

Thank you 3011

Chapter 3011: he's being eaten alive by little fool (3)

"i don't want to." Her voice was soft as she looked at him carefully. Finally, she told him the truth, " because i went to lan yu's house, the pretty sister left in a fit of anger. "

Gu ze was surprised, but he felt that it was reasonable. If he were Qin Chen, he would leave too.

He looked at the little person quietly and asked seriously, " "Is this the reason why you came to find me?"

"that's the main reason," little fool replied.

The other reason was that she wanted to eat him.

gu ze thought for a while and felt that he should just treat it as a good deed. moreover, little fool was quite sad just now, so he just had to coax her a little. after staying for a day or two, he would leave her to lan yu and let him settle it himself.

...

anyway, he had brought little fool back from abroad. although he liked her a lot, he didn't want to be her nanny.

However, Gu ze did not expect Lin sisi to be like a piece of plaster. Once it was attached, it could not be taken away.

He started the car again and took little fool to the high-class villa area where he lived.

this villa was mainly black and white, and the decoration was very high-class.

But little fool didn't know how to appreciate it, so she felt that it was not nice to look cold at all.

however, she could also tell that it was very expensive.

“Is this also blue universe’s house?” Little fool asked eagerly.

Gu ze thought, “this is a project developed by Blue universe’s company, so it’s also considered blue universe’s house,” so he said a white lie, “yes.”

He did this to ease her nervousness, but he didn’t expect little fool to nod in understanding. “If it’s Blue universe, then I’ll sleep in the master bedroom.”

After she finished speaking, she stretched her little waist and went upstairs.

gu ze didn’t know whether to laugh or cry.

Who said she was a little fool? she was very smart.

he would just let her be. at most, she would just be in his bathtub.

he walked over to the bar and poured himself a glass of wine so that he could enjoy and relax.

before he drank, he shook his glass and smiled. he was quite happy because he had brought back a troublemaker.

however, she had just taken a sip when a scream came from upstairs.

Gu ze frowned slightly and immediately put down his cup and went upstairs.

Lin sisi stood in his bedroom and pointed at a Goblin on the bed. “who is she?”

The Vixen was naked, lying in the blanket and moaning.

Gu ze roughly understood and helplessly said, ” “Get out.”

it must have been arranged by his secretary.

In the past two years, he would occasionally relax, but it was not like once or twice in half a year.

he tried to recall what he had said today to make the secretary misunderstand and arrange for this stunner to be with him.

thinking of lin sisi's reaction, he held his forehead and felt a headache.

The stunner was unwilling to give up and glared at Lin sisi."who are you?"

Little fool immediately hugged Gu ze's arm. he's my father.

Gu ze was angry and amused at the same time. He looked at the person in his arms and then at the stunner. He really couldn't be interested.

"put on your clothes and go out," he said in a cold voice.

the stunner expressed her sadness, then glared at lin sisi, only to realize that her finger was missing. she snorted, " "president gu actually likes a cripple."

Gu ze's face changed completely.

he stared at the woman and smiled. " "what's your name?"

The woman thought he had changed his mind and hurriedly gave her name.

gu ze would remember this. he would make sure she didn't even have the right to be a chicken.

He didn't know why he couldn't tolerate others calling him a little fool.

she had probably called him 'dad'!

Chapter 3012: he actually wanted to hug her like this (1)

After the woman reported her name, she thought that this little fool was always ruining her business.

president gu's secretary had asked her to come. although she had said 100000 yuan each time, which woman wouldn't want to touch such a young and handsome man like president gu?

even if he couldn't be a proper husband, he could still open up a mistress. if he could be raised outside, he wouldn't have to work so hard to earn money.

in her dreams, the woman immediately came down and wanted to pull lin sisi.

Lin sisi immediately buried her face in Gu ze's arms and looked at the woman pitifully.

get out, " gu ze said coldly.

...

The woman was stunned.

she was quite famous in the industry. although she was an unprofessional model, she was not bad in all aspects. no man had ever seen her naked and could still keep a cold face.

And President Gu had actually spoken to her without any pretense because of a little fool. She was so angry.

However, the woman did not dare to offend Gu ze. She could only put on her clothes and leave quickly.

before she left, she glared at lin sisi.

Little fool shuddered. will she deal with me? "

Gu ze's gaze had a deeper meaning. probably.

"Will you protect me?" the little fool looked at him eagerly.

Gu ze smiled and rubbed her little head. "That depends on whether you're obedient or not."

little fool's tears fell. she stared at him for a long time before she said in a low voice, "You're not good. I don't want to like you anymore."

Gu ze's heart immediately softened as he stared at her. "You like me?"

"because you took me out to eat skewers." she nodded her head vigorously.

"but you don't like me. look at the vixens in your bed." she hugged his arm as she spoke.

she released him angrily. "tell me, have you ever kissed a vixen? hugged?"

Gu ze laughed and sat on a sofa in front of the floor-to-ceiling window.

this was a very adult topic. he wasn't sure if he should talk about it with a little fool.

moreover, they had almost fired their guns in the car earlier.

gu ze thought for a while before slowly saying, "i never did with her."

he admitted that he was avoiding the important and avoiding the trivial. he wasn't trying to guide her on purpose, but it was a man's instinct.

However, little fool was not stupid at all. She looked at him and asked seriously, "then tell me, have you ever kissed anyone?"

Gu ze lit a cigarette, and the end almost burned himself.

he looked at the little thing quietly and said softly, ” “I did. After all, I’m already over 30 years old.”

if he didn’t, then he was the one with a physiological problem, okay?

The reason why he didn’t do it for eight years was that he liked a girl.

this relationship was deeply engraved in gu ze’s heart. although it was one-sided, he couldn’t say that he had completely forgotten it after seeing qin mu. he could only say that he had given up.

He was a little dazed, so he took a puff of his cigarette.

Lin sisi looked on eagerly and ran over after a while.

In an instant, she fell into his arms.

“What’s wrong?” Gu ze’s voice was a little hoarse.

lin sisi shook her head and buried her face in his arms. after a while, she asked softly, ” “have you ever liked a girl, the kind that you really, really liked?”

” yes, ” gu ze smiled. ” she’s fine. ”

“she must be very smart, right?” little fool pouted her little mouth, tears rolling down her face.

gu ze reached out and touched her head. ” right? ”

“is she very beautiful?” Little fool was not going to let him go.

Gu ze’s eyes flashed with gentleness. After a while, he said in a low voice, ” “yes, it’s very beautiful.”

Chapter 3013: He actually wanted to hug her like this 2

the little fool was stunned, and then her expression became even more eager. she looked at him for a long time before asking what she wanted to ask the most, ” “Have you hugged her before?”

“Did you roll around on the bed?”

This time, Gu ze laughed. where did all these questions come from? ”

However, he still reached out to touch her little head and answered her directly, ” “No, I didn’t! she only liked one man from the beginning to the end and never liked me. ”

he thought that he once had a chance!

However, his heart softened and he let her go.

...

It was meaningless to force it.

he did not lose to zhou chongguang, but to qin mu himself.

It was Qin Mu who couldn’t let go, so he lost.

While Gu ze was in a daze, little fool was stunned again.

“She doesn’t like you. Is it because you’ve slept with someone else?” She blinked her innocent eyes.

gu ze could not help but laugh.

Although he wasn’t a very clean man, he was considered to be clean and honest among men. At least, compared to Zhou chongguang, he was much more restrained.

however, some likes were just like.

it could not be changed.

He pursed his lips and said, "it's getting late. It's time to sleep."

At this moment, he also realized something.

little fool seemed to be very clear-headed, and she was most likely pretending to be drunk in the car.

She was actually not stupid at all!

However, Gu ze didn't expose her. He had to give little fool some face, right?

he got up. " sleep early. i'll go to the guest room. call me if you need anything. "

he had only taken two steps when she caught his hand.

"what's the matter?" he turned around.

this place has been laid by a Vixen. I don't want to sleep here. lin sisi asked in a small voice.

gu ze laughed. " then i'll sleep here and you sleep in the guest room. "

She was still unwilling to let go of his hand.

Gu ze was a little helpless and took two steps back. "sisi?"

"Change the bed sheets." She said in a coy voice.

Gu ze could only give in. will you be willing to sleep with me if I change you? "

She nodded.

Thus, Gu ze was like an old mother as he helped her change the bed sheets.

After changing, she laid on it and snorted comfortably. "It's so comfortable,"

it was summer, and she was wearing a skirt again. at this time, the bottom of the skirt was lifted up.

Gu ze's entire body suddenly heated up. The anger that he didn't even get from seeing that woman not wearing anything just now suddenly rose up.

It would not be a good feeling.

his throat rolled twice, and then he walked out of the door, " "i'm going to sleep in the guest room."

when he returned to the guest room, he immediately took off his shirt and went to take a shower. he needed a cold shower.

However, how could a cold shower be able to relieve the discomfort of a body that had not been relieved for a long time?

outside, thunder had started again, and the wind was strong.

a man's muffled moan of pleasure could be heard in the bathroom.

At this moment, there was a loud Thunder and a shrill scream, followed by the bathroom door being opened.

A little person pounced into his arms, and Gu ze was instantly stunned.

There was nothing left!

He raised his head, closed his eyes, and gritted his teeth."Lin sisi!"

however, little fool did not know that he was acting strange. she hugged him tightly and her body trembled.”it’s thunder. i’m so scared.”

He was a man without any clothes. Did she not know how to be afraid?

Gu ze narrowed his eyes and let out a long breath.”you can leave first.”

He had to clean it up.

but how could he bear to leave when he finally got to hug that little fool?

besides, she was really afraid.

Her little body was rubbing and doing that, which aroused Gu ze’s interest again.

“If you don’t want to be taken advantage of by me, then leave immediately!” He growled in a low voice.

Chapter 3014: He actually wanted to hug her like this (3)

however, the little fool was still looking at him with a silly and adorable look. she did not know what it meant to take advantage of him.

she just looked at him with a curious expression on her face.

Gu ze’s patience ended there. As a man who had been abstinent for a long time, she had repeatedly aroused the fire tonight. If he could still be a gentleman, he would not be human.

he lowered his head and sucked on her little mouth, swallowing her exclamations.

Next, he fully explained what a beast in human clothing was.

He was such a refined man, but when he did this kind of thing, he was extremely rough.

...

and there was no technique involved.

Lin sisi's memory was blank. She had no idea about sex.

Her back was against the smooth and cold wall, and she was shivering a little.

At first, she could still follow his rhythm and kiss him back, but after a while, the skin on her back was almost peeled off from the rubbing in the middle, and she was very cold.

hence, she trembled and pushed him away.

Gu ze's consciousness returned a little. He hugged her and kissed her, from her beautiful neck all the way to her ear. His voice was low and hoarse. "You don't want to?"

He leaned against her neck for a while and wanted to leave.

But the next second, he was hugged by someone.

The little fool buried her face in his arms and said in a small voice, "I'm willing, I'm willing."

she said she was cold, but her body was so hot that it was a fatal temptation for men.

gu ze's black eyes were tainted with a layer of storm as he squinted his eyes. "No regrets?"

Because he didn't intend to take responsibility. This night was just an accidental fire.

He knew very well that he did not have any emotional resonance with little fool and did not have the patience to take care of her for the rest of her life, but he was afraid that she did not know.

At that moment, Lin sisi's expression was very complicated. Tears welled up in her eyes as she looked at him pitifully.

that expression made his heart ache.

he almost gave up and stepped back to leave her.

but the little fool hugged him tightly again.

“Gu ze, I’m willing.” Her voice was very, very soft.

As she spoke, she began to cry. Even a little fool like her knew what the man meant by asking her if she was willing at this time.

if he knew how to take responsibility, he would not have asked.

It was precisely because it was only a Night of Joy that he needed to ask.

the little fool was crying really sadly. how could gu ze continue to cry in his arms like this?

As he hugged her and coaxed her gently, he couldn’t help but get carried away.

The hot water was turned on, and she was pressed against the warm wall, allowing him to enjoy her to his heart’s content.

She was petite but very soft.

Gu ze kissed her, leaned close to her ear, and asked in a low voice, ” “Sisi, are you happy?”

Lin sisi’s eyes were slightly closed, and her voice was very, very soft.”Happy.”

Her voice was trembling, and she was indescribably happy.

That night, she was very gentle and not like a little fool at all. The energy he had accumulated for so long was like a volcanic eruption, and because it was just a night of pleasure, it was particularly taboo.

After their first time together, he carried her to the big bed, turned off the lights, and loved her under the moonlight.

their fingers intertwined, and he could feel her missing finger. his heart ached a little, and he became gentler.

He called her sisi and kissed her very gently, again and again under the moonlight.

in that instant, she was complete once again.

After that, she kept crying and made a fuss about ending it.

“Bear with it.” Gu ze’s voice was low as he coaxed her. it’s been a long time since I last did it.

Chapter 3015: He actually wanted to hug her like this (4)

little fool hugged him. she probably really liked him and could not bear to see him in such pain, so she held back her voice.

Gu ze’s heart ached for her.

after three times, he turned to the side and calmed down to look at the little guy.

She had actually fallen asleep, probably because she was too tired.

gu ze’s gaze became a little complicated.

He regretted it.

...

Actually, the last woman wasn't a big deal to him. Everyone was willing, but when it was sisi, he regretted.

he didn't even know how to face her tomorrow.

Gu ze had never been so cowardly before.

he had been so eager in the bathroom.

He admitted that he was impulsive.

gu ze lay down and closed his eyes. in the end, he still got up and helped her clean up.

after that, he no longer felt sleepy. he put on a bathrobe and walked to the floor-to-ceiling window to smoke.

late at night, lin sisi choked and woke up.

She opened her tired eyes and saw Gu ze's back standing by the window.

She looked at him quietly. He seemed to be very distressed and troubled.

little fool thought about it and remembered the woman his secretary found for him.

that kind of woman only needs to pay, right?

She pursed her lips.

If that could make him feel better, she would be willing to do it.

She whispered, carefully walked behind him, and hugged him from behind.

“gu ze, can you give me money?” she said in a low voice, then looked up at him eagerly.

gu ze’s body froze.

he could not believe what he had just heard.

“Sisi?” he muttered after a moment.

Little fool buried her face in his back and said in a very, very soft voice, ” “gu ze, give me the money and we’ll pretend nothing happened today.”

she went around to him. first, she lowered her eyes, then she looked up at him.

She pursed her lips and said softly, ” “I don’t want you to be sad and put in a difficult position.”

gu ze lowered his eyes and looked at the little fool in front of him. he suddenly pulled her into his arms.

He bent down and pressed his face against her neck, holding her naked in his arms. She was so silly that he felt like he was holding a baby in his arms.

after a long time, he suppressed his voice. ” sisi, let me think. ”

lin sisi looked at him, her eyes sparkling with hope.

He thought that she probably liked him.

however, he didn’t like her, but he slept with her.

he couldn't give her an explanation immediately. she didn't want it, but he couldn't stop thinking about it.

He reached out and gently carried her back to the bed, placing her under the blanket.

Gu ze bent his knees. His voice was a little hoarse. are you hungry? I'll go get you some food.

Lin sisi shook her head and said, " I'm not hungry.

he smiled and sat beside her, gently coaxing her to sleep.

lin sisi rested her chin on his shoulder and said in a soft voice, " "gu ze, don't make things difficult for me, okay?"

"i'm not troubled," gu ze replied.

little fool lay in his arms and said softly, " "i just want to be with you. i don't like to face so many people."

If Gu ze hadn't decided before, he couldn't avoid it now that she said this.

he didn't have to get married, but his wife couldn't be as innocent as sisi.

gu ze's heart was a little wet. he reached out to ruffle her hair and pressed her little face into his arms.

"i know," he said in a low voice.

He didn't sleep much that night, but little fool had a good sleep.

In the morning, Gu ze was woken up by her shaking.

“Gu ze, I’m hungry.” Little fool sat on him, not feeling at all that her current condition was as bright and clean as Eve.

And it was early in the morning for him.

even men couldn’t stand such flirting in the morning, let alone her.

Gu ze closed his eyes. sisi.

The little fool lay in his arms and said softly, ” “if you don’t cook for me, i’ll eat you.”

...

She had no idea how alluring these words were to a man.

gu ze opened his eyes and said in a stern voice, ” “Sisi, come down.”

she was still afraid of him, so she came down obediently and pouted. ” “Then you cook for me.”

Gu ze stared at her for a long time and thought to himself that she did not take last night’s incident to heart. As expected, she was not suited to appear in public.

He sat up and wiped his face. After a long time, he said, ” “go and wash your face. i have something to tell you later.”

“can we eat first before we talk?” little fool looked at him eagerly.

She rubbed her stomach again and said,”I’m really hungry.” you kept pressing me down last night. i said i didn’t want it, but you insisted on coming. gu ze, aren’t you hungry? i saw you sweat a lot.”

gu ze endured it again and again. he lifted the blanket and got up.”We’ll eat downstairs in ten minutes.”

Little fool looked at him eagerly.

He seemed to be angry, but she didn’t know why he was angry.

She put on a bathrobe and ran into the bathroom to brush her teeth, looking at him fawningly as she brushed her teeth.

gu ze was both angry and amused. his heart felt warm.

He put on his clothes, but he still couldn’t help but go over and touch her little head. She rubbed her head a few times like a kitten.

He smiled and kissed her on the forehead. “I’ll be down in a while. eh? you’re not allowed to sleep in.”

She looked at him as she brushed her teeth. Her eyes were like grapes, very cute.

Gu ze smiled and went downstairs.

He spent ten minutes making breakfast, and Lin sisi came down.

she was only wearing his black shirt.

gu ze’s eyes darkened,”you’re so silly.”

“I don’t have any inside, because I don’t have any clothes to wear.” “you’ll buy it for me, won’t you?” she said pitifully.

“I’ll buy it for you later.” Gu ze closed his eyes.

“I want to go with you.” she took it for granted.

gu ze’s gaze became a little distant, and he kept staring at her.

“What’s the problem?” Lin sisi looked at him.

“no.” he closed his eyes.

She didn’t even ask him for his decision.

She was really silly, so silly that he couldn’t bear to let her out.

he thought that he would call lan yu and tell him that he wanted to take care of sisi.

sisi’s health wasn’t good, so he set up a nursing home for her and got a bunch of people to take care of her.

However, Gu ze did not think that he would not be doing better than Lan Yu. Instead, he would have more emotional concerns and she would be even more unhappy.

He also never thought that he should not be involved with her if he did not want to give.

Because she’s a little fool. There are many things she doesn’t understand.

however, he understood everything that she did not!

Lin sisi ate the breakfast he made in satisfaction and wagged her little feet happily.

she felt extremely happy.

Because this was the life of a normal person, and she had longed for it for a long time.

Thus, she was very happy and she was with Gu ze.

she was all smiles, not worried at all.

in gu ze's eyes, there was heartache and pain.

Chapter 3017: he wants to take care of little fool (1)

he reached out to touch her little head and said softly, "If you like it, eat more."

little fool smiled. "okay."

she finished the breakfast he had prepared and even licked the cd.

Gu ze did not have any objections to her animal-like lifestyle. However, he knew that she could not walk in front of people. (At this moment, President Gu had never thought that he would indulge this in the future.)

After little fool finished licking, she looked at him and said, "gu ze, what do you want to tell me?"

Gu ze's gaze was deep in thought, 'she seems to have forgotten what happened last night, or perhaps she automatically filtered it out and just pretended to forget. She's afraid that he'll be put in a difficult position.'

...

He smiled faintly and said slowly, "I will call Lan Yu and tell him that I will take care of you."

"what do you mean by" take care "?" Little fool tilted her head and asked him seriously.

“It’s just that I’ve prepared a house for you. There will be specialized doctors and nurses.” Gu ze’s voice became gentler.

“Is it a nursing home?” lin sisi asked him softly.

However, she liked the old sanatorium. If that was the case, she would rather stay there.

Gu ze shook his head. No. That’s home. Sisi’s home.

“will you live there?” lin sisi asked softly.

“i’ll be there this weekend.” gu ze nodded.

lin sisi’s little face suddenly blushed. ” “Are we going to sleep together?”

he nodded and said, ” “We’ll sleep together. Sisi, let’s get our marriage certificate.”

register for marriage?

She didn’t know what marriage was.

Lin sisi tilted her head, her face full of curiosity.

Gu ze did not explain further. She would not understand anyway.

however, he had never thought that one day, little fool would understand. she would know everything.

This included their unreasonable marriage and his unreasonable arrangements.

She would always know that his arrangements for her were no different from that of a married woman.

And he, Yueyue, did not love her either.

It was just pity and a little bit of love, just because they had slept together once.

She would know a lot in the future, but right now, she knew nothing.

She looked at him with sparkling eyes. She only knew that he would live and sleep with her.

However, she didn't know that a two-day meeting in a week would cost her five days of waiting.

she was treated unfairly without knowing anything.

she happily agreed and changed into his sportswear to go shopping with him.

after shopping for a while, gu ze's phone rang.

it was lan yu.

He picked it up and seemed to know who Lan Yu was looking for. He said calmly, "sisi is with me."

lan yu was holding his phone and standing not far away from them.

Lin sisi's phone had a location, so Lan Yu found her.

he looked at lin sisi's clothes and instantly understood everything.

she quickly walked over and grabbed gu ze by the collar. she was furious."You touched her?"

"Yes," Gu ze did not deny.

The veins on Lan Yu's face were popping out. Without thinking, he threw a punch at Gu ze's face. What followed was Lan Yu's angry roar, " " she's already like this and you're still treating her like this. what's the difference between you and those beasts? "

Gu ze was forced back a few steps and finally stabilized himself.

he wiped the blood from his lips and stared at lan yu. " "I will take responsibility."

"You can marry her?" Lan Yu's eyes were cold, like a father who had found out that his daughter had been slept with.

gu ze narrowed his eyes and said firmly,"i can."

Chapter 3018: He wants to take care of little fool 2

"i can marry her," gu ze said with certainty.

"Are you crazy? Do you know what this means? it means that sisi has to face everything again, face those bastards, and she's living a very happy life now, you know?" Lan Yu unzipped his tie, his expression extremely vexed.

she's just a little bored right now, but that's normal. You're just a small emotion she has when she's bored. Lan Yu looked at Gu ze and went straight to the point. "do you know who she used to like? it's qin chen!"

gu ze didn't feel anything.

He looked at Lin sisi, who was hiding at the side.

her expression was very innocent, and she shook her head, meaning that she liked him.

...

however, lan yu was in a rage. he stared at gu ze.”you want her to deal with those social interactions with you? you know that she’s as innocent as a child.”

as gu ze spoke, he grabbed lin sisi’s arm and asked softly, ” “Are you going to be with him, or are you going home with me?”

Lin sisi looked at him carefully, her expression timid.

After a while, she carefully let go of his hand and lowered her eyes.”I want to be with him.”

“are you crazy?” “Just one night and you’ve already decided?” Lan Yu’s gaze was cold.

Lin sisi was afraid of him. She was afraid that he would be angry, so she pursed her lips and went over to hug him.

He pushed her away because he expected better from her, but she stuck to him and hugged him again.

“lan yu. I really do like him.” “I promise, if I’m not happy, I’ll come back, okay?” the little fool looked at him eagerly.

lan yu’s eyes were burning with passion.

He tried his best to suppress himself.

gu ze saw a good sisi. although she was a little silly, she was fine.

he was the only one who had seen her in pieces and the most desperate moment of her life.

At that time, he had already thought that he would protect her well for the rest of his life.

However, he had never thought that she would fall for Gu ze.

they'd only met twice and were alone together twice.

they were together. They would be together forever.

Lan Yu raised his head slightly and said in a low voice, "what if you don't want me to want you later? do you still want to be with him?."

Lin sisi's little face looked hurt.

From what she knew, Lan Yu was her family.

would he be so angry that he didn't want her?

She forgot to breathe and just kept looking at him.

After a while, she looked at Gu ze pitifully. "gu ze, what about you? will you not want me?"

"I won't," Gu ze smiled.

however, he knew which type of request he wanted, but lin sisi didn't understand.

Lin sisi pursed her lips and looked at Lan Yu. She said even more carefully, " "he said he wouldn't abandon me."

lan yu's face was ashen. he straightened his body slightly. " you will cry one day. "

Then, he turned around.

"Gu ze, if you dare to bully her, I won't let you off."

with that, he left.

he left just like that.

Lin sisi looked on with a hurt expression on her face.

Gu ze reached out and pulled her into his arms. His voice was gentle. "Didn't you want to buy some clothes?"

however, his little fool was no longer in the mood. she cared about lan yu, and now that lan yu was angry, she was not in the mood at all.

It turned out that she also had times when she was in a good mood and bad mood.

gu ze thought to himself.

He had not realized that he had accepted Lin sisi and made such arrangements because he was lonely.

lan yu could see things clearly, so he didn't agree.

But what could he do even if he didn't agree?

he was not lin sisi's parents after all.

Chapter 3019: Mrs. LAN, it's time for you to fulfill your duties (1)

after lan yu went back, he was very depressed for a few days.

he felt guilty towards lin sisi. if he did not introduce gu ze to her, sisi might have to stay in that nursing home for the rest of her life. it might be a little boring and she might get into trouble from time to time, but she would be fine for the rest of her life and would never be hurt again.

He received news from Gu ze that he had settled Lin sisi down and they had registered their marriage.

lan yu laughed coldly. ” getting married? gu ze, getting married is like having a mistress. you have the cheek to say that you’re getting married. ”

But after he finished speaking, he thought of himself and didn’t say anything else.

He hung up the phone and remained silent.

...

He knew that Lin sisi’s parents had agreed. Who would disagree? Gu ze was rich and good-looking. Anyone would agree for a man like him to marry someone like sisi.

However, Lan Yu didn’t think so. He would rather sisi be pure for the rest of her life and only know simple things.

He closed his eyes slightly and was alone in the dark.

As for his wife in name, he had not seen her for a week.

because of sisi’s matter, he was delayed.

After that, probably to spite her, he never looked for her, and she never came back.

she probably thought that sisi was still living here. he thought that there was no need to explain.

he hated her, hated someone, and he didn’t need to explain or coax her.

Just like that, the days passed by. He didn’t know how long it would take, but it would probably take about a month.

He saw Qin Chen.

it was at a very famous western restaurant, and he saw her eating with a man.

Her expression was calm, but the man's eyes were filled with adoration for her.

Kevin, who was beside Lan Yu, looked at the boss's expression and felt that it was truly a little green. hence, he coughed lightly. "Boss, let's sit there? An ran has already reserved a table."

Lan Yu turned to the side. cancel the meal with Mr. Zhang and help me arrange another time.

Kevin was unmoved.

Lan Yu's gaze was fixed on that table, and that man's hand was almost holding Qin Chen's hand.

"Just say that my wife is going to have an affair," he sneered.

Kevin held back his laughter. "this reason is sufficient. i think president Zhang will understand and sympathize."

"Are you mocking me?" Lan Yu frowned.

"Isn't it obvious?" Kevin shrugged.

Lan Yu's face darkened.

Kevin expressed, "i'm not the one who cheated on you, boss!"

However, he didn't dare to ask for more. He immediately dialed chief Zhang's number and got it done.

After hanging up the phone, he saw that his CEO LAN had already walked over and was staring at the man and woman at the opposite table with an unfriendly gaze.

Kevin walked over and specially greeted Qin Chen. “madam.”

Qin Chen was stunned.

sitting opposite her was the president of the magnificent tang corporation, who wanted to invite her to shoot a urban film. it was a favor from sister kuan, and she was still considering it. having a meal was just a token of appreciation.

she had also seen lan yu a long time ago. he was sitting on the table at the side and did not make a sound.

since he didn’t come to greet her, she naturally wouldn’t look for trouble. after all, their marriage was a secret.

however, he didn’t expect that lan yu’s lackey would come over to say hello.

It was really a headache.

“where’s your ceo lan?” she asked with a smile.

kevin’s smile was very official and very meaningful. ” ” president lan is sitting at the table next to madam. madam didn’t see him? ”

qin chen’s mouth twitched. ” i didn’t see him. ”

She didn’t intend to see it.

Chapter 3020: mrs. lan, it’s time for you to fulfill your duties 2

Kevin never thought that Qin Chen and CEO LAN would be so cold to this extent.

Moreover, Qin Chen's attitude seemed to be too arrogant and unruly.

Director LAN was made a cuckold, but he didn't say anything.

Her face didn't turn red, and her heart didn't beat fast.

Did women lose their sense of chastity?

Kevin saw that she had no intention of closing the table, so he sat opposite Lan Yu embarrassedly, looking a little dejected.

...

"CEO LAN, aren't you going to do something about it?" he asked in a low voice.

Lan Yu's gaze swept over him, very indifferently. "Care what?"

Kevin did not dare to make another sound.

At that table, the president saw Qin Chen's dazed look and smiled faintly. "Miss Qin, let's talk at another time. You seem to have some private matters to deal with."

"Qin Chen wasn't interested in the movie either, so he didn't keep it." "Okay, I'm sorry."

She stood up and watched the man leave.

After she sat down, she packed her things and prepared to leave. However, she had only taken one step when someone grabbed her hand.

"Kevin, you can go back first." Lan Yu's voice was a little low.

Kevin felt that he was very miserable. He could not even eat.

She packed her things, wiped her tears, and left.

Qin Chen was dragged to the place where Kevin had been sitting. Lan Yu's voice was very calm.
"Eat with me."

"Aren't you going to let your little idiot accompany you?" Qin Chen laughed coldly.

Lan Yu looked up at her and didn't say anything. He started to eat.

Recently, he had been in a bad mood and ate less. He had also lost a lot of weight.

Qin Chen leaned back in his chair and looked at him mockingly. " "Why? Are you sad because the little idiot and Gu Ze left? You don't want to eat or drink anymore? "

She was as sharp-tongued as ever, and he was already used to it.

He wasn't angry and was even in a good mood.

After he finished his meal, he wiped his lips and looked at her. " "Even if you knew that Sisi and Gu Ze left, why didn't you come back?"

Qin Chen seemed a little lazy. "Because I don't like you. Are you going to send it over? "

"Yes, he doesn't like me." He smiled after she finished.

He got up and said in a quiet voice, "Move back here tonight. I'll wait for you."

"It seems that you've passed the period of disaffection, congratulations," Qin Chen sneered.

"Nothing can change our relationship, Mrs. LAN." He leaned over and whispered, then left. "I still have something to do. I'll be home before eight in the evening."

He was overbearing and tyrannical, Qin Chen didn't even have a chance to resist-

Lan Yu returned home at seven o'clock in the evening. Unexpectedly, Qin Chen returned.

Her car was in the parking lot.

Lan Yu closed the car door and a servant came up to him. "sir, madam is back."

Lan Yu paused and unbuttoned his coat. what is she doing? Have you eaten?"

The servant smiled and said, "Madam didn't do anything. She's reading a magazine on the sofa now. By the way, Madam said she wanted to eat Sir's cooking. So Hanhan.

So there was no dinner and she was still waiting for him to make it?

lan yu looked at the servant's envious expression and found it a little funny.

other people might not know qin chen's thoughts, but he was clear about them. he had come up with a prescription to torture him.

He didn't mind, took off his coat, handed it to the servant, and slowly walked into the hall.

Qin Chen was indeed reading a book. When he entered, she only looked up."You're back?"

"i heard that you haven't eaten yet. you're waiting for me to make you some food, huh?" He bent down and kissed her in front of the servants.

it was not a light kiss, but a deep french kiss.

It was not intense, but it was lingering.
