Chapter 3081: she loved him, so she was willing to wait (1)

of course, it was impossible for lan yu to stay here for a few days. firstly, qin chen was here, and secondly, it was inappropriate for him to stay here without gu ze. if sisi was not married in the past, it would be fine. he treated sisi as a child, but after she was married, lan yu had scruples. he was afraid that gu ze would overthink.

lan yu knew very well how narrow-minded men could be when they were jealous.

So after the meal, he wanted to leave, but Gu ze was faster than him. He left without hesitation.

lan yu looked at sisi's expression and couldn't bear to leave immediately, so he accompanied her for a while.

when gu ze opened the car door, his little fool could not help but run over and look up at him. her fingers were almost stubbornly pressing on the car door to stop him from moving.

"Sisi?" Gu ze's voice was low.

...

lin sisi pursed her lips and her voice was a little soft. "when are you coming back?"

Gu ze's heart softened as he said in a low voice, "come back after you're done with your work. Be good and listen to Auntie.

lin sisi's little face was a little embarrassed. then, she gathered her courage and asked, "can i ask my mother to come and accompany me?"

She didn't know why, but she didn't rely on her mother too much in the past and didn't want to. Because Lan Yu said that she was her mother, she could only accept it. But after she got together with Gu ze, she wanted to see her mother more and more. However, Gu ze said that it was best if they didn't meet.

lin sisi didn't understand why he thought so, but she didn't dare to mention it to him until now.

after she finished speaking, she looked at him nervously, hoping that he would agree.

however, gu ze was still the same as before. momo's little head said very softly, " "When I'm free, I'll arrange for you to meet."

Lin sisi looked up at him, her eyes empty.

she had some thoughts, but she didn't have a heart of nine songs like them, so she asked the question in her heart in disappointment, " " why can't she always be with me? she can't be like auntie. why do you have to arrange for her to meet with me? "

Gu ze raised his hand to look at the time and sighed. sisi, I'll explain it to you next time. I have to catch a private plane now, so I have to go.

she stood there without moving, without speaking to him, and without saying goodbye.

gu ze's thin lips were slightly pursed. in the end, he still gritted his teeth and left.

When he got into the car, he still felt a little guilty. The car started slowly, but she was still standing in the same place.

gu ze suddenly remembered that it was sisi's birthday in two days, and he could not celebrate it for her.

He sighed to himself and decided to celebrate when he was back!

"drive faster," he instructed the chauffeur with his eyes closed. he had to catch a private plane.

gu ze was very busy, so busy that he almost didn't have the time to take care of his little wife, and an incomplete wife at that. he always thought that he could spend time with her after he was done with his work, but gu ze never thought that by the time he was done, his little fool would already be gone.

She would grow up eventually. She wouldn't be his little fool forever, Yingluo.

Behind the car, Lin sisi stood there with a disappointed expression.

Lan Yu stood by her side and patted her shoulder. "Sisi,"

"will you laugh at me?" she opened her mouth, her voice hoarse as if she was about to cry.

Lan Yu hugged her.

It was a very warm embrace, just like before.

Lan Yu suddenly made a decision. He lowered his head and looked at sisi. do you want to stay at a hotel with me for two days? it's just with your sister Chenchen.

sister chenchen?

lin sisi immediately thought of what she had done last time and shook her head."lan yu, i don't want to!"

Chapter 3082: she loved him, so she was willing to wait for him (2)

lan yu consoled her softly, " sisi, it's your birthday in two days. do you want to celebrate? " Besides, your sister Chenchen won't be calculative with you because you're still a child!"

Lin sisi's sadness faded a little, and she kept looking at Lan Yu."Really?"

"Of course it's true." Lan Yu smiled and nodded.

Lin sisi replied with an 'Oh', then whispered, " "Auntie won't allow me to go out if she knows. I'll secretly sit in your car later and call back when I'm out, okay?"

Lan Yu thought about it and agreed.

If she communicated with Gu ze now, he probably wouldn't go on a business trip and would directly bring sisi back.

...

What was the point of that?

Thus, Lan Yu stayed for a long time until 4 pm, when Gu ze should have already boarded the plane.

sisi had already found an opportunity to lie down in the back seat. lan yu saw her face from the rearview mirror and started the car.

the car slowly drove out of the gate. lin sisi couldn't wait to pop her head out. she let out a long breath, then rolled down the window and looked out with a greedy look in her eyes.

As Lan Yu drove, he noticed her and his eyes darkened.

Sisi was not happy. She was like a bird in a cage.

Furthermore, she was afraid of Gu ze. She was afraid because she loved him deeply.

Lan Yu threw the phone to her. give Auntie a call. Tell her that I'm taking you away. You're going to have fun for three to four days.

Little fool looked at him in a daze, yet she still knew fear."are you good?"

Lan Yu smiled. aunty, you tell them. I'll tell Gu ze.

only then did little fool smile and call her auntie happily ...

She was afraid that the Auntie would be angry, so she kept her voice low. However, after she said it, the Auntie only sighed and said very softly, "Then have fun for a few days."

"Auntie, you're not angry?" Sisi asked in a low voice.

The Auntie on the other end sighed. I'm not angry. It's just that it's better to let Sir know first next time.

"but if i tell him, he won't allow it." sisi's voice was a little aggrieved.

This was the key.

The Auntie sighed and hung up the phone. She knew that Gu ze had hung up the phone on the plane. This must be Mr. Lan's idea. She thought that Mr. Lan would tell him.

in fact, she also sympathized with sisi!

Sisi was his wife, but her heart was completely like a child's, and it could be seen that she loved Sir very much ...

It was hard to love someone and wait in the same place all the time.

Such a playful girl was actually willing to sit in the yard and wait for teacher every day.

the auntie's heart ached for sisi when she thought about it, so she did it a little selfishly.

she also knew that sir would blame her after this, but as long as sisi could be happy for a few days, she felt that it was worth it.

On the other side, when Lan Yu's car drove back to the hotel, it was already night.

Qin Chen should have finished work, but he didn't come back.

it wasn't convenient for lan yu to bring sisi with him, so he could only call yingluo.

no one picked up the phone, even after more than ten calls.

Lan Yu brought sisi to eat something, then they sat on the sofa in the living room to watch TV and wait.

it was almost twelve o'clock when qin chen came back. he had some wine, which was sent back by the little wolfdog.

Why didn't this make blue universe angry?

He dragged Qin Chen in and said to PEI Jingyu coldly, " "goodnight, mr. pei."

in contrast to his exasperation, pei jingyu was very calm. " "Good night, sister Xuxu and Chenchen."

"See you tomorrow." Qin Chen smiled at him.

Chapter 3083: why didn't you say so earlier!1

Lan Yu's reaction was to slam the door shut.

qin chen looked at him. " it's just a meal with the crew. do you have to be like this? "

lan yu's face darkened. " if it was just a gathering, you could have called me to pick you up. it's so late now. why are you asking another man to send you back? "

"Lan Yu, you're being unreasonable." Qin Chen was a little speechless.

"Am I being unreasonable?" "Quit this job tomorrow," Lan Yu said coldly.

qin chen was so angry that he wanted to slam the door. she stared at lan yu's annoying face and said, "i called you, but you didn't pick up."

...

With that, she opened the door and was about to leave. She didn't realize that Lin sisi was sitting on the sofa eating snacks and watching them quarrel.

As soon as Qin Chen opened the door, Lan Yu caught her, and the next second, she was pressed against the door.

"let go!" qin chen struggled.

"I won't!" lan yu said a little shamelessly, then mumbled, "I didn't hear you. Chenchen, you can't just give me the death sentence like this. Where are you going now? to find a pretty boy?"

"i won't look for anyone. i'll disappear, okay?" Qin Chen turned his face away, his voice calm. "if you're always like this, it'll be hard for us to live in peace."

lan yu's voice was slightly hoarse. "chenchen, i'm just a little jealous. i'm just concerned."

as he spoke, he leaned toward her and buried his face in her neck. "Because I'm afraid that Yingluo is younger than me. He's a young hunk, and if you really like him, Yingluo ..."

at this point, he even believed himself. "do you really like him?"

He raised his eyes slightly and saw her serious expression.

qin chen wanted to laugh.

"you're thinking too much, mr. lan." her face was still tense.

lan yu was a little flustered and exasperated. "qin chen, i really want to leave you at home. i can only be at ease when you can't go anywhere."

After he finished speaking, he kissed her lips ruthlessly.

she was probably too attractive, and he was too engrossed, so he forgot about lin sisi's existence in the suite.

This kiss became a little hot, like a Thunderbolt and a fire that could not be stopped.

Qin Chen resisted at first, but after a while, he gave in. She drank some wine and was a little interested.

just like that, they pushed and pushed, and the scene was really hot.

the bag of snacks in lin sisi's hand fell. she pursed her lips and said in a small voice, "report, i'm here."

Lan Yu's body trembled, and then the river of spring water flowed East. He gritted his teeth. "Why didn't you say so earlier?"

"I didn't know you would do that!" Little fool said innocently.

Fortunately, the lights were not turned on, or he would have seen everything.

lan yu gritted his teeth and stepped back. he helped qin chen adjust his clothes and said in a hoarse voice, "i'm bringing her over to stay for a few days,"

He wanted to retreat, but Qin Chen put his arms around his neck. "you didn't call me to tell me you were bringing sisi over to stay for a few days. lan yu, are you only allowing the officials to set fires and not allowing the commoners to light up their lamps?"

She hugged him like this with some charming reluctance. Lan Yu was a mature man and naturally understood.

but there was a little fool watching over there, and he really couldn't do anything, so he snorted. "wait for me in the bedroom, i'll take care of sisi."

“Do you know how to give her a bath, hubby?” She wrapped her arms around his neck and called him that on purpose.

After she was done teasing him, she chuckled and wanted to leave, but Lan Yu would not let her go. He grabbed her hand and said, ” “wait for me in the bedroom. stop fooling around.”

Chapter 3084: why didn't you say so earlier? 2

Qin Chen was actually quite speechless. He had just been here in the morning, and he had been driving all day. Wasn't he tired?

however, it was good that he was not tired.

she ran her fingers through her hair and walked towards the master bedroom.

lin sisi kept looking and said, ” “she's so pretty.”

Lan Yu walked over and patted her. alright, get up and take a shower. I'll bring you to your room.

Lin sisi was still sitting there. She asked softly, ” “then, will sister chenchen be unhappy?”

...

“i think so!” “But I'll coax her,” Lan Yu smiled.

“but she doesn't seem to care about you,” little fool blinked.

“sisi!” lan yu's face darkened.

“i'm going to take a shower!” She said in a low voice, then carefully ran to the second bedroom. But after a while, she called out, ” “I didn't bring any luggage or pajamas.”

how troublesome!

“I’ll go get one with Qin Chen,” Lan Yu replied from outside.

After that, he walked back to the master bedroom.

Qin Chen was a little drunk. He was lying on his side on the big bed and had no intention of taking a shower. Lan Yu walked over and kissed her on the lips. “Are you angry?”

“how could i!” qin chen turned over, not letting him touch him. ” “I’m not that petty!”

he didn’t feel happy that she was so generous. he frowned.”It’s not what you’re thinking,”

“i know, she’s married!” qin chen turned to look at lan yu,”why didn’t you stop him?” You can only let her be happy for a few days if you bring her out for a few days. A marriage like Lan Yu will be a cage for her for life, you know that.”

She was criticizing, but Lan Yu was indescribably happy.

he laid down beside her and gently held her in his arms. he said in a hoarse voice, ” I wanted to stop her at that time, but Chenchen, did you know that when a person falls in love with another person, it’s very crazy? the whole world probably can’t stop it.

qin chen looked into his eyes.

He smiled bitterly. just like us in the past.

he hugged her gently and buried his face in her neck. ” “i know that no matter what i say, you won’t be able to be like before. i don’t want this. i just want you to stay by my side and not leave.”

His words were very humble, and Qin Chen’s heart throbbed. She wanted to see him, but he didn’t want to let her see his face because he lost his composure.

After hugging her for a while, he said in a low voice, "Chenchen, I remember you brought an extra pair of pajamas, didn't you?"

Qin Chen lowered his eyes. "You want me to let your little wife wear the pajamas?"

As soon as she finished speaking, she was hit by him. "What second wife! She's Gu Ze's wife."

"Even Gu Ze doesn't feel as bad for her as you do." Qin Chen snorted, but he still went to the changing room and picked a t-shirt for him. She's small, so this can be her pajamas.

Lan Yu walked over and hugged her from behind. "Since my wife is so generous, I'll reward you tonight?"

Qin Chen turned around and said with a fake smile, "You can think of it as my guilt for having an affair."

Lan Yu patted her again. "I'm going to get some clothes for Sisi. I'll be back in a while."

Qin Chen smiled and didn't say anything. He took a set of pajamas and prepared to take a shower and sleep. She was tired after a busy day.

Lan Yu pressed her down and kissed her for a while more before asking her to wait for him to come back.

Qin Chen replied with a few words before leaving.

When he walked to the secondary bedroom, Lin Sisi was still waiting there like an elementary school student.

Chapter 3085: Why didn't you say so earlier!3

Lan Yu went over and patted her little head. "I sent a message to Gu Ze. He'll receive it when he's offline."

Lin sisi acknowledged, then said, ” “Will he be angry?”

“I will when I’m angry! however, if you always go along with him and he won’t be angry, then there will be a problem.” lan yu patiently taught her as if he was teaching a child, ” “He’ll only be flustered and care if you leave, right?”

Lin sisi didn’t really understand what he was saying, so she just looked at him in confusion.

lan yu sat down and explained it to her. after half an hour, she still didn’t understand.

“you’d better go take a shower and sleep!” lan yu sighed.

...

she could only be controlled by gu ze for the rest of her life. unless she could remember everything and her brain could return to normal.

Lin sisi obediently acknowledged. She could feel Gu ze’s disappointment and said in a small voice, ” “i’ll work hard. i’ll definitely be able to understand it in the future.”

lan yu’s heart turned soft. how could he bear to scold her? he reached out and stroked her long hair. ” sleep. ”

he was worried about her, so he stayed by her side and covered her with the blanket after she came out of the bathroom.

Sisi was afraid of water. Because she had drowned, she usually needed someone to take care of her and lie on the bed.

For a man like Gu ze, it was very difficult to take care of a wife like this. Lan Yu was very clear in his heart. That was why that damn Gu ze had exiled sisi here.

he was a little angry in his heart, but his expression was calm. he covered her with the blanket and turned off the light. he sat for a while more before leaving.

sisi was just a child to him.

even if it was only for a few days, he still had to take good care of her.

back in the bedroom, lan yu's heart was filled with worry.

qin chen hadn't fallen asleep yet, and when he saw him smoking by the window, he sat up slightly and leaned against the bed. "Why are you still smoking?"

lan yu turned his head and looked at her with a calm gaze for a while, then said lightly, "I can't sleep."

their conversation at this time was like an old couple.

qin chen looked at him. "you can't change anything no matter how annoyed you are. sisi likes gu ze, so she's patient. but if one day she doesn't like him anymore, she probably won't want to be patient anymore."

"i know, but as you can see, she's not healthy." lan yu sighed slightly, "it's a good thing that the auntie who's taking care of her is patient." otherwise, we won't have a good time."

An unfamiliar environment, a person he had to wait for forever.

He opened his heart to her and said such words. Qin Chen's heart throbbed a little, and his eyes became a little soft as he looked at him.

Lan Yu put out the cigarette and walked back to the bedside. He pulled her over and placed her in his arms, kissing her between his brows. Chenchen, when I brought her back from new York, she was pregnant. Also, Hanhan can't have children anymore.

"but she became a child herself," he said bitterly.

Qin Chen was silent for a long time.

When she heard his words, she actually felt very, very sad. It was as if she had personally experienced it with Lin sisi.

She looked at him and said in a low voice, "you should come to see her more often in the future. I'll accompany you."

Lan Yu didn't say anything and only patted her hand.

since their reunion, he felt that for the first time, his heart and qin chen's heart were very close.

she was indeed a very magnanimous person. not only was she not angry, but she also understood him.

that night, he didn't do anything but hug her.

he would only feel at ease when he hugged her.

Chapter 3086: Why didn't you say so earlier?

Qin Chen didn't sleep well either. He had messy dreams the entire night, including sisi, Lan Yu, Xuxu, and Rong Lei.

her mind was in a mess, and when she woke up, her back was covered in cold sweat.

Qin Chen opened his eyes, and in front of him was Lan Yu's magnified handsome face. He had slept in his clothes last night.

She turned her head to look out the window.

the sky had just broken into dawn, so it was not bright yet.

Qin Chen blinked his sore eyes, carefully moved Lan Yu's arm away, and got up gently.

...

Lan Yu was in a deep sleep and didn't move.

She got up and walked quietly to the guest room. She didn't know why she wanted to see Lin sisi.

looking at the girl who was well protected by lan yu, she really didn't feel uncomfortable at all. she only felt heartache.

perhaps it was because qin chen had become a mother and had little rongyue, and sisi was also like a child.

She carefully pushed the door open and saw Lin sisi sitting at the head of the bed with her sharp chin on it. She was looking outside.

Her gaze was as careful as fragile porcelain.

qin chen looked at her quietly for a while, then pushed the door open and sat beside her. ” “are you thinking about gu ze?”

Lin sisi was shocked, and her eyes widened.

Qin Chen looked at her palm-sized face and thought to himself, 'sisi is indeed cute. No wonder Gu ze wants to marry her.' She knew that Gu ze liked Qin Mu in the past and had liked him for many years. But for sisi, he uncharacteristically got married in a flash.

“you're afraid of me?” qin chen smiled.

“No.” “I'm just afraid that you'll be angry,” Lin sisi said softly.

“i won't. Why would I be angry with you? sisi is very cute, Lan Yu and I both like you.” Qin Chen simply leaned against the headboard and reached out to stroke her little head as if he was petting a little pet (if Lin sisi regained her memory, she would probably go crazy from laughing). In a light voice, he said, ” “Are you afraid that Gu ze will be angry and come back to blame you?”

Lin sisi lowered her eyes and didn't say anything else. Qin Chen knew he was right and smiled. Lan Yu said that he will tell Gu ze. Don't worry and just stay here for two days. I have to film, but I can accompany you at night. I can bring you to eat skewers, I can bring you to the movies, and you can go anywhere you want.

"Then, can I go back to B city with you?" Lin sisi pursed her lips.

"back to B city?" qin chen asked.

"I want to wait for Gu ze to come back and give him a surprise." a smile appeared on lin sisi's little face.

that smile was also very careful, but it also carried a little happiness.

Qin Chen felt a little sad and sorry for her, so he hugged her. "Alright, I'll convince Lan Yu to bring you back."

this was a huge risk, because lin sisi was his wife!

after qin chen finished speaking, lin sisi's phone rang. in an instant, lin sisi's expression became tense.

she picked up her phone and looked at it, then said in a low voice, " "It's Gu ze! He'll definitely scold me!"

qin chen looked at her.

Lin sisi placed her phone in Qin Chen's palm and looked at it pitifully.

"Afraid of him?" Qin Chen smiled.

little fool lowered her head.

Qin Chen answered the phone, his voice calm. "i'm qin chen."

gu ze was stunned for a moment and then said coldly, ” “let sisi answer the phone.”

“she’s scared to death right now and doesn’t dare to pick up,” qin chen said objectively.

as soon as she finished speaking, lin sisi had already quietly taken the phone and listened to the lecture like a child ...

Chapter 3087: sisi used to like you (1)

Qin Chen sighed.

Sisi looked like she was being eaten alive.

after a while, sisi put down her phone with a depressed expression.

“Did you get scolded?” Qin Chen teased her.

“I think I won’t be going to B city,” Lin sisi said, looking up.

“What’s wrong?” Qin Chen looked at her.

...

Lin sisi’s eyes were filled with tears. he seems to be angry.

qin chen hugged her. ” how could that be? if a person gets angry at another person so easily, then it’s not true love or tolerance. ”

lin sisi looked up at her and asked in a soft voice, ” really, sister chenzhen? ”

“Of course it’s true,” qin chen patted her head and smiled. ” ” sleep a little longer. let lan yu take you out to eat good food during the day. i’ll take you out to play at night. ”

lin sisi became happy again and lay down obediently.

after lying down, she wrapped her arms around qin chen's neck and began counting the number of lambs.

qin chen was a little confused, and after a moment, he turned to look at lin sisi. "Are you like this when you sleep with Gu ze?"

Lin sisi's little face blushed, and she only spoke after a long while. "no, i didn't even need to count before i fell asleep."

qin chen was speechless. sisi was too straightforward.

He was so straightforward that she felt a little embarrassed.

No matter what, Lin sisi was asleep, but Qin Chen was still lying on the bed, letting the little fool lie on his chest and drool.

She felt that she owed Lin sisi, which was why she was being hugged like a man.

however, her heart was filled with a touch of warmth. she felt as if she had once been in such a state. she had also felt the same warmth when she slept with a young lady.

qin chen even felt at ease. it wasn't her who gave sisi, but sisi who gave her.

Qin Chen suddenly had a feeling that Lin sisi might be an important person in the depths of her memory.

However, sisi had become like this, so he couldn't get anything out of her.

qin chen lay down and thought a lot, but she couldn't remember anything from the past. she couldn't think too much because her head would hurt.

At eight o'clock, she had no choice but to get up. She lowered her head and was about to move Lin sisi away when she saw her and couldn't help but smile.

lin sisi was drooling and sleeping soundly. her little face was as calm as a child's.

qin chen looked at her quietly for a while, the corners of his mouth slightly upturned. then, he carefully moved her away and returned to the master bedroom.

lan yu was still sleeping when she got back, probably because he was too tired last night.

Qin Chen smiled and was about to go to the changing room to change his clothes when he was gently hugged from behind.

Lan Yu's face came close to her ear and whispered, "why are you up? You went to see sisi?"

qin chen nodded, then turned around. "You sleep a little longer. I have to go and film the advertisement."

Lan Yu hugged her for a while, and just as she thought he would let go, he said softly, "Wait for me, I'll send you there."

Qin Chen was stunned.

lan yu smiled and patted her before letting go. "What's wrong? isn't it normal for a husband to send his wife to work?"

Qin Chen wanted to say something, but Lan Yu interrupted her. Chenchen, this isn't a motive. I just want to be good to you.

Chenchen, " he said rather sincerely, " I might still have a cold draft occasionally, but I can control myself. If I really can't, I'll apologize and coax you.

he said it so sincerely that he couldn't help but hug her again and again. " chenchen, let's start over. let's forget everything in the past. if i let you down, i'll treat you even better. "

Chapter 3088: Sisi used to like you 2

Qin Chen touched his forehead and frowned. "lan yu, are you okay?"

lan yu didn't feel good. she confessed to you and you think i'm crazy!

his face darkened. " i'm fine. i'm very good now! "

qin chen reminded him, " "You just said that you would dote on me and make it up to me. He forgot about it in a while? or the preservation period is only a few seconds?"

Lan Yu's expression softened. Chenchen, I just think that you should respond to me occasionally.

"you want me to be a hypocrite?" Qin Chen smiled and asked.

...

Lan Yu's expression turned even uglier. After a long time, he muttered, " "no need,"

after saying that, he changed his clothes and waited for her outside.

After Qin Chen came out, he said lightly, " "Let's have breakfast at the breakfast shop outside, so we don't wake sisi up."

qin chen suddenly sighed. " i have a feeling that we're an old couple. sisi is our child. "

lan yu laughed coldly,'how old are you to have children? Sisi is only four years younger than you."

Qin Chen looked at him and didn't say anything.

after they got into the car, he held her hand and said in a hoarse voice, " "I'll apologize,"

Qin Chen blinked in surprise.”apologize? actually, there’s no need to. it’s not a big deal.”

she paused for a moment. ” lan yu, it’s fine to argue normally. it’s not like you have to tell who’s right and who’s wrong. as long as it’s not a matter of principle. ”

“Hurry up and go to the breakfast shop,” she urged when she saw that he was still mumbling. i’m hungry, and i have to start work later.”

He smiled and started the car.

There weren’t many people in the morning, and there were even fewer cars. C city was much quieter than B city.

Lan Yu spent ten minutes looking for a specialty breakfast shop. It was opened by a Southerner and mainly sold soup dumplings.

he stopped the car and unbuckled his seat belt. ” “do you want to eat in the car or get out?”

qin chen raised his hand and looked at his watch. ” there’s no time. let’s settle it in the car! ”

lan yu nodded. ” wait for me in the car. i’ll go down and buy some. ”

qin chen opened the car door and sat in the car, listening to music in boredom. he returned after about ten minutes with a big bag of breakfast.

“Why did you buy so many?” Qin Chen asked as he took a bag.

lan yu placed his breakfast in the back seat and started the car. ” “i’m buying it for your crew! win over the people’s hearts and let them take care of my wife.”

qin chen laughed. ” this doesn’t seem like something you’d do. when you’re not happy, you’ll just throw money at changing the script. ”

Lan Yu was embarrassed by her words and snorted, ” “you’re definitely not talking about me.”

“i also don’t think it’s you.” qin chen chuckled and took a bag of tofu pudding to eat.

She ate very naturally, just like how she used to live an ordinary life. She also sat beside him and ate at ease, forgetting that her name was Qin Chen and the pile of luxury goods in her apartment and office.

fragments of memories flashed past her mind. she wanted to grasp them, but she couldn’t.

her mind, however, slowly calmed down. she turned her head to look at lan yu.

“we used to be in the same car like this, right?” her voice was so soft that she seemed to be talking to herself.

However, Lan Yu still heard it. He only smiled, ” “Yes. At that time, you were so embarrassed about what words to use to describe Chenchen. Have you seen your old photos?”

She nodded.

Lan Yu revealed a little secret. actually, if Gu ze is jealous, it shouldn’t be me. And if you’re jealous, it shouldn’t be sisi either. It should be me being jealous of sisi.

he had been beating around the bush, and she was confused.

“sisi liked you in the past.” lan yu finally revealed his answer.

Chapter 3089: a family of three! identity exposed (1)

qin chen’s eyes widened, and he looked at lan yu in disbelief.

lan yu was still driving calmly and smiled slightly. ” when you were doctor qin, there were dozens of female nurses who liked you. ”

Qin Chen had forgotten to drink the tofu pudding in his hand.

Lan Yu's smile deepened.

along the way, she didn't say anything and just looked at him. when lan yu stopped the car at the set, he turned to look at her. Chenchen, if you insist on looking at me like this, I suggest you go back with me. I'll show you, take off my clothes for you to see.

"bah, shameless!" Qin Chen snorted.

...

Lan Yu smiled, opened the door, and got out of the car. He took the breakfast down and put one hand on Qin Chen's shoulder, looking very possessive.

Qin Chen quickly broke free. He didn't mind and just treated it as a romantic interest between a husband and wife.

Lan Yu's attitude was different from before. He gave breakfast to everyone on the set, communicated with the director for a while, and then came to say goodbye to Qin Chen.

Even if they were only apart for a day, he could say goodbye for ten minutes.

this was the first time qin chen felt embarrassed. she was such a cool person, how could she be entangled by this kind of sticky candy?

Also, wasn't he quite cold before? Why did it change so much now?

qin chen was speechless. lan yu looked at her and laughed. I just thought that since you liked me in the past, you would fall in love with me again now that I'm looking at you with the same appearance.

"I hate sticky candy!" Qin Chen gritted his teeth.

lan yu frowned, 'sticky candy? qin chen, you're actually calling me sticky candy, who's the one pestering me at night yingluo?"

his voice was not soft, and the people around him heard it whether they wanted to hear it or not, such as pei jingyu.

pei jingyu's eyes turned dark, but she only smiled.

His love for her had never been known to anyone, and he had only ever shown it in his jokes.

Before Lan Yu could finish, Qin Chen covered his mouth.

However, such an action seemed even more ambiguous.

Lan Yu's eyes were filled with a smile as he leaned over and looked at Qin Chen. "Do you know how disappointed your little wolfdog was?"

qin chen furrowed his brows. lan yu smiled and took a step back. " i'll pick you up tonight, and we'll go shopping in the city with sisi. "

She looked at him, wanting to use sharp words to make him step back like before, but she couldn't say a word. In the end, she only glared at him.

lan yu rubbed the center of her hair, his eyes full of gentleness. " "I'll be leaving first."

qin chen nodded and watched him get into the car and leave.

pei jingyu walked to her side and said,"it seems like you two have a good relationship." Do you mean to start over?"

"This has nothing to do with you, right?" Qin Chen looked at him.

"no?" pei jingyu smiled. " look at you. you're burning the bridge after crossing it. "

Qin Chen looked at him with a faint profound look, but PEI Jingyu smiled again. "Look at how nervous you are. I was just joking."

his voice deepened a little. ” i also hope that you can live well! it’s true.”

after he finished speaking, he hugged her and qin chen in front of everyone.

Qin Chen felt his arms tighten in this embrace, and she felt PEI Jingyu’s unknown love.

she wasn’t a careless person, so she began to rewind the scenes from the past.

She remembered the first time he had stepped into King Entertainment, the first time he had worked with her, and later on, they had become very close. He had even been allowed to go to her apartment to see how much effort he had put in just to get close to her.

Chapter 3090: A family of three! Identity exposed 2

qin chen closed his eyes and said softly, ” ” jing yu, you don’t know how many stories i have. go find a silly girl! ”

he had too many things on his mind, and he was really not suitable for her.

It had nothing to do with blue universe.

PEI Jingyu chuckled softly, a little bitterly.

That day’s shooting was very difficult. The director felt that the male and female leads couldn’t get into the scene at all. There was no progress after a whole day of shooting. In the past, they had to reshoot at night, but the director didn’t dare to do so with a background like Qin Chen, so Lan Yu picked Qin Chen up at six O ‘clock in the evening.

qin chen got into the car, and sisi was in the car, looking very excited.

...

“where did you go during the day?” qin chen smiled and sat beside her.

“Lan Yu brought me to the amusement park and fed me to the pigeons at the square.” Little fool was overjoyed.

“she even wanted me to catch a few and roast them,” lan yu said with a smile.

Qin Chen reached out and touched sisi’s little face. “we’ll order a squab tonight.”

Lin sisi said, a little embarrassed, ” “i caught two the last time i was with gu ze.”

qin chen looked at lan yu, who was in the front row, and thought to himself, i wonder what gu ze is thinking.

For the sake of the company, he could find a well-educated and polite woman to be Mrs. Gu and decorate the Gu family’s facade. He could hide sisi as his young wife. He didn’t know what kind of perverted hobby this was.

But sisi liked it, so he had no choice.

Qin Chen lowered his eyes. She suddenly remembered, why did sisi become like this?

Lan Yu said that sisi was injured in new York, that sisi couldn’t have children, and that sisi’s little finger was missing ...

qin chen felt a little heartache just thinking about it.

she turned her head and saw that lin sisi was playing with a few small toys in her hands. lan yu had caught them from the claw machine.

she’s as innocent as a child and needs someone to take good care of her. qin chen sighed in his heart.

That night, they took Lin sisi to the night market to eat skewers. Although sisi later had diarrhea, she was still happy.

They even went to watch a movie, the kind that was animated.

lan yu and qin chen sat on the two sides, while sisi sat in the middle, holding a large portion of popcorn. lan yu also helped her get a large drink. sisi was a simple-minded girl, and there was no such thing as restraint in the world of girls.

she still looked at qin chen and asked in confusion, ” “Sister Chenchen, why aren’t you eating?”

“I’m a model, I need to maintain my figure,” Qin Chen replied with a smile.

“It’s so hard,” sisi muttered.

The sound of her eating was like a little mouse. Qin Chen smiled slightly.

lan yu looked at her gentle expression, and his heart moved. he quietly went around from behind and placed his hand on qin chen’s shoulder.

She moved her body and turned to look at him, but she didn’t stop him or look away.

Lan Yu smiled slightly and continued to watch the boring cartoon.

the entire cinema was for parents and their children to watch, so it was a little special for a family of three like them.

of course, they also attracted the attention of the surrounding people.

Sisi’s age didn’t seem like their child at all. Everyone thought that Qin Chen was the legal wife and sisi was the mistress.

And Lan Yu, this good-looking scumbag, who was enjoying the happiness of having two people, would actually treat the main wife better.

In short, after the movie, Qin Chen and Lan Yu sisi were like moving glows when they left. Some people even took photos of them and of course, they caused a sensation later.
