

Thank you 2991

Chapter 2991: lan yu, don't you just want me? 2

Qin Chen threw his bag down and sat opposite him. "Where's Rong Yue?"

lan yu raised his eyes and looked into her eyes, saying indifferently, "My dad's."

"lan yu, you're too much." qin chen was a little annoyed.

"Too much?" lan yu walked into the dining room first, and after qin chen came in, he poured himself a glass of red wine before continuing, "compared to you fooling around in the hotel, I'll make arrangements for Rong Yue. He's the best husband and father.

Qin Chen glared at him.

She had the intention to give him a Cold War because he might not ask her to fulfill her duties as a husband and wife.

...

however, all of his persistence crumbled when he saw the table full of dishes.

she was very hungry.

hence, she stopped quarreling with him. she took the bowl and chopsticks and ate without him asking.

Lan Yu didn't have a good appetite like her. He smoked a cigarette and said, "You're treating me like a servant?"

After Qin Chen finished his meal, he wiped his lips."you're not cooking for me? Oh, I remember now, there's still a little idiot in the sanatorium waiting for you to feed her. Lan Yu, I'm really sorry.

If I had known that it was the little idiot you were raising, I definitely wouldn't have disturbed her and even hurt her by accident."

lan yu's gaze was gentle.

he knew everything, but qin chen had no intention of explaining. she would rather he misunderstand.

and she kept calling him 'little idiot' because she wanted to make him angry!

He just smiled lightly. now that you know, don't provoke her in the future.

Qin Chen ignored him and continued to eat.

however, it seemed that the more she ate, the less fragrant it was. she was in a different mood.

Lan Yu finished his red wine and started to eat as well. When she was done eating and was about to leave, he said calmly, " "Sit down, I have something to tell you."

qin chen ran his fingers through his hair and leaned back in his chair, playing with his fingernails, looking distracted.

In Lan Yu's eyes, she looked like she was doing business. She did not look like a wife at all. Instead, she looked like she was taking a photo.

He was very dissatisfied, so he naturally didn't have the mood to eat. He only drank a few mouthfuls and put it down.

The servant came over to clean up and asked softly, " "sir, are you not eating?"

he had spent two hours cooking, and it would be a pity if he didn't eat it.

Lan Yu's gaze fell on Qin Chen's face and he said very lightly, " "I'm not eating. Just throw it away."

“Let’s talk in my study!” He said as he stood up.

Qin Chen didn’t move, and he didn’t care about the presence of the servants. He said lazily, ” “Let’s go to the bedroom. Lan Yu, don’t you just want to make love with me? aren’t you tired of making it so complicated?”

his face was livid, and the servant beside him did not dare to say anything.

In the end, he snorted and went upstairs. He didn’t say where he was going, but Qin Chen felt that it was the bedroom.

His ascetic look might be able to deceive others, but in her eyes, it was just a look of lust.

she was also afraid that he would mess around in the study. if she couldn’t choose to have sex, she would choose the comfortable and soft bed.

At least, it wouldn’t hurt that much.

Qin Chen followed him into the bedroom and closed the door.

She didn’t try to be coy. She lay down on the bed and kicked off her high heels. tell me, what’s the matter? ”

her attitude was extremely perfunctory and lan yu was naturally unhappy. however, he was in the wrong today and he wanted to make up, but explaining would seem a little redundant.

Chapter 2992: lan yu, don’t you just want me?

he looked at her and softly said,”come home with me tomorrow. we’ll go pick up little rongyue.”

qin chen nodded absent-mindedly. ” “alright,” he said.

Lan Yu looked at her, his throat blocked.

They used to have such a beautiful past, and that past was casual and full of flesh. He didn't need any reason to want her.

But now, if he wanted to have sex with her, he would have to spend half a day.

He even prepared a table full of dishes.

...

He didn't know if he was trying to please her, and he didn't know if it was because of his remaining love or because of the guilt he felt today.

He wanted her, but there was nothing he could do.

unable to release the turmoil in his heart, he leaned forward and kissed her on the lips in the end.

he could feel her resistance, but he held her hands down and pinned them firmly to her sides. he said in a deep and hoarse voice, "don't move, or i'll hurt you."

This body, after being empty for a few years, would not be satisfied by a few times, but would only become more and more greedy.

despite his warning, qin chen still struggled and twisted his body in an attempt to escape.

Lan Yu pinned her down and didn't let her move. He pressed her down and kissed Yingying deeply and lightly.

she also thought that she would do it with him calmly, but when his lips touched hers, she was reminded of the way he kissed lin sisi in front of her at the nursing home.

He was handsome and refined. Did he also do shameless things behind her back? did he also hug Lin sisi and make love?

qin chen turned his face to the side and panted lightly. ” “i’m not in the mood.”

Lan Yu paused for a moment and looked at her deeply. “Are you still bothered by today’s matter?”

“No, I didn’t,” qin chen smiled and turned his face away.

her long and fair fingers gently caressed his handsome face, and she said very gently, ” our marriage is only temporary anyway. As long as you don’t play any disgraceful roles in Rong Yue’s life, I won’t make things difficult for your little idiot. When we get divorced in the future, it’s not impossible for you to marry her if you want to. But, Hanhan ...

She pulled his head down and whispered in his ear, ” it’s probably impossible for you to have a happy marriage with me. If you have any contact with other women during our marriage, then get out of my bed.

“Is this an agreement or a threat?” lan yu propped up his body, his voice extremely hoarse, ” “mrs. lan, you’re still jealous.”

she calmly spat out a few words, ” “I just find it dirty!”

lan yu exploded.

he was dirty?

she was really so shameless that she could say it!

for the past three years, he had kept his chastity, while she was married to someone else and had such a big son. he didn’t even despise her, and she could still say it.

He slowly moved away and stared at her for a moment before walking out.

The door was slammed loudly.

qin chen heaved a sigh of relief, and his body went soft.

After a while, she looked at the door again to make sure that the angry man would not come back, so she closed her eyes in relief.

she had eaten a little too much and was a little sleepy.

models were supposed to control their diet, but she still went overboard today.

She was sleeping in a daze, while the man in the study was sulking and sulking.

he smoked one cigarette after another, angry at her and at himself.

she was his wife, so why couldn't he make love to her?

why couldn't he do it to her?

he still wanted to make her cry and see her cry and beg him.

Just the thought of it made her heart stir.

At one o'clock in the morning, he couldn't take it anymore. He put out his cigarette and walked back to the master bedroom.

Chapter 2993: Who's in more pain than who!1

lan yu thought that he had come back to make love with his wife, and he had thought of many ways to force her.

however, he didn't expect qin chen to still be awake when he returned to the master bedroom.

she was applying medicine to her feet and face. her entire body was immersed in the medicine, and the master bedroom was naturally filled with the strong smell of medicine.

No matter how strong a man's interest was, it would be dispelled.

he pursed his thin lips and finally walked in.

qin chen looked up when he heard the sound. after a while, he started to apply medicine on his feet clumsily.

...

lan yu looked on and suddenly found it a little unbearable.

She used to be a top surgeon, but now, she couldn't even treat her own external injuries.

He sat beside her and pulled her leg over. I'll do it.

Although her voice was soft, Qin Chen could sense the displeasure in it.

She calmly placed her feet on his knees and looked up at him. "you don't look happy. are you still feeling sorry for that little idiot of yours?"

lan yu looked at her, acknowledged her, and began to apply the medicine for her.

His technique was not good, but it was not bad either. At least, it was much better than hers.

however, when he accidentally touched her wound, she still frowned and snorted softly.

lan yu looked at her and didn't say anything. he took a gauze and wrapped it around her.

qin chen rejected her. " i don't make this. "

He didn't stop, but his voice turned cold. miss Qin, do you think you're on the runway now? you're at home now."

qin chen looked at him and didn't look away. after a long time, he snorted."i remember i'm mrs. lan now."

As soon as she finished speaking, Lan Yu grabbed her chin. He stared at her and his voice was tense, " "then, in your heart, are you mrs. lan or mrs. rong? hmm?"

his gaze was pressing on her, not giving her any room to escape.

qin chen couldn't avoid his gaze and looked straight at him. after a long time, he chuckled."in my heart, i'm not anyone's wife, i'm qin chen."

She had a smile on her face as she spoke, but there was no smile in her eyes. In Lan Yu's eyes, she was rarely heartless.

yes, fickle.

She was heartless to everyone, not only to him, but also to Rong Lei.

he pinched her chin slightly harder and narrowed his eyes. he said word by word, " "I really want to kill you."

"I'm sorry." Qin Chen smiled faintly. I've made you sad, but I have a good suggestion. Divorce me and marry your little idiot. I think you'll be in a better mood.

Lan Yu smiled. After letting go of her, he tidied up the remaining medicine and said calmly, " "mrs. qin, i'm afraid i'll have to disappoint you."

he paused after every word. " i've spent so much effort to deal with the rong family. what do you think i did it for? "

Qin Chen lowered his eyes,"that's because you're bored." Really, Yingluo."

She kicked him lightly with her uninjured foot, and her slender body leaned back on the bed. didn't you spend so much effort just to sleep with me? ”

Seeing that he was about to refute, Qin Chen's lips curved up in a mocking manner. “Is there really a deep hatred? Then kill me, Yingluo. Why did you bandage my wound? why did you have to please me and cook for me?”

As his face grew gloomier, Qin Chen concluded with a cold smile, ” “that's why men are cheap.”

lan yu's face was completely black. he wanted to kill her, but he felt that now was not a good time. he was angry, but it seemed that in the end, he would only be making things difficult for himself.

Chapter 2994: who's in more pain than who!2

his face darkened, and he finally walked out.

the ‘make love’ that he had mentioned earlier, and what ‘seven times a night’, all of it had become fleeting clouds.

he left in anger, and qin chen lay down peacefully.

She was too tired and her feet hurt.

He felt even more uncomfortable.

although she didn't care about her husband, it didn't mean that she would be indifferent when he kissed someone else in front of her, especially when he was still an idiot.

...

She removed the pill from her face and stuck it back onto her face.

She felt that it was a little ugly to stick it on her face and would lower Lan Yu's shamelessness.

just like that, she fell into a deep sleep.

lan yu's heart was filled with endless frustration. he walked to the sofa on the first floor and smoked a few cigarettes. he raised his hand to look at his watch. he couldn't take it anymore and called his father.

He couldn't fall asleep, and it was obvious that father LAN couldn't sleep either.

The old man and the young man were speechless.

After a long time, father LAN slowly opened his mouth,"Xiao rongyue is quite cute, but it's a pity that Yingluo ..."

If Lan Yu had settled Qin Chen at that time, then Xiao Rong Yue would have been his eldest grandson.

every time he thought of this, lan yu's father would feel resentful and feel that lan yu was useless!

After sleeping for so long, not a single seed was sown, and someone else got there first.

how did the lan family produce such a useless thing?!

However, Lan Yu's father would never tell Lan Yu this. He only said some words of encouragement, "It's okay, you and Qin Chen can have a few more later."

A few more?

lan yu couldn't help but laugh. qin chen clearly didn't want him to touch him, and he still wanted to have a few more children with her?

“I don’t have that kind of intention.” he spoke frankly to his father and then asked about little Rong Yue’s situation. After making sure that the little guy was asleep, he said, ” “I’ll come over for dinner with Qin Chen tomorrow.”

Lan Waihu’s father sighed and said nothing more.

Lan Yu hung up the phone and returned to the master bedroom.

Qin Chen was asleep, and the bedroom was dark.

He laid down beside her and no longer had that intention. He closed his eyes and could smell the scent of her shower gel.

This smell was the same as his, because she had moved in without buying anything.

This scent belonged to him, and so did she.

Compared to many years ago, he had the upper hand, but he was still afraid.

Lan Yu turned to the side and hugged her gently. He buried his face in her neck and muttered, ” but Chenchen, why do I still feel that you’re so high and mighty? I can’t even touch you? ”

She couldn’t answer him, and she was stuck in the dream demon.

Lan Yu’s face was pressed against hers and he only noticed it. He was shocked and then patted her face gently.

But she couldn’t wake up. She cried softly, as fragile as a little girl.

She began to mumble in a low voice, ” “Rong Lei, don’t, don’t, don’t.”

Lan Yu’s body froze.

She was calling Rong Lei.

She had forgotten herself, but she still remembered Rong Lei.

Lan Yu smiled lightly. She was his wife now, but her heart still belonged to Rong Lei.

lan yu let go of her and let her sink into the dream demon.

In the dark, his eyes were filled with pain.

She was not the only one in pain.

she had lost rong lei, and he had lost her heart.

he wondered who was more pitiful!

He didn't sleep the entire night.

At dawn, Qin Chen woke up to see Lan Yu's magnified face.

she was stunned for a moment as she recalled what happened yesterday.

She wanted to get up, but her head was still a little heavy. She fell back down halfway, and at this moment, a mocking voice sounded in her ear, "Mrs. LAN,"

Chapter 2995: who's in more pain than who!3

Qin Chen looked up at the ceiling and said faintly, "I had a dream."

She clutched her head, cold sweat breaking out on her forehead. "It was a very real dream."

"You don't need to tell me about your dream." Lan Yu's gaze was slightly cold.

With that, he lifted the blanket and walked into the bathroom, slamming the door loudly.

Qin Chen was still lying there, holding his head.

It was very painful, very painful, as if something was about to break out of the cocoon, and his head was splitting.

...

Every time she tried to recall her lost memories, her head would hurt.

So she didn't want to think about it later, but last night's dream was so real that it touched a part of her memory.

she seemed to have thought of something else other than rong lei.

Those fragments, that person's tears

Who was the man who was lying on the bed without moving?

however, in her dream, she wanted to get closer, but it was as if she was fixed in place and could never get close to yingluo.

Qin Chen's body was covered in sweat. She closed her eyes and curled up.

This was the reason why she had given up on looking for her past. It was too painful.

when lan yu came out, qin chen had already returned to normal.

"my clothes aren't here. i don't want to wear your clothes out," she said calmly.

Lan Yu stood there looking at her for a while and said very indifferently, ” “i’ll get someone to send it over later.”

“what brand do you like to wear?” he asked after a pause.

after qin chen mentioned a few brands, lan yu called anran to get a lunch box.

While he was on the phone, Qin Chen had gone to take a shower, and when she came out, Lan Yu had already prepared breakfast.

He was the same as before. He didn’t ignore her because of her bad words last night, but Qin Chen could feel his coldness.

but she didn’t care.

He’d better be cold and indifferent!

as he ate his breakfast quietly, the managers of several brands came over one after another, bringing over the new products of the season. there were rows and rows of them, and they wouldn’t last for even three years, let alone one season.

Qin Chen frowned and looked at Lan Yu,”this is too extravagant!”

lan yu replied naturally, ” you used to be much more extravagant than this. ”

Although the brands she signed up for were the top international brands, they were not considered extravagant.

“did i?” qin chen covered his face.

Lan Yu glanced at her and didn’t say anything else.

After Qin Chen finished eating, he went upstairs to change. She wore a simple gray t-shirt with a chiffon dress. Her long legs were faintly visible, and she looked very attractive.

Lan Yu only took a glance and frowned, ” “go and change it.”

Qin Chen glanced at him. that’s not too much.

lan yu pursed his thin lips tightly and didn’t say anything more. he went outside and sat in the car.

qin chen took his bag and sat in the front passenger seat.

lan yu reached out and wiped the rearview mirror before starting the car.

when the car drove out of the villa area, the two of them were still silent.

Qin Chen still spoke,”Lan Yu, are you going to keep this Cold War with me?” I remember we’re going to see father.”

“he’s not important.” lan yu’s voice was slightly cold, and he had no intention of paying attention to her.

Qin Chen had felt his fiery heat before, and now that he was being so cold to him, he didn’t feel disappointed, but felt that he was distracted.

She didn’t say anything and just sat there quietly.

About half an hour later, the car drove into a quiet residential area. Mr. Lan lived here.

the black sports car slowly stopped. qin chen opened the door, and a little thing flew over and jumped into her arms.”mom.”

Chapter 2996: He also knows how to coax people gently (1)

The black sports car slowly stopped. Qin Chen opened the door, and a little thing flew over and jumped into her arms.”Mom.”

qin chen smiled, hugged little rong yue in his arms, and kissed him. ” “baby, did you make a scene last night?”

little rong yue’s small face had a little guilty conscience and he didn’t say anything.

however, father lan smiled and tried to smooth things over. ” good, good, the little guy is not naughty. ”

Although he was not his own grandson, Xiao rongyue was good-looking and smart, so father LAN still quite liked him.

The most important thing was that although his son, Lan Yu, said that it was only a temporary marriage, he felt that his son was disappointing and wanted to rely on Qin Chen for the rest of his life.

...

In fact, he also sympathized with Qin Chen. From the beginning to the end, it seemed that his son had been pestering the girl, from men to women, and he didn’t want to let go of them.

It was not good for father LAN to interfere with the matters of the younger generation. Therefore, he was only responsible for taking care of little Rong Yue.

the son that qin chen had just gotten his hands on was taken away by father lan in an instant, saying that he was going to the small park to show his old friends.

His expression was as proud as a child who had just gotten a new toy that no one else had and could not wait to go out and show it off.

Qin Chen only smiled and didn’t say anything.

Before father LAN left, he coughed again, ” we haven’t settled lunch yet. It’s Sunday, and the servants are on leave. Lan Yu, take Qin Chen to the Super-merchant shop to buy some Things to

Cook. Remember to make it yourself. Qin Chen can just take a look. The young lady's hands are very delicate, you're not allowed to bully her.

after father lan finished speaking, he held his little cutie's hand and went for a walk.

Sigh, the feeling of having a grandson, he really squatted well.

she really wanted to have someone else's child, but her own son had to be more capable.

he had given enough opportunities and space for the couple to develop. as for lan yu, he didn't have any other skills, but he could still cook. let's see if he could capture qin chen's stomach.

Father LAN chuckled.

Xiao rongyue's small hand grabbed father Lan's big palm. His inner thoughts were very rich: This grandfather looked as stupid as LAN er, but he was quite cute.

he seemed to like her a lot!

He had no choice. He was so cute that no one seemed to dislike him!

what to do?

He was going to be a great lawyer when he grew up, so he didn't want to be a sissy who relied on his looks.

however, before he became a lawyer, he had to rely on his looks!

the two of them held hands and headed to the park affectionately.

lan yu's eyes were a little hot as he watched.

it seemed that he had not seen his father this happy for a long time. he liked rong yue very much.

don't even think about leaving Rong Yue here, " Qin Chen said calmly. he's my son. He needs to receive the most advanced education.

"you're thinking too much." lan yu looked at her indifferently.

"Let's go!" He took the car keys.

"Where to?" Qin Chen was stunned.

Lan Yu was already in the car,'didn't you hear me? There's no one to cook at home, and we don't have any ingredients either. We have to go to the supermarket."

"I don't want to walk," Qin Chen refused.

"If you don't want to go, I can push you with a cart later." Lan Yu's gaze was a little deep.

qin chen glared at him.

"Get in the car, you won't be tired. i'll be done in half an hour." his tone softened, and if one listened carefully, there was actually a hint of coaxing.

qin chen stood there for a while before getting on the car.

There was no one in the house, and she didn't want to be alone.

Chapter 2997: He also knows how to coax people gently 2

qin chen finally got into the car.

She got into the car and looked at him with an indifferent gaze. "i'm just watching from the side."

Lan Yu smiled and did not say anything.

He started the car and navigated to the nearest super-commercial house. He arrived in less than ten minutes.

Lan Yu unbuckled his seat belt and turned to look at Qin Chen. "Why aren't you getting out of the car?"

Qin Chen didn't move, he lowered his head and played with his fingernails. "I'll be waiting for you in the car."

...

lan yu's gaze was a little unfathomable as he turned off the engine and got out of the car.

Qin Chen was anxious. He unbuckled his seat belt and got out of the car. "Lan Yu, you bastard."

Was he trying to heat her to death by turning off the engine like this?

Lan Yu walked in front. yeah, I'm a bastard, so I don't need to care about your feelings, right? "

Qin Chen was furious, but he couldn't do anything about it and could only follow behind him.

She rarely came to a place like super merchant, so she didn't expect there to be so many people. Many people came from upstream and pushed her to the side. Her foot was still injured, so she was quickly washed away.

he caught her with one hand and placed her in front of him. he placed one hand on her waist and said in a cold tone, " "So stupid! what's the use of being so tall?"

Qin Chen was speechless as he looked at him.

Lan Yu lowered his head slightly and placed his chin on her head so that she couldn't see him.

however, this posture was a little too intimate. qin chen was not used to it and wanted to break free.

“It’s best not to move.” Lan Yu’s voice was low and deep. don’t move.

qin chen was stunned, he felt something that he couldn’t ignore.

“mr. lan, which girl are you looking at that made you so excited?” she gritted her teeth.

“The lady in front of me.” Lan Yu smiled lightly.

qin chen was even angrier, but he couldn’t do anything to him. just like that, he was carried into the supermarket.

there weren’t many people inside, and his shameful jade-like eyes also went down. following that, he let go of her, took the shopping cart, and raised his eyebrows.”Didn’t you say your feet hurt? come on up!”

Qin Chen was more than 170 centimeters tall, so how could he have the face to stand there?

“no need,” She said in a low voice that she would just follow him and watch him choose the ingredients.

It was obvious that Lan Yu was someone who often cooked and was very picky.

Qin Chen almost couldn’t recognize the green vegetables, but he could. She secretly felt that he was amazing.

lan yu casually picked one and asked her softly, ” “is there anything you want to eat?”

“I’m fine with anything.” she walked beside him and said very naturally.

Lan Yu picked a box of ribs and looked at her, ” “where’s little rongyue? does he have anything he likes to eat?”

“I like braised pork ribs and Kung Pao Chicken.” When it came to his son’s food, Qin Chen wouldn’t disagree with him, since he was the one cooking.

Lan Yu looked at her and seemed to be deep in thought. “i find it a little strange that you know what your son likes to eat.”

Qin Chen:

Lan Yu laughed and took the ingredients she had mentioned. He also bought a very large prawn.”let’s make some fried shrimp with noodles. children all like to eat it.”

qin chen was at the side, lowering his eyebrows. lan yu smiled and continued to walk forward.

although he only made one meal, he personally picked out some health supplements for father lan, and the car was full of them.

she didn’t understand. lan yu said, ” my father likes peace and quiet. so, i will buy most of his things for him. i will buy them once a week. ”

Chapter 2998: he also knows how to coax people gently (3)

Qin Chen smiled, then took a bottle of condensed milk and put it in.

The corners of Lan Yu’s mouth curled up into an almost invisible smile as he continued to push the cart forward. After shopping for a while, he was ready to pay the bill.

when it was time to settle the bill, lan yu’s expression was calm as he took a few boxes of condoms and placed them in the shopping cart.

“you or your dad?” qin chen asked.

His face darkened,”what do you think?” My mom is no longer around, who will my dad use?”

In other words, he wanted to use it with her.

...

Qin Chen didn't say anything and secretly glanced at her.

Large, banana-flavored.

he really had a strong taste.

Although this was a common occurrence between husband and wife, Qin Chen was still a little resistant. After all, he was a stranger.

She cleared her throat. put them in the car later. Don't mix them together.

Lan Yu smiled, his long and narrow eyes had the charm of a mature man, but he did not say anything.

When the cashier scanned the code, Qin Chen turned his face to the side, deliberately not looking.

It was too embarrassing.

Lan Yu looked at her.

When it was time to pay, he said, " the wallet's in the car. Chenchen, pay for it.

Qin Chen almost exploded.

He did it on purpose.

However, with so many eyes watching, she couldn't search him, so she took her phone to pay.

After paying the money, her face was extremely hot. Lan Yu pushed the cart out and she followed.

when they got into the car, he patiently let her get in while he put the things in the trunk one by one. when he got in, he deliberately asked, ” “how much is it? i’ll pay you back.”

“no need.” Qin Chen was huffing.

Lan Yu took out his wallet from his pocket and gave her two thousand, ” “take it!”

He did it on purpose!

he clearly had his wallet on him, and he was telling her openly.

qin chen turned his head away angrily and ignored him.

Lan Yu smiled, put the money away, and started the car.

when they arrived at father lan’s villa, father lan had not returned yet.

qin chen sat on the sofa. ” go and cook. i want to rest for a while. ”

“my dad wants you to watch over him.” After Lan Yu placed the ingredients, he came over and actually carried her towards the kitchen.

“Lan Yu, what are you doing?” Qin Chen cried out.

he placed her on the countertop, his body stuck in between her. she did not dare to move at all, afraid that he would unleash his beast nature.

Lan Yu laughed. isn’t the condom in the car? I can’t do anything to it.

he let go of her and went to deal with the ingredients. he lowered his head and said softly, ” “I’m also afraid that if my dad finds out, he’ll have a psychological shadow when he eats in the future.”

“are you always this shameless?” qin chen snorted.

The knife in his hand slowed down a little, and then he looked up at her.

“yes, i used to chase you shamelessly, but in the end, you still ran after someone else,” he said in a low voice after a long time.

qin chen’s throat tightened, and he couldn’t describe the feeling.

She moved a little, and her eyes became a little gentler. “then why are you still chasing after me? lan yu, isn’t it good to let nature take its course?”

this was the gentlest moment they had ever been together.

Lan Yu’s fingers paused again. After a long time, he muttered, ” “It’s probably because I’m not willing to accept it either!”

after that, he continued to cook.

qin chen found that handsome people were extremely good at cooking. she just looked at them and didn’t feel bored. sometimes, she would say a few words to lan yu.

Chapter 2999: He also knows how to coax people gently (4)

she just looked on like this and didn’t feel bored. sometimes, she would say a few words to lan yu.

as they chatted, she actually didn’t find him annoying anymore.

As for Lan Yu's father, he was more like a divine clairvoyant. When Lan Yu was done preparing lunch, he had finished showing off and came back for lunch.

when he saw the table full of dishes, he chuckled, "you've brought out your best skills. i don't see you working so hard usually."

Lan Yu washed his hands and went upstairs to take a shower. He changed into a new set of clothes and came back down, saying, "I don't usually see you talk so much."

Father LAN chuckled. He thought about how Lu Wei had been with him for half a year, but he had never seen him bring her home for a meal. They had always been at the restaurant.

...

qin chen was still different in his heart.

Father LAN thought about it and laughed.

xiao rongyue was very satisfied with lan er's cooking skills. his small eyes turned and turned. he felt that it was not a loss for his mommy to find this man. it would be best if she could bring him, a burden, over.

Everyone was happy during the meal, especially Qin Chen, who ate a lot.

She thought that if she ate like this every day, she probably wouldn't have to work as a model anymore. Which supermodel would walk on the runway with a circle of fat?

So after the meal, even though her feet hurt, she endured the pain and went for a walk to digest the food.

xiao rong yue ate a little too much. he was comfortably taking an afternoon nap with his small belly sticking out. father lan lovingly watched over him.

lan yu was really busy with work, so he worked at home using a wireless laptop.

When Qin Chen returned, he was still focused on the screen.

qin chen didn't really want to get along with him, so he bent over and wanted to run, but lan yu stopped him. "Bring me a cup of tea."

Qin Chen blinked.

"Is there a problem?" Lan Yu asked.

she shook her head and went to the kitchen. she finally found some tea leaves and made him some tea.

He seemed to be very thirsty. He didn't care about the heat and just blew on it and took a sip.

qin chen looked at her. "if there's nothing else, i'm going to rest."

Lan Yu raised his eyes and looked at her steadily. He said very slowly, "Rong Yue is at my father's place. You can sleep in my room, the one on the east side of the second floor."

Qin Chen didn't say anything and went upstairs.

She pushed the door open when she was upstairs.

His bedroom was a pure male bedroom, mainly gray, and it looked like he would stay there occasionally because there was a set of early summer clothes on the bed, which should have been left behind by Lan Yu.

she took the clothes to the sofa at the side and lay down.

there was also a pure masculine scent at the tip of her nose, and there was also the smell of shower gel, which was the same smell as lan yu's villa.

The smell made her feel at ease and she fell asleep without realizing it.

when she woke up, the pure masculine scent was even stronger.

she opened her eyes and looked at the man on top of her.

Lan Yu was kissing her.

“You’re done with work?” Qin Chen muttered.

because of her sleep, her mind was still a little unclear, so she was particularly soft.

mm. Lan Yu nodded and kissed her lips absentmindedly. do it once.

Originally, he was angry at her, but today might have been too good, so when he went back to his room to get a document and saw her lying in his bedroom unguarded, all his Jade-like desires were aroused.

qin chen felt a little uncomfortable being kissed by him, but he didn’t forget to reject him.””wasn’t yingluo in the car?”

He kissed her for a moment and smiled. “I’ve brought it over,”

as he said this, he pressed one hand on her hand and hummed softly,”put it on for me.”

Chapter 3000: you’re saying i’m little bean sprout? 1

Qin Chen’s face turned to the side. It was a little red and hot, and her voice was low. is this your only hobby? ”

” if i don’t do anything when my wife is lying in my bed, then i’m pretty much useless. ” Lan Yu’s voice was low and deep, and if one listened carefully, there was a slight chuckle in it.

Qin Chen was very angry, but she was not cold, so she naturally felt it when he touched her like that.

After a while, he began to kiss her deeply and gently, and she cooperated.

because there was no more coercion, this time, their love was particularly moving.

lan yu's face was slightly distorted. he held her face with both hands and kissed her lightly. as he kissed her, he muttered, "you miss me too, don't you?"

...

although they had had it before, it seemed like this was the first time they had reunited.

water and dew blended together.

Just as the two of them were in love (in Lan Yu's opinion), his phone rang.

Lan Yu didn't care and continued to attack without care.

qin chen was clearly distracted. he looked at his phone and stuttered, "Lan Yu, your phone."

"I'll answer it after I'm done," Lan Yu said warmly as he pressed her down.

then, she continued to tease him.

his phone continued to ring. he wanted to turn it off, but when he saw that it was lin sisi calling, he picked it up and said, "sisi, what's the matter?"

qin chen was originally nervous, but when he heard him call her sisi, he lost all his thoughts.

She turned her head and closed her eyes.

however, lan yu did not stop. he continued to talk to lin sisi.

“lan yu, i’m in trouble,” lin sisi cried softly.

Lan Yu closed his eyes and enjoyed it. After a while, he asked in a hoarse voice, ” “what’s wrong?”

lin sisi cried even harder, but her voice was much softer. Lan Yu urged me to accidentally burn down the nursing home.

He had a taste of the blue universe Kasaya’s power.

After being stunned for a while, he kissed Qin Chen, who was under his body, and said gently, ” I’ll go take a look. Sisi burned down the nursing home. She’s very scared now.

qin chen laid there without moving.

After a long time, she said softly,”is there no one else in the sanatorium?” Lan Yu, are you going to rush over every time?”

He paused for a moment before forcing out a smile.”qin chen, i don’t really need to explain anything to you, but i still want to tell you that i don’t have any feelings for sisi.”

“I hope you have one.” Qin Chen’s voice was cold as he sat up.

Lan Yu didn’t move away.

“Take your baby teeth away,” Qin Chen frowned. (The author laughed in an unkind manner.)

lan yu’s face darkened and he gritted his teeth. ” “Little bean sprout? Qin Chen, can you repeat that?”

“Isn’t that the case?” Qin Chen sneered.

Lan Yu’s face darkened and he glared at her.

“It’s more practical for you to comfort your little idiot,” Qin Chen snorted.

His face darkened even more. He stood up, pulled up his pants, and tidied himself up before looking at Qin Chen.

She didn’t make a sound and sat up on the bed. Her face was a little red from the sex.

He didn’t know why, but he felt a little guilty looking at her. This was probably a bad habit of all men.

“Wait for me to come back,” he said in a low voice.

Qin Chen glanced at him without saying anything.

Lan Yu’s thin lips were tightly pursed, but he still left in the end.

When he walked to the door, Qin Chen threw a pillow at him, hitting him in the waist.
