

Thank you 3051

Chapter 3051: Be good and move back!3

When Qin Chen woke up, he was already back in the villa.

She opened her eyes and looked at her surroundings. She blinked.

“What do you want to eat?” Lan Yu walked over from the window.

Only then did Qin Chen realize that he had slept for the entire afternoon. She sat up and looked at the night sky outside, asking, ” “where’s rong yue?”

Lan Yu said quietly, ” after we have our wedding, we will naturally bring him back.

His fingers gently caressed her delicate face. when that time comes, you will become Mrs. LAN, the one and only Mrs. LAN.

...

He wanted to pamper her, but the prerequisite was that she had to stay by his side.

Qin Chen stared at him for a long time before he laughed. unique? ”

He was a little annoyed because there was a hint of sarcasm in her tone.

qin chen didn’t say anything else and only lowered his head.”When is the wedding?”

“Next week,” Lan Yu held her chin. you don’t have to do anything. I’ve already handed it all to Kevin. You just need to try on the wedding dress.

“No need. I’ll tell you the size. Just pick one.” Qin Chen didn’t seem very keen.

lan yu frowned. ” qin chen? ”

“I’ve been married once, to Rong Lei,” “It’s better to keep a low profile for your second marriage.” Qin Chen looked down and smiled.

These two words provoked him.

But Lan Yu couldn’t get angry, and he couldn’t blame her, because she did it for him back then.

even though she had forgotten, even though she had forgotten how much she had loved him in the past.

yes, he was sure that she loved him in the past. she loved him very much. rong yue’s existence proved everything.

but she didn’t love him anymore, and her eyes were a little empty when she looked at him.

lan yu felt a little empty, but he only lowered his head and kissed her forehead, not saying anything.

not important, none of that was important. what was important was that she returned to his side.

Lan Yu carried her to the shower, changed into a bathrobe, and carried her to the living room sofa downstairs. He looked into her eyes and muttered, ” “i’ll go cook.”

She was about to leave, but he suddenly hugged her tightly. Her face was pressed against his neck, and she said in a low and hoarse voice, ” ” chenzhen, i’m sorry about last time. i was just afraid that you would leave. ”

He closed his eyes and said,”yes, I’m afraid you’ll leave again.” I can’t live without you anymore.”

he seemed to want to reveal his feelings to her, so qin chen sat quietly. her rationality told her that if she went against him at this moment, there would be no benefits.

” chenzhen, i will love you well. ” his lips trembled as he pressed them against her soft skin. ” will you love me? ”

With that, he hugged her tightly.

He used a lot of strength.

there was a sense of powerlessness and despair.

she had forgotten everything and hated him.

Qin Chen lowered his eyes and looked at his black hair. She could feel his sadness.

She slowly reached out and gently touched his hair. Finally, she put her face on his head.

She mumbled, ” Lan Yu, it’s impossible to only love one person in your life. Sometimes, if you miss something, you’ll never be able to get that feeling back. I also had feelings for you before, so I was willing to come back with you from abroad. I admit that everything I did was on a whim, but at that moment, I really had the impulse and plan to give up everything for you. I went to France only to complete the procedures.

But he had raped her.

then, she found a small star to anger her.

She didn’t care about the small star that much, but she couldn’t accept the way he did it.

“if you want to get married, then let’s get married,” qin chen said, hugging him.

Chapter 3052: Be good and move back!4

However, he couldn't feel happy at all, because she was making do.

She was only willing to do this for Rong Yue. He knew this very well.

however, he was so greedy for her warmth. he hugged her.

it had been a long time since he felt this way.

his heart was moved at this moment, even more so than if he had done it with her for an entire afternoon.

Lan Yu hugged her for a long time before letting her go and went to cook.

...

"do you have a piano here?" qin chen asked.

he turned around to look at her, then took out his phone from his pocket and made a call.

In less than half an hour, a piano was moved in from the piano store. It took some time to adjust it before it could be played.

qin chen sat there, playing quietly.

lan yu finished cooking and placed the dishes on the table. he stood far away from her and quietly watched her play the piano.

He had a feeling that she was protecting herself and placing herself in a circle.

that circle was not something he could get into.

He looked at her helplessly, but he was not willing to give up.

After a long time, he walked over and placed a hand on her shoulder. “You can play after eating!”

the sound of the zither stopped abruptly, and her body was a little stiff.

Qin Chen raised his head slightly and said quietly, ” “alright,” he said.

When she turned her head, Lan Yu’s heart ached.

she was neither angry nor happy. he could not tell her emotions, and she did not quarrel with him.

however, this made him feel even more empty.

The meal was tasteless. He cleared the dishes and found a place to smoke.

qin chen was still immersed in his own world, but then he realized that she did it on purpose.

She used this method to express her dissatisfaction and to stop him from getting close.

He hugged her from behind and murmured, ” you’ll still be free after marriage. If you want to be a model, you can still go and fly all over the world.

he was giving in to please her.

Qin Chen knew.

She was quiet for a while, and then she laughed softly.”alright!”

Then she started to play the piano again, playing the song ” für Elise. Qin Chen was filled with anger, but he couldn’t vent it.

he grabbed her hand, his expression not too good.”You miss Rong Lei?”

“it’s just a song, you’re overthinking it!” Qin Chen finally stopped playing. She clenched her fingers and said, ” “I want to sleep.”

It was already close to midnight.

Lan Yu frowned, but still went upstairs with her.

She didn’t ask him to sleep with her, since he wouldn’t agree to it anyway.

After returning to his room, Qin Chen washed his face and sat in front of the dressing table to apply some skincare products.

In the mirror, she could see that Lan Yu wasn’t asleep. He was only wearing a bathrobe as he leaned against the head of the bed, a magazine in his hand.

He was waiting for her.

she couldn’t help but think, was he still not satisfied after an entire afternoon?

he was already in his thirties, and it was not good for his wife to be so energetic.

She wiped it slowly and carefully.

But he was more patient than her. He kept reading the magazine as if it was very interesting.

finally, she couldn’t take it anymore. she walked over, lifted the blanket, and lay down beside him. she said in a low voice, ” “i don’t want it tonight.”

However, as soon as she went up and finished speaking, her body was pressed down.

“But I do,” he said, pressing his handsome face close to hers.

she struggled, and even though he was panting, he did not let her go. instead, he grabbed her hand and pressed it on the pillow.

her every movement was like sending herself to his mouth. qin chen was extremely angry and was even more reluctant.

As she struggled, she suddenly felt a little red on her pillow.

Lan Yu was stunned for a moment and let go of her hand.

her hand was bleeding from playing the zither for the whole night. it wasn't a serious injury, but her hand was full of injuries.

at that moment, lan yu felt that those wounds were on his heart.

there were thousands of wounds and holes.

Chapter 3053: pampering her, spoiling her (1)

He was stunned for a moment, then he pulled her up and carefully looked at the wound on her hand. He said softly, "I'll go get the medicine."

at this moment, all of her anger had disappeared, and there was only one thought in her mind: she was injured.

lan yu went to get the medicine, and when he returned to the bedroom, qin chen was leaning against the bed, quietly thinking about something.

he stood by the door, his heart pounding hard. he slowly walked in and sat by the bed, looking at her. "give me your hand."

qin chen obediently gave him his hand.

Lan Yu's actions were considered gentle as he gently bandaged both her palms.

...

He looked at her face silently and whispered, "You're already so big, yet you still hurt yourself."

"the zither is right there, you can play it at any time." as he spoke, he reached out and touched her hair.

Qin Chen bit his lip and didn't say anything else. He lay down quietly.

Lan Yu looked at her quietly for a while before putting the first aid kit away.

When he came back, he lay down beside her and did not touch her again. He just hugged her and was careful not to touch her hand.

Just like this, he hugged her quietly.

he buried his face in her hair and said in a low voice, "I'll help you shower tomorrow, Chenchen."

qin chen:

the night passed peacefully because of her hand injury.

the next morning, lan yu woke up and made breakfast for her. he even asked her to get up and have breakfast with him.

actually, he didn't have to wake her up. she had to go back to sleep in a while anyway, but he had to have a sense of family life.

Qin Chen didn't resist. Whatever he said was true. Her indifferent appearance made him a little dissatisfied, but he didn't know why he was angry.

After Lan Yu finished his breakfast, he helped Qin Chen change his medicine and examined him. “i should be fine by tomorrow.”

Oh, ” she said. Without saying anything, she went upstairs to catch up on her sleep.

she stayed there in peace, living like a rice weeper.

lan yu looked at her, his gaze a little deep.

after a long time, he got up and walked to the parking lot outside. after getting into the car, he placed his hands on the steering wheel and quietly sat alone for a while before driving off.

when he left the villa, his heart was a little full.

Because Qin Chen had returned.

He called Qin Chen on his way to the office, but he didn’t answer because he was sleeping.

At noon, he simply called the home phone and asked the servant to answer it.

The servant picked it up and Lan Yu coughed lightly, ” “Did Madam get up?”

” madam hasn’t, ” the maid immediately said. ” i went to order lunch, but madam said she didn’t want to eat. ”

“I know.” lan yu hung up the phone.

Then, he looked at his phone and fell into a daze.

after a while, he called qin chen again.

This time, Qin Chen picked it up, so she should have woken up.

“why don’t you get up to eat? you’re like a child who needs someone to take care of you?” when lan yu said this, he didn’t know how gentle and how flirtatious he was.

qin chen was a little stiff. ” i don’t want to eat. ”

“You don’t want to eat, or are you angry?” he paused.

qin chen was silent for a while before he said in a low voice, ” “my hand hurts, so i don’t want to eat.”

“then i’ll come back and feed you, okay?” lan yu laughed in a low voice.

She thought he was joking, but about half an hour later, Lan Yu really came back.

the servants in the house were a little surprised. sir usually wouldn’t come back at this time.

however, no matter how surprised he was, he still went up.

Lan Yu took off his coat and threw it on the sofa. He opened his sleeves and said, ” “Is Madam still upstairs?”

the servant said yes.

Chapter 3054: Pampering her, spoiling her (2)

“Make two delicious dishes. I’ll bring them up later.” Lan Yu paused for a moment.

The servant smiled and went down, unable to contain his joy.

the mister looked very happy, like a young man in his 20s.

It was reasonable to say that at his age, Sir would not pamper a woman like this. Besides, Sir's business was very big. He did not have the time to coax his wife like a little girl. But Sir still came back.

what a loving couple!

the servants immediately served the dishes and two servings of rice.

...

lan yu carried it upstairs slowly.

She went upstairs and placed the food in the living room.

Then, he was stunned.

because the woman who said her hand hurt was playing games on her phone.

Lan Yu had no idea that Qin Chen was playing games.

perhaps she was born to be a doctor's hand, her movements were very agile, but when he saw her, his heart skipped a beat.

Some kind of throbbing appeared in his body again, turning into a deeper impulse.

but he didn't do anything. he just took the phone from her hand and swiped it a few times."Didn't you say your hand hurt?"

"Why are you back?" Qin Chen asked.

After she finished speaking, she took back his phone. I'm not done yet.

"it's time to eat!" Lan Yu confiscated her phone and put it in his pocket.

He walked towards the living room and said, ” “If your hand is healed, does that mean I can kiss you?”

qin chen immediately got up. ” i’m going to eat. ”

Lan Yu, who was walking in front, smiled and walked to the sofa in the living room.

he sat down with his hand on his tie and looked up at her.

qin chen sat opposite him, looking at the dishes in front of him in a daze.

“You don’t like it?” Lan Yu ate elegantly.

qin chen laughed and deliberately went against him.”I don’t feel like eating. I want to eat what you make.”

She was doing it on purpose. She was making things difficult for him.

She wanted him to be unable to stand her.

It would be best if they didn’t get married. They didn’t need to hold a wedding and immediately kicked her out.

After eating half of it, Lan Yu wiped his lower lip and said indifferently, ” “I’ll go cook for you.”

But when he got up, he pulled her up.

qin chen naturally didn’t want to. he looked at her. “I can still play games in the small restaurant.”

He could cook, but he wanted her to be by his side.

Qin Chen pursed his lips and didn't say anything in the end. He just took out his phone from his pocket.

When she was holding her phone, she accidentally touched a place she shouldn't have.

lan yu tilted his head and looked at her with a meaningful look. "you want it?"

"no, i didn't," "i accidentally touched it," she said as she raised her phone.

he smiled and held her hand as they went downstairs. he then ordered the servants to go upstairs and clear the remaining food.

Qin Chen sat at the small table and played games while Lan Yu cooked.

As he cut the vegetables, he listened to the sound of her playing the game. He felt a little happy.

It was faint but very blissful.

he finally had the life that he had been looking forward to for a long time.

He didn't care if she and Rong Lei were a real couple or not. Rong Lei was dead, and she had forgotten everything.

he didn't want to evoke her painful memories, so he couldn't be calculative.

as lan yu was thinking, he accidentally cut his hand.

The wound wasn't big, but it was bleeding.

He took a tissue to wipe it off and continued to cut the vegetables quietly.

Qin Chen raised his eyes and looked at him.

She saw him bleeding, Yingluo.

qin chen pursed his lips, and when he lowered his head to play his game again, he was obviously distracted.

Chapter 3055: Pampering her, spoiling her (3)

Qin Chen didn't understand why he was so stubborn. A love that was missed was missed, why did he have to pick it up?

her eyes were filled with confusion.

when lan yu came over with the dishes, he saw her in a daze.

“what's the matter?” he asked with a faint smile.

qin chen shook his head and lowered his head to eat silently.

lan yu didn't eat. he just sat opposite her and quietly smoked a cigarette.

...

when he raised his hand, the wound on his palm was clearly visible, but she did not ask.

he thought that she no longer loved him and would still hate him, so he didn't care if he hurt her.

and he had even hoped that she would care for him, even just a word.

he treated her so well, pampered her, and indulged her, but her heart was full and empty at the same time.

He didn't even know what was wrong with himself. What did he want, Yingluo?

he clearly got it, but he was still so unsatisfied.

if he was not satisfied, he would come back at night.

That night, no matter what she was thinking, he pressed her down again and again. It was so intense that it seemed like it was the first time he had touched her.

qin chen bit his lip and turned his face to the side.

she had been enduring it all this time, and only when he was really heavy would she let out a soft snort.

Just like that, he continued to do it and only let go of her when it was dark.

It was probably like this between husband and wife, but the silence after sex was so empty.

"qin chen," He hugged her and buried his face in her hair. He said in a low voice, "What do I have to do to find you? tell me."

She lay there quietly and reached out to hug him.

she opened her mouth and her voice was a little hoarse and a little shaky. "did i make you uncomfortable, lan yu? If you're not feeling well, why do you still want me by your side?"

he was stunned for a long time and was silent for a long time before he said in a low voice, "i just want you to treat me a little better, even if it's just a little."

Qin Chen hugged his shoulder, and she rested her face on his back. I'm sorry.

There were some things that she could not help him with.

Lan Yu hugged her quietly for a long time before releasing her.

The sadness he felt earlier seemed to have been swept away, and he was full of health again.

“I’ll carry you to the shower.” he said in a low voice and carried her to the bathroom.

In it, he loved her again, and this time, he was very gentle.

if he wanted it, qin chen would give it to him. she had never rejected him.

In the end, he leaned on her shoulder and panted. you didn’t reject me because you wanted to see Rong Yue? ”

Qin Chen didn’t say anything.

lan yu calmed down for a while, then stood under the shower to wash himself clean. finally, he took a towel and wiped his body as he said, ” “he’s at my dad’s.”

He didn’t send Xiao rongyue abroad!

Qin Chen frowned.

“Not happy?” He pinched her face. I thought you would be happy.

after he finished speaking, he pulled her over and kissed her for a long time before he said in a hoarse voice, ” “i’ll bring him back tomorrow, but you know what i’ll do if you leave!”

“Lan Yu, you don’t have to keep reminding yourself how much of a bastard you are!” Qin Chen snorted coldly.

Lan Yu smiled faintly and carried her back to the master bedroom. He kissed her face and said, ” “You feel like you’ve been bullied?”

she couldn't be bothered with him.

Lan Yu smiled and pulled the blanket over to wrap her. He hugged her in his arms and kissed her, "actually, Rong Yue is doing pretty well with my father. Why don't we let him take care of him for two years?"

He wanted some alone time with her. Two years should be enough to move her heart again.

This was Lan Yu's little thought.

Chapter 3056: Biological children and children from previous generations are indeed different

The next day, Qin Chen brought Qin Chen to his father's house to pick up little Rong Yue.

This was Qin Chen's request.

Lan Yu's car drove into father Lan's Villa, and little rongyue ran out from inside. "Uncle LAN."

It was probably because they were blood-related, so Xiao rongyue was especially close to Lan Yu.

lan yu picked him up and kissed him. "Are you good?"

"yes." xiao rong yue nodded.

...

Lan Yu laughed. How could he not know that he didn't want to go to school?

Little rongyue had grown up abroad, so he had not adapted to this place, especially with his classmates, which was a little difficult for him.

so xiao rong didn't like to go to school, but he still liked to play.

at this moment, xiao rong yue put his arms around lan yu's neck. when he saw qin chen, he came over and hugged him."mom."

No matter how good Grandpa Lan's place was, he still missed his mother.

qin chen hugged him and buried his face in his hair.

It was small and soft.

She had once said that she could give Rong Yue to Lan Yu, but she couldn't bear to.

He hugged the little guy and took a deep breath.

Xiao Rong Yue looked at his mother and asked very seriously, "Is mom really going to get married to uncle LAN?"

"the kind in a wedding dress," he said.

Qin Chen smiled slightly. yes, I am.

xiao rong yue looked at lan yu, then at his mother, his little face slightly red, "does mommy love uncle lan?"

qin chen replied with a vague "mmh."

What did "hmm" mean?

xiao rong didn't understand and looked at her.

"What are you talking about?" Lan Yu asked.

qin chen shook his head. ” no, i didn’t say anything! ”

Xiao Rong Yue gave his mother a mocking look and then said, ” “i asked my mom if she loved uncle lan.”

lan yu looked at him and smiled,’what did mother say?’

after asking, he looked at qin chen with a clear gaze.

Qin Chen ignored him and threw Rong Yue to him.

He didn’t want his son anymore!

Little Rong Yue looked at Lan Yu pitifully.

“Your mother is shy,” Lan Yu smiled.

“really?” Xiao Rong Yue’s face was full of doubt.

Lan Yu reached out and touched his soft hair. master’s matters are very complicated.

your mother used to love me very much. She loved me so much that she was willing to give up everything for me, ” he said.

“what about now?” little rong yue’s eyes were sparkling.

Lan Yu Xuanji was stunned and acknowledged him.

“do you love him now or not?” xiao rong yue urged him.

“you’ll have to ask your mother about this!” lan yu’s voice was quite calm.

Xiao Rong Yue pouted, "she only knows how to say" yes.""

xiao rong yue thought in his heart that he definitely didn't love her anymore. if he did love her, it definitely wouldn't be like this.

although he didn't like his mother to marry someone else, he still hoped that her mother would marry love.

Well, it was just like the TV.

qin chen could guess what they were talking about, but she didn't say anything.

mr. lan was quite happy. this time, they were really going to get married. although they had registered before, what was the point of a secret marriage? it meant that they could get a divorce if they were unhappy.

It was good now that they had made it public. If they did, it would not be easy to get a divorce. He understood his son. He still wanted to show off!

father lan personally cooked a meal. after eating, he sent them home early. he also asked them to bring little rong yue back.

he was old. although it was good to have xiao rong yue by his side, the child would always need a father and mother.

Chapter 3057: biological children and children from previous generations are indeed different

lan yu had told him that xiao rongyue was his flesh and blood, and that was really great.

The LAN family finally had an heir.

When the car drove away, father LAN looked at the car lovingly.

He was thinking about his conversation with his son.

he asked lan yu if he wanted to change the child's name. lan yu hesitated for a moment and said that was it.

To be honest, the old man was quite disappointed. This was a child of the LAN family.

...

Father LAN stared at the car until it disappeared from his sight.

In the car, Lan Yu was focused on the road ahead while asking little Rong Yue, "where do you want to go?"

xiao rong yue thought about it,"i want to go home."

lan yu smiled and turned the car into the expressway.

In less than half an hour, the car drove into the villa, but little Rong Yue had fallen asleep.

when lan yu opened the car door, his expression was very gentle and his voice was soft, "i'll carry him!"

Qin Chen quietly picked up the little one and carried him to the children's room upstairs. Only then did Qin Chen realize that the room had been redecorated.

she thought sourly in her heart,'the treatment of a biological child and a child from a previous marriage is really different.

Lan Yu put down little Rong Yue and did not leave immediately. Instead, he sat and looked at him quietly for a while.

qin chen went back to his room first, and she couldn't look at his infatuated eyes.

Lan Yu watched for a while, then got up and walked back to his bedroom. Qin Chen was already taking an afternoon nap.

there was a faint blue shadow under her eyes, indicating that she had not slept well these days.

lan yu knew that this was because of his excessive needs. his face was a little hot, so he laid down beside her to catch up on sleep.

when qin chen woke up, lan yu was no longer there.

she rested her face on the pillow and closed her eyes slightly as she took in the pleasant smell.

rong yue's happy voice came from downstairs. she lay down for a while and put on a morning coat. she looked over from the second floor.

lan yu and little rong yue were sitting on the sofa on the first floor, playing chinese checkers.

they had a lot of fun. she hadn't seen rong yue so happy in a long time.

even a child with such a high iq used to think that this game was too stupid, but now he was so happy.

And Lan Yu, was he very free?

how could he be so serious when he was playing with a child?

Qin Chen looked at it with some disdain, but he looked at it for a long time.

She returned to her room silently.

Downstairs.

“Uncle LAN, mommy was peeking just now.” Xiao Rong Yue said quietly.

“yes,” lan yu replied indifferently, “he’s peeking at me. It wasn’t you.”

“why?” xiao rong yue was somewhat unconvinced.

lan yu looked upstairs and said slowly, “ you came out of her womb. touching your hand is like touching her own hand. how does it feel? ”

Little Rong Yue’s face was full of suspicion. you speak as if mommy has some feelings for you.

“why is there no more?” his father’s face darkened.

“if you have feelings for me, uncle lan, you don’t have to force me.” xiao rong yue sighed.

lan yu qianqian had no way to communicate with her son.

After pushing Chinese Checkers, he said, “ I’m going upstairs.

“If I can’t beat you, I’ll go back on my word.” xiao rong yue secretly made a face at his back.

Lan Yu turned around. I don’t want you to secretly change places when I don’t see you in the future.

this time, it was xiao rong yue who felt that yingluo couldn’t communicate happily.

lan yu stood in the middle of the stairs and frowned. ” “I heard that you want to be a lawyer in the future! As a lawyer, you have to be realistic in the spirit of the law.”

Xiao Rong Yue smiled, “in the future, I plan to serve profiteers like uncle LAN!..”

Blue universe:

Chapter 3058: A date between two people (1)

Lan Yu glared at Xiao Rong Yue for a while, but still turned around and went upstairs.

The door to the master bedroom was closed. He pushed the door open and entered. Qin Chen was half-leaning on the bed, flipping through a magazine.

hearing the door close, she turned her head and said, ” “are you done playing your game?”

Lan Yu walked to the side of the bed and sat down. He reached out and took the magazine from her hand. let’s go take our wedding photos later.

“There’s no need for that!” Qin Chen looked disinterested.

Lan Yu frowned. we have to hold a wedding. Aren’t you going to wear a wedding dress? ”

...

” it’s up to you to decide. it’ll be fine as long as it’s custom-made to my size. don’t take any photos. i don’t like taking photos. ” qin chen wasn’t easy to deal with, so he said lightly.

Lan Yu frowned. Qin Chen, you’re going against me on purpose, aren’t you? ”

“i wouldn’t dare. otherwise, ceo lan will make me unable to see my son again.” qin chen said sarcastically.

blue veins popped out on lan yu’s forehead, but he couldn’t do anything to her.

He pursed his lips and held her chin. “then i’m threatening you now. if you don’t take the picture, then run!”

“Childish!” qin chen sat up and walked into the changing room without saying anything.

Lan Yu followed him and leaned against the door.

She did not avoid him and changed her clothes in front of him.

to be honest, she had a perfect figure a few years ago, but after giving birth, she seemed to have become more attractive.

Lan Yu looked at his wife's perfect figure and said, "actually, you clearly wanted to go, but you didn't mean it. It's just like in bed, you clearly like it, but you say no, saying that I forced you."

"Lan Yu, you're always able to display such a unique level of shamelessness." Qin Chen glanced at him.

Lan Yu only smiled faintly and did not say anything.

Qin Chen changed his clothes and followed him to the car.

to her surprise, the wedding photos he mentioned were taken outdoors. it was not a grand wedding dress, but a simple dress.

He was in his own casual clothes, a classic black and white suit.

He took her to a beautiful Street, and the photographer behind him was in charge of taking photos.

qin chen looked at his hand and frowned. "lan yu, do you want to be in love?"

Lan Yu stood in front of the marshmallow machine and bought two. He gave one to her. "mrs. lan, we are going to get married soon. don't worry, i will be loyal to our marriage. "

"people with criminal records won't be trusted too much, but i don't care." she nibbled on the pink marshmallow and looked at him.

He was looking at her intently.

This scene was captured by the photographer.

Lan Yu took her to many places and left photos of her in every place.

Qin Chen was exhausted by the time the photos were taken at night.

lan yu took her to the studio and she collapsed on the sofa, still wearing the dress.

Lan Yu was communicating with the photographer. In the end, he decided to choose about 20 photos to bind into a book. The marshmallow photo would be used as a wedding photo. There was also a crystal photo to hang on the bed.

Originally, these things were things that women liked to do, but now they were all done by Lan Yu.

he was also happy with it.

He was thinking that if it was the old Qin Chen in a male outfit, he would probably still be the one to get married. Others might even guess which one of them was the dominant one.

this was actually not bad.

after choosing the photos, he looked at her and smiled. ” “It’s done,”

he was very gentle and accommodating to her. qin chen could feel it, but she couldn’t respond to him.

Chapter 3059: A date between two people (2)

He was very gentle and accommodating to her. Qin Chen could feel it, but she couldn’t respond to him.

she stood up and left with him. he didn't drive back immediately, but took her to a restaurant.

In a seafood restaurant.

Standing at the door, Lan Yu quietly said, "You used to like it a lot. Later, I learned to make you supper, paella. But you might not like it now."

The last time she said she didn't like it, he didn't do it again.

however, they were about to get married, and he couldn't help but bring her here to see the place they had been to together in the past.

...

Perhaps she would never remember the past, or perhaps she would never love him again, but this time, he would love her well.

Qin Chen looked at him quietly. let's go in and sit down!

She could feel his emotions, so she did not object.

she sat down with him in the restaurant. the restaurant was not big, nor was it particularly elegant, but it was full of customers.

The waiter quickly brought the menu over and as if he knew Lan Yu, he said naturally, "mr. lan is here again."

She then looked at Qin Chen and asked,"is this Mrs. LAN?" Is she also your girlfriend who used to take away all your food?"

lan yu looked at the menu and nodded slightly.

Qin Chen was a little surprised. After he ordered, he asked, "did you come here often in the past? i mean when i'm not around, when i'm in France."

lan yu lit a cigarette and said faintly, ” “when i hate you, i’ll come over for a meal and get some takeaway.”

“Who’s going to eat the food you take home?” Qin Chen asked, holding his chin.

“i fed it to the dogs.” Lan Yu said rather honestly.

Qin Chen glared at him,”Lan Yu!” you bastard!”

“There’s something even worse, do you want to hear it?” he laughed softly.

of course, she chose not to listen.

at this moment, the waiter brought over a seafood platter. it was full of freshly roasted seafood. each and every one of them was very beautiful, and it made one’s fingers twitch.

“I thought there’s nothing here other than seafood curry,” Qin Chen said, a little embarrassed.

lan yu smiled faintly and put out his cigarette. he took an especially large australian lobster and peeled a large piece of meat before placing it in the bowl in front of her.

“For me?” Qin Chen was surprised.

“what else?” lan yu raised his eyebrows.

“i thought you would be fed to the dogs!” qin chen deliberately picked on him.

Lan Yu smiled. little dog, come and eat.

as he said that, he peeled another one and stuffed it into her mouth.

The meat of the shrimp was too big, so it was stuffed to the brim. She didn't even have a chance to speak or protest, so she could only eat it raw.

"Childish!" She glanced at him after she finished eating.

The childish man continued to feed her and only smiled faintly.

in that instant, qin chen felt his love for her.

at least, he should love her at this moment, or he really did love her in the past.

"lan yu, do you want me to regain my memories?" she asked softly.

he was still busy peeling the shrimp, and he only shook his head when he heard her. "It's good that you don't remember."

qin chen didn't ask anymore. she ate the seafood he served, glancing at his greasy hands from time to time.

Her hands, on the other hand, were clean.

after a while, lan yu asked for beer. qin chen looked at him. "i don't want to drink."

"i'm the one drinking!" he smiled and passed her the car keys."You can drive later."

Qin Chen glared at him.

"I want to drink a little," Lan Yu smiled.

Chapter 3060: a date between two people (3)

the waiter brought the beer over, and when he put it down, he deliberately looked at lan yu.

“Thank you,” he said. Lan Yu smiled lightly, and the waiter’s face turned red.

Qin Chen glanced at him.

after the waiter left, she snorted, ” “The market seems to be very good.”

Lan Yu took off his coat and slowly placed it on the back of the chair. He slowly rolled up his sleeves and said slowly, ” “i have very high standards.”

He started to drink and eat the seafood while drinking. Occasionally, he would peel some for her.

...

Qin Chen was always calm and full after eating for a while, but Lan Yu ate for a long time.

He seemed to be in high spirits and drank a lot of beer. He then asked for two more bottles from the waiter.

“Blue universe?” Qin Chen couldn’t help but ask.

“if i drink to my death, won’t you become the richest widow?” He looked at her and smiled calmly. “don’t worry, i’ve signed an agreement. if i’m gone one day, everything i have will be yours.”

“Rong Yue is still young, so I’ll give you Qin Chen,” he added.

Qin Chen’s voice was a little dry. Lan Yu, I didn’t mean it that way.

“but that’s what i meant, chenzhen.” “No one can predict tomorrow,” Lan Yu said seriously.

What he did not say was that he wanted to hold on to this day.

She and Rong Yue were here today.

Qin Chen pursed his lips, not knowing what to say.

lan yu smiled. " i'm just saying 'if'. chencheng, i'm not someone who will die after drinking a few bottles of wine. "

qin chen glared at him.

he smiled and poured himself another bottle of wine.

Qin Chen suddenly raised his voice. waiter, five more bottles.

lan yu raised his eyebrows.

"i'm going to make you drink it and die." qin chen laughed softly, his voice slow.

Lan Yu's eyes were a little bright. you want me to die so badly? "

At this moment, the waiter came over and served five more bottles of beer.

Lan Yu placed two bottles in front of Qin Chen. "let's drink together!"

"aren't you expecting me to drive?" qin chen's voice was faint.

"I'll get a designated driver later," Lan Yu smiled.

Qin Chen didn't decline and directly took the bottle to drink. Lan Yu watched quietly and picked a sea crab for her. "Eat a little more."

She raised her eyes and looked at him silently.

After a moment, she pursed her lips and ate it.

“It’s more adorable like this.” Lan Yu smiled.

Qin Chen was speechless, but she still ate it.

after he finished eating, he passed a can of beer to them.

just like that, qin chen got drunk, and lan yu didn’t call for a designated driver.

When they went out, he had carried her on his back.

the night was slightly cold, and the streets were filled with neon lights. qin chen was lying on lan yu’s back.

she opened her eyes in a daze and only saw his black head. she bit her lower lip.”Where is this place?”

“on the way home.” “chenchen, do you still know the way home?” lan yu asked softly.

she had loved him, but she had forgotten the way home.

she was drunk. perhaps she could subconsciously remember that she had loved him.

But now, it was only because he was detestable and he treated her badly.

Chenchen, no matter how bad I am to you, please don’t leave. I will find a way to bring you home.

Under the starry sky, he carried her on his back. He could have taken a car, but he still insisted on carrying her home.

he had carried her on his back for such a long distance, and he had carried her through the streets that they had been to together.

the street lights elongated their shadows, so long that lan yu felt a little sad.

He stood still and looked at the night sky in front of him. Then, he whispered to the people behind him, ""Chenchen, we're back."

She was drunk and couldn't hear him at all. Perhaps he would only say this if she couldn't hear him.
