

Thank you 301

Chapter 301 little liar!(1)

PEI Qiqi lived her life like a machine. She was so busy that she forgot about herself and almost forgot about the pain!

it was 10 o'clock at night when he returned, which was already considered early.

just as the car was about to stop, her phone rang. it was tang yu's personal ringtone. she stopped in a hurry and suddenly bumped into the black rv [1] that was turning in front.

when she came back to her senses, she was in a daze again. it was a black maybach that looked familiar.

pei qiqi's heart was beating fast because that car was tang yu's.

And she and Tang Yu even did it in the back seat of that car!

The two cars touched each other intimately, making an ear-piercing screech of scratches.

PEI Qiqi saw the driver get out of the car and quickly opened the door.

Tang Yu's chauffeur was going to scold 'little Xi Mei'. How was she driving?

But when he saw PEI Qiqi, he was stunned. It was actually miss PEI!

"uncle zhao!" PEI Qiqi called out.

the chauffeur responded awkwardly, then bent down and whispered to the open window behind him, " "Sir, it's miss PEI."

Tang Yan sat in the car. From PEI Qiqi's direction, he looked extremely handsome and charming.

"drive the car away first, don't wait for me." as tang yu spoke, he opened the door and got out of the car.

when she saw him, pei qiqi couldn't move her feet.

in the deep winter night, she was staring at him.

He was dressed in a formal three-piece suit with a gray coat. His figure was slender and elegant.

PEI Qiqi carefully looked at how she was dressed like a Little Bear. She pursed her lips!

In the sky, there were a few snowflakes falling, which made the scene look even more desolate.

uncle zhao's heart skipped a beat. he didn't dare to stay any longer and quickly drove the car away.

After the car drove away, Tang Yu looked at PEI Qiqi's car, " when did you learn to drive? "

" three months ago. it's been open for a month. " She confessed honestly.

Tang Zheng pursed his lips and walked towards the elevator. go up!

pei qiqi was stunned for a moment. she parked the car, locked it, and then walked into the elevator.

They stood side by side, very close to each other, but no one spoke.

If he didn't say anything, she wouldn't dare to say anything.

Ever since she ran away from the marriage, things had changed between them, Yingluo.

he hadn't appeared for three months. in fact, she didn't understand why he still wanted to keep her.

if it was to warm the bed, as an adult man with strong desires, he wouldn't be able to last three months!

when they got out of the elevator, he turned his body sideways and watched her open the door.

Probably because he was beside her, PEI Qiqi couldn't open the door no matter how many times she tried. Her fingers were trembling.

in the end, it was tang zheng who held her finger and helped her open the door.

As soon as he entered the house, he did not hold back for a moment and hugged her and kissed her ...

Her body was folded in his arms, and at that moment, both of them felt a long-lost sense of satisfaction that was only limited to their bodies.

The bag in PEI Qiqi's hand fell to the ground, but no one cared about Wanwan anymore.

As he kissed her, he stumbled into the bedroom. Before he could take off his clothes, he had already occupied her at the end of the bed.

she had known about love affairs for a long time, and this time, she had been empty for three months, so she was particularly gentle and didn't suppress herself.

Originally, he had held back, but later on, he seemed to be unable to bear it and did it very vividly.

He didn't let her go until one o'clock at night. PEI Qiqi couldn't even remember how many times he came.

she lay there for a long time, and when she was still in a daze, she heard him whisper in her ear, " "Drive me home."

send him home?

Chapter 302 little liar!(2)

pei qiqi slowly opened her eyes and saw him standing neatly by the bed.

He had already kept away all those gazes from her.

She was the only one lying there in a sorry state, in a daze.

After a long time, she moved slightly. She really wanted to continue sleeping, but she didn't have the right to act coquettishly with him.

She wrapped herself in the bed sheet and went into the changing room to change. When she came out, Tang Yu was already at the bar with a glass of red wine in his hand.

She was in a daze for a while. If it wasn't for the fact that she was dressed neatly, she would have thought that they had returned to the past.

pei qiqi pursed her lips and felt a little sad. in the past? how could they have returned to the past?

“Let’s go!” She looked at him.

Tang mo looked down, then drank the wine in the glass in one gulp and walked straight towards her.

In the elevator, there was still no sound. It was so quiet that it was a little strange and scary. It had clearly been dozens of seconds, but it felt as long as a lifetime.

when they arrived at the parking lot downstairs, she opened the back seat for him. however, tang yu didn’t sit in the car. he simply said, ” “I’ll take the co-pilot seat!”

pei qiqi was a little surprised. he had already walked over and sat in the car. she bit her lip and sat in the car as well.

she had just sat down when his voice rang in her ears. ” “Go to Rose Garden on Fuli road.”

PEI Qiqi still knew about that place. It was the best villa district in B city. There were more than ten of them and each villa took up more than a hundred mu. The price of a single villa was about seven to eight hundred million Yuan.

She was stunned for a moment before starting the car.

Because Tang Yu was in the car, she seemed a little flustered. She usually drove very fast, but now, she was a little helpless.

when the car turned, it scraped against a pillar at the side.

tang yu tilted his head and looked at her, ” you can hit the road like this? ”

PEI Qiqi reversed the car and her face tensed up, ” I used to drive pretty well.

Tang Yu didn’t say anything else. He leaned back in his seat and closed his eyes to rest.

He didn’t say anything and didn’t look at her, so she calmed down a lot. After reversing the car, she confirmed with him again. do you want uncle Zhao to come and pick you up? ”

His eyes were still closed, and his voice was a little deep. why? ”

She didn’t say anything. Was there a need to ask for a reason? his life was very valuable, and she, Wanwan, was really not in a good state tonight. If something happened, she couldn’t afford to pay.

Just as she was feeling uneasy, Tang Yu slowly opened his eyes and looked at her. His voice was calm, ” ” pei qiqi, if something happens, it’ll be good if we die together. ”

her heart was beating a little fast, and she didn’t dare to answer. if she did, she would be doomed.

When she started the car again, she was much calmer.

In the quiet night, the White car drove steadily on the road. It was as if it was driving towards the sky. The street lights flashed by, but it also seemed like there was no end to it.

“PEI Qiqi, are you willing to continue driving like this?” tang yu suddenly spoke.

PEI Qiqi looked over at him and saw that he had opened his eyes and was looking at her with a burning gaze.

She pursed her lips and immediately turned her head away, her heart beating faster.

At this moment, the car in front of her suddenly slanted and made a turn. PEI Qiqi didn't notice. she was a newbie again. just as they were about to hit each other, tang yu's fingers were on the steering wheel. he held onto her fingers and quickly turned half a circle, half a circle.

The car came to a screeching stop.

Chapter 303 little liar (3)

"why?" His voice was especially hoarse in the dark.

"What?" PEI Qiqi's heart was beating fast as she turned her head to look at him.

it was very dark in the car, so she couldn't see his face clearly. she only felt that his eyes were particularly deep and misty.

Occasionally, the lights from the cars outside shone in, leaving a deep shadow on his handsome face. He said in a hoarse voice, " when two cars are about to collide, the driver's instinct is to turn the front passenger seat to the front to protect himself.

pa! he unbuckled his seat belt. Before she could react, he leaned in closer to her, " PEI Qiqi, you ignored this instinct. Perhaps, your instinct is to protect me! Is that so?"

his voice was really hoarse, and it was just beside her soft ear ...

pei qiqi's breathing was chaotic and her chest heaved.

"isn't it?" Tang Yu's voice was a little harsh.

She finally turned her face and accidentally saw his face. Their eyes were very close to each other, as if they could see the depths of each other's soul.

"No!" She closed her eyes and whispered weakly.

his eyes swept over her expression and coldly spat out a few words, " "Liar."

After he finished speaking, he kissed her!

this kiss was very fiery. It was hot. He didn't hold back at all, as if he was so angry that he wanted to burn her to ashes.

pei qiqi's body was tightly pressed against the back of the chair, not daring to move.

she was so small that there was almost no air in her chest as he pressed down on her. her small hands clutched the seats on both sides so tightly that her fingernails were turning white.

suddenly, he let go of her and returned to his seat. his voice had returned to its usual coldness. " continue driving. "

pei qiqi's hands and feet were all tied up. she felt embarrassed and calmed down for a while before continuing on her way.

When they arrived at the Rose Garden, it was already an hour later.

tang mo got out of the car and saw that she was still in the car. he said lightly,"Get out of the car."

PEI Qiqi was in a daze. Suddenly, she woke up, " I want to go back.

He stood in the dark and looked at her quietly.

pei qiqi reached out to open the car door and got out. as she slowly walked towards him, the lights in the rose garden lit up like it was daytime.

under the light, the european style mansion was extremely luxurious. it was the kind of fairy-tale castle that every girl dreamed of having.

in front of the castle, there was a grass field, and in the middle, there was a huge fountain. at this time, the music fountain was spewing beautiful water, which was extremely dazzling in the dark night.

And on both sides of the grass, there were roses in the dark. In such weather, there were roses, and they were large black roses.

Tang mo stood there, staring at her in the glory.

“pei qiqi, i might have to go on a blind date.” He said very indifferently.

She felt a sharp pain in her heart, and her throat felt like it was blocked. After a long time, she said softly, ” “then, congratulations.”

tang zheng narrowed his eyes and his voice turned cold. ” if i decide to get engaged, i’ll end this relationship with you. ”

he might not be able to love that girl, but loyalty was something he could do.

Even so, he was still unwilling to let go of PEI Qiqi.

she looked up and the light reflected in her eyes. it was as if there were countless little stars hidden in her eyes, dazzling and dazzling.

her lips trembled and her fingers clenched. after a while, she forced a smile. ” very good, yingluo, very good. ”

Chapter 304 you’re free (1)

Tang Yu stared into her eyes and his voice was still cold, ” really? it’s really good for you, isn’t it?”

PEI Qiqi looked into his eyes, ” Tang Yu, this is the best outcome.

he pursed his lips tightly and did not say anything. he only glared at her.

tonight, he had done it with her and kissed her.

but now, she was telling him that his blind date with another woman would be the best result.

“You can go back!” He said after a long time.

Originally, he had a glimmer of hope in his heart.

he walked towards the main residence, his heart cold.

pei qiqi stood there, standing in the winter night. the air she exhaled turned into white mist.

she looked at his back in the black coat and wanted to look at him a few more times. in the future, he would belong to someone else. she could no longer look at him like this, even hug him secretly, and respond secretly.

tang mo went up the steps and suddenly stopped.

He turned around and looked at PEI Qiqi, " the 16th of this month is my birthday. There will be a banquet that night."

her body trembled as she understood what he meant.

the banquet was fake, but the consort selection was real. there would be so many beautiful girls for him to choose from.

she didn't say anything and just smiled faintly.

tang yu, you don't know how happy i am to be able to come here tonight.

i've seen your feelings for me, even if it was in the past, even if this love can't last forever, but i will guard your love for me well yingluo

her eyes were bright and sparkling.

Tang Yu stared at her for-long time before he walked into the main house. The transparent glass door closed ...

They were separated into two different worlds.

not being able to see him, pei qiqi suddenly felt very cold. however, she couldn't bear to leave.

She wanted to hang on to Yingluo a little longer.

Now, there was no mistress here yet, but she could still secretly imagine that this was still a place that belonged to her.

just like how tang yu was still hers.

She hugged herself and slowly opened her arms. She raised her head slightly and closed her eyes.

she could hear the sound of the flowers blooming, the insects chirping among the grass insects, and the fragrance of the grass. it was so wonderful that she had already had it in this life.

She didn't come from a good family and Tang Yu had already compensated her.

he had given her a unique love.

The corner of her lips curved up slightly. She thought to herself, " maybe Tang Yu will never love someone as much as he loves me. He won't call someone 'baby' or feed that girl personally.

Even if his entire being was someone else's, she once had the complete version of him.

she was enough, yingluo.

she slowly opened her eyes with tears in her eyes.

pei qiqi, you always wake up from your dreams.

Such a beautiful dream, once was enough.

She looked up at the mansion in front of her and said in a soft voice, " Tang Yu, I'm sorry for giving you your life. Hanhan.

Also, I love you.

she walked towards the door. every step she took was like walking out of his life.

every step she took was a sign of her love for him.

Tang mo stood in front of the floor-to-ceiling window on the second floor, indifferently watching her leave.

he slowly drank the wine in the glass and closed his eyes.

He really wanted to kill her. Seeing her was more painful than not seeing her.

so, he gave her a deadline.

PEI Qiqi, if you're not willing to come to my side, if you only have jinrong in your heart ...
then, i will leave.

Chapter 305 You're free (2)

December 16th.

In the PEI family's general manager's office.

pei qiqi looked at the calendar in a daze and her fingers gently stroked the numbers on it.

it was xuxu tang yu's birthday on the 16th.

After a while, she opened the drawer and took out an exquisite box.

Inside was a pair of diamond cufflinks. It was the most expensive thing PEI Qiqi had ever bought in her life.

he would definitely look good wearing it, but he might not have the chance to wear it.

PEI Qiqi looked at it silently for a while before closing the Kasaya.

she lowered her eyes and smiled bitterly.

xiaowen came in and looked at pei qiqi, " boss pei, the meeting is about to start. is that right, wanwan? "

"i'll be right there." pei qiqi nodded. she only stood up after xiao wen left.

Before she left, she couldn't help but take another look.

the meeting went on until nine o'clock.

moreover, everyone could tell that boss pei was obviously distracted ...

However, no one reminded them that the PEI family's top executives had been having a hard time recently. Seeing a little girl who did not know anything become sharp, it would be strange if they were having a good time.

in the past, when old pei was still around, he could still go to work and mess around. now, he could forget about it.

They were a bunch of old bones, and now they were still shamelessly going out to beg for help from their grandparents. Just thinking about it made him a little depressed.

At this moment, boss PEI was in a daze. They just took it as a way to pass the time and said a few words to deal with him!

When the meeting ended, PEI Qiqi almost didn't know what they were talking about.

perhaps, she was just running away!

she did not return to xia city, but went to see lin jinrong.

ever since she broke up with tang yu, she had never seen jinrong kasaya.

but today, she really wanted to see him, because she would want to cry when she returned to xia city.

Because Tang Yu's aura filled the room.

It was late at night.

pei qiqi slowly walked along the corridor of the sanatorium. there were plants all around her. under the dim light, the shadows of the plants were everywhere, making it a little eerie and scary.

The nurse pushed the door open and said softly, "miss pei?"

pei qiqi nodded, "i'll see!."

the nurse hesitated for a moment, but she still returned to the nurses 'station.

PEI Qiqi wrung a hot towel and gently wiped Lin jinrong's face and arms.

jinrong, it's winter now. Are you cold there? "pei qiqi sat beside him, "it hasn't snowed in B city before. in the past, it would have snowed twice already. "

no matter what she said, lin jinrong continued to lie there quietly.

"jinrong, it's tang yu's birthday today. let's sing him a birthday song, okay?" PEI Qiqi's fingers held onto his and she softly sang the birthday song. As she sang, her face was already covered in tears.

it must be very lively at his place!

There must be many girls around him.

"jinrong, did you know? i used to naively think that if i married tang yu one day, i would take good care of you like my own cousin. "

she held his hand. "although you're two years older than me, i'm still naive, right? "

She was smiling when she said that, but as she laughed, she started to cry.

jinrong, i was too greedy. i really thought that one day, i'd be blessed and i'd be able to marry tang yu!

can you get better? when you get better, try your best to be happy for me. Find a good girl and be happy forever, just like Tang Yu. she held his hand, her tears soaking lin jinrong's palm.

It was wet and hot, and his palm moved slightly.

however, pei qiqi didn't notice. she closed her eyes, " jinrong, if that's the case, then it wouldn't have been me that day! "

She talked to him the whole night, but Lin jinrong was still lying on the bed, his face pale and dazed.

Chapter 306 You're free (3)

"Jinrong, are you also an idiot?" she smiled gently and reached out to touch lin jinrong's face.

His face was very cold, very cold.

"is your world also ice-cold? jinrong, i don't really remember that sour feeling anymore. now, i feel the same as you, my heart is cold." She slowly retreated.

Everything had changed except for jinrong, who was still lying there quietly in a daze.

it was very quiet, very quiet!

Tang Yu's banquet was organized by the Lin family and everyone in B city knew about it. It was for Tang Yu to choose a wife.

the location was at GM hotel. it was rather ironic.

PEI Qiqi got into the car and took out the cufflinks from the front cabinet. She looked at them carefully.

as she looked, her eyes started to heat up.

she wanted to take a look, even if it was just a glance from afar.

Even if he had to bitterly give up!

She started the car, and the White car sped down the road in the dark.

suddenly, after a while, the car's tire was punctured and the car tilted slightly. pei qiqi immediately braked but the car skidded and hit the green belt beside the road.

she rushed forward and felt a little dizzy, but she was fine.

he got out of the car to check. the front hood of the car was dented, and white smoke was rising.

He couldn't start the car again.

She sat in the car in a daze for a while, then she picked up the box and quickly got out of the car. She stood by the side of the road, trying to hail a taxi.

However, this was the prime time, and he was on the streets of B city. How could he stop him just because he wanted to?

At this moment, it started to drizzle, and slowly, the rain became heavier.

She didn't have an umbrella in her car, so she could only stand by the side of the road and hail a taxi. The rain fell on her face, and she looked extremely embarrassed.

At this moment, she didn't think about anything. She just wanted to take a look at him.

Perhaps, she would ask someone to give it to him, Yingluo.

Perhaps, this was the only time she could secretly give him something.

when he didn't have anyone else around, he

however, she waited for half an hour and there was still no car. there were many cars on the road and when they glided over the water, they created a splash. soon, pei qiqi was covered in mud.

at eleven o'clock, she could no longer bother to hail a taxi. instead, she used her bag to cover her hair and walked forward.

A hand gripped the box tightly, as if it was trying to embed the box into its own flesh.

She had clearly seen blood, but she was still holding it as if she couldn't feel the pain.

It was very painful to run in high heels. The rain that hit his face and body was also very painful, like needles.

She remembered that there was also a rainy night like this. She had met Zhao Ke before, and for the first time, she knew that she also had a mother, Wanwan, but her mother didn't want her.

at night, she was like an unwanted puppy, hiding in the rain.

Tang Yu found her

Tang Yu, Tang Yu-

the better he treated her, the more she didn't dare to respond to him and the more afraid she was to be with him.

but now, she only wanted to see him once, even if it was just one look!

She twisted her ankle and almost fell into the mud. She finally managed to steady herself, but her hamstring was probably injured.

Every movement was filled with pain.

Finally, PEI Qiqi raised her eyes and looked in front of her. In front of her was the GM hotel.

it was already 12 o'clock.

the time when cinderella revealed her true form

enduring the pain, she limped to the door.

The courtyard was empty and cold.

the party had already ended.

Chapter 307 You're free (4)

perhaps, he had already found the right person, the right girl to marry him.

PEI Qiqi laughed softly. She stood in the rain and stared blankly at the hotel.

Her feet were in pain. She could have stood up to hail a taxi, but she didn't.

That night, PEI Qiqi walked in the rain.

Perhaps the blood on her body would be washed away as she walked, and she would no longer be Zhao Ke's child.

Her feet were in so much pain that she had lost all feeling in them.

It was late at night and everyone was looking at her strangely. However, PEI Qiqi didn't care. She just wanted to continue walking like this.

"pei qiqi, are you willing to continue driving like this?" he had said this before.

If she had to continue walking like this, she was willing to-

If the truth never came to light, she was willing to-

she would continue to walk with him, walk, walk, and walk, even if they didn't do anything.

She had walked in the rain for the entire night. Her entire body was burning hot, and her feet were almost deformed.

however, she didn't feel the heat. the sky was getting brighter, and the rain had stopped. her clothes were dried by her body temperature, and the corners of her mouth were dry as if they were about to tear.

she hadn't slept for the entire night, and walking like this felt like her body had been hollowed out.

When she returned to Xia city, she actually felt as if it had been a lifetime. She opened the door and closed it again, her back against the door as she staggered.

However, her body immediately stiffened.

tang yu was actually here!

He was sitting on the sofa in a black suit, his noble appearance still intact.

his gaze fell on her small face and his tone was indifferent. "you went to see jinrong?"

His voice was very, very soft, but she could already hear the hair on her body standing up.

he looked at her sorry state and remembered that he called jinrong's sanatorium and the people there said that pei qiqi had been there.

"I've been calling you all night," tang yu stood up and patted the creases on his clothes, "it seems like i don't need to worry about you."

Then, he smiled and his tone became even more indifferent, "PEI Qiqi, you are free.

Free?

Her little face was stiff, and she had almost no reaction.

In the past few days, in the past few months, everything she had done had made him hate her. She had even gone to the hospital last night. She knew that he would find out, but she still went.

Instead of going to his birthday party, she went to see jinrong ...

Wasn't all of this just to make him let go?

However, when he said the words 'you are free', even though she was prepared, she still felt so much pain that she almost stopped breathing.

she just stood there, her eyes fixed on his face, unable to move away.

She was afraid that she would not be able to see it again after this one look.

Her hand hurt. The small box was embedded in her palm and hidden in her sleeve.

her feet hurt so much that she couldn't take a single step.

She could only look at him like that and watch him say that he hated her.

tang yu finally hated her.

Hate is better than love or hate, right, Yingluo?

That way, he wouldn't be in pain and wouldn't think of her anymore.

She couldn't say a word, but she bit her lip so that she wouldn't faint.

he desperately told himself that this was the best ending.

she looked at him and her eyes were filled with warmth.

Perhaps, this was the last time she would look at him like this.

Tang Yu stopped and looked around, "you can continue to live here. i will ask qingcheng to transfer the ownership."

This was the only thing he could do for her, and the only thing he was willing to do for her.

Chapter 308 you're free (5)

"no need," PEI Qiqi spoke very quickly. Under his sharp gaze, she lowered her eyes and said, "I will find a place to stay.

Tang Yu didn't deny it, "that's good too. Just pass the keys to Xiao ran after you're done."

"I'll send it over." pei qiqi raised her eyes and looked at him.

after a long time, she said softly, "thank you for taking care of me, mr. tang. "

She bent down at him, her eyes burning with passion.

Holding back the tears in her eyes, she desperately told herself, "PEI Qiqi, don't cry. This result is good enough. He didn't say anything bad to you, he didn't scold you, he didn't chase you away. He's so good to you.

He's still the Tang Yu You once loved. He's as wonderful as ever.

It was God's way of compensating her, but she couldn't be so selfish.

She straightened her body and looked at Tang Yu. He still looked calm and emotionless.

there's no need to thank me, "he said slowly. everything started with a deal, and it's only natural that it ends.

He walked past her towards the door. When he passed her, he didn't look at her again. PEI Qiqi was crushed into pieces in that instant.

she clenched her fists tightly to stop him from wailing.

Tang Yu placed his finger on the door and said softly, " PEI Qiqi, you are the one who gave up your last chance.

There were no women at the birthday party. After it was over, he would wait for her here.

but she didn't come back the whole night and went to see jinrong.

In her heart, jinrong was still the most important person, Yingluo.

after tang yu finished speaking, he walked out.

He didn't look at her and didn't notice that PEI Qiqi was so weak that she almost collapsed.

When the door closed, she stood there with her eyes closed.

at this moment, her world had completely collapsed. even with her eyes closed, she could imagine the sound of her heart breaking.

It shattered, bit by bit, along that crack, and could no longer be repaired.

She wanted to speak, but only a hoarse voice came out of her throat.

he raised his hand and put it down again.

in the air, there was only his aura, but he was no longer there.

Perhaps, he would never come back again.

It had passed, it had ended ...

the flower, rustle

she saw a 12-inch cake on the table. it was very delicate.

She slowly sat down and reached out to light the candles. There were twenty-six of them.

Looking at the fire, she softly said, " Tang Yu, Happy Birthday.

PEI Qiqi ate the entire cake like a robot. Even though she wanted to throw up, she still ate it with all her might.

She cried while eating the steamed bun.

Her body was burning hot, but she didn't care.

Because the heart was dead.

she had eaten too much and had a stomach problem, so she was sent to the hospital.

in the two days that she was in the hospital, pei qiqi just lay there and watched the world outside.

She was a little envious because there were two little birds singing happily outside from time to time.

Xiaowen, who had come to take care of her, scolded her for the first time, " "Boss PEI, how can you eat so much cake? Fortunately, we were discovered in time. If we were late, the consequences would have been serious."

PEI Qiqi retracted her gaze and smiled, " I was just careless!

Xiaowen's eyes widened. Who was he lying to? how could he not be careful about this kind of thing?

Then how many accidents should there be in this world!

However, she also understood that this must be related to Mr. Tang.

Xiaowen, let me take a look at the document. PEI Qiqi looked at Xiaowen.

"you still want to look at the documents?" Since he wasn't in the office, Xiaowen didn't have so many taboos. do you want to die? " Money can be earned anytime, so there's no rush."

Chapter 309 The pillow she took away (1)

PEI Qiqi smiled, " I'm much better. The doctor said I can be discharged the day after tomorrow.

then we'll go to the company the day after tomorrow and see, " Xiaowen said fiercely.

pei qiqi coughed lightly,"gao ziwen, i'm now using qianqian's name."

Before she could finish, Xiaowen interrupted her, " " come on, don't try to act like boss pei. if you want to show off, then do it in the company if you can. in the hospital, you're just a sick kid in front of me. You have to listen to me!"

pei qiqi was speechless. she sighed and lay down again.

Xiaowen smiled. that's right. Come, cover yourself with the blanket. Be good!

When she said the last word, PEI Qiqi's eyes became hot because she thought of Tang Yu.

Tang Yu used to coax her like this.

"xiaowen, thank you." PEI Qiqi said sincerely.

xiaowen peeled an apple. " what are you thanking me for? I'm not getting paid. Let me tell you, Pei Xiao Qi, count these two days as my field work. Don't think you can exploit me like a capitalist!"

Even PEI Qiqi was amused by her.

she reached out and touched her chin, seriously considering it. " if you didn't tell me, i wouldn't have thought that you didn't go to work these two days. "

Xiaowen's expression was as if she was going to kill a capitalist.

However, PEI Qiqi's smile immediately disappeared.

what was she doing just now?

she seemed to have touched her chin?

This was something Tang Yu liked to do. PEI Qiqi had read about it in a book before. When a person loves another person deeply, they would subconsciously imitate him.

was she like this now?

she reached out and touched her chin lightly. then, she smiled.

Xiaowen looked at PEI Qiqi's smile and was a little stunned.

She saw love in boss PEI's eyes.

that instant of flowing light and overflowing colors was truly beautiful beyond words.

Boss PEI, I feel like I've been turned gay by you. xiaowen said pitifully.

PEI Qiqi raised her face, " little Wen, which part of you is gay? "

xiaowen was speechless for a moment. " can't you have a little sense of humor? Don't look so mature. Girls should be cuter."

PEI Qiqi felt that little Wen's conclusion was not bad.

if there was a person who lost everything in a few months, she would also mature.

pei qiqi pursed her lips, " xiaowen, i want to rest for a while. "

She lay down and closed her eyes.

Her fragile appearance made Xiaowen's heart ache.

After Xiaowen quietly left, PEI Qiqi opened her eyes.

It had been three days. What was he doing now?

As soon as PEI Qiqi was discharged from the hospital, she moved to Xia city. She asked Xiao Wen to help her find a small two bedroom apartment. The location was good and the environment wasn't bad, so she could rent it for now.

Her things were all in Xia city. The car was parked downstairs, and she would go up by herself.

In fact, there wasn't much. When she moved here from the Qingshui Road, there was only one box.

She didn't plan to take the clothes Tang Yu bought for her.

PEI Qiqi finished packing in less than half an hour. She carefully placed the crystal box that PEI Minghe gave her and closed the box. Then, she stood up and looked around.

She had lived here for almost half a year, and too many things had happened during this time. she had loved and lost him.

However, all of this had to end.

she walked into the bedroom and gently sat in the position where tang mo usually lay. she bent down on the soft bed and her fingers gently touched it as if he was still there.

she touched it gently with her fingers, as if he was still there.

It was as if he was leaning against the wall with a magazine in his hand. He lifted his leg and said, " PEI Qiqi, have you gained weight recently? "

The corners of her mouth curved up slightly. no, I've lost weight.

Just lying there made her feel extremely happy, but she wouldn't allow herself to have this little bit of happiness.

she moved slowly, kissed his pillow, and then carried him away ...

Yes, she didn't want anything. She only took a pillow that Tang Yu slept on.

she had already developed a habit of only being able to fall asleep when she was sleeping on his pillow.

PEI Qiqi hugged the pillow like it was a treasure and carried the suitcase.

When she locked the door, she lowered her eyes, and her eyes were a little hot.

when she looked up again, she took a deep look at the house number and deeply remembered it.

after putting the things in the car, she drove to the apartment that xiaowen had found for her. the apartment had been cleaned up and some soft clothes had been added. they were mainly rice and grass green in color and looked very comfortable.

In particular, she liked the small balcony in the bedroom. Sitting there, she could actually see Sheng Yuan's building, especially at night. The words "Sheng Yuan Corporation" were very eye-catching.

She tidied up her things and placed the pillow at the head of the bed, side by side with the original pillow.

she stood up straight and smiled.

After that, it was time for the keys. She thought about it and called for delivery.

After she wrote down Xiao ran's contact information, she handed the envelope with the key to the deliveryman.

This could be considered as the Kasaya being completely broken!

It was a week later when Tang Yu got the key.

he was on a business trip for ten days-the day he cut ties with pei qiqi, he went to province C.

he returned to the company in the morning to deal with the piled-up work. when it was almost noon, xiao ran walked in with an express delivery in his hand. "this is miss pei's express delivery."

after placing the things on tang yu's desk, xiao ran didn't leave immediately.

Tang Yu knew what was inside, so he asked as he opened it, "What is it?"

Xiao ran hesitated. Actually, with the president and PEI Qiqi's current relationship, she wasn't sure if she should tell Wanwan about this.

However, she still liked Qiqi. She thought about it and said, "a few days ago, miss pei fell sick."

"yes, i know about that." tang yu's voice was calm, "after aunt chen found out, she called me to tell me. "

at that time, he was holding his phone with an indescribable feeling in his heart.

xiao ran was stunned. it was only then that he realized that it was impossible for the president and qiqi to be together.

The president didn't seem to have any reaction when Qiqi was sick.

xiao ran didn't know what to say. he forced a smile and said, "i'll go out first. "

After she left, Tang Yu wasn't in the mood to work.

He was the one who proposed the breakup (this was his pride. Yingluo might not be called a breakup, but rather a termination of Labor Relations, he thought self-mockingly). No matter whether she was good or bad, he should not disturb her anymore.

Let's do this!

He put the envelope in the drawer and was not ready to go back to Xia city.

However, after work, he still drove his car there for a stroll.

The place had been completely cleaned up. Both of their belongings had been moved away, and there were almost no traces of living there.

Tang Yu walked in and opened the locker. He saw the clothes he bought for her and didn't take a single piece with him.

He slowly walked into the bedroom. The bedsheets had already been removed, and there was only a pillow on the huge bed. It was all alone.

tang yu looked around for a long time. then, he suddenly picked up his phone and called aunt chen because she was the one who cleaned up the place.
