

Thank you 3111

Chapter 3111: Ex-wife's revenge (5)

at the end of the red carpet, gu ze was holding his phone and looking at the big screen in the banquet hall.

It was the scene of him and sisi making love today.

sisi's face couldn't be seen, but his bare back could be seen, as well as the side of his face. the extremely distorted expression on his face showed his great joy.

the 360-degree sound reverberated in every corner. it was his loud breathing and his calling of 'sisi'.

Gu ze stood there and looked at the scene. He watched as he pressed little fool down. He was surprised by the intense look on his face. It was as if he wanted to kill the person in his arms.

the scene was in chaos. although the hotel security did a good job of not letting reporters in, the guests had already secretly taken a video.

...

This was really exciting.

president gu had an affair on the day of their engagement. she was suspected to be his ex-wife, and she was a little fool.

In just a minute, this scene quickly spread.

The next day, Hengtong's stock price would definitely hit the limit down. As for how far it would fall, Gu ze was not sure.

at this moment, he only knew that the one who created this surprise was probably no one else but his little fool.

with a touch of red in front of him, he saw his little fool appear on the stage of the banquet hall.

She was wearing Chanelle's little black dress, the legendary little black dress for revenge. Her long black hair was let down, and it draped over her shoulders, making her facial features look even more pure. She was like an angel.

He was the angel of revenge.

Her eyes were no longer as ignorant as before. Instead, she looked at Gu ze with a hint of mockery and playfulness.

she walked to the front of the stage, and gu ze stared at her.

Lin sisi held the microphone and smiled. Gu ze, this is my engagement gift to you. Do you like it? "

Gu ze walked towards her. Wen Xinya suddenly reached out to grab him, but he pushed her away.

"gu ze, you fell for her trick in the past!" wen xinya's voice cracked. " it was all a trap set by her. she lied to you. she's taking revenge. "

however, gu ze still walked towards the stage. as he walked, he said, " if it's revenge, how is she going to take revenge if I don't go? "

his eyes were bloodshot, and his face was stiff and trembling slightly.

The people around him automatically made way for him-

This was the best show of the year, much more thrilling than any engagement show!

Gu ze walked all the way to her.

Lin sisi did not avoid him. She looked at him with a smile. President Gu, do you have any advice for me? "

“What time?” He asked softly.

Lin sisi smiled, “when will you remember everything?” it’s probably when he had a concussion.”

his eyes darkened as he reached out to press her shoulder and smiled. ” “are you happy now?”

“I’m very happy!” “i’m very happy to see you in such a sorry state,” lin sisi said with a smile.

you’re not disgusted by sleeping with me just to take revenge on me. You hate me, right? ” gu ze asked in a cold voice.

“I’ll just take it as being bitten by a dog,” Lin sisi laughed softly.

Her hand was suddenly caught, and she touched his neck, where the Hickey was.

“what about this place? was it also gnawed by dogs?” he stared at her.

“that’s because you’re stupid!” Lin sisi broke free from his grip and opened her red lips seductively. you should be thinking about your stock price now. How are you going to stabilize the hearts of the shareholders and your fiancée? President Gu, let’s meet again.

Chapter 3112: ex-wife’s revenge (6)

gu ze grabbed her arm.

lin sisi looked at him.

he looked back into her eyes quietly and asked softly, ” you remembered everything. Do you still remember the days we were together? do you still remember C city? ”

Lin sisi’s face trembled slightly.

I went to C city, ” Gu ze said softly. I asked Auntie to stay. Nothing has changed there.

“why are you saying all this?” lin sisi closed her eyes.

...

sisi, let’s go back to C city. We can do what we did before. I’ll marry you in two years. “But I have to finish the engagement now,” he said softly.

Lin sisi laughed until tears flowed out of her eyes.”Gu ze, if you don’t blame me, shouldn’t you be pointing at my nose and telling me to get lost? You look like you love me very much, but If you love me, how could you bear to abandon me? If you love me, how could you bear to make me cry and be sad? how could you bear to not let me get engaged to another woman?”

her voice choked up. ” even if you have nothing, i’m willing to follow you. i have money, i have a lot of money. i can support you, yingluo. ”

She took a step back, her face full of tears. but you didn’t want these! Gu ze, I’m the one who doesn’t want you anymore. Did you hear that clearly? I’m the one who doesn’t want you anymore. I’ve carefully planned all of this so that you’ll be done for and never be able to make a comeback.”

“look, i’m not your little white rabbit. you don’t have to miss me anymore. that little fool was just your illusion. the me standing in front of you is the real me. a broken me indeed doesn’t deserve president gu, but i’m not so cheap as to be a wife to a rich man. ” Lin sisi took off the ring on her finger. Gu ze put it on for her today, and she threw it at him.

the ring landed on his face and left a red mark, but gu ze did not move.

he continued to look at her quietly.

Lin sisi raised her head slightly and said in a powerful voice, ” my surname is Lin. Although my father has retired, my name is still Lin sisi. I can’t let people talk about my father’s daughter being a mistress.

she looked at gu ze with determination, but her eyes were filled with stubbornness.

gu ze looked at her.

The scenes of him meeting her flashed past his mind. The way she looked at him while lying on her stomach, the way she fed the pigeons, the way she tilted her head and said, "Gu ze, you look so good." These were all in the past.

Sisi was no longer the little fool she was.

Gu ze's eyes turned red and he took a step forward.

He knew that what he was about to do would be on the social section, financial section, entertainment headlines, and Weibo headlines. He would be on all the headlines tomorrow.

But at this moment, he didn't care. He just wanted to do what he wanted to do.

Lin sisi was pulled into his arms, so tight that he wanted to melt her into his bones and blood, just like how they had made love before.

he pressed his thin lips against her carotid artery and said in a low voice, "have you really made your decision? You chose your family to abandon me, didn't you?"

"Right! Those who have been abandoned will never dream of happiness again." lin sisi reached out to push him away, but she couldn't.

Gu ze hugged her tightly.

Then, he kissed her.

it was a very heavy kiss, the kind that went deep into the soul.

He was angry at being betrayed, not at his career, but at himself.

At this moment, he was even thinking about how it felt to be abandoned like this, how his heart would hurt.

at the end of the kiss, he bit her lips so hard that they bled. he mumbled, then get lost. Get as far away as you can and don't let me see you again. Otherwise, I'll kill you!

Chapter 3113: ex-wife's revenge (7)

After saying that, he stared into her eyes for a few seconds.

he pushed her away.

Lin sisi took a few steps back and steadied herself.

Gu ze didn't walk towards Wen Xin and left immediately.

He had given up on the engagement party and the best chance to turn the tables.

he gave up on working with wen xinya.

...

Gu ze didn't know what was wrong with him, but he suddenly let himself be.

he almost could not recognize himself. he should have gotten engaged to wen xinya and even married her to stabilize the shareholders' hearts. however, he did not want to. he would rather go bankrupt and lose everything.

because none of them could beat her words: I'm Lin sisi, I won't be someone else's mistress.

she was fine. she remembered everything, so she became the one who was abandoned.

gu ze's departure caused many people to panic. the shareholders present were the most against it.

This was because it was very likely that the shares in their hands would become a piece of waste paper.

everyone was trying to stop him, but gu ze was still walking towards the exit of the hotel.

at this moment, hengtong's life was uncertain, but his relationship with little fool was dead.

Suddenly, he stopped. In the noisy room, he quietly looked at Lin sisi.

They were more than ten meters apart.

“you are not her!” he said softly.

Although it was far away and his voice was soft, she still heard it.

yes, she's dead. Gu ze, you killed her with your own hands. his little fool smiled.

Gu ze's eyes were filled with self-mockery as he took a step back. yes, I killed her. I lost her.

the person in front of him was no longer his little fool. she was no longer.

Gu ze turned around and left without looking back.

*

the next day, hengtong's stock price dropped rapidly because of the engagement party.

For three consecutive days, the stock price hit its limit down. Gu ze spent three nights in the company.

On the fourth day, he got off work and was about to return to the villa. Secretary Xu came forward and sighed softly. master Gu, miss Lin's work is still in the villa. We also found a camera. Do you want me to get someone to clean it up? ”

Gu ze gently raised his hand.

as he walked out, secretary xu couldn't help but say, ” President Gu, why don't you get engaged to miss Wen? you know that she's willing to cooperate. It's not a big deal as long as miss Wen forgives us for this.

gu ze's footsteps stopped again. he held his coat, lowered his eyes, and laughed softly. ” if that's the case, i'll look down on myself, let alone her yingluo. ”

this 'she' wasn't wen xinya. xu qiaonan knew exactly who she was.

“president gu, you care too much about her. that's why ran ran is like this,” she said after some hesitation.

“she's not someone you can talk about,” gu ze interrupted her.

Secretary Xu kept quiet, but he still felt that it was a pity.

Hengtong was created by President Gu after years of hard work. Originally, Vice President Wen would be invited by President Gu to retire in two years 'time. However, something like this happened at this critical juncture. In Secretary Xu's heart, Lin sisi was a femme fatale.

but president gu still hasn't let go of yingluo!

under secretary xu's gaze, gu ze left.

He returned to the villa, to the place where sisi had only stayed for a few hours.

That little fool had come here to scheme against him.

It was great that he had almost lost everything. it was actually quite fair. he had given up on her for his own benefit, and she had schemed to make him go bankrupt.

Even if he wasn't, he would have to spend two to three years to start over.

Chapter 3114: ex-wife's revenge (8)

Gu ze threw his coat on the bed and looked at the pajamas that had been removed from the bed. He had personally put it on sisi.

He picked it up and sniffed it. There was a faint scent of her body on it, a child's milk fragrance.

She liked fresh milk, so there was always that smell on her body. Just smelling it made him feel like he was on an aphrodisiac!

but everything was over.

He had abandoned her, and she did not want him anymore.

They were like two beasts that hurt each other.

...

gu ze laughed lightly. as he lay on the bed, her scent was still on the pillow. it entered his nose and reminded him of the madness they had a few days ago.

He gritted his teeth and sneered. No wonder she was so different that day. No wonder she was so gentle that day. It was revenge.

she would use her body to take revenge and not care about the humiliation of her body, although she was no longer sisi.

the angrier his little fool was and the more she was abandoned, the more she would not let him touch her. she could not even take a touch or a kiss. how could she have done it so thoroughly like that? it was him who was obsessed with lust and had neglected it.

Gu ze couldn't stand lying on the bed. Just by smelling the smell and lying down, he was excited again. He wanted it again.

he felt a little embarrassed and walked into the bathroom to take a cold shower, but on the bathroom mirror, a few words were written with lipstick-

i hate you!

the bright red color of her lipstick was like fresh blood. she opened her mouth wide in front of you in the mirror.

gu ze looked on in a daze. it was as if he could see sisi standing on stage and sneering at him that day.

He suddenly turned on the tap and washed his face from head to toe.

He must have gone crazy. He actually wanted to capture her and tie her up in the room, not letting her leave.

However, the soul told him that so what if he caught her? she was no longer the little fool. There was a living soul in her body, and that body did not belong to little fool anymore.

in other words, little fool was actually dead in this world.

his little fool no longer existed.

Gu ze let out a long breath and looked up at himself in the mirror.

his face was covered in water, and his eyes were bloodshot and terrifying. his eyeballs were also slightly protruding.

He had never been like this before. This was the first time he had suffered a setback ever since he had established li Hengtong. He couldn't fall now. If he fell, a large number of people would rush over and step on him, drowning him.

gu ze laughed lightly and muttered, " "There's no way to retreat."

He closed his eyes and said, "life and death."

he only gave himself one night off. he drove back to C city and appeared in the villa in a daze.

The helper was shocked. She had received news that she was going to B city to take care of sisi, but Xu Qiaonan's Secretary called and said that it was not necessary. The helper didn't understand, but she didn't dare to ask Mr. Gu.

at this time, mr. gu returned dejectedly again, and the auntie had a bad feeling in her heart.

sure enough, gu ze sat on the sofa for a long time and wiped his face. " i'll give you a check for a million yuan. go back to your hometown. we don't need anyone here anymore. "

"Mr. Gu." The Auntie was a little worried when she saw him. She reached out to touch his forehead, but Gu ze leaned back and avoided her. His voice was unusually tired. we'll stay here tonight. We'll leave early tomorrow morning, ran ran. There won't be anyone else here in the future.

Chapter 3115: Ex-wife's revenge (9)

The Auntie looked frightened, but there were some things she had to ask in person. She was afraid that she would never have another chance if she left.

She was not doing this for herself, but for sisi.

When she asked about sisi, Gu ze gave a very strange smile.

the auntie's heart sank.

“she’s dead.” Gu ze’s expression was lonely. I killed her. Yingluo. I killed my innocent little wife.

The Auntie was even more worried. Sisi was clearly not dead, but Sir had gone crazy.

...

The auntie’s voice was filled with sobs. “Mr. Gu, if that’s the case, please don’t go to Yingying and disturb sisi anymore. She’s really pitiful.”

Gu ze was stunned for a long time before he suddenly laughed.”Yeah, she’s pitiful, but I’m detestable.”

He closed his eyes, and a touch of sadness welled up in his heart.

He liked sisi and abandoned her, but when he wanted to apologize and make it up to her, the person was gone.

the person who had reappeared in his life was not little fool, but a woman named lin sisi.

Her heart was as ruthless as his.

gu ze smiled, got up, and walked upstairs. as he walked, he said in a low voice, ” “i’m the one who let her down.”

The helper was still frightened and did not dare to sleep. In the second half of the night, she heard some movement in the backyard and got up to take a look.

Under the moonlight, Mr. Gu was digging a hole to bury something, and the thing in his hand looked very familiar ...

When the Auntie saw it clearly, she was shocked. Oh my God, that was the sweater that sisi knitted for Sir, and Sir actually buried it.

the auntie stumbled to the backyard. gu ze stopped her with a calm tone.”don’t come over. i want to spend some time with her.”

The Auntie was panting as she stared at Gu ze under the moonlight with her eyes wide open.

gu ze held the sweater, but in the end, he still put it into the wet pit. he lowered his eyes to look at it for a while before he used his bare hands to dig up the soil and bury the sweater bit by bit.

the auntie’s eyes were particularly terrifying under the moonlight. she mumbled, ” “mr. gu has gone crazy.”

it was as if gu ze did not hear or care. he continued to bury himself and waited for the soil to fill up before taking out a wooden board. he took a knife and casually cut his finger. then, he wrote a few words on the wooden board with his blood and deeply embedded the wooden board into the soil.

After doing all this, Gu ze sat at the side and did nothing but sit there silently.

the auntie gathered her courage and walked over. she also saw the words on the sign-

My wife is a little fool ...

gu ze.

” sisi isn’t dead, ” the auntie said in a trembling voice. ” mr. gu, aren’t you cursing her by making this? ”

gu ze ignored her and only said after a long time, ” “But little fool is dead. No one will return her to me.”

after that, he was silent for a long time before he whispered, ” “auntie, go back to your room. i want to be alone for a while.”

this was his last night with little fool. tomorrow, he would seal off this place. he, yingluo, would never come in again. he would be heartless and would never fall for any woman again.

one time was enough!

He sat from night to dawn. When the morning light shone on his handsome face, he actually felt like he had spent a lifetime.

Was his life with little fool over so quickly?

his gaze fell on the board and his fingers stroked it. I'm leaving. You stay here and wait for me to come back. I'll be back in a few days. I'll stay with you for a few more days then, okay? ”

This was what he had said to her before. He had not fulfilled his promise, and he would never have the chance to do so.

Chapter 3116: meeting again after two years (1)

on gu ze's 35th birthday, he was drunk.

it had been two years, two long years.

Everything remained the same, but people had changed.

Two years ago, Hengtong was almost done for, and it took him two years to catch his breath.

today, gu ze finally stood in the circle of the rich and powerful in B city again, but his state of mind was different.

This year, he was a little indulgent and allowed his family to organize an extremely luxurious dinner party for him. He also received a birthday gift from him, a pure 20-year-old girl.

...

In the hotel suite, Gu ze looked at the girl in shock. His expression was slightly shocked.

it wasn't because of his subordinate's arrangements, but because this girl looked a little like yingluo!

A person whose Kasaya had died.

gu ze's eyes narrowed slightly as he kept staring at her.

the girl was a little reserved. after all, she had never served a man before. her black hair was scattered, and her small face was bright and beautiful. her cheeks were slightly red. she knelt on the bed and bit her lip as she gently took off her skirt.

Perhaps it was because he had drunk a little, but he mistook her for someone else in his drunken state.

he didn't even know if he was calling someone's name in a daze. he only knew that the young girl was pressed under him, he kissed her, and he called the dead person's name in a daze ...

little fool.

the girl under him opened her misty eyes and didn't dare to say anything. she only opened her mouth slightly and invited him silently. she could only get the money if gu ze wanted her.

She needed money.

gu ze was also really a little delirious. it was similar when he was drunk.

He had almost taken her, and his clothes were almost all gone.

He was good-looking and not as vulgar as the middle-aged rich man. In the eyes of the 20-year-old girl, he was the most charming. The girl couldn't help but fall in love with him and called out with tears in her eyes, "mr. gu."

gu ze's eyes were filled with despair.

Mr. Gu!

that person had never called him that. she always called him gu ze in a timid voice. even after she hated him to the core, she still called him gu ze. it was just that the meaning was different.

He paused. In the end, he still did not want that girl, because he was clear-headed, because he realized that the person in his arms was not that person.

he was just one step away from getting a virgin who had never been touched by anyone, so he would definitely be entangled with her.

Everything stopped.

Gu ze supported his body with one hand. His black eyes seemed to be dyed with ink as he stared at the girl below. Then, he slowly moved his body and turned to the side.

If it wasn't her, he didn't want it.

He lay flat and thought about what had happened in the past two years.

Wen Xinya was still Wen Xinya's fiancée. Although they did not have an engagement party, they were still fiancée in name. However, Wen Xinya's father was sent to prison after he made use of the Wen family. It was ironic that he had kept Wen Xinya's name until now.

this kind of fiancé and fiancée could only see each other once or twice a year. no one would believe it even if he told them.

In order to protect the Wen family's shares in Hengtong, Wen Xinya had actually gritted her teeth and endured the humiliation.

she was willing to suffer like this, and gu ze did not force her to break off the engagement. if he was not having a good time, someone had to be there to accompany him.

Gu ze looked up at the ceiling and closed his eyes.

In her heart, there was a part that was quietly hurting.

there was a wound that had never healed, but as time passed, the wound grew larger and larger, expanding to a place invisible to himself and others.

Chapter 3117: Meeting again after two years (2)

gu ze stopped everything and rolled to the side to close his eyes. the girl beside him was a little embarrassed.

but she still turned sideways and asked boldly, ” “mr. gu, are you not satisfied with me?”

gu ze let out a long breath. ” no! ”

The girl still had hope in her heart, so she continued to be brave and kissed Gu ze’s face.

Her kiss was delicate and careful, and she was shy. Generally, men who were used to romance would be a little tempted when facing such a lovely girl.

but gu ze did not.

...

He slowly opened his eyes, which had regained their calmness.”Don’t touch me.”

the girl was stunned for a moment, and she was about to cry.”Mr. Gu! don’t you like me? They said I look like Yingluo.”

“Shut up!” gu ze’s voice suddenly became stern. ” “don’t mention her.”

he was rarely like this, and the girl had never experienced this before. she was suddenly frightened and didn’t dare to say another word.

Seeing that she was about to cry, Gu ze was not in the mood to comfort her. He took the checkbook and wrote a check for one million Yuan. He placed it on the bed and said, "You can leave by yourself later. or you can leave tomorrow."

"You're leaving?" although the girl knew that there was no hope at this time, she still mustered up her courage.

she was the new flower in the entertainment industry and needed someone to support her. rather than being tainted by others, she would rather the person be gu ze.

But he didn't want her.

he had given her a million dollars, but he did not want her.

Sensing that he was about to leave, her delicate little hand tugged on his sleeve, her eyes begging.

Gu ze did not want to look at that face. His gaze fell on the door. "They didn't tell you that I have a bad temper?"

the girl was stunned, and then she gently released her fingers.

She understood what he meant. If she was detained, he would not be polite to her, and she would not even have the chance to beg a man in the future.

the girl was stunned as she watched gu ze leave.

however, she was not willing to give up, so she casually put on a bathrobe and followed him out for a walk.

As soon as she opened the door, she saw Gu ze and an extremely beautiful girl looking at each other.

his eyes were as deep as the night.

she knew the girl opposite her. her name was lin sisi, and she was extremely beautiful and popular.

in the past two years, she had been praised to the skies by KING entertainment and was rumored to be used by qin mo, qin chen, and lan yu. towards lin sisi, xiao yi was envious and jealous, but at the same time, he also looked down on her.

Her chest heaved up and down as she looked at Lin sisi in a fiery red dress. Her clean little face and the corners of her lips were so beautiful that she wanted to kiss them. However, the faint smile on her face made her want to strangle her.

xiao yi had heard some rumors that lin sisi was gu ze's ex-wife, but it was just groundless accusations and no one had confirmed it. furthermore, gu ze had a fiancée now, so no one mentioned the past.

She also knew that the person who sent her to Gu ze's bed said that she looked 50% like Lin sisi.

however, this 50% resemblance did not make mr. gu want her. at the critical moment, he let go of her, his face as indifferent as a monk without any desire.

after xiao yi came out, there were red marks on his body-

Gu ze did not do it to the end, but the love that he started to mistake still left a few hickeys on Xiao Yi's neck. They were bright and glaring.

facing lin sisi's half-smile, xiao yan felt that he had found some confidence.

although she knew it was fake, she would rather believe it was real.

Chapter 3118: meeting again after two years (3)

Therefore, she looked at Lin sisi with a hint of provocation in her eyes.

However, Lin sisi did not care about this provocation because she did not even care about Gu ze, Yingluo.

the past was in the past. the little fool who temporarily lived in her body was dead. she had nothing to do with gu ze anymore.

In other words, the one who married Gu ze and liked him was little fool and not Lin sisi, so she really couldn't let fate decide what he was doing now.

it didn't matter. the two of them had nothing to do with each other.

Lin sisi only looked at it for a few seconds before looking away and walking towards the elevator.

...

gu ze was the same.

he wasn't going to chase after her. he was going to the elevator anyway.

"Gu ze!" Xiao Yan said at this moment.

This time, she didn't call him Mr. Gu, but Gu ze.

gu ze stopped.

"Let's see if I can find you next time," Xiao Yi said softly.

gu ze's gaze fell on her, and then he looked to the other side.

lin sisi had already walked far away.

His expression was indifferent. I can't.

Then, he walked straight to the elevator, ignoring Xiao Yi's pale face.

lin sisi had already taken the elevator and left. gu ze looked at the red number and his face turned dark.

However, what made him even gloomier was the man who walked out of the suite that Lin sisi came out from. He was none other than Qin mo.

Moreover, there were hickeys on Qin Mo's neck.

it was a very distinct hickey that was so eye-piercing that it made one think of a different person. one could imagine how that small mouth had been so close to the skin at that time and sucked out such a thing.

furthermore, this little mouth belonged to lin sisi.

Gu ze had heard of the rumors between Lin sisi, Lan Yu, and Qin mo. Even if Lan Yu and Qin Chen did not have such strong tastes, it was impossible for a married couple to do it together. However, he believed that Qin mo would tease her.

he was young and promising, and he had made her famous. what bed couldn't he climb into?

lin sisi had become extremely popular in the past two years and was no longer the same as wanwan back then, so it was understandable for her to sacrifice a little.

while all of this was going on quietly, gu ze didn't care or pay attention.

he just assumed that yingluo's wife had passed away, and he refused to accept the fact that lin sisi was a little fool.

In his heart, Lin sisi was not his wife. She was just someone who hated him.

it was good to hate.

The only connection they had was that she hated him, and he hated her.

however, his hatred was unreasonable. he hated her for taking away little fool's body and hated her for not being hanhan.

Just as Gu ze was thinking about all this, Qin mo had already walked over. When he saw Gu ze, he was obviously stunned for a moment. Then, he laughed."what are you doing here?"

gu ze looked at him touching the mark without a trace, and his heart was calm. he said, " "it's a big gift for me."

they were all men, so these words were easy to understand.

qin mo was also very familiar with him, so he smiled. " "You accepted it?"

Gu ze smiled faintly and didn't say anything. However, he was here, so it would be unreasonable to say that he didn't accept it.

After Qin mo asked, he didn't really care. He didn't press her for more.

The elevator came up again, and Gu ze went in with him. They both tacitly did not mention Lin sisi, and instead casually chatted for a while. Xuanji Hengtong had been investing a lot in the past few years, and it was not like they did not have any business dealings with King Entertainment.

everything was fine at first, but they went to the parking lot. qin mo casually opened the door of the black sports car and said goodbye to gu ze. gu ze responded calmly, but when he looked over, he saw lin sisi sitting in the front passenger seat of qin mo's car!

Chapter 3119: meeting again after two years (4)

At that moment, Gu ze's thoughts were very deep and heavy.

It was as if someone had slapped her in the face.

His eyes were fixed on Lin sisi, who was in the car.

She turned her face to the side and was taking a tissue from the front cabinet when her head bumped into Gu ze's face.

Then, she turned back to her seat expressionlessly and sat upright.

gu ze continued to stare at her. he did not know why yingying was so bothered.

...

Qin mo, who was beside him, had no intention of explaining at all. He said goodbye to Gu ze gracefully.

He really didn't need to explain to her. He was divorced from Yingluo, so she had the freedom to be with whoever she wanted.

gu ze felt that he probably didn't care, but his legs didn't move at all. he still stood there ...

qin mo had already gotten into the car, but he did not start the car immediately. instead, he spoke to lin sisi for a while. then, gu ze saw lin sisi lean her head on qin mo's shoulder and teased her.

the car started slowly.

He could not see anything else, but that scene deeply hurt Gu ze's heart.

He stood in the parking lot with a cold and Noble smile on his face. He took out a cigarette from his pocket and lit it up, but the one he pulled out was bitter.

after smoking a cigarette, he walked to his car and opened the door.

the moment he started the car, his face was as dark as water.

As the car drove away, the tall buildings on the side of the road were playing huge advertisements for Lin sisi. It was an advertisement for I DO. The previous spokesperson had been mo Nansheng, but in the past year, it had been changed to Lin sisi.

While driving, Gu ze accidentally saw it, but his face was still as calm as water.

She was clearly a 25-year-old mature woman, but she could still act like a young girl and accurately grasp how cute she was. However, only Gu ze understood how cold and heartless she was inside.

advertisements slid past one after another, and gu ze's face turned even uglier.

for the past two years, he had avoided getting any news about her. however, he had been in city h. how could he not know anything about her?

His heart was incomparably depressed, so he drove faster and faster. So on Gu ze's 35th birthday, he got into an accident and the car crashed straight into the barrier.

With a bang, the safety Qi bounced out. Fortunately, it did not hurt any vital parts, but the bones in his hand were slightly fractured.

Gu ze's Secretary, Xu Qiaonan, came in the middle of the night. He helped his boss get admitted to the hospital and took care of the car. By the time he was done, it was already two O 'clock at night.

She pursed her lips and asked softly,"President Gu, are you hungry? do you need me to buy you some supper?"

Gu ze lowered his eyes and did not answer her question directly. Instead, he said softly, " "It's my birthday today,"

Xu Qiaonan was stunned for a moment. They had just prepared Gu ze's birthday last night and had even specially arranged for an innocent Little Star to be President Gu's birthday guest. President Gu would probably like her looks.

but now, president gu seemed to be very disappointed. was it because xiao yi did not satisfy president gu?

“president gu, do you need any other arrangements?” xu qiaonan asked after some hesitation.

Gu ze looked up. His face looked a little pale under the dim yellow light, but he was still handsome. She heard him say, ” “Go and buy me a roast squab.”

gu ze’s instructions stunned secretary xu. he actually forgot to answer for a long time.

“what? you can’t buy it?” Gu ze asked her this very softly.

xu qiaonan forced a smile. ” i’ll try. ”

But Gu ze raised his hand again and sighed. “Forget it.”

Chapter 3120: meeting again after two years (5)

Secretary Xu didn’t know what to do. Gu ze lay down and said, ” “I’m a little tired. You can go back first.”

secretary xu nodded and left.

gu ze was still half-lying lazily. he reached out to touch his broken finger and sighed.

after a long time, he still lay down.

He didn’t sleep well that night. He tossed and turned, but the face on the Billboard was all over his mind.

In the middle of the night, he suddenly sat up, his back covered in hot sweat.

...

she dreamed of C city and the small grave under the moonlight.

Gu ze laughed lightly and murmured, ” “Who is the one who let who down, and who is the one who abandoned who?”

After he finished speaking, he closed his eyes. When he opened them again, his eyes were like a World of Ice and snow, without a trace of weakness.

That night, Gu ze left the hospital and returned home. It was still the villa he stayed in before. There were very few servants he hired. One was in charge of cleaning, one was in charge of cooking, and the driver was from the company. He did not usually stay here.

It was common for Gu ze to return home late, but it was not common for him to take a taxi and come back with bandages. The servants in the house were all old and quite nervous.”what’s wrong with mr. gu’s hand?”

gu ze sat on the sofa in the living room and let out a long breath. ” “i’m fine, just a little fractured.”

is there any noodles in the kitchen? ” he thought for a moment and whispered, ” if there is, make me a bowl of noodles.

he had drunk a little too much tonight, but his stomach was so empty that he was even more uncomfortable now after being angry.

the servant was relieved and smiled. ” alright, mr. gu. please wait a moment. it will be ready soon. ”

In fact, Mr. Gu was a good person. He paid a high salary and didn’t come back often. When he came back, he was very easy to serve. He was much better than other families, so the two older servants were willing to care about the male master. However, Mr. Gu was 35 years old and had not been married. It was said that he had a fiancée, but he had never come here. It was likely that their relationship was not very good.

The servant quickly cooked the noodles. It was vegetable and egg noodles. After it was done, he dropped a few drops of sesame oil. It was very fragrant.

gu ze sat down and lit a cigarette with one hand. he used his fractured hand to smoke and used the other hand to eat his noodles.

“Mr. Gu, you should stop smoking when your hand is like this!” The servant persuaded.

Gu ze was stunned. He looked at his slightly aged face, but he put out the cigarette and focused on eating his noodles.

soon, he finished the bowl of noodles. as he slowly went upstairs, he loosened his tie with one hand and wanted to go into the bathroom to take a shower. however, he only remembered that his hand was injured when he entered the bedroom.

She rolled up her tie with one hand and sat on the sofa in the living room for a long time before she entered the bathroom.

this place hadn't changed for two years, and the mirror in the bathroom was the most unchanged.

on it, the words that lin sisi had written with her lipstick were still there. gu ze did not allow anyone to wipe it off. he did not know why he was so insistent. was it to remind himself that that person was no longer there?

She washed her face and went back to her bed. She still couldn't fall asleep, so she read the news.

The headlines were about Qin mo and Lin sisi's scandal, the scene of them leaving the hotel and sitting in the car.

the worst thing about the paparazzi was that they even took photos of gu ze. the headlines were especially ugly, and they described him as a cuckold.

His marriage with Lin sisi had long been turned upside down by the media. He did not expect that someone would still use it to make an issue out of it.

However, he was in no position to refute at all. He could only do this in front of the tortoise!
