

Thank you 3031

Chapter 3031: he wants to start over with qin chen (1)

Qin Chen was furious, "are you here to deal with things or to take a walk?"

"As a reward." He mumbled, "do you want to do it yourself, or should I do it, hmm?"

"Can we go back to bed after breakfast?" Qin Chen asked, closing his eyes.

"Alright," he said. He then let go of her and let her return to her seat for breakfast.

she glared at him, thinking that he had bad intentions.

He said that he came to new York to deal with some matters, but who knew if he was just having a lustful moment and came all the way here to have a cross-country cannon.

...

therefore, qin chen was quite disdainful.

Lan Yu ate as he spoke. "Mrs. LAN should be happy that I didn't mess around in China."

"It's better to mess around." She said in a small voice.

Lan Yu raised his eyes and looked at her quietly. you don't mean what you say.

"I'm not." she lowered her eyes and reached out to stroke her long hair.

It was quite a flirtatious action.

However, that was not Lan Yu's main point. He stared at her face and asked very indifferently, "you haven't even washed your face and brushed your teeth, and you're already having breakfast?"

the qin chen he knew in the past was not like this. other than the surgery period, he was extremely fussy.

"yeah," qin chen looked at him and agreed.

He restrained his voice and said softly, "you weren't this lazy in the past."

She looked a lot more glamorous and feminine now, but she still couldn't change the things in her bones.

Suddenly, Lan Yu accepted Qin Chen's change from the bottom of his heart. She had become a real woman.

She had changed, so she had let go of her obsession with Rong Lei. In fact, it didn't matter if she didn't let go. Rong Lei was completely gone now, and there was nothing to miss.

Lan Yu smiled faintly and put down his knife and fork. "mrs. lan, is that enough?"

however, he was only asking for her opinion out of formality. he quickly carried her and walked towards the master bedroom.

"I knew you were here for this," Qin Chen patted his shoulder.

"You're still so silly over this, and you're still paying attention to me?" lan yu didn't feel at ease as he said that. then, he kissed her on the lips.

early in the morning, both the man and woman were only wearing pajamas and bathrobes. he had the fresh scent of the nice-smelling shower gel on him, which made people intoxicated.

They didn't quarrel, so their bodies naturally attracted each other. Hugging was also a very normal thing.

He pressed her against the mattress and kissed her. He moved his hands up and down. His kiss was very invasive, and there was no gap between their bodies.

qin chen couldn't take it anymore, but he still remembered something and pushed him away slightly. " "You don't have Yingluo's?"

lan yu propped his body up and lowered his head to kiss the corner of her lips again. his eyes were bright."Which one?"

she mouthed a word to him.

then, he was kissed heavily.

"qin chen, you're actually looking for this here? what's the use of this, huh?"

he bit her lips angrily. " you're using it with another man? "

"i'm checking up on you." She had no choice but to turn over and sit on him. if you dare to treat me like this again, I'll bite you to death.

"Childish." Lan Yu didn't get angry after being pressed down by her like this. Instead, he stretched out his hand and dialed the internal line very naturally. He used fluent English to instruct the front desk to send two large boxes of condoms over.

Qin Chen sat on his body and covered his face.

she couldn't listen to him anymore. he was really shameless. he even specifically told her what flavor, what thickness, and what sensitivity it should have.

Lan Yu laughed in a low voice. He reached out to remove her hand and kissed it gently.

“You’re already so big and you’ve already given birth to a child. How can you still be shy?” Naturally, he couldn’t say it, and he didn’t mind Rong Yue’s identity that much.

She was the one who gave birth to the child, and he liked the child too.

Qin Chen didn’t let go of his hand and refused to let him kiss him, so he continued to pester her.

There was a knock on the door, and he stopped in his tracks. He patted her and said, ” “go get it.”

“I’m not going,” Qin Chen said willfully.

At this time, she was a little like a child. She was a mature woman, but she was very relaxed in front of him. It was probably because she had been too indulgent these days, and she was happy both physically and mentally.

...

Lan Yu looked at her deeply and patted her lazily. “then you have to move away a little before i can go.”

Qin Chen didn’t move, and then shamelessly hugged him again. “You’re not allowed to go.”

He raised his eyebrows and asked,”what are you doing now?” Do you want to make up for the trouble you caused in new York by giving me a son?”

“The news was released by your ex-fiancée.” Qin Chen’s face was buried in his neck, and he said impolitely.

Lan Yu squinted at her and snorted. really? ” He looked at her with a serious face.

“Of course, she framed me,” Qin Chen snorted.

he sounds innocent, but Mrs. LAN, did you smile at that man? did you ask someone to send him back? ” He patted her twice unceremoniously, as if he was secretly punishing her.

Qin Chen didn't say anything.

lan yu didn't move her to the side, but carried her to the door.

He held her with one hand and opened the door with the other to take the two large boxes from the front desk lady. After closing the door behind her, she was in trouble.

He was the one who was really fast. He was already prepared when he reached the master bedroom.

He took it down in one fell swoop.

Qin Chen caressed his handsome and twisted face, bit his lip, and said angrily, ” “You're here to have a cross-country sex show.”

“You really understand me.” He gritted his teeth, but closed his eyes to enjoy it again. He even warned her, ” “focus.”

he closed his eyes but felt unsatisfied, so he opened his eyes to kiss her.

If it wasn't for the surveillance cameras, he would have suspected that Mrs. Lan's active cooperation was because she had done something wrong.

however, he thought about how she didn't overstep her boundaries in the hotel, so how would he know outside?

hence, he tortured her even more ruthlessly, and as he tortured her, he asked in a low voice, ” “tell me, did you do the same with him? Other than me, has anyone else ever made you like this?”

qin chen's long brown hair was scattered on the pillow, and his three-dimensional facial features were particularly charming because of his passion. when she heard his words, she opened her eyes and asked in a hoarse voice, ” what? ”

“Can other people satisfy you like me?” He felt like he was going to die soon, and he was drowning in this feeling.

qin chen couldn't take it anymore and bit the pillow.

she didn't say anything, so he became even more unreasonable and continued to do it again.

Just like that, two hours later, he finally let go of her and started to take his time.

He hugged her from behind and said in a low voice, ” “Chenchen, are you happy?”

chenchen?

Qin Chen was stunned.

it was as if this was the first time he had called her that when they were together.

But he called her that so naturally.

She had a feeling that Lan Yu seemed to have changed. It was as if he had understood some things and made some decisions.

Qin Chen thought about it clearly, but his head was still dizzy and he couldn't understand.

Only now did she know that men were misleading!

especially a man with such good looks and stamina!

Chapter 3033: Lan Yu, I will work hard to fall in love with you (1)

after an entire morning of lovemaking, lan yu was finally satisfied.

after catching up on two hours of sleep, he started making a few calls, mainly to do public relations.

Qin Chen lazily leaned against the headboard and painted his nails.

Lan Yu finished his call and returned to his bed. He smoked a cigarette and looked at her. “We’re not going to shoot the front cover of za?”

qin chen replied nonchalantly, “i don’t really care. it’s mainly what the magazine thinks. if it’s for lu wei’s sake, i’ll just take the money and not do anything.”

Lan Yu frowned.

...

She had never thought about what Lu Wei’s team would do to suppress her if she didn’t do it.

however, it was impossible for qin chen not to know about this. she was just too lazy to care.

“How did you manage to become an international supermodel?” Lan Yu shook his head.

“She’s a natural beauty and a little bit of luck.” qin chen chuckled. ” what? you want to fight for justice for your ex-girlfriend? you want me to quit? ”

He patted her face and said, ” nonsense.

“There’s actually nothing going on between us,” he said after some thought.

At most, it was just a few light kisses and nothing happened.

“Is that an explanation?” Qin Chen looked at him.

“it’s obvious.” Lan Yu’s eyes were a little bright.

Qin Chen felt that this was a little troublesome. Lan Yu seemed to be serious.

all along, lan yu had a saying in his heart that when he hated her more than he loved her, he would not be so good to her and would not think of being with her for a long time. however, it was obvious that he had a split personality now and wanted to love her.

Qin Chen didn’t want to stay long.

“it’s not that important. you really don’t have to keep your chastity for me,” she said.

lan yu furrowed his brows and understood her thoughts almost immediately.

she didn’t want him.

at least, she didn’t want to spend the rest of her life with him.

it didn’t feel good. it was like they had returned to three or four years ago.

He looked at her for a long time, but he didn’t say anything. He just lifted the quilt and walked out.

Qin Chen felt like he was going through menopause again, Yingluo. Were all men so emotional nowadays?

However, she still had to consider his feelings. After all, she was still counting on him to solve the problem with ZA and her scandal.

If Lan Yu stood up and said anything bad about her, her career would be over.

Although she didn’t care, Qin Chen didn’t have the habit of letting others take advantage of him.

In the end, Qin Chen still walked to the study room attached to the suite. When he opened the door, he saw Lan Yu smoking.

There was a sense of disillusionment in his expression.

qin chen didn't know why, but he felt a little sad.

she said in a low voice, "lan yu?"

"You're here because I'm still of value, right?" he looked up at her, his eyes red.

qin chen pursed his lips and said softly, "No!"

She walked in front of Lan Yu. you smoke my cigarette every day. Aren't you afraid of meeting God early?"

He let her snatch the cigarette away and stubbed it out, but he lit another cigarette and continued smoking.

"You should just slap yourself to death." Qin Chen frowned.

then, she ignored him and prepared to leave.

He caught her hand and she fell into his arms.

he hugged her tightly and said in a low and hoarse voice, "don't go."

his voice was hoarse as he begged her not to leave.

He said in a low and hoarse voice, "I shouldn't be like this. I forgot about you and me. I forgot that you don't love me.

Qin Chen was stunned.

she didn't know why, but when she heard him say this, she felt very sad.

it was as if she owed him a lot.

She seemed to have loved him in the past.

Chapter 3034: Lan Yu, I'll work hard to fall in love with you 2

"Lan Yu, have we ever been in love?" she asked him softly.

in her memory, she didn't remember loving rong lei, but she had given birth to rong lei's child. however, she subconsciously felt that something was wrong.

as for what was wrong, she couldn't tell.

lan yu smiled and shook his head. he said very indifferently, "No, I never did."

Qin Chen's expression froze, and she was a little disappointed.

Did she really not love him?

...

why did she feel uncomfortable when she saw him in such a state?

"maybe in the future?" she forced a smile.

Lan Yu lit a cigarette out of habit and said indifferently, "Actually, it's fine if you don't like it."

Because he was used to it.

“you go out first, i want to be alone for a while.” He said calmly and did not make things difficult for her.

qin chen felt that quarreling with her and being fierce with her was better than this.

at least, she didn’t need to care about it so much.

she pursed her lips and decided to give him some space.

however, when she walked out of the door, lan yu’s calm voice came from behind her, ” “Qin Chen, it’s not like that. I used to love you very much, and there was a time when you thought you loved me, and I thought so too.”

when he said these words, he was very bitter.

qin chen was stunned. after a long time, he said in a low voice, ” “i’m sorry,” she said.

“you shouldn’t say sorry if you don’t love someone.” he smiled. ” but you’re my wife now, chenzhen. ”

Qin Chen looked at him, then suddenly ran in and hugged him gently.”lan yu. i can try my best.”

He naturally understood what she meant, so he chuckled. “it’s too forced. i don’t want it.”

“I promise I’ll work hard.” qin chen said seriously.

Lan Yu laughed. She had probably never made such a promise to anyone before.

“then i’ll wait and see.” with that, he pulled her into his arms and kissed her.

she pressed against him, unwilling to do so, and he murmured in a low voice, ” “You just said you’d work hard, why are you so unwilling now?”

“I’m just afraid that you’ll die once you’re exhausted.” Qin Chen looked at him, speechless.

wasn’t he sick of doing this all day long?

Lan Yu was stunned for a moment before he slowly opened his mouth, ” ” you don’t know how it feels to be abstinent for four years. chenzhen, come over. if you don’t do it, i’ll be too old to move. ”

He was already over 35 years old and was considered to be an uncle.

There was also a common problem with men of this age. They suspected that they couldn’t do it, or they were afraid that women would think that they couldn’t do it, so they had to prove it.

Qin Chen was the subject of his proof. After two days of confusion, Qin Chen was finally woken up by sister Kuan’s phone call. za has decided to abandon you, Lu Wei exclusive edition! hehehehe, that’s explosive news, right?”

Qin Chen was still a little lazy. She crawled out of the blanket, took the phone with one hand and pulled out a man’s Xiongnu with the other, counting in boredom.

” i’ll do it with her. i’m doing it with her ex-fiancé now. i think i’ll still feel good. ” Qin Chen said indifferently.

“Qin Chen, you can still fool around with men? when did this happen?”

“A legal couple, not fooling around!” qin chen said slowly.

sister kuan smiled coldly. ” your explanation is brilliant. what do you think we should do? ” no, let your legal husband next to you answer the phone. i’m here to see what else he can help with other than f * cking his own wife. he’s so far away that he’s probably cross-country.”

Chapter 3035: lu wei was insta-killed 1

Qin Chen smiled. I think so too.

sister kuan was speechless. she felt that she had brought a piece of trash with her, and he was the kind that was especially beautiful.

However, she also knew that Qin Chen was like this because of his family background. She didn't need to experience those dark things.

she had the capital to do whatever she wanted. what lu wei and the others had spent their entire lives pursuing, qin chen had it since he was born.

therefore, lu wei's fight with qin chen was like a clown.

It meant that no one would pay attention to you even if you jumped around.

...

just as sister kuan's thoughts were running wild, lan yu picked up the phone.

the older the ginger, the spicier it was. sister kuan went straight to the point, " "CEO LAN, you've already married her. What do you plan to do now?"

"city B has already announced my marriage to qin chen. i'll arrange an interview in new York. it'll be done in ZA's special," lan yu said in a low voice.

Qin Chen didn't know how Kuan would react, but he was stunned.

Lu Wei was on the cover page. It was an interview with Lan Yu and also about her marriage.

Wasn't that strange?

after lan yu hung up the phone, she looked at him. ” “Are you trying to get your ex-girlfriend to give you a critical hit?”

“I don’t want to make enemies,” she snorted softly.

“Actually, you’re the one who has a change of heart. If she’s angry, she should be looking for you. I’m innocent.”

“no, i didn’t,” “i have not changed my mind,” he said with certainty.

qin chen was stunned and blinked.

was he confessing his love?

lan yu continued to look at her steadily. after a long time, he whispered, ” Chenchen, a person may like many people in their life, but there must be one person they love the most.

she looked at him and blinked for a long time.

she was also rarely so gentle in front of him. there was no need to talk about the past. he was simply a man. after reuniting, she also took the cold route.

the current situation was just right.

Lan Yu muttered in a low voice, ” Chenchen, leave it to me. I’ll handle it.

“I’m not someone who’s afraid of trouble.” Qin Chen smiled weakly.

“I know,” “Then let’s be high-profile,” he smiled.

The draft from the Grand Hyatt Corporation was still very useful. In addition, Lan Yu and Qin Chen accepted an interview with the United States ‘BBC Radio station, while they chose ZA for the paper interview.

And Qin Chen and Lan Yu were on the cover of the global Edition of ZA together.

this series of events was like a slap to lu wei's face. more importantly, the filming was done on the same day and in the same studio.

the head of ZA was not a pushover either. he used lu wei and lan yu's relationship as a selling point and made a big fuss about it. he was trying to sell out this season's magazine and was secretly preparing to double the print.

lu wei had no idea that she was still arguing with the editor-in-chief of ZA.

The editor-in-chief of ZA was also speechless. Lu Wei didn't know that her actions were not only personal, but had also become a selling point. She had unknowingly become a disgraceful character, which was very bad for her future career.

But Lu Wei couldn't see it. She was protesting and refusing to film it.

it's fine if you don't want to film it, it's the main production of ZA. if you don't film it, you'll breach the contract. do you want to take the 50 million penalty?

what a joke. they had already spent a lot of money on marketing and wanted to make this episode a hit. now that lu wei said that they were not filming, didn't that mean that all their previous investments had gone down the drain?

this was something that ZA could not tolerate. if lu wei broke the contract, not only would she have to pay, but she would also be banned.

A supermodel who didn't abide by the contract wouldn't be valued.

Chapter 3036: Lu Wei was Insta-killed 2

behind lu yu, there were many people from the east who were waiting to rise up. she was not young anymore, but she did not have any self-awareness.

She was still playing the big version, but these Caucasian men would not care about her.

Of course, this was also due to blue universe's operations. He didn't care about these benefits, he just wanted Qin Chen to not be angry. Besides, this was also a warning to Lu Wei.

However, Lu Wei didn't feel that way at all. She felt that everything was Qin Chen's doing.

Therefore, she still had to try her best to turn the tide on the cover.

She wanted to take the most stunning photo and let Lan Yu know who was better between her and Qin Chen.

...

when they were taking photos, lu wei met the lan yu couple.

A diamond ring appeared on Qin Chen's ring finger, and the clink was so big that it almost blinded Lu Wei's eyes.

no, it was a piercing pain.

She looked at Lan Yu hugging Qin Chen, his expression very focused.

He had never been so focused when he was with her.

Lu Wei pursed her lips tightly and did not say anything. Her expression was already very ugly.

Lan Yu did not tell her about it either. He wanted to compensate Lu Wei. Furthermore, they did not have any sexual relations. Even the engagement was decided by her on her own ...

He was responsible, but she was too anxious.

Lan Yu probably didn't feel guilty because he didn't care that much.

However, Lu Wei wasn't as calm as he was when they were taking photos.

Qin Chen was on the cover with Lan Yu, which was an insult to her.

However, she wouldn't give up. She wanted to suppress Qin Chen with her beauty.

However, he had already lost in a one-on-two battle.

Not to mention that it was a cover that was meant to torture a dog.

The cover of Lan Yu and Qin Chen was very simple. It was shot in the kitchen. Lan Yu was wearing a simple white shirt and black Casual pants, while Qin Chen was wearing a loose beige t-shirt. His hair was a little puffy, and his long legs were bare. He hugged Lan Yu from behind.

Lan Yu turned his head to look at her.

The scene was extremely beautiful!

The photographer took a few photos and looked at them one by one, asking them to pose.

In one picture, Qin Chen was carried to the kitchen counter, and Lan Yu stood there and kissed him. It was especially beautiful.

"This one will be the cover," the manager of ZA decided.

Qin Chen met Lu Wei in the changing room.

Lu Wei had just finished taking the photo and was very confident. He glanced at Qin Chen. You won't last long with him. He only announced it because he was afraid of scandals.

“All the more you shouldn’t announce it because you’re afraid of the scandal, right?” qin chen reapplied a little lipstick in front of the mirror, put away his makeup bag, and said, ” “In fact, those who deceive themselves live a very tiring life, but they also live for others.”

she was calm and had never treated lu wei as an opponent.

whether it was his career or blue universe.

the modeling industry was purely because she was playing around. as for lan yu, she didn’t care so much about it.

therefore, lu wei really didn’t need to do this. she was confused, and lu wei would get tired.

qin chen didn’t think it was worth it. she just wanted to enjoy life.

Of course, Lan Yu was indeed restricting her.

If it wasn’t for his threat, she would probably never have the chance to live with such a man.

from the looks of it, it wasn’t bad. she wasn’t prepared to return it to lu wei.

Basically, Qin Chen liked to use one thing until it broke.

Can a man still use it if it’s broken?

Just as she was about to leave, Lu Wei said, ” “I won’t lose to you.”

“as you wish.” “but you might be disappointed,” qin chen said calmly.

lu wei gritted his teeth and left before her.

When she passed by Lan Yu, she stopped and said coldly, "I don't know why you chose her. She was married and had a child with someone else."

Chapter 3037: How long are you going to leave this time?(1)

Lan Yu's gaze was a little deep,"this has nothing to do with you." Lu Wei, my patience is limited."

"Is that so?" lu wei laughed coldly and mockingly, " "Blue universe, is our past not considered a past?"

the corners of her mouth were frozen with a touch of coldness. " you'll regret it. "

after that, when qin chen walked out, lu wei leaned over and unexpectedly kissed the corner of lan yu's mouth.

lan yu frowned and immediately looked at qin chen.

qin chen didn't seem to mind and said indifferently, " "do you want to leave for a while?"

...

"Chenchen!" he called out to her in a bad mood.

Lu Wei's expression changed.

chenchen, does lan yu call qin chen that?

Then, what was she?

he had never called her by her nickname, and how long had lan yu and qin chen been together?

Not only did they live together, but they also wanted the whole world to know about it.

their love was love, but her feelings were feelings?

lu wei walked away with an ugly expression.

in fact, no matter who did the cover better, she had already lost this round.

The discussions in China had long been reversed, and it was all Lan Yu and Qin Chen's dog food.

Of course, there was also a grand wedding.

And the person who made Lan Yu's Secret marriage public was either someone else or Lu Wei herself.

when the cover page of ZA came out, lu wei completely broke down.

Qin Chen and Lan Yu were very natural. Lu Wei was a model herself, so she could naturally tell what was free and what was natural.

She sat on the toilet bowl alone, staring at the photos and crying her heart out.

she had lost. she was utterly defeated.

Her manager had called her and scolded her.

This time, Lu Wei was almost blacklisted by the company.

but she didn't give up.

She had lost in love, but she would definitely win in other aspects.

she wanted to crush qin chen at her feet in the supermodel ranking.

at this moment, qin chen's withdrawal from the fashion industry was announced.

qin chen left.

When she was at her most popular.

not just the others, even lan yu was a little surprised.

he returned to the villa, thinking about how to tell qin chen about this.

he came back, took off his coat, and asked the servants at home, "where's madam?"

"Madam is upstairs." The servant was surprised.

lan yu walked upstairs, casually threw his coat on the back of the sofa, and looked at the master bedroom.

Qin Chen wasn't there.

he walked in and heard sounds coming from the changing room. he walked over and pulled the door open.

Qin Chen was packing his luggage.

"where are you going?" lan yu frowned.

They had only been back for two days, and the wedding was in a week.

She had announced her retirement from the fashion industry, and now she was going out again?

“back to France,” qin chen replied without thinking.

Back to France.

and she used the word ‘reply’.

she was handling the luggage and did not see his expression.

Lan Yu frowned and said in a very, very soft voice, ” “qin chen, who did you go to find this time? you realized that you don’t love me, but you’re happy being with him. did you realize that you and he belong in the same world, huh?”

“Even though I can easily destroy that Kingdom, you still love him, don’t you?” His expression was very unsightly as he approached step by step.

in the end, she was pinned down by him in front of the closet in the changing room. before she could react, her clothes were torn to pieces.

lan yu’s eyes were bloodshot. at this moment, his eyes were filled with a red mist. he didn’t know what was wrong with him. he only knew that he couldn’t let her go. he had to make her stay.

the injury from many years ago stung him and also aroused his beastly nature.

Chapter 3038: How long are you going to leave this time?(2)

qin chen felt a sharp pain in the back of his head as he was pressed down by him.

She frowned and looked at the man in front of her.

There was a red mist in front of her, and she seemed to have remembered something.

The eyes of the man on top of her were red. He grabbed her shoulder and his voice was frighteningly hoarse. "How long are you going to be with him this time? Qin Chen, you don't have a heart, will I never be able to move you? ah?"

As he said that, he threw a punch in her direction.

She closed her eyes.

...

however, the punch landed on the side of her body, and the cabinet door shook a few times.

She opened her eyes wide, and there was a touch of fear in them.

she was afraid of him!

lan yu's fingers held her sharp chin. "tell me, what am i to you? what is it? tell me. "

Then, he kissed her. He kissed her fiercely, from her lips all the way to the back of her ear.

His actions were not gentle, but rather a little obscene.

Qin Chen couldn't take it anymore. She closed her eyes and said in a trembling voice, "Lan Yu, let go.

He didn't let go and kept pushing her like this, extremely rough.

although he wasn't so gentle before, he wasn't this rough either.

he made qin chen cry. she couldn't struggle, so she could only make herself look worse.

slowly, she drooped her head weakly and let him do as he pleased.

Everything calmed down.

she slipped and fell.

lan yu let go of her and slowly took a few steps back. ” “qin chen, you can go wherever you want, but once you leave this time, don’t ever come back.”

Qin Chen was in a daze.

She felt like she was surrounded by things that she had dropped, but she couldn’t see or touch them.

However, she knew that it was her pride.

she was qin chen, and she wouldn’t allow a man to treat her like this.

he said he loved her and treated her so well, but yingluo didn’t trust him.

not in the past, not now.

In the past, the back of Qin Chen’s head hurt.

She closed her eyes and held her hand as she saw some blurry images.

She felt as if she had lost something. She tried her best to think, but she didn’t know.

when she looked up again, she felt like she had lost herself.

qin chen stood up slowly.

she didn’t go to France, nor did she tell lan yu that she was only going to france to go through the procedures.

she was registered in France.

however, there was no need for that.

she supported herself to the mirror and pulled up her clothes, which had been in a mess.

She said to herself softly, "it's nothing."

it was just a man, a man she didn't want to love from the beginning.

Qin Chen looked at the bruises and closed his eyes.

she still carried her suitcase downstairs. the servant was shocked to see her. " "Madam?"

"Where is Madam going?" The servant had also seen Lan Yu's appearance just now and felt that there was a problem between the couple.

Qin Chen paused. I'm on a business trip.

The servant hesitated for a moment before asking, " "madam, when are you coming back? i'll let sir know."

qin chen looked at her, and after a while, he said, " "I'll never come back."

After she finished speaking, she put her luggage into the suitcase and opened the door to get in.

She didn't have many things here to begin with, and this box was empty.

the servants wanted to stop him but couldn't. they could only helplessly call lan yu.

But he couldn't get through to Yingluo.

qin chen's car had already driven far away.

Chapter 3039: The truth from a few years ago is revealed

the next day, photos of lan yu and a small star in the hotel appeared in the headlines.

The financial section, the entertainment section, not a single one could be missing.

Qin Chen naturally wouldn't miss such a big commotion.

She sat quietly on the sofa and read the newspaper.

she didn't call to question him, because that was something only a wife who loved her husband deeply would do.

She had only flown to France to settle some matters. By the time she returned, a month had already passed.

...

A month was enough for many things to happen.

for example, lan yuli had promoted lu wei.

Qin Chen had become a yesterday's daylily.

Qin Chen didn't care about this. She sat in her apartment and thought that she was ready to love him.

however, she gave up the career she was interested in and gave up the rong corporation. she didn't care that she didn't have the trust of that man in the world.

Their relationship was actually fragile. It was not as if he said he loved her a little and she just wanted to love him well.

He had a mental illness, so any slight movement was enough to make him suspect her.

she didn't know about their past.

he didn't even want to think about it now.

Qin Chen had gone on a trip with little Rong Yue.

She had sold Rong Corporation.

she resisted the pressure and diluted the shares of the rong corporation, and the laboratory was sealed up forever.

that was the only thing she had left in the rong corporation. other than her own ownership, no one else could touch it.

Because she had become independent, she had used all of the Rong corporation's shares to get this.

qin chen thought that the reason she didn't do this in the first place wasn't because she was reluctant to give up the wealth.

It was because she didn't hate Lan Yu.

That was why she had slept with him again and again.

Back then, he was still with Lu Wei.

she thought that she had liked him before.

qin chen smiled, letting the night wind brush against his face.

She didn't want to think about anything now. She just wanted some peace and quiet.

She had been back in B city for a few days. It was not that she had not heard of Lan Yu's scandal. It was nothing much for other small stars, but Lu Wei, she was really disgusted.

qin chen had always been a little obsessed with cleanliness, so of course he couldn't accept it.

When she went to Sheng Yuan the next day, she met Huang siya.

her distant cousin was now disabled, and cousin huang always looked at her with hatred, but qin chen was too lazy to care.

This time, Huang siya's eyes were much Kinder. She even asked Qin Chen to sit in the Starbucks opposite her.

The two sat down. Huang siya looked at Qin Chen and suddenly handed him a photo.

qin chen took it.

it was an unfamiliar self.

"do you see this? this is how you used to look like." Huang siya laughed mockingly, "for Rong Lei, you turned yourself into a man for more than ten years. Later, Lan Yu changed you, and you two like each other very much.

"why are you saying this?" qin chen narrowed his eyes at her.

"the exciting story is at the back." Huang siya was like an old witch from a fairy tale, her voice hoarse and evil. after that, Rong Lei was resurrected and you got back together with him. The premise was that you discovered that Lan Yu wasn't loyal. However, that was also your own fault. Of course, you fell in love with Lan Yu, but Rong Lei threatened to take you to France.

“You sacrificed yourself for Lan Yu. you gave birth to rong lei’s child, and lan yu misunderstood you for hurting you. now, he’s found another woman to anger you.” huang siya said with a wild smile on her face, ” “isn’t the story exciting? if you don’t want to come, you can’t even make up such a melodramatic story!”

Chapter 3040: the truth from a few years ago is revealed

Qin Chen looked at her quietly. it’s indeed exciting! however, to someone who has lost his memory, nothing else matters except the ending.”

“You’re giving up on him?” huang siya’s voice was filled with disbelief.

Qin Chen stood up and looked down at her. “Why not?”

“He let you down! your sacrifice has been in vain. don’t you feel pain? don’t you feel heartbroken?” huang siya was very immersive.

“i won’t,” Qin Chen’s voice was very slow. if I had really sacrificed something in the past, then it must have been something I was willing to do. But now, he is not worthy of my love. I will not take back anything!

After she finished speaking, she walked out.

...

Huang siya stood up immediately. Qin Chen, you haven’t changed at all! you’re still as stubborn as ever, and you still don’t put anyone in your eyes.”

Qin Chen turned around and smiled. when someone doesn’t care about you that much, you’re going to hug his leg and beg him. Isn’t that too ridiculous and cheap? ”

huang siya’s body shook as if she had suffered a huge blow.

In fact, it was true.

She didn't expect Qin Chen to be like this, to be so nonchalant.

she laughed.

she had been too foolish all these years.

Her stubbornness was a joke in Qin Chen's eyes.

When Qin Chen walked out, he bumped into someone he shouldn't have touched.

lan yu and lu wei.

She lowered her eyes and chuckled, " " when are you free? you can sign it. you should have received the divorce agreement i sent to blue universe, right? "

Lan Yu stared at her.

He knew that she had misunderstood.

Lu Wei was supported by Qin mo and had nothing to do with him.

and that small star yingluo did have the intention of angering her, but it was only a little ambiguous.
he did not sleep with another woman.

of course, he didn't want to explain it to her.

both of them were angry, so it was impossible to have a good talk.

lu wei smiled.'lan yu, do you need me to leave for a moment?'

“It’s fine, I’ll move some space for you,” Qin Chen said.

don’t go! Lan Yu grabbed her hand. don’t go!

his adam’s apple bobbed. ” we’ll talk when we get back tonight. ”

“I won’t!” “I’m not going back,” Qin Chen said softly.

he frowned.

After that, he heard Qin Chen say something very lethal, ” “if you’ve ever loved me, you should know that i’m a clean freak.”

With that, she broke free from him and went straight to the parking lot outside to get her car.

Lan Yu left Lu Wei behind and ran out to chase her.

Qin Chen had already entered the White BMW and was starting the car.

Lan Yu couldn’t stop her and immediately ran to the front to stop the car.

qin chen’s gaze was cold, and he didn’t seem to stop.

in the end, he still retreated to the side, his face covered in dust.

he stood there and watched her car drive away.

lan yu had a feeling that he had completely lost her this time.

Huang siya floated out of nowhere and looked at Lan Yu. She said happily, ” “it was your distrust that caused me to lose her.”

she laughed lightly,"who is qin chen? you still dare to provoke her like this. lan yu, i really want to tell you a story. it's very good!" Do you want to hear it?"

lan yu didn't want to bother with this lunatic.

"i told qin chen that her sacrifice was a mistake. can you guess what she said?"

lan yu's black eyes immediately glowed with a sharp light. " Huang siya, what are you saying? "
