

Thank you 3071

Chapter 3071: Chencheng, let's have another child (2)

the main reason was that xiao rong yue didn't grow up by his side. if he had grown up by his side, lan yu's philosophy on raising children would probably be different.

"Dad is doing this for our own good." He looked at Qin Chen and smiled.

"We?" Qin Chen looked at him with a puzzled expression.

Lan Yu put his hand on her shoulder and coughed lightly, " " here's the thing. dad thinks we should have another child. it would be best if it was a daughter. "

"You didn't mention anything about having another child when you proposed marriage." Qin Chen frowned.

"i don't want to have children." she finally said this.

...

Lan Yu smiled. but it's different now.

"i want a daughter like you," he said as he pulled her into his arms.

"You're boring." qin chen sneered. " lan yu, i said our ran ran. "

"you don't have to say what's next," lan yu grabbed her hand and led her upstairs very seriously.

"What are you doing?" Qin Chen broke free.

" i'm having a baby. my dad said that i'm not doing anything. " Lan Yu's face was serious.

but qin chen was furious. she frowned and looked at him.”I’ll have work to do later. Stop it.”

“we’re going to get married soon. what other work do you have?” Lan Yu said unhappily.

Qin Chen looked at him and pursed his lips. I’m shooting an advertisement.

“i’ll go with you.” he said without even thinking.

“we have to go to C city,” qin chen reminded him.

C city?

sisi was in C city now, and gu ze was married to her.

A secret marriage!

Gu ze banished sisi to C city and went there once a week.

It seemed to be a gift, but Lan Yu had never felt that this was a kind of happiness.

he felt that living a simple life was what sisi should be like.

After seeing sisi’s clear eyes, he had once vowed to protect her for the rest of his life, but he had broken his promise.

He had underestimated the power of love. One Gu ze was enough to make her return to the dust.

Lan Yu was reluctant, but he couldn’t bear to look at her. He was afraid that she wasn’t living well, afraid that Gu ze wouldn’t treat her well.

He was silent, but Qin Chen asked, ” “what are you thinking about?”

He looked at her.

qin chen's expression changed slightly. lan yu held her hand. "sisi and gu ze are married. she's been arranged to stay in C city."

the word "arrange" made qin chen's brows relax, and he asked, "Why would Lin sisi's parents agree to this? This is clearly an unfair marriage."

"sisi likes it." Lan Yu said as he held Qin Chen's hand. you can come with me to see her.

"She wouldn't want to see me, would she?" Qin Chen said slowly.

"no." lan yu smiled.

Then, he reached out and ruffled her hair. it's settled then. I'll go to the study room to handle some work. We'll go to C city together tomorrow.

Qin Chen's smile was forced.

As he turned to leave, he added, "let's have the baby at night."

"i, qiu dong, have a show to do. do you want me to walk on the show with a big belly?" qin chen glanced at him.

Lan Yu smiled and did not say anything.

chenchen herself did not realize that she was not against getting pregnant. she just wanted to finish the show.

so that night, he took the initiative to wear a t-shirt. when he lowered his body, she put her arms around his neck."You don't want a daughter?"

lan yu kissed the corner of her lips as he fiddled with her, his voice low and hoarse. ” “if you miss me, i’ll abort it.”

qin chen gritted his teeth.”you know ran ran.”

“Know what? know that you want to use it? Hmm?” He laughed in a low and hoarse voice, his hot breath blowing into her ear.

Chapter 3072: You’re shooting an advertisement with a pretty boy? 1

qin chen’s body trembled, but he still succeeded.

lan yu did it happily, but it was probably too rough, so qin chen didn’t pay attention to him for a long time.

naturally, lan yu coaxed him for an entire night before he was done.

The next morning, Qin Chen got up very early and went to the changing room to pack his luggage.

when lan yu woke up, he found that he was lying on empty air.

Then, he heard a soft sound coming from the changing room. He smiled slightly, got up, and walked over to open the door.

...

Qin Chen was arranging his clothes, putting them one by one in his suitcase.

After pulling it up, she stood up and looked up at Lan Yu. Then, she opened the cabinet to see if there was anything else she wanted to bring.

lan yu hugged her from behind and buried his face in her hair. he said in a low and hoarse voice, ” “Chenchen, help me pack up too, okay?”

” clean it up yourself. i’m not your nanny. ” Qin Chen snorted softly.

lan yu hugged her from behind and nibbled on her neck, his voice low, ” “i overdrew mrs. lan last night.”

Qin Chen’s face was a little red. He glared at him and struggled but couldn’t break free-

he was hugging her a little too tightly.

“let go of me, i’ll help you clean up.” she gave in.

however, that shameless man still held on to her and did not let go. he said in a low voice, ” ”
chenchen, i’m sorry for what happened last time. ”

As he said this, he buried his face in her hair. I was just afraid. I was afraid that you would just leave like before. I was very angry at that time.

He tightened his grip on her and held her even tighter in his arms.

qin chen’s heart softened, and he turned his head. ” “blue universe?”

he smiled bitterly and pressed his face against hers. ” i know you’re still blaming me. you haven’t gotten over it. you married me only for rong yue, but chenchen, i want you to know that i’ll be a good husband and a good father. ”

lan yu said in a low voice. he didn’t want her to answer and just kept hugging her.

“Didn’t you ask me to pack your luggage for you? how am I supposed to pack when you’re hugging me like this?” Qin Chen muttered.

lan yu smiled faintly and let go of her. he walked straight to the locker and took out a shirt and long pants, taking off his bathrobe in front of her.

qin chen closed his eyes.

he laughed awkwardly. "she's not a little girl anymore. i don't know how many times i've seen her. why are you making such a fuss?"

then, he said meaningfully, "you used to be very bold and unrestrained."

"Nonsense." Qin Chen snorted and glanced at him, then helped him pack.

she only packed a few shirts and long pants.

"have you prepared any underwear?" lan yu chuckled.

as he spoke, he took out a few black bullet-shaped ones."It's your favorite,"

qin chen helped him stuff his luggage and snorted. "You're the one who's sulking, don't blame it on me."

"i'm bored because of you." he said matter-of-factly, then smiled and tidied his clothes.

He was the one who carried the luggage down and told Qin Chen to pack up and go down for breakfast.

When they had breakfast together with two suitcases, the servants in the house felt that the relationship between Sir and Madam had become better and harmonious. They couldn't stop grinning.

Qin Chen ate his breakfast and said hesitantly, "lan yu, i want to discuss something with you."

lan yu looked at her. "go on."

qin chen's voice was very slow. "i'm going out for a few days. i'm afraid that something will happen to rongyue again. so, lan yu, can you stay in B city? i'm worried."

Chapter 3073: You're shooting an advertisement with a pretty boy? 2

lan yu finished the milk in his glass and smiled, "qin chen, are you treating me as a regular blood bank?"

"no, i didn't," "Why don't I bring him along?" she said in a low voice.

Lan Yu placed his hand on the back of her hand and said indifferently, "chenchen, you're too nervous. moreover, little rongyue's blood type is not rare, so it's not that dangerous. it's only a two-hour drive from C city to B city. if chengyi is in trouble, i can call the helicopter. we'll be there in half an hour."

qin chen looked down and didn't say anything.

lan yu rubbed her hand and smiled. "Chenchen, I'll wait for you in the car."

Actually, he wanted to smoke.

...

he could feel that qin chen didn't feel safe, perhaps because she didn't see him as someone she could rely on.

He didn't force her and just dealt with it calmly.

After putting his suitcase away, he sat in the car and smoked quietly. When he smoked his third cigarette, Qin Chen got in the car.

she sat beside him, fastened her seat belt, and looked at him. "You really want to go with me?"

lan yu stubbed out his cigarette and said indifferently, "i've already contacted big sister kuan! By the way, I've already upgraded your hotel to a Presidential Suite."

"If you do this, people will say that I'm acting like a big Shot," Qin Chen said, a little angry.

“don’t you usually play with it?” lan yu put on his sunglasses and started the car.

qin chen held back and didn’t say anything.

However, she endured it. When they arrived at the hotel, Lan Yu couldn’t endure it anymore.

because he saw the pretty boy, pei jingyu.

when she saw him, pei jingyu was sitting on the sofa in front of the hotel, wearing sunglasses on her delicate face.

She was wearing a pair of white mid-length pants and a black and white striped t-shirt. It was a standard casual outfit.

lan yu looked at him, then at his wife, and asked in a low voice, ” “Can you explain? are you here to shoot an advertisement or are you dating your pretty boy?”

Qin Chen glared at him, then threw his luggage at his feet. “you can think whatever you want!”

Lan Yu was a little angry at her for being so rough. Mrs. LAN, watch your attitude.

He looked very much like a jealous husband who had been caught in bed.

qin chen snorted,”what kind of attitude do you want?” should she admit her mistake or cry for forgiveness? this is my job, lan yu. if you’re unhappy, you can leave.”

“you didn’t tell me that you were shooting an advertisement with a pretty boy.” mr. lan is quite insistent on this.

Qin Chen crossed his arms in front of his chest. his name is PEI Jingyu, not a pretty boy. Also, I don’t need your approval to work with you, CEO LAN. Besides, I didn’t say anything about you coming to see Lin sisi.

“you don’t care because you don’t love me, right?” his gaze fell on her face, and there was heartache in his eyes.

Qin Chen held his breath. Lan Yu, if you want to fight, go ahead, but I’m not going to accompany you.

She really felt that she had married a lunatic. In the morning, they could still be so gentle and sweet, but now, they were like this.

At this moment, Qin Chen really hoped that he would explode on the spot.

lan yu’s face turned even darker. ” are you really going to ignore my feelings for a pretty boy? ” he asked.

“you’re being unreasonable.” qin chen pulled his suitcase and walked to the front desk. ” “Give me a room,”

she couldn’t stand living with a man in menopause.

pei jingyu walked over and smiled. ” “You quarreled? do you want to squeeze in with me? i’m in an executive suite, so we can have one room each.”

qin chen declined. ” if that’s the case, you’ll really lose jing yu. ”

Chapter 3074: You’re shooting an advertisement with a pretty boy? 3

“i don’t care!” pei jingyu smiled, but he saw lan yu walking over.

She was very jealous!

pei jingyu smiled and took a step back. ” i won’t bother you anymore. see you on set in the afternoon. ”

Qin Chen also smiled at him and continued to register.

the pen in his hand was snatched away roughly and lan yu said to the front desk, ” “room 2118.”

the front desk’s eyes lit up. it was a guest in the presidential suite, and he was so handsome.

...

“sir, please call us if you need anything,” he said with a smile.

“Thank you, but I brought my wife along!” Lan Yu said rudely. I’ll look for her if I need her!”

Qin Chen was furious.

Lan Yu dragged her by the hand to the suite. As soon as he entered and put down the luggage, he began to interrogate her, ” what’s your relationship with pei jingyu? ”

qin chen’s gaze fell on her face, and he pursed his lips. ” whatever relationship you think it is. ”

“qin chen!” lan yu’s expression wasn’t good.

Qin Chen chuckled. you don’t believe me when I say that we have a normal relationship, so it’s up to you whether you believe me or not. If you don’t believe me, you can feel sad in your heart. It has nothing to do with me.

As soon as she finished speaking, she was lifted up by him and raised very high. She put her hand on his shoulder and massaged it. “lan yu, what are you doing? Are you crazy? what do you want to do?”

the next second, she was thrown onto a luxurious bed and his body immediately pressed against hers.

Qin Chen looked up at his face.

Probably because he was in a bad mood, he didn't do anything to her and only looked at her with a deep gaze.

after a long time, he finally spoke. "Chenchen, you're not alone anymore. even if you help to fire Pei Jingyu, there's a limit."

Qin Chen turned his face away. the company arranged it.

"Just do as the company has arranged. Or are you just trying to make me angry?" Lan Yu pinched her face and his voice softened, "I rejected it."

"Ceo Jin Lan, you've breached the contract at a sky-high price." "you have to think for me," Qin Chen said helplessly.

"I'll pay for it." Lan Yu sat up and was about to call Qin Mo.

Qin Chen stopped him. she hugged his waist from behind and said in a low voice, "Lanyu doesn't want to."

his hand paused, and he muttered, "Chenchen, why? Give me a reason!"

"It's just work." don't cause a scene because of this, " she mumbled behind him. I promise there won't be any kissing scenes.

"Are you sure?" His voice was a little hoarse.

"I promise," Qin Chen replied.

lan yu didn't say anything more. he reached out and pulled her into his arms from behind. he lowered his head and kissed her lightly for a while before he said in a low and hoarse voice, "take a break. i'll take you to lunch."

Qin Chen blinked,"does this mean he agreed?"

Lan Yu pursed his lips and didn't say anything more. He just lay flat.

After a while, Qin Chen gently leaned into his arms and didn't say anything, just leaning on him.

"Don't think that I'll forgive you just like that," Lan Yu's voice rang out quietly.

she placed her hand on his chest and looked up at his handsome face. she chuckled. " "Actually, I don't want your forgiveness!"

Lan Yu narrowed his eyes and glared at her.

Qin Chen was still smiling, and then he buried his face.

there was actually a kind of pleasure after teasing someone!

qin chen didn't know that she used to laugh at others for fun, and lan yu, this vegetable, was the one she had criticized the most.

Chapter 3075: You're shooting an advertisement with a pretty boy? 4

"what are you laughing at?" lan yu looked down at her.

"I suddenly feel that you're very stupid." She said honestly.

Lan Yu looked at her again and reached out to stroke her soft long hair, not saying anything.

after a while, just as qin chen was about to fall asleep, lan yu suddenly said, " "you said there won't be any kissing scenes."

there was even a trace of grievance in her voice.

qin chen suddenly found it funny. she smiled and leaned on his chest. ” “i promise,”

...

However, the facts proved that her promise was nothing!

At noon, they got up and had lunch together. Lan Yu personally sent her to the set.

Sister Kuan was also there. She probably knew that the Big Buddha, Lan Yu, had followed them, so she had come specially to avoid any trouble.

his assistant, xiao hong, also came over and helped qin chen to the dressing room. sister kuan and lan yu exchanged a few words.

at this moment, pei jingyu came over, wearing a bathrobe. it was always beautiful to be young and fleshy.

Lan Yu frowned. what kind of advertisement is this? why does it need to be shot like this? ”

he also saw the prop, the kasaya bathtub!

“it’s shower gel, but don’t worry, all the staff will be there, there won’t be any shots of the shower gel. at most, qin chen will stand up from the bathtub.” sister kuan comforted her, but she was not optimistic.

“are you talking about standing up in the bathtub in a bathrobe?” lan yu frowned.

Was this any different from not wearing any clothes?

His wife was going to be seen naked in front of the whole world?

on lan yu’s side, this was something that couldn’t be passed no matter what.

“let me take a look at the script.” he frowned.

sister kuan sighed in her heart. ” go and get it. ”

When he took it over, Lan Yu glanced through it and said in a cold voice, ” “there’s a kissing scene?”

Damn it, how did that woman lie to me this morning?

she promised that there would be no kissing scenes, but it was all written in black and white now.

Sister Kuan was afraid that he would misunderstand, so she quickly explained, it’s a position. Don’t worry, CEO LAN.

in fact, sister kuan was on the verge of a mental breakdown.

which female artiste hadn’t filmed kissing scenes before? they were all real, not to mention that it was just a fake position.

It was not a big deal to come out of the water in a bathrobe, since it was not like she would be exposed if she wore a thicker one.

Besides, Qin Chen had been to many shows in his underwear, and CEO LAN couldn’t argue with him now.

as sister kuan thought about this, lan yu started to change the script. of course, he wouldn’t change it. he immediately called a senior scriptwriter over.

the director’s face turned green. how could this film be shot? the changes were so unenticing that there would be no splash even if the advertisement was put in!

the director was having a headache, but he didn’t dare to offend ceo lan!

When Qin Chen came out, she looked at the script and her face turned green. Lan Yu, you're so boring. This is my job!

She thought that they had already communicated, but he was still so unreasonable. She simply wanted to ignore him.

qin chen's temper was not to be trifled with.

she looked at lan yu. "if you continue like this, there's no need for our marriage to exist."

lan yu snorted, "how can i just watch you and that pretty boy come out of the water like a lotus?."

"lan yu, can you be more reasonable?" qin chen didn't know whether to laugh or cry.

"i can't be reasonable," he snorted softly.

Qin Chen had no choice but to pull him over. then you go see Lin sisi. I promise you that it's just a fake seat and I'll wear an extra layer of clothes inside. But if you stay, I promise I'll press you into the bathtub and force you to choose one!

Chapter 3076: This is how she is when you marry her (1)

Lan Yu looked at her. Qin Chen, are you serious? "

"yeah," qin chen replied.

"alright, i'll go and see her!" lan yu sighed.

in fact, if he watched qin chen and the pretty boy being intimate, he would really get internal injuries, and he didn't want to die young.

Of course, he was angry, but he also knew that if he continued to be in a difficult position, Qin Chen would explode.

this time, he cherished their reconciliation a lot more than the last time. although he called her fierce, he actually did not dare to do anything to her.

...

In everyone's eyes, Lan Yu's concession was inconceivable. After all, he had been asking for a change in the script just now!

Although it was unbelievable, the director and sister Kuan were relieved that they had finally seen him off.

After Lan Yu left, PEI Jingyu came over. "sister chenzhen, how did you convince him?"

"winning people over with virtue!" Qin Chen squeezed out a fake smile. let's shoot the commercial!

pei jingyu cooperated with the director's request and said in a low voice, "you've fallen in love with him and decided to manage your marriage well? this isn't your style."

qin chen smiled. "people's thoughts will always change, right?"

pei jingyu's eyes were cold.

it seemed that qin chen had really decided to live well with lan yu. women's hearts were always soft, and qin chen was no exception.

While the advertisement was being filmed, Lan Yu got into the car on the other side. Before starting the car, he still called Qin Chen.

the content was quite childish. it was nothing more than not allowing her to shoot kissing scenes, at most borrowing the position, and he would watch it carefully.

don't even think about lying to him!

qin chen was speechless. he hung up the phone and stammered,

however, during the kissing scene, she really couldn't kiss pei jingyu's handsome face anymore, probably because lan yu's words had a certain intimidating effect on her.

qin chen laughed.

pei jingyu looked at her and also laughed, but only he knew that his laughter was different from qin chen's.

Qin Chen was thinking about Lan Yu, while he was bitter.

lan yu hung up the phone and started the car.

it was about an hour's drive from the set to lin sisi's current villa. by the time lan yu's gps arrived, it was almost evening.

the black carved gate was tightly shut. lan yu got out of the car and greeted the guard. the guard immediately said, "I'll have to ask Mr. Gu."

lan yu took out a cigarette and lit it. he took a puff and wanted to kill gu ze!

Looking around, it was a high-end villa area, but how far was it from C city and B city?

Was it really a good idea for sisi to stay here and not communicate with others?

Gu ze came here once a week. What else could it be other than physical communication?

lan yu knew very well how busy people like gu ze were. they were definitely no less busy than him. it was already good enough that he could take one day out of the week to come over. it was absolutely impossible for him to come over and talk about love.

in the long run, what would sisi become?

to put it nicely, she was his wife, but to put it bluntly, what was the difference between her and the woman that a rich man kept outside?

No, there was. The women outside would still make a fuss, but sisi wouldn't.

When she encountered a problem, she would probably hide and cry in secret.

No matter how angry Lan Yu was, he had to wait for Gu ze's reply.

The security guard was on the phone. After a while, he hung up the phone and became very respectful. He smiled and said, "i'm sorry, mr. lan. mr. gu said you can go in now."

Lan Yu cursed in a low voice and drove the car into the villa.

he opened the car door and took out some food from the trunk for sisi.

he knew all of her favorite foods.

Chapter 3077: this is how you're going to be like when you marry her 2

Lan Yu walked into the hall.

The hall was very Grand. It should be said that the entire villa was Grand inside and out.

But there was no human touch.

Because there was no male owner here, the male owner only came back occasionally. Sometimes, he would be busy on the weekends or go on business trips, so Gu ze probably wouldn't be able to take care of this place.

sisi could only wait.

Lan Yu's feelings were complicated. He thought that he was a sister, even a daughter.

...

But now, she had to waste her incomplete life waiting for someone who might not be able to accompany her to the end.

Lan Yu really wasn't sure if he was wrong back then.

Did he agree too easily? if he didn't agree, sisi wouldn't have been so stubborn.

he knew that sisi's parents didn't have much contact with her. it wasn't because they didn't want to see sisi, but because they were worried about gu ze.

Gu ze was a person of status. If he was involved with a fallen Zheng Yizhi's family, it would affect him.

lan yu's heart turned cold. he stopped in his tracks and saw sisi.

Sisi was sitting on the sofa with an Auntie who was teaching her how to knit.

Sisi's little face had a light and satisfied smile.

Lan Yu thought to himself that perhaps sisi would be happy with such a life because she had expectations. But even so, he couldn't bear to do it.

lan yu called out to sisi.

Lin sisi raised her eyes. Gu ze? ”

When she saw that it was Lan Yu, she quickly ran over and jumped to hug him, ” “what are you doing here? I’m so happy that you’re here.”

she was incoherent, but she was extremely cute.

Lan Yu could feel her happiness and couldn’t help but hug her and turn her around. “I seem to have lost weight!”

when he put her down, lin sisi puffed up her cheeks. ” because i missed you! ”

her gaze was a little timid. ” brother lan, are you still angry? ”

Lan Yu’s heart was sour and bitter. This little fool could actually remember that he was angry.

How could he be angry with her now?

lan yu smiled and pointed at the things at the side. ” i brought these for you. ”

She was a foodie, after all, so she immediately went to look through it and even opened a pack to eat. Her little face was full of satisfaction.

lan yu smiled and walked to the sofa to pick up the sweater she knitted ...

it was quite ugly!

The helper at the side smiled and said, ”it’s for Mr. Gu!” I’ll get you some water.”

The Auntie had been here for a long time and knew that only those who were close to Mr. Gu could come in. Looking at sisi, she probably knew her very well!

speaking of sisi, the auntie felt that it was a pity. she was so good looking, but why was her brain not so good?

She was cute, but Mr. Wanwan didn't want her to get pregnant, so he probably had other plans.

The Auntie went to get some water. Lan Yu looked at her for a long time and smiled faintly, "Sisi, knit one for me too. Alright?"

"Alright!" Sisi hugged her snacks and nibbled on them like a little mouse while secretly looking at him. "But you have to bring me some good food."

Lan Yu laughed-

At this moment, the helper came over with a cup of good tea.

Lan Yu wasn't in the mood to drink and just kept Lin sisi company.

She looked very happy, especially happy. Lan Yu couldn't help but ask the Auntie beside him, "Did sisi's parents come?"

The helper was stunned for a moment. Then, she sighed. they rarely come. They only see each other once every two or three months. They seem to be very concerned about Mr. Gu.

Lan Yu knew about this, but he didn't think that was the only reason. The main reason was that Gu ze didn't like other people accepting Lin sisi.

To put it bluntly, sisi was now Gu ze's possession.

Chapter 3078: is this how you treat her after marrying her (3)

After the Auntie finished speaking, Lan Yu's heart felt even worse.

He looked at sisi, and sisi tried her best to give him a smile.

that smile made him feel very sad. she seemed to be very sensible, but she was careful.

As Lan Yu watched, little fool ran over and sat on the floor beside him, continuing to eat her snacks.

She was used to messing around with Lan Yu, so she didn't have any shock ...

but that didn't mean that gu ze would be happy to see it!

...

gu ze magically appeared in the villa, unlike the usual weekends.

The black limousine stopped at the parking lot outside. Gu ze slowly got out of the car with a few boxes of delicious food in his hand.

When he passed through the entrance hall, he saw his little wife leaning against Lan Yu's side. Lan Yu was stroking her little head, and his little fool was smiling with satisfaction.

she squinted her eyes and smiled at lan yu, looking very happy.

gu ze's footsteps stopped.

he looked straight at her little face and suddenly remembered that she had not smiled so happily in a long time.

she used to say that she liked him very much and that she liked to be with him. that was why little fool agreed when he said they were going to get married.

After they got married, she had been happy for a long time, but slowly, she stopped smiling and always looked at him with a careful gaze.

Of course, she still liked him, but this love had become very conservative.

She had always had her own thoughts, and he had always found them very cute.

However, when a husband found out that his wife was only smiling at other men, he no longer found her cute.

it was somewhat hateful!

gu ze stood there and gently unbuttoned his suit, took off his coat, and placed it on his arm, waiting for her to find him.

lin sisi only noticed him after a minute, and the smile on her face froze.

Gu ze saw a trace of panic in her eyes and then stood up. you're back? "

gu ze handed his coat and things to the servant at the side and opened his arms.

lin sisi hesitated for a moment, then ran over to hug him.

Gu ze kissed her on the forehead and asked gently, " "did you behave?"

his little fool nodded hard. " yes, yes. if you don't believe me, you can ask auntie. "

As she spoke, she gave the Auntie a look. Gu ze actually saw it, but he pretended not to see it. He only let go of her and sat on the sofa."i've brought your favorite osmanthus pastry."

After saying that, he looked forward to seeing her happy face.

however, lin sisi did not look happy at all. instead, she said slowly, " "Lan Yu also brought me some. I'm already full."

Gu ze looked at blue universe.

As a man, he naturally wouldn't be calculative over such a small matter. He only said indifferently, "Then we'll keep it and eat it slowly."

little fool smiled happily.

At this moment, Lan Yu, who was at the side, asked in a slightly upset tone, "Gu ze, do you really have to go this far? I just happened to drop by to see you come all the way here just to put on a show for me? Showing off their love? do you think you're the only one with a wife and no one else?"

"lan yu, you're treating me like an outsider by saying such things!" gu ze laughed.

"I have to thank you on sisi's behalf for coming all the way here to see her," he said.

lan yu's eyes were a little cold, but sisi restrained herself because little fool was already looking in their direction.

Gu ze pulled her over and placed her on one of his legs. He smiled. "go to the kitchen and tell them to prepare dinner. lan yu, prepare a few more dishes."

Chapter 3079: is this how you treat her after you marry her (4)

Lin sisi nodded, her expression a little dazed.

However, she had always listened to him, so she quickly ran out.

she ran out like a child, just like before, but in lan yu's eyes, it was bitter.

he had taken care of sisi for so long, so he knew her personality the best. she loved freedom.

Every time she wanted to come out, she would deliberately set fire to the nursing home in exchange for a few months of time outside.

But here, she was willing to lose her freedom for Gu ze. Gu ze might not understand this kind of sacrifice.

...

In Gu ze's heart, he would think the same as everyone else. He would be responsible for her if he married sisi. But what did sisi do wrong? she liked Gu ze, but she did not have the obligation to lose her freedom because of this love.

She didn't understand, but Lan Yu felt bad for her.

Lan Yu looked at sisi's back quietly and said, "gu ze, do you think sisi is happy?"

Gu ze held up a cup of tea. Lan Yu could tell that sisi had just drunk it, and he watched Gu ze take a sip without saying anything.

gu ze put down his cup and smiled. "Are you happy? sisi and I are married."

Lan Yu laughed coldly. why did you exile her to such a distant place? Gu ze, if you feel that marrying her is embarrassing, then don't marry her. I can even support her for the rest of my life.

Gu ze lowered his eyes and looked at the half-eaten Osmanthus pastry at the side. He said very slowly, "you think i despise her?"

"what else?" Gu ze gritted his teeth and looked straight at Gu ze.

gu ze laughed very lightly. "i'm a little curious. why didn't you come to me to reason with me before? why are you still hesitating now?"

however, even though he said that, he did not have the intention of asking lan yu to answer. he continued, "have you ever thought that she would be disturbed in B city? she's not good at dealing with those things, and she will be frightened by the reporters. do you think it's a good thing for sisi if the news is all over the place?"

“gu ze, you’re her husband, so you should protect her!” lan yu said coldly, ” don’t make excuses for yourself. you’re just afraid of trouble. because you think she’s a little fool, you just have to push her far away so that she won’t hear those nasty words. then, the world will be at peace, right? gu ze, you’re really good at planning, but what if sisi remembers everything one day and she turns back to how she was? do you think you can continue living this life with her, or do you think you can just bring her back to B city?”

gu ze narrowed his eyes.

Lan Yu laughed coldly. feelings won’t come so easily, Gu ze. Do you think that by avoiding your parents and the media, your secret marriage will always be smooth sailing? let me tell you, the bigger your company is, the more likely sisi will be exposed. Will you choose to protect the stock price or your wife? you don’t have to answer me, you just have to know the answer in your heart.”

gu ze’s voice was low and deep. ” it seems like you’re here today for the trial? ”

“No, it’s not.” lan yu’s voice was very low. ” i only wish for sisi to live well. that’s all. ”

gu ze was about to say something when he saw lin sisi standing at the door with a cautious look on her face.

he felt a stab of pain in his heart, and he asked her to come over.

his little fool walked over very slowly. she didn’t stick to him as she used to, but said in a low voice, ” “i’ll bring the food upstairs.”

She had a habit of storing food. She would hide her favorite food like a little mouse. Even Gu ze did not know where she usually put her food.

Chapter 3080: is this how you treat her after you marry her (5)

after she finished speaking, she went to carry her things and moved them upstairs in two batches, as if she was moving houses.

The two men just watched her move.

she didn't come down even after she finished moving.

Gu ze looked at Lan Yu. I'll go up and take a look.

&Nbsp; Lan Yu nodded. she might have heard what I said. Go and see her.

He didn't agree with Gu ze from the bottom of his heart, but Gu ze was the most suitable person to comfort him.

...

Gu ze went upstairs.

When she pushed open the door to the master bedroom, she saw a few boxes of Osmanthus pastry boxes lying around, unlike how she usually kept them carefully.

meanwhile, his little fool was sitting by the bay window in front of the floor-to-ceiling window, looking out the window quietly and in a daze.

gu ze walked over and sat beside her. ” “what are you thinking about?”

his little fool's chin was on his knee, and his eyes were sharp.”Gu ze, what's a stock price? Is it very important?”

Gu ze reached out and touched her little head. why would you ask that? ”

“Because Lan Yu asked you if you would choose the stock price or me? That's why I feel that it must be very important to you.” Lin sisi's eyes were fixed on his face as she spoke.

He sighed,”sisi, you're thinking too much.” This day will never come.”

“What if that day comes?” little fool was quite stubborn.

after she finished speaking, she stared at him, waiting for his reaction.

Gu ze smiled and patted her head. “Sisi, what do you want me to choose?”

Lin sisi bit her lip. I don’t know because I don’t understand. But I know that if you don’t choose me, it means that you don’t want me anymore, Wanwan.

her little face was a little distressed. ” but if that thing is very important to you, then i think it’s fine as long as you’re happy, yingluo. ”

“Even if one day, I choose the stock price that Lan Yu mentioned?” Gu ze’s voice was a little hoarse.

She nodded her head and said, ” yes, I’ll still be happy. It’s not like we’ll be separated forever. I can still see her if I want to.

he was still fine, but she was comforting him.

there was an indescribable feeling in gu ze’s heart, but it was so heart-wrenching.

He hugged her and smiled. it’s not easy for Lan Yu to come over. Go down and talk to him.

Although he was a little jealous, Gu ze was not a petty person. He did not come over from B city on purpose. Besides, he did not make it in time.

He didn’t tell sisi that he was on a business trip in C city. He didn’t plan to come because of his tight schedule and flew directly to new York.

however, lan yu was here and he couldn’t help but come over to see yingying. this made little fool unhappy.

he wanted her to be happy, and he wanted her to grow up happily in the castle he had built for her.

if she couldn't be the queen, he would pamper her like a princess.

gu ze looked at her smile again, and his eyes became gentle. he reached out and touched her little head."i can only accompany you for dinner. i'll catch a private plane later, okay?"

Sisi's eyes were filled with disappointment. She bit her lip."You haven't been here for a long time, Yingluo!"

Gu ze ruffled her hair. after I'm done with this, I'll come and visit you. I'll stay for a few more days.

his little fool responded with an 'oh', but she was obviously unhappy.

He smiled and brought her down.

her personality was like a child's. she was unhappy just now, but when she was talking to lan yu, she was smiling so much that her eyes were squinting.

Gu ze thought that maybe he could stay at Lan Yu for a few more days.
