

## Thank you 3141

### Chapter 3141: Meeting in pain in C city (5)

Xiaohong glanced at the woman and lowered her voice, ” “is there trouble? i think you can talk to sister kuan, she has a lot of connections. even if it doesn’t work out, you can talk to president lan and sister chenzhen, they all love you.”

Lin sisi knew all of this, but she did not want to trouble them. The Auntie was taking care of her, so it was her own business.

She shook her head and smiled. “It’s not a big problem,”

Xiaohong gave her another meaningful look. at most a month. Otherwise, sister Kuan won’t agree.

Lin sisi looked at the aunty and thought about what Xiao Hong said. She agreed, ” “just one month!”

xiao hong left with the auntie and reminded lin sisi not to be late.

...

after they left, lin sisi fell into deep thought.

she had to take charge of the auntie’s daughter’s case, but she didn’t know the depth of it. xiao hong was right to be cautious.

thinking of this, she couldn’t help but feel like smoking. at least, she could light a fire to calm herself down.

in the time it took to light a cigarette, they went to the first floor without having time to eat breakfast.

the advertisement this time was from a big brand, so the funds were more sufficient. dozens of crew members drove towards the rented villa.

As the female lead, Lin sisi and the male lead, ye mu Bai, were in the same car. She knew this senior, but they were not familiar with each other. The other party was also a little reserved, so she did not have the mood to take the initiative to talk to him. They were just catching up on sleep.

the car wobbled, but it was very comfortable. it felt like she only slept for a while before she arrived at the set.

However, when she opened her eyes and saw the villa with the black carved gate, her face suddenly turned pale and her blood seemed to freeze.

she wanted to speak, but she could not make a single sound.

her face was pale as she stared at the place where she used to live, as if she had seen a ghost.

ye mu bai furrowed his brows and looked at the villa in front of him. he then turned to look at the girl beside him. " what's wrong? "

lin sisi's hand immediately grabbed his arm and looked at him in a daze for a long time. after a long time, she finally squeezed out her voice."Tell the director that I'm not filming here. I don't want to film here."

her voice was almost hysterical.

ye mu bai's brows furrowed even more, but he hit the nail on the head."You've been here before?"

"no, i didn't!" Lin sisi immediately denied it. After she finished speaking, she calmed down and turned to look at the villa again.

everything was the same as before, but the people had changed.

her eyes were misty, and there was a hint of pain.

Ye mu Bai looked at her and suddenly opened the car door to walk towards the director who was already standing outside.

he muttered a few words and the director looked at him in confusion. he then glanced at lin sisi. ” are you sure? ” We’ve only rented it for two days, and the schedule has been fixed. Mubai, will you have any problems?”

Ye mu Bai smiled. what should I do? my heart will soften when I see young and beautiful girls sad.

The director was on good terms with him, so he told him the truth. “Just enjoy it for a while. This person and President Qin might have a conflict, you understand?”

Ye mu Bai was still smiling as he patted the director’s shoulder. “When have I ever made a mistake? you’re a little girl, and you’re quite lovable.”

actually, it wasn’t. in fact, it was the story in lin sisi’s eyes that moved him. otherwise, a cold-hearted person like ye yingdi would not be soft-hearted.

Chapter 3142: C city, meeting in pain (6)

The director agreed. alright, let’s set first and see if that lady is in the mood. If she isn’t, we’ll do it tomorrow. I’m fine with it, but I’m afraid your schedule won’t be able to fit in.

“Alright, thank you then.” Ye mu Bai smiled.

“Old Bai, we’ve known each other for so many years.” The director glanced at him.

” don’t, i’m still hoping to take the fresh meat route. don’t call me old bai in front of people. it won’t be good if those movie fans hear it. ” Ye mu Bai tidied his clothes.

The director was amused by his words. come on, old Bai. I know you well. You’re a young hunk, you’re like an old piece of cured meat.

ye mu bai did not mind. he took out two cigarettes and lit one each. the director looked at him as he smoked. ” tell me, who do you think you are in front of others? you say that smoking is bad for your health, but in private, you’re just an old smoker. aren’t you tired of living such a hypocritical life? ”

...

ye mu bai raised his head and took a long puff of smoke before he glanced at him. ” “The fans like it, but you’re not convinced?”

Director Cheng laughed and patted his shoulder.”good, good, good, you’re polite!”

he reached out and flicked the cigarette butt.”old bai, you’ve been spoiled by your fans. you have a bad temper!”

With that, he went to direct the staff to set up the scene. His voice was so loud ~ who said that he wasn’t pampering old white just now?

Ye mu Bai held the cigarette between his fingers and chuckled. He wanted to go back and tell Lin sisi.

his heart really ached for this little girl. she was so thin and small, and there were many stories in her eyes.

but when he turned around, he saw lin sisi standing behind him. he was stunned for a moment, then smiled.””How long have you been here?”

“not long ago. i heard the director say that you were spoiled by your fans.” Lin sisi smiled.

ye mu bai looked around as if he was trying to hold back something, but he could not help but laugh.”i wanted to tell you that we can film tomorrow if you’re really not feeling well, but i don’t think there’s a need.”

lin sisi looked at him and smiled.”thank you,” she said.

ye mu bai held her hand with the same hand that was holding the cigarette. ” “You’re welcome,”

“We’ll split up and go to the dressing room?”

“Alright,” he said. Lin Sisi smiled and said goodbye to him for the time being, then went to the dressing room.

The director returned after he was done with his work and looked at Lin Sisi. “She’s fine now. She’s not throwing a childish tantrum anymore?”

Then, she looked at Ye Mu Bai and asked, “Old Bai, how did you coax him? I didn’t see you having this kind of skill before.”

“Come on, it’s not easy for that young lady. I’ll go and do some makeup.” Ye Mu Bai smiled and left.

The director snorted. “You don’t need makeup with your foundation. You only want to be a young hunk all day long!”

After he was done ranting, the director brought out a few more cigarettes, and Ye Mu Bai finally came out. It was just as the director had said, it was best for a man of his age to not put on makeup. He had only changed his clothes and combed his hair.

He came out and stood in front of the director. “Give me a cigarette.”

“Do you think it’s appropriate for you to smoke a cigarette with your outfit? You’re acting as a noble character now. Don’t ruin your image.” The director snorted.

Ye Mu Bai laughed. “I’ve already said that it’s acting. It’s for movie fans to see. If you don’t smoke, you won’t let people live?”

As he said that, he went to grab a cigarette. At that moment, Lin Sisi came out. Ye Mu Bai’s cigarette was not lit as he walked towards the female lead.

The director looked at her and smiled meaningfully. “Little guy, you’re in your 30s and you’re finally in heat.”

## Chapter 3143: C city, meeting in pain (7)

Ye mu Bai was wearing a light beige suit with a pair of cropped trousers, which perfectly showed his 182 cm height and gentle temperament. Lin sisi was wearing a white dress, which had a very good texture. Both of them were wearing the same watch from a certain brand on their wrists.

Ye mu Bai walked over and naturally held her hand. “from now on, we’re all getting into character. please forgive us if we’ve offended you in any way.”

Lin sisi was a little overwhelmed by his gentlemanly behavior. Ye mu Bai was very well-known and had never been involved in any scandals. The only thing he had ever been involved in was being provided for by a rich woman in her early fifties.

however, that was also based on hearsay, and no one had ever captured anything.

Lin sisi was in a daze for a while, and her gaze fell on the hand he was holding.

Ye mu Bai’s hand was very fair, and his joints were clearly visible and very good-looking. When she held his hand, she knew that he had been pampered since young.

...

Lin sisi didn’t think too much about it and looked up at the villa in front of her.

After a few years, things remained the same, but people had changed.

In the past, she was a pet raised here, not the mistress. But today, she was going to play the mistress of this place. She found it very funny.

at this moment, the director instructed his assistant, ” I saw that there’s a swimming pool at the back. Let’s get someone to clean it up and we’ll shoot an additional swimming pool scene.

Ye mu Bai and Lin sisi both heard it. Lin sisi was the first to object.”That swimming pool is too big. It’ll take half a day just to fill it up.”

after she finished speaking, the director waved his hand nonchalantly. ” “we’ve spent a few hundred thousand. what’s the big deal with wasting a bit of water? little zhang, go and put it in.”

however, ye mu bai caught the meaning behind lin sisi’s words and frowned. ” “you’ve been here?”

Lin sisi was stunned for a moment, then she smiled weakly. “I’ve been here.”

since she did not want to explain, ye mu bai did not want to force her. he did not say anything more and walked to the backyard to check on the water.

the villa was huge. there was a huge swimming pool and a huge garden at the back. ye mu bai saw that the director was not in a hurry to shoot, so he smiled at lin sisi. let’s go to the garden and take a look. Maybe there’s a place where we can take some photos.

Lin sisi nodded.

In fact, she would rather walk around outside than enter the villa. There were too many memories in that house.

It was something she wanted to forget, but the memory of every minute and every second was so vivid that she couldn’t forget it.

ye mu bai was a very good companion. when he walked with her, he would take care of the feelings of a lady. moreover, this kind of grace was not faked. it was an innate good temperament.

Lin sisi was also very relaxed when she was with him, probably because he was more tolerant towards girls at his age.

the two of them chatted for a long time and walked around a few small gardens.

The flowers bloomed very well, but the last place they went to was a little bleak. The huge place only had a small mound.

Lin sisi stared at it and slowly walked over.

In the end, she stood there and saw a simple tablet with a few words written on it.

her face instantly turned pale.

my wife, little fool!

She almost couldn't stand still, her body was swaying, her head was dizzy, and her vision was dark.

The blue sky above his head seemed to have turned black, white for a moment, and then black again.

She desperately tried to wake herself up, but in the end, she fainted.

She fainted in ye mu Bai's arms.

ye mu bai looked at the simple dirt mound and then at the person in his arms.

he immediately understood.

the people and everything here were related to lin sisi. perhaps she was the owner of this place in the past.

Right now, she was only fainting because she was reminded of the past.

Chapter 3144: Meeting in pain in C city (8)

when she woke up again, the sky was white and the surroundings were quiet.

lin sisi blinked and looked at the familiar yet unfamiliar ceiling. her voice was very soft."where are you? what time is it?"

"you're awake?" a clear and elegant voice sounded.

Then, there was the sound of footsteps. The footsteps were very slow, and he walked to the side of the bed and slowly squatted down.

the person that lin sisi saw was ye mu bai.

she looked at it in a daze, then turned her face away to look at her surroundings.

...

Everything was the same as before, but the people had changed.

Especially when there was a photo of her and Gu ze on the bedside table. At that time, sisi was smiling foolishly and sweetly. Her two little fangs were especially cute. She was wearing a floral dress and Gu ze was wearing a simple white shirt.

In the background was the sofa in the living room of the villa. Gu ze was sitting, and she was in his arms, her little chin resting on Gu ze's shoulder.

In her eyes, there was a look that should be in love, and not a Touch of Dead ash.

Ye mu Bai simply half-squatted and slowly said, " " in the bedroom on the second floor. the security guard saw you and said that you knew him, so he opened the door upstairs. you fainted for two hours. the doctor came and said that you were fine, but you were too emotional. "

lin sisi was still looking at him.

she had her makeup on, but now that her makeup had been removed, her eyes were smudged, and it was obvious that she had cried in her sleep.

Why was she crying? perhaps it was because the aura here was too familiar, and it was too painful.

"I want to get up, but I can't walk yet. Can you carry me down?" her big eyes had a hurt expression like a small animal as she pleaded in a low voice.

ye mu bai's heart softened, but he still agreed and reached out to carry her.

the moment he picked her up, he noticed that lin sisi's gaze had swept past the photo at the head of the bed, but she quickly looked away.

she walked downstairs and pursed her lips. " i'm much better. thank you. "

ye mu bai smiled and placed her on the sofa. then, he personally went to pour her a glass of warm water.

the director was stunned by ye mu bai's actions. he quietly pulled ye mu bai over and asked, " old bai, are you serious? are you really going to touch this girl? have you thought about whether your family will agree? Even if he agrees, there's still Qin mo there to stop him."

" qin mo is married. there's nothing going on between them. it's just a rumor. " "Director Cheng, you still believe in this?" ye mu Bai patted the director's back with a smile.

"But what about Gu ze? don't tell me you don't know that she's gu ze's ex-wife? There are traces of her everywhere in this villa. Do you think a divorced man who keeps a mansion worth tens of millions to commemorate his ex-wife doesn't have any feelings at all?" director cheng patted him again and said meaningfully, " " old bai, we've been together for so many years, but you've never touched a single leaf. i've always thought that you're immune to women, but this time, i have to warn you, it's better to stay away from this girl. it's not that she's bad, but she's too troublesome. "

After she finished speaking, she looked at ye mu Bai with a burning gaze. yes, yes. Do you understand? "

ye mu bai smiled and took out a cigarette. he looked at old cheng. " i understand what you're saying, but i don't think i can escape from this. "

As he said this, he placed a hand on his heart."it's jumping very hard here, i need a little girl to lean on it!"

then I'll get someone to find a good girl for you to lean on tonight. You can't do anything stupid, can you? " Cheng Zhou yelped.

Thinking about it, he was still worried, so he reminded, ” “You Can’t Touch This!”

## Chapter 3145: Meeting in pain in C city (9)

Ye mu Bai only smiled, lit his cigarette, and took a long drag.

after he finished smoking, he walked over and sat opposite lin sisi. it was also the place where the photo had been taken at the head of the bed.”Are you feeling better?”

lin sisi held the cup and looked at him. a smile appeared on her small lips. ” “I’m much better, thank you,”

Then, he tilted his head. your face might not be in good condition. Old Bai, did you become a Yaksha? ”

She called him Lao Bai very naturally, and ye mu Bai sharply caught it ...

she probably wanted to be good friends with him, just like director cheng.

...

However, they were friends who had no gender.

The little girl was quite interesting. She knew that he had bad thoughts about her and made the first move.

He didn’t think much of it. He had to be patient when chasing girls. It wasn’t something that could be done in a day or a month.

he was slow to warm up. he only liked a girl in his thirties, so he naturally had to treat her with care.

ye mu bai smiled slightly, and the corners of his eyes were filled with the aura of a mature man. the indifference on his body really had a kind of noble air, making people feel that he came from a particularly good background and did not seem to be from the entertainment industry.

When Lin sisi asked this, he answered tactfully, ” “how can you undervalue yourself like this? just go and touch up your makeup. do you have the energy to shoot now? i’m in a hurry.”

Lin sisi couldn’t help but apologize. I’m sorry to have delayed you.

“I’m in a hurry because I want to finish earlier tonight. I’ll treat you to a good meal.” ye mu bai habitually held a cigarette in his mouth and slowly stood up. ” but you’ll have to pay for it! ”

Lin sisi was originally on guard against him, or else she wouldn’t have called him old Bai. However, seeing how impolite he was, she actually relaxed.”Okay, I don’t mind, but I’m taking two people with me.”

“alright, i’ll take it as protecting you!” Ye mu Bai’s words were a double-edged sword. Lin sisi also smiled and leaned her face closer to him.”old bai, do you think i need someone to protect me?”

ye mu bai was stunned for a moment. he probably did not expect her to lean over, but after a while, he smiled lightly.”girls need to be protected.”

As he spoke, he reached out and touched her little head.

this time, it was lin sisi’s turn to feel her body stiffen-

Because when she was a little fool in the past, someone had also touched her head like this.

that person thought that she was very cute. that person married her, but in his heart, he still thought that she was stupid.

there was a hint of moisture in her eyes. it was not easy to notice, but ye mu bai still noticed it. he smiled faintly. ” there are so many good and bad feelings. i told you that girls need protection. ”

lin sisi blinked her eyes, wiping away the tears in them. she smiled faintly.”Thank you, old Bai.”

“If you want to thank me, bring more cash tonight. I can eat a lot.” ye mu bai continued to smile.

He wasn't someone who liked to smile, but when he was with her, he seemed to smile all the time.

Probably because he was a straight man, he unconsciously wanted to present his best side to the girl he liked.

Even if he was in his thirties, he would still have desires and would want to hug the girl he liked.

However, he had to do it slowly. If he did it too quickly, he would scare them!

Just as ye mu Bai was thinking about this, the security guard here had called Gu ze two hours ago.

Mr. Gu, my Hanhan rented the villa to a production crew for two days, but it was an advertisement with a former wife. I heard that the wife fainted, and it was Hanhan who fainted while filming a bed scene.

Chapter 3146: C city, meeting in pain (10)

On the other side, Gu ze was holding his phone, his face ashen.

“Master Gu, what's wrong?” Xu Qiaonan asked, concerned.

gu ze put down his phone and looked at the middle and higher-ups in the meeting room. he said indifferently, ” “The meeting will be taken over by Vice-President li!”

with that, he strode towards the door.

Xu Qiaonan followed him hurriedly. what happened to President Gu? I'll go with you.

Gu ze stopped in his tracks and looked at her. “secretary xu, i don't want you to interfere in my personal affairs, understand? just do your part.”

...

Xu Qiaonan's face turned red and white. After a while, he said in a low voice, "I understand, President Gu. I'm sorry."

Gu Ze glanced at her and turned to leave.

Xu Qiaonan stood in the same spot, embarrassed. After a long time, she made a call.

Gu Ze arrived at C city two hours later. The car stopped, and he was covered in dust and anger.

The security guard was so scared that he peed his pants. He had made this call because he knew that the production team was going to release a statement to stir up Ye Mu Bai and Lin Si Si. They would be exposed sooner or later, so he had to tell Mr. Gu the truth.

Gu Ze's car had just stopped, and the guard was about to plead for mercy, but Gu Ze closed the door and pursed his thin lips tightly. "Where are they?"

The security guard was so scared that he peed his pants and led the people inside. She's already awake and is currently filming. Mr. Gu, I didn't do it on purpose. It's just that my family is sick and in urgent need of money, so I hesitated.

"Where are they?" Gu Ze impatiently interrupted him. "Where are they?"

"The Great Kasaya Hall." the guard said in a low voice, secretly looking at Mr. Gu's face.

Sigh, she was really ugly enough. He was scared to death, but he had no choice but to accompany her.

Gu Ze walked straight into the hall. His sharp aura was enough to freeze three feet.

When he reached the entrance of the hall, he looked at the guard. The guard had a bitter face and gently pushed the door open with one hand.

the door slowly opened. the inside and the outside were originally two different worlds, but now they had become one.

In the familiar Hall, his ex-wife and another man were hugging and kissing under the camera.

It was a beautiful scene, truly beautiful.

she placed her hand on ye mu bai's shoulder and stood on her tiptoes. she moved closer to ye mu bai's delicate lips and softly touched them.

The director requested in a very flat voice, " " old bai, open your lips slightly and suck a little. don't be so rigid. you don't look like it. "

Then, Gu ze saw ye mu Bai gently sucking on Lin sisi's lips. Ye mu Bai's arm also tightened slightly. His large palm was placed flat on her waist and was supporting her slightly.

cherishing her and teasing her

Her soft lips touched and pressed against each other little by little. It was not very erotic, but it was beautiful and real.

It wasn't a fake kiss, it was a real kiss.

Ye mu Bai's Adam's apple even moved slightly, and there were slight moans on his skin. That was a sign that only men would have when they were in love. However, he only sucked on a bit of it and did not do anything more.

He kept kissing her, as if he was going to kiss her until the end of time.

gu ze's fingers slowly clenched as he glared at them. if looks could kill, ye mu bai and lin sisi would have died by now.

Under such a gaze, the director was very satisfied with the shooting and repeatedly wanted to make adjustments. Then, he angrily shouted at the door, ””which one of you is blind? close the door, the light is gone.”

Everyone’s eyes turned to the door, including ye mu Bai and Lin sisi, who were hugging each other.

Chapter 3147: get lost, immediately get lost 1

gu ze stood at the door and looked at ye mu bai and lin sisi hugging each other.

His eyes were straight and his emotions couldn’t be seen. However, the director saw the person clearly and smiled awkwardly. it’s President Gu! Why, are you here for a vacation?”

in fact, he knew it clearly in his heart. this villa was probably this king of hell’s. little sun didn’t want to borrow anything and ended up borrowing it from gu ze. how was he going to clean up the mess now that he was here?

it was as if gu ze did not hear her. his eyes were fixed on lin sisi’s face as he walked straight towards her.

Ye mu Bai stood in front of Lin sisi and said, ” “Gu ze!”

“mubai, get out of the way.” gu ze pushed ye mu bai away. ye mu bai could have used force, but something flashed past his mind and he quietly moved aside.

...

Some roads could never be crossed if they were not taken.

So, he stepped aside.

Gu ze walked in front of Lin sisi and stared at her. She did not avoid him.

Their eyes met for a long time before Gu ze softly said, ” “Director Cheng, I would like to speak to miss Lin alone, is that okay?”

“of course you can, of course you can.” Director Cheng laughed and led the group out.

this is your territory, who dares to say no!

Gu ze was still looking at Lin sisi. He only spoke after everyone had left, ” “i thought you’d never come back.”

“I also thought that you’d be running away from reality forever.” Lin sisi raised her head and looked at Gu ze. I didn’t know what happened today. If I knew, I wouldn’t have come. If you don’t want to rent it to the crew now, I’ll explain it to director Cheng.

gu ze did not reply and continued to look at her.

She was dressed very innocently today. No, she had always looked innocent on the outside, unlike her who had so many thoughts on the inside.

Gu ze didn’t say anything, and she felt a little uneasy. She lowered her eyes.”I’m sorry, I’m not what you think I am.”

after she finished speaking, she rubbed her forehead. ” gu ze, if you want me to apologize, i’ll apologize. it’s for the past. ”

He looked at her with a mysterious smile. “Why are you apologizing? is it because of the villa? Or is it because of Mubai?”

Lin sisi looked up and caught him calling her ‘Mubai’.

The corner of Gu ze’s mouth still had a cold smile. Mubai’s family isn’t that simple. Don’t think that you can be with him just because you left me. It’s even harder for him to marry you than it was for me.

“don’t mention the past.” Lin sisi raised her head, and there was a touch of heat in her eyes. if it’s difficult, then don’t marry me. No one forced you to marry me. Gu ze, you bastard.

okay, you abandoned me and I took revenge on you. So what? you didn’t lose anything. What else do you want now? ” she didn’t cry, but asked sarcastically, ” “Is it because you’re uncomfortable seeing me kissing someone else, President Gu?”

she said everything in one breath, but she didn’t expect him to agree. ” “Yes, I’m not feeling well. Lin sisi, I’m very uncomfortable!”

Gu ze said as he took a few steps forward. He gritted his teeth.”I don’t care how many men you’re with, but Lin sisi, don’t come here.”

“Get lost!” He spat out.

her body trembled as she heard his voice turn even colder. ” ” get out of here immediately. take your director cheng and ye mu bai with you and get out of here. ”

lin sisi lowered her head. after a while, she only said, ” okay. ”

She didn’t know how she managed to walk out, but the moment she did, she saw Cheng Zhou smoking furiously, as if he was very troubled.

” can i borrow another villa? ” she said softly. ” i’ve failed in my negotiation with master gu. ”

how could cheng zhou blame a pitiful young lady like her? he only patted her shoulder. ” “i can understand.”

Chapter 3148: Gu ze, I want to be with her (1)

in the end, lin sisi borrowed lan yu’s and qin chen’s villa nearby. after making a phone call, she confirmed with director cheng.

Director Cheng patted her shoulder again. this really isn’t your fault. At the end of the day, it’s because our crew didn’t do our job well. In any case, we can’t do it today. Drive the car over and

I'll get them to set the scene. How about the three of us go out for a drink? just treat it as taking you away from your worries. Oh, I'm also talking about old Bai.

at first, director cheng didn't think that old bai and the young lady would be able to get together, but he thought that old bai liked lin sisi and would definitely guide her.

sigh, he was starting to have tender feelings for such a pretty little girl.

being in this industry, he had seen everything clearly. other than lin sisi's relationship with KING entertainment's qin mo, which he did not see as real, there was nothing between her and anyone else. there were no unspoken rules either.

lin sisi refused, " "If that's the case, director Cheng, I just happened to meet a very important person today, ran ran."

...

"gu ze?" Cheng Zhou didn't think too much about it and blurted out.

lin sisi was stunned for a moment, then she smiled faintly. no, it's an Auntie who used to take care of me. Something happened to her family, and it's quite troublesome.

Cheng Zhou looked on with concern.

"Her daughter has a lawsuit in United States," Lin sisi said.

you're looking for Lao Bai? Lao Bai has a great lawyer at home, and Lao Bai Yingluo. before director Cheng could finish, he saw ye mu Bai and Gu ze walking out.

they know each other, " he said softly. they've known each other for many years. Sisi, you know what I mean.

... If you don't want to be entangled with Gu ze, then keep your distance from old white.

lin sisi had been in the entertainment industry for a few years, so what did she not know? “I know,” he replied with a smile.

cheng zhou was relieved. he then called ye mu bai over. ” old bai, come here! ”

Ye mu Bai walked over. Director Cheng had just mentioned that he would not be filming in the afternoon, so ye mu Bai took out two cigarettes and smiled faintly.”Then I can catch up with Gu ze.”

” old bai, you’re being ridiculous. ” cheng zhou shook his head.

ye mu bai patted director cheng’s shoulder, his gaze a little deep.

hence, cheng zhou knew in his heart that lao bai was really thinking of something. furthermore, his intention was not to let him get involved in this matter.

if it was in the past, director cheng would have already jumped up and f \* cked you. gu ze grew up with her, so how could gu ze’s ex-wife want her?

However, director Cheng had known ye mu Bai for many years, and it was not easy for him to fall in love with him.

sigh.

Cheng Zhou didn’t say anything else, he only sighed.

“you guys go ahead. i’ll follow the crew tomorrow.” Ye mu Bai smiled and looked at Lin sisi. “see you tomorrow,”

he raised his hand as if he wanted to ruffle her hair, but in the end, he didn’t do it. he just smiled and retracted his hand.

Lin sisi couldn’t reject him, so she smiled and said, ” “Thank you for today.”

“I didn’t help.” Ye mu Bai then turned around and looked at Gu ze.”Shall we go?”

Gu ze’s expression had already recovered a little, and he became a little lazy. He did not even look at Lin sisi as he left with ye Mubai.

From the beginning to the end, ye mu Bai did not say anything about him pleading for Gu ze, but Gu ze did not agree to it.

they arrived at a chinese restaurant. it was already past one in the afternoon. they were indeed hungry after a long time.

The two men had their own thoughts, so they casually ate a little and then slowly drank the wine.

It was white.

After drinking for about ten minutes, ye mu Bai suddenly raised his eyes and said softly, ” “Gu ze, if you don’t object, I’m going to pursue her.”

Chapter 3149: gu ze, i want to be with her 2

gu ze was currently flicking off the ashes from his cigarette. his fingers trembled slightly, and then he froze there.

“old bai.” “Are you sure?” his voice was a little bitter.

Ye mu Bai smiled and replied,’I’m sure! i like her, and you know that i’ve never really liked a woman.”

“Just because I’ve never liked you doesn’t mean I’ve never liked you.” gu ze’s voice was still stiff. ” you clearly know that she’s my ex-wife. why are you still trying to get involved? ”

“Do you want to remarry her?” Ye mu Bai asked in a serious tone.

gu ze shook his head without any hesitation.

...

“If you don’t have one, why can’t I?” ye mu Bai smiled. Or is it because you still love her?”

gu ze did not say anything. he only lit the cigarette between his fingers and kept looking at ye mu bai.

After a long time, he said softly, “do as you wish!”

After saying that, he took out a few 100 yuan notes from his wallet and placed them on the table. Then, he stood up and left.

ye mu bai sat there and smiled faintly.

Don’t love?

how was that possible?

Gu ze drove back. The early autumn weather allowed the wind to blow into the car with the windows down, but it could not get rid of the heat in his head.

his mind was filled with ye mu bai’s words. gu ze, if you don’t want her, i’m going to chase her.

go ahead. old bai should not be asking her but qin mo.

Gu ze slammed on the brakes. He held the steering wheel with both hands and closed his eyes.

his already tough facial features turned into the most sharp lines, and in an instant, he had an aura that was enough to turn anyone into ashes.

after a long time, the lines slowly calmed down.

gu ze opened his eyes and looked at the road ahead.

The sky was gray, and it was the same color as the road.

It was the same color as his mood.

He sat there quietly for a long time before he started the car again.

When they returned to the villa, everyone had left, and the villa returned to a dead silence.

gu ze's car drove in and stopped. he opened the car door and slowly walked into the villa.

He hadn't been here for a few years.

After leaving that day, he had never stepped in.

Now, it had returned to its original state. Every decoration had been personally placed by little fool. Little fool had said that this was their home.

home. i want the smell of home.

On the coffee table in front of the sofa, there was a set of little fool's selfies. Every one of them was lively and infectious.

he picked it up and slowly sat down on the sofa.

His eyes fell quietly, and after a long time, he said in a low voice, " "Were you disturbed?"

Of course, the person in the photo wouldn't answer his question. She just smiled.

Gu ze smiled bitterly. little fool, Lao Bai said that he wants to pursue her and be with her. Do you agree? "

After staring at it for a long time, he laughed softly, "you'll definitely ask if old white will take her to barbecue skewers or to see pigeons, right?"

"i will! Old Bai dotes on the little girl very much, and he's very good." as gu ze spoke, a large tear suddenly fell from the corner of his eye.

It fell on the back of his hand, almost burning him.

He covered his eyes with one hand and slowly leaned against the back of the sofa, sinking into it.

"old bai will be with her, and i will be with you, okay?" he muttered after a long time.

the person in the photo was still smiling.

Gu ze suddenly went crazy and threw the photo in his hand at the opposite wall. His voice was almost heart-wrenching. "Why aren't you saying anything? do you still hate me? why didn't you come back?"

His chest heaved up and down as he looked at the broken pieces on the ground.

It was like the broken feelings between him and little fool, like the separation that day, like her hurt eyes that day.

suddenly, he covered his eyes and muttered, ""Can you come back?"

Chapter 3150: gu ze, i want to be with her (3)

However, the surroundings were silent, and no one could answer him.

gu ze's body fell onto the sofa behind him. he did not care about the shattered glass on the sofa and allowed those sharp little things to pierce his arm, leaving red blood on his white shirt.

he gently raised his arm and smiled.

it was like the last trace sisi had left on his mirror!

Gu ze sat on the sofa and panted silently. After a long time, he walked to the bar and took out a bottle of red wine. He did not take a glass and just drank it.

From day to night, he drank a few bottles of red wine. When night fell, he staggered to the back yard.

...

Under the moonlight, the small dirt mound was shrouded in the moonlight and had a faint glow.

Gu ze walked over and immediately knelt down.

he was half-lying on his stomach and looked up at the small wooden sign with his half-drunk eyes.

he smiled, but there was a glimmer of light in the corner of his eyes under the moonlight.

his fingers gently caressed the wooden tablet and said very softly, " "it's been a few years, how are you? Did they disturb you? What about me? did I disturb you? are you unhappy that I'm here?"

The surroundings were silent, and no one could answer him.

Gu Zewei closed his eyes and just sat there, his body leaning against the small dirt mound, just like when he sat side by side with little fool.

he looked up at the night sky, as if he could hear her say, " "Gu ze, I want to eat skewers, can you take me there?"

One night in C city, he came over. They hadn't seen each other for two weeks. He wanted her, but little fool stood in front of him and said this to him.

Of course, he could have ignored her, but her eyes were so bright and her expression was so happy as if he would do anything for her. So that night, he spent two hours with her to eat skewers.

That was also the only time he had taken her out in the few months after their marriage.

little fool was so happy that she wanted to shop everywhere and didn't want to go home.

However, Gu ze missed the bed at home. He coaxed her home very quickly. On that super large bed, he released all his desires for the past two weeks. He even tried on things that he didn't dare to try on her in the past.

Little fool was being bullied by him, but no matter how much she cried, she did not push him away. Instead, she cried as she hugged his neck, her whole body burning up.

"You're so silly." Gu ze laughed lightly. how can there be such a silly person? "

he sat quietly and reached out to touch the small dirt mound. he patted it gently, just like how he did to little fool.

he spoke to the small wooden sign. " old white is a very good person. he will treat girls very well. if it were you, would you be with him? "

Of course, no one could answer his question.

gu ze laughed again, and it was a cold and sad laugh."You can't be, right? because you're so stupid!"

But Lin sisi would. Gu ze knew that as long as old white was willing to warm up a girl, it was hard not to do it.

lao bai was the kind of man who was especially good. he was also very carefree. he could even give up everything for lin sisi. he could only give up the vanity of the entertainment industry and the inheritance of his family.

he had always wanted what he wanted.

unlike him, he had abandoned his little fool for hengtong!
