be careful or I'll Sue you to death.

...

lan yu smiled and reached out to stroke his little head. " can i hug you? "

"you can be infatuated with me, but you can't go too far, because when i grow up, i want to marry a woman," xiao rong yue said very proudly.

the little guy had long forgotten that he had been beaten up in the P \* s. he looked at lan yu again. " but you can be infatuated with my mother. she's very beautiful too, isn't she? her breasts are big and her waist is thin. it's nice to touch. "

The villain was spouting nonsense, but the man who had personally controlled it felt his heart flutter, and there was an unspeakable longing in his heart.

Finally, he stared at little Rong Yue and asked in a low voice, " "Do you know where your mother is?"

Xiao Rong thought about it seriously for a while.

Lan Yu's expression was rather nervous as he kept looking at his little face.

"i promised mommy to keep it a secret." the little guy coughed.

Lan Yu's eyes narrowed as he looked at the children's meal at the side. He asked the little fellow very softly, " "are you hungry?"

It would have been better if he hadn't said it. Once he said it, little Rong Yue was really hungry. Hence, with tears in his eyes, he looked at him with his most adorable expression.

"Tell me and I'll have breakfast," Lan Yu replied, unmoved.

"You're abusing children." little rong yue was not someone to be trifled with. he climbed down from his arms and said angrily, " "if i lose a piece of meat, uncle, you'll lose a tael of your little d \* ck."

Lan Yu's throat rolled and his voice was gloomy, " "who taught you that?"

This posture looked like he was pressing the little guy down and beating him up. Little Rong Yue cried out, " "You only know how to bully me."

lan yu did not soften and glared at him.

the little guy crawled to the other end of the sofa and stopped crying. he just turned his little face away and sulked.

From Lan Yu's point of view, her skin was crystal clear and extremely beautiful.

his heart was filled with gentleness, but he didn't want this little bad thing to notice, so he kept looking at her.

After a long time, the child finally couldn't take it anymore and ran over to climb into Lan Yu's arms. "I'm hungry."

she was teary-eyed and looked very pitiful.

"You're still going to be naughty in the future?" Lan Yu looked at him.

"no, i won't." Xiao Rong Yue was very obedient.

As for Lan Yu, he clearly knew that the little fellow was just coaxing him, but his heart was still moved. He took the child's meal and fed him personally.

her small face was fair, and her small lips were red and moist. she was indescribably beautiful.

Lan Yu's gaze subconsciously softened.

when his secretary, anran, came in, she was greeted with such a heartwarming scene.

the child was really beautiful, but after being amazed, an ran thought to herself, " This child looked like CEO LAN. If she didn't know that he was Qin Chen and Rong Lei's biological child, she would have thought that he was CEO Lan's son!

" director lan, " anran said softly. " the meeting is about to start. "

Chapter 2986: he kissed someone else in front of her (1)

Lan Yu's gaze became gentler. it will be fine in a moment. Oh right, you will accompany Rong Yue later.

When he said that, he was extremely natural, as if Rong Yue was his son.

An ran's heart skipped a beat, and she couldn't help but smile."Alright, CEO LAN."

Lan Yu looked at her and didn't say anything else. After feeding Xiao Rong Yue, he wiped his mouth, " "i'm going to a meeting later. be good and don't run around, okay?"

"I want to read." Xiao Rong Yue pointed at the large bookcase.

Lan Yu laughed. there might not be any books that you'd like to read. Secretary an, get someone to buy a shelf of books.

...

he seemed to have thought for a moment. " arrange a cabinet and put it there. rong yue can look at it directly when he comes over in the future. "

Secretary an blinked and thought,"how doting!" if ceo lan was like this to qin chen, he would've probably won him over long ago.

however, as the secretary, she didn't dare to meddle in her boss's private affairs and could only do as she was told.

ten minutes later, all kinds of children's books were brought in. anran personally arranged a bookshelf and put it away. she even considerately brought some snacks and brought her laptop over to deal with things.

&Nbsp; Lan Yu extended his hand and rubbed Little Mo. I'll take you to lunch.

the little thing who was well-taken care of did not even raise her head.

Lan Yu was embarrassed, and Secretary an smiled at her superior. "Don't worry, CEO LAN. I'll definitely take good care of young master Rong."

Young master Rong's disdainful eyes darkened.

When he walked out, his fingers were clenched into fists.

he had thought that since he and qin chen were married, it was not good for rong yue to have the surname "rong."

at this moment, he had actually forgotten his promise to her. he only wanted to continue walking with her.

After the meeting, little Lan Yu had fallen asleep when he returned to the office. He was sleeping like a little pig and was covered with a small blanket.

it was peppa pig, and she had no idea where secretary an got it from.

Secretary an smiled as he entered. “you fell asleep in a short while. you still want to drink milk before you go to bed.”

after she finished speaking, she felt that it was inappropriate.

however, lan yu did not seem to be angry. he just walked over to the sofa and sat down, his large palm gently touching little rong yue’s small face.

It was warm, warm. He lowered his head and smelled it. There was also the fragrance of milk.

lan yu looked up at secretary an.

secretary an was a little embarrassed and said, ” “He made a scene, so I went to buy some milk for him to drink.”

Lan Yu nodded, and his gaze turned to Yingying.

It was a very beautiful milk bottle.

It was a pink milk bottle with a little piggy on it.

Secretary an’s voice trembled even more.”It was little Rong Yue’s request.”

she thought that president lan was angry, but he only said indifferently, ” “I know, you may leave!”

after secretary an left, lan yu’s gaze fell on the little person’s face.

at this moment, his own expression was somewhat depressed.

He felt that he was almost a pervert.

he had actually overlapped the little person in front of him with qin chen, and added all his love and hate for qin chen to the beautiful little boy in front of him.

He wanted to hug him and kiss him.

however, that was rong yue's son, yingluo.

He must be crazy!

Lan Yu walked to the bathroom and splashed his face with cold water. When he raised his head, he looked at himself in the mirror.

he felt that he had lost control.

she clearly hated qin chen and their marriage was only temporary, but he took it seriously.

at that moment, his phone rang in his pocket. he took a look and saw that it was a call from lin sisi's nursing home.

Chapter 2987: He kissed someone else in front of her (2)

lan yu looked at the mirror and said in a deep voice, " "what is it?"

The director was the one who called him, and his voice was trembling."CEO LAN, something happened to sisi."

"what's going on?" lan yu looked at himself in the mirror and pulled on his tie.

The hospital director spoke very quickly,"didn't the charity Association come to our place?" "after sisi went over to take a look, yingluo started making a fuss. now, she's curled up into a ball. also, yingluo locked a famous model in her small room and didn't allow anyone to enter. we don't know what's going on inside, and sisi refused to come out. no matter how we called for her, she wouldn't come out. we're worried that something might happen, so we're troubling you, ceo lan."

“I’ll be right there.” Lan Yu’s eyes narrowed.

As he spoke, he walked out, and his gaze fell on Little Rongyue. After hesitating for a moment, he pressed the internal line and called Secretary An. Take care of Rong Yue. I have something to do outside.

...

Secretary An came in quickly. She was a little puzzled, but she didn’t dare to ask.

Before Lan Yu left, he looked at Rong Yue’s little face again.

He lowered his head and could not help but kiss the little guy. He was very reluctant.

“If I can’t come back before I get off work, get Kevin to send him to my father’s house.” He arranged in a low voice.

Secretary An nodded.

After that, Lan Yu drove to Lin Sisi’s nursing home. The car arrived an hour later.

The car stopped and he walked in. He saw that there were many reporters in the sanatorium, as well as some staff from the fashion industry.

Lan Yu’s heart sank.

He thought of what Qin Chen had told him. She said she had a charity event, so he was doing charity here?

The dean was beside him, and Lan Yu’s expression was very ugly. “I remember that I transfer ten million Yuan to this sanatorium every year. Why? Do you still need this?”

Cold sweat broke out on the hospital director’s forehead, and he kept apologizing. “It’s our negligence. We originally wanted to raise our reputation. How would I know Yingluo?”

I'm not sure. Lan Yu looked at him indifferently. no matter what the result is today, you don't need to be the Dean anymore.

As he spoke, he headed upstairs.

Lin sisi's small room was in the middle of the second floor. He walked over and stood at the door, then knocked.

the nurse who usually took care of sisi was at the side. she was about to speak when lan yu glanced at her, " "Don't make a sound."

The young nurse pursed her lips and did not dare to say another word.

Lan Yu waited quietly. There was no movement inside.

He cleared his throat and said in a low voice, " "Sisi, I'm coming in."

as he spoke, he gently opened the door.

A scream came from inside.

he was stunned and immediately pushed the door open. he saw that sisi's forehead was bleeding.

The person she was entangled with was none other than Qin Chen.

lan yu was stunned for a moment, then he leaned back and lin sisi's body fell into his arms. " "blue universe."

Lan Yu hugged her and didn't care about Qin Chen at the side. He carefully held Lin sisi's head to check the wound. "How did you hit it?"

Lin sisi bit her lip and said in a small voice, " "she was the one who hit it."

Lan Yu raised his eyes and looked at Qin Chen, frowning. “was it you?” he asked.

A cold smile appeared on Qin Chen’s face. “yes. is your heart aching?”

She didn’t want to deny it, and she didn’t want to tell him that when she heard his voice, the little idiot in his arms would suddenly hit his head against the Kasaya and then frame her.

Qin Chen’s direct admission made Lan Yu’s face turn even uglier. “qin chen, do you still have a heart? she’s like this now, and you’re actually treating her like this!”

Chapter 2988: he kissed someone else in front of her (2)

“CEO LAN, you’re protective of women?” qin chen smiled coldly. ” i didn’t know that ceo lan was such a man. but if you are really like this, you can divorce me and marry this little idiot. ”

“Shut up,” Lan Yu suppressed his voice.

He couldn’t stand her calling him ‘little idiot’.

Qin Chen chuckled,”isn’t it?” No, I’m wrong. She’s not an idiot, you are.”

lan yu’s slap landed on her face.

Qin Chen was a little stunned by the crisp sound.

...

He had come in and criticized her indiscriminately, holding the little idiot so gently that he didn’t see how many injuries this little idiot had made on her body.

It wasn't that Qin Chen couldn't beat Lin sisi, nor that he couldn't bear to, but she still had to maintain her public image.

She looked at Lan Yu and sneered. She didn't want to argue with the little idiot, but that didn't mean she didn't want to argue with him.

hence, he raised his hand and slapped her.

Lan Yu's face also had an additional five-finger mark.

He glared at her.

At this moment, he also noticed Qin Chen's sorry state.

There were a few bloodstains on her face, like scratches from nails, and her hair was a mess.

He looked at it and his throat unconsciously loosened. "is yingluo injured?"

"Yes, your precious little baby caught it." Qin Chen said in a cold voice, then walked straight to the door.

At this moment, he realized that one of her high heels had fallen off, and one of her feet was stained with blood. She was obviously injured.

He called out to her before she regained her consciousness."wait a moment. We'll go back together later."

qin chen's body stiffened, and he only spoke after a long time, " " ceo lan gave me a slap. the date he gave me is not sweet at all. "

at this moment, lin sisi tugged on lan yu's sleeve and said in a small voice, " i want a kiss. " It hurts."

Lan Yu frowned and his voice was a little hoarse. sisi? "

Lin sisi's little mouth trembled, and her expression was especially hurt.

Lan Yu's heart softened a little, and in his heart, sisi was now a child, so he naturally kissed her on the forehead.

however, he didn't know how ironic it was in qin chen's eyes. qin chen looked on quietly and suddenly said, "lan yu, are you mistaken? the one you've been supporting all these years isn't me, it's always this little idiot. If you want a divorce later, I'll happily fulfill your wish."

lan yu's face darkened.

Lin sisi hugged his waist and buried her face in his arms. She started crying."Are you married? Didn't you say that you've been thinking about someone Yingluo?"

Lan Yu was extremely helpless.

only then did he understand why sisi was acting like this. she probably saw the scandal between him and qin chen on tv, and qin chen just happened to come over, so she deliberately acted like this for qin chen to see.

he couldn't bear to blame her and couldn't explain it to qin chen, so he could only watch qin chen walk out.

after they had left, he touched lin sisi's head and said softly and helplessly, "sisi, i finally found the person i like, but she doesn't remember me."

Lin sisi's eyes widened.

"is it her?" he asked with a strange expression.

lan yu nodded his head lightly, "en. "

"Then go after her quickly." lin sisi's face was filled with guilt. then, she wrung her hands."I'm sorry," she said.

She wanted to help him chase away the Vixen, but she didn't expect it to be the person he liked.

the person lan yu liked was so pretty. she especially liked her long hair and her high chest.

under lin sisi's hopeful eyes, lan yu smiled bitterly. "she has already forgotten about me. and she hates me now!"

Chapter 2989: He kissed someone else in front of her (3)

lin sisi bit her lips and apologized in a small voice.

She wanted to go and apologize, but Lan Yu refused.

lan yu helped her treat the wound on her forehead and comforted her for a long time before he walked out.

those people from before were no longer there, and of course, qin chen was no longer there.

lan yu stood on the lawn outside and called her. the phone rang a few times before it was picked up.

But it wasn't Qin Chen who picked her up, it was the staff member beside her.

...

the staff member probably knew lan yu's identity, so his voice was particularly soft, "ceo lan, miss qin is treating her wound."

"where is she?" lan yu's voice was unhappy.

The staff on the other side looked at Qin Chen. miss Qin, CEO LAN asked where you are. How should I answer? "

qin chen was being bandaged. he glanced over and said lightly, ” “Just say that I’m rushing for a job.”

the staff member understood and released his hand from the phone. ” ceo lan, miss qin has an event to attend next. ”

“give her the phone and let her talk to me,” lan yu sneered.

the staff member was quite indignant. what right did he have?

Miss Qin was also an international supermodel, and her family background was not bad either. She also owned 10% of King Entertainment’s shares. A woman like her didn’t need to please any man.

therefore, the staff member’s tone was quite aggressive. ” “miss qin doesn’t have time.”

lan yu’s voice turned even colder. ” i’m her husband. ask her if she has time to come home and make love tonight. ”

His voice was so loud that everyone in the nanny van heard him, and they felt extremely uncomfortable.

in the air, there were words of wonder!

Qin Chen’s head hurt, his body hurt, and even his feet hurt, but this blind and hateful man still dared to say that. She took the phone angrily, and her voice was even colder.”Lan Yu, what are you trying to do? Why are you calling me instead of comforting your little sweetheart?”

She was angry.

Although she didn’t want to admit it, she couldn’t deny it.

lan yu’s voice was suddenly cut off. after a moment, he said in a low voice, ” “Are you angry?”

“i don’t dare!” qin chen sneered. ” i just find it strange. ceo lan, even if you want to find a confidant, you should find one that’s pretty enough. or do you have such a weird taste? ”

lan yu did not explain and only told her, ” Rong Yue is in my office, but if I come back late, Kevin will be sent to my father. Are you coming back tonight? ”

Qin Chen was at a loss for words.

rong yue was stunned at his place?

now, no matter how dissatisfied she was, she could only endure it. she said softly, ” ” i’ll be back around eight in the evening. don’t send rong yue over. ”

after that, she coldly hung up the phone.

The staff around her looked at her.

miss qin and ceo lan’s marriage was a secret, right?

Moreover, it seemed that the relationship between the couple wasn’t very good. There were a few finger marks on miss Qin’s face. Yingying didn’t look like she was hit by that little idiot Lin sisi. Instead, she looked like she was hit by President LAN.

Everyone didn’t dare to speak, and Qin Chen didn’t have the mood.

in fact, she had lost her job because she did not want to face lan yu at this time. hence, when she arrived in the city, she had asked someone to book a presidential suite at the GM hotel. after entering, she had her assistant contact SP and did a facial on her face before her face had faded a little. however, if one looked closely, one could still see that there were traces of blood.

she had slept in the hotel for a few hours, and lan yu knew where she was during these few hours, but he was not in a hurry.

He made a sumptuous dinner in his villa.

he didn't know if it was an apology, but he hoped that she would come back tonight.

Chapter 2990: lan yu, don't you just want me? 1

Kevin called and asked him, little Rong Yue, what to do.

Lan Yu pondered for a moment. send it to my father. Drive carefully.

Kevin was surprised, but he didn't say anything. Something happened to Qin Chen at the charity event at the sanatorium. There were reporters there, but President LAN managed to calm them down.

The matter had already been settled, but CEO LAN wanted to send little Rong Yue to the old CEO.

she most likely wanted to be alone with qin chen.

lan yu hung up the phone after giving his instructions. he raised his hand and looked at his watch. it was already seven o'clock.

...

outside the window, it was already dusk, and the sky was a little hazy.

Lan Yu walked to the window, stood quietly, and smoked a cigarette before calling Qin Chen.

her phone rang for a long time, but no one picked up. he was a little anxious.

she continued to call until the third time before she picked up. her voice was a little soft, as if she had just woken up.

"Where are you?" His voice was hoarse, and there was an inexplicable emotion in it that even he himself did not know.

It seemed that after she had stayed here for a night, the house would be empty without her.

on the other side, qin chen sat up with his phone in his hand and scratched his head. " at the hotel. "

the word 'hotel' touched lan yu's nerves. his expression was cold."Qin Chen, you're a married woman, and you're telling me that you're fooling around in a hotel?"

Qin Chen rolled his eyes. He felt that it was hard to communicate with such a man.

However, she was not in a good mood today. Her tone was not polite and was full of gunpowder.

"compared to the fact that ceo lan likes to fool around in the nursing home, isn't it normal for me to fool around in the hotel?" "Or has President LAN also become an idiot and unreasonable after being with a little idiot for so long?" she said in a cold and mocking voice.

Lan Yu was so angry that he was about to explode. He held the phone in his hand and was silent for a while."GM hotel, right? i'm here to pick you up."

She was stunned for a moment before she realized that he had always known where she was and was afraid that he would really come looking for her. Thus, she stopped provoking him and said in a low voice, " i'll drive back by myself."

Lan Yu was stunned. your leg is injured.

"i'm not as pampered as your precious little idiot." Qin Chen mocked.

lan yu didn't know why, but he could hear a hint of jealousy in her tone. he didn't explain and only said indifferently, " i'll wait for you."

qin chen chose to hang up in front of him. he got up and threw his phone on the bed.

she went to the bathroom and took a shower. then, she tidied herself up and put on a pair of sunglasses before going out without putting on any makeup.

She was very tall, and with her overalls and wild brown hair, she was very eye-catching in the crowd.

When they passed by the hall, many people recognized Qin Chen's restaurant. Fortunately, it was a high-class hotel and there were no such fanatical fans.

however, qin chen's photo was still captured and made the headlines the next day. the title was-

A supermodel met a rich businessman in secret, and a huge battle with yup!

At this time, Qin Chen got into the car and looked at his phone as he fastened his seat belt.

it was already half-past seven.

it took about this long to get to lan yu's villa from here. qin chen started the car, and the white lamborghini instantly sped up. it was an open roof, and his long brown hair fluttered in the night.

At eight o'clock sharp, she arrived at his villa on time, unbuckled her seat belt, and got out of the car while watching the movements in the villa.

She thought that she would see little Rong Yue, but when she walked into the living room, only Lan Yu was sitting on the sofa and reading the newspaper. Not to mention Rong Yue, she didn't even see a servant.
