

## Thank you 3041

Chapter 3041: The truth from a few years ago is revealed

“i said, she left you and went to France so that you wouldn’t get hurt. didn’t you even suspect that the child in her stomach wasn’t rong lei’s? That child looks so much like you, but it’s a pity that he’ll probably be surnamed Rong for the rest of his life. Haha, Lan Yu, this is your retribution.”  
“i’ve been waiting for this day for a long time,” huang siya said happily.

She laughed wildly. Lan Yu, Qin Chen sacrificed so much for you. He even forgot everything about you two. Have you ever thought that he would face a madman like Rong Lei when he was pregnant with your child? ”

lan yu’s fingers clenched tightly.

” who told you this? ” he stared at huang siya. ” who told you this? ”

“i’ll do it myself!” huang siya looked at him with disdain. ” “Do you really love her? if he loved her, he would not doubt her. Actually, I feel bad for Qin Chen, but it’s good that she’s forgotten about those things. At least she doesn’t have to suffer anymore.”

lan yu closed his eyes slightly, turned around, and got into his car.

...

he wanted to find qin chen.

What should he say to her after he found her?

He did not know. He only knew that he had to find her.

Lan Yu drove towards Qin Chen’s apartment. He had a feeling that she would be there.

he saw her car downstairs at her apartment.

He stopped the car, opened the door, and got out of the car. He took the elevator to the top floor.

He knocked on the door, and she came to open the door about five minutes later.

She was wearing a bathrobe, and she opened the door to look at him quietly.

lan yu was just about to speak when he saw that she wasn't alone inside. there was also a young and good-looking man.

lan yu had seen her before. she should be a member of a certain idol group. she was very popular recently.

the man was lying casually on qin chen's sofa, his face turned to the side as if he was asleep.

Qin Chen had just returned, which meant that this man had been in Qin Chen's house.

They were cohabiting!

This was Lan Yu's first reaction.

then he narrowed his eyes and looked at qin chen's face. " "who is he?"

qin chen tilted his head. " you should know who he is! "

Lan Yu's hand grabbed her and dragged her out. His face was extremely twisted as he gritted his teeth and asked, " "I mean, what is your relationship with him?"

Qin Chen looked at him and chuckled. "whatever relationship you have with those small stars and lu wei is the same as what i have with him. Oh, by the way, PEI Jingyu is quite young. I call him a little puppy."

blue veins popped out on lan yu's forehead. he held onto her neck and said in a hoarse voice, " "tell him to get out immediately."

“you’re the one who should get lost.” Qin Chen’s tone was very calm, and she turned her face. Lan Yu, I hate your indecisiveness. I don’t like the way you control everything, and I don’t like the way you act as if I owe you two million.

“Aren’t you afraid that I’ll attack the Rong family?” his face was gloomy.

“move!” qin chen smiled, “i’m not that great in blue universe. i don’t want to use my freedom to exchange for the happiness of others.” you can do whatever you want. as you wish.”

” oh? ” lan yu narrowed his eyes. his voice was very soft. ” it seems like you’ve done a lot these days. ”

Qin Chen lowered his eyes and lowered his voice. Lan Yu, if you didn’t look for someone else that day, we wouldn’t be where we are today.

he wanted to speak, but she interrupted him. ” not every woman will wait for you and lick your boots. At least I won’t force siya to tell me about our past.

Lan Yu’s expression was a little aghast. He felt that she was about to get to the main point and that she had to make a decision.

Chapter 3042: the truth from a few years ago is revealed

Qin Chen looked at him, his expression gentle. Lan Yu, no matter what happened in the past, no matter who did wrong to whom, I can’t accept the you now that we’re together again. So, Wanwan ...

“So you want to divorce me and be with this pretty boy?” he held her shoulder and asked in a low voice, ” “What can he give you? you’re not from the same world as him, you once told me yingluo.”

“I’ve said it before, the past is not important, the future is the most important.” qin chen laughed at himself. ” he can give me happiness. he won’t be fickle. he won’t hurt me. he won’t force himself on me regardless of my wishes. he won’t contact other women when he’s with me. if we’re not together, he’ll tell me. lan yu, this is what i want. it’s very simple.”

“And you, you can’t do it at all.” She smiled. I tried, but you stepped over my bottom line in just a few days.

When he was with that minor celebrity, the newspapers were all over the place. He was with that minor celebrity at the hotel, but no matter what happened, he was doing it on purpose for her to see. She knew it all too well.

So, it was impossible.

...

there was already grass growing on her head, yet she still wanted to keep this man for the new year?

Lan Ding’s face darkened. I won’t divorce you.

“Whatever you want! if you think that marriage contract can represent anything, you can keep it for the new year.” Qin Chen broke free from him and wanted to close the door.

But she was caught by him again.

He stared into her eyes. whose son is Rong Yue? ”

Qin Chen froze for a moment, then sneered. “You’re crazy! He’s Rong Lei’s son!”

“Oh, really? i can do a DNA test.” ” you’re right. ” lan yu’s eyes were cold. ” if he’s my son, i’ll get him back even if i have to give up everything. ”

qin chen gave him a backhanded slap. ” “Despicable,”

He gently touched his face and sneered, ” “Does this slap mean you’re guilty? rong yue is my son?”

Qin Chen raised his chin slightly. Rong Yue’s surname is Rong. He will never be your son. Lan Yu, you really disgust me.

With that, she pushed him away and turned to close the door.

her back was against the door, her face drooped, and her hands covered her eyes.

pei jingyu opened her eyes, sat up, and looked at her quietly.

“Did he bully you?” He asked.

in fact, he had not slept at all.

his relationship with qin chen wasn’t like that. they were just sister kuan’s subordinates, so they were like siblings.

He had no place to stay when he returned to city H, so Qin Chen invited him to stay here. PEI Jingyu only realized that he was being used as a gun when Lan Yu ran over.

He put on his slippers and sighed. sister Chenchen, should I go and buy a huge amount of personal safety insurance? or accident insurance? ”

with lan yu’s ruthlessness, it would not be strange for him to take his little life.

Qin Chen walked to the bar to make coffee for herself. She was wearing a bathrobe, and her figure was very slender.

The cute little puppy was familiar with her on a daily basis. At this time, he coughed lightly and started to make a fuss. He ran over and hugged her from behind.”sister chenchen, have you really never considered me? although i’m not as rich as blue universe, i’m still young and strong!”

Qin Chen was still brewing coffee, and his voice was faint. “he can work five to six hours a night without rest. can you do it?”

the cute little puppy was frightened and immediately packed his things and left.

when she was downstairs, she was blocked by lan yu.

The young puppy had been beaten into a national treasure.

pei jinyu sat in her flashy red sports car and called qin chen. ” Sister Chenchen, your ex-husband is too fierce.

Chapter 3043: Qin Chen also has a little puppy!1

“Who allowed you to leave?” Qin Chen chuckled, gloating over his misfortune.

how ruthless! he really had no conscience!

The cute little puppy gritted his teeth, but he didn’t dare to say anything. He was an artist under King Entertainment, and if he wanted to promote him, he had to please this person.

“You didn’t tell me our real relationship, did you?” Qin Chen asked slowly after he finished brewing the coffee and took a sip.

The cute little puppy was a little aggrieved.

“will i be beaten to death?” he asked proudly.

...

“it’s hard to say,” “but i think you’ll cooperate with me for the next movie,” qin chen said with a smile.

pei jingyu gritted her teeth. ” i might as well go to the president’s bed. ”

“my brother has no interest in men, and he’s even less interested in transgender people.” qin chen told him kindly.

the cute little puppy suddenly lost his fighting spirit and became listless. ” alright, i’ll continue to serve you, but if he hits me again, i’ll take it as self-defense. ”

“whatever, i didn’t say you can’t fight back.” qin chen said coldly.

woah, the cute little puppy covered his eyes and said, ‘sister chenzhen, why didn’t you say so earlier! i thought you were worried about him!’

With that, he hung up the phone, opened the car door, and walked towards Lan Yu.

he was a popular celebrity, and the reporters had been following him and qin chen for a long time. although they didn’t get a real picture this time, they got a picture of him fighting with qin chen’s ex-husband, which was also an explosive point.

as a result, not only were they sent to the hospital with bruises all over their faces, but they also made the headlines together.

the reporters followed him to the hospital. of course, qin chen also received a call from qin mo. after interrogating his sister for a while, he gave an order, ” the company is supporting pei jingyu now. go to the hospital to visit him and make your scandal more popular. ”

“i’m not divorced yet, aren’t you afraid of ruining his reputation?” qin chen frowned.

“It can’t be burnt.” cough! Qin mo coughed lightly. remember to go and buy a bouquet of flowers.

He hung up the phone after he finished speaking.

qin chen stared at his phone. after putting it down, she quietly made herself a cup of coffee before changing her clothes and leaving.

When she walked into the VIP Ward of Sheng Yuan with the red roses, the reporters were frantically taking photos outside.

This was because she had entered PEI Jingyu's ward, not her ex-husband's.

“miss qin, does this mean that you've chosen a fresh meat?”

“miss qin, are you willing to give up ceo lan's hundreds of billions of assets?”

” is miss qin and pei jinyu in a spiritual relationship or did they have a physical breakthrough? ”

The reporters were in hot pursuit.

qin chen turned around and said expressionlessly, ” Jing Yu and I work in the same company. Shouldn't I be here to visit him? ”

her gaze was sharp as she stared at the reporters. ” “i don't want you to write nonsense, or i'll sue you until you go to jail.”

the reporters collectively gasped, thinking that they had never seen such an arrogant person.

However, they ran to blue universe and interviewed them in a variety of ways ...

your ex-wife-to-be went to another man's ward and didn't come to see you.

lan yu's face was cold. ” kevin, chase these reporters out. ”

kevin looked at his boss sympathetically and asked the security guards to drive the reporters out.

Lan Yu was lying on the hospital bed. He looked at the ceiling and suddenly asked, "Kevin, am I a failure? am I terrible? that's why she's taking revenge on me, Yingluo."

"Boss, do you want to hear the truth?" Kevin asked carefully.

Chapter 3044: Qin Chen also has a little puppy!2

Lan Yu looked at him, his expression a little miserable.

Kevin coughed lightly. "Actually, I'm not saying that you're bad, boss. It's just that Miss Qin isn't an ordinary person. That's why you don't seem that outstanding."

Lan Yu snorted and coughed lightly. "What do you mean by not outstanding?"

Kevin was very kind. "Boss, you're already in your early thirties. How can you still fight with these young hunks!"

"It seems like his injuries are more serious than mine!" CEO LAN said very frankly.

Kevin sighed softly, "The young man's injuries are on his body, but yours are on his face." Think about it, if Miss Qin were to visit a young hunk, his face would still be good-looking, but CEO LAN, you'd be a little cold and miserable."

...

"Bring a mirror over," LAN Yuyan said.

Kevin took out a mirror and showed it to Director Lan.

Lan Yu only took a glance before throwing it to the side, not wanting to look at it anymore.

“the swelling will go down in a few days, and it won’t look like a pig’s head anymore,” kevin said kindly.

his ceo lan glared at him.

kevin stood at the side and kept quiet.

Meanwhile, the other Ward was very lively.

Qin Chen placed the flowers by PEI Jingyu’s bed and looked at him.

“Sister Chenchen!” “i was beaten up because of you,” pei jingyu sighed.

“For my sake!” Qin Chen laughed and reached out to gently pull his black hair.”then i’ll get a divorce and we’ll get married, okay?”

pei jinyu’s face turned pale!

sister chenchen, this joke is not funny at all. ” pei jingyu pulled on her sleeve.

“didn’t you fight for me just now?” qin chen continued.

her fingers gently caressed his good-looking face. ” by the way, do you believe that if i ask qin mo to give you to me, do you think he will agree? ”

pei jinyu’s face darkened.

“sister chenchen?” “i have a girlfriend,” the male idol finally revealed the secret.

” you have a girlfriend already? do you want me to dig her out and get the company to freeze you? ” qin chen threatened with a smile.

alright, ” PEI Jingyu finally said. I’ll continue to pretend to be your boyfriend.

now, he really wanted to cry. why did he think qin chen was so easy to get along with in the past?

she was the black-bellied one.

qin chen let go of his face and got up with a smile. ” “remember to be more affectionate in front of the reporters. don’t be too direct, or it might affect your future.”

If it wasn’t for the fact that PEI Jingyu couldn’t move, he really wanted to slap Qin Chen to death.

in the end, he could only glare at her with hatred.

Qin Chen bent down and kissed his forehead. “Good child.”

Suddenly, he grabbed her hand and dragged her towards him, knocking into his body.

the fresh meat’s eyes were extremely aggressive.”Don’t call me child!”

in fact, he was only two or three years younger than her.

qin chen’s hand retracted, and he held on to her.

“Don’t kiss me, or I’ll take it seriously.” he muttered.

Qin Chen returned to his senses and patted his face. “Didn’t you say you have a girlfriend?”

“ex-girlfriend.” PEI Jingyu softly spat out these three words.

qin chen snorted coldly and slapped his face until it was swollen.

pei jinyu lay flat on the bed and smiled. ” “I’m serious, Chenchen. We’ll be together when you divorce him.”

Qin Chen walked out directly.

He tilted his head and smiled.

What she didn't know was that he had liked her for a very, very long time. Back when he was still a little boy, Qin Chen saved him on the operating table.

Chapter 3045: Qin Chen also has a little puppy!3

at that time, qin chen was a doctor and a beautiful big brother. he had never seen such a good-looking person.

From that moment on, he wanted to pursue her.

he had become KING entertainment's most popular actor and had gotten close to her.

he was so close to her that he could sleep in her apartment, but he knew that she had no interest in him.

Qin Chen had a mystery in his heart.

this mystery was lan yu.

...

he was very clear about it in his heart, but he had always been silently guarding it.

he knew that she was married to lan yu and that man had loved her for many years.

However, that man was not suitable for her. He always made her cry.

pei jingyu's gaze was gentle until she disappeared from the ward.

perhaps, he needed to wait, wait for many years, wait for her to be completely separated from lan yu.

he didn't mind waiting, because he had already waited for many years.

Outside the door, Qin Chen was surrounded by reporters as soon as he walked out.

"Miss Qin, did you come just to see PEI Jingyu?"

"does it have anything to do with you?" qin chen put on his sunglasses.

there was a commotion among the reporters-

it was still the same qin chen, the qin chen who never pleased the media.

However, Qin Chen still pushed open the door to Lan Yu's ward and closed it, blocking the reporter's camera.

lan yu was leaning against the headboard and reading some documents. when he heard the voice, he thought it was kevin."get me a glass of water."

Qin Chen walked over, poured a glass of water, and placed it on his bed.

when lan yu picked it up, he saw her hand.

he looked up and saw her.

qin chen took a step back and sat on the sofa. " " you're already so old, yet you're still fighting with others. i feel embarrassed for you. "

“do you feel bad for your pretty boy?” He asked with a frown.

Qin Chen smiled. if you think so, then so be it!

She actually didn't care what he said.

lan yu put the cup down and continued to look at the documents. he asked calmly, ” “You came over just to say this?”

“of course not.” Qin Chen took out a document and handed it to him.”This is the divorce agreement.”

Lan Yu raised his eyes and looked at her for a while before taking it.

He took it and looked at it quietly. After a long time, he laughed softly. you're willing to leave the marriage with nothing? ”

qin chen didn't reply.

“but you took something from me.” He threw down the documents and assumed the posture of a superior.

But that face was really not very beautiful!

Qin Chen looked at it and thought indifferently.

however, lan yu had used this face to say something shameless to her, ” “the gold that i gave you might have already gotten you pregnant.”

“can't you be more shameless?” qin chen gritted his teeth.

“you can say that i forced you, but have i forced you every time? Qin Chen, you should be very clear about this.” he stared into her eyes. ” and rongyue. i will only make a decision when the DNA results are out. ”

He looked into her eyes and said in a strong voice, ” ” he’s my son and i won’t give up on him. divorce is fine, but the son is mine. ”

qin chen looked at him for a while before asking softly, ” “If it’s a marriage of three people, won’t you feel cramped?”

He thought she was talking about Lu Wei, so he said in a low voice, ” “She won’t be in our marriage.”

“i’m talking about jing yu,” “i like him, if you don’t mind,” qin chen replied lazily.

“qin chen, don’t force me to make a move!” lan yu’s voice was slightly hoarse.

qin chen looked at him with an innocent expression. ” are you saying that you want to deal with jing yu or me? ”

Chapter 3046: Xiao rongyue is Lan Yu’s son 1

She smiled. are you going to make the entire Qin family your enemy? if you add the Tang family to the mix, I don’t think CEO LAN can handle it.

lan yu narrowed his eyes and stared at her. ” if i have to do it, i can’t take down the qin family. i can tear your pretty boy in half. ”

“Are you jealous?” Qin Chen moved forward and stroked his face. “CEO LAN, you’re already so old, it’s better to cool down.”

these words were like jabbing at his heart, and qin chen kept calling him old.

which part of him was old?

did she only have that pretty boy in her heart?

...

“Can he satisfy you like I do?” he asked, holding her back.

“vulgar.” “lan yu, what else do you know besides forcing women?” qin chen glared at him.

his expression suddenly became a little dazed.

” i’ve never forced anyone else other than you, ” he suddenly said. ” xue ‘er was my wife for a few years. i’ve never forced her if she was unwilling. ”

Qin Chen sneered, “it sounds like Universal love, so now you have to learn to let go like before.”  
Lan Yu, you don’t know how to love people at all. You may seem to love a lot, but none of it is what I want.”

What did she want?

What she wanted was a man who would believe her completely.

She didn’t love Jing Yu, but his gaze made her feel at ease.

when jing yu looked at her, she would believe that the whole world had betrayed her, but he still believed that she wouldn’t.

this was trust.

In Lan Yu’s eyes, she only saw suspicion.

She stood up and said softly, ” I am someone who wants to fly. I can give up what I have because I love you. However, if I don’t love you and want to leave you, I can also give up a lot, including Rong Yue.

she wasn't being selfish, she was taking a gamble.

he didn't really love Rong Yue. he just wanted to use him as a chess piece to tie her down.

Qin Chen walked out after he finished speaking.

Lan Yu swept the cup of water on the bedside away, splashing water everywhere.

Three days later, Rong Yue's DNA results were out.

Kevin was sent to Lan Yu's office. After a few days, Lan Yu had already recovered by more than half. Other than the purple bruise at the corner of his mouth, other parts of his body had already recovered to their usual handsome appearance.

"CEO Lan, we're out." Kevin said softly as he placed the items on the desk.

Lan Yu raised his eyes, his gaze calm.

after a while, he said in a low voice, "you can leave first."

Kevin knew that his boss wasn't in a good mood. after all, as a man, who wouldn't be angry when his wife was stuck with a fresh meat all day long?

PEI Jingyu was becoming more and more popular.

Kevin chimed in, "actually, boss, you don't have to take it to heart. i think that all of this is KING entertainment's hype. their president, Qin Mo, likes to do this the most. he won't even let his own sister off. he's a beast."

Lan Yu glanced at him. Kevin did not dare to say anything more and left.

Lan Yu picked up the document bag on the table and opened it. his gaze was indifferent.

He took a few seconds to see the final result, and then his body froze.

rong yue was his son.

Then everything Huang siya said was true. Qin Chen married Rong Lei while pregnant with his child. How did she feel at that time?

she was startled.

lan yu closed his eyes and clenched his fists.

When he found out the truth, she already hated him.

Lan Yu raised his head and his Adam's apple kept moving-

He wanted to see her now.

she also wanted to see rong yue.

Chapter 3047: Xiao rongyue is Lan Yu's son 2

When he opened his eyes again, he took the DNA report and drove to her apartment.

she was there, alone.

she opened the door and let him in. "it seems like you've made your decision."

She said softly.

Lan Yu placed the DNA report in front of her. "Rong Yue is my son."

qin chen took it and scanned it, then smiled. ” “I’m just the provider,”

...

Lan Yu’s face darkened. you’re just going to ignore such an outcome? ” he asked.

“What else?” Qin Chen looked at him, his voice carrying a hint of a smile. as far as I know, it’s only a few tens of thousands of Yuan at jingyizi bank. Do you want me to be grateful to you for a few tens of thousands, CEO LAN? ”

his gaze locked onto her as he sneered, ” I’ve already hired a lawyer to draft a document. If we get a divorce, I don’t mind letting Rong Yue follow me.

then I’ll follow you. I can also inherit the LAN family’s assets in the future. That’s pretty good. qin chen said in an infuriating manner.

Lan Yu glared at her and suddenly pulled her over, pressing her down on the sofa.

his handsome face closed in on her, and his voice was also extremely unhappy. ” “Do you hate me that much?”

qin chen looked at the face in front of him and said, ” “It’s not that I hate you, I just can’t agree with you.”

When she said this, she sounded a little faint.

lan yu narrowed his eyes. ” because of that small star? i told you, there’s nothing going on between us!”

Qin Chen struggled but couldn’t break free from him, so she could only continue to be pressed down on the sofa.

she turned her face to the side and said after a long time, ” “it’s not just one thing, but many things. lan yu, do you know that you’re mentally ill? you think you love me, but you don’t know how to love me. your love will only make people want to run away.”

there was a hint of pain in his eyes.

“i’m sorry, the truth is usually very hurtful!” qin chen continued.

he let go of her.

She sat up and looked at him quietly. end this wrong marriage. You can find a girl who is as gentle as water and marry her. Lan Yu, don’t let me become your inner demon. i don’t want to be immersed in the past.”

She had tried, but he had let her down.

Lan Yu closed his eyes. you’re so determined. Is it because of PEI Jingyu? ”

“no, it’s because of me.” qin chen let out a long sigh and looked at him. ” “It has nothing to do with him,”

you ... Lan Yu’s fingers clenched tightly. have you slept with him? ”

Qin Chen didn’t answer this question.

he immediately pinched her chin ...

men always cared about this kind of thing the most.

“Tell me, did you sleep with him?” lan yu’s thin lips spat out a few words coldly.

“this has nothing to do with you!” qin chen frowned.

she had just finished speaking when she was kissed hard.

he touched her roughly and asked while panting, ” “when did this happen, huh?”

Qin Chen grabbed his hand and tried to stop him, but he was really barbaric and kept doing it.

Lanyu Qianqian. her long brown hair was spread out on the White sofa, forming a sharp contrast. She was very beautiful and seductive, but at this time, he wanted to kill her.

He pressed his thin lips to her ear and bit her hard, so hard that she almost screamed, ” “blue universe qian qian, stop it, blue universe qian qian qian.”

She called his name repeatedly, not knowing that this would arouse the man’s greater bestiality.

He didn’t really come. He just treated her like this, as if he was going to force her to break down.

Chapter 3048: Xiao rongyue is Lan Yu’s son 3

finally, he leaned on her and whispered, ” “Chenchen, let’s start over, okay?”

“if you forget about him, i can pretend that nothing has happened,” he said, almost choking.

This was a man’s most humble posture.

Qin Chen closed his eyes,”really?” do you really not care?”

when she opened her eyes again, she looked at him. ” lan yu, you’re just feeling guilty. you heard what huang siya said, right? ” that’s why you want to make it up to me, but i don’t need it. i’m fine now, and i really don’t need to live with a man i don’t love.”

She stood up and looked at him. if you want to see Rong Yue, you can still see him. I can even change his name to LAN Yue if you want. However, I will not force myself to be with you for him or for the past.

...

after saying that, she returned to her cold attitude.”You know you can’t force me.”

lan yu looked at her fixedly and leaned back. ” “Have you made your decision?”

she didn’t make a sound and only smiled.

lan yu stood up gently and patted his clothes. ” Chenchen, if you’re not willing, I’ll have to snatch it from you.

With that, he walked out.

After a few days, Qin Chen understood what he meant.

she had seen for herself how powerful the grand hyatt group was now.

because it had only been a few days, qin mo had already taken care of her a few times. he had told her both openly and secretly not to strain her relationship with lan yu.

qin chen brewed his coffee and said quietly, ” “didn’t you ask me to heat up jing yu?”

“but i didn’t ask you to fry him. look at the title he has now? a male third party, a pretty boy, and a little wolf dog!” Qin mo frowned. Chenchen, if we continue to let Lan Yu suppress us like this, the company’s hard work in investing in PEI Jingyu will all be in vain.

“then just burn it. it’s not like you can’t afford it anyway!” Qin Chen’s tone was light, as if he didn’t care.

“But he’s the male lead in he Huan’s next movie,” Qin mo sighed.

Qin Chen snorted. I knew it, that's the main point. But brother, what's wrong with you and he Huan? she's been out for so many years and hasn't come back often. Are you two divorced? ”

“nonsense.” qin mo didn't want to talk anymore and hung up the phone.

Not only him, but PEI Jingyu also ran over and squeezed into Qin Chen's apartment to cry.

Qin Chen took him in, but when PEI Jingyu was going in and out of her apartment, she was photographed by a reporter.

At that time, he was wearing a bathrobe and slippers as he threw the trash downstairs.

Qin Chen and him were on the hot search together, causing a sensation in the entertainment industry and Weibo for a few days.

Qin mo was the first to call her and asked her to tell the media that she and Lan Yu had already agreed to a divorce. Otherwise, PEI Jingyu would be completely ruined.

qin chen smiled. ” what's the point of me saying it? it's useless if lan yu doesn't admit it. when the truth comes out, we can only bounce back.”

Oh? ” Qin mo was silent for a moment before he muttered, ” then, why don't you comfort Lan Yu and let him clear his name? ”

“Do you think he's willing to be cuckolded?” Qin Chen sneered.

pei jingyu was staying with her temporarily, but they really had nothing.

of course, he deliberately seduced her a few times, and qin chen only found it funny.

qin mo pondered for a moment and decided, ”i'll buy the unit downstairs and announce to the public that you'll be staying upstairs.”

the matter seemed to be easily resolved, but the reporters and the public were not easy to fool. qin chen also received a photo.

Chapter 3049: be good and move back!1

it was a photo of her and pei jingyu together.

she stood in front of the floor-to-ceiling window, and pei jingyu hugged her from behind.

He was just playing around, and she didn't take it seriously. Moreover, she had pushed away the nothingness at that time.

However, from the looks of this photo, it was really well taken.

He was completely raping a man and a woman!

qin chen looked at the back and saw a set of phone numbers. she immediately recognized that it was lan yu.

...

detestable!

She dialed Lan Yu's number. what do you want? ”

on the other side, lan yu stood in front of the floor-to-ceiling window and lowered his gaze. ” mrs. lan, i also want to ask you what you want. ”

“did you take the photo?” Qin Chen's voice was a little hoarse. did you think about Rong Yue when you sent it? ”

“you’re living with a wild man. have you ever thought about him?” Lan Yu said coldly, ” I’ll give you two options now. One is to move back immediately. I can help you clear up your scandal. The other is that I will release the photos and take back Rong Yue’s custody.

“you’re despicable!” qin chen gritted his teeth.

Lan Yu’s voice became even colder. talk about despicable? Qin Chen, you can ask your little wolfdog. He’s not as harmless as you think.

The private detective had investigated and found out that Qin Chen and PEI Jingyu were really just hyping up their relationship. However, the interesting thing was that PEI Jingyu was not simple.

he liked qin chen, but qin chen didn’t know.

this was a premeditated scandal.

“what do you want?” qin chen gritted his teeth.

move back tonight. Otherwise, I can’t guarantee that this photo won’t be leaked out immediately. Lan Yu’s voice was low.

qin chen hung up the phone.

She did not believe that he would dare to do that.

however, at night, photos of her and pei jingyu still flew all over the place.

pei jingyu was in the cold storage, and qin chen could hardly take a step out of the house.

big news in the entertainment industry was something that even a company like KING entertainment couldn’t handle.

The next day, Qin Chen found a way to leave the apartment and drove to Lan Yu’s office. On the way, the employees of the Grand Hyatt looked at her with awe.

After all, not every woman had the courage to make CEO LAN a cuckold.

qin chen opened the door to lan yu's office with a loud bang.

Not only was Lan Yu inside, but there were also a few higher-ups, but everyone was quite tactful and automatically dispersed when they saw Qin Chen.

ceo lan had to deal with family matters, hehehe.

after the door was closed, lan yu quietly walked to the water dispenser and poured her a glass of water. he asked very slowly, "Are you done thinking?"

"are you crazy?" Qin Chen stood there and looked at him coldly.

"is that so?" Lan Yu's gaze was slightly cold. Qin Chen, where do you get the confidence to think that I can tolerate my wife living in the same room with another man? "

"are you satisfied now? there are so many green hats flying all over the place." Qin Chen gritted his teeth.

lan yu placed the water on the coffee table in front of her and sat down.

Qin Chen sat down after a long time.

"move back here. i'll help you with public relations and i promise not to see him again." Lan Yu narrowed his eyes. I think you also hope that Rong Yue will have a normal environment to grow up in. Oh right, I forgot to tell you that I just picked him up from school. If you insist on living with a pretty boy, then my son will be going abroad to avoid being disturbed by rumors.

"Blue universe!" Qin Chen's expression changed.

she didn't expect him to do this. she thought he would have some reservations.

Her eyes were filled with shock, but he chuckled softly and said in a gentle voice, "Chenchen, I don't have anything now. What else do I have to worry about?"

Chapter 3050: Be good and move back!2

qin chen glared at him.

Lan Yu was still smiling. He leaned over to look at her, his long fingers gently caressing her cheek. His voice was a little low. I knew you would agree.

"what else?" qin chen stared into his eyes.

lan yu smiled lightly. "otherwise, you won't be able to see rong yue in your entire life. no, you should be called lan yue."

For the sake of the child's feelings, he was still called Rong Yue for the time being.

also, your little wolfdog will be burnt on the inside and out on the outside. It can't work in the entertainment industry anymore, nor can it stay by your side all day. lan yu's voice was slightly cold.

...

qin chen looked at him. "is this your reward for my sacrifice?"

she didn't ask for anything in return, but she was also angered by him.

"lan yu, i'm no longer the qin chen of the past."

When she saw her love him, her eyes in the oil painting on the piano were full of love, but now she didn't.

She only hated Yingluo.

Perhaps, he had been a little tempted, but at this moment, it was all gone.

lan yu saw that she didn't make a sound and knew that she had softened.

"Let's start over again, Chenchen," he said in a low and hoarse voice.

"But I've given you a chance," her smile was bitter, but she did not say anything more.

She turned around and walked out of the office.

Lan Yu caught her.

qin chen paused, but he didn't turn around. he only whispered, "As you wish."

she didn't care about pei jingyu's future, but she couldn't not see rong yue.

Lan Yu gently pulled her into his arms. Her body was a little stiff.

He lowered his head to kiss her, and she also moved to the side.

however, lan yu did not let her go. instead, he turned her face and kissed her firmly.

Wherever she turned her face away, he would follow.

finally, she lost all her strength and was forced to raise her head and let him kiss her. lan yu was a little excited and directly carried her to the lounge.

To his surprise, Qin Chen didn't resist or struggle, letting him hold him.

however, when he wanted her, she didn't give him any reaction. she just bit her fist and didn't make a sound.

lan yu couldn't do anything about her, but he couldn't help it either. after being empty for so long, it was natural for him to be excited again and again.

Outside, Kevin and an ran looked at each other. the boss's spring had come again.

He just didn't know how long this spring would last!

Lan Yu stayed up until it was dark. When he let go of her, Qin Chen was still lying quietly.

he couldn't help but whisper in her ear, "are you uncomfortable?"

Qin Chen didn't say anything. She was a little tired, so she turned to the side and closed her eyes.

Lan Yu couldn't do anything about her. He propped his body up and let out a breath of relief.

His satiated body seemed to be in much better spirits, and the gloominess from before was swept away.

But he still felt empty, because she did not seem to be satisfied.

Lan Yu hesitated for a moment before he whispered into her ear, "can i do it for a while longer?"

If she still wanted to, he could still do it a couple more times.

however, qin chen didn't make a sound. she had fallen asleep.

lan yu looked at her quietly for a long time before he slowly let go of her.

he felt especially helpless, as if this marriage was worse than the last.

He and Qin Chen were getting worse and worse each time. He clearly wanted to love her, but he made her angry and disappointed again and again.

He knew that she would hate him and blame him, but he could not care less.

his desire to keep her was so strong that as long as he kept her, she would fall in love with him again.

he hoped that she would remember everything, but he was also afraid that she would remember yingluo.
